SUBJECT: MONMOUTHSHIRE FAIRTRADE COUNTY RENEWAL

MEETING: INDIVIDUAL CABINET MEMBER DECISION – Councillor Sara Jones

DATE: September 2017

DIVISION/WARDS AFFECTED: County-wide

1. PURPOSE:

- 1.1 To seek approval for the attached report which will form the basis of our application to the Fairtrade Foundation to renew our status as a Fairtrade County.

2. RECOMMENDATIONS:

- 2.1 To approve the attached report (Appendix 1) and supporting evidence (Appendix 2) as an accurate record of the progress made by Monmouthshire County Council to promote Fairtrade from 2014 to date.
- 2.2 To approve the actions that are proposed in the report as Monmouthshire County Council's commitments towards promoting Fairtrade from 2017 to 2019.
- 2.3 To authorise the Sustainability Policy Officer to submit this report to the Fairtrade Foundation to renew our Fairtrade County status.

3. KEY ISSUES:

- 3.1 Monmouthshire County Council needs to renew its Fairtrade County status by submitting a report on progress to date and actions for the next 2 years.

4. REASONS:

- 4.1 Monmouthshire County Council's Fairtrade Resolution was passed by full Council in May 2007 and endorsed by Cabinet 25th July 2007. Fairtrade County status was first awarded to Monmouthshire by the Fairtrade Foundation in November 2008.
- 4.2 To keep our status as a Fairtrade County, this needs to be renewed every two years, and renewal is due now.

5. RESOURCE IMPLICATIONS:

- 5.1 None at present. The actions contained in our renewal can be delivered within existing staff resources.

6. WELLBEING OF FUTURE GENERATIONS IMPLICATIONS (INCORPORATING EQUALITIES, SUSTAINABILITY, SAFEGUARDING AND CORPORATE PARENTING):

6.1 Renewing Monmouthshire's Fairtrade County status contributes to multiple wellbeing goals and has benefits for Monmouthshire and for the global community. Work is delivered in close partnership with community groups, schools, Fairtrade Wales, businesses and others, and raises awareness of Fairtrade amongst people in the county. Local businesses benefit from being able to promote themselves as a fair trade venue and farmers and growers across the world benefit from guaranteed, fair prices for their work and premiums which they can invest in their communities. There are no negative impacts.

Use our role as host to the 2016 Eisteddfod as an opportunity to promote Fairtrade, by working with the Eisteddfod and its caterers, and to market the event as “the most Fairly Traded Eisteddfod ever”.	Meetings were held with Fairtrade Wales and the Eisteddfod in the run-up to the event in August 2016 to emphasise the importance of ensuring and enforcing catering outlets use Fairtrade. Fairtrade Wales supplied FT tea and coffee to Eisteddfod staff and workers. The Eisteddfod was a great chance for the Fairtrade Town groups to work together in a high profile location in partnership with MCC. They had free tickets and a free space in the Monmouthshire marquee giving samples, making bunting and playing the banana game and wandering the Maes in a banana suit. Council supports Fairtrade Fortnight

Mon CC is giving its full backing to this year's Fairtrade Fortnight, with events in council premises across the county. The campaign aims to encourage people to support Fairtrade and drive much-needed change for farmers in developing countries.

This year's campaign theme is "Put Fairtrade in your break" and recognises that enjoying the perfect cuppa or a snack is an important part of our daily routine. Despite this, millions of farmers producing the treats we enjoy during our breaks struggle to make a living.

Cllr Phil Hobson, our cabinet member for sustainability says: "We need the whole community to get

Stock up on fairly-traded Christmas goodies

Staff visiting County Hall tomorrow (Thursday 8th December) have the opportunity to stock up on Fairtrade goodies for their Christmas celebrations.

Fairly traded chocolates, biscuits, sweets, snacks, tea, coffee and more will be on sale in County Hall from between 12 noon and 2 pm. Also available will be a range of fairly traded crafts and gifts, so you can do your Christmas shopping during the lunch break, knowing that farmers, producers and craftspeople will have a better quality of life and a fair wage as a result.

- We are grateful to the Usk Fairtrade Forum who are running the sale for us - an important part of our commitments as a Fairtrade County. For more information, contact Hazel Clatworthy on 4843.

Monmouthshire makes a difference for Fairtrade Fortnight

24 February 2016

Mon CC is to support Fairtrade Fortnight by organising an event featuring four inspirational speakers and the work they carry out to support producers in the developing world to receive fair rewards for their endeavour.

Monmouthshire Making a Difference will be held in County Hall **on Tuesday, March 1st** when staff and councillors will hear from training officer Dawn Sadler about her experiences on a recent visit to Uganda. In addition, a Ugandan coffee grower will talk about the transformation that the Fairtrade organisation has made to his family and community while Martha Musonza Holman of local charity *Love Zimbabwe* will discuss links built between Wales and her native country through a Fairtrade craft business. The final talk will be delivered by Mon CC social worker Grace Bridgewater focusing on a project she runs in her home village in Kenya to improve life for orphans and vulnerable children. A particular aim of the charity *Msingi wa Tumaini* is to promote education for girls.

As part of the event, a volunteer from Usk Fairtrade Forum will run a stall to sell Fairtrade goods to staff and members.

A Fairtrade festive season

10 December 2015

Mon CC staff once again demonstrated their support and commitment to Fairtrade this week as many attended the two Fairtrade sales at Usk and Magor organised by the council's Sustainability Policy Officer, Hazel Clatworthy.

We're very grateful to Ruth Prince, a volunteer from the Usk Fairtrade Forum, who brought lots of stock to sell, and to Denise from Magor's Mustard Seed shop who ran the Innovation House sale. About £200 was spent on biscuits, chocolate and Fairtrade gifts and stocking fillers ensuring farmers, producers and craftspeople who produced these items have been paid a guaranteed, fair price for their work. They have also received a Fairtrade premium which their community can choose to invest in schools, healthcare and clean water.

