MONMOUTHSHIRE COUNTY COUNCIL

Minutes of the meeting of County Council held on Thursday, 20th April, 2023 at 2.00 pm

the authority's purpose and priorities alongside the steps we will take to deliver these, the accountable Cabinet member and the measures that will be used to track progress.

Opposition Leaders highlighted concerns but recognised that the plan needed to be passed by Council and declared that they would abstain during the vote.

Upon being put to a vote Council resolved to accept the recommendations:

- **That Council approve the Community and Corporate Plan.**
- **That Council adopt the six goals in the plan as the Council's Well-being Objectives in accordance with the requirements of the Well-being of Future Generations Act.**
- **That Council note the targets set within the measurement framework, attached as appendix 2, and task Cabinet with ensuring that these are reviewed and updated over the lifetime of the plan**

6. Motions to Council

7. Submitted by County Councillor Richard John

This Council:

Recognises that Monmouthshire's bus services reduce private car journeys, help tackle rural isolation and are key to aspirations of an integrated transport network alongside the South Wales Metro.

Is gravely concerned that the Welsh Government's withdrawal of the Bus Emergency Scheme funding on 24th July 2023 will see buses in Wales reduced to a 'skeletal' service. Resolves to intensively lobby the Welsh Government to protect Monmouthshire's bus services, especially in rural areas where they are a lifeline for our residents.

Seconded by County Councillor Rachel Buckler.

The Cabinet Member for Climate Change and the Environment explained that she had been lobbying intensively about the need for further support, particularly for rural bus services, since she came into her role. She supported future plans and the movement to bus franchising but had concerns around the transitional period. The Cabinet Member was keen to explore all opportunities to safeguard bus provision and improve service provision.

Council heard that officers were working closely with Transport for Wales, the Burns Delivery Unit, and operators to explore different opportunities to protect and improve service provision.

The Leader of the Independent Group was pleased to see cross-party support.

Suggestion was made that MCC lead the way for Wales by introducing a pilot scheme.

Assurance was sought that there would be no reduction of the Gilwern No9 service, to ensure minimum impact around the closure of the GP practice.

It was stated that by recognising that the HS2 development is not benefitting Wales, that investment could therefore allow a proper transport system across Wales.

Upon being put to a vote Council resolved to accept the recommendation.

8. Submitted by County Councillor Steven Garrett

MONMOUTHSHIRE COUNTY COUNCIL

Minutes of the meeting of County Council held on Thursday, 20th April, 2023 at 2.00 pm

This Council is appalled by the UK government's illegal immigration bill which proposes to detain and later remove anyone who arrives in the UK on a small boat, meaning the Home Office will not consider any of their Asylum claims regardless if they have fled war or persecution.

These people seeking sanctuary will then be deported back to the country they have fled from or a 'safe' third country. This third country could be Rwanda, or another country deemed safe by UK Govt, potentially with a questionable record on human rights.

This ill-thought out and inhumane legislation will punish the most vulnerable people from across the world. Questions have been raised surrounding the legality of the Bill and whether it is compliant with the European Convention on Human Rights (ECHR) and consistent with the 1951 Refugees Convention. The Prime Minister has also stated in writing that if you come to the UK illegally "You cannot benefit from our modern slavery protections".

This Council also notes and condemns the dangerous and dehumanising language which has been used to support this Bill. This rhetoric cultivates and provides a platform for a culture of abuse, racism and even violence against refugees, asylum seekers and people from black, Asian and minority ethnic communities.

As an aspiring County of Sanctuary, this Council and the people of Monmouthshire have opened their hearts and homes and welcomed and accepted refugees and asylum seekers for decades, particularly in recent times following the Ukraine war. This has made our county a more interesting, diverse, and tolerant place.

This Council condemns the action of the UK Government in bringing forward this legislation and calls upon the prime minister and his ministers to withdraw these egregious proposals.

We call upon the Leader of Council to write to the Prime Minister in the strongest possible terms to outline our concerns.

Seconded by County Councillor Sue McConnel.

There was some concern about the wording used in the Motion.

Many Members expressed disappointment of those criticising the motion, considering the measures in the Bill cruel and inhumane. It was thought that the Bill would create division in the UK.

Members expressed their deep disappointment regarding the treatment of refugees.

A Member was keen that local residents were aware that MCC are disassociated from the language used by UK Government.

Upon being put to a vote Council resolved to accept the motion.

9. Members Questions

10. From County Councillor Ian Chandler to County Councillor Catrin Maby, Cabinet Member for Climate Change and the Environment

MONMOUTHSHIRE COUNTY COUNCIL

Minutes of the meeting of County Council held on Thursday, 20th April, 2023 at 2.00 pm

Can the cabinet member provide residents in Skenfrith and Cross Ash with a firm date by which the B4521 near Trebella Farm will be repaired and the 'temporary' traffic lights removed?

The Cabinet Member explained that the proposed works were scheduled for completion by the end of August 2023. The extended timescale was in order to secure ordinary water course consent for drainage repairs, and for ecology surveys to be completed.

As a supplementary Councillor Chandler asked how much more money would be spent on the temporary lights and sought assurance that the repairs would take place in the timeline advised. Councillor Chandler also asked that the Cabinet Member publish to residents across the whole County the criteria by which road repairs and resurfacing decisions are made, alongside a schedule of all pending repairs.

The Cabinet Member had been briefed by officers that there were a number of challenging projects relating to highways assets and various bridges and structures needed significant investment to secure longevity and continued use. It was recognised that the budget available was inadequate and was a cause of concern. The Trebella works have been rated as amber as there is no danger to the public, but the Cabinet Member agreed that the use of temporary traffic lights must be addressed.

11. From County Councillor Ian Chandler to County Councillors Angela Sandles/Catherine Fookes, Cabinet Members for Equalities and Engagement

In response to the UK Government's policy to require a photo ID for English and UK elections, which many experts predict will reduce voter turnout among young people and those from disadvantaged communities, can the cabinet member give an update on plans to ensure that every eligible voter in Monmouthshire is able to cast their vote at the next UK parliamentary election?

Cabinet Member, County Councillor Angela Sandles explained that the Elections Act 2022 changed the law to require voters to photographic ID at polling stations to be able to vote in elections in England and the UK. The measure appears draconian and would, likely, reduce turnout and impact democracy.

Not all elections in Wales will be affected and it will apply to the General Election, Police and Crime Commissioner Election but not to Senedd or Local Government.

A wealth of information can be found on the Electoral Commission website. Any voter will be able to apply for a free Voter Authority Certificate from their Council if they don't have the appropriate ID. Councillor Sandles recommended that all Members signpost this to their residents.

Councillor Sandles explained that one way we are preparing at MCC is by being able to watch carefully what happens in England at the upcoming local elections, and that we are grateful to bodies like the Electoral Commission who have put in a lot of time and effort into the matter.

MCC is required to canvass every property in the County every year to ensure records on voter registration are up to date. When this takes place later this year, we will use it as the starting point on our communication plan for voter ID. That plan will take us right through to polling day with targeted campaigns for different demographics of voters.

County Councillor Armand Watts left the meeting at 16:41pm

MONMOUTHSHIRE COUNTY COUNCIL

Minutes of the meeting of County Council held on Thursday, 20th April, 2023 at 2.00 pm

As a supplementary Councillor Chandler asked the Cabinet Member to commit to condemning the voter ID requirements and promote the take up of Voter Authority Certificate.

The Cabinet Member agreed that she condemned the requirements and recognised that this would disenfranchise many people.

12. From County Councillor Richard John to County Councillor Catrin Maby, Cabinet Member for Climate Change and the Environment

What progress has the administration made towards delivering on its manifesto pledge to eliminate all potholes within five years?

The Cabinet Member explained that it was difficult to quantify progress with an ever-moving target and that the reduction in investment in highways maintenance over several decades across the UK, and the impact of climate change have created a perfect storm. The Cabinet Member was aware of opposition Members who had proactively encouraged residents to report potholes over the winter period which had made quantifying progress difficult.

Throughout the last year the Authority has:

- Continued with programmes to tackle drainage and gully issues.
- Increased the number of days spent on scheduled 'hot potholing' whilst maintaining the same levels of ad-hoc maintenance.
- Listened to concerns raised by Council in March and invested an additional £500,000 capital maintenance budget.

It was recognised that in pledging to tackle the issue it was necessary to understand the full scale of the problem and filling potholes is not a viable solution for long-term improvement of the network and more comprehensive solutions were needed. The Administration has continued to implement the evidence-based approach of road resurfacing implemented by the previous Administration.

The end of a fixed term grant for road improvements meant that the budget had decreased by £620,000 which meant significant challenges in maintaining the highway network.

An all Member workshop is to be arranged to discuss and explain further the different aspects of highway work.

As a supplementary Councillor John asked what greater flexibility does the Administration want to give highways engineers so they can make a more informed, evidence-based decision about how potholes should be fixed going forwards?

The Cabinet Member reiterated the points made and agreed that permanent repairs were necessary, and she would do what she could to secure the funds to do so.

13. From County Councillor Richard John to County Councillor Mary Ann Brocklesby, Leader of the Council

What has the administration achieved in the past year?

In response the Leader highlighted the following:

MONMOUTHSHIRE COUNTY COUNCIL

Minutes of the meeting of County Council held on Thursday, 20th April, 2023 at 2.00 pm

- Distributed £379,800 in direct payments of £150 to 1772 households across the county to disabled people and those with children on free school meals.
- Provided period products to every single school.
- The poverty dashboard is now up and running allowing us to see in real time the statistics on poverty, homelessness, number of referrals for housing, numbers on universal credit etc.
- Held Cost of Living sessions in every town to ensure all community groups are joined up and are supported.
- Supported the setting up of warm hubs to provide a warm space and free drinks to support residents.
- Worked with WG to help hundreds of Ukrainians to flee the war.
- Welcomed the Monmouthshire Muslim Association to County Hall and hosted an Iftar event.
- Appointed our first LGBTQ Champion.
- Becoming a County of Sanctuary.
- Delivered summer play provision. Over 11599 children were supported including 620 children with diverse needs.
- Between June 2022 and March 2023 reduced the number of hours of unmet need in social care by a third.
- Overseen a successful recruitment campaign for foster carers.
- The waiting time for disabled adaptations has reduced by 24%.
- Produced and approved a rapid rehousing plan.
- Caldicot School site has been allocated for 100 affordable homes and received planning approval.
- Created a coherent inclusion service to support our most vulnerable learners.
- Seeking to promote our Welsh Language provision.
- Secured WG active travel funding of £3.4m for financial year 22/23.

As a supplementary Councillor John asked when the Administration would stop delaying on the big issues.

The Leader responded that there had been very few policy reviews under the previous administration, and that now that the Corporate and Community Plan has been approved by Council the administration are keen to progress. She added that the school transport and catchment reviews are still within the planned timetable and that the RLDP had been stalled but is now back on track with clear consultation underway.

14. From County Councillor Louise Brown to County Councillor Martyn Groucutt, Cabinet Member for Education

Can the Cabinet Member give a commitment that the new 3-19 school in Abergavenny will have single sex toilets for all years?

The Cabinet Member explained that a detailed consultation has been undertaken with the pupils of the current schools Deri View and King Henry VII Comprehensive. In the primary phase the plan is that there will be single sex toilets only. The Secondary school pupils had a more refined view and there would be single sex toilets on every floor but also toilets that will not discriminate between pupils. The walls will be floor to ceiling, and there will be no urinals in any toilet. The student voice has been listened to and they are getting what they have asked for.

As a supplementary Councillor Brown asked if the voice of the parents, governors and headteacher had also been listened to.

MONMOUTHSHIRE COUNTY COUNCIL

Minutes of the meeting of County Council held on Thursday, 20th April, 2023 at 2.00 pm

The Cabinet Member added that the consultation had included adult feedback also. All the female and unisex toilets would have sanitary product facilities.

15. From County Councillor Christopher Edwards to County Councillor Sara Burch, Cabinet Member for Inclusive and Active Communities

A traveller community has recently encamped in Chepstow Leisure Centre car park on two occasions in a matter of 6-weeks. As you will be aware, this is a car park that also adjoins Chepstow School. This has caused disruption for residents, businesses, the school and leisure centre, not to mention the extra work for council staff and the police. Can the Cabinet Member explain what options the council will be taking in the future to prevent this crucial and busy Chepstow car park; used by residents, parents, children, leisure centre users and tourists from being used and abused in this way. There are authorised traveller sites in Monmouthshire, however, Chepstow is being seen as an easy target and council facilities mistreated, with residents also unable to take full advantage of the services they come to expect from a council.

The Cabinet Member recognised that the issue was of great concern and agreed that in this most recent case residents and visitors were unable to use most of the car park for several days over the Easter holidays. The facilities did remain open and she expressed due credit to the Mon Life staff who had continued to manage the site with professionalism. The Cabinet Member explained that there were no authorised traveller sites in Monmouthshire available to groups of Travellers passing through and very few places they could stop legally. Guidance from WG to MCC stated that when an unauthorised encampment takes place, while we want to move occupier off the site and be under pressure from residents to do so, our first duty is the welfare of the children and of any vulnerable adults to ensure they have access to water, refuse collection, toilets and washing facilities, and that we go through the legal process in requiring them to relocate if required.

When Travellers occupy land such as the car park, Environmental Health Officers undertake a site welfare assessment, ask intentions and liaise with the landlord, which is Mon Life in the Leisure Centres, Highways in car parks etc to seek their removal if needed, with MCC legal services.

With regards to height barriers, this would be problematic in these car parks as they must remain open for school deliveries. This could also deter tourists who travel through the county.

To summarise, the Cabinet Member stated that barriers would be looked at where appropriate, she would push for the development of a regional transit site in the M4 Corridor and bring forward sites for permanent pitches for local Traveller families, and review the protocol established in 2015 to ensure it remains fit for purpose.

16. From County Councillor Christopher Edwards to County Councillor Paul Griffiths, Cabinet Member for a Sustainable Economy and Deputy Leader

In January 2023, the Deputy Leader confirmed to this council that any future Highbeech roundabout improvements will be discussed again with the Welsh Government's "Transport Deputy Minister" and that he had been contacted to ask for a further study on Highbeech Roundabout, and that the Cabinet Member will be holding a meeting at the end of the month [January] with the minister.

As the original agreed funding for this further study was pulled by Welsh Government in 2022, can the Cabinet Member confirm if the meeting went ahead, what exactly was discussed, and

MONMOUTHSHIRE COUNTY COUNCIL

Minutes of the meeting of County Council held on Thursday, 20th April, 2023 at 2.00 pm

the subsequent outcome of this meeting, and any further meetings that may have taken place since to look at improving the infrastructure in Chepstow which is greatly needed.

The Deputy Leader explained that he and the Leader had met with the Minister for Climate Change in January and had pressed for the next stage of funded design of the Highbeech Roundabout, and equally pressed the case with the Deputy Minister for Transport. He believed that both ministers understood the strength of the case and the need for improvement. He had not seen any records of a previous agreement to fund the study but had found an obstacle being that the junction has never appeared in the WG National Transport Delivery Plan. The Deputy Minister for Transport has offered to meet again in the next few weeks to discuss meeting objectives of funding the design for this roundabout.

The questions will be forwarded to contacts at WG and Council will be kept up to date.

As a supplementary Councillor Edwards asked if the correspondence between Council and Welsh Ministers will be included in the publicly available evidence for the RLDP.

(e) APPOINTMENT OF LOCAL AUTHORITY GOVERNORS COMMITTEE

With plenary powers to act in accordance with the Code of Practice set out below:

1. LA Governors are appointed representatives of the LA on a school's governing body. They are not delegates, but can be removed at the discretion of the LA. Appointments are made on merit, irrespective of political persuasion and in the best interests of the children and school. Nominations of elected members will be viewed in exactly the same way as any other nominations.

2. They may represent the LA view, but in all cases the interests of the school are paramount and all governors shall abide by the governing body's rules and code of conduct.

3. A governor appointed by the LA must, like all governors be in a position to:

- Offer time, commitment and energy to the role.
- Become well informed about current educational thinking.
- Know about the needs of the school, its staff and pupils.
- Visit the school with purpose, sensitivity and understanding.
- Undertake training as necessary.
- Attend meetings regularly.
- Conform to agreed procedures at meetings, including the need for confidentiality concerning certain matters discussed in Governing Body meetings especially in relation to individual staff, pupils and parents.
- Undertake appropriate preparation and reading.
- Work co-operatively as a member of a team, accepting collective responsibility for decisions made.
- Share responsibilities including service on committees
- Find out as much as possible about the community served by the school.
- Understand that the position does not offer a personal or political platform.
- Offer commitment to raising education standards to enable every child and young person to reach their full potential

4. When an LA governor vacancy occurs, the school may advise the LA of its needs in terms of balance of skills, gender or other considerations for the good of the school. It shall have the right to submit names for consideration.

5. When an LA Governor vacancy occurs, the County Councillor in whose electoral area the school is situated, will be informed. (All other County Councillors will be advised by e mail of the vacancy for information.) They should consult the school's headteacher and chairman of governors as well as fellow Councillors in cases where pupils are drawn from beyond his/her electoral division. They may recommend names for consideration.

6. The LA will appoint the persons most suitable to be governors according to the criteria set out above. The appointment will be made as soon as possible after the vacancy arises, recognising the serious operational difficulties which may occur when governing bodies are incomplete.

7. The LA is able to remove governors which it has appointed by giving written notice to the clerk to the Governing Body and to the governor who is to be

removed. The governor will be given the opportunity to make written representation before removal. The LA will only remove a governor for a good reason.

8. Whilst it is anticipated that such procedures will be used infrequently, it is important for there to be a mechanism in place, if required, for the removal of local authority governors in order to ensure that difficulties, if they arise, can be dealt with in a consistent way. It is expected that these procedures would be used, for example, where there is evidence that the governor concerned has seriously or persistently breached their Governing Body's Code of Conduct, or there are significant other issues such as those detailed below. Removal of a local authority governor from office will only be used as a last resort after seeking to resolve any difficulties or disputes in a constructive way. Before the LA begins a formal process of removal, LA Officers will offer some form of conciliation, if appropriate, to seek to resolve the situation. Where there is no effective remedy, then the governor may be considered for removal from office.

9. All requests to remove a local authority governor from office would in the first instance be referred to the Chief Officer, Education who will consider the grounds for removal. The Chief Officer will then make a recommendation to the Chair of the LA Governor Appointments Committee on whether there are grounds for removal and they will take a decision. If the Chair of the Committee decides that there are no grounds for removal, they will write to the proposer and if appropriate, the governor concerned, setting out the reasons for the decision and advising, where appropriate, on a way forward to resolve any remaining difficulties. If the Chair of the LA Governor Appointments Committee decides that there may be grounds for removal, they will write to the governor concerned setting out the reasons why the matter has been referred for decision by the Committee and invite the governor to make written representation.

10. Reasons for the removal from office include, but may not be limited to, any of the following:

- Conduct that is inconsistent with the ethos or religious character and has or is likely to bring the school, the governing body or their office as a governor, or the LA into disrepute.
- Serious failure to co-operate with the LA, governors or the governing body as a whole.
- Irretrievable breakdown in relationship between the governor and the governing body and/or local authority.

11. The LA Governor Appointments Committee will meet and make a decision on the matter following receipt of the written representations from both parties. If necessary, both parties may be called to a meeting to give an account of their representation.

12. If a decision to remove is made, the Chair of the LA Governor Appointments Committee will write to the governor dismissing them from the Governing Body of the School, setting out the reasons for the decision. A copy of the letter will be copied to the clerk to the Governing

Body. If the proposal is not agreed, the Chair of the LA Governor Appointments Committee will write to the proposer and governor concerned, setting out the reasons for the decision and advising, where appropriate, on a way forward to resolve any remaining difficulties. Any governor who is removed from office may not be appointed to a governing body as a LA governor for a period of twelve months from removal. Should the governor concerned hold office on another governing body, that position would not necessarily be affected by his/her removal from the governing body the removal relates to; however, consideration would be given to this at the same time.

SUBJECT:	Constitution
MEETING:	Council
DATE OF REPORT:	18 May 2023
DIVISION/WARDS AFFECTED:	All

1. PURPOSE

1.1 To consider the updated MCC Constitution.

2. RECOMMENDATIONS

2.1 Council approve the reviewed and updated Constitution.

3. KEY ISSUES

3.1 Local Authorities operate under myriad laws and similarly exercise a raft of legal powers. The purpose of the Constitution is for Council to determine how it wishes the organisation to function.

3.2 Fundamentally that means Council setting out the standards that it expects, the ways in which business will be conducted, the architecture of the organisation and the delegation of the powers that the Council has to enable effective and expedient decision making.

3.3 The Monitoring Officer is delegated authority to make editorial and legal changes to the Constitution and has committed to bringing the document to Council each year to inform Council of any changes that have been made. Substantive amendments still require Full Council approval regardless.

3.4 Appendix 1 sets out the record of changes. Changes fall into 4 predominant categories:

- a. feedback received from discussions in meetings. This generally stems from seeing the constitution in use within the conduct of meetings and issues identified either by the Monitoring Officer or raised with him by a Member, Officer or committee;
- b. Council or committee decisions that change the nature of the constitution;
- c. legislative change;
- d. editorial.

4. EQUALITY AND FUTURE GENERATIONS EVALUATION (INCLUDES SOCIAL JUSTICE, SAFEGUARDING AND CORPORATE PARENTING)

4.1 The nature of the document is to create the framework for the organisation's conduct and decision making, rather than a specific decision, so there are no specific equality, socio economic or future generations impacts identified.

5. OPTIONS APPRAISAL

5.1 The legislative changes have to be included as a matter of law. Changes that relate to Council decisions have to be included but may be amended in the future following a further Council report and decision.

6. RESOURCE IMPLICATIONS

6.1 There are no costs identified as part of the review.

7. CONSULTEES

7.1 The proposed changes were discussed in Democratic Services Committee on [20 Mar 23](#) where the discussion focussed largely on the changes to SCARE. A number of proposals resulted from the meeting and from Councillors thereafter that have either been incorporated or, if not, an explanation given as to why. SACRE discussed the matter at the meeting on [8 Mar 23](#) but was not quorate.

7.2 Additional briefings have been offered/delivered to Cabinet and Group Leaders. SLT have also been copied.

Appendix One – Record of Changes

Format

1. The Constitution is split into 6 'Parts':
 - a. Part 1 – Introduction. What the constitution is, how it should be used, and how to get involved;
 - b. Part 2 – Articles of the Constitution. The architecture – Councillors, Committees, roles and everything that makes up the organisation;
 - c. Part 3 – Responsibility for Functions. Where decision making powers lie and how they are delegated;
 - d. Part 4 – Rules of Procedure. How are meetings conducted, how is information accessed, budget and policy setting, the rules applicable to the Executive and to Select Committees and financial, contractual and employment rules;
 - e. Part 5 – Codes and Protocols. Code of Conduct, standards expected of Officers, bribery and corruption, disclosure of information, whistleblowing etc;
 - f. Part 6 – Schedule of Members' Remuneration.
3. Each part is split into sections, subsections, paras and sub-paras split thus:
4. Section.
 - 4.1 Sub-section.
 - 4.1.1 Para.
 - (a) Sub-para.
 - (i) Sub-para.
 - (1) Sub-para.
5. Sections and sub-sections are hyperlinked in the contents page.

Changes

6. The table below seeks to set out the changes made since the last Council report. A track changed version of the document is available.

