SUBJECT: PROPOSED PROHIBITION OF WAITING AT ANY TIME, LANSDOWN ROAD, ABERGAVENNY

MEETING: Cabinet Member for County Operations

DATE: 13/2/2019

DIVISION/WARDS AFFECTED: Bryn y Cwm, Lansdown

1. PURPOSE:

To consider the proposed Order subsequent to representations received following advertisement in accordance with the Local Authorities Traffic Orders (Procedure) (England and Wales) Regulations 1994.

2. RECOMMENDATIONS:

Not to hold an inquiry into the proposal

To approve the proposed Order as consulted and advertised upon to implement the Order.

3. KEY ISSUES:

Monmouthshire County Council has previously received concerns from local community representatives and residents regarding inappropriate and obstructive vehicle parking on Lansdown Road in the vicinity of its junction with Hereford Road.

4. REASONS:

The junction of Lansdown Road with Hereford Road is bounded by high masonry walls which restrict forward visibility for highway users into and out of Lansdown Road. The presence of vehicles parking on this junction on Lansdown Road is considered to be a detriment to road safety and is a hazard to normal highway usage. The presence of parked vehicles also causes vehicles entering and exiting Lansdown Road to have to veer into the opposite side of the carriageway thereby causing a road safety issue and potential conflict with oncoming vehicles and other highway users.

Officers consider that in view of the fact that no objections have been received that the Council's proposals do not warrant the holding of any inquiry.

5. RESOURCE IMPLICATIONS:

The costs of the proposed Traffic Regulation Order and road markings are being funded by Monmouthshire County Council.

6. SUSTAINABLE DEVELOPMENT AND EQUALITY IMPLICATIONS

There are no sustainability issues regarding installing a residents only parking permit scheme at Usk View, Merthyr Road.

7. CONSULTEES:

County Councillor B Jones, Cabinet Member for County Operations

County Councillor Martyn Groucutt

SUBJECT:	YOUTH ENTERPRISE – EUROPEAN SOCIAL FUND (ESF) INSPIRE PROGRAMMES – INSPIRE COMPLIANCE ADMINISTRATOR POST CREATION
MEETING:	INDIVIDUAL MEMBER DECISION
DATE:	13th February 2019
DIVISION/WARDS AFFECTED:	ALL

1. PURPOSE:

1.1 To request approval for the creation of a new Inspire Compliance Administrator post from 1st April 2019, in line with succession planning laid out for the current Youth Enterprise Business Administration Apprentice, and the resulting additional responsibilities. This post is part funded by the European Social Fund Inspire programmes (I2A; I2W) with match funding previously approved within the financial profiles of extensions to the Inspire programmes in [July 2017](#) and [September 2018](#) and therefore can be afforded within the MTFP

2. RECOMMENDATIONS:

2.1 To approve the creation of a new Inspire Compliance Administrator post and the subsequent salary increase for the postholder.

3. KEY ISSUES:

- 3.1 Cabinet have previously approved the Monmouthshire [NEET Reduction Strategy](#) 2018-21: A Great Start for All, within which Priority 5 is “Strengthening employability skills and opportunities for employment” for young people. Approval demonstrates the Local Authority’s commitment to developing meaningful apprenticeship opportunities with sustainable career pathways.
- 3.2 The Inspire programmes are part funded by the European Social Fund and are subject to audit and verification checks by the Welsh European Funding Office (WEFO) and European Funding Audit Team (EFAT). The Inspire Compliance Administrator will administer the day to day compliance and verification checking of both Programmes, as well as providing administrative support to the delivery team.
- 3.3 I2A provides education and well-being support, and qualifications for young people aged 11-16 years most at risk of becoming NEET and I2W provides employability support, qualifications and work placements for unemployed young people aged 16 -24 years.
- 3.4 The I2A and I2W programmes were approved by Cabinet in March 2016 for three years, with an increase in programme provision for 18 to 24 year olds approved by Cabinet on the 5th July 2017. Further extensions to I2A and I2W to December 2021 and December 2022 respectively were approved in [September 2018](#) .

4. OPTIONS APPRAISAL

Option	Benefits	Risks
<ul style="list-style-type: none"> • Do nothing 	<ul style="list-style-type: none"> • Reduced match funding requirement for the ESF funded Inspire programmes 	<ul style="list-style-type: none"> • No compliance and verification post for essential project monitoring • Loss of external funding contributing to salary costs for this post

		<ul style="list-style-type: none"> • Failure to offer a sustainable career pathway for an apprentice.
<ul style="list-style-type: none"> • Approve the creation of new post 	<ul style="list-style-type: none"> • Align the postholders grade with comparable posts within the local authority • Demonstrate a commitment to providing sustainable career pathways for apprentices within the local authority 	<ul style="list-style-type: none"> • None Identified

5. EVALUATION CRITERIA

5.1 An evaluation assessment has been included in Appendix 1 for future evaluation of whether the decision has been successfully implemented.

6. REASONS:

6.1 To deliver high quality monitoring and verification checking to ensure the Inspire programmes in Monmouthshire are compliant with the standards set out by the Regional Central Lead Team, Welsh European Funding Office. European Funding Audit Team and the Authority’s internal audit team.