Anyone unable to come along who would like to buy Fairtrade products or gifts should take a look at: <http://www.traidcraftshop.co.uk/>. You can either order online, or Ruth and Denise are happy to include your requirements when they order (and save you delivery costs). For other great recipes and craft ideas on how to have a Fairtrade Christmas, see: <http://www.fairtrade.org.uk/en/promotions/a-fairtrade-christmas>

There will also be a range of fairly traded crafts and gifts, so you can do some Christmas shopping in your lunch break, knowing that farmers, producers and craftspeople will have a better quality of life and a fair wage as a result.

We are grateful to The Mustard Seed shop in Magor Square and Usk Fairtrade Forum who are working in partnership with us to put on these sales, which are an important part of our commitments as a Fairtrade County. Well done to all staff who entered the Fairtrade Quiz during Fairtrade Fortnight. Thanks to a generous donation of Fairtrade goodies from Co-operative Funeralcare in Abertillery we were able to give 3 prizes. Sarah Jones from Development Plans (see photo below) won first prize of a hamper of wine, beer, tea, coffee, chocolate and honey, Morag Sinton from Countryside won second prize of some wine and coffee, and the third prize of some chocolate and coffee went to Jess Felton and Annette Evans from Customer Services.

Thanks too to those who supported the Fairtrade Sale in Usk held by the Mustard Seed shop from Magor. £85 worth of Fairtrade stock was sold, which will benefit farmers and growers in many countries.

Just a reminder, that as part of our Fairtrade Resolution that helps us keep our Fairtrade County status, the Council has committed to provide Fairtrade tea and coffee at all Council meetings, offices and canteens. All supplies bought through Banner are Fairtrade, but if you are ordering refreshments from elsewhere, please remember to ask for Fairtrade.

Ten years as a FairTrade Town

THE Abergavenny Fairtrade Forum celebrated its tenth anniversary on Saturday with a party at the Park Street Community Centre.

The Forum was launched in February 2006 and gained Fairtrade Town status the following year.

Led by Katrina and Jeremy Gass, the group went on to firmly establish Abergavenny as part of the soon-to-be-first Fairtrade nation in the world - Wales.

The Community Centre was decked out for the anniversary with eye-catching banners and flags depicting the blue and green Fairtrade logo. There

Lend support to Fairtrade plea

FAIRTRADE Town groups in Abergavenny, Usk, Chepstow and Monmouth are asking local communities to support the drive for change to benefit farmers in developing countries.

Fairtrade Fortnight 2017 takes place from next Monday (February 27) to March 12 with the campaign theme 'It's Time to put Fairtrade in Your Break'.

The aim is to press home the message that while a refreshing cuppa or a snack is an important part of our daily routine, millions of farmers providing tea, coffee, chocolate and other products across the globe are struggling to make a living.

Local Fairtrade groups will join forces with the rest of the country to help ensure a fair deal by holding lots of Fairtrade breaks around the county.

Ruth Prince of the Usk Fairtrade Group said, "The food on our tables as well as the tea and coffee in our mugs, all come from farmers who work hard but are

not paid what they deserve.

"Whether in the UK or in Malawi, no one deserves to be short-changed for a hard day's work. When we reach for the cheapest products, we may be unconsciously feeding exploitation. We become part of the problem, but we can make a conscious choice to be part of the solution and support trade that is fair.

"We need everyone in the community to get behind farmers and their families this Fairtrade Fortnight. Choose Fairtrade when you next shop, ask your local store to stock Fairtrade products or come along to one of our events and find out more."

Councillor Phil Hobson, Monmouthshire County Council's cabinet member for sustainability said, "Farmers get a better deal when they sell their crops on Fairtrade terms.

"This leads to a higher and more stable income and can help them break the cycle of poverty in which they're trapped."

County groups celebrate Fairtrade Fortnight

FAIRTRADE groups around Monmouthshire have spent the past week celebrating Fairtrade Fortnight by holding a number of events around the county.

The Chepstow Fairtrade group celebrated not only Fairtrade Fortnight but 10 years of Chepstow as a Fairtrade town.

With the Fairtrade flag flying about the town gate the group held a birthday tea party on 2nd March.

More than 50 people attended the tea party at Chepstow Methodist Hall enjoying tea and homemade cakes.

The Monmouth Fairtrade group held two events during the fortnight. A coffee morning on Saturday, 4th March and on 10th March at Monmouth Priory it held a talk by Cathi Pawson entitled 'Fairtrade under fire in Palestine.'

Cathi is a co-founder of Zaytoun, set up shortly after the intifada ended. She lives in Monmouthshire and works as communications director for Zaytoun now based in London.

Zaytoun works to develop the UK market for Palestinian produce.

Fairtrade for Palestinian farming families provides an income and offers a voice to communities isolated by the restrictions of the Israeli occupation.

Monmouthshire County Council also joined in on Fairtrade Fortnight by raising a Fairtrade flag.

Cabinet member for sustainability Councillor Phil Hobson, Monmouthshire's launched the council's campaign by raising a bilingual Monmouthshire supports Fairtrade flag at County Hall on Monday 27th February.

MCC to support Fairtrade Fortnight

Monmouthshire County Council is to support Fairtrade Fortnight by organising an event featuring four inspirational speakers and the work they carry out to support producers in the developing world to receive fair rewards for their endeavour.

Monmouthshire Making a Difference will be held in County Hall, Usk on Tuesday, March 1 when staff and councillors will hear from council training officer Dawn Sadler about her experiences on a recent visit to Uganda.

