# Aims and Values of Monmouthshire County Council

## Our purpose

Building Sustainable and Resilient Communities

### Objectives we are working towards

- Giving people the best possible start in life
- A thriving and connected county
- Maximise the Potential of the natural and built environment
- Lifelong well-being
- A future focused council

## Our Values

**Openness.** We are open and honest. People have the chance to get involved in decisions that affect them, tell us what matters and do things for themselves/their communities. If we cannot do something to help, we'll say so; if it will take a while to get the answer we'll explain why; if we can't answer immediately we'll try to connect you to the people who can help – building trust and engagement is a key foundation.

**Fairness.** We provide fair chances, to help people and communities thrive. If something does not seem fair, we will listen and help explain why. We will always try to treat everyone fairly and consistently. We cannot always make everyone happy, but will commit to listening and explaining why we did what we did.

**Flexibility.** We will continue to change and be flexible to enable delivery of the most effective and efficient services. This means a genuine commitment to working with everyone to embrace new ways of working.

**Teamwork.** We will work with you and our partners to support and inspire everyone to get involved so we can achieve great things together. We don't see ourselves as the 'fixers' or problem-solvers, but we will make the best of the ideas, assets and resources available to make sure we do the things that most positively impact our people and places.

**Kindness:** We will show kindness to all those we work with putting the importance of relationships and the connections we have with one another at the heart of all interactions.

**SUBJECT: Extending Public Spaces Protection Orders (PSPOs) to tackle Anti-Social Behaviour (ASB)**  
**MEETING: Single Cabinet Member Decision**  
**DATE: 27<sup>th</sup> September 2023**  
**WARDS**  
**AFFECTED: Park, Grofield and Pen-Y-Fal in Abergavenny; and Town in Monmouth**

## 1. PURPOSE:

1.1 To seek approval to extend three Public Spaces Protection Orders (PSPO) in respect of Bailey Park, Abergavenny; Lower Abergavenny (including Castle Meadows) and Monmouth Town (including Chippenham Fields), in Monmouthshire.

## 2. RECOMMENDATIONS:

- 2.1 To approve the extension of Public Spaces Protection Orders in respect of Bailey Park, Abergavenny; Abergavenny Lower and Monmouth Town in Monmouthshire.
- 2.2 That the three PSPOs which are due to expire 20<sup>th</sup> October 2023, be extended for a further three years to 20<sup>th</sup> October 2026.

## 3. KEY ISSUES:

### 3.1 Key Issues - Bailey Park

- 3.1.1 Historically there have been issues with Anti-Social Behaviour (ASB) in Bailey Park connected to the consumption of alcohol. The boundary of the park is identified on the attached map at **Appendix A1**.
- 3.1.2 Due to these issues a Designated Public Place Order (DPPO) was imposed in September 2008 by the Licensing Committee of Monmouthshire County Council.
- 3.1.3 The order provided the police with powers to deal with people in possession of alcohol who had caused, were causing or likely to cause anti-social behaviour.
- 3.1.4 Under new legislation, The Anti-Social Behaviour, Crime and Policing Act 2014, which commenced 20<sup>th</sup> October 2014, the DPPO was replaced by the PSPO. Written into the act was the provision for the DPPO to remain in force for three years, when they would convert into a PSPO. This current order is due to expire in October 2023.

3.1.5 There have been a number of calls to Gwent Police complaining about alcohol related ASB in Bailey Park between 2020 and 2023. Gwent Police Logs data are attached at **Appendix A2**.

### 3.2 Key Issues – Abergavenny Lower, Abergavenny

3.2.1 Historically there have been issues with Anti-Social Behaviour (ASB) in Abergavenny Lower Town (including Castle Meadows) connected to the consumption of alcohol. The boundary of the area concerned is identified on the attached map at **Appendix B1**.

3.2.2 Due to these issues a Designated Public Place Order (DPPO) was imposed in September 2008 by the Licensing Committee of Monmouthshire County Council.

3.2.3 The order provided the police with powers to deal with persons in possession of alcohol who had caused, were causing or likely to cause anti-social behaviour.

3.2.4 Under new legislation, The Anti-Social Behaviour, Crime and Policing Act 2014, which commenced 20<sup>th</sup> October 2014, the DPPO was replaced by the PSPO. Written into the act was the provision for the DPPO to remain in force for three years, when they would convert into a PSPO. This current order is due to expire in October 2023.

