<p><b>A prosperous Wales</b> Efficient use of resources, skilled, educated people, generates wealth, provides jobs</p>	<p>The PSPO will reduce the demand on police resources.</p>	<p>The PSPO will be enforced and will reduce repeat ASB offences in the identified areas.</p>
<p><b>A resilient Wales</b> Maintain and enhance biodiversity and ecosystems that support resilience and can adapt to change (e.g. climate change)</p>	<p>The PSPO will restrict the use of Fairfield car park for any activity other than parking (&amp; organised MCC events). This will reduce carbon emissions and reduce the noise nuisance experienced by residents.</p>	<p>A barrier &amp; flow plates have already been erected at the car park</p>
<p><b>A healthier Wales</b> People's physical and mental wellbeing is maximized and health impacts are understood</p>	<p>The PSPO will reduce the impact on the wellbeing of residents as they will no longer be subjected to car engine/exhaust noise throughout the night from Fairfield car park.</p>	

Well Being Goal	Does the proposal contribute to this goal? Describe the positive and negative impacts.	What actions have been/will be taken to mitigate any negative impacts or better contribute to positive impacts?
	At the skate park, families will be able to use the recreation site free from exposure ASB.	
<b>A Wales of cohesive communities</b> Communities are attractive, viable, safe and well connected	The PSPO will reduce the amount of litter in the areas in addition to reducing noise pollution and damage to surrounding green areas.	
<b>A globally responsible Wales</b> Taking account of impact on global well-being when considering local social, economic and environmental wellbeing	The PSPO will not only improve wellbeing for the local community who have been exposed to ASB in the area that they live, visitors to the sites who wish to participate in leisure activities will also benefit from the Orders and be protected from ASB exposure.	
<b>A Wales of vibrant culture and thriving Welsh language</b> Culture, heritage and Welsh language are promoted and protected. People are encouraged to do sport, art and recreation	Families and young people will be able to use the areas in question for leisure time, free from being subjected to ASB.	
<b>A more equal Wales</b> People can fulfil their potential no matter what their background or circumstances	The residents residing in the locality of the areas in question have been exposed to ASB for a period of time, and in some cases, have suffered noise pollution throughout the night and this has impacted negatively on their quality of life. The reports to the police are clear, the behavior of the few is negatively impacting on many residents and visitors to the recreation areas.

 <p>Working together with other partners to deliver objectives</p> <p>Collaboration</p>	<p>While the PSPO is a power to be implemented by Local Councils, it has on this occasion been jointly commissioned by Community Safety, Gwent Police and MCC Car Park Team, MCC Whole Place Team. MCC &amp; Gwent Police will continue to work together in executing any Order that is made.</p>
