

# TAKING ACTION ON CARBON

## WE'RE MAKING PROGRESS...

**4**  
Libraries of Things  
about to launch

**8,500**  
trees planted

**52**  
Council Officers and  
Elected Members completed  
Carbon Literacy training

**15**  
projects  
for schools to grow  
trees from seed

**95%**  
Street lights  
converted to LED  
to use less energy

**21.7%** of  
Greater Gwent Pension Fund  
now invested in a low  
carbon tracker

**7**  
Electric vehicles were  
bought by the council  
in the last year

**150,000 kg CO2 saved**  
by reduced business  
mileage in 2020/21

Working with community  
groups to distribute period  
products **100%** of which  
are re-usable or sustainable

**3 million +**  
square metres of  
grassland managed  
in a sustainable way  
to encourage pollinators

**2**  
Re-use shops opened,  
funding tree-planting by  
making one person's  
trash another's  
treasure
