6.	Notices of Motion	
6.1.	Submitted by County Councillor A. Easson	
	Flying Start is a positive facility for parents with young children. However, it is post code related which debars many parents from	

accessing the service.

In my ward in particular, young parents supported by Flying Start have in recent times moved a distance of maybe 100 metres. In doing so their post code changes and they then fall out of the Scheme.

In the current climate all help that can be given by Flying Start to these families in need should be opened up to other Post Codes.

I move that Monmouthshire County Council explores with some urgency the expansion of the Flying Start scheme to draw in the maximum number of families who are currently struggling to make ends meet.

6.2. Submitted by County Councillor D. Batrouni

That this Council is disappointed by the Conservative cabinet's decision to close Usk recycling centre and believes the cabinet should have worked with Usk residents, the Surf campaign group and Usk town council to remedy the problems at the site and deliver a solution that worked for everyone.

6.3. Submitted by County Councillor D. Batrouni

That the Conservative cabinet should abandon plans to increase kerbside garden waste charges by 94%.

7. Members' Questions:

7.1. From County Councillor L. Dymock to County Councillor S. Jones, Cabinet Member for Social Justice and Community Development

What support has been given to children and young people during the last 7 months in terms of those struggling with mental health and well-being?

7.2. From County Councillor J. Watkins to County Councillor J. Pratt, Cabinet Member for Infrastructure and Neighbourhood Services

On September 18th the Cross Destination Space stage of Caldicot Regeneration Plan was completed, however signage – announcing speed limit change and pedestrian right of way - was not installed. At time of writing October 12th still no signage has been installed (after repeated contact with council officers) leading to a dangerous situation of confusion for motorists and pedestrians. Can the Cabinet member please give details when the signage will be installed and how it was possible that it was omitted?

7.3. From County Councillor A. Watts to County Councillor P. Jones, Cabinet Member for Social Care, Safeguarding and Health

How will Council continue to support care homes?

7.4. From County Councillor A. Watts to County Councillor P. Jones, Cabinet Member for Social Care, Safeguarding and Health

Is there any evaluation of better practise across Monmouthshire's care

	settings?	
7.5.	From County Councillor A. Watts to County Councillor P. Murphy, Cabinet Member for Resources	
	How much new money has been invested in the Council's preparedness for a second wave?	
8.	To confirm the minutes of the meeting held on 10th September 2020	415 - 418

Aims and Values of Monmouthshire County Council

Our purpose

Building Sustainable and Resilient Communities

Objectives we are working towards

- Giving people the best possible start in life
- A thriving and connected county
- Maximise the Potential of the natural and built environment
- Lifelong well-being
- A future focused council

Our Values

Openness. We are open and honest. People have the chance to get involved in decisions that affect them, tell us what matters and do things for themselves/their communities. If we cannot do something to help, we'll say so; if it will take a while to get the answer we'll explain why; if we can't answer immediately we'll try to connect you to the people who can help – building trust and engagement is a key foundation.

Fairness. We provide fair chances, to help people and communities thrive. If something does not seem fair, we will listen and help explain why. We will always try to treat everyone fairly and consistently. We cannot always make everyone happy, but will commit to listening and explaining why we did what we did.

Flexibility. We will continue to change and be flexible to enable delivery of the most effective and efficient services. This means a genuine commitment to working with everyone to embrace new ways of working.

Teamwork. We will work with you and our partners to support and inspire everyone to get involved so we can achieve great things together. We don't see ourselves as the 'fixers' or problem-solvers, but we will make the best of the ideas, assets and resources available to make sure we do the things that most positively impact our people and places.
