Aims and Values of Monmouthshire County Council

Our purpose

Building Sustainable and Resilient Communities

Objectives we are working towards

- Giving people the best possible start in life
- A thriving and connected county
- Maximise the Potential of the natural and built environment
- Lifelong well-being
- A future focused council

Our Values

Openness. We are open and honest. People have the chance to get involved in decisions that affect them, tell us what matters and do things for themselves/their communities. If we cannot do something to help, we'll say so; if it will take a while to get the answer we'll explain why; if we can't answer immediately we'll try to connect you to the people who can help – building trust and engagement is a key foundation.

Fairness. We provide fair chances, to help people and communities thrive. If something does not seem fair, we will listen and help explain why. We will always try to treat everyone fairly and consistently. We cannot always make everyone happy, but will commit to listening and explaining why we did what we did.

Flexibility. We will continue to change and be flexible to enable delivery of the most effective and efficient services. This means a genuine commitment to working with everyone to embrace new ways of working.

Teamwork. We will work with you and our partners to support and inspire everyone to get involved so we can achieve great things together. We don't see ourselves as the 'fixers' or problem-solvers, but we will make the best of the ideas, assets and resources available to make sure we do the things that most positively impact our people and places.

Questions for the Meeting

Scrutinising Performance

1. How does performance compare with previous years? Is it better/worse? Why?
2. How does performance compare with other councils/other service providers? Is it better/worse? Why?
3. How does performance compare with set targets? Is it better/worse? Why?
4. How were performance targets set? Are they challenging enough/realistic?
5. How do service users/the public/partners view the performance of the service?
6. Have there been any recent audit and inspections? What were the findings?
7. How does the service contribute to the achievement of corporate objectives?
8. Is improvement/decline in performance linked to an increase/reduction in resource? What capacity is there to improve?

Scrutinising Policy

1. Who does the policy affect ~ directly and indirectly? Who will benefit most/least?
2. What is the view of service users/stakeholders? Do they believe it will achieve the desired outcome?
3. What is the view of the community as a whole - the 'taxpayer' perspective?
4. What methods were used to consult with stakeholders? Did the process enable all those with a stake to have their say?

7. Have all relevant sustainable development, equalities and safeguarding implications been taken into consideration? For example, what are *the procedures that need to be in place to protect children*?
8. How much will this cost to implement and what funding source has been identified?
9. How will performance of the policy be measured and the impact evaluated.

Questions for the Committee to conclude...

Do we have the necessary information to form conclusions/make recommendations to the executive, council, other partners? If not, do we need to:

- (i) Investigate the issue in more detail?
- (ii) Obtain further information from other witnesses – Executive Member, independent expert, members of the local community, service users, regulatory bodies...
- (iii) Agree further actions to be undertaken within a timescale/future monitoring report...

General Questions....

- Do we have regular discussions with communities about service priorities and what level of service the council can afford to provide in the future?

Service Demands

- How will policy and legislative change affect how the council operates?
- Have we considered the demographics of our council and how this will impact on service delivery and funding in the future?

Financial Planning

- Do we have robust medium and long-term financial plans in place?
- Are we linking budgets to plans and outcomes and reporting effectively on these?

Making savings and generating income

- Do we have the right structures in place to ensure that our efficiency, improvement and transformational approaches are working together to maximise savings?
- How are we maximising income? Have we compared other council's policies to maximise income and fully considered the implications on service users?
