2. Public Open Forum

There were no public open forum items.

3. To confirm the minutes of the previous meeting

The minutes of the meeting of Democratic Services Committee held on 5th June 2017 were confirmed as an accurate record and signed by the Chair.

4. Cabinet Member Priorities and Work Programme

The Cabinet member for Governance addressed the committee and informed them that one of his principal priorities within his portfolio is performance data. The cabinet member informed the committee that there is a need to present the information to members in a more digestible format to allow clear understanding of the information being presented to them.

Members of the committee requested that the data that is being used and presented is comparable in order to provide a true picture of the issue. The cabinet member informed the committee that there is a commitment to having 'open data' so that anyone interested can take the information they need and use it for their own analysis.

Another of his priorities is the integration of back office functions within the authority, that will be a priority for the Welsh Government for local authorities to implement, and will be working with cabinet members from other authorities to ensure its delivery. Back office functions can be considered as payroll, HR and legal services.

5. Member Support Services

MONMOUTHSHIRE COUNTY COUNCIL

Minutes of the meeting of Democratic Services Committee held at Council Chamber - Council Chamber on Monday, 11th September, 2017 at 2.00 pm

The committee discussed the digital and technology support that members received. It was raised that online training modules would be useful as it could record progress and allow members to complete the training at their leisure. The local democracy manager informed the committee that the WLGA had been looking at online training modules through learning pool but were not available easily for members to undertake.

Members also questioned when remote attendance for training and meetings might become a possibility to allow members to participate without physically attending the meeting. Members were informed that equipment is being installed in the Conference Room at County Hall, Usk which may enable remote attendance and further testing will be completed following its installation.

A discussion also took place around whether mobile phones should be provided to all elected members. It was agreed that at the next meeting of the committee an IT report will be presented with costings and options as well as an update on the remote attendance.

6. Report of Head of Paid Service - Designation of Statutory Head of Democracy

The Chief Officer for Enterprise left the meeting for this item and it was presented by the Chief Executive.

The Chief Executive presented his report to the committee recommending that the Chief Officer for Enterprise be appointed to the role of Head of Democracy, a statutory position that has to be appointed to an officer of the Council.

The committee accepted the recommendation and resolved to appoint the Chief Officer for Enterprise as the Head of Democracy for the authority.

7. Flat Pack Democracy - Monmouth Example

The Head of Policy and Governance presented an update on participatory democracy or 'Flatpack Democracy' to the Committee, with a view to representatives from Monmouth Town Council attending a future meeting to provide further detail.

During discussion the Committee expressed an interest in holding meetings away from the Council Chamber, feeling that this would encourage public participation, however it was recognised this had not been effective in the past. Members suggested examples of sustainable participation in democracy would be helpful.

The committee referred to a previous idea of inviting businesses to a breakfast meeting and suggested that this could have been more widely publicised.

We recognised the importance to items for engagement, rather than asking general questions. We should focus on what is most important and understand the need to continue with that. It was suggested there could be a place beyond the committee where members meet with officers to discuss ideas and priorities.

To conclude the committee resolved to meet as a small group and assess information in order to support the cabinet member on a particular theme or issue that the committee wishes to progress over the next 12 months.

8. Timing of Council Meetings

MONMOUTHSHIRE COUNTY COUNCIL

Minutes of the meeting of Democratic Services Committee held at Council Chamber - Council Chamber on Monday, 11th September, 2017 at 2.00 pm

The Local Democracy Manager informed the committee that under the Local Government Wales Act 2011, local authorities have a duty to review the timing of its Council meetings and requested that the committee put forward a recommendation to the next meeting of Full Council as to the most suitable timing for all Councillors.

Members debated various options and concluded that the start time of Full Council meetings should alternate between 14:00 and 17:00 throughout the year with the next council meeting due to start at 14:00 and the following from 17:00 to ensure that councillors who work are not disadvantaged by holding meetings solely at a time that they would not be able to attend.

9. Local Government White Paper - Moving Forward Proposals

The Deputy Chief Executive advised the committee she had attended a Local Government Reform Task and Finish Group, with Chief Executives across Wales, to agree terms of reference and purpose for the steering group. The outcome of the meeting was that task and finish groups will report to the steering group, who then report to the Cabinet Secretary, including a finance group, governance and accountability group, and a group to consider the role of local government in the future.

Information, issues or matters arising would be shared with Committee Members.

10. Welsh Government Consultation - Electoral Reform

The Local Democracy Manager presented the consultation document to the committee and providing an overview to members.

Members of the committee were in support of the legislative change to allow 16 year olds the right to vote. Members also requested a member seminar on the consultation but accepted that with the tight deadline for responses it may be difficult to arrange.

It was agreed that if possible a members seminar will be co-ordinated to allow all members to contribute to the consultation and that members provide the Local Democracy Manager with their views independently, to draft a response that will be agreed with the Chair and submitted on behalf of the committee. Members were also reminded that they are entitled to submit their own individual responses to the consultation.

11. Work Programme and Frequency of Meetings

Members of the committee queried whether the current cycle of meetings for the committee was frequent enough to ensure a full debate could be had to cover the work programme for the committee. It was agreed that the committee should meet more frequently and meetings diarised with those dates distributed to members.

The meeting ended at 4.40 pm

SUBJECT: Independent Remuneration Panel for Wales: Annual Report
MEETING: Democratic Services Committee
DATE: 23rd October 2017
DIVISIONS/WARDS AFFECTED: All

1 PURPOSE

- 1.1 To provide the committee with the latest draft report for 18-19 of the Independent Remuneration Panel for Wales (IRPW).

2 BACKGROUND

- 2.1 The Independent Remuneration Panel is a permanent body, independent from any other organisation, including, the Welsh Government, and the Welsh Local Government Association.

3 RECOMMENDATIONS

- 3.1 Members are invited to consider the draft report and decide whether it wishes to make any representation to the panel ahead of its consultation deadline on 29th November.
- 3.2 The Committee may make recommendations about any amendments to the number and roles which should receive senior salaries ahead of a decision at Council at its annual meeting in May 2018.

4 KEY ISSUES

- 4.1 The Panel operates under the provisions of The Local Authorities (Allowances for Members) (Wales) Regulations 2007. It is tasked with setting the maximum level of allowances payable each year to elected and co-opted members of councils as well as setting the maximum number of senior salaries that can be paid to members.
- 4.3 Maintaining the democratic values of local government is not cost-free. Members of local authorities represent the interests of local people, undertake the governance of local communities, and secure appropriate value-for-money public services for local tax-payers through effective scrutiny. These are significant and considerable tasks and payments are made available to encourage a diversity of willing and able people to undertake local governance through their elected, appointed or co-opted roles.
- 4.4 The Panel's Annual Report, including proposals which would have effect from 2018 has now been published. It has increased the basic salary for councillors by £200 p.a. – an increase of 1.49%, effective from April 2018. The rate payable for senior salaries is not increased other than the element which is made up of the basic salary. Other salaries are set out within the body of the report. The schedule of remuneration which sets out the posts that receive allowances in 2017-18 is available via [this link](#).

5. REASONS

- 5.1 To ensure that the committee is aware of the determinations of the panel and its implications for the authority

6 RESOURCE IMPLICATIONS

- 6.1 The increases in basic allowances stated in the report will cost an additional £8600. Other changes will be subject to any recommendations made by the committee.

7. FUTURE GENERATIONS ASSESSEMENT INCLUDING SUSTAINABLE DEVELOPMENT AND EQUALITY IMPLICATIONS:

- 7.1 This report does not propose any change in policy or service and so no assessment has been completed.

8. SAFEGUARDING AND CORPORATE PARENTING IMPLICATIONS

None

Independent Remuneration Panel for Wales

Annual Report

DRAFT

February 2018

ANNUAL REPORT 2018

FOREWORD

2017 has been the year of elections to Principal Councils and Community & Town Councils. In line with our previous approach when new councils are formed the Panel has visited all 22 of the unitary authorities. This provides us with an opportunity to discuss issues with a cross section of members and senior officers. This has been a very useful exercise and helps us form the direction for future consideration. On behalf of my colleagues I would want to express our thanks to all councils for their engagement with the visits and the welcome and hospitality we received.

The visits and the resulting discussions assisted in continuing to ensure that we have a comprehensive understanding of the development of the role of a councillor and the workload pressures that appear to be increasing across the board.

The conclusions from our discussions have wherever possible been incorporated in our determinations and in particular our proposed modest increase in the basic salary.

As a Panel we believe the overwhelming majority of the 1254 elected members of the 22 councils are committed to serving their communities and put in many hours that the basic remuneration could not cover. Affordability is an issue for both the councils and tax payers and this restricts other than modest additional costs to the total payments to members. What we wish to prevent is further erosion of the link with the average welsh earnings.

Other changes that we are proposing for 2018 are set out in the Report.

My personal thanks to my colleague Panel members who constantly demonstrate the knowledge and enthusiasm to ensure we produce reports that are based on key information.

Also my appreciation of the work of our secretariat without which we could not function effectively.

Introduction

This is the tenth Annual Report of the Independent Remuneration Panel for Wales (the Panel), and the seventh published under the requirements of the Local Government (Wales) Measure 2011(as amended).

1. As with all the Panel's Annual Reports the determinations on member remuneration are underpinned by the principles set out in Section 1.
2. The Panel has consistently expressed its view that maintaining the democratic values of local governance cannot be cost-free. Members of local authorities (including co-opted and appointed members) are there to represent the interests of local people, undertake the governance of local communities, and secure appropriate value-for-money public services for local tax-payers through effective scrutiny. These are significant and considerable tasks for members of the relevant authorities within the Panel's remit. Payments to members are made available to encourage a diversity of willing and able people to undertake local governance through their elected, appointed or co-opted roles.
3. In determining the level of payments to members of local councils, the Panel seeks to meet the principle of '*acceptability*' by ensuring that these are not '*so great as to require a significant diversion of resources from key council priorities*'. But Section 142(8) of the Measure is more explicit on '*affordability*' when it states that "*when setting an amount¹ ...the Panel must take into account what it considers will be the likely financial impact of doing so on relevant authorities*". Meeting the requirement of the Measure in regard to affordability has been a challenge for the Panel, not least because of public interest in the payments made to members. The Panel acknowledges that the issue of affordability – in relation both to relevant authorities' service budgets and to the electorate's disposable incomes – is likely to impact on the public perception of any increases to members' payments.
4. As a charge on the public purse, payments to members for their time, worth and responsibility must be, and must be seen to be, fair to those undertaking the role but at the same time be affordable. The Panel's determinations in its 2009 Report aligned payments to the median gross earnings of all full-time employees resident in Wales as reported in the Annual Survey of Hourly Earnings (ASHE). The basic salary was set at three-fifths of the All Wales Median Salary and senior salaries were set at multiples of this annual median salary. In setting these salaries the Panel recognised that there was an unpaid public service contribution.

5. As 2017 was an election year for councils in Wales, Panel members have visited all 22 principal councils to provide an opportunity for members and officers to comment on the Remuneration Framework and to put forward ideas for future consideration. We are appreciative of the welcome that we received from every council and the useful discussions that arose during our visits.
6. One of the observations that many members expressed was that when the basic salary is compared with a traditional paid employment – ‘a job’ the salary is too low to attract younger people and to encourage diversity. They also pointed out the significant differences between remuneration and support available to elected members in other levels of government in Wales. They proposed that the level of the basic salary should therefore be raised significantly in recognition of the importance of the role of an elected member of a principal council. However, it is recognised that elected members of principal councils are not employees and are not remunerated as such.
7. The financial constraints on the public sector and particularly local authorities has meant that the link with average Welsh earnings has not been maintained. The Panel considers that this has undervalued the worth of elected members. To avoid further erosion in relation to average earnings the Panel has decided to increase the basic annual salary to £13,600 (an increase of 1.49%). No increase is proposed for senior salaries but these post holders will receive the increase in the basic salary element.
8. The Annual Report 2016 introduced two levels of salary for members of councils’ executives and committee chairs of principal authorities, Fire and Rescue Authorities (FRAs) and National Park Authorities (NPAs). This was to provide flexibility to enable authorities to reflect, in their schedules of remuneration, variations in the level of responsibility of portfolios and chairs. However as far as the payments to members of executives is concerned this flexibility has not been used other than in one case. Similarly it has not been taken on board in respect of chairs of committees. It was clear from the discussions that arose during the Panel’s visits that almost all councils took the view that this arrangement was contrary to the desire for the Panel to be prescriptive in its determinations. The Panel accepts this and has therefore removed the two tier arrangement for executive members and for committee chairs.
9. From the discussions during our visits to the principal councils it is clear that very few members are utilising the provision in the framework to reimburse the costs of care. It appears that some members are still reluctant to claim all that they are entitled to support in their role, because of concerns about the adverse publicity this can attract (see Annex 4 for the publication options). We urge Democratic Services Committees to take steps to encourage and facilitate greater use of this element of our framework so that members concerned are not financially disadvantaged.
10. The Panel has continued to contribute wherever possible to enhancing diversity in local government in Wales through its determinations. To take this

a step further the Panel has produced a leaflet for prospective candidates on the remuneration of members of councils. We are pleased that several councils have added this leaflet to their website.

