Protected Characteristics	Describe any positive impacts your proposal has on the protected characteristic	Describe any negative impacts your proposal has on the protected characteristic	What has been/will be done to mitigate any negative impacts or better contribute to positive impacts?
Age	<p>The WESP aims to support the growth of Welsh Language across the county by focusing on seven outcomes. During this WESP, we expect to see significant growth in the following key areas.</p> <p>The expansion of Welsh medium childcare will support the growth in demand for Welsh medium education in Monmouthshire. More learners will be able to attend a Welsh medium school without the need to travel long distances. This will lead to increased levels of transition between Years 6 and 7 and lead to more learners studying for external qualifications through the medium of Welsh.</p> <p>Learners and their families will have access to a wider range of community activities where they can use and develop Welsh language skills. There will be increased opportunities for learners of all ages to develop Welsh language skills through our partnership with the Education Achievement Service (EAS) and the local higher education institutes to help facilitate greater numbers of Welsh Medium teachers, support staff and local authority officers.</p>	No impact	<p>This WESP aims to support the growth of the Welsh Language in Monmouthshire over the next 10 years in line with the aims of the Cymraeg 2050 Strategy 2017. This Welsh Government strategy was launched with the aim of seeing the number of people enjoying speaking and using Welsh reach a million by 2050. This WESP has the ambition to try and ensure that Monmouthshire is making its contribution towards that target.</p>

Protected Characteristics	Describe any positive impacts your proposal has on the protected characteristic	Describe any negative impacts your proposal has on the protected characteristic	What has been/will be done to mitigate any negative impacts or better contribute to positive impacts?
Disability	The WESP aims to develop ALN provision and resources for Welsh medium learners' equivalent to provision for other mainstream learners. This includes increasing the number of staff who can work through the medium of Welsh to deliver the full range of ALN and Inclusion services, support learners and engage meaningfully with parents. Also where there are refurbishments of existing schools or provision of new facilities it will allow the council to review and upgrade those facilities to make them more accessible for students with disabilities	No specific impact	We believe that this will significantly improve on the current provision for Welsh medium learners with SEN or ALN.

2. The Socio-economic Duty and Social Justice

The Socio-economic Duty requires public bodies to have due regard to the need to reduce inequalities of outcome which result from socio-economic disadvantage when taking key decisions This duty aligns with our commitment as an authority to Social Justice.

	Describe any positive impacts your proposal has in respect of people suffering socio economic disadvantage	Describe any negative impacts your proposal has in respect of people suffering socio economic disadvantage.	What has been/will be done to mitigate any negative impacts or better contribute to positive impacts?
Socio-economic Duty and Social Justice	<p>The WESP plans to increase the number of Welsh medium primary schools within the county. Being bilingual has many advantages, for example, due to the Welsh Language (Wales) Measure 2011 the ability to speak Welsh is either an essential or desirable skill for a growing number of jobs such as health, education, leisure, childcare and retail. This is especially the case in the provision of public services where the Welsh Language Standards require local authorities, fire and rescue service and police etc to provide their services to the same standards in both Welsh and English. The expansion of Welsh medium education across Monmouthshire means that more learners will have the opportunity to become bilingual thereby giving them a real advantage in securing employment opportunities.</p>	<p>Time, distance and cost of travel has been identified as a challenge for some learners, particularly those suffering from socio economic disadvantage. As a result, Welsh medium education is not a genuine option for some learners.</p> <p>Learners who did not start Welsh medium education in Nursery or Reception have been unable to join in later years.</p>	<p>The Local Authority plan to review the School Transport Policy to ensure that it provides learners with a genuine opportunity to have a Welsh medium education</p> <p>The development of an Immersion provision within Monmouthshire means that all learners, irrespective of age or linguistic background, will be able to benefit from a Welsh medium education.</p>

