SUBJECT:	Leadership Team Re-design
MEETING:	CABINET
DATE:	9 August 2017
DIVISION/WARDS AFFECTED:	All

1. PURPOSE:

1.1 The purpose of this report is three-fold:

- To re-set the senior officer leadership of the Council to address the consequential impact of the recent appointment to the Chief Officer for Children and Young People;
- To align changes as closely as possible to the emerging policy and strategic agenda set out in the Administration's manifesto and Cabinet portfolio responsibilities; and,
- To modify the leadership pay structure at Head of Service level in order to address issues of equity and bring closer comparability with regional equivalents.

2. RECOMMENDATIONS:

2.1 That cabinet approves the following structural adjustments:

- The deletion of the Head of Policy, Governance and Engagement post which carries the statutory Head of Democracy accountability;
- The deletion of Head of Economy and Enterprise post;
- The deletion of the Policy and Improvement Manager post;
- The deletion of the Head of Property Services and Facilities Management post;
- The deletion of the Head of Community Delivery post;
- The post known as Chief Officer, Enterprise be re-assigned as Deputy Chief Executive, with responsibility for Enterprise and subject to the recommendation of the Democratic Services Committee and subsequent approval by Council, be designated as the statutory Head of Democracy;
- To establish a Head of Business Planning & Redesign post, to be funded from the Future Monmouthshire budget reserve for the remainder of 17/18 and into 18/19 before it becomes a core budget consideration;

- To establish a Head of Enterprise and Community Development post, with responsibility for Economic Development, Youth Enterprise, business transition, Museums and oversight of a new Community Development Office;
- To establish a Head of Policy and Governance post, with responsibility for Democracy & Scrutiny, Data, Business & Member Support, Community Hubs, Communications and Improvement; and,
- To establish a Head of Commercial and Integrated Landlord services post, with responsibility for developing the council's strategic commercial offer and whole authority landlord service; and incorporating Property, Assets, Estates, Procurement and Energy,

2.2 These changes will strengthen the Councils performance in several significant areas.

- Consistent and sequenced governance with heightened focus on option appraisal, evaluation and meaningful engagement;
- Organising officer resources into a Community Development Office which brings together place-based approaches, volunteering, external partnerships and engagement. This will align with the new Social Justice and Community Development cabinet portfolio;
- Organising officer resources into a Commercial Office bringing together one whole-authority 'landlord' approach (in place of our current property maintenance and estates functions) and a whole authority approach to commercial activity;
- Creating the right conditions for a new sustainable and resilient operating model. Indications suggest that a further c£14 million of cost reduction will need to be planned and secured over the next 4 years.

2.3 That cabinet endorses an adjustment to the core Head of Service tier, assimilating posts on grade bands D & E to C to address issues of equity and parity and respond to threats posed to our recruitment and retention of quality officers, as a result of comparable market pay.

3. KEY ISSUES:

Adapting strategy

3.1 Future Monmouthshire is an approved policy position that enables delivery against our core purpose - *creating sustainable and resilient communities*. Our relationship with and understanding of our place is at the heart of this. Our council needs the means to understand the changes that will occur in the future. This means continuing to build evidence, insight and understanding

around 'what matters' – now and for the future in keeping with commitments to the Wellbeing of Future Generations.

- 3.2** Our approach cannot be one of simply understanding the ambitious outcomes we seek for our county. New ends, require new means and as such, understanding and investing in the mechanisms, methods, processes and agencies that will advance and accelerate progress, is critical. New approaches that support the development of soft assets and tools – data, business insights, ideas, engagement, capacity building, social capital development and civic participation – are the very things that will enable us to optimise the value of land, buildings, physical infrastructure and connectivity.
- 3.3** The financial situation of the council and the need to find >£14m over the medium-term is our context. The task is to strengthen today by reinventing the core operating model whilst simultaneously creating tomorrow's core business.
- 3.4** There is a new administration, refreshed priorities and a manifesto which captures the need to drive forward and accelerate the pace of the above. Whilst this is just the start of that process, this report makes an early contribution to laying the foundations to make a success of this approach.