11. We believe that there are still major issues to be addressed with community and town councils which we will be raising with individual councils and their representative organisations. However as a start to this process we are proposing to introduce grouping councils according to the level of income or expenditure. We propose that mandatory payments be made to senior members in those councils in the highest group. This is detailed in Section 13.
12. The Local Government (Democracy) (Wales) Act 2013 amended the Local Government (Wales) Measure 2011 by inserting Section 143A. This requires that any principal council or fire and rescue authority that intends to change the salary of its Head of Paid Service must consult the Panel unless the change is in keeping with changes applied to other officers. Section 143A also enables the Panel to take a view on anything in the Pay Policy Statement of an authority that relates to the salary of the Head of Paid Service (normally the Chief Executive or Chief Fire Officer). The Local Government (Wales) Act 2015 extended this responsibility, on a temporary basis to Chief Officers of principal authorities. The Panel's approach to its use of these powers is set out in Section 15 of this Report and accords with the guidance issued to the Panel by the Welsh Government.
13. Since assuming the additional responsibility in respect of changes to the salaries of chief officers of principal councils the Panel has dealt with several submissions. The Panel's decisions are attached at Section 15.

1. The Panel's Framework: Principles of Members' Remuneration

Upholding trust and confidence

- 1.1 Citizens rightly expect that all those who choose to serve in local authorities uphold the public trust by embracing the values and ethics implicit in such public service. These principles underpin the contribution that the work of the Panel and its Framework make towards upholding public trust and confidence.

Simplicity

- 1.2 The Framework is clear and understandable. This is essential for the Panel to be able to communicate its determinations effectively to all those who are affected by, or who have an interest in, its work.

Remuneration

- 1.3 The Framework provides for payment to members of local authorities who carry a responsibility for serving their communities. The level of remuneration should not act as a barrier to taking up or continuing in post. There should be no requirement that resources necessary to enable the discharge of duties are funded from the salary. The Framework provides additional recompense for those who are given greater levels of responsibility.

Diversity

- 1.4 Democracy is strengthened when the membership of local authorities adequately reflects the demographic and cultural make-up of the communities such authorities serve. The Panel will always take in to account the contribution its framework can make in encouraging the participation of those who are significantly under-represented at local authority level.

Accountability

- 1.5 Taxpayers and citizens have the right to receive value for money from public funds committed to the remuneration of those who are elected, appointed or co-opted to serve in the public interest. The Panel expects all principal councils to make information readily and appropriately available about the activities and remuneration of their members.

Fairness

- 1.6 The framework will be capable of being applied consistently to members of all local authorities within the Panel's remit as a means of ensuring that levels of remuneration are fair, affordable and generally acceptable.

Quality

- 1.7 The Panel recognises that the complex mix of governance, scrutiny and regulatory duties incumbent upon members requires them to engage with a process of continuous quality improvement. The Panel expects members to undertake such training and personal development opportunities as are required to properly discharge the duties for which they are remunerated.

Transparency

- 1.8 Transparency of members' remuneration is in the public interest. Some members receive additional levels of remuneration by virtue of being elected or appointed to more than one public body. The framework serves to ensure that knowledge of all members' remuneration is made easily available to the public.

Remuneration of Officers

- 1.9 The Panel applies these principles of fairness, accountability and transparency in all its determinations in relation to remuneration of members of all the authorities that fall within its remit. The same principles also apply when the Panel is required to make recommendations in relation to the remuneration of the paid officers of these authorities.

3. Payments to Elected Members of Principal Councils: Basic, Senior and Civic Salaries

Basic salary for elected members of principal councils

3.1 The Panel originally determined in its IRP Annual Report 2009 that the payment of the basic salary would be aligned to the median gross earnings of all full-time employees resident in Wales as reported in the Annual Survey of Hourly Earnings (ASHE). Given the pressures on public expenditure it has not been possible for this alignment to be maintained. If this alignment had continued the basic salary would currently be significantly higher than the current prescribed amount, (close to £15,000 pa). This is calculated on an assumption that the basic activity required of an elected member (i.e. without the additional work required for a senior salary) is equivalent to three days' work.

3.2 The Panel remains aware that the core activities required of an elected member of a principal council vary. Duties undertaken should enable all members to discharge their core non-executive responsibilities in the governance of their council and in representing those living in their ward. As an elected role, such posts are not readily treated in the same manner as an employment with precisely quantified hours. The work that arises in representing ward residents is particularly varied because it is influenced by the very diverse socio-economic conditions, demographics, levels of urbanisation and different ratios of residents to councillors. These circumstances can vary significantly within individual authorities as well as in comparisons of local authorities throughout Wales. Elected positions carry an expectation of a level of personal commitment to community that goes beyond defined, remunerated hours. Elected members commonly report time spent that is well in excess of the notional three days (extra time worked and previously defined by the Panel as a 'public service discount').

3.3 In 2017 Panel members continued the practice of visiting all Welsh principal councils to meet with elected members to inform and update understanding of their activities. The WLGA Exit Survey of members who stood down in 2017 has also been considered. The general view from members and officers is that the workload has increased and most claimed that it was far in excess of 3 days. In ongoing dialogue with members, the Panel has particularly wished to learn of any impact on basic councillor duties arising from public 'austerity' programmes of recent years and also any changes in expectations from elected members arising from increased electronic communications and social media.

3.4 When making financial determinations for this Annual Report, the Panel has considered the progression of a variety of benchmark figures for the period from 2010 to 2017. As well as the ASHE median gross earnings figures for Wales, the Panel also considered the Retail Price Index, the Consumer Price Index, NJC Pay

Scales and Living Wage figures. It is noted that these figures show clear increases in the cost of living and earnings during this period. It is obvious that the gap between the level of basic remuneration for elected members of principal councils and relevant indicators of rises in income and costs of living indicators has continued to grow. The Panel believes this merits action to narrow the gap and limit the rate of erosion. Any adjustments must be in keeping with the Panel's principle that its determinations should be publicly affordable and acceptable.

3.5 Although public sector funding continues to be constrained, the Panel therefore considers that an increase in the basic salary is justified. It has determined there shall be an increase of £200 p.a. (which equates to 1.49%) effective from April 2018 to the basic salary for members of principal councils. This will help to limit further erosion of relative levels of remuneration in the basic salary paid in recognition of the basic duties expected of all elected members.

Senior salaries for elected members of principal councils

3.6 The limit on the number of senior salaries payable ('the cap') will remain in place. In 2018/19 the maximum number of senior salaries payable within each council will not be altered (other than for the Isle of Anglesey Council. See note ii) and will be as set out in Table 1. The rate payable for senior salaries shall not be altered in 2018/19 except to reflect the increase in the basic salary.

Determination 1: Basic salary in 2018/19 for elected members of principal councils shall be £13,600.

Notes to Determination 1:

- i. The responsibility element of senior salaries is not being increased but senior salary holders will receive the uplift to the basic salary.
- ii. The Cabinet Secretary for Finance and Local Government has agreed in respect of the Isle of Anglesey Council to increase the number of posts that can be paid a senior salary beyond the fifty percent maximum contained in the Measure subject to a determination by the Panel. The Panel has issued a Supplementary Report to give effect to this increase.

Payments to members of the Executive, Chairs of committees and the Leader of the Opposition

3.7 The Panel has not changed the previous decisions in respect of the senior salaries paid to these post holders.

(i) The Executive:

The visits to all principal councils by the Panel in 2009 produced the general conclusion that Executive members should be considered as working the equivalent of full time (up to 40 hours per week) but not necessarily nine to five. The recent visits and discussions with members and officers did not change this conclusion, in fact many executive members indicated that their workload has increased. There is still a variety of arrangements in both the structure and the operation of cabinets dependent on the specific organisational requirements of each authority.

Many councils operate with a cabinet of 10, the statutory maximum, others choose to have smaller cabinets and therefore the range of individual portfolios is much greater. We have previously concluded that this should be able to be reflected in the remuneration framework. But it is not the role of the Panel to determine the structure of cabinets of local authorities. The Panel's previous determinations contained flexibility for each council to decide the appropriate range of portfolios to meet local needs, and adjust payments within the Executive to reflect responsibility. As a result of the strong views expressed during the visits that the Panel should be prescriptive in respect of the salaries of executive members this provision has been amended. Consequently there will be one salary level within each population group as set out in Table 2 below:

(ii) Chairs of Committees

The Panel has recognised the overwhelming support for its determinations to be prescriptive and therefore has removed the two tier arrangement for chairs of committees although we continue to take the view that the responsibility and function of chairing a committee is not generally influenced by population of the authority.

Where chairs of committees are paid, the remuneration is: £22,300

The Senior Salary Bands

Determination 2: The Panel has determined that senior salary levels in 2018/19 for members of principal councils shall be as set out in table 2.

Table 2: Basic salary and senior salaries payable to members of principal councils

Basic salary (payable to all elected members) £13,600			
	Group A (Cardiff, Rhondda Cynon Taf, Swansea)	Group B (Bridgend, Caerphilly, Carmarthenshire, Conwy, Flintshire, Gwynedd, Newport, Neath Port Talbot, Pembrokeshire, Powys, Vale of Glamorgan, Wrexham)	Group C (Blaenau Gwent, Ceredigion, Denbighshire, Merthyr Tydfil, Monmouthshire, Torfaen, Isle of Anglesey)
Senior salaries (inclusive of basic salary)			
Band 1 Leader Deputy leader	£53,300 £37,300	£48,300 £33,800	£43,300 £30,300
Band 2 Executive members	£32,300	£29,300	£26,300
Band 3 Committee chairs (if remunerated):		£22,300	
Band 4 Leader of largest opposition group ³		£22,300	
Band 5 Leader of other political groups		£ 17,300	

Table 2 notes:

- The Panel considers that the leadership and executive roles (Band 1 and 2 salaries respectively) carry the greatest individual accountability and that 'size of population' remains a major factor in influencing levels of responsibility and the use of the three population groups (A, B and C) has therefore been

³ Leader of largest opposition group. See IRPW Regulations, Annex 2, Part 1(2) for a definition of "largest opposition group" and "other political group".

retained. For information: Group A Population 200,000 and above; Group B Population 100,001 to 199,999; Group C Population up to 100,000.

- b. No increase is proposed for senior salaries but post holders will receive the uplift in the basic salary paid to all councillors.
- c. Committee chairs will be paid at Band 3, although an individual authority may determine not to pay particular chairs.
- d. The stipulation that an opposition group leader or any other group leader must represent at least 10% of the council membership before qualifying for a senior salary remains unchanged.
- e. The Panel has determined that a council must make a senior salary available to the leader of the largest opposition group.
- f. The Panel has determined that, if remunerated, a Band 5 senior salary must be paid to leaders of other political groups.

See IRPW Regulations, Annex 2, Part 1(2) for a definition of “*largest opposition group*” and “*other political group*”.

Payments to Civic Heads and Deputies (Civic Salaries)

- 3.8 The Panel maintains the view that it is appropriate for authorities to set remuneration levels which reflect activity and responsibility of civic heads and deputies rather than the local population. The Panel is aware but surprised that many councils have set the salaries for their civic heads and deputies to accord with the population groups rather than necessarily reflecting the specific responsibilities attached to the roles. For the removal of doubt, it should be noted that the three established groups of principal councils calculated by population are not required to be applied in relation to payments to civic heads and deputies.
- 3.9 The Panel has set three possible levels of civic salary - higher, mid and lower. Each authority must decide which level (if any) is to be paid for each of these roles according to local factors. For example, the civic head of a small council may be paid at the highest rate, whilst the civic head of a large council may be paid at the lowest rate, rates of payment to deputy civic heads may be similarly varied. This also allows for civic heads and their deputies in the same authority to be paid at different levels.
- 3.10 A council may decide not to apply any civic salary to the posts of civic head and/or deputy civic head.

Determination 3: The Panel has determined that (where paid) civic salaries at the following levels are payable (Table 3) and will be applied by principal

councils as each considers appropriate, taking account of the anticipated workloads and responsibilities.

Table 3: Civic salaries (where paid) shall be payable as follows to members of principal councils

Remuneration of civic heads and deputy civic heads (inclusive of basic salaries)		
Responsibility Level	Civic heads	Deputy civic heads
Level 1	£24,300	£18,300
Level 2	£21,800	£16,300
Level 3	£19,300	£14,300

Table 3 notes:

- a. The posts of civic head and deputy civic head are not included in the cap (with the exception of Isle of Anglesey and Merthyr Tydfil Councils).