Section, Subsection or Para	What	Notes
Various	Removal of references to Chairman	Replaced by Chair as per gender neutral tone of whole document
2.2.1	Number of Councillors	Amended to 46
3.2	Definitions	SACRE changed to SAC
3.3.5	Interpretation	A line included to encompass amendments and post-Brexit legislation as being inherently applied to any quoted Act or Instrument throughout the document
4.2.1(a)	Voting Age	Changed to 16+ from 18 (for local elections)
4.3	Petitions	Some editorial changes to make the process clearer. Links to the MCC e-petition tool and to Scrutiny Committee guidance included.
9.6.1	Delegation of Executive Functions	Area Committees added as per the commentary set out below at section 12 Area Committees
10.1.1	SACRE	Renamed as SAC and changes to representation etc made to represent the change in the legal terms of reference. Key change is the inclusion of non-religious philosophical convictions and a representative therein.
12	Area Committees	<p>The current definition of Area Committees is legally incorrect.</p> <p>This section has been amended to reflect the legal definition of Area Committees as per s18 LGA00 – essentially, that they are an executive function to establish for the purposes of the exercising of executive powers within a defined geographic area.</p> <p>This is a narrower definition and so provision is made for the creation of Area Forums that seeks to retain some of the possible purposes that were previously set out in the Constitution.</p> <p>However, the onus for such committees is switched from a Council decision to requiring the process to be led by the ward Members of the relevant geographic area such that they can be established and run in accordance with local need.</p> <p>Additionally, recognition is given to the fact that both above functions are heavily skewed to the leadership and decision making of County Councillors, rather than enabling community led engagement or allowing bespoke, flexible arrangements to be established to enable geographically specific engagement as we have seen take place organically.</p>
14.1.2	Chief Officer Functions and Responsibility	Facilities and Fleet and Special Projects replaced by Decarbonisation, Transport & Support Services.
21.1.1	SACRE	Changes in line with those made to 10.1.1
21.1.1 and 33.8.2	Governance and Audit Committee	Recognising that the GAC undertakes, on Council's behalf, the approval of the final statement of accounts.
22.1.3	Local Choice Functions Table	<p>Additional clarity applied to the appointment of Councillors to representative office or roles not already covered by the provisions of the AGM.</p> <p>This has been clarified to provide consistency around appointments for roles such as Council 'Champions'.</p>

26.3.2(h)	Delegations to CO C&P	Recognition of the need to act within the suite of policies relating to energy and decarbonisation.
26.5.2	Delegations to CO CYP	Various deletions as legislation has lapsed or been amended (as per SAC changes above)
26.6.2(s)	Delegations to Monitoring Officer	Nominate MO as a 'qualified person' as required by the FOI Act 2000
27.1.2	Amendments to Reports	A clarification that statutory reports to note (eg CO SCH or CO CYP annual reports that are required by law) cannot be subject to amendment by Council.
27.13.3	Amendments to Reports	<p>A change to the discretion that the Chair can apply to the notice rule. It has been changed from the complexity of seeking a Council vote on the matter to a simpler approach that simply seeks the approval of the relevant Cabinet Member responsible for the report.</p> <p>The rationale is that amendments to reports should be very rare given that a report (unlike a motion) contains a significant amount of information. When it is appropriate to suggest an amendment, it should be possible to do so with notice to the HODS and so the relevant report owner given that the report will have been publicly available for 5 working days before the meeting.</p> <p>However, in the even rarer instance that an amendment becomes pragmatic in the course of a discussion in Council, rather than seek a vote on the matter, the Chair will simply seek the approval of the relevant Cabinet Member to accept an amendment. If the Cabinet Member refuses, then the option remains for the proposer and supporters of the amendment to simply vote the report recommendations down.</p>
27.14.5	Urgent Motions	Urgent motions have always been reference in 27.14.1 but no guidance provided on how they might be submitted and accepted. This addition seeks to make it a 2-step process that resides with the Monitoring Officer and Chair.
27.22	Motions	Chair's discretion as applicable to 27.22 now extended to 27.15 and 27.17
27.27.6	Voting	Amended to reflect recent practice in making use of the roll call for votes that has a difference of 2 or fewer. Where this is done, the numbers of the vote will be recorded in the minutes (but not named unless there is a request for a recorded vote.)
27.29.1	Attendance	Simple change to note that the Dem Services Officer will make a note of attendance.
29.	Budget and Policy Framework	<p>Clarification that the review/reconsider process and return to Council only applies to the budget process, not all policies.</p> <p>Consultation period updated from a 6-week requirement (which has not been practised for a number of years) to a minimum 3-week period. The expectation is that the convention of a 4-week consultation will continue.</p> <p>Because of the timing of the WG announcement on the indicative settlement of LAs in December, and the legal duty to have set the budget by 11 Mar each year, a 6-week consultation cannot be realistically incorporated into the available time.</p>
39.8.1	Scrutiny Pre-meetings	Time changed from 15mins to typically 30mins before

PART 1 - INTRODUCTION

2 INTRODUCTION

2.1 Purpose and Content of the Constitution

- 2.1.1 The Constitution is at the heart of the Council's business and describes the various bodies that make up the Council, their functions, Membership and procedural rules. It is divided between articles and rules of procedure and associated material. Articles are intended to set the overall framework and in general will not be subject to frequent change. They are about what is to be done and by whom. Procedure rules, codes of conduct and the other material located after the articles are broadly about how the articles will be put into effect. They may be subject to more frequent change.
- 2.1.2 Section 4 provides information for members of the public on how you can get information about the Council, and how you can get involved. We hope that this will help people who have an interest in the Council's work, or a particular matter it is dealing with, understand where they can get more information, and how they can contribute to Council activities.
- 2.1.3 You can get a better understanding of what each of the Council's bodies do in the Articles of the Constitution at Part 2, including Full Council, Cabinet, Scrutiny Committees, Standards Committee and Regulatory Committees. Section 14 provides information on the management and Officer structures of the Council. Some Officers have a specific duty to ensure that the Council operates within the law and uses resources wisely. Responsibility for functions is at Part 3 and details which Council bodies, and which Officers, have authority to make which decisions.
- 2.1.4 The procedural rules that apply to the different Council bodies are contained in Part 4 in the sections relating to those bodies, e.g. Full Council (Standing Orders), the Cabinet (Executive Procedure Rules) and Overview and Scrutiny (Scrutiny Committee Procedure Rules). You may find these useful if you want to attend a meeting, particularly if you want to be able to ask questions, have a matter discussed, or put your point of view.
- 2.1.5 Part 5 has the Codes of Conduct and Protocols with which Officers and Members have agreed to comply. They set the standards of behaviour.
- 2.1.6 A Constitution Guide is available on the website.

2.2 How the Council Operates

- 2.2.1 The Council comprises 46 Councillors elected every 5 years except as otherwise directed by the Welsh Government. Each Councillor is democratically accountable to the residents of their electoral division as well as all of those who live in Monmouthshire. The overriding duty of Councillors is to the whole community, but they have a special duty to their constituents, including those that did not vote for them.
- 2.2.2 All Councillors have agreed to follow a Code of Conduct, to ensure high standards in the way they undertake their duties. The Standards Committee is responsible for training and advising on the Code of Conduct.
- 2.2.3 All Councillors meet together regularly as the Council. Meetings of the Council are normally open to the public. Here Councillors decide the Council's overall Policy Framework and set the budget each year. The Council appoints the Leader of the Council annually. The Leader then decides the size and Membership of the Cabinet i.e. the role of individual Members of the Cabinet and arrangements for the exercise and delegation of Executive Functions. The Cabinet is appointed to carry out all of the Council's functions which are not the responsibility of any other part of the Council, whether by Law or under this Constitution, together with making decisions within the Budget and Policy Framework set by the Council.

3.3 Interpretation of the Constitution

3.3.1 We have tried to make the Constitution as clear and as easy to understand as possible. Inevitably, people will have different views about what certain passages mean.

3.3.2 The following structure and terminology is used throughout this document:

- (a) 'Part'. The Constitution is split into major parts defined thematically. You are currently in Part 1 – Introduction, the next Part is Part 2 – Articles of The Constitution and so on;
- (b) 'Section'. The Constitution is numbered consistently and sequentially throughout into bold, capitalised Sections. You are currently in Section 3 – Summary and Explanation;
- (c) 'Subsection'. Each Section is then split into 'Subsections' defined in bold, lower case titles. You are currently in Subsection 3.3 – Interpretation of the Constitution;
- (d) 'Paragraph' or 'Para'. Each Subsection is split into 'Paras' which generally are untitled and simply constitute written paragraphs. You are currently in Para 3.3.2;
- (e) 'Sub-paragraph' or 'sub-para'. Where required, Paras are split into 'sub-paras' which are generally untitled and simply constitute written sentences, often as part of a list. You are currently in sub-para 3.3.2(e), and you may see some further sub-paras such as:
 - (i) sub-para 3.3.2(e)(i)and so on.

3.3.3 During meetings, the person chairing or presiding at the meeting may interpret the relevant procedure rules. The Chair will call on the Monitoring Officer's assistance where required.

3.3.4 In all other situations, the Monitoring Officer will determine the interpretation and application of the Constitution.

3.3.5 Wherever legislation is cited it should be interpreted as inherent to the reference that it is inclusive of any subsequent amendments including any impact of post-EU withdrawal regulations.

3.4 Protocol for Monitoring and Review of Constitution by Monitoring Officer

3.4.1 A key role for the Monitoring Officer is to make recommendations for ways in which the Constitution could be amended in order to better achieve the purposes set out in this Section. In undertaking this task, the Monitoring Officer may:

- (b) undertake an audit trail of a sample of decisions;
- (c) record and analyse issues raised with them by Members, Officers, the public and other relevant stakeholders; and,
- (d) compare practices in this Council with those in comparable authorities, or national examples of best practice.

3.5 Changes to the Constitution

3.5.2 Minor Changes. If, in the reasonable opinion of the Monitoring Officer, a change is:

- a. a minor variation; or
- b. required to be made to remove any inconsistency, ambiguity or typographical correction; or

the Monitoring Officer may make such a change. Any such change made by the Monitoring Officer shall come into force with immediate effect. Such changes shall be reported to Full Council for information and within 12 months of any change.

3.5.3 Legislative Change. Any part of the Constitution may be amended by the Monitoring Officer where such amendment is required to be made so as to comply with any legislative provision. Such amendments shall take effect when the Monitoring Officer so decides or the legislation (where relevant) so provides. Such changes shall be reported to Full Council for information and within 12 months of any change.

3.6 Suspension of the Constitution

3.6.1 Limit to Suspension. Any of the procedure rules contained in the Constitution may be suspended to the extent permitted within these rules and the law.

3.6.2 Procedure to Suspend. A motion to suspend any Rules will not be moved without notice unless at least one half of the whole number of councillors is present. The extent and duration of suspension will be proportionate to the result to be achieved, taking account of the purposes of the Constitution set out in this Section.

3.7 Publication

3.7.1 The Monitoring Officer will ensure that copies of this Constitution are available for inspection at Council offices and on the Council's website.

3.7.2 The Monitoring Officer will provide a link to a copy of this Constitution to each Member of the Council upon delivery to them of that individual's declaration of acceptance of office on the Member first being elected to the Council and thereafter ensure that an up to date version is available for inspection and published on the Council's website.

The public may be excluded from meetings where it is likely that exempt information will be disclosed. (See Access to Information Rules for definition of 'exempt information' and 'public interest'.)

4.3 Petition Scheme

- 4.3.1 Creating or taking part in a petition is one way individuals, community groups and organisations can influence decisions that the Council take that impact on local services. A petition has the ability to:
- (a) raise awareness of an issue;
 - (b) bring about a change Council Policy or a different way of delivering services
 - (c) prompt members of the Council to take further action, for example asking questions at Full Council;
 - (d) lead to, or influence, a debate at a meeting of the Council.
- 4.3.2 Before submitting a petition you should first check with you local Councillor to see if the Council is already acting on your concerns and that the Council is the most appropriate body to receive your petition.
- 4.3.3 How can I submit a petition? Monmouthshire County Council accepts petitions in paper format or electronically [here](#).
- 4.3.4 E-petitions will make the submission of a petition to the Council quicker and easier whilst allowing the petition organiser to track its progress. The submission of both paper and e-petitions to the Council are acceptable however people will only be able to sign a petition once regardless of the format they use.
- 4.3.5 How do petitions work? You create a petition. Only people or organisations that live, work or study within Monmouthshire are able to create a petition. If you are using a paper petition there is no set format that needs to be followed and you can device your own petition for submission. If you wish to create an e-petition as well, you can do so on the Monmouthshire County Council website.
- 4.3.6 When you submit an e-petition you will become the 'lead' petitioner and you will be required to provide the Council with basic personal information so that we can contact you. If you are signing an e-petition you will be required to provide us with basic personal information, including an email address, to enable us to verify the signatures collected are genuine. When you have submitted this information you will be sent an email to the email address you have provided. The email will include a link which must be clicked on to confirm the email address is valid. Once this step is complete your signature will be added to the e-petition. Your name, but no other information, will be published on the e-petitions website.

- 4.3.7 What happens when the e-petition is complete and how is it submitted? Your e-petition will need to include:
- (a) a title
 - (b) a statement explicitly setting out what action you would like the Council to take;
 - (c) any information which you feel is relevant to the e-petition and reasons why you consider the action requested to be necessary. You may include links to other relevant websites;
 - (d) a date when you would like your e-petition to live on the website. Please allow sufficient time for the Council to consider the suitability of the petition and discuss any issues with you;
 - (e) a date when your e-petition will stop collecting signatories. You may want to consider this date in line with the calendar of meetings to ensure the petition is submitted before the relevant meeting of the Council. We will automatically host your petition for 60 days;
 - (f) your name – as lead petitioner your name will be displayed with your e-petition on the Council website.
- 4.3.8 When an e-petition reaches its closing date, people will no longer be able to sign the petition online. The list of signatories will be collated by Democratic Services and the lead petitioner will be contacted regarding submission of the completed e-petition. In order for the Council to take action, the petition will require a minimum 25 signatories.
- 4.3.9 Petitions will be submitted initially to the most relevant Scrutiny Committee where it will appear as an agenda item if 4.3.10 is satisfied. The Committee will then discuss the issue and determine what steps to take as a result. These could include referral to:
- (a) Full Council for a debate on the matter;
 - (b) the relevant Cabinet Member with a request to report back to the committee;
 - (c) a relevant working group, committee or joint committee with an appropriate terms of reference to address the matter or incorporate the views into their work;
 - (d) a relevant senior officer for inclusion in an ongoing piece of work, consultation or project.

4.3.10 The petition must be presented by a Councillor; typically this will be the relevant Ward Member. Where no such sponsor has been identified by the lead petitioner Democratic Services will forward the petition and the petitioner's details to the relevant Ward Councillor following the close of the petition. A Member is not obliged to present a petition; if the first Member approached to present a petition does not wish to, then any other Member may be approached.

4.3.11 What issues can my petition relate to? Your petition should be relevant to an issue that the Council has powers or duties or on which it has shared delivery responsibilities. It should also be submitted in good faith and be decent, honest and respectful. Your petition may be rejected if the Monitoring Officer considers it:

- (a) contains intemperate, inflammatory, abusive or provocative language;
- (b) is defamatory, frivolous, vexatious, discriminatory or otherwise offensive or contains false statements;
- (c) is too similar to another petition submitted within the past six months, particularly where further action has been taken as a result of receiving the petition;
- (d) discloses confidential or exempt information, including information protected by a court order or government department or discloses information that could be considered commercially sensitive;
- (e) names individuals or provides information where they may be easily identified and is contradictory to data protection laws;
- (f) contains advertising statements;
- (g) is unclear in intent, request and purpose or is deemed intentionally vague or nonsensical;
- (h) refers to an issue that is currently the subject of a formal Council complaint, consultation, public services ombudsman for Wales complaint or any legal proceedings;
- (i) does not relate to an issue upon which the Council has powers or duties or on which it has shared deliver responsibilities

4.3.12 If a petition is deemed unacceptable then the lead petitioner will be notified along with the reasons for its rejection. During politically sensitive periods, such as prior to an election, politically controversial material may need to be restricted.

4.3.13 If your petition relates to an issue which is beyond the powers of the Council to address, it may be more appropriate to start a petition on the Senedd website - [Petitions \(senedd.wales\)](https://www.senedd.wales).

4.3.14 More information on Scrutiny Committees can be found [here](#).

12.2.2 It might be that in order to facilitate a discussion around a matter (for example, the Local Development Plan) that has geographic relevance along the same defining criteria as set out in 12.1.2, an area forum be called together. Such a forum can only be established with the approval and leadership of the relevant ward members.

12.2.3 Such forums do not have the same legal definition as an Area Committee but may be formed to:

- (b) ensure properly co-ordinated services on a local level;
- (c) encourage effective collaboration with public, private and voluntary sector partners locally to help the Council meet the aspirations of local people;
- (d) provide a forum for views of local communities and to encourage discussions and debate on matters of particular relevance to the area.

12.3 Other Area Engagement

12.3.1 Nothing set out in this section will act as a barrier to the establishment of or engagement by the Council with other geographically defined fora. This may include Community Councils forming clusters, community groups or other models where a Council project would benefit from local engagement.

The political balance requirements do not apply to such appointments.

PART 3 – RESPONSIBILITY FOR FUNCTIONS

19 INTRODUCTION TO FUNCTIONS

19.1 Purpose

- 19.1.1 Part 3 – Responsibility for Functions is designed to set out who is responsible for making decisions in Monmouthshire County Council. It should be read in conjunction with the guidance in Section 15 Decision Making.

19.2 Who can be Decision Makers?

- 19.2.1 Under this constitution, there are a number of different decision makers:

- (a) Full Council;

- (b) Committee or Sub-Committee of the Council;
- (c) the Executive Leader;
- (d) the Executive (Cabinet);
- (e) a Committee of Cabinet;
- (f) an individual Cabinet Member;
- (g) a Joint Committee;
- (h) a corporate joint committee;
- (i) an Officer.

19.2.2 The Council must issue and keep up to date a record of which individual has responsibility for particular types of decisions. This is the purpose of Part 3.

19.3 Executive Councils

19.3.1 Monmouthshire County Council is an Executive authority with a Leader elected by the Council (as opposed to, for example, having a directly elected Mayor). This is the most common form of Local Government in Wales.

19.3.2 Under this system, decisions and functions fall by default to the Executive as established by Part II of the Local Government Act 2000. However, this does not make the Executive supreme, and subsequent legislation such as the Local Authorities (Executive Arrangements) (Functions and Responsibilities) (Wales) Regulations 2007 and its subsequent amendments provide further detail on what functions have to sit with the Executive, what functions must not sit with the Executive, and what functions are left to individual Local Authorities to decide where they wish them to sit.

19.4 Functions

19.4.1 Given the legislative structure referred to at 19.3.2, Functions fall into the following categories.

19.4.2 Functions of the Full Council. The Council is the supreme decision-making body and may, with some exceptions, exercise any of the functions vested in the Council by Law. It may also delegate many of those functions to a Committee, Sub-Committee or Officer.

19.4.3 Non-Executive Functions. These are functions which, by law, may not be the responsibility of the Cabinet. In some cases, only the Full Council meeting may take the decision. In other cases, the Council may delegate the responsibility for taking the decision to a Committee (who may further sub-delegate) or an Officer.

19.4.4 'Local Choice' Functions. There are some functions which the Council may treat as being the responsibility of the Cabinet (in whole or in part) or as being non-executive, at its discretion. Again, these functions may be delegated to a Committee or an Officer.

19.4.5 Executive Functions. As per 19.3.2, all other functions not defined as falling under the above categories are Executive functions that may be delegated to individual Cabinet Members, Committees or Officers by the Leader.

19.5 Other Bodies

19.5.1 Advisory Bodies. The Council and/or the Leader can also set up Advisory Committees and Joint Advisory Committees.

19.5.2 Scrutiny Committees. Scrutiny Committees are responsible for the overview and scrutiny function. They cannot exercise other functions and make decisions.

19.5.3 Officer Delegations. Officer delegations are also contained in this Section of the Constitution.

19.5.4 Joint Committees. Committees established in agreement with other authorities or bodies with a view to having decision making powers.

19.6 Removal of Delegation

19.6.1 Where a function has been delegated, the body that delegated the function may withdraw the delegation generally or in any case and may exercise the function itself.

19.6.2 Where a function has been delegated, the decision maker is not required to exercise the delegation and may refer any matter to the body that made the delegation or any other body that has power to exercise the function.

19.7 Who May Exercise Officer Delegations?

19.7.1 Where a function has been delegated to an Officer(s) (“delegated Officer(s)”), the decision may be taken in the name of (but not necessarily personally by) such delegated Officer(s) (“authorised Officer(s)”) in accordance with arrangements made from time to time by such delegated Officer(s) for this purpose. The Officer with delegated powers can delegate to a third party unless that Officer is specifically restricted from doing so relevant to that specific power.

19.7.2 Where a function has been delegated, the body that delegated the function may withdraw the delegation generally or in any case and may exercise the function itself.

19.7.3 Where a function has been delegated, the decision maker is not required to exercise the delegation and may refer any matter to the body that made the delegation or any other body that has power to exercise the function.

20 FULL COUNCIL

20.1 Functions Only to be Exercised by Full Council

20.1.1 In accordance with sub-para 6.3.1 only the Full Council will exercise the following functions:

- (a) adopting and changing the Constitution;
- (b) approving or adopting the Corporate Plan, Policy Framework, the budget and any application to the Senedd in respect of any Housing Land Transfer;
- (c) subject to the urgency procedure contained in the Access to Information Procedure Rules, making decisions about any matter in the discharge of an Executive Function which is covered by the Policy Framework or the budget where the decision maker is minded to make it in a manner which would be contrary to the Policy Framework or contrary to/or not wholly in accordance with the budget;
- (d) appointing and removing the Leader;

- (e) agreeing and/or amending the terms of reference for Committees, deciding on their composition and making appointments to them (in accordance with the Local Government and Housing Act 1989) unless the appointments have been delegated by the Council;
- (f) changing the name of the area or conferring the title of freedom of the County;
- (g) making or confirming the appointment of the Chief Executive and other Chief Officers;
- (h) making, amending, revoking re-enacting or adopting bylaws and promoting or opposing the making of local legislation or Personal Bills;
- (i) all Local Choice Functions set out in this Constitution which the Council decides should be undertaken by itself rather than the Cabinet;
- (j) all matters which by law must be reserved to the Council. For example, appointing the Chair of the Democratic Services Committee and the pay policy statement;
- (k) appointing representatives to outside bodies unless the appointment has been delegated by the Council or is exercisable only by the Cabinet.

The policy framework includes the plans and strategies listed in Schedule 3 to the Local Authorities (Executive Arrangements) (Functions and Responsibilities) (Wales) Regulations 2007 (as amended), together with such other plans and strategies which the Authority may decide should be adopted by the Council as a matter of local choice, as set out in this Constitution.

23 EXECUTIVE

23.1 What are they?

23.1.1 These are the functions to be carried out by the Executive (Cabinet) on behalf of the authority. They are subject to the restrictions and obligations placed upon the Executive by the Local Authorities (Executive Arrangements) (Functions and Responsibilities) (Wales) Regulations 2007 as amended.

23.2 The Functions

23.2.1 References are made throughout this Constitution to matters that must be dealt with by Cabinet; these are not repeated here. The above legislation, and the general purpose of an Executive-led Council, is that matters not reserved to Council, allocated elsewhere via the Local Choice Functions table or prohibited from sitting with the Executive by legislation default to being an Executive matter and any desired delegation thereafter.

23.2.2 The list below therefore is not definitive nor exhaustive and, where doubt exists, the Monitoring Officer should be consulted.

23.3 Delegation of Functions

23.3.1 Responsibility is delegated to each Executive Member for functions within the scope of their portfolio, provided a matter is:

- (a) within the policy framework or corporate policy;
- (b) is not in conflict, or does not compromise any existing or proposed policy;
- (c) has no corporate impact (does not apply to decisions within corporate portfolios);
- (d) is within approved budgets or within virement discretion;
- (e) is not considered (by the executive member or the Leader) to be too sensitive or controversial to be decided "within-portfolio";

and subject:

- (f) in all cases to the Leader being able to require any proposed decision to be taken by the Executive itself (where they judge this appropriate);
- (g) to the executive taking the final decision on joint arrangements, arrangements to provide well-being-partnership arrangements and delegations to other local authorities;
- (h) to the Executive itself making policy framework and byelaw recommendations to Council.

23.3.2 Providing the above criteria are met, cross-portfolio decisions may be made by individual Executive Members in respect of their responsibilities provided there is agreement between the Executive Member concerned on the cross-portfolio decisions to be taken. In the absence of this, the decisions will fall to the Executive.

23.3.3 Cabinet may delegate matters to an appropriate Officer as long as it is a matter within the remit of the Executive.

23.4 Executive Functions List

23.4.1 The following list needs to be read in conjunction with the rest of Section 23:

- (a) to take any urgent decisions which are contrary or not wholly in accordance with the approved Budget or contrary to the Policy Framework;
- (b) to develop a medium term financial strategy, with priorities and targets, over a rolling three year period;
- (c) to prepare, agree and, if appropriate, consult on the Authority's plans, policies and strategies which do not form part of the Policy Framework;

- (i) to recommend to the Council the annual budget, including the Capital and Revenue Budgets and the level of Council Tax;
- (j) to ensure that the annual budget is implemented and the underlying principles adhered to in any changes required from time to time and between annual budgets. This will include recommending to Council any changes to policy that will materially reduce or increase the services of the Authority or create significant financial commitments in future years;

- (n) to authorise the making of compulsory purchase orders except for compulsory purchase orders made in respect of single houses under Part II of the Housing Act 1985 and or the Acquisition of Land Act 1981;
- (o) to consider, at least annually, the level of reserves, provisions and balances held by the Authority and to make recommendations to Council where appropriate;
- (p) to approve writing-off of debts in any case where arrangements have not been made for discharge of the function by an officer;
- (q) to approve the write-off of stocks, stores and other assets in any case where arrangements have not been made for discharge of the function by an officer;
- (r) to approve revenue and capital budget virements or any inter-service virements where the purpose of the budget has been amended or in any case where arrangements have not been made for discharge of the function by an officer and within the Policy and Budgetary Framework and Financial procedure Rules;

- (z) to receive reports from appropriate officers of the Council, and/or Cabinet Members, on significant matters requiring consideration/decision, and/or proposals for new or amended policy and its implementation;
- (aa) to have discretion to seek the advice or comments, of a Scrutiny Committee or other relevant body, in relation to significant matters before making a decision.

28.11 Public Interest Test

28.11.1 Information which:

- (a) falls into the relevant sections in the table above; and
- (b) is not prevented from being exempt by virtue of the 'qualifications' above, is exempt information if and so long, as in all the circumstances of the case, the public interest in maintaining the exemption outweighs the public interest in disclosing the information.

28.11.2 Information falling within the table is not exempt by virtue of that paragraph if it relates to proposed development for which the local planning authority can grant itself planning permission under Regulation 3 of the Town and Country Planning General Regulations 1992.

28.12 Disclosure by Members

28.12.1 Members will not make public Confidential or Exempt Information without the consent of the Authority or divulge information given in confidence to anyone other than a member or officer entitled to know it unless otherwise authorised.

28.13 Public Interest

28.13.1 Information within 28.10.5 may only be treated as exempt if an assessment of the public interest has been made.

28.13.2 The public interest should be assessed on a case by case basis having regard to all relevant factors, to ensure a proper balance is achieved between the right to know, the right to personal privacy and the delivery of effective government.

