SRS Member Briefing June 2023

- We would like to thank you for the opportunity to meet you, to update on all things SRS and present the considerable progress over the last few years.
- Today representing the SRS is:

Matt Lewis (Chief Operating Officer)

Kath Beavan-Seymour (Deputy Chief Operating Officer)

What is the SRS ?

The Shared Resource Service (SRS) is a unique and successful collaboration in South Wales that provides technology services to the public sector.

The Shared Resource Service (SRS) partners include Blaenau Gwent County Borough Council, Office of the Police and Crime Commissioner Gwent, Gwent Police, Monmouthshire County Council, Newport City Council and Torfaen County Borough Council.

The SRS operates a collaborative service through a single organisational structure and delivery model and is one that is encouraged through the Welsh Public Sector Technology Strategy a document written and endorsed by Welsh Government.

£16,800,000 annual budget
65,000 Education customers
11,000 corporate customers
470 Broadband connections
~220 fte
140 schools
6 organisational partners
2 data centre infrastructures
1 SRS

Mission

To use shared technology platforms to consolidate the demand and broker the supply of all types of services to the Public Sector.

Vision

To be more efficient through the use of technology.

Values

When people are sharing their practice, they add value to the common purpose of the SRS.

Strategic Aim #1

INNOVATING WITH EXPERTS:
improve services to provide a solid foundation upon which partner organisations can operate.

Strategic Aim #2

MODERNISING THE EMPLOYEE EXPERIENCE:
ensure the investment in technology is focused on delivery of the corporate priorities of the partner organisations.

Strategic Aim #3

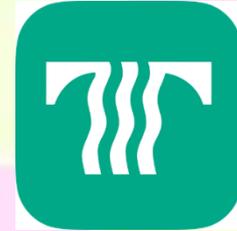

POWERING UP THE CLOUD:
provide a collaborative platform for public sector organisations to share common ground.

Who are all of our partners and what do they want?