In addition, a Ugandan coffee grower will talk about the transformation that the Fairtrade organisation has made to his family and community while Martha Musonza Holman of local charity Love Zimbabwe will discuss links built between Wales and her native country through a Fairtrade craft business.

The final talk will be delivered by Monmouthshire social worker Grace Bridgewater focusing on a project she runs in her home village in Kenya to improve life for orphans and vulnerable children. A particular aim of the charity Msingi wa Tumaini is to promote education for girls.

As part of the event, a volunteer from Usk Fairtrade Forum will run a stall to sell Fairtrade goods to staff and members.

IT'S THE WEEKEND: Food and Drink - The Gwent businesses supporting Fairtrade Fortnight

With Fairtrade Fortnight well underway, KATH SKELLON and GRACE VOGIATZIS look at how Gwent businesses are supporting the scheme.

IT'S how most of us start our mornings – a cup of tea with sugar. But do we ever think about where these things come from, and the lives of the people who make them?

That's what Fairtrade Fortnight aims to make us think about with the initiative focussing on encouraging shoppers to buy products with the Fairtrade mark which guarantees a fair deal and better conditions for farmers and producers in developing countries. It also celebrates the shops, cafés and restaurants that support the Fairtrade movement.

Double celebration as Abergavenny marks Fairtrade Fortnight

THIS year's Fairtrade Fortnight events in Monmouthshire mark a double celebration – the Fairtrade Mark was first introduced 20 years ago, and the county's Fairtrade status has recently been renewed!

Monmouthshire's active and enthusiastic Fairtrade Town groups have organised a host of events which, as well as being a lot of fun, help to remind people that buying products with the Fairtrade Mark guarantees a fair deal and better conditions for farmers and producers in developing countries.

Councillor Phil Hobson, cabinet member responsible for sustainability said, "The success of our application to renew our Fairtrade County status is a testament to the energy and hard

work put in by our Fairtrade Town groups.

"They work tirelessly all year round to help make people realise that what they put in their shopping baskets can really help to improve people's lives."

A number of events are planned to mark the occasion in Abergavenny.

Programme of events

On Saturday (February 28) there is a Fair Trade coffee morning at the library and also the annual Fair Trade social at Trinity Church Hall from 7pm, where you're encouraged to take along food and drink to share.

On Sunday March 1 (from 10.30am to 4pm) there is a free hands-on cookery workshop for families and accompanied chil-

dren using Fair Trade produce to make popular Welsh recipes at the new Abergavenny Community Centre in Park Street. There is also a morning service with the focus on Fair Trade at the Methodist Church (10.30am).

On Thursday March 5 from 10.30am to 12.30pm there will be a coffee morning with a Fair Trade stall at Christchurch Community Hall and there will be a similar event on Friday March 6 from 10.30am to 12noon at Holy Trinity church Hall.

Finally, on Friday March 27 from 10am-1pm there will be a coffee morning with a 'Just Food' cookery demonstration (10.30am - 11.30am) at the Centenary Hall, Usk. Entry for £3.50 includes drink, demo and nibbles.

Monmouthshire's active and enthusiastic Fairtrade town groups have organised a host of events between 23rd February and 8th March, ranging from storytelling and cookery demonstrations to pancake parties.

As well as being a lot of fun, all the events help to remind that buying products with the Fairtrade mark guarantees a fair deal and better conditions for farmers and producers in developing countries.

Coffee, food and fun on the menu

COFFEE mornings, stalls and cookery demonstrations will be among the events held in Monmouthshire over the next few days to bring Fairtrade Fortnight celebrations to an end.

The Free Press reported last week how events were being held to celebrate the Fairtrade Mark first being introduced 20 years ago as well as the county's Fairtrade status being renewed.

Monmouthshire's active and enthusiastic Fairtrade Town groups have organised a host of events. Events this week include

a coffee morning Fairtrade stall at Christchurch Community Hall, Abergavenny, tomorrow from 10.30am until 12.30pm, a coffee morning Fairtrade stall at Holy Trinity Church hall, Abergavenny, on Friday from 10.30am until noon as well as a Women's World Day of Prayer Fairtrade stall at the church on the same day at 2pm.

On Friday, March 27, from 10am until 1pm, there will be a coffee morning with a "Just Food" cookery demonstration from 10.30am until 11.30am at Centenary Hall,

Usk. Entry is £3.50 which includes a drink, the demonstration and nibbles.

“VALUE VS VALUES: FAIRTRADE AND PROCUREMENT”

Local authorities are facing unprecedented levels of financial pressure and having to save huge sums of money....

Yet at the same time the new Wellbeing of Future Generations Act which comes into force in April says that we should be working towards “a Globally Responsible Wales” and looking to improve social, economic, environmental and cultural wellbeing in everything we do.

What is important to Monmouthshire County Council? Do we put value above values or vice versa?

Come and join the debate, which has been organised as part of Fairtrade Fortnight.

WEDNESDAY 9TH MARCH, 11AM

COUNCIL CHAMBER, COUNTY HALL, USK

- Cllr Phyl Hobson will outline the context of Fairtrade procurement within the Wellbeing of Future Generations Act.

Fair Trade

The school is a Fair Trade School and in order to maintain this status we use Fair Trade products in school and hold regular events to raise awareness in this area. Positive home school links are encouraged and we hold our major Fair Trade event during Fair Trade Fortnight.

Tuesday 27th June 2017

Dear Parents / Carers,

Fairtrade Cotton School Uniform

Our school will be introducing an ethically manufactured school uniform option made with Fairtrade Cotton.

WHY FAIRTRADE COTTON SCHOOL UNIFORM?