28.13.3 In making such an assessment the proper officer should have regard to any relevant prejudice which may be caused to the Authority or any other party if the information were disclosed, having regard to the full context of any disclosure. Account may be taken of whether disclosure would breach any obligation of confidence or the rights of any individual under the Data Protection Act 2018 or the Human Rights Act 1998.

28.13.4 Account will be taken of the fact that the public interest may be served by allowing access to information which would:

- (a) further the understanding of and participation in debating issues of the day;
- (b) facilitate transparency and accountability in and enhance scrutiny of decisions taken by the Authority;
- (c) facilitate transparency and accountability in the spending of public money;
- (d) help individuals understand the decisions made by the Authority affecting their lives;
- (e) bring to light information affecting public safety or danger to the environment;
- (f) contribute to the administration of justice and enforcement of the law or the prevention or detection of crime or the apprehension or prosecution of offenders;

- (g) protect the public from unsafe products or rogue traders or practices;

28.13.5 In making such an assessment the following factors should be regarded as irrelevant:

- (a) possible embarrassment to the Authority or its Officers;
- (b) possible loss of confidence in the Authority or other public body;
- (c) the seniority of persons involved in the subject matter;
- (d) the risk of the public misinterpreting the information.

28.14 Exclusion of Access by the Public to Reports

28.14.1 If the proper officer thinks fit, the Council may exclude access by the public to reports which in their opinion relate to items during which the meeting is likely not to be open to the public. Such reports will be marked "Not for publication" together with the category of information likely to be disclosed.

28.15 The Forward Work Programme

28.15.1 Period of forward work programme. The forward work programme will be prepared by the Chief Executive to cover a period of 4 months. It will be updated quarterly on a rolling basis.

28.15.2 Contents of forward work programme. The forward work programme will contain matters which the executive, Scrutiny committees and full Council are likely to consider. It will contain information on:

- (a) the timetable for considering the budget and any plans forming part of the policy framework and requiring council approval, and which body is to consider them;
- (b) the timetable for considering any plans which are the responsibility of the executive;
- (c) any individual matters on which the executive intends to consult in advance of taking a decision, and the timetable for consultation and decision;
- (d) the work programme of the Scrutiny committees, to the extent that it is known.

28.16 Consultation on Proposals to be Considered by the Executive

28.16.1 At least 2 weeks should be permitted in the forward plan timetable for consultation with relevant Scrutiny committees and ward members where a matter is to be considered by the executive and is not urgent (as defined below) or confidential or exempt.

28.16.2 A matter may be considered urgent where the events to which it is addressed were unforeseen at the time that the last forward work programme was produced and a decision is required within (the minimum time provided for consultation as specified above).

28.16.3 A decision can only be treated as urgent if the decision taker (if an individual) or the chair of the body making the decision obtains the agreement of the chair of a relevant Scrutiny committee that the taking of the decision cannot be reasonably deferred. If there is no chair of a relevant Scrutiny committee, or if the chair of each relevant Scrutiny committee is unable to act, then the agreement of the Chief Executive, will suffice.

28.16.4 Any decisions taken under this urgency procedure will be recorded as having been taken in the absence of consultation in the decision record.

28.17 Record of Decisions of the Executive

28.17.1 The decision record:

- (a) a written record will be made of every executive decision made by the executive and its committees (if any) and individual members, and to joint committees and joint sub-committees whose members are all members of a local authority executive;
- (b) this decision record will include a statement, for each decision, of:
 - (i) the decision made;
 - (ii) the date the decision was made;
 - (iii) the reasons for that decision;
 - (iv) any personal interest declared;
 - (v) any dispensation to speak granted by the authority's standards committee;
 - (vi) the consultation undertaken prior to the decision and, if such consultation has not taken place, the reason why.

28.17.2 Preparing the decision record:

- (a) the proper officer or their representative shall attend any meeting of the executive, a committee of the executive or a joint committee or joint sub-committee where all its members are members of a local authority executive, and shall as soon as reasonably practicable after the meeting produce a decision record;
- (b) where an individual member has made any executive decision:
 - (i) that member shall as soon as reasonably practicable instruct the proper officer to produce a decision record; and
 - (ii) the decision shall not be implemented until that decision record has been produced, subject to (c) below;
- (c) where the date by which an executive decision made by an individual member must be implemented makes compliance with (b) ii above impracticable, the decision may be implemented if the decision maker has the agreement of the Chair (or in their absence, the vice-chair) of the relevant Scrutiny committee, that the making of the decision is urgent and cannot reasonably be deferred.

28.18 Decisions by an Individual Member of the Executive

- 28.18.1 Reports intended to be taken into account. Where an individual member of the executive receives a report which they intend to take into account in making any decision, then they will not make the decision until at least 5 clear days after receipt of that report.
- 28.18.2 Provision of copies of reports to Scrutiny committees. On giving of such a report to an individual decision maker, the person who prepared the report will give a copy of it to the chair of every relevant Scrutiny committee as soon as reasonably practicable, and make it publicly available at the same time.
- 28.18.3 Record of individual decision. The decision recording rules above will apply.

28.19 Scrutiny Committee Members' Access to Documents

- 28.19.1 Rights of access. Subject to 28.19.2 a Scrutiny committee (including its sub-committees) will be entitled to access to any document which is in the possession or control of the executive or its committees and which contains material relating to:
- (a) any business transacted at a meeting of the executive or its committees; or
 - (b) any decision taken by an individual member of the executive.
- 28.19.2 Limit on rights. A Scrutiny committee or sub-committee will not be entitled to any part of a document that contains:
- (a) confidential or exempt information, or
 - (b) advice provided by a political advisor or assistant;
- unless that information is relevant to an action or decision that is being reviewed or scrutinised or any review contained in a programme of work of that committee or sub-committee.
- 28.19.3 Disclosure. Exempt or confidential information supplied to a member in accordance remains exempt or confidential.

28.20 Additional Rights of Access for Members

- 28.20.1 Rights of access. All members will be entitled to inspect any document which is in the possession or under the control of the executive or its committees and contains material relating to any business transacted at a meeting of a decision making body of that authority or by an individual member of the executive.
- 28.20.2 Limitation on rights. A member will not be entitled to any part of a document where:
- (a) it would disclose exempt information falling within paragraphs 12 to 18, 21, 23, 24 and 26 of Schedule 12A of the Local Government Act 1972, or
 - (b) it would disclose advice of a political advisor or assistant.
- 28.20.3 Nature of rights. These rights of a member are additional to any other right they may have.

28.20.4 Other Rights of Members. Notwithstanding any restriction in the foregoing provisions, all reports (including those that are “exempt” or “confidential” by virtue of Schedule 12A Local Government Act 1972 as amended) to all decision making bodies are available to all members.

28.20.5 A Member will not make public information which is confidential or exempt without the consent of the Council or divulge information given in confidence to anyone other than a Councillor or person(s) or organisation(s) entitled to know it.

29 BUDGET AND POLICY FRAMEWORK

29.1 The Budget Setting Process

29.1.1 The Council will be responsible for the adoption of its policy framework and budget. The budget needs to accord with legal time constraints and so this procedure is designed to assist that. The budget adopted by the Council will be based on that proposed by the executive. Once a budget is in place, it will be the responsibility of the executive to implement it.

29.1.2 The process by which the budget shall be developed is:

- (a) the executive will publicise by including in the forward plan and at the Council’s offices a timetable for making proposals to the Council for the adoption of the budget, and its arrangements for consultation after publication of those initial proposals. The chair of Scrutiny committees will also be notified. The consultation period shall in each instance be not less than 3 weeks;
- (b) at the end of that period, the executive will then draw up firm proposals having regard to the responses to that consultation. If a relevant Scrutiny committee wishes to respond to the executive in that consultation process then it may do so. As the Scrutiny committees have responsibility for fixing their own work programme, it is open to the Scrutiny committee to investigate, research or report in detail with policy recommendations before the end of the consultation period. The executive will take any response from a Scrutiny committee into account in drawing up firm proposals for submission to the Council, and its report to Council will reflect the comments made by consultees and the executive’s response;
- (c) once the executive has approved the firm proposals, the Chief Executive will refer them at the earliest opportunity to the Council for decision;
- (d) in reaching a decision, the Council may adopt the executive’s proposals, amend them, refer them back to the executive for further consideration, or in principle, substitute its own proposals in their place;
- (e) if it accepts the recommendation of the executive without amendment, the Council may make a decision which has immediate effect. Otherwise, it may only make an in-principle decision. In either case, the decision will be made on the basis of a simple majority of votes cast at the meeting;
- (f) the decision will be publicised and a copy shall be given to the Leader;
- (g) an in-principle decision will automatically become effective 5 days from the date of the Council’s decision, unless the Leader informs the proper officer in writing within five days that they object to the decision becoming effective and provides reasons why;

- (h) similarly, if the budget is defeated, and therefore returns to the executive for further consideration, then the Leader has 5 days from the date of the Council's decision to inform the Chief Executive of their intention to return to Council with a proposal;
- (i) in each case, the proper officer will call a Council meeting within a further 10 days. The Council will be required to re-consider its decision and the Leader's written submission at that meeting. The Council may:
 - (i) approve the executive's recommendation by a simple majority of votes cast at the meeting; or
 - (ii) approve a different decision which does not accord with the recommendation of the executive by a simple majority;
- (j) the decision shall then be made public implemented immediately;
- (k) in approving the budget and policy framework, the Council will also specify the extent of virement within the budget and degree of in-year changes to the policy framework which may be undertaken by the executive, in accordance 29.1.5 and 29.1.6 (virement and in-year adjustments). Any other changes to the policy and budgetary framework are reserved to the Council.

29.2 Decisions Outside the Budget or Policy Framework

- 29.2.1 Subject to the provisions of 29.2.4 (virement) the executive, a committee of the executive, an individual member of the executive and any officers, area committees or joint arrangements discharging executive functions may only take decisions which are in line with the budget and policy framework. If any of these bodies or persons wishes to make a decision which is contrary to the policy framework, or contrary to or not wholly in accordance with the budget approved by full council, then that decision may only be taken by the Council, subject to 29.2.3 below.
- 29.2.2 If the executive, a committee of the executive, an individual member of the executive and any officers, area committees or joint arrangements discharging executive functions want to make such a decision, they shall take advice from the monitoring officer and/or the chief financial officer as to whether the decision they want to make would be contrary to the policy framework, or contrary to or not wholly in accordance with the budget. If the advice of either of those officers is that the decision would not be in line with the existing budget and/or policy framework, then the decision must be referred by that body or person to the Council for decision, unless the decision is a matter of urgency, in which case the provisions in 29.2.3 shall apply.
- 29.2.3 Urgent decisions outside the budget or policy framework:
- (a) the executive, a committee of the executive, an individual member of the executive or officers, area committees or joint arrangements discharging executive functions may take a decision which is contrary to the Council's policy framework or contrary to or not wholly in accordance with the budget approved by full Council if the decision is a matter of urgency. However, the decision may only be taken:
 - (i) if it is not practical to convene a quorate meeting of the full Council; and
 - (ii) if the chair (or if unavailable the vice chairman) of a relevant Scrutiny committee agrees that the decision is a matter of urgency.

The reasons why it is not practical to convene a quorate meeting of full Council and the chair of the relevant Scrutiny committees' consent to the decision being taken as a matter of urgency must be noted on the record of the decision;

- (b) following the decision, the decision taker will provide a full report to the next available Council meeting explaining the decision, the reasons for it and why the decision was treated as a matter of urgency.

29.2.4 Virement. The Council operates a scheme enabling controlled virement of revenue and capital expenditure as detailed within its Financial Procedure Rules.

29.2.5 In-year changes to policy framework. The responsibility for agreeing the budget and policy framework lies with the Council, and decisions by the executive, a committee of the executive an individual member of the executive or officers, area committees or joint arrangements discharging executive functions must be in line with it. No changes to any policy and strategy which makes up the policy framework may be made by those bodies or individuals except those changes:

- (a) which will result in the closure or discontinuance of a service or part of service to meet a budgetary constraint;
- (b) necessary to ensure compliance with the law, ministerial direction or government guidance;
- (c) in relation to the policy framework in respect of a policy which would normally be agreed annually by the Council following consultation, but where the existing policy document is silent on the matter under consideration.

29.2.6 Call-in of decisions outside the budget or policy framework:

- (a) where a Scrutiny committee is of the opinion that an executive decision is, or if made would be, contrary to the policy framework, or contrary to or not wholly in accordance with the Council's budget, then it shall seek advice from the monitoring officer and/or chief financial officer;
- (b) in respect of functions which are the responsibility of the executive, the monitoring officer's report and/or chief financial officer's report shall be to the executive with a copy to every member of the Council. Regardless of whether the decision is delegated or not, the executive must meet to decide what action to take in respect of the monitoring officer's report and to prepare a report to Council in the event that the monitoring officer or the chief finance officer conclude that the decision was a departure, and to the Scrutiny committee if the monitoring officer or the chief finance officer conclude that the decision was not a departure;
- (c) if the decision has yet to be made, or has been made but not yet implemented, and the advice from the monitoring officer and/or the chief financial officer is that the decision is or would be contrary to the policy framework or contrary to or not wholly in accordance with the budget, the Scrutiny committee may refer the matter to Council. In such cases, no further action will be taken in respect of the decision or its implementation until the Council has met and considered the matter. The Council shall meet within 21 days of the request by the Scrutiny committee. At the meeting it will receive a report of the decision or proposals and the advice of the monitoring officer and/or the chief financial officer. The Council may either:

- (i) endorse a decision or proposal of the executive decision taker as falling within the existing budget and policy framework. In this case no further action is required, save that the decision of the Council be minuted and circulated to all councillors in the normal way; or
- (ii) amend the council's budget or policy concerned to encompass the decision or proposal of the body or individual responsible for that executive function and agree to the decision with immediate effect. In this case, no further action is required save that the decision of the Council be minuted and circulated to all councillors in the normal way; or
- (iii) where the Council accepts that the decision or proposal is contrary to the policy framework or contrary to or not wholly in accordance with the budget, and does not amend the existing framework to accommodate it, require the executive to reconsider the matter in accordance with the advice of either the monitoring officer/chief financial officer.

31.4.1 There will be cross party Membership of all Scrutiny Committees. All councillors except members of the executive may be members of a Scrutiny committee. However, no member may be involved in scrutinising a decision in which they have been directly involved.

31.5 Meetings of the Scrutiny Committees

31.5.1 The Council may determine a cycle of meetings for the Scrutiny Committees. If the Council do not set the cycle, each such Scrutiny Committee shall determine their own cycle of meetings. The Chair, or in their absence the Vice Chair, may change the date or cancel meetings, or call additional meetings as they consider necessary to deal with the Scrutiny Committee's work programme. A meeting of a Scrutiny Committee may be called by the Chair (or in their absence, the Vice Chair) or by the Monitoring Officer or by the Head of Democratic Services, if they consider it necessary or appropriate.

31.6 Quorum

31.6.1 The quorum for a Scrutiny Committee shall be as set out in the Council Procedure Rules in [Section 27](#).

31.7 Agenda Items

- 31.7.1 Any Member of a particular Scrutiny Committee shall be entitled to give notice to the Proper Officer that they wish an item relevant to the functions of the that Scrutiny Committees to be included on the agenda for the next available meeting. Seven working days' notice of the item should be given to Proper Officer together with sufficient information to enable the Officer to advise about the nature and purpose of the item.
- 31.7.2 On receipt of such a request, so long as it is an appropriate matter to be considered, the Proper Officer will ensure that it is included on the next available agenda.
- 31.7.3 Scrutiny Committees shall also respond, as soon as their work programme permits, to requests from the Council and/or the Cabinet to review particular areas of Council activity. Where they do so, the particular Scrutiny Committees shall report their findings and any recommendations back to the Cabinet and/or Council. The Council and/or the Cabinet shall consider the report of the Scrutiny Committees within one month of receiving it.

31.8 Policy Review and Development

- 31.8.1 The role of the Scrutiny Committees in relation to the development of the Council's Budget and Policy Framework is set out in detail in the Budget and Policy Framework Procedure Rules above.
- 31.8.2 In relation to the development of the Council's approach to other matters not forming part of its Budget and Policy Framework, Scrutiny Committees may make proposals to the Cabinet for developments in so far as they relate to matters within their terms of reference.
- 31.8.3 Scrutiny Committees may hold enquiries and investigate the available options for future direction in policy development and may appoint advisers and assessors to assist them in this process. They may go on site visits, conduct public surveys, hold public meetings, commission research and do all other things that they reasonably consider necessary to inform their deliberations. They may ask witnesses to attend to address them on any matter under consideration and may pay to any advisers, assessors and witnesses a reasonable fee and expenses for doing so.

31.9 Reports from the Scrutiny Committees

- 31.9.1 All formal reports from the Scrutiny Committees will be submitted to the Proper Officer for consideration by the Cabinet (if the proposals are consistent with the existing Budget and Policy Framework), or to the Council as appropriate (e.g. if the recommendation would require a departure from or a change to the agreed Budget and Policy Framework).
- 31.9.2 If a Scrutiny Committee cannot agree on one single final report to the Council or Cabinet as appropriate, one minority report may be prepared and submitted for consideration by the Council or Cabinet with the majority report.
- 31.9.3 The Council or Cabinet shall consider the report of a Scrutiny Committee within one month of it being submitted to the Proper Officer.

31.10 Making sure that Overview and Scrutiny Reports are considered by the Cabinet

31.10.1 The agenda for Cabinet meetings shall include an item entitled "Issues Arising from Overview and Scrutiny". The reports of the Scrutiny Committees referred to the Cabinet shall be included at this point in the agenda (unless they have been considered in the context of the Cabinet's deliberations on a substantive item on the agenda) as soon as practicable. Where an item is not considered by the Cabinet within 3 months, the Cabinet will give an explanation of the reasons to the Chair of the relevant Scrutiny Committee as soon as practicable.

31.10.2 Where the Cabinet has delegated decision making power to another individual Member of the Cabinet, the relevant Scrutiny Committee will submit a copy of its report to them for consideration. At the time of doing so the Scrutiny Committee shall serve a copy on the Monitoring Officer. The Member with delegated decision making power must consider the report and respond in writing to the Scrutiny Committee within 3 months of receiving it. A copy of their written response to it shall be sent to the Proper Officer and the Leader. The Member will also attend a future meeting of that Scrutiny Committee to present their response.

31.11 Rights of Members of the Scrutiny Committees to Documents

31.11.1 In addition to their rights as Councillors, Members of the Scrutiny Committees have the additional right to documents, and to notice of meetings as set out in the Access to Information Procedure Rules.

31.11.2 Nothing in this paragraph prevents more detailed liaison between the Cabinet and the Scrutiny Committee as appropriate depending on the particular matter under consideration.

31.12 Members and Officers Giving Account

31.12.1 The Scrutiny Committees may scrutinise and review decisions made or actions taken in connection with the discharge of any Council functions. As well as reviewing documentation, in fulfilling the Scrutiny role, it may require any Member of the Cabinet, the Chief Executive and/or any senior Officer to attend before it to explain in relation to matters within their remit:

- (a) any particular decision or series of decisions;
- (b) the extent to which the actions taken implement Council policy; and/or
- (c) their performance and it is the duty of those persons to attend if so required.

31.12.2 For this purpose, senior Officer includes any chief Officer, Deputy Chief Officer and other appropriate senior Officer. Where there are concerns about the appropriateness of the Officer who should attend, the relevant chief Officer shall discuss this with the appropriate Overview and Scrutiny Chair or Vice Chair with a view to achieving consensus.

31.12.3 Where any Member or Officer is required to attend a Scrutiny Committee under this provision, the Chair of that Committee will inform the Proper Officer. The Proper Officer shall inform the Member or Officer, if necessary in writing, giving at least 10 working days' notice of the meeting at which they are required to attend (unless agreed otherwise). Any notice will state the nature of the item on which they are required to attend to give account and whether any papers are required to be produced for the Committee.

31.12.4 Where the account to be given to a Scrutiny Committee will require the production of a report, then the Member or Officer concerned will be given sufficient notice to allow for preparation of that documentation.

31.12.5 Where, in exceptional circumstances, the Member or Officer is unable to attend on the required date, then the Scrutiny Committee shall in consultation with the Member or Officer arrange an alternative date for attendance.

31.13 Attendance by Others

31.13.1 Scrutiny Committees may invite people other than those people referred to above to address it, discuss issues of local concern and/or answer questions. It may for example wish to hear from residents, stakeholders and Members and Officers in other parts of the public sector and shall invite such people to attend.

31.14 Call-In

31.14.1 Where a decision is made by the Cabinet an individual Member of the Cabinet or a Committee of the Cabinet or under joint arrangements, the decision shall be published by the Proper Officer, including where possible by electronic means, and shall be available at the main offices of the Council normally within 2 clear working days of it being made. All Members of the Scrutiny Committees will be sent copies of the records of all such decisions within the same time scale, by the person responsible for publishing the decision.

31.14.2 That notice will bear the date on which it is published and will specify that the decision will come into force and may then be implemented, on the expiry of 5 clear working days after the publication of the decision, unless a Scrutiny Committee objects to it and calls it in for review.

31.14.3 During that period the Proper Officer shall call-in a decision for scrutiny by a Scrutiny Committee if so requested in the specified format by 3 Members of the Council and, shall then notify the decision taker of the call-in. They shall call a meeting of that Scrutiny Committees on such a date as they may determine, where possible after consultation with the Chair or Vice Chair of that Scrutiny Committees, and in any case within 15 clear working days of the decision to call-in (only in exceptional circumstances will the Chair of the Scrutiny Committee consider extending this time limit)

31.14.4 If, having considered the decision, the Scrutiny Committee is still concerned about it, then it may refer it back to the decision making body for reconsideration, setting out in writing the nature of its concerns or refer the matter to Full Council. If referred to the decision maker they shall then reconsider within a further 10 clear working days, amending the decision or not, before adopting a final decision. If referred to full Council, the Proper Officer will convene a meeting of the Council within 15 clear working days.

31.14.5 If following an objection to the decision, a Scrutiny Committee does not meet within the period set out above, or does meet but does not refer the matter back to the decision making person or body, the decision shall take effect on the date of the Scrutiny Committee' meeting, or the expiry of that further 15 clear working day period, whichever is the earlier.

- 31.14.6 If the matter was referred to Full Council and the Council does not object to a decision which has been made, then no further action is necessary and the decision will be effective in accordance with the provision below. However, if the Council does object, the Council will refer any decisions to which it objects back to the decision making person or body, together with the Council's views on the decision. That decision making body or person shall choose whether to amend the decision or not before reaching a final decision and implementing it. Where the decision was taken by the Cabinet as a whole or a Committee of it, a meeting will be convened to reconsider within ten working days of the Council's request. Where the decision was made by an individual, the individual will reconsider within ten working days of the Council's request.
- 31.14.7 If the Council does not meet, or if it does but does not refer the decision back to the decision making body or person, the decision will become effective on the date of the Council meeting or expiry of the period in which the Council meeting should have been held, whichever is earlier.
- 31.14.8 No Education Co-opted Members may call-in a decision.
- 31.14.9 The Monitoring Officer may veto any request for call-in if it falls outside the remit of this scheme.
- 31.14.10 Save in exceptional circumstances (as adjudicated by the Chief Executive) all Members requesting a matter be called in must attend the meeting at which the matter is being considered. The relevant cabinet member or, in their absence, the Leader or a deputy leader should also attend.

31.15 Call-In and Urgency

- 31.15.1 The call-in procedure set out above shall not apply where the decision being taken by the Cabinet is urgent. A decision will be urgent if any delay likely to be caused by the call-in process would, for example, seriously prejudice the Council's or other public interests. The record of the decision, and notice by which it is made public, shall state whether in the opinion of the decision making person or body, the decision is an urgent one, and therefore not subject to call-in.
- 31.15.2 A decision can only be treated as urgent if the decision taker (if an individual) or the chair of the body making the decision obtains the agreement of the chair of a relevant Scrutiny committee that the taking of the decision cannot be reasonably deferred. If there is no chair of a relevant Scrutiny committee, or if the chair is unable to act, then the agreement of the Chief Executive of the Council, will suffice.
- 31.15.3 The Chief Executive must agree both that the decision proposed is reasonable in all the circumstances and to it being treated as a matter of urgency. Decisions taken as a matter of urgency must be reported at the next available meeting of the Council, together with the reasons for urgency.
- 31.15.4 The operation of the provisions relating to call-in and urgency shall be monitored annually and a report submitted to Council with proposals for review if necessary.

31.16 The Party Whip

31.16.1 If a Member of a Scrutiny Committee is subject to a party whip in respect of an issue to be considered by it, that Member must declare the existence of the whip and the nature of it before the commencement of deliberations on the matter. The declaration, and the detail of the whipping arrangements, shall be recorded in the minutes of the meeting.

31.17 Procedure at Scrutiny Committee Meetings

31.17.1 Scrutiny Committees shall consider the following business:

- (a) minutes of the last meeting;
- (b) declarations of interest;
- (c) consideration of any matter referred to that Scrutiny Committee for a decision in relation to call in of a decision;
- (d) responses of the Cabinet to reports of that Scrutiny Committee;
- (e) the business otherwise set out on the agenda for the meeting.

31.17.2 The Rules of Procedure at a Scrutiny Committee will be the same as the Council procedure Rules except that the Chair of the meeting may allow the rules of debate to be relaxed to enable a full contribution by those attending the meeting whether as Members of a Scrutiny Committee or in any other capacity which allows them to contribute to the worth of the meeting.