Re-aligning structures

- 3.5** In view of the constant stream of challenges upon our county – demographic, social, technological, environmental and economic, we need to equip our council to continuously adjust and evolve. There can be no such thing as fixed structures and it has been accepted since the first structural re-alignment brought by the Chief Executive in 2010, that if our council is to remain responsive, relevant, viable and adaptive; and, in tune with the ever-shifting needs and priorities of our communities - a permanent state of transition must prevail. A recipe for short-term survival is not enough – long-term sustainability is the goal.
- 3.6** With the recent appointment of the former Head of Policy, Governance and Engagement to the role of Chief Officer, Children and Young People, a natural opportunity presents to think forward. Key features are:
- A need to re-assign (rather than re-appoint to) the statutory Head of Democracy accountability and ensure a more even spread of responsibilities across the now condensed Senior Leadership Team;
 - A desire to refresh the emphasis on governance and create stronger connections into democracy, improvement and citizen engagement;
 - To enhance core capability around data and business intelligence;

- To align core capacity around community development and place-based approaches;
- To develop a whole-authority commercial strategy, embedded in which is an integrated 'corporate landlord' bringing together core elements of our physical and revenue generating assets;
- Bring more focus to delivering on the Future Monmouthshire programme

3.7 The structural changes required to enact the above, are:

- The deletion of the Head of Policy, Governance and Engagement post which carries the statutory Head of Democracy accountability;
- The deletion of Head of Economy and Enterprise post;
- The deletion of the Policy and Improvement Manager post;
- The deletion of the Head of Property Services and Facilities Management post;
- The deletion of the Head of Community Delivery post;
- The post known as Chief Officer, Enterprise be re-assigned as Deputy Chief Executive, with responsibility for Enterprise and be designated as the statutory Head of Democracy. This is subject to recommendation of the Democratic Services Committee onto full Council for consideration and endorsement;
- To establish a Head of Business Planning & Redesign post, to be funded from the Future Monmouthshire budget reserve for the remainder of 17/18 and into 18/19 before it becomes a core budget consideration;
- To establish a Head of Enterprise and Community Development post, with responsibility for Economic Development, Youth Enterprise, Community Education, business transition, Museums and oversight of a new Community Development Office;
- To establish a Head of Policy and Governance post, with responsibility for Democracy & Scrutiny, Data, Business & Member Support, Community Hubs, Communications and Improvement; and,
- To establish a Head of Commercial and Integrated Landlord services post, with responsibility for developing the council's strategic commercial offer and whole authority landlord service; and incorporating Property, Facilities, Estates, Procurement and Energy,

Adjusting pay

- ### **3.8** In order to complement the above structural changes, there is a need to align and equalise pay for those Head of Service level posts that currently fall within and across grade bands D&E. the proposal is to create consistency with other Heads of Service posts which are currently graded at Band C. In addition, there have been several recent examples, such as those appended to this

report, where neighbouring authorities have advertised directly comparable Head of Service posts on a salary range of £73,840-79,515. If pay equity internally and externally cannot be achieved, there is a significant continuing threat posed to our ability to firstly retain quality officers, secondly, to recruit talent in the future and lastly, to develop robust succession arrangements.

3.9 The attached Pay Policy and appendix sets out the posts currently falling within grade bands, D, E which it is proposed to bring alongside those already falling within grade band C. Whilst this is a modest investment, met in full through re-assignment (and not re-appointment) of the Head of Policy, Governance and Engagement duties and statutory democracy responsibilities - it will pay dividends in ensuring our pay grades remain competitive and our people feel valued. For completeness and with the changes above reflected, these are:

Head of Tourism, Leisure & Culture Head of Commercial Office & Corporate Landlord Head of Planning, Housing & Place Shaping Head of Enterprise and Community Development
Head of Waste & Street Services Head of Business Planning & Redesign Head of Policy and Governance

4. REASONS:

4.1 The reasons for the proposals set out in this report are:

- Begin aligning forward strategy with staffing structures to ensure fitness for future
- Fair distribution of roles and responsibilities across the condensed leadership team, with each member holding a statutory accountability with the Deputy Chief Executive enacting Head of Democracy role
- Financial context and need to adjust to 'new norm' financial reductions, the second instalment of cost reduction, which is a further >£14m over the next four years
- Create the new conditions and structure and delivery mechanisms to align with the outcomes that the Administration is signalling to be important
- Equity in pay across Heads of Service – with a modest investment providing the best chance of retaining quality officers, recruiting talent where openings may occur in the future and adequate succession planning

