can adapt to change (e.g. climate change)		
A healthier Wales People's physical and mental wellbeing is maximized and health impacts are understood	By having robust supportive leadership arrangements we support the health and wellbeing of our teams and particularly that of the people we support.	
A Wales of cohesive communities Communities are attractive, viable, safe and well connected	A cornerstone of the care at home services is to support people to connect with and be a part of their local communities.	
A globally responsible Wales Taking account of impact on global well-being when considering local social, economic and environmental wellbeing	Neutral	
A Wales of vibrant culture and thriving Welsh language Culture, heritage and Welsh language are promoted and protected. People are encouraged to do sport, art and recreation	As above – the projects across direct care focus on the social and emotional well being of the people we support	
A more equal Wales People can fulfil their potential no matter what their background or circumstances	The focus of direct care is supporting people to live well; maximizing their strengths and supporting contribution.	

2. How has your proposal embedded and prioritised the sustainable governance principles in its development?

Sustainable Development Principle	Does your proposal demonstrate you have met this principle? If yes, describe how. If not explain why.	Are there any additional actions to be taken to mitigate any negative impacts or better contribute to positive impacts?
 <p>Long Term</p> <p>Balancing short term need with long term and planning for the future</p>	<p>We believe that supportive leadership allows for autonomy at the frontline. Autonomy will lead to the most effective use of human and financial resources</p>	
 <p>Collaboration</p> <p>Working together with other partners to deliver objectives</p>	<p>As detailed, the teams work directly with communities and other people supporting vulnerable adults. This fosters direct relationships between frontline agencies and also members of the wider community</p>	
 <p>Involvement</p> <p>Involving those with an interest and seeking their views</p>	<p>Our services are based solely on the needs of the person as expressed by them.</p>	
 <p>Prevention</p> <p>Putting resources into preventing problems occurring or getting worse</p>	<p>By working collaboratively and supporting consistently, relationships are supported and through this we are able to identify problems before they happen.</p>