31.17.3 Scrutiny Committees may ask people to attend to give evidence or answer questions about any items on their agenda. Meetings should be conducted in accordance with the following principles:

- (a) that the business be conducted fairly and all Members of the Scrutiny Committees be given the opportunity to ask questions of witnesses, and to contribute and speak;
- (b) that those assisting by giving evidence be treated with respect and courtesy;
- (c) that the business be conducted as efficiently as possible.

31.17.4 Following any investigation or review, a Scrutiny Committee shall prepare a report, for submission to the Cabinet and/or Council as appropriate and shall make its report and findings public.

31.18 Matters within the Remit of more than one Scrutiny Committees

31.18.1 Where a matter for consideration by a Scrutiny Committee also falls within the remit of one or more other Scrutiny Committee, the decision as to which Scrutiny Committees will consider it will be resolved by the respective Chairs.

31.19 Councillor Call for Action

31.19.1 The Councillor Call for Action is a mechanism for enabling elected Members to bring matters of local concern to the attention of the Council via the Scrutiny process. It should be an option of "last resort".

31.19.2 Any Member may request that an item is placed on the agenda of an Scrutiny Committees for consideration.

31.19.3 The procedure for dealing with a Call for Action is set out in the Councillor Call for Action - Guidance for Councillors attached to these Rules at Section 32.

32 COUNCILLOR CALL FOR ACTION – GUIDANCE FOR COUNCILLORS

32.1 Introduction

32.1.1 The Local Government Wales Measure 2011 introduced a number of new provisions aimed at strengthening local democracy. Section 63 of the Measure introduced a provision for “Councillor Calls for Action” (CCfA) which enables Councillors to refer issues of local importance to Scrutiny Committees.

32.1.2 CCfAs are intended to enable local Councillors and their electors to obtain a response from their Council Leadership on issues of local importance. CCfAs should be regarded as one of a series of tools which elected Members have at their disposal to resolve local issues and make a positive difference in their community. Previously in Wales, only local Crime and Disorder issues could be referred by the local Member to the designated Crime and Disorder Scrutiny Committee for action and it should be noted that these local crime and disorder referrals will remain in place under separate legislation.

32.1.3 As part of their community leadership role, councillors have always attempted to resolve issues on behalf of their local residents and CCfAs provide an additional avenue for councillors to follow if the normal ways of resolving an issue have not been successful and the issue meets the criteria for a referral. It should be noted that a referral under this process should be seen as a last resort after all other avenues have been exhausted.

32.1.4 CCfAs have been introduced alongside other powers for scrutiny, including powers to scrutinise a wide range of bodies not previously subject to local authority scrutiny. CCfAs are intended to enable any Member for the Council to refer to a Scrutiny Committee, “a local government matter” which falls within the Scrutiny Committees remit.

32.2 How Should I Normally Attempt to Resolve a Local Issue in my Area?

32.2.1 Local issues can be resolved in a number of ways by councillors on behalf of their residents as listed in the Welsh Government’s Statutory Guidance from the Local Government Measure 2011:

- (a) informal discussions with Officers or other councillors;
- (b) informal discussions with partner representatives;
- (c) referral to other “scrutiny” bodies such as Community Health Councils or internal audit committee;
- (d) formal discussions with Officers and councillors;
- (e) formal letters to the Cabinet Members;
- (f) asking questions at Full Council;
- (g) submitting a motion to Full Council;

- (h) organising public meetings;
- (i) use of petitions;
- (j) making a complaint;
- (k) questions at Full Council;
- (l) freedom of information requests;
- (m) communication with local AMs or MPs;
- (n) use of social media or email based campaigns.

32.2.2 This is not an exhaustive list and councillors may choose different routes for specific issues. If an issue has not been resolved after exhausting all possible alternative routes, then a local councillor can refer it to the appropriate Scrutiny Committees.

32.3 What is a Councillor Call for Action?

32.3.1 In order for the Scrutiny Committees to accept a CCfA as an agenda item for discussion at one of their meetings, the issue must affect either all or part of a councillor's electoral area or it must affect someone who lives or works in that area.

32.3.2 A Councillor does not however need a referral from a constituent in order to start the process. It is important to recognise that a CCfA is not guaranteed to solve a given problem, though it can provide a method for discussing such problems and, through discussion, attempt to overcome them.

32.4 How and When Should I Make a CCFA?

32.4.1 A flowchart showing the process is provided at Annex A. A councillor may initiate the process by completing the form at Annex B. Further copies are available from the Head of Democratic Services. It is important that the local councillor specifies what outcome is expected from the referral. After completion the form should be returned to the Head of Democratic Services who will log and acknowledge the referral within 5 working days, to track its progress and forward a copy of the form to the Proper Officer.

32.4.2 The Proper Officer will confirm whether or not the referral satisfies the requirements outlined above to enable it to be placed on the agenda for discussion at a meeting of the Scrutiny Committee. The Proper Officer reserves the right to exclude from the agenda any matter which is vexatious, discriminatory or otherwise potentially unlawful; and the Councillor will be informed of this outcome as soon as practicable.

32.5 Criteria to be Followed by a Scrutiny Committee

32.5.1 It is up to the Members of a Scrutiny Committee to decide whether, and in what form, to take the matter further. The Scrutiny Committee will use the following criteria to decide whether or not the referral is appropriate to be considered by that Scrutiny Committee:

- (a) is that Scrutiny Committee satisfied that all reasonable attempts have been made to resolve the issue by the local councillor? Do the responses received by the referring councillor demonstrate that the matter is not being progressed?

- (b) Has that Scrutiny Committee considered a similar issue recently? If so, have the circumstances or evidence changed?
- (c) Is there a similar or related issue which is the subject of a review on the current work programme? It may be more appropriate to link the new issue to an existing review, rather than hold a separate CCfA hearing. Relevant time pressures on resolving the CCfA should be taken into account;
- (d) have all relevant service areas or partner organisations been informed and been given enough time to resolve the issue? What response has the councillor received?
- (e) Is this a case that is being or should be pursued via the Council’s corporate complaints procedure?
- (f) Is it relating to a “quasi-judicial” matter or decision such as planning or licensing?
- (g) Is the matter an issue of genuine local concern which impacts on the local community rather than a personal matter?
- (h) Is this an issue currently being looked at by another form of local scrutiny?
- (i) Does the matter have the potential for scrutiny to produce recommendations which could realistically be implemented and lead to improvements for anyone living or working in the Member’s electoral division?

32.5.2 Crime and Disorder referrals should be directed to the designated Crime and Disorder Scrutiny Committee (Public Services Scrutiny Committee).

32.5.3 If a Scrutiny Committee decides not to accept the CCfA it must inform the councillor of the decision and the reasons for it.

32.5.4 If a Scrutiny Committee decides to accept the CCfA the Councillor will be informed and advised of the agreed Protocol, e.g. the Councillor will be given adequate notice (a minimum of 10 clear days) of the date of the Scrutiny Committee’s meeting. The Councillor will be requested to attend to the Scrutiny Committee and informed that they will have 5 minutes in which to address the Scrutiny Committee.

32.5.5 The Scrutiny Committee may then wish to question the Councillor further before deciding how it intends to take the matter forward. This could include:

- (a) asking the relevant responsible authorities to respond to the CCfA;
- (b) setting up a research or task and finish group to undertake a more in-depth review;
- (c) asking for further evidence and/or witnesses to be brought to a future meeting. The Scrutiny Committee has the power to request “designated persons” such as representatives from other public bodies/agencies to attend, where relevant, and to request information.

32.6 Potential Outcomes from a CCFA

32.6.1 A Scrutiny Committee could:

- (a) determine that it is a complex issue that requires further investigation and commission a scrutiny review of the issue;
- (b) write a response and make recommendations on the CCfA to a relevant responsible authority;
- (c) decide that further action is not appropriate giving its reasons.

32.6.2 Once a Scrutiny Committee has completed its work, the Councillor who made the referral will receive a copy of any response or recommendations made.

32.7 Timescales for Dealing with a CCFA

32.7.1 In exceptional circumstances, for example where there are unavoidable time constraints, a special Scrutiny Committee meeting may be convened.

32.7.2 Should a CCfA result in recommendations to the Cabinet responsible authorities, they will be requested to make a response to the recommendations within 28 days and 2 months respectively.

Scrutiny Committees will monitor implementation of any recommendations as part of their Forward Work Programme.

32.8 Review of this Guidance

32.8.1 This guidance is based on a model prepared and approved by the Association of Council Secretaries and Solicitors (ACSeS) in October 2009. ACSeS will review their model guidance in light of experience of the use of these procedures by local authorities in Wales, and this guidance may therefore be modified accordingly. Scrutiny Committee review the issues and makes recommendations to the decision maker(s). Cabinet/Partner response to recommendations within 2 months .Implementation of recommendations is monitored at a predetermined date.

 - 1.2 Has the committee considered a similar issue recently – if yes have the circumstances or evidence changed?

2. Please consider whether your referral might be considered premature by the Scrutiny Committees. Consider whether other potential remedies have been exhausted, before a referral is made. Members should be aware that if a premature referral is made, the Committee is likely to refuse to deal with the issue, based on the criteria outlined above. If the Proper Officer believes that the referral is premature, they will advise you accordingly.

33 FINANCIAL PROCEDURE RULES (Financial Standing Orders and Financial Regulations)

33.1 Contents

33.1.1 Detailed contents can be found [here](#).

33.2 Status

33.2.1 This is section one of the Financial Procedure Rules.

33.2.3 The purpose of the Financial Procedure Rules is to ensure that public accountability and high standards of financial integrity are exercised in the control of public funds that pass through the Authority. The Financial Procedure Rules govern the day to day operation of the Authority's financial administration. They are introduced both to protect the interests of the Authority, and all those who are involved with financial administration.

33.2.4 All members and officers have a general responsibility for taking reasonable action to provide for the security of the assets under their control, and for ensuring that the use of these resources is legal, properly authorised, provides value for money and achieves best value.

33.4 Managing Expenditure

33.4.1 Virement and in-year changes to the budget:

- (a) the scheme of virement is intended to enable the Cabinet, Chief Officers and their staff to manage budgets with a degree of flexibility within the overall budget and policy framework determined by the full Council, and therefore to optimise the use of resources;
- (b) virement Guidelines are approved by Cabinet. There are different levels and types of budget virement that can occur, each requiring different levels of Member/Officer approval; this is outlined in the document.

33.4.2 Key Controls. Key controls for the scheme of virement are:

- (a) the overall revenue budget is drawn up by the Cabinet and approved by the full Council. Chief Officers and budget holders are, therefore, authorised to incur expenditure in accordance with the estimates that make up the budget as set out in the budget book. The rules below cover virement; that is, switching resources between approved cost centres:
 - (i) virement does not create additional overall budget liability. Chief Officers and budget holders are expected to exercise their discretion in managing their budgets responsibly and prudently. For example, they should not support recurring revenue expenditure from one-off sources of savings or additional income, or creating future commitments, including full-year effects of decisions made part way through a year, for which they have not identified future resources. Chief Officers must plan to fund such commitments from within their own budgets;
 - (ii) the capital programme is drawn up by the Cabinet and approved by the full Council and contains details of approved expenditure on capital schemes.

33.4.3 Responsibility of the Cabinet. To approve revenue and capital budget virements outside of the delegations identified below:

The Authority has a statutory responsibility to prepare its annual accounts to present fairly its operations during the year. These are subject to external audit. This audit provides assurance that the accounts are prepared properly, that proper accounting practices have been followed and that quality arrangements have been made for securing economy, efficiency and effectiveness in the use of the Authority's resources.

- (b) to comply with the following principles when allocating accounting duties:
 - (i) separating the duties of providing information about sums due to or from the Authority and calculating, checking and recording these sums from the duty of collecting or disbursing them;

- (c) to maintain adequate records to provide a management trail leading from the source of income/expenditure through to the accounting statements;

33.10 Performance Plans

33.10.1 The Authority has a statutory responsibility to publish various performance plans, in accordance with Local Government (Wales) Measure 2009. The purpose of performance plans is to explain overall priorities and objectives, current performance, and proposals for further improvement. External audit is required to report on whether the Authority has complied with statutory requirements in respect of the preparation and Corporate Improvement Plan.

33.10.2 Key Controls. The Key Controls for performance plans are:

- (a) to ensure that all relevant plans are produced and that they are consistent;
- (b) to produce plans in accordance with statutory requirements;
- (c) to meet the timetables set;
- (d) to ensure that all performance information is accurate, complete and up to date;
- (e) to provide improvement targets which are meaningful, realistic and challenging.

- (e) to advise and supply, as appropriate and in conjunction with the s151 Officer, the financial information that needs to be included in performance plans in accordance with statutory requirements and agreed timetables.

33.11 Revenue Budgeting and Monitoring

- 33.11.1 Budget Format. The format of the budget determines the level of detail to which financial control and management will be exercised. The format shapes how the rules around virement operate, the operation of cash limits, and sets the level at which funds may be reallocated within budgets.
- 33.11.2 Key Controls. The Key Controls are that the format:
- (a) complies with all legal requirements;
 - (b) complies with proper accounting and professional standards;
 - (c) reflects the accountabilities of service delivery.
- 33.11.3 Responsibilities of the s151 Officer:
- (a) to advise the Cabinet on the format of the budget that is approved by the full Council.
 - (b) to ensure that there is a budget setting timetable in place that is approved by the Cabinet.
- 33.11.4 Responsibilities of Chief Officers and Heads of Service:
- (a) to comply with accounting guidance provided by the s151 Officer.

33.12 Revenue Budget Preparation and Medium-Term Financial Planning

- 33.12.1 The Council is a large and complex organisation responsible for delivering a wide variety of services. It needs to plan effectively and to develop systems to enable scarce resources to be allocated in accordance with carefully weighed priorities. The budget is the financial expression of the Authority's plans and policies.
- 33.12.2 The revenue budget must be constructed so as to ensure that resource allocation properly reflects the service plans and priorities of the full Council. Budgets (spending plans) are needed so that the Authority can plan, authorise, monitor and control the way money is allocated and spent. It is unlawful for a local authority to budget for a deficit.
- 33.12.3 In considering the affordability of its capital plans the Council is required to consider all the resource currently available, and for the future together with an estimate of its requirements for the following year and each of the following three years. The Council is also required to consider known significant changes beyond this timeframe. This requires the development of rolling 4-year forecasts.
- 33.12.4 Key Controls. The Key Controls for budgets and medium-term financial planning are:
- (a) budget holders are responsible for the preparation of the budgets for which they will be held responsible and accept accountability within delegations set by the Cabinet for their budgets and the level of service to be delivered;

- (b) a monitoring process is in place to review the effectiveness and operation of budget preparation and to ensure that any corrective action is taken.

33.12.5 Responsibilities of the s151 Officer:

- (a) to prepare a report annually on a budget strategy for the following financial year for consideration by the Cabinet. This will take account of the commitments, resource constraints and shall include medium term prospects. It will cover all the services of the Authority. The Cabinet having considered the report of the s151 Officer will then agree a medium term financial plan;
- (b) to prepare, after the budget strategy has been agreed by the Cabinet, in conjunction with the Chief Officers and Heads of Service, estimates of the income and expenditure of the various service areas and submit them to the Cabinet. The Cabinet shall consider the aggregate effect of these estimates upon the Authority's financial resources and, subject to any other considerations of policy and to any amendments which it proposes to make, shall draw up proposals for the Budget and the amount of Council Tax to be levied for the ensuing financial year to be referred to the Council. The inclusion of items in approved revenue estimates shall constitute authority to incur such expenditure save to the extent of which the Council shall have placed a reservation on any such items. Expenditure on any such reserved items may be incurred only when and to the extent that such reservations have been removed;
- (c) to prescribe the Budget format required and to ensure that there is a budget setting timetable in place;
- (d) to advise on the medium term implications of spending decisions and prepare medium term plans;
- (e) to encourage the best use of resources and value for money by working with Chief Officers and Heads of Service to identify opportunities to improve economy, efficiency and effectiveness, and by encouraging good practice in conducting financial appraisals of development or savings options, and in developing financial aspects of service planning;
- (f) to advise the full Council on Cabinet proposals in accordance with their responsibilities under section 151 of the Local Government Act 1972;
- (g) to ensure all matters required to be taken into account are reported to the Cabinet and Council when setting and reviewing prudential indicators.

33.12.6 Responsibilities of Chief Officers and Heads of Service:

- (a) to provide the s151 Officer with information to complete the medium term financial plan;
- (b) to prepare, in conjunction with the s151 Officer, estimates of income and expenditure;
- (c) to prepare budgets consistent with any relevant cash limits, with the Authority's annual budget cycle and with guidelines issued by the Cabinet. The budget format will be prescribed by the s151 Officer;

- (d) to integrate financial and budget plans into service planning and for them to link in with the Corporate Plan;
- (e) to ensure that all savings proposals and budget pressures put forward during the budget setting process are evidence based and are constructed using best estimates;
- (f) when drawing up draft budget requirements, to have regard to:
 - (i) spending / income patterns and pressures revealed through the budget monitoring process;
 - (ii) legal requirements;
 - (iii) policy requirements as defined by the full Council in the approved policy framework;
 - (iv) initiatives already under way;
 - (v) areas where savings/efficiencies can be made.

33.13 Resource Allocation

33.13.1 A mismatch often exists between available resources and required resources. A common scenario is that available resources are not adequate to fulfil need/desire. It is therefore imperative that needs/desires are carefully prioritised and that resources are fairly allocated, in order to fulfil all legal responsibilities. Resources may include staff, money, equipment, goods, property and materials.

33.13.2 Key Controls. The key controls for resource allocation are:

- (a) resources are acquired in accordance with the law and using an approved authorisation process;
- (b) resources are used only for the purpose intended, to achieve the approved policies and objectives, and are properly accounted for;
- (c) resources are used with the minimum level of waste, inefficiency or loss for other reasons.

33.13.3 Responsibilities of the s151 Officer:

- (a) to advise on Resources such as grants or the affordability of borrowing;
- (b) to advise on the suitability of proposals to introduce/modify financial procedures to control resources (e.g. stock control systems);
- (c) to assist in the allocation of resources to budget holders.

33.13.4 Responsibilities of Chief Officers and Heads of Service:

- (a) to work within cash limits and to utilise resources allocated, and furthermore to allocate resources, in the most efficient, effective and economic way;

- (b) to identify opportunities to minimise or eliminate resource requirements or consumption without having a detrimental effect on service delivery.

33.14 Revenue Budget Monitoring and Control

33.14.1 Proper budget management ensures that, once the budget has been approved by the full Council, resources are used for their intended purposes and are properly accounted for. Budgetary control is a continuous process, enabling the Authority to review and adjust its budget targets during the financial year. It also provides the mechanism that calls to account managers responsible for defined elements of the budget.

33.14.2 By continuously identifying and explaining variances against budgetary targets, the Authority can identify changes in trends and resource at the earliest opportunity. The Authority itself operates within an annual cash limit, approved when setting the overall budget. To ensure that the Authority, in total, does not overspend, each service area is required to manage its own expenditure within the cash limited budget allocated to it.

33.14.3 Chief Officers and Heads of Service are expected to exercise their discretion in managing their budgets responsibly and prudently. For example, they should not support recurring revenue expenditure from one-off sources of savings or additional income, or creating future commitments, including full-year effects of decisions made part way through a year, for which they have not identified future resources. They must plan to fund such commitments from within their own budgets.

33.14.4 For the purposes of budgetary control by managers, a budget will normally be the planned income and expenditure for a service area or cost centre. However, budgetary control may take place at a more detailed level if this is required.

33.14.5 Key Controls. The minimum key controls for managing and controlling the revenue budget are:

- (a) there is a nominated budget manager for each cost centre;
- (b) budget holders accept accountability for their budgets and the level of service to be delivered and understand their financial responsibilities;
- (c) budget holders follow an approved certification process for all expenditure;
- (d) income and expenditure are properly recorded and accounted for;
- (e) performance levels/levels of service are monitored in conjunction with the budget and necessary action is taken to align service outputs and budget; and
- (f) specific budget approval is given for all expenditure.

33.14.6 Responsibilities of the s151 Officer:

- (a) to establish an appropriate framework of budgetary management and control that ensures that:
 - (i) budget management is exercised within annual cash limits unless the full Council agrees otherwise;
 - (ii) all Chief Officers and Heads of Service are furnished with periodical statements of receipts and payments and such other relevant information as

they have which is sufficiently detailed to enable managers to fulfil their budgetary responsibilities;

- (iii) in consultation with Chief Officers and Heads of Service, reports are submitted, as determined by the s151 Officer, to the Cabinet, Scrutiny Committees, monitoring expenditure and comparing anticipated outturn with estimates;
 - (iv) each cost centre has a single named manager, determined by the relevant Head of Service. As a general principle, budget responsibility should be aligned as closely as possible to the decision making processes that commits expenditure; and
 - (v) significant variances from approved budgets are investigated and reported by budget holders regularly;
- (b) to ensure that Members and Strategic Leadership Team are appropriately briefed to allow them to understand the reports that are presented to them where a Head of Service is unable to balance expenditure and resources within existing approved budgets under their control.

33.14.7 Responsibilities of Chief Officers and Heads of Service:

- (a) to be responsible for keeping strict supervision of the expenditure of their respective service areas and for drawing the attention of the s151 Officer and the Cabinet and the Council to any contemplated expenditure not provided for in the estimates or which, if incurred, would exceed the amount allocated for the purpose in the estimates;
- (b) to maintain budgetary control within their service areas, in adherence to the principles above, and to ensure that all income and expenditure is properly recorded and accounted for;
- (c) to ensure that budgetary provision is identified for all expenditure incurred;
- (d) to ensure that officers responsible for committing expenditure comply with relevant guidance and financial regulations;
- (e) to ensure, after consultation with the s151 Officer that there is subsequent approval by the full Council or Cabinet (as appropriate) for new proposals, of whatever amount, that:
 - (i) create financial commitments in future years;
 - (ii) change existing policies, initiate new policies or cease existing policies;
 - (iii) materially extend or reduce the Authority's services;
- (f) to ensure compliance with procedures regarding virement.

33.15 Capital Budgeting and Monitoring

- 33.15.1 Capital expenditure (including use of capital grants and PFI/PPP projects or similar type arrangements) involves acquiring or enhancing fixed assets with a long term value to the Authority, such as land, buildings, infrastructure and major items of plant, equipment or vehicles. Capital assets shape the way services are delivered in the long term and create financial commitments for the future in the form of financing costs and revenue running costs.
- 33.15.2 The financing capacity of the Authority is restricted by the affordability prudence and sustainability of the Capital Programme and the underlying borrowing that supports it. This means that capital expenditure should form part of an investment strategy and should be carefully prioritised in order to maximise the benefit of scarce resources.
- 33.15.3 Key Controls. The key controls for capital programmes are:
- (a) specific approval by the full Council for the programme of capital expenditure;
 - (b) a scheme and estimate, including a robust business plan, options, progress targets and associated revenue expenditure is prepared for each capital project, for appraising by the s151 Officer;
 - (c) proposals for improvements and alterations to buildings must be approved by the appropriate Head of Service in accordance with the Asset Management Plan;
 - (d) schedules for individual projects within the overall budget approved by the Council must be approved by the appropriate Head of Service;
 - (e) accountability for each proposal is accepted by a named project manager;
 - (f) progress and expenditure should be monitored and compared to the approved budget;
 - (g) Cabinet approval of any changes to the Council approved Capital Programme whereby all funding is grant or s106 Capital;
 - (j) VAT is recorded and reported accurately and that payments are made in accordance with the requirements of VAT legislation and the HMRC's Construction Industry Scheme.
- 33.15.4 Responsibilities of the s151 Officer:
- (a) to issue guidance relating to the strategy and controls for capital schemes. The definition of 'capital' will be determined by the S151 Officer, having regard to Government regulations and accounting requirements;

33.38 Internal Charges

33.38.1 Service Areas often undertake work for other service areas. The charge for such work should be recovered by way of a journal; only in exceptional circumstances should an internal debtor invoice be raised.

33.38.2 It is important that the basis of charge is agreed between the client and provider, and the financial transaction is accurately recorded in the Council's accounts.

33.38.3 The use of journals will cover Service Level Agreements, reallocation of costs and charges that are considered inappropriate for the Internal Trading Solution. The Internal Trading Solution will be used for those services where it is considered to be cost effective.

33.40 External Arrangements

33.40.1 This is section 6 and covers Partnerships, External Funding and Work for third parties.

33.41 Partnerships

33.41.1 Partnerships play a key role in delivering community strategies and in helping to promote and improve the well-being of the area. Local authorities are working in partnership with others – Aneurin Bevan LHB, Heddlu Gwent Police, public agencies, private companies, community groups and voluntary organisations. Local authorities still deliver some services, but their distinctive leadership role is to bring together the contributions of the various stakeholders. They therefore need to deliver a shared vision of services based on user wishes.

33.41.2 Local authorities will mobilise investment, bid for funds, champion the needs of their areas and harness the energies of local people and community organisations. Local authorities will be measured by what they achieve in partnership with others.

33.41.3 Individual Cabinet Members are responsible for approving the contractual arrangements for any work for third parties or external bodies where the contract value exceeds £250,000.

33.41.4 The default position is that any external arrangements will be subject to the Council's financial regulations, unless specific approval has been granted by Cabinet to do otherwise.

33.41.5 The main reasons for entering into a partnership are to share risk, to access new resources, to provide new and better ways of delivering services and to forge new relationships.