5. RESOURCE IMPLICATIONS:

5.1 In relation to Human Resources implications, the process to be enacted will be as follows:

- The new posts will be all be advertised in line with current policy and practice
- The restructure process would see those post-holders who face having their posts potentially deleted from the proposed structure, being placed 'at risk' of redundancy and being 'ring fenced' for the new posts in the structure.
- Informal and formal consultation will take place with all those directly affected. This is usually for a defined period and would involve sharing the new job role descriptions with staff, advising on likely timescales /implementation date of new structure etc. and offering support alongside the process such as consultation with Trades Unions
- At risk interviews and relevant support to be provided.
- Expressions of interest for the new posts requested from those 'at risk' - based on the job role descriptions
- Interviews held for the new posts by panel
- Anyone who is 'displaced' is made redundant should they not secure alternative employment.

5.2 Detailed examination of pre and post structure changes are provided in Appendix 1. Financial implications are set out overleaf:

Financial Consequences (based on top of grade assumption)

Post Deletions (Savings)	Salary	NI & Super	Total
Head of Policy, Governance and Engagement	-71,393	-23,560	-94,953
Head of Economy and Enterprise	-51,632	-16,901	-68,533
Policy and Improvement manager	-42,899	-13,825	-56,724
Head of Property & facilities Management	-56,661	-18,698	-75,359
Head of Community Delivery	-60,627	-20,007	-80,634
Sub Total	-283,212	-92,991	-376,203
Post Additions (Costs)			
Head of Enterprise and Community Development	65,160	21,503	86,663
Head of Policy & Governance	65,160	21,503	86,663
Head of Commercial & Integrated Landlord Services	65,160	21,503	86,663
Head of Business Planning & Redesign	65,160	21,503	86,663
Sub Total	260,640	86,011	346,651
Post Regradings (Costs)			
Head of Tourism, Leisure and Culture	4,533	1,496	6,029
Head of Planning, Housing and Place Shaping	4,533	1,496	6,029
Head of Waste & Street Services	8,499	2,805	11,304
Sub Total	17,565	5,796	23,361
Total	-5,007	-1,183	-6,190

- 5.3 Whilst exact implications are difficult to state given uncertainty attaching to who may or may not be successful in a recruitment process, as such the above example does not prejudge that process or any anticipated redundancy costs. Cabinet can comfortably expect this proposal to be cost neutral at worst given that 5 leadership positions are being deleted and 4 are being created.
- 5.4 The above is anticipated to introduce a £6k reduced cost, although in practice if the Head of Business Planning and Redesign post is to be funded from Future Monmouthshire reserve funding then the revenue effect until the end of 2018-19 would be an enhanced saving of £93k.
- 5.5 There is no financial benefit, direct or indirect, flowing from this report attaching to the Chief Executive or any of the four Chief Officers of the Council.

6. FUTURE GENERATIONS AND EQUALITY IMPLICATIONS:

- 6.1 The report details the need to be fit for future and sets out what it will take to shift beyond the capability of the council to survive – to a future where both county and council, thrives.

7. SAFEGUARDING AND CORPORATE PARENTING IMPLICATIONS

- 7.1 The appointment will reinforce people and organisational development knowledge and capacity within the senior leadership cohort and this will contribute significantly to our collective safeguarding capability.

MONMOUTHSHIRE COUNTY COUNCIL PAY POLICY 2017

1. INTRODUCTION

The purpose of a Pay Policy Statement is to increase accountability in relation to payments made to senior employees in the public sector by enabling public scrutiny.

Monmouthshire County Council recognises that in the context of managing scarce public resources remuneration at all levels needs to be adequate to secure and retain high quality employees dedicated to the service of the public, but at the same time needs to avoid being unnecessarily generous or excessive.

The publication of a Pay Policy supports Monmouthshire County Council's values of openness and fairness. This policy aims to ensure that all staff are rewarded fairly and without discrimination for the work that they do. It will reflect fairness and equality of opportunity, the need to encourage and enable staff to perform to the best of their ability and the desire to operate a transparent pay and grading structure.