The Panel's requirement that members should not have to pay for the cost of the support (see determination 7) that is needed to carry out their duties applies also in respect of civic heads. The Panel recognises the range of provision made for civic heads in respect of transport, secretarial support, charitable giving and clothing.

- 3.11. Civic roles are senior posts within councils which are distinct from political or executive leadership. In addition to chairing major meetings the civic head is the authority's 'first citizen' and 'ambassador', representing the council to a wide variety of institutions and organisations, and this requires the post holder to exemplify and promote good citizenship.
- 3.12. In many instances civic heads receive secretarial support and are provided with transport for official duties and can access a separate hospitality budget which is managed and controlled by council officers.
- 3.13. The level of support given, the personal financial outlay and the level of activity during the year of office varies considerably between authorities and the size of authority does not necessarily relate to the commitment required, or given by, civic heads.
- 3.14 All principal councils have a number of community councils within their areas and many also include town councils. Where a community council has a particularly active civic head this may have some impact on the workload of the principal council's civic head.
- 3.15 The Local Government (Democracy) (Wales) Act 2013 allows councils to appoint a presiding member whose role it will be to chair meetings of the

whole council. Where appointed, there would be a consequential reduction in the responsibilities of the respective civic head.

Payments to Presiding Members

Determination 4: The Panel has determined that, where appointed and if remunerated, a presiding member must be paid a Band 3 senior salary. This post will count towards the cap.

Determination 5: The Panel has determined that the post of deputy presiding member will not be remunerated.

Key factors underpinning the Panel's determinations:

- 3.16 The basic salary, paid to all elected members, is remuneration for the responsibility of community representation and participation in the scrutiny, regulatory and related functions of local governance for the time equivalent of three days a week. Any time commitment beyond three days is an unpaid public service contribution.
- 3.17 The prescribed salary and expenses must be paid in full to each member unless an individual has independently and voluntarily opted in writing to the authority's proper officer to forego all or any element of the payment. It is fundamental that there is transparency in this process so that any possible suggestion that members are put under pressure to forego some of the salaries is avoided.

The following must be applied:

- a) An elected member must not be remunerated for more than one senior post within his or her authority (but see section 4 on JOSCs).
- b) An elected member must not be paid a senior salary and a civic salary.
- c) All senior and civic salaries are paid inclusive of basic salary.
- d) If a council chooses to have more than one remunerated deputy leader, the difference between the senior salary for the deputy leader and other executive members should be divided by the number of deputy leaders and added to the senior salary for other executive members in order to calculate the senior salary payable to each deputy leader.
- e) Members in receipt of a Band 1 or Band 2 senior salary cannot receive a salary from any NPA or FRA to which they have been appointed nor any Community or Town Council of which they are a member.

Supporting the work of local authority elected members

3.18 Following the local elections in 2017 Panel members have undertaken visits to all principal authorities in Wales. These visits have provided valuable opportunities for members and officers to discuss the variations that occur and to share and understand the benefits gained by properly supporting the ability of members to discharge their basic duties effectively.

3.19 The Panel expects that the support provided should take account of the specific needs of individual members. The functions of Democratic Services Committees include a requirement to review the level of support provided to members to carry out their duties and the Panel would expect these committees to carry this out and bring forward proposals to the full council as to what is considered to be reasonable. Any proposals should be made with due regard to Determinations 6 and 7 below. For example, the Panel does not consider it appropriate that elected members should be required to pay for any telephone use to enable them to discharge their council duties as a ward member, committee member or cabinet member.

3.20 The Panel considers it is necessary for each elected member to have ready use of e-mail services, and to have electronic access to appropriate information via an internet connection. The Panel does not consider it appropriate that elected members should be required to pay for internet related services to enable them to discharge their council duties as a ward member, committee member or cabinet member. This comprises the necessary provision for a member to be in proper contact with council services and to maintain contact with those they represent. Many councils in Wales are committed to 'paperless working' and without electronic access a member would be significantly limited in his or her ability to discharge their duties. It is not appropriate for facilities required by members to be available only within council offices within office hours.

3.21 The responsibility of each council through its Democratic Services Committee to provide support which should be based on an assessment of the needs of its members. When members' additional needs or matters of disability apply, or there are specific training requirements indicated, each authority will need to assess any particular requirements of individual members.

For co-opted members the support should be appropriate and proportionate,

Determination 6: The Panel has determined that each authority, through its Democratic Services Committee, must ensure that all its members are given as much support as is necessary to enable them to fulfil their duties effectively. All elected members should be provided with adequate telephone, email and internet facilities giving electronic access to appropriate information.

Determination 7: The Panel has determined that such support should be without cost to the individual member. Deductions must not be made from members' salaries by the respective authority as a contribution towards the cost of support which the authority has decided necessary for the effectiveness and or efficiency of members.

Specific or additional senior salaries

3.22 The Panel has allowed for greater flexibility through the provision for authorities to apply for specific or additional senior salaries that do not fall within the current remuneration framework, or which could not be accommodated within the maximum number of senior salaries relating to the authority. If the proposed addition is approved and results in the council exceeding its cap, this will be included in the approval (with exception of Merthyr Tydfil and the Isle of Anglesey Councils – see footnote 4). Some councils have raised the possibility of operating some senior salary posts on a “job share” arrangement. The Panel is supportive of this principle and the process is set out in Paragraph 3.24

Determination 8: The Panel has determined to include a provision for specific or additional senior salaries that do not fall within the current Remuneration Framework.

- 3.23 Guidance to local authorities on the application process was issued in April 2014 and incorporated the following principles:
- a. The total number of senior salaries cannot exceed fifty percent⁴ of the membership.
 - b. Applications will have to be approved by the authority as a whole (this cannot be delegated) prior to submission to the Panel.
 - c. There must be clear evidence that the post/posts have additional responsibility demonstrated by a description of the role, function and duration.
 - d. Each application will have to indicate the timing for a formal review of the role to be considered by the authority as a whole.

⁴ Local Government (Wales) Measure 2011 Section 142 (5) The proportion fixed by the Panel in accordance with subsection (4) may not exceed fifty percent unless the consent of the Welsh Ministers has been obtained.

3.24 **Job Sharing Arrangements**

For members of an executive: Each “sharer” will be paid 50% of the appropriate salary of the Population Group.

The statutory maximum for cabinets cannot be exceeded so both job sharers will count toward the maximum.

Under the Measure, it is the number of persons in receipt of a senior salary, not the number of senior salary posts that count towards the cap. Therefore, for all job share arrangements the senior salary cap will be increased subject to the statutory maximum of 50% of the council’s membership.

The Panel must be informed of the details of any job share arrangements,

The Panel’s determinations on Travel and Subsistence, Reimbursement of costs of care and Family Absence are now set out in separate sections of this Annual Report.

4. Joint Overview and Scrutiny Committees (JOSC)

- 4.1. Although to date no council has made use of these arrangements the Regulations are still in force. The Panel retains the arrangements for the remuneration of chairs of Joint Overview and Scrutiny Committees and Sub-committees⁵. The payments align with those of chairs of committees of principal councils set out in Section 3 (Level 2). In future they may be the basis for governance in respect of regional working.

The following determinations apply:

Determination 9: The chair of a Joint Overview and Scrutiny Committee is eligible for an additional payment of £6,700

Determination 10: In cases where the chair is already in receipt of a senior salary for a Band 3, 4 or 5 role the additional payment will be £3,350.

Determination 11: The chair of a sub committee of a JOSC is eligible for an additional payment of £1,675.

Determination 12: In cases where the chair of the sub committee is already in receipt of a senior salary for a Band 3, 4 or 5 role the additional payment will be £837.

Determination 13: Payments to chairs of task and finish sub committees are to be pro-rated to the duration of the task.

Determination 14: Payments made to a chair of a JOSC, or a chair of a sub committee of a JOSC, are additional to the maximum proportion of the authority's membership eligible for a senior salary. It should be noted that the statutory limit of no more than 50% of a council's membership receiving a senior salary applies (Section 142 (5) of the Measure).

Determination 15: A deputy chair of a JOSC or sub committee is not eligible for payment.

Determination 16: Co-optees to a JOSC or to a sub committee are not eligible for a co-opted member fee unless they are appointed by an authority under Section 144(5) of the Measure.

- 4.2. The remuneration of chairs of JOSCs (or a sub-committee of JOSCs) is not prescribed and is a matter for the constituent councils to decide whether such a post will be paid. However, if a senior salary is paid, it must be at the level set out in section 4 of this report.

5. Pension Provision for Elected Members of Principal Councils

- 5.1 The Local Government (Wales) Measure 2011 provides a power to the Panel to make determinations on pension entitlement for elected members of principal councils.

Determination 17: The entitlement to join the Local Government Pension Scheme (LGPS) shall apply to all eligible elected members of principal councils.

6. Entitlement to Family Absence

This section applies to elected members of principal authorities.

- 6.1 The Regulations relating to Family Absence for elected members of principal councils were approved by the National Assembly for Wales in November 2013⁶ and cover maternity, new born, adoption and parental absences from official business.
- 6.2. The Panel considered the implications for the remuneration of such members who are given absence under the terms of the Welsh Government Regulations and the Panel's determinations are set out below.

Determination 18: An elected member is entitled to retain a basic salary when taking family absence under the regulations irrespective of the attendance record immediately preceding the commencement of the family absence.

Determination 19: When a senior salary holder is eligible for family absence, he/she will continue to receive the salary for the duration of the absence.

Determination 20: It is a matter for the authority to decide whether or not to make a substitute appointment. The elected member substituting for a senior salary holder taking family absence will be eligible to be paid a senior salary, if the authority so decides.

Determination 21: If the paid substitution results in the authority exceeding the maximum number of senior salaries which relates to it, as set out in the Panel's Annual Report, an addition to the maximum will be allowed for the duration of the substitution. However, this will not apply to the Isle of Anglesey or Merthyr Tydfil Councils if it would result in the number of senior salaries exceeding fifty percent of the Council membership. Specific approval of Welsh Ministers is required in such circumstances.

Determination 22: When a Council agrees a paid substitution for family absence, the Panel must be informed, within 14 days of the date of the decision, of the details including the particular post and the duration of the substitution.

Determination 23: The Council's schedule of remuneration must be amended to reflect the implication of the family absence.

7. Payments to Members of National Park Authorities

Structure of National Park Authorities

- 7.1 The 3 National Parks in Wales - Brecon Beacons, Pembrokeshire Coast and Snowdonia were formed to protect spectacular landscapes and provide recreation opportunities for the public. The Environment Act 1995 led to the creation of the 3 corresponding National Park Authorities (NPAs). In managing the National Park, the Authority has 3 main purposes:
- to protect the natural beauty of the Park;
 - to help visitors enjoy and understand it; and
 - to foster the wellbeing of local people.
- 7.2 National Park Authorities have a committee of Members who are either elected members nominated by the Principal Councils within the National Park area or are members appointed by the Welsh Government through the Public Appointments Process. Welsh Government appointed and council nominated members are treated equally in relation to remuneration.
- 7.3 The structure of the Members' Committee at each of the 3 national parks is set out in Table 4.

Table 4: Membership of Welsh National Park Authorities

National Park Authority	Total Membership	Principal Council Members	Welsh Government appointed Members
Brecon Beacons	24	16: Blaenau Gwent County Borough Council – 1 Carmarthenshire County Council – 2 Merthyr Tydfil County Borough Council – 1 Monmouthshire County Council – 2 Powys County Council – 8 Rhondda Cynon Taf County Borough Council - 1 Torfaen County Borough Council - 1	8
Pembrokeshire Coast	18	12: Pembrokeshire County Council - 12	6
Snowdonia	18	12: Conwy County Borough Council – 3 Gwynedd County Borough Council – 9	6

- 7.4 In addition, Standards Committees of NPAs have Independent Co-opted members whose remuneration is included in the framework as set out in Section 9.

- 7.5 In considering remuneration of members of NPAs, the Panel has based its determinations on the following key points:
- NPAs manage their work via formal authority meetings, committees and task and finish groups. Each has a Development/Management/Planning Committee, and other committees include Performance and Resources and Audit and Scrutiny. Ordinary NPA members are members of at least one committee as well as being involved in site visits and inspection panels.
 - There is an expectation that members will participate in training and development.
 - The chair of an NPA has a leadership and influencing role in the authority, a representational role similar in some respects to that of a civic head and a high level of accountability. The chair is not only the leader of the authority but is also the public face of the particular national park and is the link with the Minister and AMs with whom they have regular meetings. The role requires a high level of commitment and time.

