Dear Rachael

REF: Abergavenny Castle. Nevill Estate Company Lease renewal. Subject to contract.

I have now taken instructions on the future of the Council's tenure of the castle which ends on 2/8/2020 and can confirm the position as we have discussed in the past.

I am pleased to say the Nevill Estate company would be prepared to renew the lease on similar terms to those at present subject to updating the lease in accordance with the proposed changes. I think it would be good to discuss the renewal as soon as planning permission is hopefully granted.

Yours sincerely