Monmouthshire County Council recognises that pay is not the only means of rewarding and supporting staff and offers a wider range of benefits, e.g. flexible working, access to learning and a wide range of family friendly policies and procedures.

It is important that local authorities are able to determine their own pay structures in order to address local priorities and to compete in the local labour market.

In particular, it is recognised that senior management roles in local government are complex and diverse functions in a highly politicised environment where often national and local pressures conflict.

Monmouthshire County Council's ability to continue to attract and retain high calibre leaders capable of delivering this complex agenda, particularly during these times of financial challenge is crucial.

2. LEGISLATION

Under Section 112 of the Local Government Act 1972, the Council has the 'power to appoint officers on such reasonable terms and conditions as the authority thinks fit'. This Pay Policy statement sets out the Council's approach to pay policy in accordance with the requirements of section 38 of the Localism Act 2011.

The Localism Act requires local authorities to develop and make public their pay policy on all aspects of Chief Officers remuneration (including when they cease to hold office), and that of the 'lowest paid' in the local authority. It also explains the relationship between the remuneration for Chief Officer and other groups of staff. The Act and supporting guidance provides details of matters that must be included in this statutory pay policy, but also emphasises that each local authority has the autonomy to take its own decisions on pay.

The Pay Policy must be approved formally by Council by the end of March each year, but can be amended in year, and must be published on the Monmouthshire County Council's website and must be complied with when setting the terms and conditions for Chief Officers and employees.

In determining the pay and remuneration of all its employees, Monmouthshire County Council will comply with all relevant legislation. This includes the Equality Act 2010, Part Time Employment (Prevention of Less Favourable Treatment) Regulations 2000, Agency Workers Regulations 2010 and where relevant the Transfer of Undertakings (Protection of Earnings) Regulations (TUPE). With regard to the Equal Pay requirements contained within the Equality Act, the Council ensures that all arrangements can be objectively justified through the use of job evaluation techniques.

In its application, this policy seeks to ensure that there is no discrimination against employees either directly or indirectly on grounds prohibited by the Equality Act 2010 which covers age, disability, gender reassignment, marriage and civil partnership, pregnancy and maternity, race, religion or belief, sex or sexual orientation This policy is inclusive of partners of the opposite or same sex.

3. SCOPE AND DEFINITIONS

The Localism Act 2011 requires the Council to define its 'lowest paid employee' within our pay policy statement. Within Monmouthshire County Council our lowest paid employees are those paid in accordance with the Living Wage.

The Localism Act 2011 defines remuneration as 'salary, bonuses, charges, fees or allowances payable, any benefits in kind, increase or enhancement of pension entitlement. This definition is adopted for the term "pay" used in this policy.

4. PAY INFORMATION – PAY RANGES for NJC (National Joint Council) 'GREEN BOOK' STAFF

All National Joint Council (NJC) 'Green Book' positions within Monmouthshire County Council have been subject to a job evaluation (JE) process using the Greater London

Provincial Council (GLPC) scheme back dated to 1st April 2009 following the signing of a collective agreement with UNISON and GMB on 2nd December, 2010.

Monmouthshire County Council has linked the scores from the job evaluation results directly to the NJC pay structure and we have expanded the range from Spinal Column Point (SCP) 49 up to SCP 57.

Monmouthshire County Council's grading structure has 13 grades with 5 increments in each grade that span across SCP's 6 - 57 with associated salaries from £14,514 (SCP 6) to £51,121 (SCP 57). More information about the GLPC and the grades can be found in the Council's Single Status Collective Agreement.

When negotiating the Single Status Collective Agreement it was agreed that within Monmouthshire County Council we would not use the lowest point of SCP4 and so we have deleted that from our pay range. This has had a positive impact on the lowest paid staff of the Council.

Monmouthshire County Council introduced the real Living Wage in April 2014. The Living Wage payment is higher than the National Living Wage (£7.50) and is set independently by the Living Wage Foundation and is calculated according to the basic cost of living in the UK. Employers choose to pay on a voluntary basis. Monmouthshire County Council isn't accredited for the Living Wage, and it is optional for Monmouthshire to apply any Living Wage pay increases when they arise. We will be increasing the Living Wage in April 2017 to the new national level (£8.45)

5. PAY INFORMATION – CHIEF EXECUTIVE OFFICER ON CHIEF EXECUTIVE TERMS AND CONDITIONS

The salary for the Chief Executive Officer is a local grade established following an analysis of the degree of responsibility in the role and market rates at the time the post was last advertised (2009) and approved by Council. The salary for the Chief Executive Officer is £111,100.00.