Basic and senior salaries

- 7.6 The Panel has previously determined that the role of ordinary members of an NPA should be aligned to the basic salary of a member of a principal council, and that the time commitment required is a notional 42 days per year. This remains the basis of the Panel's determinations.
- 7.7 Although public sector funding continues to be constrained the Panel considers that a modest increase in the basic salary is justified and has determined there shall be an increase of £200 (which equates to 1.49%) from 1 April 2018 in the level of basic salary for members of principal councils. This will help to limit further erosion of relative levels of remuneration in the basic salary paid in recognition of the duties expected of members.
- 7.8 Therefore, there is a corresponding increase of £50 (rounded) on the basic salary for members of NPAs from 1 April 2018.
- 7.9 The Panel has also previously determined that the remuneration of an NPA chair should be aligned to that part of a Band 3 Level 1 senior salary received by a committee chair of a principal council.
- 7.10 The Panel has provided local flexibility so that an NPA can decide at which of two levels the roles of deputy chair and up to 2 other committee chairs can be remunerated. An NPA may choose to pay its deputy chair and/or committee chairs a salary of either £7,375 or £6,075, commensurate with the significant and sustained duties to be discharged in a particular role.
- 7.11 During 2016, the Panel met with members and officers of the 3 NPAs. Feedback was received during the Panel's visits about the importance of

members' attendance at meetings and the impact non-attendance can have. The Panel is minded to consider this further during 2016/17.

Additional Senior Salaries

- 7.12 Feedback was also received during the Panel's visits to NPAs that its determination that up to two NPA Committee Chairs could receive a senior salary could be restrictive in the NPAs discharging their governance requirements.
- 7.13 The Panel allows principal councils greater flexibility to apply for specific or additional senior salaries that do not fall within the current Remuneration Framework. The Panel is extending this provision to NPAs as reflected in the following principles:
- a. Applications will have to be approved by the authority as a whole (this cannot be delegated) prior to submission to the Panel.
 - b. There must be clear evidence that the post/posts have additional responsibility demonstrated by a description of the role, function and duration.
 - c. Each application will have to indicate the timing for a formal review of the role to be considered by the authority as a whole.

7.14 The Panel has made the following determinations:

Determination 24: The basic salary for NPA ordinary members shall be £3,675

Determination 25: The senior salary of the chair of an NPA shall be £12,375

Determination 26: An NPA senior salary can be paid to a Deputy Chair and up to two committee chairs where there is significant and sustained responsibility. This can be paid at either of the following levels to be decided by the authority to reflect the appropriate responsibility: £6,075 or £7,375

Determination 27: The Panel has determined to include a provision for NPAs to apply for specific or additional senior salaries that do not fall within the current Remuneration Framework.

Determination 28: Members must not receive more than one NPA senior salary.

Determination 29: An NPA senior salary is paid inclusive of the NPA basic salary and must reflect significant and sustained responsibility

Determination 30: Members of a principal council in receipt of a Band 1 or Band 2 senior salary cannot receive a salary from any NPA to which they have been appointed.

The Panel's determinations on Travel and Subsistence, Reimbursements of Costs of Care and Family Absence are now set out in separate sections of this Annual Report.

8. Payments to Members of Welsh Fire and Rescue Authorities

Structure of Fire and Rescue Authorities

- 8.1 The 3 Fire and Rescue Services in Wales: Mid and West Wales, North Wales and South Wales and Fire and Rescue Authorities (FRAs) were formed as part of Local Government re-organisation in 1996.
- 8.2 FRAs comprise of elected Members who are nominated by the Principal Councils within the Fire and Rescue Service area.
- 8.3 The structure of the each of the 3 FRAs is set out in Table 5

Table 5: Membership of Fire and Rescue Authorities

Name of Fire and Rescue Authority	Number of Local Authority Members
Mid and West Wales	25: Carmarthenshire County Council – 5 Ceredigion County Council – 2 Neath Port Talbot County Borough Council – 4 Pembrokeshire County Council – 3 Powys County Council – 4 Swansea City and County Council - 7
North Wales	28: Conwy County Borough Council – 5 Denbighshire County Council – 4 Flintshire County Council – 6 Gwynedd Council – 5 Isle of Anglesey County Council – 3 Wrexham County Borough Council – 5
South Wales	24: Bridgend County Borough Council – 2 Blaenau Gwent County Borough Council – 1 Caerphilly County Borough Council – 3 Cardiff City Council – 5 Merthyr Tydfil County Borough Council – 1 Monmouthshire County Council – 2 Newport City Council - 2 Rhondda Cynon Taf County Borough Council - 4 Torfaen County Borough Council – 2 Vale of Glamorgan Council -2

- 8.4 In addition, Standards Committees of FRAs have independent co-opted members whose remuneration is included in the framework as set out in Section 9.

8.5 In considering remuneration of members of FRAs, the Panel has based its determinations on the following key points:

- The chair has a leadership and influencing role in the authority, and a high level of accountability especially when controversial issues relating to the emergency service arise. In addition to fire authority meetings, all FRAs have committees that include in different combinations: audit, performance management, scrutiny, human resources, resource management as well as task and finish groups and disciplinary panels. As well as attending formal meetings of the authority and committees, members are encouraged to take on a community engagement role, including visiting fire stations.
- There is a strong training ethos in FRAs. Members are expected to participate in training and development. Induction programmes are available as well as specialist training for appeals and disciplinary hearings.
- Training sessions often follow on from authority meetings to make the training accessible.

Basic and Senior Salaries

8.6 The Panel has previously determined that the remuneration of ordinary members of an FRA should be aligned to the basic salary of a member of a principal council and that the time commitment required is a notional 20 days per year. This remains the basis of the Panel's determinations.

8.7 Although public sector funding continues to be constrained the Panel considers that a modest increase in the basic annual salary of elected members is justified and has determined there shall be an increase of £200 (which equates to 1.49%) from the date of the authority's Annual General Meeting in the level of basic salary for members of principal councils. This will help to limit further erosion of relative levels of remuneration in the basic salary paid in recognition of the duties expected of members.

8.8 Therefore, there is a corresponding increase of £30 (rounded) on the basic salary for members of FRAs from the date of the authority's Annual General Meeting.

8.9 The Panel determined that the remuneration of an FRA chair should be aligned to that part of a Band 3 Level 1 senior salary received by a committee chair of a principal council.

8.10 The Panel determined that the remuneration of an FRA deputy chair where there is significant and sustained senior responsibility will be aligned with the Band 5 senior salary.

8.11 The Panel has determined that up to two FRA committee chairs where there is significant and sustained responsibility can be remunerated.

8.12 During 2016, the Panel met with members and officers of the 3 FRAs. Feedback was received about the importance of members' attendance at meetings and the impact non-attendance can have. The Panel is minded to consider this further during 2016/17.

Additional Senior Salaries

- 8.13 The Panel allows principal councils greater flexibility to apply for specific or additional senior salaries that do not fall within the current Remuneration Framework. The Panel is extending this provision to FRAs as reflected in the following principles
- a. Applications will have to be approved by the authority as a whole (this cannot be delegated) prior to submission to the Panel.
 - b. There must be clear evidence that the post/posts have additional responsibility demonstrated by a description of the role, function and duration.
 - c. Each application will have to indicate the timing for a formal review of the role to be considered by the authority as a whole.

Local Pension Boards

8.14 The Panel has considered requests from FRAs to allow them to pay salaries to chairs of local pension boards established under the Firefighters' Pension Scheme (Wales) Regulations 2015. Those Regulations already give FRAs the power to decide how local pension boards are to work and to pay the chair and members if they wish. Therefore it is not appropriate for the Panel to make a determination empowering FRAs to pay salaries to local pension board chairs. The senior salaries in Determination 33 or 34 cannot be used exclusively for this role.

8.15 The Panel has made the following determinations:

Determination 31: The basic salary for FRA ordinary members shall be £1,745
--

Determination 32: The senior salary of the chair of an FRA shall be £10,445
--

Determination 33: An FRA senior salary can be paid to the deputy chair and up to two chairs of committees where there is significant and sustained responsibility. This shall be paid at £5,445.

Determination 34: The Panel has determined to include a provision for FRAs to apply for specific or additional senior salaries that do not fall
--

within the current Remuneration Framework.
Determination 35: Members must not receive more than one FRA senior salary.
Determination 36: An FRA senior salary is paid inclusive of the FRA basic salary and must reflect significant and sustained responsibility
Determination 37: Members of a principal council in receipt of a Band 1 or Band 2 senior salary cannot receive a salary from any FRA to which they have been nominated.

The Panel's determinations on Travel and Subsistence, Reimbursement of Costs of Care and Family Absence are now set out in separate sections of this Annual Report.

9. Payments to co-opted Members of Principal Councils, National Park Authorities and Fire & Rescue Authorities⁷

- 9.1 The Panel has determined that a daily/half daily fee is appropriate remuneration for the important role undertaken by co-opted members of authorities with voting rights (this includes the co-opted member from a Town or Community council). The level of payments is equivalent to the current daily rates for chairs and members of the Welsh Government's Band 2 sponsored bodies. The Panel notes there has been no uplift in these payment levels across such bodies since 2010.
- 9.2 Principal councils, NPAs and FRAs can decide on the maximum number of days in any one year for which co-opted members may be paid.
- 9.3 The determinations are set out below:

Determination 38: Principal councils, NPAs and FRAs must pay the following fees to co-opted members (Table 6) (who have voting rights).

Table 6: Fees for co-opted members (with voting rights)

Chairs of standards, and audit committees	£256 (4 hours and over) £128 (up to 4 hours)
Ordinary members of standards committees who also chair standards committees for community and town councils	£226 daily fee (4 hours and over) £113 (up to 4 hours)
Ordinary members of standards committees; education scrutiny committee; crime and disorder scrutiny committee and audit committee	£198 (4 hours and over) £99 (up to 4 hours)
Community and town councillors sitting on principal council committees	£198 (4 hours and over) £99 (up to 4 hours)

Determination 39: Reasonable time for pre meeting preparation is eligible to be included in claims made by co-opted members the extent of which can be determined by the appropriate officer in advance of the meeting.

Determination 40: Travelling time to and from the place of the meeting can be included in the claims for payments made by co-opted members (up to the maximum of the daily rate).

Determination 41: The appropriate officer within the authority can determine

⁷ This section does not apply to co-opted members of community and town councils.

in advance whether a meeting is programmed for a full day and the fee will be paid on the basis of this determination even if the meeting finishes before four hours has elapsed.

Determination 42: Meetings eligible for the payment of fees include other committees and working groups (including task and finish groups), pre-meetings with officers, training and attendance at conferences or any other formal meeting to which co-opted members are requested to attend.

The Panel's determinations on Travel and Subsistence, Reimbursement of costs of care and Family Absence are now set out in separate sections of this Annual Report.

10. Reimbursement of Costs of Care

- 10.1. This section applies to members of principal councils, National Park Authorities, Fire and Rescue Authorities and to co-opted members of these authorities. A similar, but permissive, provision for Community and Town Councils is given in section 13
- 10.2. The purpose of this section is to enable people who have personal support needs and or caring responsibilities to carry out their duties effectively as a member of an authority. The Panel believes that the additional costs of care required to carry out approved duties should not deter people from becoming and remaining a member of an authority or limit their ability to carry out the role.
- 10.3 The Panel recognises the issues relating to the publication of this legitimate expense. This is reflected in the options for publication as set out in Annex 4. To support current members and to encourage diversity the Panel urges authorities to promote and encourage greater take-up of the reimbursement of Costs of Care

Determination 43: All authorities must provide for the reimbursement of necessary costs for the care of dependent children and adults (provided by informal or formal carers) and for personal assistance needs up to a maximum of £403 per month. Reimbursement must be for the additional costs incurred by members in order for them to carry out their approved duties. Reimbursement shall only be made on production of receipts from the carer.

11. Sickness Absence for Senior Salary Holders

- 11.1. The Family Absence Regulations (approved by the National Assembly in 2014) are very specific relating to entitlement and only available for elected members of principal councils. Absence for reasons of ill-health is not included.
- 11.2. Instances have been raised with the Panel of senior salary holders on long term sickness and the perceived unfairness in comparison with the arrangements for family absence. In consequence, councils are faced with the dilemma of:
- Operating without the individual member but still paying him/her the senior salary.
 - Replacing the member who therefore loses the senior salary (but retains the basic salary).
- 11.3. The Panel has considered this and is amending the Framework to provide specific arrangements for long term sickness as set out below:
- a) Long term sickness is defined as certified absences in excess of 4 weeks.
 - b) The maximum length of sickness absence within these proposals is 26 weeks or until the individual's term of office ends, whichever is sooner (but if reappointed any remaining balance of the 26 weeks will be included).
 - c) Within these parameters a senior salary holder on long term sickness can, if the authority decides continue to receive remuneration for the post held.
 - d) It is a decision of the authority whether to make a substitute appointment but the substitute will be eligible to be paid the senior salary appropriate to the post.
 - e) If the paid substitution results in the authority exceeding the maximum number of senior salaries payable for that authority as set out in the Annual Report, an addition will be allowed for the duration of the substitution. (However this would not apply to Merthyr Tydfil or the Isle of Anglesey councils if it would result in more than 50% of the membership receiving a senior salary. It would also not apply in respect of a council executive member if it would result in the cabinet exceeding 10 posts - the statutory maximum).
 - f) When an authority agrees a paid substitution the Panel must be informed within 14 days of the decision of the details including the specific post and the estimated length of the substitution. The authority's Schedule of Remuneration must be amended accordingly.
 - g) It does not apply to elected members of principal councils who are not senior post holders as they continue to receive basic salary for at least

six months irrespective of attendance and any extension beyond this timescale is a matter for the authority.

