Aims and Values of Monmouthshire County Council

Our purpose

Building Sustainable and Resilient Communities

Objectives we are working towards

- Giving people the best possible start in life
- A thriving and connected county
- Maximise the Potential of the natural and built environment
- Lifelong well-being
- A future focused council

Our Values

Openness. We are open and honest. People have the chance to get involved in decisions that affect them, tell us what matters and do things for themselves/their communities. If we cannot do something to help, we'll say so; if it will take a while to get the answer we'll explain why; if we can't answer immediately we'll try to connect you to the people who can help – building trust and engagement is a key foundation.

Fairness. We provide fair chances, to help people and communities thrive. If something does not seem fair, we will listen and help explain why. We will always try to treat everyone fairly and consistently. We cannot always make everyone happy, but will commit to listening and explaining why we did what we did.

Flexibility. We will continue to change and be flexible to enable delivery of the most effective and efficient services. This means a genuine commitment to working with everyone to embrace new ways of working.

Teamwork. We will work with you and our partners to support and inspire everyone to get involved so we can achieve great things together. We don't see ourselves as the 'fixers' or problem-solvers, but we will make the best of the ideas, assets and resources available to make sure we do the things that most positively impact our people and places.

Kindness: We will show kindness to all those we work with putting the importance of relationships and the connections we have with one another at the heart of all interactions.

The Committee received the final accounts for the year end 2023.

In so doing, it was noted that despite the Trust Fund figure reductions, the Trust is scrutinised regularly by the Governance and Audit Committee and assurances were made that this was expected during the current financial climate and hoped to see investment gains next year.

Minutes of the meeting of Monmouthshire Farm School Endowment Trust Remote Attendance Monday, 17th July, 2023 at 11.00 am

Trustees were assured that any surplus grant figures were carried forward and arrangements would be made for the Auditors to highlight this fact in future annual reports.

We resolved to approve the accounts.

6. Exclusion of the Press and Public

We excluded the press and public from the meeting during consideration of the following item of business in accordance with Section 100A of the Local Government Act 1972, as amended, on the grounds that it involved the likely disclosure of exempt information as defined in Paragraphs 12 and 14 of Part 4 of Schedule 12A to the Act.

7. To consider a report by the Chief Officer for Children and Young People regarding applications received against the Trust Fund for the Academic Year 2023/24

We considered two applications received against the Trust Fund, presented on behalf of the Chief Officer for Children and Young People.

The Trust resolved that awards be made to the two applicants, subject to appropriate receipts and evidence of attendance being received.

Other Business

Reference was made to a possible future application from a young farmer requesting assistance to expand his farming knowledge. Questions were raised due to it being outside the scope of supplementing a formal education setting. It was recommended that the applicant contacts 'Farming Connect' or specific agencies such as National Resources Wales or Forestry Commission.

In preparation for the next meeting and the new academic year, reference was made to providing a crib sheet which would indicate to students what items were available and how much they can apply for. Although there was potential for this to be seen more as a 'wish list', it was noted that the issue is being discussed with Coleg Gwent as something that could be used to raise awareness at the Registration stage.

8. Next Meeting

Monday 16th October 2023 at 11.00am.

The meeting ended at 11.45 am.