There are no additional bonus, performance, honoraria or ex gratia payments. The salary is subject to nationally agreed pay rises for JNC for local authority Chief Executive Officers.

6. PAY INFORMATION – CHIEF OFFICERS & HEADS OF SERVICE ON CHIEF OFFICER TERMS AND CONDITIONS

Monmouthshire County Council employs Chief Officers under JNC for chief officers' terms and conditions which are incorporated in their contracts. The JNC for Chief Officers negotiates on national (UK) annual cost of living pay increases for this group, and any award of same is determined on this basis. Chief Officers employed under JNC terms and conditions are contractually entitled to any national JNC determined pay rises and this

Council will therefore pay these as and when determined in accordance with contractual requirements. All salaries within this range are as follows:

POST	RANGE	SALARY
Chief Executive Officer	N/A	£111,100
Chief Officer, Enterprise & Deputy CEO	Band A+ Points 1-3	£84,992 £86,125 £87,258

Head of Tourism, Leisure & Culture Head of Community Delivery Head of Planning, Housing & Place Shaping	Band D: Points 1 - 2	£56,661 £60,627
Head of Property & Facilities Management Head of Waste & Street Services	Band E Spot salary	£56, 661

There are no other additional elements of remuneration in respect of overtime, flexi-time, bank holiday working, stand-by payments etc., paid to these senior staff, as they are expected to undertake duties outside their contractual hours and working patterns without additional payments. There is no performance related pay and no bonuses. As an equal opportunity employer all posts are advertised.

Posts at Chief Officer and Heads of Service level are employed on JNC Chief Officer terms and conditions. Chief Officers and Heads of Service whose grades offer incremental progression must achieve at least a 'satisfactory' judgement in their annual appraisal process to advance to the next incremental point within grade.

Monmouthshire County Council publishes pay details for Chief Officers on the website. The information can be found in the 'Statement of Accounts.'

Monmouthshire County Council is the 'host' local authority for the employment of the Programme Director for City Deal. This appointment is on a fixed term basis on a salary of £99,000 per annum, on JNC chief officer terms and conditions of employment. This temporary post is being hosted by Monmouthshire County Council on behalf of the City Deal Partnership and is wholly funded by the City Deal Partnership.

7. PAY INFORMATION – STAFF ON 'GREEN BOOK' TERMS AND CONDITIONS REFERRED TO AS "OPERATIONAL MANAGERS"

Operational Managers are those who fall within the definition of Deputy Chief Officer but who are paid on NJC (National Joint Council) terms and conditions rather than Chief Officers' terms and conditions. Their salaries span from Grades I – M, with the lowest being SCP 37 (£32,164) and the highest being SCP 57 (£51,121).

8. PAY INFORMATION – STAFF OTHER THAN 'GREEN BOOK' AND CHIEF OFFICERS

Monmouthshire County Council also has staff on other national terms and conditions, i.e. JNC Soul-bury and Teacher terms and conditions. Pay for these is based on the relevant nationally agreed rates of pay.

9. INCREMENTAL PROGRESSION – ALL STAFF

For staff employed under NJC (National Joint Council) terms and conditions of employment, the 'Green Book', incremental progression is automatic. Increments are normally awarded on 1st April each year.

Where Chief Officers and Heads of Service have incremental pay grades, progression is dependent upon satisfactory performance appraisal.

10. SALARY ON APPOINTMENT – ALL STAFF

Posts are advertised on the agreed grade/range for that particular post. Information regarding the minimum and maximum pay is provided in the advert. In practice most

appointments are made at the bottom of the range. However, there is discretion to appoint at a higher point on the range. This would normally only apply if there is a need to match a candidate's current level of pay.

11. PAY REVIEW – ALL STAFF

All pay is reviewed in line with the national pay awards negotiated for the cost of living increases when these occur.

