7. WELLBEING OF FUTURE GENERATIONS IMPLICATIONS (INCORPORATING EQUALITIES, SUSTAINABILITY, SAFEGUARDING AND CORPORATE PARENTING):

7.1 The proposed Gwent VAWDASV Strategy contributes to the Wellbeing Goals set out in the Wellbeing of Future Generations (Wales) Act 2015. The Act is relevant to the prevention of Violence Against Women Domestic Abuse and Sexual Violence and support of survivors. The Act puts in place a “sustainable development principle” which requires public bodies to follow five ways of working to ensure they work collaboratively with people and communities, avoid repeating past mistakes and to tackle some of the long term challenges. The five ways of working in the context of VAWDASV are:

- **Prevention:** Understanding and preventing the occurrence of VAWDASV and preventing poor outcomes for victims, survivors and their families.
- **Integration:** Integrating activity across the statutory and third sector and ensuring the coordination of programmes of work such that they achieve the maximum benefit.
- **Collaboration:** Collaborating through the Gwent VAWDASV Partnership Board, the Strategic Delivery Group and Sub-groups and between the partner bodies.
- **Involvement:** Listening to victims and survivors to understand their experiences of the support offered to them to continually review and make improvements in responses. Involving all agencies that are able to make an impact on VAWDASV.
- **Long Term:** Considering the long term outcomes for victims, survivors and their families and in particular any children and young people exposed to VAWDASV.

7.2 The Strategy will have a positive impact across all the protected characteristics. The purpose of this strategy is to address inequalities inherent in all forms of Violence Against Women Domestic Abuse and Sexual Violence. There are no identified inequality implications either intended or unintended as a result of this strategy. The strategy has been made available in Welsh throughout consultation. All required partner organisations will be responsible for their obligations under the Welsh Language Measure. Through on-going monitoring, evaluation and review the VAWDASV Partnership board will ensure issues around equality are consistently raised and delivery of the strategy adapted.

8. CONSULTEES:

The Strategy was promoted widely as part of the statutory period of public and partner consultation.
