<b>L2</b>	77.21	84	86	83
<b>L1</b>	91.91	97	97	97
<b>CSI</b>	63.24	66	62	63

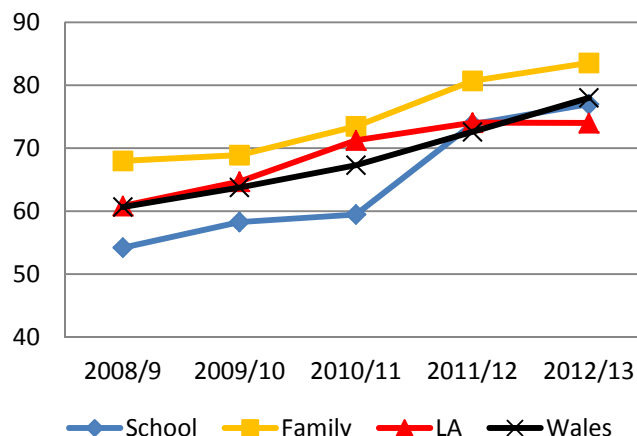

- Whilst actual performance has improved overall, outcomes for the Level 2 threshold and Level 1 threshold are in the lowest FSM quartile.
- The school is targeting above the median performance for the level 2 threshold over next three years. Although this is an improvement from 2013 this does not align with the expected quarter for the level 2 inclusive in 2014 and 2016 where performance is expected to be in the highest quarter.
- Targets for the next three years for Level 1 indicate that the school does not expect to move above the median.
- The Level 2 threshold and Level 1 target for 2014 are based on an increase of at least 6 percentage points.
- Targets for 2015 suggest a decline in performance that is below the outcomes in 2013.