1. There is no difference in quality between Fairtrade cotton and normal cotton. Fairtrade cotton means that we can be sure that the farmers who grow the cotton receive a fair and sustainable payment for their crop. Their communities also receive a premium for projects such as building schools, hospitals, access to clean water and so on.
2. Being "Fairtrade Cotton Certified" means that all parts of the manufacturing process of the Fairtrade cotton garments have been inspected and audited. The factories are signed up to Fairtrade Minimum Standards, designed to ensure that practices such as child labour and enforced overtime/long working hours don't exist.

Example of minutes of most recent meeting between Fairtrade Town groups and MCC

Fairtrade Meeting with MCC Thursday 6th July 2017

Present: Bethia Smith (Monmouth), Julia Parsons (Chepstow), Tanya White (Chepstow), Ruth and Jon Prince (Usk), Francis Buxton (Abergavenny), Hazel Clatworthy (MCC), Cllr Sara Jones (MCC)

Apologies: Aileen Burmeister (Fairtrade Wales)

Introductions

The meeting started with introductions. The Fairtrade Town groups explained a bit more about what they do and Sara explained a little about her portfolio in MCC's Cabinet.

Matters arising from the minutes

- Hazel still to put Fairtrade information on MCC main website. **Action: Hazel**
- It was agreed that we will drop the idea of a Fairtrade Way in Monmouthshire as the distances between towns are too far, and we couldn't see the added value in it. Maybe holding a local walk between Fairtrade café's etc as part of the MCC Countryside's programme of guided walks might be more useful.
- Following on from the discussion about Fairtrade Ways, most towns have already got maps or town guides showing outlets selling Fairtrade. However, paper maps quickly go out of date, so perhaps more could be put on <http://monmouthshirefairtrade.org.uk>. Sara suggested that there might be Rural Development Plan money available to support an app or interactive map. Hazel to speak to Mike Powell about this. **Action: Hazel**
- Fairtrade Fortnight went well for the local groups and for MCC, with some good press coverage. MCC found funding for a Fairtrade Flag which was flown at County Hall during the fortnight.

Car Park signs

Hazel has met with Amanda Perrin from Car Parks to discuss the Fairtrade logos going on the new car park signs. The tender for the new ticket machines is out, and then the tender for the signage will follow. Hazel to check whether she has both Welsh and English, town and county logos in eps format. **Action: Hazel**

Collaboration at Events

Following the success of working together in the Monmouthshire tent at the Eisteddfod last year, it was agreed that we would work together in a similar way in the Monmouthshire tent at the Usk Show on Saturday 9th September 2017. We agreed to:

- Book 6 tickets with MCC – each group to circulate their members for a volunteer/s to help Ruth and Jon on the day. **Action: Hazel / All**
- Ruth to sell Traidcraft goods – Ruth to write brief disclaimer to show organisers demonstrating that she won't be making any profit or competing with others paying for stalls, and send to Hazel. **Action: Hazel**
- Set up early on Saturday morning and take down at the end of the day.
- Jon/Ruth to ask Co-op in Usk for a box of Fairtrade bananas. **Action: Ruth/Jon**
- Hazel to contact Aileen at Fairtrade Wales to see whether they can cover the cost of the subsidised £9 tickets and a contribution towards the costs of the marquee. **Action: Hazel**

(Post meeting note: so far Phil and Judith Negus have confirmed that they will help at the Usk Show, and Aileen has confirmed that we can have £100 to cover Usk Show tickets and contribution towards MCC costs.)

We discussed the Abergavenny Food Festival. Francis to confirm with Martha what will be happening and let the group know. **Action: Francis**

(Post meeting update from Francis on Food Festival:

- *planning to talk with the new Director (Aine) with request that the Young Chefs' competition use FT ingredients, that in-house staff and suppliers of refreshments use FT tea/coffee, that chef demo's use FT ingredients where available: if not this year, then certainly in future years.*
- *a March for Africa, starting 1.00 pm on Sat 16th Sept, including songs on the Castle stage, also Angel Hotel and Brewery Yard and crossing Market Hall. Money raised will support sustainable food in Zimbabwe. 40 children have been invited, 1 parent each given free admission. Llantilio Pertholey & RC schools are so far interested.)*

NB The Wales Fairtrade Fair will be held in Abergavenny on the 8th October

Renewal of Monmouthshire's Fairtrade County Status

Hazel circulated a draft of the action plan she has put together to renew our Fairtrade County status and asked for any comments, or any supporting evidence the groups have that could be used in the County application. **Action: All**

In particular she would welcome any information about Fairtrade Schools in the County. She has emailed the schools and discovered that Goytre Fawr Primary School has achieved its Fairtrade Achiever award. **Action: All**

Sara was keen to see how schools are working on Fairtrade, especially as it forms part of the National Curriculum.

One action that has not been progressed was around developing a Fairtrade town group in Caldicot. Julia has agreed to help at a couple of events in Caldicot to see if this will generate some local volunteers. Sara agreed to raise it with the mayor of Caldicot when she sees them tomorrow. **Action: Julia / Sara**

Any Other Business

- Sara suggested that it would be good to do something on Fairtrade to raise awareness amongst new members. Hazel to consider. **Action: Hazel**
- Bethia had previously had some challenges with the Town Council. Sara suggested that working with the Area Committees might be effective?
- There was concern that Sainsbury's are changing their own brand tea to their own label "fairly traded" which will lead to customer confusion and takes the power away from the farmers. Hazel has written to Sainsbury's on the group's behalf and Julia has drafted a letter with several questions to them. Traidcraft etc are circulating an online petition <https://www.change.org/p/sainsbury-s-don-t-ditch-fairtrade>

NB. Key strategies and documents that may help you identify your contribution to the wellbeing goals and sustainable development principles include: Single Integrated Plan, Continuance Agreement, Improvement Plan, Local Development Plan, People Strategy, Asset Management Plan, Green Infrastructure SPG, Welsh Language Standards, etc

- Does your proposal deliver any of the well-being goals below?** Please explain the impact (positive and negative) you expect, together with suggestions of how to mitigate negative impacts or better contribute to the goal.

