Dear Councillor

CABINET

You are requested to attend a **Cabinet** meeting to be held as a **Remote Meeting** on **Wednesday, 21st October, 2020**, at **2.00 pm**.

AGENDA

1. Apologies for Absence
2. Declarations of Interest
3. To consider the following reports (Copies attached):
4. **FUTURE OF THE GARDEN WASTE COLLECTION SERVICE** 1 - 44

Division/Wards Affected: All

Purpose: The recycling and waste service provision across the County must continually evolve to meet challenging statutory targets, volatile markets and increasing costs. This report sets out measures that will be necessary to achieve national statutory recycling targets, minimise budget pressures and provide sustainable garden waste services going forward. Following the review commissioned by Cabinet on 20/12/19, this report has full findings of the review for consideration, including changing frequency of collection and change of container for garden waste.

To agree the assumptions to be used to update the MTFP, and provide an early indication of the level of budget savings to be found.

Aims and Values of Monmouthshire County Council

Our purpose

Building Sustainable and Resilient Communities

Objectives we are working towards

- Giving people the best possible start in life
- A thriving and connected county
- Maximise the Potential of the natural and built environment
- Lifelong well-being
- A future focused council

Our Values

Openness. We are open and honest. People have the chance to get involved in decisions that affect them, tell us what matters and do things for themselves/their communities. If we cannot do something to help, we'll say so; if it will take a while to get the answer we'll explain why; if we can't answer immediately we'll try to connect you to the people who can help – building trust and engagement is a key foundation.

Fairness. We provide fair chances, to help people and communities thrive. If something does not seem fair, we will listen and help explain why. We will always try to treat everyone fairly and consistently. We cannot always make everyone happy, but will commit to listening and explaining why we did what we did.

Flexibility. We will continue to change and be flexible to enable delivery of the most effective and efficient services. This means a genuine commitment to working with everyone to embrace new ways of working.

Teamwork. We will work with you and our partners to support and inspire everyone to get involved so we can achieve great things together. We don't see ourselves as the 'fixers' or problem-solvers, but we will make the best of the ideas, assets and resources available to make sure we do the things that most positively impact our people and places.