Solid core

Better user engagement

Quicker turn around of projects

Autonomy over solutions

Less complex technology

Simpler access anywhere

Reducing technical debt

Better integration

Reduced cost of provision

Value for money

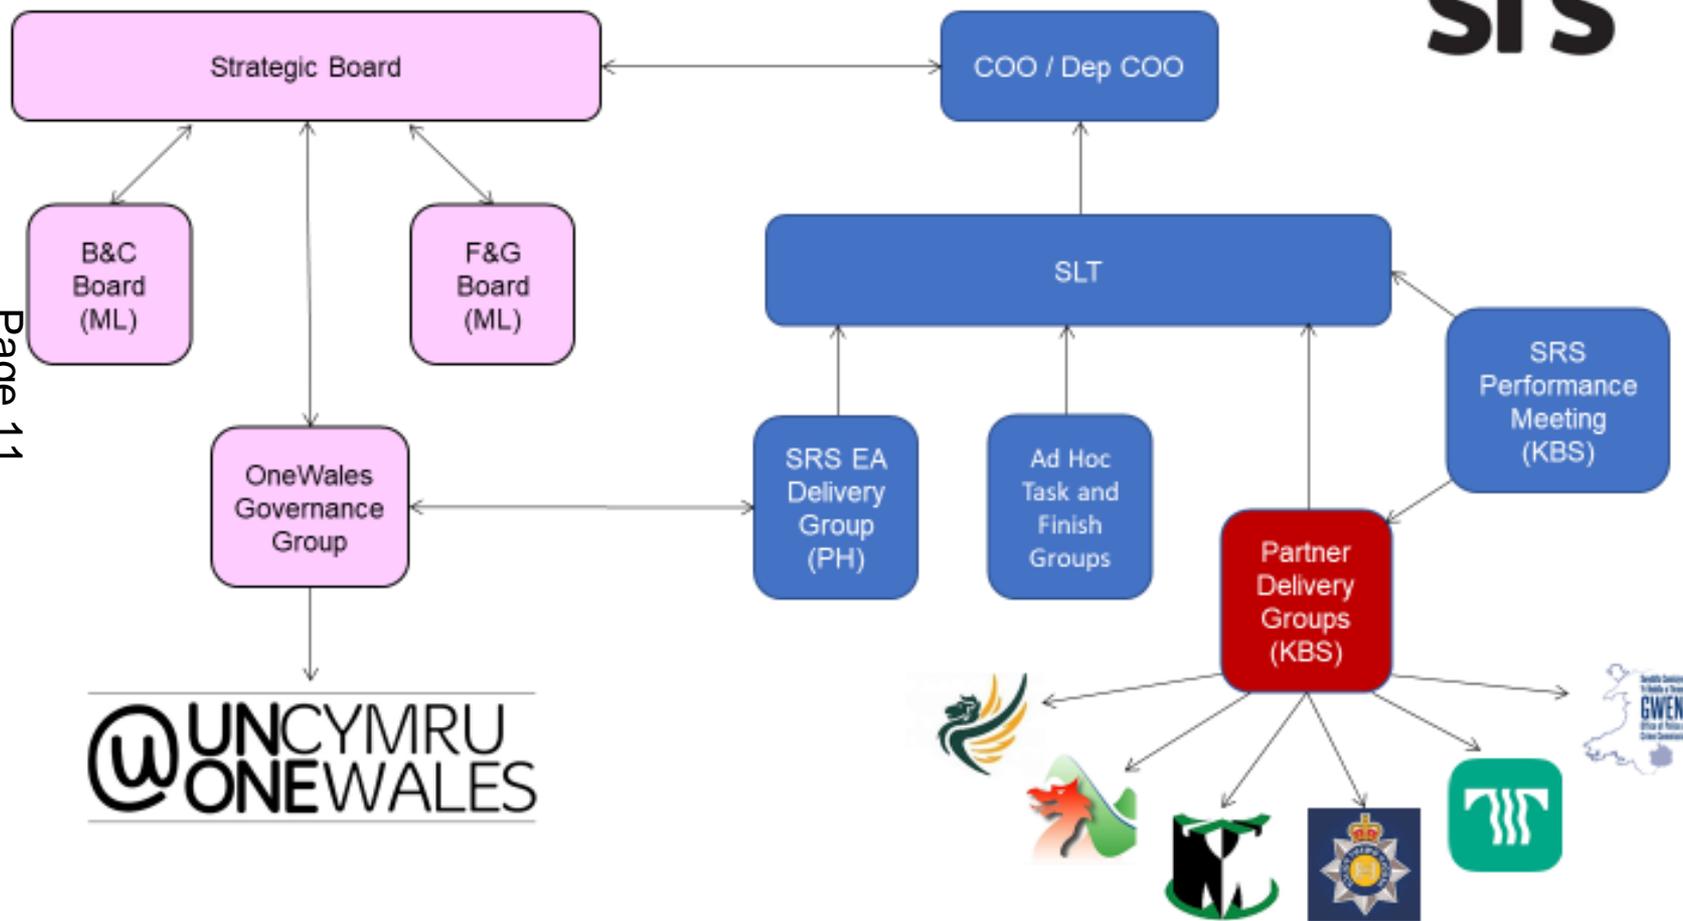

Meet their aspirations of brilliant, excellent, best ...

Financial Arrangements

The 2023-24 budget that the SRS required from Monmouthshire was £3,056,044.

£709,417 is covered by income for services to schools and others.

£738,224 is for direct contracts for licenses and support / maintenance with external suppliers, as an example the largest being the Microsoft Enterprise Agreement.

This makes the Monmouthshire contribution for core SRS services £1,608,403.

srs

shared resource service • gwasanaeth rhannu adnoddau

What will our future focus areas be

The rationalisation of legacy technology

Better use of Council data

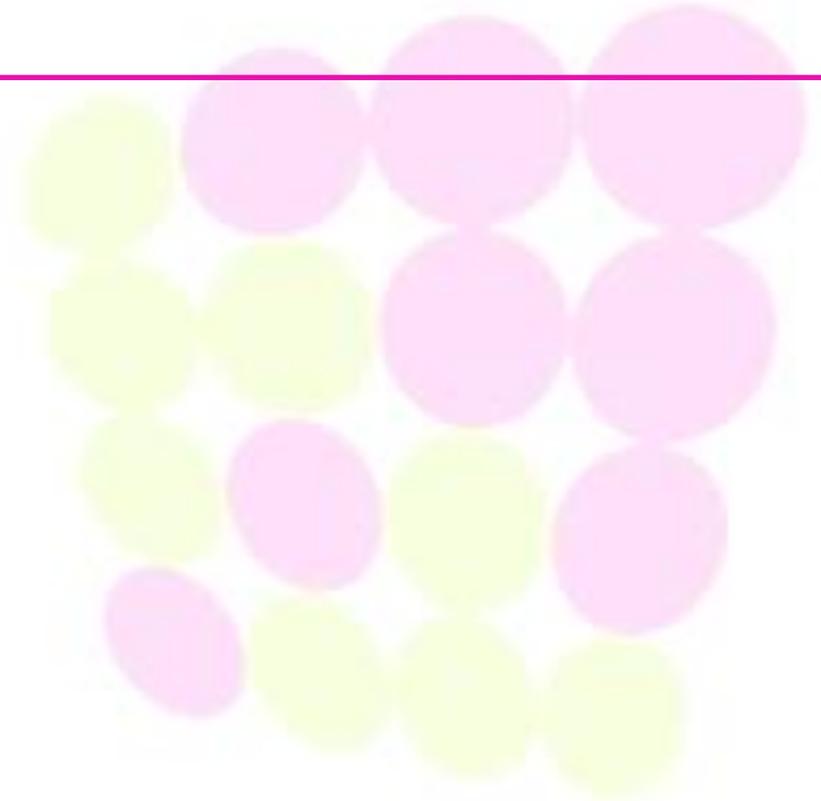

Automation (AI, RPA)

Page
20

Digital skills

Cyber Security

Net Zero and sustainability