Well Being Goal	Does the proposal contribute to this goal? Describe the positive and negative impacts.	What actions have been/will be taken to mitigate any negative impacts or better contribute to positive impacts?
<p>A prosperous Wales Efficient use of resources, skilled, educated people, generates wealth, provides jobs</p>	<p>There is no detrimental impact on local producers since Fairtrade products are not generally produced locally e.g. tea, coffee, sugar etc. The Fairtrade town groups work closely with local retailers and cafes to increase awareness and sales of Fairtrade and local businesses who sell Fairtrade can benefit from marketing themselves as Fairtrade café’s etc,</p>	<p>Where local products are available, the council would always encourage people to buy local products in order to reduce food miles and support the local economy.</p>

Well Being Goal	Does the proposal contribute to this goal? Describe the positive and negative impacts.	What actions have been/will be taken to mitigate any negative impacts or better contribute to positive impacts?
<p>A resilient Wales Maintain and enhance biodiversity and ecosystems that support resilience and can adapt to change (e.g. climate change)</p>	<p>The Fairtrade Mark has environmental criteria, so increasing the use of FT products will have global environmental benefits. Where local products are available, the council would always encourage people to buy local products in order to reduce food miles and support the local economy, but where products are not available locally Fairtrade products are required to meet environmental standards.</p>	
<p>A healthier Wales People's physical and mental wellbeing is maximized and health impacts are understood</p>		
<p>A Wales of cohesive communities Communities are attractive, viable, safe and well connected</p>	<p>Monmouthshire has 4 very active Fairtrade Town community groups, and our FT County renewal will recommit our support to these groups. A growing number of schools are also working towards being Fairtrade schools.</p>	
<p>A globally responsible Wales Taking account of impact on global well-being when considering local social, economic and environmental wellbeing</p>	<p>Fairtrade is about better prices, decent working conditions, local sustainability, and fair terms of trade for farmers and workers in the developing world. Encouraging more people to buy Fairtrade has a direct impact on improving quality of life for those farmers and producers in developing countries.</p>	
<p>A Wales of vibrant culture and thriving Welsh language Culture, heritage and Welsh language are promoted and protected. People</p>	<p>Wales is extremely proud to be the world's first Fairtrade nation. Monmouthshire renewing its Fairtrade County status is key to Wales maintaining its Fairtrade Country status.</p>	

Well Being Goal	Does the proposal contribute to this goal? Describe the positive and negative impacts.	What actions have been/will be taken to mitigate any negative impacts or better contribute to positive impacts?
are encouraged to do sport, art and recreation		
A more equal Wales People can fulfil their potential no matter what their background or circumstances	Monmouthshire renewing its Fairtrade County status has no impact on a more equal Wales, but it has a big impact on equality globally. By requiring companies to pay sustainable prices, Fairtrade addresses the injustices of conventional trade, which traditionally discriminates against the poorest, weakest producers. It enables them to improve their position and have more control over their lives	

2. How has your proposal embedded and prioritised the sustainable governance principles in its development?

Sustainable Development Principle	Does your proposal demonstrate you have met this principle? If yes, describe how. If not explain why.	Are there any additional actions to be taken to mitigate any negative impacts or better contribute to positive impacts?
 <p>Balancing short term need with long term and planning for the future</p> <p>Long Term</p>	Fairtrade plays a vital part in helping farmers and growers in developing countries to be able to plan for the long term. They have a guaranteed income, which enables them to plan for the future, and a premium which is invested in long term improvements in their community. Monmouthshire are required to renew our status every 2 years, and we would envisage this continuing into the long term in order to support the work of our Fairtrade town groups, nation and farmers across the world.	

Sustainable Development Principle	Does your proposal demonstrate you have met this principle? If yes, describe how. If not explain why.	Are there any additional actions to be taken to mitigate any negative impacts or better contribute to positive impacts?
 <p>Collaboration</p> <p>Working together with other partners to deliver objectives</p>	<p>The County Council alone could not secure our Fairtrade County status – this can only be achieved by working in close partnership with our four Fairtrade town groups, other partners such as Fairtrade Wales, schools, businesses, suppliers and so on.</p>	
 <p>Involvement</p> <p>Involving those with an interest and seeking their views</p>	<p>The Fairtrade town groups have had an input into our renewal application.</p>	
 <p>Prevention</p> <p>Putting resources into preventing problems occurring or getting worse</p>	<p>Without a doubt Fairtrade helps farmers in developing countries to plan for a future, develop their business as part of a co-operative and prevents them from being at the mercy of global market fluctuations and middle men.</p>	
 <p>Integration</p> <p>Considering impact on all wellbeing goals together and on other bodies</p>	<p>Fairtrade has social, economic, environmental and cultural benefits both here in Wales and overseas.</p>

DATE: 27th September 2017

CABINET MEMBER: County Councillor Sara Jones

DIVISION/WARDS AFFECTED: Priory and Lansdown, Abergavenny; and Drybridge, Monmouth

1. PURPOSE:

- 1.1 To seek approval to convert the three existing Designated Public Place Orders (DPPO) (old legislation) into a Public Spaces Protection Orders (PSPO) (new legislation), in respect of Bailey Park, Abergavenny; Abergavenny Town, Abergavenny and Monmouth Town, Monmouth in Monmouthshire.

2. RECOMMENDATIONS:

- 2.1 To approve the transition to Public Spaces Protection Orders in respect of Bailey Park, Abergavenny; Abergavenny Town and Monmouth Town in Monmouthshire.

