## Our Values

**Openness.** We are open and honest. People have the chance to get involved in decisions that affect them, tell us what matters and do things for themselves/their communities. If we cannot do something to help, we'll say so; if it will take a while to get the answer we'll explain why; if we can't answer immediately we'll try to connect you to the people who can help – building trust and engagement is a key foundation.

**Fairness.** We provide fair chances, to help people and communities thrive. If something does not seem fair, we will listen and help explain why. We will always try to treat everyone fairly and consistently. We cannot always make everyone happy, but will commit to listening and explaining why we did what we did.

**Flexibility.** We will continue to change and be flexible to enable delivery of the most effective and efficient services. This means a genuine commitment to working with everyone to embrace new ways of working.

**Teamwork.** We will work with you and our partners to support and inspire everyone to get involved so we can achieve great things together. We don't see ourselves as the 'fixers' or problem-solvers, but we will make the best of the ideas, assets and resources available to make sure we do the things that most positively impact our people and places.

**Kindness:** We will show kindness to all those we work with putting the importance of relationships and the connections we have with one another at the heart of all interactions.

### **OFFICERS IN ATTENDANCE:**

Local Democracy Manager  
Senior Democracy Officer

#### **1. Declarations of interest**

None.

#### **2. Minutes of the previous meeting**

The minutes of the meeting held on 26<sup>th</sup> September 2022 were confirmed as an accurate record. In doing so, the following points were noted:

With regards to a question regarding a tour of the County it was confirmed that officers are looking at options and it could possibly be arranged for the New Year.

Customer Services have updated their policies to reflect the discussions around code of conduct.

Issues around the Welsh Language Commissioner Report would be better placed at a Scrutiny Meeting for consideration.

#### **3. Council Diary - 2023-24**

The Local Democracy Manager presented a report in order for the committee to review the diary of meetings for 2023/24 and to recommend the diary to Council for approval. He also sought views on the timing of the AGM of Council.

It was asked that planning site visits are taken into consideration when setting the diary of meetings.

Members agreed that it had been appropriate to hold 2 separate meetings for the AGM this year given the number of new councillors but going forward combining into one meeting would be adequate.

There was a suggestion that the meeting be held on one day, but the day be divided.

## **MONMOUTHSHIRE COUNTY COUNCIL**

### **Minutes of the meeting of Democratic Services Committee held at Council Chamber, County Hall, The Rhadyr USK on Monday, 21st November, 2022 at 2.00 pm**

It was thought appropriate to issue a survey to members to assess opinions on timing of meetings, and this process could be started in the new year. County Councillor Penny Jones pointed out that Council had agreed that the decision on timing of meetings would be revisited in May/June 2023.

**Upon being put to a vote the committee resolved:**

**That the diary of meetings for 2023/2024 be recommended to Council.**

**That the committee put forward a recommendation to full council that the AGM be held as one meeting.**

#### **4. Draft Remuneration Panel Report 2022-23**

The Local Democracy Manager presented the report for the Committee to note the contents of the Independent Remuneration Panel for Wales draft report 2023- 2024.

Headline changes were highlighted as being an increase in basic salary, and small increases in additional salaries.

Views of the committee can be fed back to the Remuneration Panel. The report does no longer go to Full Council.

Concerns were raised that given the current cost of living crisis this was not the right time to implement the increase in salaries. It was suggested that the Council should reflect carefully on the proposals.

On the other hand, it was expressed that to not adequately compensate members could reflect poorly in representation and would not correctly reflect the community. It was also recognised that members are also affected by the cost of living crisis.

There was unease around the increases, given the possibilities of staff redundancies due to budget shortfall.

The importance of this remaining an independent process and it was stated that we should not go down the route of setting own salaries.

**The Committee resolved to accept the recommendation:**

**That Councillors note the determinations of the Independent Remuneration Panel for Wales.**

#### **5. Change of Voting System - Local Elections**

## MONMOUTHSHIRE COUNTY COUNCIL

### **Minutes of the meeting of Democratic Services Committee held at Council Chamber, County Hall, The Rhadyr USK on Monday, 21st November, 2022 at 2.00 pm**

The Local Democracy Manager presented the report for the Democratic Services Committee to agree methodology for reviewing and gauging members appetite for a change to the voting system for local elections.

Local authorities have until 15<sup>th</sup> November 2024 to agree to change their voting system however a number of administrative processes are required, including a full electoral review for all of Monmouthshire, following the decision to change the system and ahead of the next election.

A Member Seminar was being proposed to consider the impact of the changes

Members were not keen to support the changes but understood that a seminar would better gauge opinions.

The Local Democracy Manager suggested that he could send a poll to all members to avoid an unnecessary seminar. If the responses required it, then the seminar could go ahead.

**The Committee resolved to accept the recommendation:**

**That Councillors agree to the process set out below for sharing the information on the change with all councillors and determine whether the item should be put to full council.**

#### **6. White Paper - Electoral Administration and Reform**

The Local Democracy Manager presented the consultation document, highlighting specific aspects that relate to members:

1. To revert to a 4 year council term rather than 5 year;
2. Mandatory training for Councillors.

Under the Local Government and Elections Act, Welsh Government determined that from May 2022 the terms for councils would be 5 years. This was agreed with the backdrop that scheduling elections would not clash. If the Committee considers 5 years too long, we can forward a response.

In terms of what is and what is not mandatory training, in signing the declaration of office member agree to abide by the code of conduct which as such makes this mandatory training. Planning and Licensing also require mandatory training. The paper looks to question who should decide what training should be mandatory.

It was thought the WLGA would be better placed to decide mandatory training.

It was stated that there is a lack in training of legislation around privacy and safeguarding, and access to information, for example, for looked after children.

It was agreed that training is important for all members, and beneficial to receive updates throughout the term.

## **MONMOUTHSHIRE COUNTY COUNCIL**

### **Minutes of the meeting of Democratic Services Committee held at Council Chamber, County Hall, The Rhadyr USK on Monday, 21st November, 2022 at 2.00 pm**

A comment was made that from the end of the 3<sup>rd</sup> year term onwards, time is often taken up by election issues, and therefore a 5 year term enables members to accomplish more.

It was suggested that bitesize chunks of training would be useful.

#### **7. Date of next meeting - 23rd January 2023**

Noted.

**The meeting ended at 3.40 pm**

<b>SUBJECT:</b>	<b>Timing of Meetings Follow Up</b>

- Each committee is free to recommend the most suitable time of the committee for themselves and that suits the members of that committee
  - That the timing of full council meetings remains at 14:00 for at least 12 months to allow members to gain more experience in the role before making recommendation due to the high number of new members elected in May 2022.
- 3.3 At the previous meeting of Democratic Services Committee, members requested to progress the review and put a timetable in place to gather members thoughts with a view to make a recommendation back to Council based on the latest information.
- 3.4 A timetable for the review is below for members consideration:
- |                 |   |
|-----------------|---|
| 23 January 2023 | Democratic Services Committee to review and agree the timetable and questions to survey members   |
| February 2023   | Survey all councillors and gather responses ahead of next Democratic Services Committee   |
| 20 March 2023   | Democratic Services Committee to review responses and agree a recommendation to be put to Council on the timing of Full Council meetings  |
| 22 June 2023    | Full Council to consider recommendation from Democratic Services Committee in line with 12 months timescale from previous recommendation. |

- 3.5 A template set of survey questions are included at appendix A for members to review and add/amend as required to ensure the committee receives the information it needs to make and informed recommendation.
