PEOPLE			
Ensure that more people have access to healthy food			
Improve housing quality and provision			Provide more affordable housing to address housing need both in urban and rural areas of Monmouthshire
Reduce ill health and improve healthcare provision			It is well documented that good quality affordable housing reduces ill health
Promote independence			Some of the new stock will be used to provide the opportunity for vulnerable people to live independently for the first time in their lives. Better quality new OAP stock built to lifetime homes

			standards will allow elderly people to live independently for longer.
Encourage community participation/action and voluntary work			We are engaging with local communities in rural areas to ascertain need with regard to size and tenure of properties. We will also be giving local people the opportunity to comment on design. All developers now have to undertake a PAC (pre-application consultation - public)
Targets socially excluded			
Help reduce crime and fear of crime			All new properties are built to Secure by Design standards.
Improve access to education and training			Apprenticeships will be available for young people on some of these development sites.
Have a positive impact on people and places in other countries			
PLANET			
Reduce, reuse and recycle waste and water			All new affordable properties will be built to at least Code 3+ of the Code for Sustainable Homes.
Reduce carbon dioxide emissions			All new affordable properties will be built to at least Code 3+ of the Code for Sustainable Homes.

Prevent or reduce pollution of the air, land and water			
Protect or enhance wildlife habitats (e.g. trees, hedgerows, open spaces)			Steps are taken to enhance wildlife habitats on new development sites.
Protect or enhance visual appearance of environment			
PROFIT			
Protect local shops and services			New homes in rural areas help protect local services.
Link local production with local consumption			
Improve environmental awareness of local businesses			
Increase employment for local people			
Preserve and enhance local identity and culture			
Consider ethical purchasing issues, such as Fairtrade, sustainable timber (FSC logo) etc			

Increase and improve access to leisure, recreation or cultural facilities