6.2 The Inspire Compliance Administrator post will contribute towards improved efficiency in programme reporting and support the overall performance of the Inspire programmes through on site monitoring checks whilst leading on the rollout of the programme’s Management Information System.

6.3 The introduction of this post in place of the Business Administration Apprentice role will recognise the additional roles and responsibilities assumed by the postholder and reflect the appropriate grading as demonstrated by the job evaluation process.

7 RESOURCE IMPLICATIONS:

7.1 The current post of Business Administration Apprentice is paid National Minimum Wage based on age. Job evaluation for the Inspire Compliance Administrator post resulted in a grading to Band D, SCP 17-21. This post will be part funded by the European Social Fund and will end in conjunction with the Inspire Programmes in Monmouthshire.

7.2 The additional cost for this post was included within the base budget consideration approved by Cabinet in September 2018 and are therefore funded from within the existing MTFP.

8 WELLBEING OF FUTURE GENERATIONS IMPLICATIONS(INCORPORATING EQUALITIES, SUSTAINABILITY, SAFEGUARDING AND CORPORATE PARENTING):

The post of Inspire Compliance Administrator contributes to the delivery on the Inspire programmes which have significant equality impacts as identified in the assessment (Appendix 2), summarised below for members’ consideration:

The Inspire programmes will improve provision, opportunities and outcomes for all young people who are at risk or who are NEET. It is anticipated that the programmes will have a positive impact on the young peoples’ social, emotional, health and wellbeing, education and skills. This proposal does acknowledge that due to personal, social and educational barriers, not every young person will progress and sustain education, employment or training.

SUBJECT: COMMONS ACT 2006 (CORRECTION, NON-REGISTRATION OR MISTAKEN REGISTRATION) (WALES) REGULATIONS 2017 – APPLICATION FEES

MEETING: INDIVIDUAL CABINET MEMBER DECISION (Cllr Paul Jordan)

DATE: 13th FEBRUARY 2019

DIVISION/WARDS AFFECTED: ALL

1. PURPOSE:

- 1.1 To seek approval for delegated authority to set full cost recovery application fees for applications under section 19 of, and Schedule 2, to the Commons Act 2006, to correct the registers of common land and town and village greens. Approval is also required to seek full reimbursement from applicants for any additional costs, for example, the holding of a public inquiry.
- 1.2 To seek approval for delegated authority to set full cost recovery application fees for all applicable applications, in accordance with any regulations introduced in the future by the Welsh Government, under the Commons Act 2006.

2. RECOMMENDATION:

- 2.1 That delegated authority be given to the Head of Law and Monitoring Officer to set full cost recovery application fees and seek full reimbursement from applicants for any additional costs associated with processing and determining an application.

3. KEY ISSUES:

- 3.1 The Correction, Non-Registration or Mistaken Registration (Wales) Regulations 2017 came into force on 5 May 2017.
- 3.2 The registers of common land and town and village greens were first established under the Commons Registration Act 1965. The Commons Act 2006 imposes a duty on registration authorities to continue to maintain the registers established under the 1965 Act.
- 3.3 Applicants may, depending on the application they are making, be required to pay an initial application fee and further instalments, to enable Monmouthshire County Council, as Commons Registration Authority, to recover the full cost of determining the application.
- 3.4 Applications made under section 19(2)(a) (correcting a mistake made by the registration authority) and 19(2)(c) (removal of a duplicate entry from the register) do not attract an application fee as these are viewed as mistakes having been made historically by the Commons Registration Authority. Similarly, applications under Schedule 2, paragraphs 2-5 (inclusive) are also free of charge as their determination is seen as being in the public interest and costs incurred by the Commons Registration Authority will be reimbursed by the Welsh Government.

4. OPTIONS APPRAISAL

- 4.1 The following options are available:

- Option 1 – Do not set the applications fees. Inconceivable that the Council would fail to set any application fees and hinder applications to correct the registers.
- Option 2 – Set application fees but not at full cost recovery. A significant impact on the Land Charges budget in respect of a loss of application fee income and the risk of a significant overspend if all additional Council expenses were not reimbursed by the applicant.
- Option 3 – Set full cost recovery application fees and recover all additional Council expenses. This will ensure full compliance with the regulations and Welsh Government guidance, and ensure that the Land Charges budget is not placed under additional avoidable pressure.

5. EVALUATION CRITERIA

5.1 An evaluation assessment is included in Appendix 1.

6. REASONS:

6.1 To set application fees in accordance with the regulations and Welsh Government guidance.

7. RESOURCE IMPLICATIONS:

7.1 The application fees will cover officer time spent processing and determining an application, and ensure the full reimbursement of all additional Council expenses.

8. WELLBEING OF FUTURE GENERATIONS IMPLICATIONS (INCORPORATING EQUALITIES, SUSTAINABILITY, SAFEGUARDING AND CORPORATE PARENTING):

Evaluation Criteria – Cabinet, Individual Cabinet Member Decisions & Council

Title of Report:	COMMONS ACT 2006 (CORRECTION, NON-REGISTRATION OR MISTAKEN REGISTRATION) (WALES) REGULATIONS 2017 – APPLICATION FEES
Date decision was made:	13th February 2019
Report Author:	Tudor Baldwin

What will happen as a result of this decision being approved by Cabinet or Council?