3. KEY ISSUES:

3.1 Key Issues - Bailey Park

- 3.1.1 Historically there have been issues with Anti-Social Behaviour (ASB) in Bailey Park connected to the consumption of alcohol. The boundary of the park is identified on the attached map at Annex A1.
- 3.1.2 The Designated Public Place Order was imposed in September 2008 by the Licensing Committee of Monmouthshire County Council.
- 3.1.3 The order provided the police with powers to deal with persons in possession of alcohol who had caused, were causing or likely to cause anti-social behaviour.
- 3.1.4 Under new legislation, The Anti-Social Behaviour, Crime and Policing Act 2014, which commenced 20th October 2014, the DPPO was replaced by the PSPO. Written into the act was the provision for the DPPO to remain in force for three years, where they would then convert into a PSPO.
- 3.1.5 There have been a number of calls to Gwent Police complaining about alcohol related ASB in Bailey Park between 2014 and 2017. Gwent Police complaints log are attached at Annex A2.

3.2 Key Issues – Abergavenny Town, Abergavenny

- 3.2.1 Historically there have been issues with Anti-Social Behaviour (ASB) in Abergavenny Town connected to the consumption of alcohol. The boundary of the area concerned is identified on the attached map at Annex B1.
- 3.2.2 The Designated Public Place Order was imposed in September 2008 by the Licensing Committee of Monmouthshire County Council.
- 3.2.3 The order provided the police with powers to deal with persons in possession of alcohol who had caused, were causing or likely to cause anti-social behaviour.
- 3.2.4 Under new legislation, The Anti-Social Behaviour, Crime and Policing Act 2014, which commenced 20th October 2014, the DPPO was replaced by the PSPO. Written into the act was the provision for the DPPO to remain in force for three years, where they would then convert into a PSPO.
- 3.2.5 There have been a number of calls to Gwent Police complaining about alcohol related ASB in Abergavenny Town between 2014 and 2017. Gwent Police complaints log are attached at Annex B2.

3.3 Key Issues – Monmouth Town, Monmouth

- 3.3.1 Historically there have been issues with Anti-Social Behaviour (ASB) in Monmouth Town connected to the consumption of alcohol. The boundary of the area concerned is identified on the attached map at Annex C1.
- 3.3.2 The Designated Public Place Order was imposed in October 2008 by the Licensing Committee of Monmouthshire County Council.
- 3.3.3 The order provided the police with powers to deal with persons in possession of alcohol who had caused, were causing or likely to cause anti-social behaviour.
- 3.3.4 Under new legislation, The Anti-Social Behaviour, Crime and Policing Act 2014, which commenced 20th October 2014, the DPPO was replaced by the PSPO. Written into the act was the provision for the DPPO to remain in force for three years, where they would then convert into a PSPO.
- 3.3.5 There have been a number of calls to Gwent Police complaining about alcohol related ASB Monmouth Town between 2014 and 2017. Gwent Police complaints log are attached at Annex C2.

4. REASONS:

- 4.1 Section 59 of the Anti-Social Behaviour, Crime and Policing Act 2014 states Local Authorities have the responsibility to make a Public Spaces Protection Order providing two conditions are met:

- 4.2 The first condition is that –
- (a) Activities carried out in a public space within the authority's area have had a detrimental effect on the quality of life of those in the locality, or
 - (b) It is likely that activities will be carried on in a public place within that area and they will have such an effect.
- 4.3 The second condition is that the effect, or likely effect, of the activities –
- (a) Is, or is likely to be, of a persistent or continuing nature;
 - (b) Is, or is likely to be, such as to make the activities unreasonable, and,
 - (c) Justifies the restrictions imposed by the police.
- 4.4 A Public Spaces Protection Order is an Order that prohibits specified activities taking place in a restricted area.

5. RESOURCE IMPLICATIONS:

- 5.1 The ASB Reduction Officer will work with Gwent Police and community partners as part of the substantive role to issue the Public Spaces Protection Order and Gwent Police will enforce the Order through their usual policing practices.
- 5.2 Should the Order be granted, there is a requirement for signage to be erected outlining the conditions of the Order. The cost of signage will be met from the Community Safety Grant funding.

6. WELLBEING OF FUTURE GENERATIONS IMPLICATIONS (INCORPORATING EQUALITIES, SUSTAINABILITY, SAFEGUARDING AND CORPORATE PARENTING)

7. CONSULTEES

- 7.1 Under the Anti-social Behaviour, Crime and Policing Act 2014, as no action has been taken by the council during the last three years (20th October 2014 to 20th October 2017) regarding the existing DPPO's, they will, from the 20th October 2017, be treated as PSPO's.
- 7.2 At this point there is no need for consultation until the three years of the order has elapsed.
- 7.3 However, consultation has taken place with the Chief Officer of Gwent Police for the concerned areas in order to establish the necessity of continuing with the restriction.
- 7.4 The below statutory partners and other identified stakeholders were emailed advising of the proposal and invited to provide feedback as part of the consultation. These include:
- Chief Constable, Gwent Police
 - Police & Crime Commissioner (PCC)
 - County Councillor, Priory, Castle, Grofield and Drybridge Wards
 - Gwent Police, Abergavenny and Monmouth local policing teams
 - MHA – Chief Executive and SLT

- MCC Youth Service Manager
- MCC Car Park Manager
- MCC Head of Operations
- MCC Head of Legal
- MCC Head of Public Protection
- Abergavenny and Monmouth Town Council Clerks

7.5 The local police support the continuation of the restrictions imposed by the DPPO's in the form of the new PSPO's.

7.6 The draft PSPO's are attached.

MONMOUTHSHIRE COUNTY COUNCIL
ANTI-SOCIAL BEHAVIOUR, CRIME AND POLICING ACT 2014
Public Space Protection Order (PSPO) covering Bailey Park, Abergavenny

Monmouthshire County Council (“the Council”) in exercise of its powers under Sections 59, 60, 62, 63, 66, 67, 68 and 72 of the Anti-social Behaviour, Crime and Policing Act 2014 (“the Act”) and all other enabling powers hereby makes the following order.

