Proposed Public Path Diversion Order
Public Footpath No. 37 (part), Caldicot**

~~I have no comments to make in respect of the proposed diversion.~~

My comments are attached.

My comments are:

I object to the loss of this public footpath, yes it will be loss as it is impossible to replace by diverting it through an estate, crossing numerous roads. It is no longer a footpath.

The existing footpath is used extensively by dog walkers and members of the public who enjoy walking in the countryside.

I use the path regularly to visit the adjacent SSSI and Neden Brook Wetland.

Its planned loss is an example of the erosion of public rights of way.