33.41.6 A partner is defined as either:

- (a) an organisation (private or public) undertaking, part funding or participating as a beneficiary in a project, or
- (b) a body whose nature or status give it a right or obligation to support the project.

33.41.7 Partners have common responsibilities:

- (a) to be willing to take on a role in the broader programme appropriate to the skills and resources of the partner organisation;
- (b) to acknowledge that the best interest of the partnership is more important than the best interest of each participating group;
- (c) to acknowledge that the partnerships require a level of flexibility which may require non-compliance with the Authority's Financial and Contract Procedure Rules. Where this arises it should be formally approved by Cabinet;
- (d) to act in good faith at all times and in the best interests of the partnership's aims and objectives;
- (e) to be open about any conflict of interests that might arise;

- (f) to encourage joint working and promote the sharing of information, resources and skills between public, private and community sectors;
- (g) to hold confidentially any information received as a result of partnership activities or duties that is of a confidential or commercially sensitive nature;
- (h) to act wherever possible as ambassadors for the project.

33.41.8 Key Controls. The key controls for the Authority's partners are:

- (a) to be aware of their responsibilities under the Authority's Financial and Contract Procedure Rules and to consider the appropriateness of each control to the partnership and any external funding guidance received;
- (b) to ensure that processes are put in place which ensure that the partnership is effective in carrying out its duties in the required timely manner;
- (c) to ensure that risk management processes are in place to identify and assess and mitigate all known risks without affecting the ability of the partnership to effectively function;
- (d) to ensure that project appraisal processes and a strategic business case is in place to assess the viability of the project in terms of resources, staffing and expertise;
- (e) to ensure that there is a sound legal vehicle in place prior to any project commencing;
- (f) to ensure that there are robust arrangements for decision making and that budgets agreed by partners are lawful;
- (g) to ensure clear accountability where the partnership uses grant income as a source of funding;
- (h) to agree and accept formally the roles and responsibilities of each of the partners involved in the project before the project commences; and
- (i) to communicate regularly with other partners throughout the project so that problems can be identified and shared to achieve their successful resolution.

33.41.9 Responsibilities of the s151 Officer:

- (a) to advise on the use of effective and waiving of ineffective controls within the partnership in order to ensure that resources are not wasted;
- (b) to advise, as appropriate, on the key elements of funding a project, including:
 - (i) a scheme appraisal for financial viability in both the current and future years;
 - (ii) risk appraisal and management;
 - (iii) resourcing, including taxation issues;
 - (iv) audit, security and control requirements; and
 - (v) carry-forward arrangements;

- (c) to ensure that the accounting arrangements are satisfactory.

- (a) to consult with the s151 Officer, as necessary, on a scheme's appraisal for financial viability in both the current and future years;
- (b) to ensure that risk management processes are in place to identify, assess and mitigate all known risks without affecting the ability of the partnership to effectively function;
- (c) to ensure that such agreements and arrangements do not impact adversely upon the services provided either by the Authority or the partnership;
- (d) to ensure that all agreements and arrangements are properly documented;
- (e) to provide appropriate information to the s151 Officer to enable a note to be entered into the Authority's statement of accounts concerning material items.

33.42 External Funding

33.42.1 External funding is potentially a very important source of income, but funding conditions need to be carefully considered to ensure that they are compatible with the aims and objectives of authorities. Local authorities are increasingly encouraged to provide seamless service delivery through working closely with other agencies and private service providers. Funds from external agencies provide additional resources to enable the Authority to deliver services to the local community. However, in some instances, although the scope for external funding has increased, such funding is linked to tight specifications and may not be flexible enough to link to the Authority's overall plan.

33.42.2 Key Controls. The key controls for external funding are:

- (a) to ensure that key conditions of funding and any statutory requirements are complied with and that the responsibilities of the accountable body are clearly understood;
- (b) to ensure that funds are acquired only to meet the priorities approved in the policy framework by the full Council;
- (c) to ensure that any match-funding requirements are given due consideration prior to entering into long-term agreements and that future capital and revenue budgets reflect these requirements.

33.42.3 Responsibilities of the s151 Officer:

- (a) to ensure that all funding notified by external bodies is received and properly recorded in the Authority's accounts and budgets;
- (b) to ensure that the match-funding requirements are considered prior to entering into the agreements and that future capital and revenue budgets reflect these requirements;
- (c) to ensure that audit requirements are met;

- (d) where they are specifically responsible for submitting grant claims, to ensure that all claims for funds are made by the due date.

33.42.4 Responsibilities of Chief Officers and Heads of Service:

- (a) to ensure that all checks are carried out to make certain that funding instructions associated in a bid for external funding are taken into account;
- (b) to maintain adequate supporting documentation to enable claims for funding to be maximised;
- (c) to ensure that all claims for funds are made by the due date;
- (d) to ensure that the project progresses in accordance with the agreed project plan and that all expenditure is properly incurred and recorded.

33.43 Work for Third Parties

33.43.1 Current legislation enables the Authority to provide a range of services to other bodies. Such work may enable a unit to maintain economies of scale and existing expertise. Arrangements should be in place to ensure that any risks associated with this work is minimised and that such work is within the Authority's legal powers.

33.43.2 Key Controls. The key controls for working with third parties are:

- (a) to ensure that proposals are costed properly in accordance with guidance provided by the s151 Officer; and
- (b) to ensure that contracts are drawn up using guidance provided by the s151 Officer and that the formal approvals process is adhered to.

33.43.3 Responsibilities of s151 Officer:

- (a) to issue guidance with regard to the financial aspects of third party contracts.

33.43.4 Responsibilities of Chief Officers and Heads of Service:

- (c) to ensure that, wherever practicable, payment is received in advance of the delivery of the service;
- (d) to ensure that the department/unit has the appropriate expertise to undertake the contract;
- (e) to ensure that such contracts do not impact adversely upon the services provided for the Authority;
- (f) to ensure that all contracts are properly documented;
- (g) to provide appropriate information to the s151 Officer to enable a note to be entered into the statement of accounts.

34 CONTRACT PROCEDURE RULES

34.2 General Considerations

34.2.1 Introduction:

- (a) Monmouthshire County Council spends approximately £100 million annually on bought in goods, services and works. It is therefore crucial that this level of spend is undertaken in such a manner that represents maximum value to the residents of Monmouthshire and our service users.
- (b) There is growing interest in how the Council can leverage our considerable purchasing power to secure an array of economic, social and environmental outcomes. This renewed scrutiny provides an opportunity to think again about how we approach procurement.
- (c) 21st Century procurement practice needs to be considered as a strategic undertaking. By adopting a sustainable public procurement path we will ensure that we build proportionate social, environmental, economic and cultural benefits into all procurement activities. In this way the Council can promote social inclusion, boost local economies and the resilience of our supply chains, whilst reducing our carbon footprint and preventing human trafficking in our supply chains for current and future generations.
- (d) Procurement is the process by which the Council manages the acquisition of all its Goods, Services and Works. It spans the whole life cycle of the requirement, including the identification of need, make or buy decisions, through to supplier selection, award and Contract Management to the end of a contract or the end of the useful life or disposal of an asset.

34.2.2 Key Messages:

- (a) These Contract Procedure Rules are made under sections 135(1) and 135(2) of the Local Government Act 1972, which requires that Local Authorities provide Contract Procedure Rules in respect of contracts for the supply of goods, services and works to ensure competition and to regulate the manner in which tenders are invited.
- (b) Procurement and Commissioning activity by the Council is governed by detailed European and UK legislation. The law requires all Council procurement (to include schools) to be conducted transparently, fairly and in a non-discriminatory and proportionate manner.
- (c) The funding for all goods, services and works must be in accordance with approved budgets and comply with Financial Regulations.
- (d) Before undertaking any competitive tendering process or before placing any official purchase orders on behalf of the Council, Authorised Officers must familiarise

themselves with the Corporate Frameworks Register which has been developed either by the Council or on its behalf.

- (e) A full list of accessible contracts can be located on sharepoint within the Procurement pages.
- (f) These Contract Procedure Rules are not intended as detailed guidance for implementation and should be read in conjunction with the Council's Operational Buyers Guides, which can be located on sharepoint within the Procurement pages.
- (g) All values referred to in these Contract Procedure Rules are Exclusive of VAT.

34.2.3 Authorised Signatory List:

- (a) All officers that are required to lead a given procurement or commissioning process on behalf of the Council must be named and have the relevant approvals within the Councils Authorised Signatory List which is held by the Strategic Procurement Unit.

An exemption form does not need to be completed for any of the reasons stated in clause 4.

34.2.4 Exemption Process.

- (a) In exceptional circumstances an Authorised Officer can request an exemption from the Council's Contract Procedure Rules. No exemption will be considered where the value of such action exceeds the EU procurement thresholds or any subsequent UK

- (b) Where approval has been granted Contract Procedure Rules shall not apply to the following:
 - (i) purchase by auction or works of art-artists;
 - (ii) single tender action where a single contractor or a proprietary item or service of a special character is required and justified;

36.2.1 Monmouthshire County Council adopted this revised version of the Code of Conduct at its Annual Meeting on 12th May 2016.

37 CODE OF CONDUCT FOR EMPLOYEES

37.1 The Statutory Employee Code of Conduct

- 37.1.1 The following code of conduct is the model code of conduct set out in The Code of Conduct (Qualifying Local Government Employees) (Wales) Order 2001 as updated. As such, it is repeated here verbatim with original layout, referencing and content.

General Principles

1. The public is entitled to expect the highest standards of conduct from all qualifying employees of relevant authorities. The role of such employees is to serve their employing authority in providing advice, implementing its policies, and delivering services to the local community. In performing their duties, they must act with integrity, honesty, impartiality and objectivity.

Accountability

2. Qualifying employees of relevant authorities work for their employing authority and serve the whole of that authority. They are accountable to, and owe a duty to that authority. They must act in accordance with the principles set out in this Code, recognising the duty of all public sector employees to discharge public functions reasonably and according to the law.

Political Neutrality

3. Qualifying employees of relevant authorities, whether or not politically restricted, must follow every lawfully expressed policy of the authority and must not allow their own personal

or political opinions to interfere with their work. Where qualifying employees are politically restricted (by reason of the post they hold, the nature of the work they do, or the salary they are paid), they must comply with any statutory restrictions on their political activities.

Relations with members, the public and other employees

4. Mutual respect between qualifying employees and members is essential to good local government, and working relationships should be kept on a professional basis.
5. Qualifying employees of relevant authorities should deal with the public, members and other employees sympathetically, efficiently, and without bias.

Equality

6. Qualifying employees of relevant authorities must comply with policies relating to equality issues, as agreed by the authority, in addition to the requirements of the law.

Stewardship

7. Qualifying employees of relevant authorities must ensure that they use public funds entrusted to them in a responsible and lawful manner, and must not utilise property, vehicles or other facilities of the authority for personal use unless authorised to do so.

Personal Interests

8. Whilst qualifying employees' private lives are their own concern, they must not allow their private interests to conflict with their public duty. They must not misuse their official position or information acquired in the course of their employment to further their private interests, or the interests of others. In particular, they must comply with:
 - (1) any rules of their relevant authority on the registration and declaration by employees of financial and non - financial interests,
 - (2) any rules of their relevant authority on the declaration by employees of hospitality or gifts offered to or received by them, from any person or organisation doing or seeking to do business, or otherwise benefiting or seeking to benefit from a relationship with the authority. Qualifying employees must not accept benefits from a third party unless authorised to do so by their relevant authority.

Whistleblowing

9. In the event that a qualifying employee becomes aware of activities which that employee believes to be illegal, improper, unethical or otherwise inconsistent with this Code, the employee should report the matter, acting in accordance with the employee's rights under the Public Interest Disclosure Act 1998, and with the relevant authority's confidential reporting procedure, or any other procedure designed for this purpose.

Treatment of Information

10. Openness in the dissemination of information and decision making should be the norm in relevant authorities. However, certain information may be confidential or sensitive and therefore not appropriate for a wide audience. Where confidentiality is necessary to protect the privacy or other rights of individuals or bodies, information should not be released to anyone other than a member, relevant authority employee or other person who is entitled to receive it, or needs to have access to it for the proper discharge of their functions. Nothing

in this Code can be taken as overriding existing statutory or common law obligations to keep certain information confidential, or to divulge certain information.

Appointment of Staff

11. Qualifying employees of relevant authorities involved in the recruitment and appointment of staff must ensure that appointments are made on the basis of merit. In order to avoid any possible accusation of bias, such employees must not be involved in any appointment, or any other decisions relating to discipline, promotion or pay and conditions for any other employee, or prospective employee, to whom they are related, or with whom they have a close personal relationship outside work.

Investigations by Monitoring Officers

12. Where a monitoring officer is undertaking an investigation in accordance with regulations made under section 73(1) of the Local Government Act 2000 a qualifying employee must comply with any requirement made by that monitoring officer in connection with such an investigation.

37.2 The MCC Code of Conduct for Employees

- 37.2.1 To the extent that its provisions do not conflict with the foregoing statutory code, the Council has adopted (after appropriate consultation) the following Code of Conduct for Employees.

37.3 Introduction

- 37.3.1 The public is entitled to expect the highest standards of conduct from all employees who work for local government. This Code of Conduct is based on the recommendations of the Committee on the Standards of Conduct in Public Life. It applies to employees' conduct both within the council and when dealing with other organisations as a representative of the council. The principles detailed below are the basic ones governing all council employees.
- 37.3.2 The Code does not affect an employee's rights and responsibilities under the law; its purpose is to provide clear and helpful advice but all employees must comply with the Code.
- 37.3.3 This Policy should be read in conjunction with the council's Whistle Blowing procedure, the Dignity at Work policy and the Social Media Policy. This allows employees to disclose any wrong doing on the part of any employee or Councillor under The Public Interest Disclosure Act 1998. A breach of this Code may give rise to disciplinary action, which will be taken in accordance with the Council's Disciplinary Procedure.

37.4 Nolan Principles

- 37.4.1 The Code incorporates "The Seven Principles of Public Life":
 - (a) selflessness. Employees shouldn't take decisions which will result in any financial or other benefit to themselves, their family, or their friends. Decisions should be based solely on the Council's best interests;
 - (b) integrity. Employees shouldn't place themselves under any financial or other obligation to an individual or an organisation which might influence them in their work with the Council;

- (c) objectivity. Any decisions that employees take in the course of their work, including making appointments, awarding contracts, or recommending individuals for rewards or benefits must be based solely on merit;
- (d) accountability. Employees are accountable to the council as their employer. The council, in turn, is accountable to the public;
- (e) openness. Employees should be as open as possible in all the decisions and actions that they take. They should give reasons for their decisions and shouldn't restrict information unless this is clearly required by council policy or by the law;
- (f) honesty. Employees have a duty to declare any private interests, which might affect their work with the council;
- (g) leadership. Employees in a leadership or managerial position should promote and support these principles by their leadership and example.

37.5 Standards

- 37.5.1 The aim of this code is to apply standards for all Monmouthshire County Council employees on the understanding that the citizens of Monmouthshire are entitled to expect the highest standards of conduct and where it is part of their duties, to provide appropriate advice to Councillors and fellow employees with impartiality.
- 37.5.2 Employees will be expected to bring any deficiency in the provision of service or any impropriety or breach of procedure which would have a detrimental impact on the Council to the attention of the appropriate level of management.
- 37.5.3 The standards laid down in this Code are considered to be fundamental to the reputation of the Council. Any uncertainty about the meaning of this code is not accepted as a reason for failing to comply with it. If employees are in doubt they should seek advice from a Chief Officer.

37.6 Social Media

- 37.6.1 It's your own personal choice whether or not you participate in any kind of social media activity in your own time – the views and opinions that you express are your own. However, as a council employee you should be aware that any information which you post about Monmouthshire County Council cannot be kept entirely separate from your working life.
- 37.6.2 What you say openly online can be accessed around the world within seconds, it might be shared or re-published elsewhere (online or in print) and it will continue to be available for all to see in the future. You must be willing to take personal responsibility for anything that you say online.
- 37.6.3 The council would expect staff to make a distinction between their own views and those where they represent their employer. It may be appropriate to add a disclaimer to your personal blog or social media profile to make it clear that your personal accounts are your own – for example: "These views are my own not my employers".

- 37.6.4 Think about what capacity you're speaking in, particularly if you are commenting about Monmouthshire County Council. Make sure you avoid misunderstandings about whether you're speaking as part of your work or not. Seek further advice if you're unsure.
- 37.6.5 Check your online privacy settings so that you understand who can see the information you publish and who can view your personal information.
- 37.6.6 Respect privacy and confidentiality – make sure you don't publish any information that should be kept private.
- 37.6.7 Stay safe – don't give out personal details such as your address or phone number. Make sure that you're familiar with the council's policy about personal use of electronic communications in the workplace.

37.7 Relationships

- 37.7.1 The Local Community and Service Users. Employees should always remember the responsibilities to the citizens they serve and ensure courteous, efficient and impartial service delivery to all groups and individuals within that community.
- 37.7.2 Councillors. Employees are responsible to the Council through its senior managers and leaders. For some, their role is to give advice to councillors and senior managers and all are there to carry out the Council's work. Mutual respect between employees and councillors is essential to good local government. Close personal familiarity between employees and individual councillors can damage the relationship and prove embarrassing to other employees and councillors and should therefore be treated with caution.
- 37.7.3 Contractors:
- (a) all relationships of a business or private nature with external contractors, or potential contractors, should be made known to the appropriate manager. Orders and contracts must be awarded on merit, by competition against other tenders, and no favour should be shown to businesses run by, for example, friends, partners or relatives in the tendering process. No part of the local community should be discriminated against. At all times the requirements of the Council's Contract Standing Orders must be applied;
 - (b) employees should let their Chief Officer know if they appoint or supervise contractors with whom they have a current or previous relationship in a private or domestic capacity;
 - (c) all members of the public, citizens, customers, colleagues and Elected Members should be dealt with fairly, equitably, with dignity and respect in line with the principles of the Equality Act 2010 and the policies of the Council.

37.8 Appointment and Employment

- 37.8.1 All appointments will be made on merit. It is unlawful for an employee to make an appointment which was based on anything other than the ability of the candidate to undertake the duties of the post.

- 37.8.2 In order to avoid any possible accusation of bias, employees should not be involved in an appointment where they are related to an applicant, or have a close personal relationship outside work with them.
- 37.8.3 Similarly, employees should not be involved in decisions relating to discipline promotion or pay for any employee who is a relative, partner, etc.
- 37.8.4 Candidates will be disqualified if they canvass members or employees of the council directly or indirectly in connection with any appointment within the Council. Employees can give a written reference of a candidate's suitability for appointment, but they can't solicit for them or recommend them for appointment or promotion.

37.9 Politically Restricted Posts

37.9.1 The effect of including a local authority employee on the list of 'politically restricted posts' is to prevent that individual from having any active political role either in or outside the workplace. Politically restricted post holders will automatically be disqualified from:

- (a) standing for or holding elected office;
- (b) acting as an election agent or sub agent;
- (c) being an officer of a political party or of any branch of such a party or a member of any committee or sub-committee of such a party;
- (d) canvassing on behalf of a political party or on behalf of a person who is, or proposes to be, a candidate for election;
- (e) speaking to the public at large or to a section of the public with the apparent intention of affecting public support for a political party.

37.9.2 These restrictions are incorporated as terms in the employee's contract of employment.

37.9.3 Politically restricted posts fall into two broad categories: specified posts and sensitive posts.

37.9.4 Specified posts:

- (a) Head of the Paid Service (Chief Executive);
- (b) Statutory Chief Officers;
- (c) s151 Officer;
- (d) non-statutory Chief Officers (officers reporting to the Chief Executive);
- (e) Deputy Chief Officers (officers designated as a Deputy);
- (f) the Monitoring Officer;
- (g) Officers exercising delegated powers, i.e. persons whose posts are for the time being specified by the authority.

37.9.5 Sensitive posts. A sensitive post is one which meets one or both of the following duties-related criteria:

- (a) giving advice on a regular basis to the Council, to any committee or sub-committee of the Council or to any joint committee on which the Council is represented; or where the Council operates executive arrangements, to the executive of the authority; to any committee of that executive; or to any member of that executive who is also a member of the authority;
- (b) speaking on behalf of the authority on a regular basis to journalists or broadcasters.

37.9.6 Teachers and Head Teachers are exempt from political restrictions and are not regarded as holding politically restricted posts whatever their role.

37.10 Political Neutrality

37.10.1 Employees work for the Council as a whole, including Elected Members and must ensure that the individual rights of all members are respected.

37.10.2 If employees are required to advise political groups, they must do so in a way which does not compromise their political neutrality.

37.10.3 Employees, whether or not politically restricted, must follow every lawful expressed policy of the authority and must not allow their own personal or political opinions to interfere with their work.

37.11 Outside Commitments

37.11.1 Employees on Band G and above will need to obtain written consent from their Chief Officer prior to taking on any outside employment. All employees should be clear about their contractual obligations and should not take outside employment which could conflict with the authority's interests or use Council premises or equipment for other than Council business.

37.12 Personal interests

37.12.1 Employees must declare in writing to their Chief Officer any financial or non-financial interests which could conflict with the Council's interests. A copy of this declaration should be sent to the Chief Executive.

37.12.2 Employees should tell their Chief Officer if they are a member of any organisation that isn't open to the public without formal membership and commitment or allegiance and which has secrecy about rules or membership or conduct.

37.13 Disclosure of Information

37.13.1 The Council's decision making process must be transparent and open. The Council must provide the public with clear and accessible information about how it operates. It must also ensure that there is an effective complaints procedure in place for the public to use when things go wrong.

37.13.2 The Council is committed to ensuring that all data collected, held or obtained under its control is dealt with in an ethical and legally responsible manner. Failure to do so would jeopardise the credibility of the council and may cause the council to breach disclosure legislation.

37.13.3 The Council's policy is that information will be made open and available. There are exceptions to this principle of openness where confidentiality is involved. Information may be withheld if, for example, it would compromise a right of personal or commercial confidentiality. This doesn't apply where there is a legal duty to provide information. Employees must not break the law in this area.

37.13.4 In particular, information mustn't be supplied about employees to any person outside the Council unless the consent of the employee is obtained first. This won't apply where there is a statutory duty to provide information, e.g. HMRC, DWP etc. or in the process of prevention or detection of fraud, as detailed below. If there is any doubt employees should raise the matter with their line manager.

37.13.5 Breaches of confidentiality will constitute a breach of this code which could result in disciplinary action, including dismissal. Under the Data Protection Act 2018, breaches of confidentiality can lead in certain circumstances, to legal proceedings against employees as individuals.

37.13.6 In order to ensure a co-ordinated approach to the Council's external relations, requests for information from the media should be dealt with by the Communications Manager or an employee authorised by a Chief Officer.

37.13.7 If in any doubt as to whether to divulge information to anyone the relevant line manager should be consulted.

37.14 Separation of roles during Tendering

37.14.1 Employees involved in the tendering process and dealing with contractors should be clear on the separation of client and contractor roles within the Council. Senior employees who have both a client and contractor responsibility must be aware of the need for accountability and openness and must exercise fairness and impartiality when dealing with all customers, suppliers, other contractors and sub-contractors.

37.14.2 Employees who are privy to confidential information on tenders or costs for either internal or external contractors should not disclose that information to any unauthorised party or organisation.

37.14.3 Employees contemplating a management buyout or similar arrangement should, as soon as they have formed a definite intent, inform their Chief Officer and withdraw from the contract awarding processes.

37.14.4 Employees should ensure that no favour is shown to current or recent former employees or their partners, close relatives or associates in awarding contracts to businesses run by them or employing them in a senior or relevant managerial capacity.

37.15 Bribery and Corruption

37.15.1 Under the Bribery Act 2010 employees must be aware that it is a serious criminal offence to;

- (a) bribe a person to induce or reward them to perform a relevant function improperly;
- (b) request, accept or receive a bribe as a reward for performing a relevant function improperly;

- (c) use a bribe to influence a foreign official to gain a business advantage.

37.16 Surveillance

- 37.16.1 There may be circumstances that warrant the authority to carry out covert surveillance. This will only be in situations where all other investigative options have been exhausted.

37.17 Use of Financial Resources

- 37.17.1 Employees must ensure that they use public funds entrusted to them in a responsible and lawful manner. They should strive to ensure value for money to the local community and to avoid legal challenge to the authority.

37.18 Hospitality

- 37.18.1 Employees should only accept offers of hospitality if there is a genuine need to impart information or represent the local authority in the community. Offers to attend purely social or sporting functions should be accepted only when these are part of the life of the community or where the authority should be seen to be represented. They should be properly authorised by Chief Officers and recorded.
- 37.18.2 People making the offer of hospitality should be courteously but firmly declined and they should be informed of the procedures and standards operating within the authority.
- 37.18.3 Employees should not accept significant personal gifts from contractors and outside suppliers, although insignificant items of token value such as pens, diaries, etc. are acceptable.
- 37.18.4 When receiving authorised hospitality, employees should be particularly sensitive as to its timing in relation to decisions which the authority may be taking affecting those providing the hospitality.