- 11.4. This arrangement applies to members of principal councils, National Park Authorities and Fire and Rescue Authorities who are senior salary holders, including Welsh Government appointed members, but does not apply to co-opted members.

Note:

The Family Absence Regulations apply to elected members in cases of maternity, new born, adoption and parental absences from official business. They do not apply to Welsh Government appointed members.

12. Reimbursement of Travel and Subsistence Costs when on Official Business

- 12.1. This section applies to members of principal authorities, National Park Authorities, Fire and Rescue Authorities and to co-opted members of these authorities. (Similar provision for Community and Town Councils is contained in section 13 as there is a different approach to such members, principally that the provision is permissive.)
- 12.2. Members may claim reimbursement for travel and subsistence (meals and accommodation) costs where these have arisen as a result of undertaking official duties. Expenses reimbursed to members by their local authority are exempt from Income Tax and employee NICs.
- 12.3. The Panel is aware that in some instances members with disabilities have been reluctant to claim legitimate travel expenses because of an adverse response following the publication of their travel costs. As an alternative, travel arrangements could be made directly by the authority in such circumstances.
- 12.4. The Panel has determined that there will be no change to mileage rates which members are entitled to claim. All authorities may only reimburse travel costs for their members undertaking official business within and/or outside the authority's boundaries at the current HM Revenue and Customs (HMRC) rates which are:

Reimbursement of mileage costs

45p per mile	Up to 10,000 miles in a year by car
25p per mile	Over 10,000 miles in a year by car
5p per mile	Per passenger carried on authority business
24p per mile	Motor cycles
20p per mile	Bicycles

- 12.5. Where a member who is on official business is driven by a third party (not a member or officer of that authority), the member can claim mileage at the prescribed rates plus any parking or toll fees provided the authority is satisfied that the member has incurred these costs.

Reimbursement of other travel costs

- 12.6. All other claims for travel must only be reimbursed on production of receipts showing the actual cost and will be subject to any requirement or further limitation that an authority may determine. Members should always be mindful of choosing the most cost effective method of travel.

Reimbursement of subsistence costs

£28 per day	Day allowance for meals, including breakfast, where not provided in the overnight charge
£200 per night	London
£95 per night	Elsewhere
£30 per night	Staying with friends and/or family

- 12.7. These rates are in line with Welsh Government rates. Recommended practice is that overnight accommodation should usually be reserved and paid for on behalf of members by the relevant authority, in which case an authority may set its own reasonable limits and the limits which apply when an individual member claims in arrears for overnight accommodation costs do not then apply.
- 12.8. All authorities must continue to reimburse subsistence expenses for their members up to the maximum rates set out above on the basis of receipted claims except for occasions when members stay with friends and/or family.
- 12.9. There may be instances where an authority has determined that travel costs within its boundaries are payable and require a journey to be repeated on consecutive days. Where it is reasonable and cost effective to reimburse overnight accommodation costs, instead of repeated daily mileage costs, then it is permissible to do so.
- 12.10. It is not necessary to allocate the maximum daily rate (£28 per day) between different meals as the maximum daily rate reimbursable covers a 24 hour period and can be claimed for any meal if relevant, provided such a claim is accompanied by receipts.

13. Payments to Members of Community and Town Councils

- 13.1. The Panel has had responsibility for the remuneration of community and town councils since the Measure of 2011 and its first determinations for such members came into effect in the financial year 2013/2014. Subsequent Annual Reports have developed ideas for remuneration of community and town councillors, allowing flexibility to meet appropriate responsibilities.
- 13.2. The Panel recognises a wide variation in geography, scope and scale across 735 community and town councils in Wales, from small community councils with relatively minimal expenditure and few meetings to large town councils with significant assets and responsibilities.
- 13.3 Since producing its last report, the Panel met with 104 Councillors and Clerks representing 68 Community and Town Councils in 4 meetings it held across Wales. The discussions confirmed the widely held view that the roles individual councils undertake vary significantly. Subsequent research the Panel undertook into councils' income and expenditure and councillor to population ratios further supported the wide variation.
- 13.4 The Panel is of the view that in accordance with this wide variation, the responsibilities and accountabilities of councillors must also vary. Councillors managing income or expenditure of £1m and those delivering significant services, including some that might have been delegated from principal councils, are operating in a much more complex environment than a council with an annual budget of £10,000.
- 13.5 Therefore the Panel is proposing to form groups of Community and Town Councils to reflect these differences. The Panel examined a range of measures the Panel could use as the basis for any groupings and it considers that 4 groups based on the level of income *or* expenditure, whichever is the highest, in the previous financial year, is most appropriate. Using income *or* expenditure figures better reflects the activity levels of a council than population ratios which the Panel found did not correlate to income or expenditure. It is also easy for councils to understand which group they belong to.

Table 7 Community and Town Council Groupings

Community and Town Council Group	Income <i>or</i> Expenditure of:
A	£200,000 and above
B	£60,000 - £199,999
C	£10,000 - £59,999
D	Below £9,999

- 13.6. The Panel is of the view that Community and Town Councillors are not volunteers because further to the democratic process they have accepted formal responsibilities and they all face some degree of liability, in respect of the Council functions they are running. Also, the Panel wants any member who has personal support needs and or caring responsibilities to be able to fulfil their role. To reflect this, the Panel is mandating payment of a contribution to costs and expenses, and reimbursement of the costs of care, for all members of Community and Town Councils as set out in Determinations 44 and 51.
- 13.7 The Panel is also of the view that Councils in Group A are likely to have a greater number of committees, reflecting its level of activity; and therefore is additionally mandating the payment for senior roles as set out in Determination 45. Where not mandated, each determination requires a formal decision by each of these community or town councils' annually. A Council can adopt any or all of the non-mandated determinations but if it does make such a decision, it must apply to all its members.
- 13.8 In all cases, any individual member may make a personal decision to elect to forgo part or all of the entitlement to any of these payments by giving notice in writing to the proper officer of the council.
- 13.9 Members in receipt of a Band 1 or Band 2 senior salary from a principal council cannot receive payment for a senior role from any Community or Town Council.

Payments towards costs and expenses

- 13.10. In order to compensate members of community and town councils for expenses and costs involved in carrying out their duties, the Panel has determined that councils must make a payment to each member.

Determination 44: Community and town councils must make a payment to each of their members of £150 per year for costs incurred in respect of telephone usage, information technology, consumables etc.

Senior roles

- 13.11 The Panel recognises that specific member roles especially within the larger community and town councils, for example a committee chair, will involve greater responsibility. It is also likely that the larger councils will have a greater number of committees, reflecting its level of activity. The Panel has therefore determined that councils in Group A must make a payment for a minimum of one senior role and a maximum of five senior roles. Councils in Groups B, C and D are authorised to pay up to five responsibility payments for specified roles.

Determination 45: Community and town councils in Group A must make an annual payment of £500 each to a minimum of 1 and a maximum of 5 members in recognition of specific responsibilities. This is in addition to the £150 payment for costs and expenses.

Determination 46: Community and town councils in Groups B, C or D are authorised to make an annual payment of £500 each to up to 5 members in recognition of specific responsibilities. This is in addition to the £150 payment for costs and expenses if that is made.

Reimbursement of travel costs and subsistence costs

13.12. The Panel recognises that there can be significant travel and subsistence costs associated with the work of community and town council members, especially where the council area is geographically large and/or when engaging in duties outside this area.

Determination 47: Community and town councils are authorised to make payments to each of their members in respect of travel costs for attending approved duties.⁸ Such payments must be the actual costs of travel by public transport or the HMRC mileage allowances as below:

- **45p per mile up to 10,000 miles in the year.**
- **25p per mile over 10,000 miles.**
- **5p per mile per passenger carried on authority business.**
- **24p per mile for private motor cycles.**
- **20p per mile for bicycles.**

Determination 48: If a community or town council resolves that a particular duty requires an overnight stay, it may authorise reimbursement of subsistence expenses to its members at the maximum rates set out below on the basis of receipted claims:

- **£28 per 24-hour period allowance for meals, including breakfast where not provided.**
- **£200 – London overnight.**
- **£95 – elsewhere overnight.**

⁸ Where a member who is on official business is driven by a third party (not a member or officer of that authority), the member can claim mileage at the prescribed rates plus any parking or toll fees provided the authority is satisfied that the member has incurred these costs.

- **£30 – staying with friends and/or family overnight.**

Compensation for financial loss

13.13 The Panel has retained the facility which councils may pay as compensation to their members where they suffer financial loss when attending approved duties.

Determination 49: Community and town councils are authorised to pay financial loss compensation to each of their members, where such loss has actually occurred, for attending approved duties as follows:

- **Up to £34.00 for each period not exceeding 4 hours:**
- **Up to £68.00 for each period exceeding 4 hours but not exceeding 24 hours.**

Reimbursement of the costs of care

13.14 The purpose of this is to enable people who have personal support needs and or caring responsibilities to carry out their duties effectively as a member of an authority. The Panel believes that the additional costs of care required to carry out approved duties should not deter people from becoming and remaining a member of an authority or limit their ability to carry out the role.

13.15 The Panel recognises the issues relating to the publication of this legitimate expense. This is reflected in the options for publication as set out in Annex 4. To support current members and to encourage diversity the Panel urges authorities to promote and encourage greater take-up of the reimbursement of Costs of Care.

Determination 50: Community and town councils must provide for the reimbursement of necessary costs for the care of dependent children and adults (provided by informal or formal carers) and for personal assistance needs up to a maximum of £403 per month. Reimbursement must be for the additional costs incurred by members in order for them to carry out their approved duties. Reimbursement shall only be made on production of receipts from the carer.

Civic Head / Deputy Civic Head Payment

- 13.16. Recognising that some mayors and chairs of community and town councils and their deputies are very active during their year of office, the Panel has determined that community and town councils should be authorised to make a payment for these roles. In its previous annual reports the Panel did not determine a maximum level of payment to mayors/chairs and their deputies.
- 13.17 The Panel's consultation meetings this year, confirmed that the majority of community and town councils make no or very modest payments to their civic leaders and that some of them are reporting the budget allocated for civic functions and civic expenditure rather than the amount paid as personal senior salary to the individual.
- 13.18 The Panel is concerned only with the amount paid to the mayors/chairs as a salary or honorarium, to be used or retained at their discretion. The Panel has determined that the maximum amount to be paid to a chair/mayor of a community or town council in this way shall be £1,500. The maximum amount to be paid to a deputy mayor/chair in this way shall be £500.

Determination 51: Community and town councils are authorised to provide a Civic Head payment to the mayor/chair of the council up to a maximum of £1,500 to undertake the functions of that office. This is in addition to the £150 payment for costs and expenses if that is made.

Determination 52: Community and town councils are authorised to provide a Deputy Civic Head payment to the deputy mayor/deputy chair of the council up to a maximum amount of £500 to undertake the functions of that office. This is in addition to the £150 payment for costs and expenses if that is made.

Publicity requirements

- 13.19. There is a requirement on community and town councils to publish details of all payments made to individual members in an annual Statement of Payments. This information must be published on council noticeboards and/or websites (with easy access) and provided to the Panel by email or by post no later than 30 September following the end of the year to which the payments relate. The Panel draws attention to the requirements stipulated at Annex 4. The Panel is concerned that a significant number of councils are in breach of this requirement.

14. Compliance with Panel Requirements

The Panel's remit under the Measure

- 14.1 Section 153 of the Measure empowers the Panel to require a relevant authority⁹ to comply with the requirements imposed on it by an Annual Report of the Panel and further enables the Panel to monitor the compliance of relevant authorities with the Panel's determinations.
- 14.2 A relevant authority must implement the Panel's determinations in this report from the date of its annual meeting or a date specified within the Annual Report.

Monitoring compliance

- 14.3 The Panel will monitor the compliance with the determinations in this Annual Report by relevant authorities against the following requirements:
- (i) A relevant authority must maintain an annual **Schedule of Member Remuneration** (IRPW Regulations 4 and 5). Guidance at Annex 3 sets out the content which must be included in the Schedule.
 - (ii) A relevant authority must make arrangements for the Schedule's publication within the authority area (IRPW Regulation 46) and send the Schedule to the Panel as soon as practicable as and not later than 31 July in the year to which it applies. Annex 4 provides further details of the publicity requirements.
 - (iii) Any amendments to the Schedule made during the year must be conveyed to the Panel as soon as possible after the amendment is made.