2. Policy making and the Welsh language.

How does your proposal impact on the following aspects of the Council's Welsh Language Standards:	Describe the positive impacts of this proposal	Describe the negative impacts of this proposal	What has been/will be done to mitigate any negative impacts or better contribute to positive impacts
<p>Policy Making</p> <p>Effects on the use of the Welsh language,</p> <p>Promoting Welsh language</p> <p>Treating the Welsh language no less favorably</p>	<p>The WESP aims to expand Ysgol Y Fenni to a 420 Welsh medium primary school, establishment a new 210 Welsh medium primary school in Monmouth and develop Ysgol Y Ffin into a 210 primary school with Welsh medium childcare on the site. This will significantly increase Welsh medium education across the county and will also increase the number of learners opting for a Welsh medium education.</p> <p>The introduction of an Immersion provision will ensure that the Welsh language is accessible to all learners at any age in Monmouthshire.</p> <p>All Welsh Language events will be well publicised to give Welsh speakers and learners living in the county every opportunity to use the Welsh language either online or in social settings and provide greater community activity that supports and promotes the Welsh language. In addition, the Local Authority will increase its promotion of the benefits of Welsh medium education to support an increase in demand.</p>	<p>The demand for Welsh medium education may grow faster than we expect. This could mean that demand could exceed our ability to provide.</p>	<p>We have planned to increase provision to 115 Welsh medium primary places per cohort by 2023. This exceeds the Welsh Government target for Monmouthshire and is an increase of 88 places per cohort compared to 2020 PLASC figures.</p> <p>In order to mitigate this risk, we will actively engage closely with colleagues in the Welsh Government, the Education Achievement Service (EAS) and the local higher education institutions to help facilitate greater numbers of Welsh Medium teachers.</p> <p>We will also use all available recruitment tools at our disposal to aid the recruitment process – social media (Twitter, Facebook, YouTube), council website, bespoke Welsh Medium recruitment sites, LinkedIn etc.</p> <p>We will engage with our partners in the Welsh Medium Education Forum (WEF) to assist us in this process utilizing their expertise and</p>

			range of contacts.
Operational Recruitment & Training of workforce	<p>The expansion of Welsh medium primary education across the county will generate the need for a greater number of teachers and support staff who can work through the medium of Welsh.</p> <p>Working in partnership with the EAS, we will support recruitment to the Cwrs Sabothol Scheme and provide professional learning opportunities to develop pedagogical and methodological approaches to teaching Welsh to support language acquisition.</p> <p>The WESP outlines a range of strategies and training opportunities to develop the skills of the local authority workforce in line with the Welsh Language Competence Framework.</p>	<p>There is a risk that we will not be able to secure sufficient Welsh speaking teachers or support staff to fulfil the demand for Welsh medium education and for wider service delivery in Welsh.</p>	<p>In order to mitigate this risk, we will actively engage closely with colleagues in the Welsh Government, the Education Achievement Service (EAS) and the local higher education institutions to help facilitate greater numbers of Welsh Medium teachers.</p> <p>We will also use all available recruitment tools at our disposal to aid the recruitment process – social media (Twitter, Facebook, YouTube), council website, bespoke Welsh Medium recruitment sites, LinkedIn etc.</p> <p>We will engage with our partners in the Welsh Medium Education Forum (WEF) to assist us in this process utilising their expertise and range of contacts.</p>
Service delivery Use of Welsh language in service delivery Promoting use of the language	<p>The WESP and related documentation will be distributed to stakeholders in both Welsh and English.</p> <p>All correspondence and communications in relation to the WESP, including on social media, will be bilingual in line with the Welsh Language (Wales) Measure 2011.</p>	<p>There is a risk that we will not be able to recruit sufficient Welsh speaking specialist local authority staff to deliver all services in Welsh.</p>	<p>In order to mitigate this risk, we will actively engage with colleagues in the Welsh Government, and local higher education institutes to help facilitate greater numbers of Welsh Medium staff.</p> <p>We will also use all available recruitment tools at our disposal to aid the recruitment process – social media (Twitter, Facebook, YouTube), council website, bespoke</p>