37.19 Sponsorship - Giving and Receiving

- 37.19.1 Where an outside organisation wishes to sponsor or is seeking to sponsor a Council activity, whether by invitation, tender, negotiation or voluntarily, the basic conventions concerning acceptance of gifts or hospitality apply. Particular care must be taken when dealing with contractors or potential contractors.
- 37.19.2 Where the authority wishes to sponsor an event or service an employee nor any partner, spouse or relative must benefit from the sponsorship in a direct way without there being full disclosure to their Chief Officer of their interest. Similarly, where the authority through sponsorship, grant aid, financial or other means, gives support in the community, employees should ensure that impartial advice is given and that there is no conflict of interest involved.
- 37.19.3 The Council and the citizens of Monmouthshire expect the highest standards of conduct from all employees, therefore we encourage employees and others with serious concerns about any aspect of the Council's work to come forward and voice those concerns. You can do this through the Whistle Blowing policy if you want. Remember that if you fail to inform us it may result in disciplinary action being taken against you for failing to tell us.

38 WHISTLEBLOWING POLICY

38.1 Introduction

38.1.1 In this policy 'Whistleblowing' means the reporting by employees of suspected misconduct, illegal acts or failure to act within the Council or School.

- (c) ensure that you receive a response to your concerns and that you are aware of how to pursue them if you are not satisfied;

If you raise a genuine concern under this policy you will not be at risk of losing your job, or suffer any form of retribution, victimisation or detriment as a result. It won't matter if you are mistaken provided you genuinely believe that you are acting in the public interest. Of course we cannot extend this assurance to an individual who maliciously raises a matter they know to be untrue.

38.8 Your Legal Rights

38.8.1 This policy has been written to take account of the Public Interest Disclosure Act 1998 (PIDA) which protects workers making disclosures about certain matters of concern, when those disclosures are made in accordance with the Act's provisions and in the public interest. The Act makes it unlawful for the Council/School Governing Body to dismiss anyone or allow them to be victimised on the basis that they have made an appropriate lawful disclosure in accordance with the Act.

38.9 Harassment and Victimisation

- 38.9.1 The Council/School Governing Body is committed to good practice and high standards and to being supportive of you as an employee/worker.
- 38.9.2 The Council/School Governing Body recognises that the decision to report a concern can be a difficult one to make. If you honestly and reasonably believe what you are saying is true, you should have nothing to fear because you will be doing your duty to your employer, your colleagues and those for whom you are providing a service.
- 38.9.3 The Council/School Governing Body will not tolerate any harassment or victimisation of a whistle-blower (including informal pressures) and will take appropriate action to protect you when you raise a concern in accordance with the PIDA provisions, and will treat such harassment and victimisation as a serious disciplinary offence or in the case of contractors, a breach of contract.

38.10 Confidentiality

- 38.10.1 Whilst a qualifying disclosure is expected to have substance, it is not expected that the employee raising the disclosure will need to prove it is true. It is the responsibility of the Designated Officer.
- 38.10.2 All disclosures will be treated in confidence and every effort will be made not to reveal your identity if that is your wish, unless disclosure is required by law.
- 38.10.3 In some circumstances, for example in disciplinary processes, it may not be possible to take action as a result of your disclosure without your help, so you may be asked to come forward as a witness. If you agree to this, you will be offered advice and support.
- 38.10.4 The Council/School Governing Body will not place employees under pressure to give their name and will give due consideration to proceeding with investigating the concern on the basis of an anonymous allegation.

38.11 Anonymous Allegations

- 38.11.1 This policy encourages you to put your name to your allegation whenever possible - anonymous concerns are much less powerful and it will be much more difficult to provide feedback to you. Nonetheless anonymous concerns will be considered under this whistleblowing policy especially concerns raised relating to the welfare of children or vulnerable adults. In relation to determining whether an anonymous allegation will be taken forward the Council / School Governing Body will take the following factors into account:
- (a) the seriousness of the issue raised;
 - (b) the credibility of the concern;
 - (c) the likelihood of confirming the allegation from attributable sources, and obtaining information provided.
- 38.11.2 The provisions of the Data Protection Act 2018 must be observed during the process, particularly in disclosure, use and processing of personal information.

38.12 Untrue Allegations

38.12.1 If an allegation is made which it is believed to be in the public interest but it is not confirmed by further enquiry or by an investigation, no action will be taken against the person who raised the initial concern. If, however, the enquiry/investigation shows that untrue concerns were malicious and/or vexatious or made frivolously or made for personal gain, then the Council / School Governing Body will consider taking appropriate action which could include disciplinary action.

38.13 Support For You

38.13.1 The Council/School Governing Body have a duty of care to their employees. Support for the individuals involved in this process is key to fulfilling this duty. Any concern that is raised will be taken seriously.

38.13.2 For those individuals who raise concerns and for those individuals who may have concerns raised about them, the Council/School Governing Body will do all it can to help you throughout the process. Support for employees will include the offer of access to welfare counselling and medical advice and support. Individuals will be advised to contact their Trade Union representative, or a work place colleague (not involved in the area of work to which the concern relates) for additional support. Individuals will also be offered an additional point of contact for support during the process.

38.13.3 Any meetings that may be required as part of the process can be arranged away from the workplace if necessary and individuals have the right to be accompanied by their trade union representative or work based colleague.

38.13.4 Unless there are legal reasons why this cannot be done, you and the person against whom allegations are made will be kept informed of the progress and outcome of any investigation by the Designated Officer.

38.14 How to Raise a Concern

38.14.1 Who to raise the concern with:

Concern Relates To	Report To (becomes the designated officer)
General concern / Member of staff/ colleague/Volunteer	Line Manager/Head-teacher
Line Manager	Head of Service / Head teacher
Head of Service / Head teacher	Chief Officer / Chair of Governors

For any Chief Officer, Leader or Monitoring Officer please call 01633 644 644.

*If you feel that your concern has not been adequately addressed or if you think it will not be adequately addressed you should raise your concern with the Chief Officer, Social Care & Health as a whistleblowing concern.

38.14.2 If your concern is a safeguarding concern about a child or adult at risk (rather than about potential malpractice), this should be reported to Monmouthshire Children's Services or Adult Services respectively via normal Child Protection /Protection of Vulnerable Adults (POVA) processes. Tel: 01633 644 644.

38.15 Procedure for Making a Whistleblowing Allegation

38.15.1 If possible the concern should be put in writing for the avoidance of doubt. It should set out:

- (a) the background and history of the concern;
- (b) names, dates and places where possible;
- (c) an explanation of the reason for the concerns.

38.15.2 If you feel unable to put the matter in writing you can still raise your concern verbally. Also if you feel that you cannot express your concerns with the Council / School Governing Body, you can also ask your Trade Union representative or work based colleague to raise the matter on your behalf and/or to support you in raising the concern. The above table provides a guide to whom a concern can be raised with - advice and support on this can be sought from People Services HR (01633 644644), the Legal department (01633 644 064) or your Trade Union representative.

38.15.3 If the concern needs to have Police or other statutory authority involvement, the whistleblowing process will be halted until the statutory authorities have completed their investigations and confirmed that it is appropriate to continue with the whistleblowing process. This must take place even if the statutory authorities take the decision not to pursue a criminal investigation.

38.15.4 Normally, the person who the concern is raised with, or reported to, becomes the Designated Officer. The Designated Officer is responsible for making initial enquiries about the matter and for keeping all parties informed of progress and advising of the outcome. It may be necessary for the Council/School Governing Body to appoint a person other than the person to whom the allegation or concern was raised with/reported to.

38.16 What the Council/School Governing Body Will Do

38.16.1 A key principle for the Council/School Governing Body will be the public interest. In order to be fair to all employees, initial enquiries will be made by the Designated Officer / person appointed to decide whether an investigation is appropriate and if so what form it should take.

38.16.2 The concern raised may require the following:

- (a) an enquiry internally in the Council/School;
- (b) the need to be passed to the Police if it relates to alleged criminal activity;

- (c) the need to be passed to Internal Audit, if the complaint is about financial management or financial propriety;
- (d) the need to be referred through established child protection/POVA procedures.

38.16.3 At this stage concerns / allegations are neither considered founded or unfounded pending the investigation if deemed necessary.

38.17 Timescales

38.17.1 The Designated Officer or person appointed by the Council / School Governing Body to look into whistleblowing allegation will normally provide a written acknowledgement to you within 5 working days (except in the case of anonymous allegations):

- (a) acknowledging the concern has been received;
- (b) indicating how it is proposed to deal with the matter;
- (c) giving an estimate of how long it will take to provide a final response;
- (d) advising of the support available whilst matters are looked into;
- (e) telling you whether further investigations will take place and if not, why not.

38.17.2 The Designated Officer or person appointed will write to you and the individual against whom the concern has been raised to acknowledge receipt and to indicate that the procedures have been commenced.

38.17.3 Depending on the nature of the allegation/concern, provision of a final response may take longer than 5 working days. If this is the case, the Designated Officer or person appointed will notify all individuals in writing providing an indication when the enquiry will be completed.

38.17.4 Where possible, enquiries will be completed within 10-15 working days from the date of receipt of the initial written response from the Designated Officer/person appointed.

38.17.5 If the enquiry extends beyond the timescales above all individuals concerned will be notified in writing by the Designated Officer or person appointed, providing an indication when the enquiry will be completed.

38.17.6 The Designated Officer/person appointed might investigate the concerns raised themselves or the Designated Officer might appoint an independent investigator to do so. As part of this process, the person who investigates the concerns raised will:

- (a) look into the concern - seeking evidence and interviewing witnesses as necessary;
- (b) maintain confidentiality wherever possible (but there is not a 100% guarantee that the whistle-blower can remain anonymous);
- (c) if appropriate, refer the matter to Audit, if the complaint is about financial management or financial propriety in schools;
- (d) if appropriate, for concerns of criminal behaviour refer the matter to the Police;

- (e) if appropriate, for concerns of child protection or vulnerable adults, refer the matter through the established child protection/POVA procedures.

38.17.7 The amount of contact time between you and the Designated Officer or person appointed to consider and/or investigate the issues will depend on the nature of the matters raised, the potential difficulties involved and the clarity of your information. It is likely that you will be interviewed to ensure that your disclosure is fully understood.

38.17.8 Any meeting with you can be arranged away from the workplace, if needs be, and a trade union representative or work based colleague may accompany you for support. You need to be assured that your disclosure has been properly addressed. Unless there are legal reasons why this cannot be done, you will be kept informed of the progress and outcome of any investigation.

38.17.9 Following completion of the enquiry/investigation process, the Designated Officer or independent investigator will make a written report normally within 5 working days. This report will contain findings and make recommendations for the Designated Officer (if an independent investigator has been appointed) or the appropriate committee of the School Governing Body to consider.

38.17.10 The report will not contain your name as the whistleblower, unless you have expressly stated that you wish to be named.

38.17.11 On conclusion of any investigation, you and the person against whom the allegation is made, will be told the outcome of the investigation and what action has been done/proposed. If no action is to be taken, the reason for this will be explained. In addition, matters raised as part of the investigation may:

- (a) be referred to the Police;
- (b) be referred to the External Auditor;
- (c) form the subject of an independent inquiry;
- (d) be referred to an alternative policy (e.g., Disciplinary Policy or Grievance Policy);
- (e) be resolved as an agreed action without the need for investigation.

38.18 How the Matter can be Taken Further

38.18.1 This policy is intended to provide you with a route within the Council/School to raise concerns. However, if you do not wish to raise concerns internally or if the concern has not been dealt with satisfactorily, the following are possible contact points. If you take the matter outside the Council/ School, you should ensure that you do not disclose confidential information unless that disclosure is privileged and relevant to the concern raised. Anyone proposing external disclosure should seek independent legal advice or contact the Public Concern at Work organisation.

38.19 Review of the Policy

38.19.1 The effectiveness of the policy will be monitored in the following ways:

- (a) the policy will be the responsibility of the HR Manager, in conjunction with the Monitoring Officer and Internal Audit, to review ensuring legal compliance and best practice;
- (b) the HR Manager will be responsible for reporting on whistleblowing incidents and number of cases annually to the Governance and Audit Committee. The report will include a summary of the concerns raised, to which directorate /school they related. The report will not include any employee names;
- (c) periodic internal audits of the effectiveness of the whistleblowing arrangements will be undertaken, including:
 - (i) recording of the number and types of concerns and the outcome of investigations;
 - (ii) feedback from individuals who have used the arrangements including staff awareness, trust and confidence in the arrangements;
 - (iii) any complaints of victimisation;
 - (iv) any complaints of failures to maintain confidentiality;
 - (v) any relevant litigation.

38.19.2 The outcomes from the monitoring of the policy will be reported to a relevant Chief Officer, the People Board and/or Governance and Audit Committee as required.

39 SCRUTINY AND EXECUTIVE PROTOCOL

39.1 Introduction

The Scrutiny and Executive protocol is a guide for elected Members and other parties outlining the interface between Scrutiny and the Executive and the procedural elements that underpin the relationship. Further information on Scrutiny will be provided in the Scrutiny handbook

39.2 Monmouthshire County Council's Scrutiny Arrangements

39.2.1 Scrutiny will act as a 'critical friend' to the Cabinet and other decision makers in order to promote better services, policies and decisions. Through their work, Scrutiny and Cabinet will agree to operate within the values of the Council: Openness, Teamwork, Flexibility, Fairness and Kindness. In compliance with s21 Local Government Act 2000 and Paragraphs 8 and 9 of Schedule 1 to the Act, Scrutiny Committees will:

- (a) consider reports and make recommendations to inform and advise the Cabinet or Council or other decision-making bodies on improvements to policies and service delivery;
- (b) hold the Cabinet to account for decisions, performance, risk management and budget management;
- (c) enable the public to engage in the work of the Council by holding public meetings to inquire into matters of local concern.

Monmouthshire has 4 Scrutiny Committees, each with distinct terms of reference, which are detailed earlier in the Constitution.

39.3 General Roles

39.3.1 Within their terms of reference Scrutiny Committees will:

- (a) review and/or scrutinise:
 - (i) decisions or actions taken;
 - (ii) policies or processes;in connection with the discharge of any of the Council's functions;
- (b) make reports and/or recommendations to the Council meeting and /or the Cabinet on the discharge of any of the Council's functions;
- (c) consider any matter affecting the area or its inhabitants and make recommendations to any decision making body as appropriate.

39.4 Specific Functions

39.4.1 Scrutiny Committees may:

- (a) assist the Council in reviewing service delivery and performance through in-depth analysis;

- (b) review and scrutinise the decisions made by and the performance of the Cabinet and/or Committees and/or other Constitutional Bodies and the Council and/or any Chief Officers both in relation to individual decisions and over time;
- (c) review and scrutinise the performance of the Council in relation to its policy objectives, performance targets and/or particular service areas;
- (d) conduct research, community and other consultation in the analysis of service or policy issues and possible options;
- (e) consider and implement mechanisms to encourage and enhance community participation in the development of policy or the improvement of services;
- (f) question Members of the Cabinet and/or Committees and/or other Constitutional bodies and appropriate Officers about their proposed policies, decisions and performance;
- (g) make recommendations to the Cabinet and / or appropriate Committee and/or other constitutional bodies and/or Council arising from the outcome of the Scrutiny process;
- (h) review and scrutinise the performance of other public bodies in the area and invite reports from them by requesting them to address the Scrutiny Board and local people about their activities and performance;
- (i) question and gather evidence from any person outside of the Authority (with their consent);
- (j) assist the Council and the Cabinet in the review of its budget and policies by in-depth analysis of policy issues;
- (k) liaise with other external organisations operating in the area, whether national, regional or local, to ensure that collaborative working enhances the interests of local people.

39.5 Setting the Work Programme and Agenda

39.5.1 At the beginning of the Scrutiny year (September), each Scrutiny Committee will agree an outline work programme for the year in consultation with the relevant senior Officers and take into account the views of the public and of partner agencies. Topics suggested for Scrutiny should be considered in line with the Scrutiny work programme topic selection criteria, the aim being to identify significant topics that will address a significant concern, will deliver a specific outcome and will add value to the work of the Council.

39.5.2 The most recent version of the Scrutiny Committee work programme will be reported to each Scrutiny Committee meeting to enable the Committee to review its content and include new items and to define the arrangements required for the next meeting. The updated Scrutiny Forward Work Programme will be presented by the Scrutiny Committee Chairs to meetings of the Council's Co-ordinating Board for the purpose of ensuring the clarity of topics being scrutinised and to avoid potential duplication in efforts. All Scrutiny work programmes will be made publicly available.

39.5.3 Individual agenda items, other than standing items, are to be determined in the first instance by the work programme that is agreed by the relevant Scrutiny Committee. The Scrutiny Committees agree their work programmes and the decisions to consider additional items or defer planned are made at the discretion of the chair in consultation with the Scrutiny Team.

39.5.4 The purpose of Scrutiny is to add value to the work of the Council. For this reason any items 'to note' i.e. that do not require a specific response from the Scrutiny Committee will be emailed to the Scrutiny Committee Members 'For Information', instead of being included on the agenda.

39.6 Evidence Gathering

39.6.1 Scrutiny Committees are entitled to gather evidence in connection with any review or inquiry they undertake as part of their agreed work plan. The Scrutiny Committee shall adopt methods of gathering evidence to inform their deliberations. These include, but are not limited to, task and finish groups, holding enquiries, going on site visits, conducting public surveys, holding public meetings, commissioning research, hearing from witnesses and appointing advisors and assessors. The knowledge of Councillors is also a valuable source of evidence and should be considered as part of each review / inquiry.

39.6.2 Scrutiny Committees shall be entitled to pay the reasonable fees and/or expenses of any individual or organisation assisting it, with the exception of Officers or Members of the Authority. Evidence gathering activity should not duplicate any other similar activity being undertaken by the authority or by other local agencies.

39.7 Attendance at Scrutiny Committees

39.7.1 A large part of evidence gathering will be through witnesses invited to give account directly to the Scrutiny Committee. Cabinet Members and Officers will not be expected to attend all Scrutiny Committee meetings, however, Scrutiny Committees are entitled under s21 of the Local Government Act 2000 to require any Member of the Executive or any Senior Officer to appear before it to give account for any matter within their responsibility or remit, particularly relating to:

- (a) any particular decision;
- (b) the extent to which the actions have been taken to implement Council policy;
- (c) their performance

and it is the duty of those persons to attend if so required. Where in exceptional circumstances, the Member or Officer is unable to attend on the required date; the Scrutiny Committee shall in consultation with the Member or Officer arrange an alternative date for attendance.

39.7.2 When a Scrutiny Committee wishes to invite a Cabinet Member, Officer or another individual to a meeting, it will:

- (a) offer a minimum notice of 2 weeks;
- (b) clearly outline the reason that the individual has been requested to attend and the likely areas upon which they are be expected to answer questions;

- (c) identify whether any papers are required to be produced.

39.7.3 Where individuals are required to attend before the Scrutiny Committee, as in the case of Officers or Members, the Chair shall ensure that those assisting the Scrutiny Committee by giving evidence are treated with courtesy and respect.

39.7.4 Witnesses contributing evidence to Scrutiny Committees will be provided with feedback and whether further information is required as part of the Scrutiny.

39.8 Scrutiny Committee Meeting Procedure

39.8.1 Robust Scrutiny depends on effective questioning which relies on effective preparation. The meetings of Scrutiny Committees will operate as follows:

- (a) main agenda items will be identified at the previous meeting in line with the agreed work programme. At this point potential witnesses and broad themes should be considered;
- (b) prior to the meeting all Scrutiny Committee Members should be engaged in raising and discussing possible questions by email. The chair and vice chair of the Committee will facilitate this process;
- (c) a pre-meeting for all Scrutiny Committee Members will be held typically 30 minutes immediately before the Scrutiny Committee meeting. The purpose is to ensure that Members are fully prepared for the Scrutiny Committee meeting and that the questioning strategy is clear;
- (d) during the Scrutiny Committee meeting, the chair will be responsible for ensuring that questioning is effective and that the Scrutiny Committee achieves its objective;
- (e) officers are invited to attend for their item and shall not be expected to remain at the meeting unless agreed with the Chair;
- (f) at the close of the meeting, witnesses will be asked to leave to enable Scrutiny Committee Members to discuss their conclusions any recommendations arising from the meeting. These conclusions and recommendations will be reported to the relevant Cabinet Member(s) in the form of a Chairs' Letter. The session should also be used to review the effectiveness of the meeting and identify ways that future meetings could be improved.

39.9 Attending Call-in Meetings

39.9.1 The following arrangements apply to Call-in meetings:

- (a) the Committee will invite the relevant Cabinet Member and/or Officer i.e. (the decision-taker) and any other Senior Officers the Committee considers appropriate to the meeting;
- (b) in line with the Call-in Mechanism outlined in the constitution, the Committee is required to meet within 15 working days of the publication of the decision;
- (c) the Committee will endeavour to offer appropriate notice to witnesses required to attend and will as far as possible ensure the scheduling of the Call-in meeting facilitates their attendance;

- (d) in inviting Officers to attend, the relevant Chief Officer responsible will be consulted as a matter of courtesy;
- (e) Scrutiny Committees welcome the views of additional Officers, however, to ensure consistency, transparency and openness, such Officers should indicate in advance of the agenda despatch (i.e. 3 working days prior to the meeting) that they wish to attend, with reasons for their attendance;
- (f) additional Officers should advise the Scrutiny Manager that they wish to attend, which will be discussed and agreed with the Chair of the Scrutiny Committee. It is the discretion of the Committee to allow such Officers to take part in the meeting.

39.10 Responding to Scrutiny's Recommendations

- 39.10.1 Chairs Letters. Scrutiny Committees will agree outcomes of their meetings and detail the conclusions and any recommendations arising from any Scrutiny Committee meeting. The Scrutiny Committee may recommend amendments to a strategy or policy at their meeting and the Cabinet Member or Officer may accept the amendments at the meeting, which will be formally minuted.
- 39.10.2 The Chair may also formally raise concerns via a Chairs Letter directed to the relevant Cabinet Member(s) in person after the meeting has closed. In this instance, the Cabinet Member should respond in writing to the Scrutiny Committee within one month indicating whether the recommendation needs to be referred and what action (if any) they intend to take.
- 39.10.3 Scrutiny Workshops. Scrutiny Committees may undertake an in-depth review, which will normally take a number of months and be conducted according to an agreed terms of reference, with the findings being shared publicly in a findings report.
- 39.10.4 Scrutiny Committees will abide by the following principles when conducting in-depth reviews or workshops:
- (a) involve the Cabinet Member at the commencement/early stages of a review to inform them of the terms of reference of the Task and Finish Group and the lines of inquiry that will be pursued;
 - (b) additional opportunities to involve the Cabinet Member throughout the review if felt appropriate;
 - (c) recommendations will follow logically from conclusions which will be clearly evidenced by reference to the findings of the review. Recommendations should not reflect unsupported personal opinion or political views. At this stage advice will be sought from the relevant Officers about the legal and financial implications of draft recommendations;
 - (d) when a review is nearing completion, invite the Cabinet Member to a meeting to discuss preliminary findings and if the Scrutiny Committee feels appropriate, test the viability of recommendations they wish to make;
 - (e) when a Scrutiny report has been agreed by Members of the Task and Finish Group, convene meeting with Cabinet Member to discuss the report's key findings and recommendations prior to the report being discussed at a public meeting (i.e. Scrutiny Committee).

- 39.10.5 If a Scrutiny Committee cannot agree on one single final report to the Executive then up to one minority report may be prepared and submitted for consideration with the majority report.
- 39.10.6 Once a Scrutiny Committee report has been agreed by the appropriate Scrutiny Committee, it will be submitted to the relevant Cabinet Member and published on the Council's website.
- 39.10.7 The report will then be scheduled in the Cabinet Forward Planner to be presented to a meeting of Cabinet within 6 weeks of it being agreed by the Scrutiny Committee.
- 39.10.8 The Chair of the relevant Scrutiny Committee will present the Report and accompanying recommendations to Cabinet. The relevant Cabinet Member will receive the Report on behalf of Cabinet but will not be required to respond to each of the recommendations individually at Cabinet.
- 39.10.9 Cabinet will be requested to "receive the report and consider the key findings and recommendations, responding to the relevant Scrutiny Committee within a 3 month period as to whether they accept (in part) or reject (in part) the Committee's recommendations together with rationale and actions that will be taken".
- 39.10.10 The Cabinet Member is responsible for:
- (a) meeting with Officers once they have received the Scrutiny report to draft a response to the Scrutiny Committee based upon the Cabinet Response Template (detailed in Appendix A);
 - (b) after agreeing a draft response with Officers, reporting the draft response to the Cabinet for adoption;
 - (c) forwarding the Cabinet response to the Scrutiny Committee (following adoption by the Cabinet) and attending a Scrutiny Committee to discuss their response.
- 39.10.11 Scrutiny Committees will be responsible for monitoring progress against the recommendations and ensuring the return of the Cabinet Member to the Scrutiny Committee within a defined timescale.

40 PROTOCOL ON MEMBER AND OFFICER RELATIONS

40.1 Introduction

- 40.1.1 The purpose of this Protocol is to guide Members and Employees of the Council in their relations with one another.
- 40.1.2 Mutual respect between Members and Employees is essential to good local government. However, close personal familiarity between individual Members and Employees can damage this relationship and prove embarrassing to other Members and Employees.
- 40.1.3 The relationship has to function without compromising the ultimate responsibilities of Employees to the Council as a whole, and with due regard to such technical, financial, professional and legal advice that Employees can legitimately provide to Members. The Protocol seeks to set a framework that assists the working relationships between Members and Employees.

40.2 Roles of Members

40.2.1 Members undertake many different roles. Broadly, Members will:

- (a) express political values and support the policies of the party or group to which they belong (if any);
- (b) represent their electoral division and are advocates for the citizens who live in the area;
- (c) be involved in active partnerships with other organisations as community leaders;
- (d) contribute to the decisions taken in Full Council and in its various bodies on which they serve, as well as joint committees, outside bodies and partnership organisations;
- (e) help develop and review policy and strategy;
- (f) monitor and review policy implementation and service quality;
- (g) be involved in quasi-judicial work through their Membership of regulatory committees.