Note: The above requirements do not apply to community and town councils at this time. The following applies to all authorities including community and town councils.

- (iv) A relevant authority must make arrangements for publication within the authority area of the total sum paid by it to each member and co-opted member in respect of salary (basic, senior and civic), allowances, fees and reimbursements in a Statement of Payments (in accordance with Annex 4 that sets out the content that must be included in the Publicity Requirements) as soon as practicable and no later than 30 September following the close of the year to which it relates. It must be submitted to the Panel no later than that date.

⁹ Interpretation of "Relevant Authority" provided in the Independent Remuneration Panel for Wales (IRPW) Regulations, Part 1, 'Interpretation'.

15. Salaries of Heads of Paid Service of Principal Councils and Fire and Rescue Authorities and Chief Officers of Principal Councils

- 15.1 Section 63 of the Local Government (Democracy) (Wales) Act 2013 amended the Local Government (Wales) Measure 2011 by inserting section 143A. This enables the Panel to take a view on anything in the Pay Policy Statements of these authorities that relates to the salary of the head of paid service (normally the chief executive or chief fire officer). Section 39 of the Local Government (Wales) Act 2015 further amended the Measure extending this function to include Chief Officers of Principal Councils.
- 15.2 The Welsh Government has issued amended guidance to the Panel which can be found at <http://gov.wales/docs/ds/jlg/publications/localgov/160212-irp-guide-salaries-en-v2.pdf>. This sets the basis on which the Panel will carry out the function contained in the legislation.
- 15.3 In essence the functions of the Panel and the requirements on authorities established by the legislation and the subsequent guidance are:
- a) If a principal council intends to change the salary of the head of paid service or chief officer, or if a fire and rescue authority intends to change the salary of its head of paid service it must consult the Panel unless the change is in keeping with changes applied to other officers of that authority (whether the change is an increase or decrease). 'Salary' includes payments under a contract for services as well as payments of salary under an employment contract.
 - b) The authority must have regard to the recommendation(s) of the Panel when reaching its decision.
 - c) The Panel may seek any information that it considers necessary to reach a conclusion and produce a recommendation. The authority is obliged to provide the information sought by the Panel.
 - d) The Panel may publish any recommendation that it makes. It is the intention that, in the interests of transparency, it will normally do so.
 - e) The Panel's recommendation(s) could indicate:
 - approval of the authority's proposal
 - express concerns about the proposal
 - recommend variations to the proposal
- as long as these comply with any guidance issued by the Welsh Government.
- 15.4 The Panel also has a general power to review the Pay Policy Statements of authorities so far as they relate to the heads of paid service (and chief officers

until 2020).

- 15.5 It is important to note that the Panel will not decide the amount that an individual head of paid service will receive.
- 15.6 The Panel is very aware that this additional function is significantly different from its statutory responsibilities in relation to members' remuneration. However, it will ensure that it undertakes this role with clarity and openness, taking into account all the relevant factors in respect of specific individual cases. Authorities are encouraged to consult the Panel at an early stage in their decision making on such matters. This will enable the Panel to respond in a timely manner.

Pay Policy Statements

- 15.7 Paragraph 3.7 of the guidance to the Panel from the Welsh Government states that "The legislation does not restrict the Panel to a reactive role" It allows the Panel to use its power to make recommendations relating to provisions within local authorities Pay Policy Statements. The Panel has considered this in the context of its resources and has decided that these limit the time that could be applied to this open power. So it will examine changes from year to year of the salaries of Chief Executives and Chief Officers to ensure that these comply with the requirements of the legislation.

In respect of the function of the Panel related to the salaries of chief officers the remit and guidance from the Welsh Government allows the Panel to:

- a) Approve the proposals
- b) Express concerns about the proposals
- c) Recommend a variation to the proposals

Having examined the submission from your authority it is the decision of the Panel to approve the proposal for a reduction to the salary of your Director of Social Services as submitted.

Dear Mr Jarman,

Honorarium Payment to the Head of Children and Young People's Services

Your letter dated 15 February 2017, accompanying documentation and explanatory email was considered by the Independent Remuneration Panel for Wales at their meeting on 22 February. All members of the Panel were present and therefore the meeting was quorate. One member of the Panel declared a conflict of interest and took no part in the discussion.

The Panel considered whether an honorarium paid to a chief officer fell within the Panel's remit. It consulted the *Amended Guidance to the Independent Remuneration Panel for Wales under Section 43A of the Local Government (Wales) Measure 2011 and Section 39 of the Local Government (Wales) Act 2015*, issued by the Welsh Government. The guidance does not define salary, so the Panel applied the ordinary meaning of the word, namely remuneration in return for services under a contract of employment. The Panel is satisfied that its remit covers all such payments, including those termed honoraria, temporary promotion allowances, bonuses or any other term which distinguishes them from the basic salary. The Panel also considered the Honorarium Policy of Neath Port Talbot council and note that it excludes chief officers. The Panel concluded that making an additional payment to a chief officer in recognition of his or her additional duties is an alteration to the salary that does fall within the Panel's remit.

Given that the initial addition to the salary was effective from March 2016 it is clear therefore that Neath Port Talbot council were in breach of their duty under the legislation to consult the Panel.

In respect of the function of the Panel related to the salaries of chief officers the remit and guidance from the Welsh Government allows the Panel to:

- a) Approve the proposal
- b) Express concerns about the proposal
- c) Recommend a variation to the proposal

Having examined the submission from your authority in respect of the continuation of the additional payment, it is the decision of the Panel to approve the proposal as submitted. The Panel however is concerned that the council's failure to consult the Panel is an indication that the council has not been as transparent as it might have been in deciding to alter the salary of this particular chief officer. Your letter is clear that this honorarium payment will cease on the 31st August 2017, either because of the appointment of a Head of Adult Services or because of the introduction of a new management structure. If a new management structure is introduced and results in changes to the salaries (including additions/honoraria) of chief officers of the council the Panel expects that it will be consulted in a timely manner and full disclosure of the justification for the changes will be provided.

Yours sincerely

20.	It is a matter for the authority to decide whether or not to make a substitute appointment. The elected member substituting for a senior salary holder taking family absence will be eligible to be paid a senior salary, if the authority so decides.

Amendment to the Schedule

5. An authority may amend the Schedule at any time during the year (as relating to the authority) provided that such amendments accord with the Panel’s determinations for that year.

6. An authority must provide for the payment of a basic salary, as determined by the Panel in its Annual or Supplementary Reports, to each of its members. The amount of the salary must be the same for each member. For principal councils only, this salary remains payable during a period of family absence.
7. A member may not receive more than one basic salary from a relevant authority, but a member of one relevant authority may receive a further basic salary by being appointed as a member of another relevant authority (except in the case as indicated in paragraph 16).

10. Where a member is suspended or partially suspended from being a member of an authority (Part 3 of the 2000 Act refers) the part of the basic salary payable to that member in respect of the responsibilities or duties from which that member is suspended or partially suspended must be withheld by the authority (Section 155(1) of the Measure).

Senior salary

11. Subject to paragraphs 12 to 18 an authority can make payments of a senior salary to members that it has given specific responsibilities. Such payments must accord with the Panel's determination for the year (as relating to the authority) that the payments are made and must be set out in the Schedule of that authority. For principal councils only, a senior salary will remain payable during the family absence of the office holder.
12. The Panel will prescribe in its Annual or Supplementary Reports the following:
 - The categories of members eligible for the payment of a senior salary which may not be the same for all authorities or categories of authorities.

13. The amount of the senior salaries payable will be in accordance with section 142(3) of the Measure and specify:
 - The amount that a relevant authority must pay to a member of the authority.
 - The maximum amount that a relevant authority may pay to a member of the authority.
14. The Senior Salary will comprise an amalgam of the basic salary and an additional amount for the relevant specific responsibility determined by the Panel in its Annual or Supplementary Reports. This may not be the same for all authorities or categories of authorities.
15. The Panel in its Annual or Supplementary Reports will determine either the maximum proportion of its membership or the total number of members that an authority can pay as senior salaries. The percentage may not exceed fifty percent without the express approval of Welsh Ministers (Section 142(5) of the Measure). For principal councils only, the maximum proportion or number may be exceeded to include payment of a senior salary to an additional member who is appointed to provide temporary cover for the family absence of a senior salary office holder (subject to the 50% limit).
- 15(a). For principal councils, Fire and Rescue Authorities and National Park Authorities the maximum proportion or number may be exceeded to include the payment of a senior salary to an additional member who is appointed to provide temporary cover for the sickness absence of a senior salary holder as determined in the Annual Report or a Supplementary Report.
- 15(b). Payments to chairs of Joint Overview and Scrutiny Committees or Sub Committees are additional to the maximum proportion of its membership that an authority can pay as senior salaries subject to the overall maximum of fifty percent as contained in Section 142(5) of the Measure. The Panel will determine the amounts of such payments in an Annual or Supplementary Report.
16. An authority must not pay more than one senior salary to any member. A principal council member in receipt of a senior salary as leader or executive member of a local authority (determined as full-time by the Panel) may not receive a second salary as a member appointed to serve on a national park authority or a Welsh fire and rescue authority.
- 16(a). Paragraph 16 does not apply to payments made to a chair of a Joint Overview and Scrutiny Committee or Sub Committee who is in receipt of a senior salary for a role that is not classified as full time equivalent. It continues to apply to leaders or members of the executive.
17. Where a member does not have, throughout the year specific responsibilities that allow entitlement to a senior salary, that member's payment is to be such proportion of the salary as the number of days during which that member has such special responsibility bears to the number of days in that year.

18. Where a member is suspended or partially suspended from being a member of the authority (Part 3 of the 2000 Act refers) the authority must not make payments of the member's senior salary for the duration of the suspension (Section 155(1) of the Measure). If the partial suspension relates only to the specific responsibility element of the payment, the member may retain the basic salary.

Co-opted member payment

19. A relevant authority must provide for the payment of a fee to a co-opted member as determined by the Panel in its Annual or Supplementary Reports. In relation to this regulation 'co-opted member' means a member as determined in Section 144(5) of the Measure and set out in paragraph 2 of these Regulations.
20. Where a co-opted member is suspended or partially suspended from an authority (Part 3 of the 2000 Act refers) the authority must not make payment of a co-opted member fee for the duration of the suspension (Section 155(1) of the Measure).

Allowances

Costs of Care

21. Authorities must provide for the payment to members and co-opted members of an authority the reimbursement in respect of such expenses of arranging the care of children or dependants or for the individual member as are necessarily incurred in carrying out official business as a member or co-opted member of that authority. Payments under this paragraph must not be made:
- In respect of any child over the age of fifteen years or dependant unless the member/co-opted member satisfies the authority that the child or dependant required supervision which has caused the member to incur expenses that were necessary in respect of the care of that child or dependant in the carrying out of the duties of a member or co-opted member.
 - To more than one member/co-opted member of the authority in relation to the care of the same child or dependant.
 - Of more than one reimbursement for care to a member or co-opted member of the authority who is unable to demonstrate to the satisfaction of the authority that the member/co-opted member has to make separate arrangements for the care of different children or dependants.
22. The maximum amount of the cost of care payable by an authority is to be determined by the Panel in its Annual or Supplementary Reports.
23. Where a member/co-opted member is suspended or partially suspended from being a member or co-opted member of the authority (Part 3 of the 2000 Act

refers) the part of the reimbursement of the cost of care payable to that member/co-opted member in receipt of the responsibilities or duties from which that member/co-opted member is suspended or partially suspended must be withheld by the authority (Section 155(1) of the Measure).

24. An authority's Schedule must stipulate the maximum amount of the reimbursement of costs of care payable each month and its arrangements for making claims, taking full account of the Panel's determinations in this respect.

Travel and subsistence allowances

25. Subject to paragraphs 26 and 27 below a member or co-opted member is entitled to receive payments from the authority by way of travelling and subsistence allowances at rates determined by the Panel in its Annual or Supplementary Reports. Such allowances are in respect of expenditure incurred by a member or co-opted member in the performance of the official business of the authority.

(Paragraphs 26 & 27 apply only to principal councils)

26. Payment of a subsistence allowance to a local authority member for the performance of official business within the boundaries of a county or county borough where s/he is a member should only be made when the authority is satisfied that it can be justified on economic grounds. This does not apply in respect of co-opted members of a local authority who live outside that authority.
27. A local authority may make provision, subject to any limitations it thinks fit, for members to claim mileage expenses for official business in connection with constituency or ward responsibilities where they arise out of the discharge of the functions of the county or county borough.
28. Where a member or co-opted member is suspended or partially suspended from being a member or co-opted member of the authority (Part 3 of the 2000 Act refers), travelling and subsistence allowances payable to that member/co-opted member in respect of the responsibilities or duties from which that member is suspended or partially suspended must be withheld by the authority (Section 155(1) of the Measure).

- Make different decisions for different principal councils.

