6. SUMMARY: As a result of completing this form, what are the main positive and negative impacts of your proposal, how have they informed/changed the development of the proposal so far and what will you be doing in future?

The Correction, Non-Registration or Mistaken Registration (Wales) Regulations 2017 came into force on 5 May 2017.

The report seeks approval for delegated authority to set full cost recovery application fees for applications under section 19 of, and Schedule 2, to the Commons Act 2006, to correct the registers of common land and town and village greens. Approval is also required to seek full reimbursement from applicants for any additional costs, for example, the holding of a public inquiry.

Approval for delegated authority to set full cost recovery application fees for all applicable applications, in accordance with any regulations introduced in the future by the Welsh Government, under the Commons Act 2006.

Applications made under section 19(2)(a) (correcting a mistake made by the registration authority) and 19(2)(c) (removal of a duplicate entry from the register) do not attract an application fee as these are viewed as mistakes having been made historically by the Commons Registration Authority. Applications under Schedule 2, paragraphs 2-5 (inclusive) are also free of charge as their determination is seen as being in the public interest and costs incurred by the Commons Registration Authority will be reimbursed by the Welsh Government.