40.3 Roles of Employees

40.3.1 Briefly, Employees have the following main roles:

- (a) managing and providing the services for which the Council has given them responsibility and being accountable for the efficiency and effectiveness of those services;
- (b) providing advice to the Council and its various bodies and to individual Members in respect of the services provided;
- (c) initiating policy proposals;
- (d) implementing agreed policy;
- (e) ensuring that the Council always acts in a lawful manner.

40.4 Respect and Courtesy

40.4.1 For the effective conduct of Council business there must be mutual respect, trust and courtesy in all meetings and contacts, both formal and informal, between Members and Employees. This plays a very important part in the Council's reputation and how it is seen in public. It is very important that both Members and Employees remember their respective obligations to enhance the Council's reputation and to do what they can to avoid criticism of other Members, or other Employees, in public places.

40.5 Undue Pressure

40.5.1 It is important in any dealings between Members and Employees that neither should seek to take unfair advantage of their position.

40.5.2 In their dealings with Employees (especially junior Employees), Members need to be aware that it is easy for them to be overawed and feel at a disadvantage. Such feelings can be intensified where Members hold senior official and/or political office.

40.5.3 A Member should not apply undue pressure on an Employee either to do anything that they are not empowered to do or to undertake work outside normal duties or outside normal hours. Particular care needs to be taken in connection with the use of Council property and services.

40.5.4 Similarly, an Employee must neither seek to use undue influence on an individual Member to make a decision in their favour, nor raise personal matters to do with their job, nor make claims or allegations about other Employees. (The Council has formal procedures for consultation, grievance and discipline, and Employees have the right to report possible wrongdoing under the Council's Confidential Reporting Code.)

40.6 Familiarity

40.6.1 Close personal familiarity between individual Members and Employees can damage the principle of mutual respect. It could also, intentionally or accidentally, lead to the passing of confidential information or information which should not properly be passed between them, such as personal details.

40.6.2 Such familiarity could also cause embarrassment to other Members and/or other Employees and even give rise to suspicions of favouritism.

40.6.3 For these reasons close personal familiarity must be avoided.

40.7 Breach of Protocol

40.7.1 If a Member considers that they have not been treated with proper respect or courtesy they may raise the issue with the Employee's line manager. If direct discussion with the manager does not resolve the complaint it should be referred to the Head of Service or Chief Officer responsible for the employee concerned. Breach of the Protocol may give rise to disciplinary proceedings against an Employee if the circumstances warrant it.

40.7.2 If an employee considers that a Member has contravened the protocol they should consult their line manager who will if necessary involve the Head of Service or Chief Officer. In certain circumstances breach of the Protocol may also constitute a breach of the Members' Code of Conduct. If the breach is sufficiently serious this may warrant a formal reference to the Monitoring Officer as a complaint to be considered for potential investigation by the Standards Committee. Many complaints will be capable of informal resolution. The Monitoring Officer or the Chief Executive will assist in this process if necessary.

40.8 Provision of Advice and Information to Members

40.8.1 Members are free to approach Employees of the Council to provide them with such information and advice as they may reasonably need in order to assist them in discharging their role as a Member of the Council. This can range from a request for general information about some aspect of the Council's activities to a request for specific information on behalf of a constituent.

40.8.2 Employees should always endeavour to respond to requests for information promptly and should in any event inform the Member if there is likely to be any appreciable delay in dealing with an enquiry. As a minimum the timescale for responding to correspondence should be observed i.e. either a full response or, if this is not possible, an acknowledgement that fully explains what is happening within [five] working days of the receipt of the enquiry.

40.8.3 The legal rights of Members to inspect Council documents are covered partly by statute and partly by common law.

40.8.4 The Access to Information Procedure Rules of this Constitution explain the position with regard to access to papers relating to the business of a Council body.

40.8.5 The exercise of the common law right depends upon a Member's ability to demonstrate a "need to know". In this respect a Member has no right to "a roving commission" to examine any documents of the Council. Mere curiosity is not sufficient.

40.8.6 The information sought by a Member should only be provided by the respective Service as long as it is within the limits of the Service's resources. For their part, Members should seek to act reasonably in the number and content of the requests they make.

40.8.7 It is important for Services and their staff to keep Members informed both about the major issues concerning the Council and, more specifically, about issues and events affecting the area that they represent. Local Members should be informed about proposals that affect their electoral division and should also be invited to attend Council initiated events within their electoral division. (Further details are contained in the Local Member Consultative Charter, which is annexed to this Protocol).

40.8.8 If a Member asks for specific information relating to the work of a particular Service, and it appears possible or likely that at a subsequent meeting an issue could be raised or question asked on the basis of the information provided, then the appropriate Cabinet Member or Committee Chair concerned should be advised about the information provided.

40.8.9 Officers have to advise Members from time to time that a certain course of action cannot be carried out. Members sometimes assume that this is a case of Officers deliberately obstructing the wishes of politicians. In fact this is hardly ever the case. Officers are employed to give unbiased professional advice even if it is not what Members want to hear. They do this as much for the protection of Members as for any other reason. However, the mark of an effective Officer is that if they do have to give negative advice, this will be accompanied by suggestions as to how Members might achieve some or all of their objectives in other ways. Such Officers are invaluable to any Council.

40.8.10 Members may be entitled under the Freedom of Information Act 2000 to receive information which falls outside their common law rights based on the "need to know". Employees are encouraged to supply documents to Members without the need for a formal FOI request if it is apparent from the Member's enquiry that any individual would be entitled to receive such documentation. The Council's Information Officer will be able to advise in consultation if necessary with the Monitoring Officer on whether any request would fall within the Freedom of Information Act.

40.9 Confidentiality

40.9.1 In accordance with the Code of Conduct for Members, a Member must not disclose information given to them in confidence by anyone, or information acquired which they believe, or ought reasonably to be aware, is of a confidential nature, except where:

- (a) they have the consent of a person authorised to give it;
- (b) they are required by law to do so;
- (c) the disclosure is made to a third party for the purpose of obtaining professional advice provided that the third party agrees to be subject to an agreement as directed by the Monitoring Officer not to disclose the information to any other person; or
- (d) the disclosure is:
 - (i) reasonable and in the public interest; and
 - (ii) made in good faith and in compliance with the reasonable requirements of the authority.

40.9.2 Confidential Committee papers (pink papers) are to be treated as confidential information unless the relevant Committee resolves not to exclude press and public. Members are reminded that the author of the report makes the initial decision as to whether or not the papers are to be treated as confidential. The decision as to whether they remain confidential is for the Committee. Other information may be confidential because to disclose it would be against the Council's or the public interest. Information may also be confidential because of the circumstances in which it was obtained.

40.9.3 Information and correspondence about an individual's private or business affairs will normally be confidential.

40.9.4 Officers should make it clear to Members if they are giving them confidential information. If a Member is not sure whether information is confidential, they should ask the relevant Officer, but treat the information as confidential in the meantime.

40.9.5 Any Council information provided to a Member must only be used by the Member in connection with the proper performance of the Member's duties as a Member of the Council.

40.9.6 If a Member receives confidential information and considers it should be disclosed to another person because it is reasonable and in the public interest to do so then they must first consult with the Monitoring Officer and shall not disclose the information without having regard to any advice given by that Officer.

40.10 Provision of Support Services to Members

40.10.1 The only basis on which the Council can lawfully provide support services (e.g. stationery, word processing, printing, photocopying, transport, etc.) to Members is to assist them in discharging their role as Members of the Council. Such support services must therefore only be used on Council business. They should never be used in connection with party political or campaigning activity or for private purposes.

40.10.2 Correspondence. Official letters on behalf of the Council should be sent in the name of the appropriate Employee, rather than over the name of a Member. There are circumstances where a letter sent in the name of a Member is perfectly appropriate, for example, in response to a letter of enquiry or complaint sent direct to that Member. Letters which, for example, create obligations or give instructions on behalf of the Council should never be sent out in the name of a Member.

40.10.3 Media. Communication with the media can be an important part of a Member's workload. In general, Members provide comment and views while Employees provide factual information. If a Member is unsure about the circumstances of a particular issue they should contact the appropriate Chief Officer or Head of Service concerned or ask the Press Office to do so.

40.11 The Council's Role as Employer

40.11.1 In their dealings with Officers, Members should recognise and have regard to the Council's role as employer. Members should be aware that Officers could rely on inappropriate behaviour of a Member in an employment case against the Council.

40.12 Political Activity

40.12.1 There are a number of constraints that apply to an employee who occupies a post that is designated as "politically restricted" under the terms of the Local Government and Housing Act 1989. Such employees are prevented from:

- (a) being a Member of Parliament, European Parliament or local authority;
- (b) acting as an election agent or sub-agent for a candidate for election as a Member of any the bodies referred to in (a);
- (c) being an Officer of a political party or any branch of a political party or a Member of any committee or sub-committee of such a party or branch, if their duties would be likely to require them to:
 - (i) participate in the general management of the party or branch; or

- (ii) act on behalf of the party or branch in dealings with persons other than Members of the party;
- (d) canvassing on behalf of a political party or a candidate for election to any the bodies referred to in (a);
- (e) speaking to the public with the apparent intent of affecting public support for a political party; and
- (f) publishing any written or artistic work of which they are the author (or one of the authors) or acting in an editorial capacity in relation to such works, or to cause, authorise or permit any other person to publish such work or collection - if the work appears to be intended to affect public support for a political party.

40.12.2 It is common for party groups to give preliminary consideration to matters of Council business in advance of such matters being considered by the relevant decision making body. Employees may properly be called upon to support and contribute to such deliberations by party groups provided they maintain a stance which is politically impartial. Support may include a range of activities including briefings for Members relating to their roles, e.g. chairperson or spokesperson. Employees should be required to give information and advice to political groups on Council business only and not on matters which are purely of a party political nature. Such advice should be available to all party groups and not solely to the majority group. It is important that the political neutrality of Employees is preserved and that group confidentiality is maintained by Employees.

40.12.3 Usually the only Employees involved in attending group meetings will be the Chief Executive, Chief Officers and Heads of Service and they will generally leave the meeting after making their presentation and answering questions.

40.12.4 Employees are employed by the Council as a whole. They serve the Council and are responsible to the Chief Executive and their respective Chief Officers/Heads of Service, and not to individual Members of the Council whatever office they might hold.

40.12.5 Both Members and Employees are subject to their own Codes of Conduct which can be found in the Constitution. This Protocol provides guidance on working relationships between Members and Employees. It is essential that both are familiar with the detailed obligations in their respective Codes of Conduct which will prevail in the event of any conflict between the Codes and this Protocol.

40.13 Sanctions

40.13.1 Complaints about any breach of this Protocol by a Member may be referred to the Monitoring Officer. It should be noted that certain breaches may also amount to breaches of the Code of Conduct for Members.

40.13.2 Complaints about any breach of this protocol by an Officer may be referred to the relevant Chief Officer, the Chief Executive or the Monitoring Officer.

40.14 Conclusion

- 40.14.1 It is hoped that, by following good practice and securing sensible and practical working relationships between Members and Employees, we can provide one of the cornerstones of a successful local authority and thereby enhance the delivery of high value quality services to the people of the area. Mutual understanding, openness and respect are the greatest safeguard of the integrity of the Council, its Members and Employees.

41 LOCAL MEMBER CONSULTATIVE CHARTER

- 41.1.1 The Council is committed to providing its Elected Members with accurate, helpful and timely consultation, advice and information in relation to any matters of any significance or sensitivity which relate to their particular Electoral Division and where circumstances render it appropriate to involve a Local Member.
- 41.1.2 Chief Officers and staff will be continually vigilant to identify such matters and ensure that Local Members are informed accordingly. This will also include any matter which could impact upon the neighbouring areas of other Members.
- 41.1.3 Chief Officers will ensure that all correspondence/enquiries from Local Members are dealt with promptly and if necessary Members will be kept advised of progress.
- 41.1.4 Appropriate Chief Officers will ensure that, where the Council's Constitution allows, Local Members will be invited to meetings and receive the necessary documentation.
- 41.1.5 Any matter of significance or sensitivity which relates to a particular Electoral Division or Divisions will be discussed with the Local Member(s) concerned before being submitted for consideration by the Cabinet or other Council Body. This will provide the opportunity for early awareness and allow a local perspective to be obtained.
- 41.1.6 Chief Officers and staff will regularly brief appropriate Cabinet Members on service and partnership issues and developments and will use such occasions to help identify any potential local issues.
- 41.1.7 Details of any petitions received which relate to matters in a particular Electoral Division will be sent to the Local Member concerned. In addition, copies will also be provided to the Leader. Local Members will be kept informed on the progress/outcomes of such petitions.

- 41.1.9 Copies of all correspondence with AMs, MPs and MEPs which relate to matters in a particular Electoral Division will be sent to the Local Member concerned. Copies will also be provided to the Leader.

- 41.1.11 Services will provide every Member with an Officer Contact guide for the services they provide, including where appropriate local contacts.

- 41.1.12 Wherever appropriate, Services will make Local Members aware of and invite them to service events and activities in their area. This will include strict adherence to the arrangements that have been agreed for the official opening/launch of Council projects, schemes, exhibitions etc.
- 41.1.13 In certain instances, both Members and Officers will receive an enquiry which relates to a matter in a particular area. In order to ensure consistency of approach in these circumstances, Officers will agree with the Member(s) concerned a single response to such enquiries.
- 41.1.14 As part of a continual review of the Charter's effectiveness, the co-operation of Members is sought in the responsible use at all times of advice and information that is provided to them and Members are encouraged to advise Officers of the information requirements and of any local circumstances or sensitivities which might have a bearing on the Council's work.

42 PROTOCOL FOR SELF REGULATION OF MEMBER CONDUCT

42.1 General Principles

- 42.1.1 To promote high standards of conduct and behaviour as a means of strengthening respect and trust amongst members.
- 42.1.2 The protocol does not replace the Member-Officer Relations Protocol set out in the Council's Constitution.
- 42.1.3 It is not intended to replace the Code of Conduct rather it is intended to sit alongside it, enabling behaviour which may not reach the Ombudsman's threshold to be dealt with.
- 42.1.4 Members will make all reasonable attempts to resolve disputes through agreed internal processes subject to their obligations under the Members' Code of Conduct.
- 42.1.5 Members will avoid personal confrontation in any public forum, especially full Council and through the media.
- 42.1.6 These commitments will not stifle legitimate political debate or scrutiny.
- 42.1.7 Group discipline will become the cornerstone of self-regulation with Group Leaders taking responsibility for their own members.
- 42.1.8 Group Leaders individually and collectively will work to ensure compliance with this protocol.
- 42.1.9 Members will commit to training and development in support of this protocol.

42.2 Working to avoid problems

- 42.2.1 To minimise the number of instances of alleged breaches all Group Leaders are asked to commit to:
- (a) a Member Learning and Development Strategy – to which they will seek to secure the commitment of their group members. All reasonable endeavours will be made to ensure that the Learning and Development Strategy identifies and responds to the needs of members;

- (b) attending relevant Member training events - in particular those relating to the Code of Conduct or probity courses within the scope of their role;
- (c) support the provision made by the County Council for complying with sections 5 and 7 of the Local Government Measure 2011 (Annual reports & Training and development)

42.3 Role of Group Leaders

42.3.1 There is a general duty on the leader of a political group to:

- (a) take reasonable steps to promote and maintain high standards of conduct by the members of the group; and
- (b) co-operate with the council's standards committee (and any sub-committee of the committee) in the exercise of the standards committee's functions.

In complying the a) and b) above, you must have regard to any guidance issued by the Welsh Ministers.

42.3.2 A complaint by a member relating to a member of the same group will be referred to the Group Leader. A complaint by a member concerning the activities of a member of a different political group will be discussed with the complainant's own Group Leader, who will then refer the issue to the Group Leader with responsibility for the member against whom the complaint is made.

42.3.3 Upon receiving a complaint, it is the role of Group Leaders to take responsibility for discipline within their groups. Group discipline should seek to be informal, resolved through face to face meetings. Group Leaders will need to retain some records but the process will not be "document heavy". The emphasis should be on training, education, mediation and conciliation.

42.3.4 When appropriate, a sanction such as removal from a committee or an outside body, may be used in extreme cases or after persistent breaches and the matter will be referred to the Public Services Ombudsman for Wales.

42.3.5 Prior to considering any sanction, or training, the relevant Group Leader may consult with a member of the Standards Committee in conjunction with the Monitoring Officer or Deputy Monitoring Officer. The Standards Committee will seek to ensure fairness and consistency in the discipline imposed within each Group.

42.3.6 At the next available Group Leaders' meeting any issue of discipline which has been referred to a Group Leader will be discussed with the group and with the objective of seeking to ensure that fair and consistent sanctions are applied.

42.4 Unaffiliated Members

42.4.1 As far as unaffiliated members are concerned, the Chair of the Council will fulfil the role of Group Leader. Concerns regarding the conduct of an unaffiliated member should be referred to the Chair who will apply the same principles and standards as those of the Group Leaders in terms of training/mediation/conciliation.

42.4.2 In the event that an unaffiliated member refuses to provide reasonable co-operation to the Chair of the Council, or if the breach is significant, or in the event of repeated breaches, then the Council may remove the unaffiliated member from any committee seats allocated by the full Council. Such a proposal should be put to the Council jointly by the Group Leaders. In the case of persistent breaches the matter shall be referred to the Ombudsman by the Monitoring Officer.

42.5 Persistent Breaches

42.5.1 In the case of persistent breaches, or areas where the Group Leaders have concerns that the conduct of an individual member or members is damaging to relations between political groups or to the reputation of the Council, then the Group Leaders will meet with the Chief Executive and Monitoring Officer to agree a way forward. Consideration will be given to joint references to the Ombudsman, by the Group Leaders, for persistent low level breaches. The collective Group Leaders will also assume this responsibility in relation to unaffiliated members.

42.6 Standards Committee

42.6.1 The Standards Committee Members will play a supporting/advisory role to the Group Leaders. This process will be initiated at the request of the Group Leader, in a particular case.

42.6.2 Such meetings will be private and informal. Any documentation, attendance notes, file notes or advisory notes passing between a Group Leader (or as appropriate the Chair of the Council) and the members of the Standards Committee shall remain private and confidential.

42.6.3 When acting in an advisory role to the Group Leaders/Chair of the Council, the Standards Committee has no right of sanction. However, it shall be open to the Group Leader to request that the Standards Committee, as a last resort, issue a public censure against a group member. Where this is to be considered, the member who may be subject to censure will be provided with a reasonable opportunity to make submissions to the Standards Committee members, either in person or in writing.

42.6.4 The recommendations available to the Standards Committee will include a recommendation that a Group Leader takes action against one of their members, including removal from committee or outside body.

42.7 Protocol - Standard of Conduct Expected of Members

42.7.1 This protocol sets out the standards of conduct expected from Members within Monmouthshire County Council in dealing with each other. It should be read in conjunction with the Members Code of Conduct. It adds to these documents and does not detract from them.

42.7.2 Members are expected to:

 - (ii) if dealing with any matter relating to another electoral division:
 - (iii) explain to anyone seeking assistance that they are not the local Member;

43.3.6 A Senior Salary may not be paid to more than the number of members specified by the Independent Remuneration Panel for Wales in its Annual Report and cannot exceed 50 percent of the total membership of the authority, except to include a temporary Senior Salary office holder providing temporary cover for the family absence of the appointed office holder.

43.5 Suspension of a Member

43.5.1 Where a Member of the Authority is suspended or partially suspended from their responsibilities or duties as a Member of the Authority in accordance with Part III of the Local Government Act 2000 (Conduct of Members), or regulations made under the Act, the part of the Basic Salary payable to them in respect of that period for which they are suspended will be withheld by the Authority (Section 155 (1) of the Measure).

43.5.2 Where a Member in receipt of a Senior Salary is suspended or partially suspended from being a Member of the Authority in accordance with Part III of the Local Government Act 2000 (Conduct of Members), or regulations made under the Act, the Authority must not make payments of the Member's Senior Salary for the duration of the suspension (Section 155 (1) of the Measure). If the partial suspension relates only to the specific responsibility element of the payment, the member may retain the Basic Salary.

43.6 Repayment of salaries, allowances or fees

43.6.1 Where payment of any salary, allowance or fee has been made to a Member of the Authority or Co-opted Member in respect of any period during which the Member concerned:

43.7.2 Where payment has resulted in a Member receiving more than their entitlement to salaries, allowances or fees the Authority will require that such part that is overpayment be repaid.

43.7.3 All payments are subject to the appropriate tax and National Insurance deductions.

43.8 Care Allowance

43.8.1 Care Allowance shall be paid to a Member or Co-opted Member, who has caring responsibility for dependant children or adults, or a personal care requirement, provided the Member incurs expenses in the provision of such care whilst undertaking 'approved' council duties.

43.8.2 Care Allowance applies in respect of children who are aged 15 or under and other persons for whom the Member or Co-opted Member can show that care is required. If a Member or Co-opted Member has more than one dependant the Member may claim more than one allowance, provided the Member can demonstrate a need to make separate arrangements for care.

43.8.3 Eligible Members may claim Care Allowance for actual and receipted costs up to a maximum amount not exceeding that determined by the IRPW. All claims for Care Allowance should be made in writing to Democratic Services detailing times, dates and reasons for claim. Receipts are required for both informal and formal care arrangements.

43.9 Family Absence

43.9.1 Members are entitled under the provisions of the Family Absence for Members of Local Authorities (Wales) Regulations 2013 to a period of family absence, during which if they satisfy the prescribed conditions they are entitled to be absent from authority meetings.

43.9.2 When taking family absence Members are entitled to retain a basic salary irrespective of their attendance record immediately preceding the commencement of the family absence.

43.9.3 Should a senior salary holder be eligible for family absence they will be able to continue to receive their senior salary for the duration of the absence.

43.9.4 If the authority agrees that it is necessary to make a substitute appointment to cover the family absence of a senior salary holder the Member substituting will be eligible if the authority so decides to be paid a senior salary.

43.9.5 If the paid substitution results in the authority exceeding its maximum number of senior salaries, an addition to the maximum will be allowed for the duration of the substitution.

43.10 Co-optees' payments

43.10.1 A Co-optees' daily fee (with a provision for half day payments) shall be paid to Co-optees, provided they are statutory Co-optees with voting rights.

43.10.2 Payments will take into consideration travelling time to and from the place of the meeting, reasonable time for pre meeting preparation and length of meeting (up to the maximum of the daily rate).

- 43.10.3 The Monitoring Officer is designated as the “appropriate officer” and will determine preparation time, travelling time and length of meeting, the fee will be paid on the basis of this determination.
- 43.10.4 The Monitoring Officer can determine in advance whether a meeting is programmed for a full day and the fee will be paid on the basis of this determination even if the meeting finishes before 4 hours has elapsed.
- 43.10.5 A half day meeting is defined as up to 4 hours.
- 43.10.6 A full day meeting is defined as over 4 hours.

- 43.10.8 The daily and half day fee for other statutory Co-optees with voting rights is determined by the IRPW.

43.11 Travel and Subsistence Allowances General Principles

- 43.11.1 Members and Co-opted Members may claim travelling expenses when travelling on the Authority’s business for ‘approved duties’ as set out by IRPW and accessible via the MCC website (link above). Where Members travel on the Authority’s business they are expected to travel by the most cost effective means. In assessing cost effectiveness regard will be given to journey time. A Member who does not travel by the most cost effective means may have their claim abated by an appropriate amount.
- 43.11.2 Where possible Members should share transport.
- 43.11.3 The distance claimed for mileage should be the shortest reasonable journey by road from the point of departure to the point at which the duty is performed, and similarly from the duty point to the place of return.
- 43.11.4 Where a Member is suspended or partially suspended from their responsibilities or duties as a Member of the Authority in accordance with Part III of the Local Government Act 2000 (Conduct of Members), or regulations made under the Act, any travel and subsistence allowances payable to them in respect of that period for which they are suspended or partially suspended must be withheld by the Authority.

43.12 Travel by Private Vehicle

- 43.12.1 The Independent Remuneration Panel for Wales has determined that the maximum travel rates payable should be the rates set out by Her Majesty’s Revenue & Customs for the use of private cars, motor cycles and pedal cycles plus any passenger supplement.
- 43.12.2 Where a Member makes use of their private vehicle for approved duty purposes, the vehicle must be insured for business use. Proof of appropriate insurance must be provided to the Authority on request.

43.13 Travel by Public Transport

- 43.13.1 Rail/Coach Travel:

- (a) unless otherwise authorised rail tickets will be standard class;
- (b) Democratic Services will purchase requisite rail and coach tickets for Members in advance of journeys. In the unlikely event that a Member needs to purchase a ticket directly, payment will be reimbursed upon production of the used ticket and/or a receipt.

43.13.2 Taxi Fares:

- (a) taxi fares will only be reimbursed where their use has been authorised for cases of urgency, where no public transport is reasonably available, or a Member has a particular personal need. Re-imburement will be upon receipt only.

43.13.3 Air Fare (optional):

- (a) travel by air is permissible if it is the most cost effective means of transport. Authorisation of the Head of Democratic Services is required and tickets will be purchased by Democratic Services.

43.14 Travel Abroad

43.14.1 Travel abroad on the Authority's business will only be permitted where authorised by Head of Democratic Services. Democratic Services will arrange travel and accommodation.