Allowances to support the function of a local authority member

30. A local authority must provide for the requirements of a member to undertake their role and responsibilities more effectively. The way in which this support should be provided is determined by the Panel in its Annual or Supplementary Reports.

Payment of expenses for official and courtesy visits

31. The arrangements contained in Section 176 of the Local Government Act 1972 will continue to apply but no payment may be made to a person under that arrangement when a payment has been made to that person pursuant to any payment made under these Regulations.

Arrangements in relation to family absence

- ceases to be a member or co-opted member of the authority.
- or in any way is not entitled to receive a salary, allowance or fee in respect of that period.

Forgoing salaries, allowances or fees

34. Under Section 154 of the Measure, any member or co-opted member may by notice in writing to the proper officer of the authority elect to forgo any part of their entitlement to a salary, allowance or fee under the determination of the Panel for that particular year (as relating to the authority).

Part 5: Specific provisions relating to community and town councils (“the council”)

Interpretation

- g) The council if it so determines reimburse the costs of care to a member as stipulated in the Annual Report of the Panel.
37. A member may elect to forgo any part of an entitlement to an allowance under these Regulations by giving notice in writing to the proper officer of the council.
38. A member making a claim for compensation for Financial Loss must sign a statement that the member has not made and will not make any other claim in respect of the matter to which the claim relates.
39. "Approved Duty" under this Part means
- i. Attendance at a meeting of the council or of any committee or sub-committee of the council or of any other body to which the council makes appointments or nominations or of any committee or sub-committee of such a body.
 - ii. Attendance at any other meeting the holding of which is authorised by the council or a committee or sub-committee of the council, or a joint committee of the council and one or more councils, or a sub-committee of such a joint committee provided that at least two members of the council have been invited and where the council is divided into political groupings at least two such groups have been invited.

Part 6: Miscellaneous

Arrangements for payments

40. The Schedule of an authority must set out the arrangements for the payment of salaries, allowances and fees to all members and co-opted members of that authority. Such payments may be made at such times and at such intervals as determined by the authority.

Claims

41. An authority must specify a time limit from the date on which an entitlement to travelling or subsistence allowance arises during which a claim for those allowances must be made by the person to whom they are payable. However, this does not prevent an authority from making a payment where the allowance is not claimed within the period specified.

42. Any claim for payment of travelling or subsistence allowance in accordance with these Regulations (excluding claims for travel by private motor vehicle) shall be accompanied by appropriate receipts proving actual expenses.

Avoidance of duplication

43. A claim for a payment of travelling allowance or subsistence allowance must include, or be accompanied by, a statement signed by the member or co-opted member that the member/co-opted member has not made and will not make any other claim in respect of the matter to which the claim relates.

Records of salaries, allowances and fees

44. An authority must keep a record of the payments made in accordance with these Regulations. Such record must:
- Specify the name of the recipient and the amount and nature of each payment.
 - Be available, at all reasonable times, for inspection (without charge) by any local government elector (within the meaning of section 270(1) of the 1972 Act) for the area of the authority.
 - Allow a person who is entitled to inspect the record to make a copy of any part of it upon payment of such reasonable fee as the authority may require.

Publicity requirements

(The required content of publicity requirements is contained in an annex to the Annual Report)

45. An authority must, as soon as practicable after determining its Schedule of Remuneration for the year under these Regulations and any Report of the Panel and not later than 31 July of the year to which the Schedule refers, make arrangements for the Schedule's publication within the authority's area. **(This section does not apply to community and town councils).**
46. As soon as practicable and no later than 30 September following the end of a year an authority must make arrangements for the publication within the authority's area, the total sum paid by it to each member/co-opted member in respect of basic salary, senior salary, co-opted member fee, reimbursement of costs of care, travel and subsistence allowances. **(This section applies to all relevant authorities).**
47. In the same timescale and in the same manner, a local authority must make arrangements for the publication of any further remuneration received by a member nominated or appointed to another relevant authority. **(This section applies only to principal councils).**

Publicising the reports of the Panel

48. Under Section 146(7) (a) and (b) of the Measure, the Panel will send a consultation draft of its Annual Report or Supplementary Report to all relevant authorities for circulation to authority members and co-opted members, so that representations can be made by members/co-opted members to the Panel, normally in a period of eight weeks.
49. The Panel will determine in its Annual or Supplementary Reports the arrangements publicising its Reports in accordance with Section 151 and 152 of the Measure.

Monitoring compliance with the Panel's determinations

50. Section 153 of the Measure determines that relevant authorities must comply with the requirements imposed by the Panel in its Annual Reports. It also empowers the Panel to monitor the payments made by relevant authorities and for it to require the provision of information that it specifies. The requirements under this section will be set out in the Annual Report of the Panel.

Annex 3: Schedule of member remuneration

1. Principal councils, national park authorities (NPAs) and Welsh fire and rescue authorities (FRAs) (but not community and town councils) must maintain an annual Schedule of Member Remuneration (the 'Schedule') which is in accord with the Panel's determinations on member salary and co-opted member payments and which must contain the following information:

In respect of a principal council:

- a. Named members who are to receive only the basic salary and the amount to be paid.
- b. Named members who are to receive a Band 1 and Band 2 senior salary, the office and portfolio held and the amount to be paid.

 - d. Named members who are to receive the co-opted member fee and whether a chair or ordinary member and the amounts to be paid.
2. Amendments made to the Schedule during the municipal year must be communicated to the Panel as soon as it is practicable.
 3. Principal councils must confirm in their annual Schedule that the maximum limit of senior salaries set for the council has not been exceeded.

4. Principal councils, NPAs and FRAs must include a statement of allowable expenses and the duties for which they may be claimed for care, travel and subsistence in their annual Schedule which is in accord with the Panel's determinations.
5. The Schedule must set out the arrangements for the payment of salaries, allowances and fees to all members and co-opted members of the relevant authority (IRPW Regulation 35); arrangements for making claims for care, travel and subsistence expenses (IRPW Regulations 24 and 36-37); arrangements for the avoidance of duplication (IRPW Regulation 38) and arrangements for re-payment of salaries, allowances and fees (IRPW Regulation 33). This schedule must also include the duties for which members and co-opted members are able to claim travel, subsistence and reimbursement of care costs.
6. Principal councils must declare in the Schedule whether:
 - A statement of the basic responsibility of a councillor is in place.
 - Role descriptors of senior salary office holders are in place.
 - Records are kept of councillor attendance.
7. Principal councils, NPAs and FRAs must make arrangements for the publication of the Schedule of Member Remuneration as soon as practicable after its determination and no later than 31 July of the year to which it applies. This should be sent to the Panel no later than this date. The Schedule should be published in a manner that provides ready access for members of the public.
8. The **Schedule** must also be sent to the Panel Secretariat to be received by 31 July.

Annex 4: Publication of Remuneration – the Panel’s Requirements

In accordance with Section 151 of the Measure the Panel requires that:

1. Relevant authorities must publish a Statement of Payments made to its members (including chairs of JOSCs or sub-committees of JOSCs). This information must be published in a form and location that is easily accessible to members of the public no later than 30 September following the end of the year to which the payments relate and in the same timescale also provided to the Panel. The following information must be provided:
 - a. The amount of basic salary, senior salary, civic salary and co-opted member fee paid to each named member/co-opted member of the relevant authority, including where the member had chosen to forego all or part of the salary, or fee for the municipal year in question. Where a senior salary has been paid, the title of the senior office held is to be provided.
 - b. The payments made by community and town councils to named members as:
 - Payments in respect of telephone usage, information technology, consumables etc.
 - Responsibility payments
 - Allowances made to a mayor/chair and deputy mayor/deputy chair

 - d. The amount of any further payments received by any named member nominated to, or appointed by, another relevant authority or other public body as defined by Section 67 of the Local Government (Democracy) (Wales) Act 2013, namely:
 - a local health board
 - a police and crime panel
 - a relevant authority
 - a body designated as a public body in an order made by the Welsh Ministers.
 - e. Names of members who did not receive basic or senior salary because they were suspended for all or part of the annual period to which the Schedule applies.

- f. In respect of the publication of the reimbursement of the costs of care, the Panel has decided to provide relevant authorities with two options.
- 1) The details of the amounts reimbursed to named members; or
 - 2) The total amount reimbursed by the authority during the year but not attributed to any named member.

It is a matter for each authority to decide which of these options for publication it considers appropriate.

It is also the responsibility of each authority to establish its own position on how to respond to any Freedom of Information requests it receives with regards to reimbursement of costs of care.

2. Nil returns are required to be published and provided to the Panel by 30 September.

SUBJECT: Remote Attendance at Council Meetings

MEETING: Council

DATE: 9th November 2017

DIVISION/WARDS AFFECTED: All

1. PURPOSE:

To consider changes to the constitution that would allow members to take part in meetings remotely.

2. RECOMMENDATIONS:

To adopt the changes to rules 8 and 9 of Standing Orders in the council's constitution as detailed in appendix 3 to the report so that the council will permit remote attendance of meetings of the council, its committees, the cabinet and any other meeting of the council where the technology is available in the meeting room.

3. KEY ISSUES:

Rule 9 in Part 4 of the council's constitution – its "Standing Orders", currently do not allow meetings to take place remotely and the use of facilities to enable compliance with the requirements of section 4 of the Local Government Measure 2011 is prohibited.

Section 4 of the Local Government Measure 2011 introduced the power for councils to allow remote attendance at council meetings. Section 4 is reproduced in full at appendix 1 to the report. The section sets a number of conditions that must be met to allow a member to attend remotely. The conditions are:-

(a) the member in remote attendance is able at that time:-

(i) to see and hear, and be seen and heard by, the members in actual attendance,

(ii) to see and hear, and be seen and heard by, any members of the public entitled to attend the meeting who are present in that place and who exercise a right to speak at the meeting, and

(iii) to be seen and heard by any other members of the public so entitled who are present in that place;

(b) the member in remote attendance is able at that time to hear, and be heard by, any other member in remote attendance in respect of whom the condition in paragraph (a) is satisfied at that time;

(c) use of facilities enabling the conditions in paragraphs (a) and (b) to be satisfied in respect of the member in remote attendance is not prohibited by the standing orders or any other rules of the authority governing the meeting.

(d) the standing orders of a local authority must secure that there is no quorum for a meeting of the local authority at any time when the number of members in actual attendance constitutes less than 30% of the total number of members in attendance at the meeting.

The council must also have regard to the statutory guidance of the Welsh Government issued on 2nd April 2014 in respect of remote attendance at council meetings. The guidance is attached to this report at appendix 2.

The council trialled remote attendance at its meeting of the cabinet on 4th October 2017 where the technology allowed compliance with the conditions in section 4(3) of the Local Government Measure 2011 so that the member in remote attendance was, when they were speaking, able to be seen and heard by the members who were physically attending the meeting and the remote attendee was able to see and hear those members in actual attendance.

The council needs to consider the quorum for a meeting where remote attendance is permitted. Section 4(4) says that to be quorate at least 30% of those eligible to attend the meeting must be present at the main meeting place. Does the council want to increase this percentage?

The council also needs to consider a technical solution to provide simultaneous interpretation for non-Welsh speakers attending at a meeting where both Welsh and English will be used. Members will note at paragraph 12 of the guidance that it is the Welsh Government's policy that remote attendance should not be permitted if, for technical or other reasons, it would not be possible to provide simultaneous interpretation. The guidance suggests that the council asks members to their language preference in terms of speaking at meetings.

Further, the council needs to consider what should happen if a technical difficulty results in the breakdown of the remote technology. Does the chair of the meeting postpone the meeting to another date or does the meeting carry on without contributions from the remote attendees.

In this year's White Paper from the Welsh Government on Reforming Local Government: Resilient and Reformed it mentions, *Councils will be required also to allow Members to attend Council meetings remotely if they have domestic, business or travel difficulties preventing them getting to the main meeting place.*

Currently no council in Wales permits remote attendance at its council or cabinet meetings, although some allow remote attendance at scrutiny and Democratic Services Committee meetings.

4. REASONS:

If the technology is available that meets the requirements of section 4 of Local Government Measure then remote attendance by members is a useful tool to enable full participation at meetings of the council. It will also allow members to cut down on travel time to County Hall, Usk. Members will be able to take part in meetings that they would otherwise be unable to attend.

5. RESOURCE IMPLICATIONS:

The cost of the technology that would enable members to attend meetings remotely.

6. SUSTAINABLE DEVELOPMENT AND EQUALITY IMPLICATIONS:

The significant equality impacts are identified in the assessment attached to the report. The actual impacts from this report's recommendations will be reviewed every year by the Democratic Services Committee.

7. SAFEGUARDING AND CORPORATE PARENTING IMPLICATIONS:

NONE.

8. CONSULTEES:

Group leaders, Chair of Democratic Services, Cabinet member for Governance, Chief Executive, Head of Democratic Services, Local Democracy Manager.