12. MARKET SUPPLEMENTS – ALL STAFF

It is recognised that there will be exceptional occasions where the market rate for certain key jobs is higher than that provided for by the new pay and grading structure. In these circumstances, the grading of the post will be reviewed in accordance with the Market Forces Policy.

13. ADDITIONAL PAYMENTS – NJC (National Joint Council) 'GREEN BOOK' STAFF

Additional payments are made to this staff group as detailed in Monmouthshire County Council's single status package. The types of additional payments made include-

15. HONORARIA AND ACTING UP SCHEME

Monmouthshire County Council has a scheme for an additional payment to be made where an employee acts up into a post at a higher level of pay or where they undertake additional duties at a higher level of responsibility. This scheme is applicable for all employees.

16. MULTIPLIERS

The statutory guidance under the Localism Act recommends the use of pay multiples as a means of measuring the relationship between pay rates across the workforce and that of senior managers, as included within the Hutton 'Review of Fair Pay in the Public Sector' (2010).

The Hutton report was asked by Government to explore the case for a fixed limit on dispersion of pay through a requirement that no public sector manager can earn more than 20 times the lowest paid person in the organisation. The report concluded that the relationship to median earnings was a more relevant measure and the Government's Code of Recommended Practice on Data Transparency recommends the publication of the ratio between highest paid salary and the median average salary of the whole of the Local Authority's workforce.

The multiples of pay for Monmouthshire County Council are as follows-

- Multiple between lowest paid FTE employee and CEO is 7:1
- Multiple between lowest paid FTE employee and average chief officer is 4:1
- Multiple between the median FTE employee and CEO is 5:1
- Multiple between the median FTE employee and the average chief officer is 3:1

17. PAYMENTS/CHARGES AND CONTRIBUTIONS

All Monmouthshire County Council employees (except teachers) are entitled to join the local government pension scheme (LGPS) which is offered by the Local Government Employers. If staff are eligible they will automatically become a member of the scheme under the auto enrolment provisions (to join they must have a contract for at least 3 months duration and be under the age of 75).

Employees can decide to opt out of the scheme within one month of auto enrolment. The benefits and contributions payable under the pension fund are set out in the LGPS regulations.

All employees who are members of the Local Government Pension Scheme make individual contributions to the scheme in accordance with the following table:

Employee Pay	% Contribution
Up to £13,600	5.5
£13,601 to £21,200	5.8
£21,201 to £34,400	6.5

Over £151,800	12.5

(The contribution bands with effect from 1 April 2016. Final confirmation of % contribution rates for 2017-18 not yet released).

18. DISCRETIONARY PAYMENTS

The policy for the award of any discretionary payments is the same for all staff regardless of their pay level. The following arrangement applies for redundancy payments under regulation 5 of the Local Government (Early Termination of Employment) (Discretionary Compensation) (England and Wales) Regulations 2006.

- Payment of an overall lump sum of 1.7 times the statutory redundancy payment multiplier based on actual weeks' pay up to a limit of Spinal Column Point 49. This is payable to employees made redundant with 2 or more years local government service regardless of their age, subject to them being eligible to join the pension scheme.
- Monmouthshire County Council introduced the Living Wage in April 2014. Monmouthshire County Council isn't accredited for the Living Wage, and it is optional for it to apply any Living Wage pay increases when they arise. We will be increasing the Living Wage in April 2017 to the national level (£8.45 per hour). Payment for the Living Wage is paid as an additional amount to an employee's grade

19. DECISION MAKING

In accordance with the Constitution of the Council the Executive is responsible for the decision making in terms of pay, terms and conditions and severance arrangements in relation to employees of Monmouthshire County Council, except for the appointment of the Chief Executive Officer and the statutory chief officers which is a function of Council. Details of severance packages are reported and approved by the CEO and the relevant Chief Officer and Cabinet Member and have robust business cases justifying departure & representing value for money.

20. REVIEW OF THE POLICY

This Policy will be kept under review and developments considered in the light of external best practice and legislation. Monmouthshire County Council will ensure the policy is updated on an annual basis in line with the requirement of the Localism Act 2011. The Public Services Staff Commission in Wales has recently (December 2016) published observations and advice to Welsh Government in respect of the 'Transparency of Senior Pay in the Devolved Public Sector'. Although much of the guidance is reflected in this policy, we await to see the Welsh Government response to this work.