What is the desired outcome of the decision?
What effect will the decision have on the public/officers?

That delegated authority be given to the Head of Law and Monitoring Officer to set full cost recovery application fees and seek full reimbursement from applicants of any additional costs associated with processing and determining corrective, and other applications under the Commons Act 2006.

What benchmarks and/or criteria will you use to determine whether the decision has been successfully implemented?

Think about what you will use to assess whether the decision has had a positive or negative effect:
• Has there been an increase/decrease in the number of users
• Has the level of service to the customer changed and how will you know
• If decision is to restructure departments, has there been any effect on the team (e.g increase in sick leave)

Publication of the full cost recovery application fees and officers' hourly rates on the service's Common Land, Town and Village Greens webpage.

What is the estimate cost of implementing this decision or, if the decision is designed to save money, what is the proposed saving that the decision will achieve?

Give an overview of the planned costs associated with the project, which should already be included in the report, so that once the evaluation is completed there is a quick overview of whether it was delivered on budget or if the desired level of savings was achieved.

Neutral impact as the application fees are based on full cost recovery. The decision is not designed to save money, nor have a negative impact on the Land Charges budget.

SUBJECT: Proposed Abergavenny Lido – Landowner consent for Fundraising Activities by the Abergavenny Lido Group

MEETING: Individual Cabinet Member

DATE: 13th February 2018

DIVISION/WARDS AFFECTED: All

1. PURPOSE:

To provide consent from the Council to Abergavenny Lido Group to enable them commence fund raising activities to explore the feasibility of providing a 50m lido facility within Bailey Park.

2. RECOMMENDATIONS:

- 2.1** That the Council provides consent to the Abergavenny Lido group to undertake fund raising activities to enable them to establish the feasibility of providing a new 50m Lido facility at Bailey Park.

3. KEY ISSUES:

- 3.1** Abergavenny Lido Group has been created out of the communities aspirations to see the re-instatement of a modern outdoor pool facility within Bailey Park. The original pool was opened circa 1938, closed in 1996, and subsequently filled in.
- 3.2** Following a resurgence in the popularity of Lido's, a community group has been created to explore the feasibility of providing a 50m outdoor pool, learner pool, changing facilities, café and restaurant within Bailey Park. In order to establish the financial viability of these proposals the group need to undertake fund raising activities, including applying for grants, which requires the consent of the landowner.
- 3.3** The group have acknowledged that the Council are unable to provide any revenue or capital support for this scheme and are developing their own financial strategies to fund the build costs, anticipated to be in the region of £7,000,000 and develop a viable revenue stream to meet operating costs. The only commitment that the Council is making at this point will be to provide landowner consent to their grant applications and fund raising activities. Any decision whether to release the required land and support their development proposals will be taken in due course when the Abergavenny Lido Group has evidenced funding and a viable Business Plan and model.

4 OPTIONS APPRAISAL

Option	Benefits	Risks	Comments
Do nothing	<ul style="list-style-type: none"> • None 	<ul style="list-style-type: none"> • The Abergavenny Lido Group will be unable to deliver the facility • Loss of potential grant funding to develop community facilities. • Loss of community engagement and against the principles of the Future Generations Act 	This would be the status quo option, but does nothing to support the Councils aspirations of creating resilient and sustainable communities.
Provide landowner consent to the Abergavenny Lido Group to enable them to exploit funding raising opportunities	<ul style="list-style-type: none"> • Will allow the community to develop their own plans for the proposed Lido facility. • Supports community cohesiveness and strengthen local networks • Promotes volunteering agenda and supports Councils ambition of developing sustainable and resilient communities • Supports the Well Being Future Generations Act • Provides grant funding opportunities 	<ul style="list-style-type: none"> • No guarantee that the bids will be successful or that the project will develop into the next stage. 	This provides an opportunity for the local community to develop their ambitions around a Lido facility with no financial requirement on the behalf of MCC. If successful, this could result in a leisure facility, which would meet a number of Council objectives around health and wellbeing, economic development and tourism. This is the preferred option

5. EVALUATION CRITERIA

See Appendix 1

6. REASONS:

- 6.1 The Abergavenny Lido Group is made up of committed volunteers who have already undertaken significant research on the lido market as well as generating and sustaining community involvement. The group is well aware of the financial pressures faced by the authority and are intending to raise the capital to construct the facility without any financial support from the Council. Providing landowners consent for the fundraising activities will enable the group to submit grant applications and undertake the due diligence activities necessary to demonstrate the financial viability of their proposition.

7. RESOURCE IMPLICATIONS:

- 7.1 There are no resource implications for the Council as all costs in developing the proposal are being borne by the Abergavenny Lido Group

8. WELLBEING OF FUTURE GENERATIONS IMPLICATIONS (INCORPORATING EQUALITIES, SUSTAINABILITY, SAFEGUARDING AND CORPORATE PARENTING):

The proposal does not have any safeguarding or corporate parenting implications.
