6. To confirm and sign the minutes of the meeting held on 14th December 2016

The minutes of the meeting held on the 14th December 2016 were confirmed and signed by the Chair as a true record.

Matters Arising:

Area Grants

Community Councillor G. Down stated that as per matters arising on the previous set of minutes that there were still two missing applications from Shirenewton Recreation Hall and Mathern Athletic for Capital Funding requests.

It was agreed that Mrs. D. Hill-Howells should be contacted and requested to provide a response by e mail to Community Councillor G. Down.

7. To discuss Town and Community Council Representation

Due to the low number of Committee Members present it was suggested by the Chair that this item was added to a future agenda.

The question of poor attendance was discussed and a new member asked if an alternative forum exists for members of the public to raise issues with County Councillors.

It was felt that in its current format the Committee was not reaching its full potential and with imminent changes to the Whole Place model, now is the ideal opportunity for Members to influence the direction of the committee.

A Member stated that they did not understand Whole Place and asked if a Whole Place officer could come to a future meeting to explain the work of the Whole Place team.

Generally it was felt that the committee was a useful tool in discussing and understanding the particular issues in the Lower Wye area and resident engagement must be encouraged.

8. Local Transport Issues

A number of issues were raised, with County Councillor Becker advising the committee that he was meeting with Traffic & Network Manager Paul Keeble to discuss a Chepstow/Sudbury bypass the day after the meeting.

In the absence of a highways officer the Chair invited committee members and residents to attend the Strategic Transport Group on the 19th July 2017 10am at County Hall, Usk where questioned could be raised.

9. Strategies to involve Members of the Public

Members felt that the time and venue of meetings needed to be reviewed as 10am in the morning was felt to be unsuitable for most and evening meetings were suggested.

Members of The Chepstow Society attending the meeting suggested that the meetings were better publicised and offered to relay the meeting dates to their membership.

The use of MCC's social media accounts was suggested with the meeting dates being published on Twitter and Facebook.

County Councillor Louise Brown suggested that one subject agendas may encourage members of the public to attend.

10. Implications for the Lower Wye Area following the announcement to remove Severn Bridge Tolls (Traffic, Air Quality, Local Health, Housing, Employment, Education and Transport Demands)

This item was deferred to later meeting and suggested as a single item agenda topic for a future meeting, inviting relevant MCC officers to discuss concerns with the committee and members of the public.

11. To confirm the date of the next meeting as 20th September 2017 at 10.00am

The date and time of the next meeting was confirmed as 20th September 2017 at 10.00am. It was suggested that the venue should be St Arvans Memorial Hall.