9. BACKGROUND PAPERS:

None.

APPENDIX 1

Local Government Measure 2011 Section 4

Remote attendance at meetings

(1) A reference in any enactment to a meeting of a local authority is not limited to a meeting of persons all of whom are present in the same place.

(2) For the purposes of any such enactment, a member of a local authority who is not present in the place where a meeting of that authority is held (a “member in remote attendance”) attends the meeting at any time if all of the conditions in subsection (3) are satisfied.

(3) Those conditions are that—

(a) the member in remote attendance is able at that time—

(i) to see and hear, and be seen and heard by, the members in actual attendance,

(ii) to see and hear, and be seen and heard by, any members of the public entitled to attend the meeting who are present in that place and who exercise a right to speak at the meeting, and

(iii) to be seen and heard by any other members of the public so entitled who are present in that place;

(b) the member in remote attendance is able at that time to hear, and be heard by, any other member in remote attendance in respect of whom the condition in paragraph (a) is satisfied at that time;

(c) use of facilities enabling the conditions in paragraphs (a) and (b) to be satisfied in respect of the member in remote attendance is not prohibited by the standing orders or any other rules of the authority governing the meeting.

(4) The standing orders of a local authority must secure that there is no quorum for a meeting of the local authority at any time when the number of members in actual attendance constitutes less than 30% of the total number of members in attendance at the meeting.

(4A) Subsection (4) does not prevent a local authority from making standing orders which require more than 30% of the total number of members in attendance at a meeting to be in actual attendance for the meeting to be quorate.

(5) A local authority may make other standing orders about remote attendance at meetings of a local authority.

(6) A local authority must have regard to guidance given by the Welsh Ministers in relation to meetings of the authority attended remotely in accordance with this section.

(7) This section applies in relation to a meeting of a committee or sub-committee of a local authority as it applies in relation to a meeting of a local authority.

(8)

(9) For the purpose of this section—

(a) a reference to a person (A) seeing another person (B) is to be interpreted as a reference to A seeing B when B is speaking at the meeting;

(b) a reference to a person (C) being seen by another person (D) is to be interpreted as a reference to C being seen by D when C is speaking at the meeting.

(10) In this section—

- “member in actual attendance” (“”), in relation to a meeting of a local authority, means a member of the authority who is attending the meeting at the place where the meeting is held.

Statutory Guidance made under Section 4 of the Local Government (Wales) Measure 2011

Remote attendance at council meetings

REMOTE ATTENDANCE AT COUNCIL MEETINGS

Statutory Guidance made under Section 4 of the Local Government (Wales) Measure 2011

1. Part 1 of the Local Government (Wales) Measure 2011 (“the Measure”) was intended to strengthen local democracy by, in particular, introducing reforms which support councillors outside of the executive or executive members when acting in a non-executive capacity. One of these reforms, at section 4 of the Measure, was the introduction of the possibility of remote attendance at council meetings. This was intended to make it easier for those who, for instance, may have to travel long distances, those with domestic responsibilities and those in employment to attend.
2. This guidance is statutory guidance under section 4(6) of the Measure, to which a local authority must have regard, in relation to meetings of an authority attended remotely in accordance with section 4.

What section 4 of the Measure says

3. Section 4 provides that attendance at a council meeting is not limited to a meeting of persons who are all present in the same place. By “council meeting” we include any committee or sub-committee of the council as well as the full council itself. However, the section places certain limitations as to what constitutes remote attendance.
4. Any member attending a meeting remotely (“remote attendee”) must, when they are speaking, be able to be seen and heard by the members who are attending the meeting at the place where the meeting is held (“members in actual attendance”) and the remote attendee must, in turn, be able to see and hear those in actual attendance. In addition, a remote attendee must be able to be seen and heard by, and in turn see and hear any members of the public entitled to attend the meeting and who exercise a right to speak at the meeting. If there is more than one remote location, all the members attending remotely must be able to hear – but not necessarily see – the other remote attendees.
5. Meetings can only take place remotely if not prohibited by the local authority’s standing orders/rules of procedure. It is therefore up to each local authority to decide whether it wishes to make remote attendance available. The standing orders/rules must also secure that any meeting with remote attendees is not quorate if there are less than 30% of those eligible to attend present at the main meeting place. Authorities may set a higher quota for attendance at the main meeting place if they wish.
6. Each local authority may make other standing orders/rules in relation to remote attendance at meetings and must have regard to any guidance

given by Welsh Ministers. Our intention is to publish this guidance at the same time as the section of the Measure is brought into force.

Supporting remote attendance

7. The Welsh Government accepts that there are technical and staffing implications connected with the introduction of remote attendance. Where a number of councillors are expected to attend remotely at the same location, probably though not necessarily in a different council office from the place where the meeting is held, there may be a need for an officer to be present, both to support the members attending remotely but also to ensure that the equipment needed for remote attendance to function is operating correctly.
8. Local authorities will need to decide whether or not they wish to permit members of the public to be able to be present at a remote location. If so, an officer presence may be required to make arrangements for them.
9. There will clearly be a need to provide appropriate training for officers who might become involved in remote attendance, both to familiarise them with the requirements of the legislation and to cover the practical issues involved. The WLGA should be able to assist in this process.
10. The need to recognise equality between the Welsh and English languages has great significance when considering remote attendance. Local authorities will have their own Welsh language schemes but it is likely that facilities will exist – or could be made available – to cater for members who are unable to understand Welsh. It will be for each authority to ensure that any use of remote attendance is in keeping with their Welsh Language Scheme
11. It is also important for authorities to ensure that the needs of any disabled members are taken into account when considering the practicality of a remotely attended meeting.
12. It is proposed that standing orders should contain a provision that members should, whenever possible, be able to participate at a remotely attended meeting in either Welsh or English. However, it is the Welsh Government's policy that remote attendance should not be permitted if, for technical or other reasons, it would not be possible to provide simultaneous interpretation for non-Welsh speakers attending a meeting where both Welsh and English will be used. As such, local authorities may wish to ask members to note their language preference (in terms of speaking at meetings) and whether or not they would require simultaneous interpretation should any other participant speak in Welsh.
13. The Welsh Government does not take for granted that local authorities will possess the equipment or technological know-how to make remote attendance work to suit everyone. Someone attending remotely at home or work may have bandwidth limitations which affect their ability to take

part fully. Local authorities will need to decide for themselves the extent to which they will invest or assist members to have the necessary facilities to attend remotely.

14. There are times when council meetings are not open to the public, when confidential, or “exempt” issues – as defined in Schedule 12A of the Local Government Act 1972 – are under consideration. It would be important to ensure that there are no members of the public at remote locations able to hear or see the proceedings during such meetings. Any member in remote attendance who failed to disclose that there were in fact persons present who were not so entitled would be in breach of their Code of Conduct responsibilities.
15. Local authority standing orders can determine which types of meetings can be attended remotely. In the first instance, practical issues might dictate that the number of meetings which could enjoy this facility would be quite limited, though over time it would be hoped that the number of meetings where remote attendance were possible would increase.
16. The Measure requires that, for a remotely attended meeting to be quorate, a certain proportion of councillors must be in actual attendance at the meeting. Should this be disturbed by members in actual attendance at the main meeting place leaving the meeting before it is finished, bringing about a higher than permitted proportion of councillors attending remotely, the chair would have no choice but to close the meeting.
17. Standing orders should also make provision about what should happen if a technical difficulty results in the breakdown of the communications facility. Such occurrences are not unknown in video conferenced meetings. If this occurred, it is the Welsh Government’s view that the chair should declare a recess while the fault is addressed. If necessary, the meeting would have to be abandoned and the meeting should not continue without the involvement of the remote members. Standing orders could, however, make different provision for different types of meetings etc, for example that a meeting taking an urgent decision or one which is time-limited, might either not be allowed to take place with remote attendees or that the meeting would proceed in the event of a communications failure, so that those attending remotely would be aware and accept that the meeting would continue and a vote would be taken without their attendance in the event of a communications failure.
18. Finally, there is the issue of voting. Local authorities will have to build into standing orders arrangements to provide for voting to take place simultaneously at the main and remote location(s). It may not always be possible for remotely attending members to vote electronically even if that is the norm in council meetings. Standing Orders will need to cover this issue so that chairs of meetings are aware of the correct procedure to follow.

APPENDIX 3

PROPOSED CHANGES TO STANDING ORDERS

8. Quorum

8.1 The quorum of a meeting will be one quarter of the whole number of members. During any meeting if the Chair counts the number of members present and declares there is not a quorum present, then the meeting will adjourn immediately. Remaining business will be considered at a time and date to be fixed by the Chair. If he/she does not fix a date, the remaining business will be considered at the next ordinary meeting.

8.2 In the case of the planning committee, the quorum must be 50% of the whole number of members – the Local Authorities (Standing Orders)(Wales)(Amendment) Regulations 2017.

8.3 In respect of meetings where remote attendance is permitted, there will be no quorum at the meeting if the number of members in the room where the meeting is held is less than 30% of all the members eligible to attend – Section 4(4) Local Government Measure 2011.

9. Remote Attendance

9.1 Remote attendance at meetings of the council will only be permitted where the conditions of section 4(3) of the Local Government Measure 2011 are met which means any member attending a meeting remotely (the “remote attendee”) must when they are speaking, be able to be seen and heard by the members who are attending the meeting at the place where the meeting is held (“members in actual attendance”) and the remote attendee must, in turn, be able to see and hear those in actual attendance. In addition, a remote attendee must be able to be seen and heard by, and in turn see and hear any members of the public entitled to attend the meeting and who exercise a right to speak at the meeting. If there is more than one remote location, all the members attending remotely must be able to hear, but not necessarily see, the other remote attendees.

9.2 Members wishing to attend remotely must give at least 4 days notice of their wish to the Head of Democratic Services. On receiving such a notice, the Head of Democratic Services will make the necessary arrangements (including the provision of translation) to allow the member to attend remotely if that is possible.

9.3 The failure of any technological provision whether that leads to a partial or complete loss of contact between the remote attendees and those members in actual attendance during the meeting shall not invalidate any part of the deliberations or any vote taken. The Chair may postpone the meeting if they deem that appropriate.

SUBJECT: Developing Participatory Democracy

MEETING: Democratic Services Committee

DATE: 23rd October 2017

DIVISIONS/WARDS AFFECTED: All

1 PURPOSE

- 1.1 To provide the committee with some potential areas that could be used to pilot new approaches to engaging with the community.
- 1.2 To give the committee an overview of the Monmouthshire Made Open platform and an understanding of its potential to play a role in developing a more participatory form of democracy by harnessing the collective knowledge and talents of those in our communities.

2 BACKGROUND

- 2.1 The 2016-17 Democratic Services Committee expressed a desire to reinvigorate their agenda through understanding new perspectives and ideas in democratic development. At recent meetings the committee has begun to explore how the authority can engage people more meaningfully in the democratic process, create opportunities for people to engage with the authority in new ways, work collaboratively and involve people in building sustainable and resilient communities.
- 2.2 At their last meeting the committee agreed to identify a single issue, perhaps drawn from a range of evidence including the well-being assessment, surveys and previous engagement work and use this as a pilot to test how we can engage in more effective ways.
- 2.3 Our digital Made Open Platform is about facilitating collaboration and demonstrating the impact of what can be achieved by working together with communities to identify challenges and work together on co-producing the solutions.

3 RECOMMENDATIONS

- 3.1 Members are invited to consider which issues they wish to take forward and how the platform can contribute to their desire to re-invigorate the local democratic process and whether it can play a role in taking forward a single issue.

4 KEY ISSUES

- 4.1 Local government has a key role in helping communities to define the futures to which they aspire and help the public understand how decisions are made and also how they can participate in the democratic process.
- 4.2 Cabinet recently approved a paper agreeing the process to develop a new whole authority strategic plan or corporate plan. This identifies some of the issues of greatest

significance to people and businesses as well as our organisation. This is strongly aligned with the discussion at the previous meeting of this committee. An overview of where these issue emerge from is shown an appendix 1 and will be explored as part of the discussion and presentation at the meeting.

- 4.3 [Monmouthshire Made Open](#) is part of a suite of digital tools that form part of the way in which we can engage with communities. It has been in place in Monmouthshire for a number of years and has now been adopted by a number of councils and community organisations in England and Australia. Made Open enables people to talk about the issues that matter to them and work with others to develop ideas and vote on or 'like' the best solutions. It also enables people and organisations to connect, collaborate and exchange time, money and materials for social good. It can be searched by theme or geographical area and so has the potential to facilitate engagement at a ward as well as a county-wide level.
- 4.4 A demonstration of the platform will be given at the meeting. A short animation giving an overview can be seen [here](#) and a screenshot of the platform is shown as appendix 2 of the report. Members wishing to access the platform can view it using the above link and register or login using an existing social media account such as Twitter, Facebook or LinkedIn.
