4. Highways Update

Item deferred.

5. Portal Road Update

The Estates Manager provided a verbal update on the Portal Road development site, on the outskirts of Monmouth.

The first phase is now complete with a 60 bed Premier Inn, with small restaurant for internal guests. Construction finished in December 2016 and it was understood that the hotel was due to open this coming weekend.

The south side of the site is still owned by the authority and had been put on the market at the end of 2016, offers invited. Cabinet had agreed that conditions of the sale would be:

- The site would not be used for retail purposes, in order to not detract from the Town Centre.
- There would be a commitment to provide five coach parking spaces.

So far there had been 25 to 30 enquiries, but no satisfactory bids. The overwhelming response was that the coach parking was prohibiting bidders moving forward. Officers were looking for alternative places for the coach parking.

We noted that the site could be used for housing development, and Members suggested that this be mentioned to developers at Planning Committee.

The Estates Manager suggested that there could be an opportunity to incorporate into an existing car park, or where a scheme is already managed.

The Estates Manager agreed to attend a Monmouth Town Council meeting for further discussion.

6. Area Grants Update

The Committee resolved:

1. Village Life Community Project

£663 granted.

2. Nelson Gardens Preservation Trust

£1250 granted.

3. RVHA

£1000 granted.

7. To note the date and time of next meeting as Wednesday 22nd March 2017 at 2.00pm

In closing the meeting, the chair invited Members to highlight any concerns:

Councillor R. Edwards expressed concern surrounding issues on the Hereford Road, where two lorries had met in Rockfield Village and created a problem on the verge area.

Councillor P. Jones highlighted a similar problem in Pen Y Clawd, where contractor lorries were dumping soil in a narrow lane.

It was requested that these issues be forwarded to the Highways Manager.

We agreed the next meeting would be held at County Hall, Usk on Wednesday 22nd March 2017 at 2.00pm.

The meeting ended at 11.15 am