1. The Order shall come into operation on 20th October 2017 and shall have effect for a period of 3 years thereafter unless varied or discharged by further orders of the Council.
2. The Order relates to the areas defined edged red on the attached map(s) known as Bailey Park (referred to in this Order as “the Restricted Area”).
3. The Order is made because the Act allows for the transition of existing designated public place orders to convert to Public Space Protection Orders where three years has elapsed since the commencement date of the Act.
4. In making this Order consultation has not been required by the Act as the existing DPPO is converting to a PSPO on 20th October 2017 under Section 75 of the Act. However, consultation has taken place with representatives of the Chief Constable of Gwent Police, the Office of the Police and Crime Commissioner and relevant community representatives of the Town and Community Councils.
5. The effect of the Order is to impose the following prohibitions and requirements within any part of the Restricted Area.
 - 5.1. No person shall within the restricted area refuse to stop drinking alcohol or hand over containers (sealed or unsealed) which are believed to contain alcohol, when required to do so by an authorised officer to prevent public nuisance and disorder.**
 - 5.2. This Order does not prevent the taking place of community events organised by the Council**
6. Section 67 of the Act applies to the prohibitions and requirements set out in paragraphs 5.1 to 5.2 of this Order, namely:
 - 6.1. It is an offence for a person without reasonable excuse
 - a) To do anything that the person is prohibited from doing by paragraphs 5.1 to 5.2 of this Order
 - b) To fail to comply with a requirement to which a person is subject under paragraph 5.1 to 5.2 of this Order

- 6.2. A person guilty of an offence under this section is liable under summary conviction to a fine not exceeding level 3 on the standard scale (or to a Fixed Penalty Notice of a maximum of £100 as an alternative to the prosecution).
- 6.3. A person does not commit an offence under this section by failure to comply with a prohibition or requirement that the Council does not have power to include in the Public Spaces Protection Order

7. Appeals

- 7.1. Any challenge to this Order must be made in the High Court by an interested person within six weeks of it being made. An interested person is someone who lives in, regularly works in, or visits any of the Restricted Area. This means that only those who are directly affected by the restrictions have the power to challenge.
- 7.2. The right to challenge also exists where an Order is varied by the Council. Interested persons can challenge the validity of this Order on two grounds: that the Council did not have power to make the Order, or to include particular prohibitions or requirements; or that a requirement of the legislation was not complied with in relation to the Order.

Monmouthshire County Council (“the Council”) in exercise of its powers under Sections 59, 60, 62, 63, 66, 67, 68 and 72 of the Anti-social Behaviour, Crime and Policing Act 2014 (“the Act”) and all other enabling powers hereby makes the following order.

1. The Order shall come into operation on 20th October 2017 and shall have effect for a period of three years thereafter unless varied or discharged by further orders of the Council.
2. The Order relates to the areas defined edged red on the attached map(s) known as Monmouth Town (referred to in this Order as “the Restricted Area”).
3. The Order is made because the Act allows for the transition of existing designated public place orders to convert to Public Space Protection Orders where three years has elapsed since the commencement date of the Act.
4. In making this Order consultation has not been required by the Act as the existing DPPO is converting to a PSPO on 20th October 2017 under Section 75 of the Act. However, consultation has taken place with representatives of the Chief Constable of Gwent Police, the Office of the Police and Crime Commissioner and relevant community representatives of the Town and Community Councils.
5. The effect of the Order is to impose the following prohibitions and requirements within any part of the Restricted Area.
 - 5.1. No person shall within the restricted area refuse to stop drinking alcohol or hand over containers (sealed or unsealed) which are believed to contain alcohol, when required to do so by an authorised officer to prevent public nuisance and disorder.**
 - 5.2. This Order does not prevent the taking place of community events organised by the Council**
 - 5.3. In respect of Chippenham Mead fields no glass containers allowed.**
6. Section 67 of the Act applies to the prohibitions and requirements set out in paragraphs 5.1 to 5.3 of this Order, namely:
 - 6.1. It is an offence for a person without reasonable excuse
 - a) To do anything that the person is prohibited from doing by paragraphs 5.1 to 5.3 of this Order

b) To fail to comply with a requirement to which a person is subject under paragraph 5.1 to 5.3 of this Order

6.2. A person guilty of an offence under this section is liable under summary conviction to a fine not exceeding level 3 on the standard scale (or to a Fixed Penalty Notice of a maximum of £100 as an alternative to the prosecution).

6.3. A person does not commit an offence under this section by failure to comply with a prohibition or requirement that the Council does not have power to include in the Public Spaces Protection Order

7. Appeals

7.1. Any challenge to this Order must be made in the High Court by an interested person within six weeks of it being made. An interested person is someone who lives in, regularly works in, or visits any of the Restricted Area. This means that only those who are directly affected by the restrictions have the power to challenge.

7.2. The right to challenge also exists where an Order is varied by the Council. Interested persons can challenge the validity of this Order on two grounds: that the Council did not have power to make the Order, or to include particular prohibitions or requirements; or that a requirement of the legislation was not complied with in relation to the Order.