43.15 Other Travel Expenses

43.15.1 Members will be entitled to reimbursement of toll fees, parking fees, overnight garaging and other necessary travel associated expenses. Re-imburement will be upon receipt only.

43.16 Overnight Accommodation

43.16.1 Overnight stays will only be permitted where the Authority's business extends to two days or more, or the venue is at such a distance that early morning or late night travel would be unreasonable. All overnight stays must receive prior authorisation from the Head of Democratic Services.

43.16.2 Overnight accommodation will be booked by Democratic Services. Wherever possible the overnight accommodation will be pre-paid or invoiced.

43.16.3 Direct booking of overnight accommodation by a Member will only be permitted in the event of an emergency. Reimbursement will only be made upon the production of a receipt and will be at a level deemed reasonable and not in excess of the rates set out by IRPW.

43.17 Subsistence Allowance

43.17.1 The day subsistence rate to meet the costs of meals and refreshments in connection with approved duties (including breakfast when not provided as part of overnight accommodation) is set out by IRPW. The maximum daily rate covers a 24 hour period and can be claimed for any meal that is relevant, providing such a claim is supported by receipt(s)

43.17.2 No provision is made for subsistence claims within the County.

43.18 Claims and Payments

43.18.1 A claim for travel and subsistence allowances must be made in writing before the specified payroll deadline for that calendar month in which entitlement to allowances arises and must be accompanied by the relevant receipts.

43.18.2 Allowances will be paid by the Head of Democratic Services by direct bank credit.

43.19 Pensions

43.19.1 The Authority shall enable its Members who are eligible to join the Local Government Pension Scheme.

43.20 Compliance

SUBJECT: Corporate Parenting Strategy 2022-25

MEETING: Council

DATE: 18th May 2023

DIVISION/WARDS AFFECTED: ALL

1. PURPOSE:

1.1 To present to the Council the Corporate Parenting Strategy for 2022-2025 in relation to responsibilities of the Council, the performance against the previous Corporate Parenting strategy 2017-2022 and the Action Plan which will address the needs of Children Looked After and Care Experienced young people

2. RECOMMENDATIONS:

2.1 That members consider and endorse the Corporate Parenting Strategy and the Action Plan for 2022-2025

3. KEY ISSUES:

3.1 The law and guidance about Children Looked After is substantial and complex relating to children and young people whose best interests cannot be met by their family for whom the Council becomes responsible. Part 6 of the Social Services and Wellbeing (Wales) Act (2014) is the core legislation, with S78 stating the duty of the Council to safeguard and promote the welfare of each child it looks after, and care leaver. In terms of welfare, it encompasses the Act's universal wellbeing outcomes.

3.2 The format of the report follows the template presented 2015-2018, and 2018-2025 which supports a compare and contrast model. It seeks to articulate the vision of the Council in relation to Children Looked After and clarifies the responsibilities of the Council and Councillors when considering the entitlements of Children Looked After and Care Experienced young people.

3.3 The report sets out the local picture in relation to the trends and changes of Monmouthshire's Children Looked After population, offering a national context in order to support the Review of Corporate Parenting Strategy 2018-2023. The Key Achievements and Barriers to ongoing change are the basis for the Action Plan which is and will drive change and improvement in the period 2022-25.

3.4 It is acknowledged this is a formal format and is not inclusive in style for many of the young people and carers that it impacts the most, therefore when concluded in Council

their will also be a more accessible format to ensure our communities, young people and carers are informed

3.5 People Scrutiny Committee ~ The committee scrutinised the report in detail and following detailed questioning, it endorsed the Corporate Parenting Strategy for 2022-2025”.

4. WELLBEING OF FUTURE GENERATIONS IMPLICATIONS (INCORPORATING EQUALITIES, SUSTAINABILITY, SAFEGUARDING AND CORPORATE PARENTING)

4.1 The report provides an appraisal of performance and identifies future priorities. The report identifies the contribution of social services in Monmouthshire to the Well-being of Future Generations Act and Social Services and Wellbeing (Wales) Act.

4.2 The report provides analysis of performance and priorities related to the Children Looked After in Monmouthshire, our Care Experienced young people and the role of corporate parenting.

5. EVALUATION CRITERIA:

6.1 The report provides an analysis of the performance of Social Care & Health Services and Corporate Parents in 2018-2022. This has used a range of evidence, including the performance indicators from the measurement framework as part of the Social Services and Well-being Act, National and Local data. It has also been reviewed and contributed to by Carer’s, Care Experience Young People and Children Looked After

6. REASONS:

7.1 To ensure that council has a clear understanding of its roles and responsibilities to the children in Monmouthshire’s care and those who leave our care system. It offers and evaluation of the performance and impact of national and local contexts in reviewing the Corporate Parenting Strategy 2018-22 and details the Action Plan and future priorities to deliver a positive and sustainable future for Children Looked After, Foster Carers, and Care Experienced young people in Monmouthshire.

7. RESOURCE IMPLICATIONS:

8.1 The period of time this strategy covers is one of financial constraints as well as national instability in relation to the removal of private care providers for children looked after by 2026. This strategy sets out the direction of travel within this uncertain period, we will continue to maximise our resources, and will remain focused on our priorities. The resource implications for this period remain undefined however the priority for our young people in Monmouthshire is to ensure this strategy is delivered without compromise.

8. CONSULTEES:

- Care Experienced Young People.
- Children Looked After.
- Foster Carer's
- Social Workers/Support Workers Long Term Support Team Children Services
- Members of the Corporate Parenting Panel
- "People Scrutiny Committee ~ The committee scrutinised the report in detail and following detailed questioning, it endorsed the Corporate Parenting Strategy for 2022-2025".

Foreword

The Monmouthshire County Council Corporate Parenting Strategy is our collective commitment to safeguard and promote the life chances and deliver the best possible outcomes for children and young people who are looked after by Monmouthshire County Council. It sets out the high standards we aim to achieve as Corporate Parents along with our key partners and the actions we will take to do this.

As elected members and officers we have a special responsibility as Corporate Parents to ensure that all our children and young people who are looked after and care experienced¹ within our County have the opportunity to live a safe, happy, healthy and fulfilling life. A good education and opportunities for social development are paramount for all children and young people and in this respect children who are looked after are absolutely no different and must be afforded the same choices.

The Strategy sets out clearly a reference guide for Corporate Parents to follow and emphasises the key aspects of the role which include how to listen, learn and question, and act as advocates on behalf of this special group.

This is the Council's third Corporate Parenting Strategy.

County Councillor Tudor Thomas

Cabinet Member and Chair of Corporate Parenting Panel

¹ The terms 'children and young people who are looked after' and 'young people who are care experienced' are used throughout this document. Children and young people who have grown up in care have told us that these terms better reflect their experiences and identities and are their preferred terminology. These replace the terms Looked After Child (LAC) and Care Leaver.

Corporate Parenting Priorities

Priority 1: All elected members and officers understand and act on their responsibilities as corporate parents

Priority 2: All children and young people who are looked after have a safe and stable home where they feel safe, valued and cared for by excellent foster carers

Priority 3: Children and young people who are looked after enjoy a range of educational and learning opportunities and are supported to achieve the best possible educational outcomes

Priority 4: Children and young people who are looked after enjoy the best possible health and have appropriate information, health care and advice to thrive

Priority 5: Children and young people who are looked after enjoy a range of play, sport, leisure and cultural opportunities to enable them to fulfil their potential

Priority 6: Children and young people who are looked after are treated as valued members of the community, whose voices are heard, respected and taken into account in all decisions that are taken

Priority 7: As they grow older, care experienced young people are given timely, good quality support to prepare them for the future and into independence and enable them to make positive choices for independent living to become successful, fulfilled members of society

Priority 8: Children who are looked by Monmouthshire County Council are cared for by Monmouthshire carers and remain close to their homes and communities

Priority 9: All care experienced young people are supported in education, training and employment

Our Vision

Within Monmouthshire our first pledge to children and young people is that whenever possible we will support them to remain within their families. We recognise that this is the best environment for the majority of children and young people to develop and achieve their outcomes.

There are however a small group of children and young people who will need to be looked after by the local authority. In some cases this will be because of the death of a parent but primarily will be as a result of parents being unable to provide a safe environment in which they can thrive. For some children they will have experienced significant abuse or neglect at home. We will strive to ensure that children and young people who are unable to live safely within their own families are looked after and provided with the best possible care and support, educational provision and health care in placements that meet all their needs.

Children who are looked after by the local authority will already have been placed at a disadvantage when they come into care. Monmouthshire County Council wants to ensure that the experience of children and young people does not add to this disadvantage but provides them with the stability and security they need to flourish. Children and young people will be healthy and happy and feel valued and loved. Children and young people will enjoy learning and grow into successful adults who can have positive relationships, positive futures, become responsible citizens and achieve their goals and ambitions. “Our aspirations for the children and young people that we look after are the same as any good parent would want for their children. Where they need it children and young people will receive the very best possible standards of care and support” (Where I am Safe Strategy 2016).

Entitlements of Children and Young People who are Looked After and Care Experienced

Children who are looked after have the same entitlements as all children and young people. Under the Social Services and Well-being Act (Wales) 2014 this is articulated through the concept of well-being. For children and young people this incorporates:

- Feeling good about your life, being safe and having somewhere suitable to live
- Being well looked after and able to grow up happily and successfully
- Being involved in decisions that impact your life

- Having friends and being part of good, strong communities
- Having every chance to do well in education, training, work-based learning and employment
- Have access to appropriate health care.

Roles and Responsibilities of Corporate Parents

All members of the Monmouthshire County Council have a shared responsibility for Corporate Parenting but some individuals have particular responsibilities.

Corporate parenting is the responsibility held by Elected Members and officers to be loving, caring and aspirational for all children in our care or who have recently left our care as adults. Councillors and Officers, as Corporate Parents, have an important role to play in ensuring that every child in their Council's care receives the best care possible. They should be striving to provide the level of care they would be happy for their own children to receive.

Welsh Government defined the concept of corporate parenting as: "The collective responsibility across services and across local authorities, to safeguard and promote the life chances of looked after children"

Councillors as Corporate Parents

Elected Members have a 'special responsibility'.

"When you became an elected member you took on one of your most important roles, as corporate parent to children your local authority looks after. The importance of your corporate parenting responsibilities cannot be overemphasised. Elected Members have a responsibility to ensure that children looked after by the Council are able to thrive, that they are nurtured, supported, educated, listened to and prepared for adult life in the way any good parent would want for their own children. These children will often have faced significant challenges and will need the help of adults who hold powerful and influential positions." Gwenda Thomas AM, Deputy Minister for Social Services

Key aspects of the role of a Corporate Parent include:

- To know what the key issues and concerns are of our children and young people who are looked after and to ensure that the Council is responding to these.
- Ensuring that parental responsibilities for children and young people who are looked after are being fulfilled;
- To identify where things need to improve and to make a difference for good
- To consider and question the impact of Council decisions on children and young people who are looked after care experienced young people.

Officers of the Council

Corporate parenting responsibilities are not confined to elected members. All officers share the responsibility to promote the needs of children and young people who are looked after and care experienced.

Key responsibilities of all Officers are:

- To promote the life chances of children and young people who are looked after and care experienced in their area of responsibility
- To consider the impact of decision making on children and young people who are looked after and care experienced.

Care Experienced Young People

The Corporate Parenting Strategy applies equally to care experienced young people leaving care as it does to children and young people who are looked after.

A Care Experienced Young Person (Care Leaver) is defined as a child who was previously a child who was Looked After Child and was in Care on their 16th birthday. Our duties to young people who are care experienced remain until they are 21 or 25. A young person can withdraw and re-connect to care and support at any time during this period.

The Local Authority as a 'good corporate parent' will assist the young person with financial support to achieve economic well-being and make a positive and successful transition to adulthood.

The Children's Commissioner's report 'Hidden Ambitions' published in 2017 emphasises that Care Leavers still face many barriers, and that more needs to be done to ensure that care

leavers have the support and resources they need to make successful transitions into adult life. The Annual Report 2021/22 advocates for all care experienced young people to have an allocated Personal Advisor (PA) to support them up to the age of 25. This call was accompanied by other calls to improve access to financial support for care experienced young people, ensure young people leaving residential care can access equivalent support to the 'When I'm Ready' scheme and to improve accommodation options for care experienced young people. All of these have been accepted by Welsh Government

At a regional level, the Institute of Public Care (IPC) undertook a review into the needs of care experienced young people with complex needs to explore how support and accommodation services for this group of young people could be improved and developed. The most recent Children's Commissioner's Annual Report 2021/22 notes that there is not sufficient provision for children with complex needs which by nature also has the potential to negatively impact the young people leaving the care system.

Foster Wales, Foster Monmouthshire

The challenge to recruit sufficient local authority foster carers to meet demand is one faced across the UK. The Welsh Government has a stated objective to eliminate profit from the care of children who are looked after within this Senedd term. Welsh Government has invested in a co-ordinated, pan-Wales branding exercise to create the Foster Wales brand. It was hoped that by creating a Wales-wide brand that looked highly professional and provided common information on all local authority fostering services, it could match the private providers and attract more potential carers to foster for their local authorities.

The National Picture

There are over 80,000 children currently being looked after by Local Authorities in England and over 7000 by Local Authorities in Wales, the majority of whom live in foster placements. Since 2003 there has been an 80% increase in the numbers of children looked after in Wales. Children who become Looked After are likely to have experienced trauma and exposure to multiple adverse childhood experiences (ACEs). Children who become Looked After who are disabled and / or come from ethnic minority backgrounds can experience further disadvantage.

The outcomes for care experienced children and young people in care can be poor, with research indicating that this group are less likely to achieve good educational outcomes,

more likely to be involved in offending, be over represented amongst the homeless and prison populations more likely to experience drug and alcohol misuse, and to have poor mental health. However, despite the challenges many of these children and young people have faced and their resulting complex needs many make a great success of their lives, with the right support and care. For example, in Monmouthshire, of our current cohort of care leavers six are in university, ten are in full time education, 22 are in employment and 4 are in apprenticeships.

The Local Picture

1. The Number of Looked After Children by the Council

The number of CLA in Monmouthshire currently has fallen from a high point of 226 in September 2020 and currently stands at 207 (March 2023) which is slightly above the national average. The trajectory of increases year on year seen between 2018-2020 has stabilised and the trend remains downwards. The number of children who need to be Looked After remains a fluctuating number dependant on issues of size of families, and the number of cases referred into Children Services at any period of time. The figures also reflect the growing number of Unaccompanied Asylum Seeking Children (UASC) who are mandatorily placed via the Home Office National Transfer Scheme.

2. Why Children became Looked After 21-22

• **Source: Monmouthshire data**

The majority of children and young people are being looked after because they have experienced abuse or neglect or where families are in such acute stress or are unable to function sufficiently to provide safe, stable or sufficient care for their children

3. Status of Looked After Children as at 31/3/22

Legal Status	2018	2019	2020	2021	2022

Most children who are looked after are subject to Care Orders made by the courts under the Children Act 1989. These orders confer Parental Responsibility on the council (shared with their parents).

4. Looked After Children by Placement Type as at 31/03/22

Placement Types	31.3.18	31.3.19	31.3.20	31.3.21	31.3.22

Total	139	173	219	213	208

A priority for the last Corporate Parenting Strategy was to address the previous decline in MCC Carers with a robust strategy for the recruitment and retention of quality foster carers. Alongside this was increasing support to kinship carers to empower them to become Special Guardians of the children in their care and enable these children to grow up within their own family network and without the restrictions imposed on the household from being a fostering household. The impacts of the pandemic and changes to the profile of Local Authority fostering slowed this progress. Enabling children to be looked after by Monmouthshire carers and, whenever possible, to remain within the geographical boundaries of Monmouthshire, closer to their home and communities remains at the heart of this Corporate Parenting Strategy.

5. Breakdown by age and gender

Total					Total
Under 1 year	1 to 4 years	5 to 9 years	10 to 15 years	16 to 17 years	Total
8	30	56	87	27	208

The gender breakdown of our children who are looked after population is broadly evenly split between girls (50.5%) and boys (48.5%), 2 (1%) identify as transgender.

6. Length of time children remain looked after 2018 to 2022

Length of Time	2018	2019	2020	2021	2022
Under 6 months	13	37	44	19	25
6 to 12 Months	19	14	24	13	16
1 to 2 years	52	51	68	98	72
3 to 4 years	24	30	40	32	40
5 years +	31	41	43	51	55
Total	139	173	219	213	208

Most children who were looked after by Monmouthshire County Council on the 31.03.2022 had been looked after for 1 to 2 years (72, 35%). The number of children remaining in care less than 6 months has fallen from a high of 44 children and young people in 2019/20 to 25 children and young people looked after during 2021/22. The majority of children are aged between 10 and 17 (54%) with 76.3% of that group being aged between 10 and 15. This indicates there is likely to be an increase in care experienced young people leaving care over the next two to five years that will need planned for. Just over a quarter (26.9%) of children are aged 5 to 9 and 18.2% are aged under 5

Unaccompanied Asylum-Seeking Children (UASC)

Monmouthshire has a history of supporting young people who spontaneously arrive (S/A) fleeing oppression, exploitation, or war due to our border placement on the M4. During 2022 the Home Office have placed a requirement of all Local Authorities to accommodate and offer care and support for Unaccompanied Asylum Seeking Children and Young People who are allocated to each authority via the National Transfer Scheme. Between Feb 21 and March 22:

- 10 Unaccompanied Young People seeking Asylum became Looked After in Monmouthshire;
- 7 of these young people were referred by the Home Office National Transfer Scheme;
- 3 young people “Spontaneously Arrived”
- All are currently aged between 16 -17 yrs and 9 are male;
- Only 3 young people reside in Monmouthshire the others are in out of county placements;

Monmouthshire does not have enough Supported Living arrangements nor culturally suitable accommodation to home all of the UASC and young people. Children Services are working closely with the Gwent based Strategic Groups, and Regional Leads to develop a Gwent response to need, as well as appointing a designated worker within the Long Term Support team to support access to appropriate services, and advocacy as needed.

Review of the Corporate Parenting Strategy and Action Plan 2018 – 2021

The current strategy and action plan is built on a review and appraisal of the previous 3 years and will be revised following consultation with key stakeholders including Corporate Parenting Panel Members, children who are looked after and care experienced young people, foster carers, social workers and the Senior Leadership Team. The review recognises that whilst there has been continued progress, there have been significant challenges over the past four years, not least the impact of the pandemic making some progress harder to implement or sustain. The context remains dynamic both in terms of the legislative framework and also the operational services that are tasked with delivering against many of the identified objectives.

Key Achievements:

- Members 'Introduction to Corporate Parents' has been updated and is being carried out as part of the induction programme for the new administration;
- Consideration of Corporate Parenting responsibilities is now required in all reports for Cabinet or Full Council;
- There is a good understanding and awareness of Corporate Parenting through SLT and across the Local Authority directorates;
- The Council has evaluated initial apprenticeship programmes and has strengthened the operational leadership of this. There is a post created in Enterprise to support 16 – 18 year old care leavers with education, training and employment;
- We have a team of dedicated and committed foster carers in Monmouthshire, who have a good network of support both through foster carer support groups set up and supported by the Placement and Support Team and through FC4FC (a foster carer led group of foster carers that Monmouthshire County Council provides some funding for);
- There has been an increase in Foster Carers converting to “When I am Ready Carers” which mean they are supporting their Looked After young person post 18 to support transition into adulthood (from 2-9 carers converting);
- The Learning and Development Framework for foster carers has been fully implemented, there is a training programme in place for foster carers and all potential foster carers, including connected person’s carers access the Skills to Foster training as part of the assessment process. Training has been made accessible on-line which has enabled foster carers to access this in the evenings without needing childcare, this has significantly increased uptake;
- All members of the Placement and Support team receive regular and updated training in attachment based practice, including having received DDP level 1 training to help them better support foster carers;
- There is support in place for generic and kinship carers through the BASE psychology service which is well established and helps ensure that the emotional and psychological needs of children and young people who are looked after and care experienced young people are understood and met;
- The MyST (My Support Team) Services has been established in Monmouthshire and provides 24hr 7 day a week support to those caring for some of the children who are

looked after who have the highest level of need. This has enabled children to return/remain with family and/or foster placements from residential placements within Monmouthshire;

- The educational outcomes and achievements of children who are Looked After are reported on a cohort basis e.g. mainstream, Additional Learning Needs etc. The recently appointed Vulnerable Learners Lead Officer in Education will support this;
- The Families Together Team, in partnership with Barnardo's, has been established and is fully embedded, working with kinship carers to assess and support families to gain Special Guardianship Order's and promote their skills and confidence to reduce or eliminate the need for the local authority to share Parental Responsibility;
- Youth and Leisure services continue to provide extra curriculum activities to our Looked After Children and young people;
- Foster Wales Foster Monmouthshire has been launched as a Wales-wide and local brand, a Fostering Recruitment Officer has been employed and Fostering Recruitment and Retention task group is in place to support the recruitment and retention of Monmouthshire foster carers. The task group has been focussed on hyper-local campaigning which have so far increased initial expressions of interest with 6 moving to assessment;
- Regular consultation events are now being held to canvas the views of foster carers and respond to their ideas for how support and service delivery can be improved;
- Children Service Teams have developed Participation Action Plans for the involvement of children who are looked after and care experienced young people in decisions that affect them and in service delivery and improvement;
- A Placement Pressures group has been established, chaired by Children Service Senior Management, to review the support required for children who are at high risk of family or placement breakdown, avoid drift, ensure appropriate and robust care planning and promote placement stability;
- Investment in Life Journey Work means that children who are looked after and children who are being placed for adoption have access to high quality life journey work;
- Significant progress has been made in the provision and promotion of advocacy. Work has been done to ensure that the referral processes and pathways offer eligible children and young people easy access to this service and this has led to a significant increase in children and young people making use of advocacy service;
- UASC and young people have a dedicated support worker to assist in linking them into regional culturally appropriate services.

Barriers and Challenges:

- The impact of the Covid-19 pandemic has created numerous challenges for children and young people both in terms of their emotional wellbeing and their ability to access education;
- Recruitment and retention of social workers remains challenging and a high turnover of staff in the Long Term Support Teams means that some children have been without a dedicated social worker or have experienced multiple changes in social worker which makes it difficult for children to build trusting relationships;
- Communication between children's social workers and foster carers continues to require development and support. This has been amplified by the recruitment and retention issues which result in changes of social worker;
- The cost of living crisis is putting increased pressures on fostering families and their support networks;
- Whilst Foster Wales represents the Wales-wide brand for all Welsh local authority fostering teams, currently this brand is not well understood locally as being Monmouthshire CBC. In addition, since the last Corporate Parenting Strategy, the Placement And Support Team and Communications Team have worked closely together to run a series of successful hyper-local campaigns. With the introduction of Foster Wales Foster Monmouthshire all local authorities were encouraged to promote the Wales-wide brand to get this established. This has not been a successful strategy for Monmouthshire and together with other challenges, such as the pandemic, meant that 2020 – 2021 saw almost no recruitment of new in-house foster carers;
- We do not have sufficient Monmouthshire carers and remain overly reliant on independent foster agencies;
- Whilst there has been an increase in the number of care experienced young people remaining with their foster carers in 'When I'm Ready' placements, there is still a shortage of positive support and accommodation choices for care experienced young people;
- The Families Together Team (partnership with Barnardo's) continue to support Kinship Carers to achieve Special Guardianship Orders where appropriate, and assess families post statutory involvement for revocation of care order resulting in reduction of Children Looked After residing on a Placement with Parents order;
- Achievements of our Looked After children, young people and care leavers are not as well recognised or celebrated at a corporate level as we would want.

- The young people's participation group is not as well-developed as we would wish at this point. There is a desire to increase the support of and the link between Corporate Panel Members and members of the participation group.
- There is still work to do to ensure that all members understand their roles as Corporate Parents.

The Changing Context

- The Welsh Government has a stated commitment to eliminate profit from the care of looked after children in the term of the Senydd (2027). This is aimed at the removal of all private foster and residential care from Wales – all Welsh Local Authorities are working within a destabilised market, with no certainty of what the final position will be;
- Although the numbers of Looked After Children has stabilised over the last 24 months, the number of children who are looked after remains above the Welsh average;
- Although the number of children subject to Placement with Parent orders are reducing, the numbers of Independent Fostering placements has increased slightly from 2021 to 2022. IFA'S currently are recruiting aggressively in Wales despite WAG Eliminate agenda. The financial discrepancy between IFA payments and Local Authority payments are a factor particularly in relation to cost of living crisis. Monmouthshire will need to develop the packages of support available to Foster Carers beyond payments alone in order to be effective in the recruitment market;
- There remains a strong drive at national level to increase the regional alignment of fostering services through the National Fostering Framework;
- The launch of Foster Wales has created a national fostering brand for all local authorities;
- The Welsh Government has launched the 2 year Basic Income Pilot (BIP) scheme for care experienced young people. From 1 July 2022 young people leaving care in Wales will be offered £1,600 each month (before tax) for 12 month to support them as they make the transition to adult life. Monmouthshire currently have 12 young people eligible for BIP and are actively feeding back to WAG

How the strategy will be delivered, monitored and evaluated

The Corporate Parenting Strategy includes an action plan to support implementation of its aims and objectives. Where actions have been brought forward or amended from the previous action plan this is indicated. Measures have been put in place where possible, so that Corporate Panel members have an evidence base through which progress can be monitored. Implementation will be monitored and evaluated by the Corporate Parenting Panel on a 6-monthly basis. The Corporate Parenting Panel will present an annual report to Full Council on progress.
