2. The Socio-economic Duty and Social Justice

The Socio-economic Duty requires public bodies to have due regard to the need to reduce inequalities of outcome which result from socio-economic disadvantage when taking key decisions This duty aligns with our commitment as an authority to Social Justice.

	Describe any positive impacts your proposal has in respect of people suffering socio economic disadvantage	Describe any negative impacts your proposal has in respect of people suffering socio economic disadvantage.	What has been/will be done to mitigate any negative impacts or better contribute to positive impacts?
<p>Socio-economic Duty and Social Justice</p>	<p>Establishing a new Welsh medium primary school will increase the number of Welsh speakers in Monmouthshire. Being bilingual has many advantages, for example, due to the Welsh Language (Wales) Measure 2011 the ability to speak Welsh is either an essential or desirable skill for a growing number of jobs such as health, education, leisure, childcare and retail. This is especially the case in the provision of public services where the Welsh Language Standards require local authorities, fire and rescue service and police etc to provide their services to the same standards in both Welsh and English. The expansion of Welsh medium education across Monmouthshire means that more learners will have the opportunity to become bilingual thereby giving them a real advantage in securing employment opportunities</p>	<p>Time, distance and cost of travel has been identified as a challenge for some learners, particularly those suffering from socio economic disadvantage. As a result, Welsh medium education is not a genuine option for some learners. Learners who did not start Welsh medium education in Nursery or Reception have been unable to join in later years.</p>	<p>The Local Authority plan to review the School Transport Policy to ensure that it provides learners with a genuine opportunity to have a Welsh medium education. The additional primary school in Monmouth and the development looking at secondary provision in partnership with Blaenau Gwent, Merthyr Tydfil and Powys will create potential. This will allow more choice to parents wishing to provide Welsh medium education to their children. The development of an Immersion provision within Monmouthshire means that all learners, irrespective of age or linguistic background, will be able to benefit from a Welsh medium education.</p>

3. Policy making and the Welsh language.

<p>How does your proposal impact on the following aspects of the Council's Welsh Language Standards:</p>	<p>Describe the positive impacts of this proposal</p>	<p>Describe the negative impacts of this proposal</p>	<p>What has been/will be done to mitigate any negative impacts or better contribute to positive impacts</p>
<p>Policy Making</p> <p>Effects on the use of the Welsh language,</p> <p>Promoting Welsh language</p> <p>Treating the Welsh language no less favourably</p>	<p>Should the proposal be agreed it will have a positive impact on the Welsh Language as we will be creating a Welsh Medium primary school in Monmouth. This will enable families to access Welsh medium education closer to their home. They will also have access to Welsh medium nursery and childcare. The proposal will significantly promote the Welsh language offer in Monmouth, this links directly with the Council's ambition to support the Cymraeg 2050 strategy of 1 million Welsh speakers and also the targets set out in the Council's Welsh Language 5 year strategy 22-27 and also the targets set in the Councils Welsh in Education Strategic Plan 22-32.</p>	<p>There is a risk that due to the school being on the same site as an English medium school that pupils will not be fully immersed in the Welsh Language.</p> <p>There is currently no Welsh medium secondary provision in Monmouthshire so there will still be long travelling times to Ysgol Gyfun Gwynllyw in Torfaen.</p>	<p>The headteachers of both schools will work collaboratively to ensure access to shared areas are managed effectively.</p> <p>MCC will continue to develop its discussions and engagement with Powys County Council and Blaenau Gwent County Borough Council to secure new Welsh medium secondary provision in the north of Gwent / south Powys area to mitigate the potential negative impact of this proposal. The council's Welsh In Education Forum (WEF) will be kept closely informed and involved in discussions on this.</p> <p>The Council will continue its on-going dialogue with Torfaen County Borough Council regarding the provision at Ysgol Gyfun Gwynllyw so that Welsh medium secondary education at the School remains an attractive option for pupils who wish to received a wholly emmersive Welsh education experience.</p>

<p>Operational</p> <p>Recruitment & Training of workforce</p>	<p>The establishment of a new school will generate the need for a greater number of Welsh Medium teachers and support staff in the Monmouth area over time. This will create opportunities for Welsh speakers in Monmouthshire and outside of the area to be able to utilise their Welsh language skills in the work environment. Recruitment Will be easier and can be gradually.</p>	<p>There is a risk that we may not be able to secure sufficient Welsh speaking teachers / staff to fulfill the requirements of the new school.</p>	<p>In order to mitigate this risk we will actively engage closely with our colleagues in the Welsh Government, the Education Achievement Service (EAS) and the local higher education institutes to help facilitate greater numbers of Welsh Medium teachers. We will also use all available recruitment tools at our disposal to aid the recruitment process – social media (twitter, facebook, you tube), council website, bespoke Welsh Medium recruitment sites, Linkedin etc. We will engage with our partners in the Welsh in Education Forum (WEF) to assist us in this process utilising their expertise and range of contacts</p>
<p>Service delivery</p> <p>Use of Welsh language in service delivery</p> <p>Promoting use of the language</p>	<p>Should the consultation document be agreed it will be distributed to stakeholders in both Welsh and English.</p> <p>All correspondence and communications including on social media in relation to this proposal will be bilingual as required by the Welsh Language (Wales) Measure 2011</p>	<p>There is a risk that we will not be able to recruit sufficient Welsh speaking specialist local authority staff to deliver all services in Welsh.</p>	<p>In order to mitigate this risk, we will actively engage closely with colleagues in the Welsh Government, and the local higher education institutes to help facilitate greater numbers of Welsh Medium staff.