<p>Name of the Officer: Andrew Mason</p> <p>Phone no: 01633 644210 E-mail: andrewmason@monmouthshire.gov.uk</p>	<p>Please give a brief description of the aims of the proposal: To convert existing Designated Public Place Orders into Public Spaces Protection Orders at Bailey Park, Abergavenny; an area of Abergavenny Town in Abergavenny; and Monmouth Town in Monmouth, to reduce Anti-social behaviour.</p> <p>The original DPPO orders were imposed by MCC Licensing Committee in 2008. These were under the legislation of the day. A new Act was passed in 2014 which incorporated the DPPO into a new order called a Public Space Protection Order. However, written into the Act was the proviso that the DPPO would continue for three years and if unchanged would become a PSPO on 20th October 2017.</p>

- 1. Does your proposal deliver any of the well-being goals below?** Please explain the impact (positive and negative) you expect, together with suggestions of how to mitigate negative impacts or better contribute to the goal.

Well Being Goal	Does the proposal contribute to this goal? Describe the positive and negative impacts.	What actions have been/will be taken to mitigate any negative impacts or better contribute to positive impacts?
<p>A prosperous Wales Efficient use of resources, skilled, educated people, generates wealth, provides jobs</p>	<p>The PSPO will reduce the demand on police resources. It will improve behaviour on the towns which should impact positively on shops and businesses operating there.</p>	<p>The PSPO will be enforced and will reduce repeat ASB offences in the identified areas.</p>
<p>A resilient Wales Maintain and enhance biodiversity and ecosystems that support resilience and can adapt to change (e.g. climate change)</p>	<p>The PSPO will restrict the use of Bailey Park, Abergavenny and Monmouth towns to individuals who cause ASB when drinking alcohol, creating a more welcoming space for people to enjoy.</p>	
<p>A healthier Wales People's physical and mental wellbeing is maximized and health impacts are understood</p>	<p>The PSPO will reduce the negative impact on the wellbeing of residents by individuals drinking alcohol and causing anti-social behaviour. It will encourage residents to use the open spaces free from nuisance behaviour caused by alcohol.</p> <p>At the Bailey Park and Chippenham sites, families will be able to use the recreation areas free from exposure ASB.</p>	
<p>A Wales of cohesive communities Communities are attractive, viable, safe and well connected</p>	<p>The PSPO will reduce the amount anti-social activity surrounding drinking alcohol which will reduce litter, and make the area more attractive to frequent.</p>	

Well Being Goal	Does the proposal contribute to this goal? Describe the positive and negative impacts.	What actions have been/will be taken to mitigate any negative impacts or better contribute to positive impacts?
<p>A globally responsible Wales Taking account of impact on global well-being when considering local social, economic and environmental wellbeing</p>	<p>The PSPO will not only improve wellbeing for the local community who have been exposed to ASB in the area that they live, visitors to the sites who wish to participate in leisure activities will also benefit from the Orders and be protected from ASB exposure.</p>	
<p>A Wales of vibrant culture and thriving Welsh language Culture, heritage and Welsh language are promoted and protected. People are encouraged to do sport, art and recreation</p>	<p>Families and young people will be able to use the areas in question for leisure time, free from being subjected to ASB.</p> <p>Some areas covered are sports fields and injuries have been caused by glass being broken on the pitches.</p>	
<p>A more equal Wales People can fulfil their potential no matter what their background or circumstances</p>	<p>The residents residing in the locality of the areas in question have been exposed to ASB which is why the original Designated Public Place Orders were imposed. These have been very successful at reducing the impact on the community which is why we consider they should continue.</p>	

2. How has your proposal embedded and prioritised the sustainable governance principles in its development?

Sustainable Development Principle	Does your proposal demonstrate you have met this principle? Describe how.	If not, what has been done to better meet this principle?
 <p>Long Term Balancing short term need with long term and planning for the future</p>	<p>The PSPO will address Anti-social behaviour currently causing nuisance and annoyance to residents in the short-term, however, as the PSPO lasts for 3 years, it is anticipated this reduction will be sustained not only for the duration of the Order but beyond.</p>	
 <p>Collaboration Working together with other partners to deliver objectives</p>	<p>While the PSPO is a power to be implemented by Local Councils, it has on this occasion been jointly commissioned by Community Safety and Gwent Police. MCC & Gwent Police will continue to work together in executing any Order that is made.</p>	

Sustainable Development Principle	Does your proposal demonstrate you have met this principle? Describe how.	If not, what has been done to better meet this principle?
 <p>Involving those with an interest and seeking their views</p> <p>Involvement</p>	<p>Under Section 75 of the ACT full statutory consultation is not required on this occasion as the areas have been subjected to the DPPO orders for the last nine years and no challenges or complaints have been received in that time.</p> <p>However, the following have been consulted/informed:</p> <ul style="list-style-type: none"> • Chief Constable, Gwent Police • Police & Crime Commissioner (PCC) • County Councillors, Priory Ward, Castle, Grofield, Drybridge • Gwent Police, Abergavenny Local Policing Team • Gwent Police, Monmouth Local Policing Team • MCC SLT • MCC Youth Service Manager • MCC Head of Operations • MCC Head of Public Protection • Abergavenny Town Council • Monmouth Town Council 	

Sustainable Development Principle	Does your proposal demonstrate you have met this principle? Describe how.	If not, what has been done to better meet this principle?
 <p>Prevention Putting resources into preventing problems occurring or getting worse</p>	<p>The PSPO will prohibit the continuation of ASB associated with alcohol consumption and will give the Police additional powers to deal with individuals causing ASB. Fixed Penalty Notices in breach of the Order can be issued. This is anticipated to be preventative action for continued ASB.</p>	
 <p>Integration Considering impact on all wellbeing goals together and on other bodies</p>	<p>At present ASB is having an adverse impact on the community in the areas covered by the PSPO. It is anticipated that the making of the Orders will have a positive impact on the quality of life and wellbeing of the residents in the locality and on visitors who wish to undertake recreation at the sites.</p> <p>The wider community will benefit from a reduction in alcohol related anti-social behaviour.</p>