3.2.5 There have been a number of calls to Gwent Police complaining about alcohol related ASB in Abergavenny Town between 2020 and 2023. Gwent Police Logs data are attached at **Appendix B2**.

### 3.3 Key Issues – Monmouth Town, Monmouth

3.3.1 Historically there have been issues with Anti-Social Behaviour (ASB) in Monmouth Town connected to the consumption of alcohol. The boundary of the area concerned is identified on the attached map at **Appendix C1**.

3.3.2 Due to these issues a Designated Public Place Order (DPPO) was imposed in October 2008 by the Licensing Committee of Monmouthshire County Council.

3.3.3 The order provided the police with powers to deal with people in possession of alcohol who had caused, were causing or likely to cause anti-social behaviour.

3.3.4 Under new legislation, The Anti-Social Behaviour, Crime and Policing Act 2014, which commenced 20<sup>th</sup> October 2014, the DPPO was replaced by the PSPO. Written into the act was the provision for the DPPO to remain in force for three years, when they would convert into a PSPO. This current order is due to expire in October 2023.

3.3.5 There have been a number of calls to Gwent Police complaining about alcohol related ASB Monmouth Town between 2020 and 2023. Gwent Police Logs data are attached at **Appendix C2**.

#### **4. REASONS:**

- 4.1 Section 59 of the Anti-Social Behaviour, Crime and Policing Act 2014 states Local Authorities have the responsibility to make a Public Spaces Protection Order providing two conditions are met:
- 4.2 The first condition is that –
- (a) Activities carried out in a public space within the authority's area have had a detrimental effect on the quality of life of those in the locality, or
  - (b) It is likely that activities will be carried on in a public place within that area and they will have such an effect.
- 4.3 The second condition is that the effect, or likely effect, of the activities –
- (a) Is, or is likely to be, of a persistent or continuing nature;
  - (b) Is, or is likely to be, such as to make the activities unreasonable, and,
  - (c) Justifies the restrictions imposed by the police.
- 4.4 A Public Spaces Protection Order is an Order that prohibits specified activities taking place in a restricted area.
- 4.5 Not to extend the PSPOs would mean that the orders will expire on 20<sup>th</sup> October 2023 and will be discharged, that would undoubtedly give rise to the return of the problems within the localities, to the detriment of the local communities.
- 4.6 Discussions with police on whether to justify keeping the orders in place, that although the full offence is rarely committed, the presence of them provides a basis with which to tackle potential alcohol fueled ASB much earlier, rather than wait until it has escalated into a more resource impactive situation.

#### **5. RESOURCE IMPLICATIONS:**

- 5.1 The MCC Community Safety Officers will work with Gwent Police and community partners as part of the substantive role to issue the Public Spaces Protection Orders and Gwent Police will enforce the Order through their usual policing practices.
- 5.2 Should the Order be granted, there is a requirement for signage to be erected outlining the conditions of the Order. The current signs are adequate to continue in situ, so no additional cost will be necessary.

#### **6. WELLBEING OF FUTURE GENERATIONS IMPLICATIONS (INCORPORATING EQUALITIES, SUSTAINABILITY, SAFEGUARDING AND CORPORATE PARENTING)**

#### **7. CONSULTEES**

- 7.1 Under the Anti-social Behaviour, Crime and Policing Act 2014, no consultation was required in 2017 to convert the DPPO into the PSPO as no objections had been raised in the preceding three years of the order. From the 20<sup>th</sup> October 2017 they were treated as PSPO's.
- 7.2 Under the Act, at any point before expiry, the council can extend a PSPO by up to three years if they consider it is necessary to prevent the original behaviour from occurring or recurring.
- 7.3 Consultation has taken place with the Gwent Police for the concerned areas in order to establish the necessity of continuing with the restrictions, and they have confirmed their agreement to the extension of the PSPOs for another three years.
- 7.4 In addition consultation was also carried out in the community at the effected areas in a street survey format by the Partnership Team of MCC. It was not possible to avail this to the social media platform. This was carried out between week beginning July 24<sup>th</sup> to week ending August 4<sup>th</sup> 2023.
- 7.5 The below statutory partners and other identified stakeholders were emailed advising of the proposal and invited to provide feedback as part of the consultation. These include:
- Chief Officer Gwent Police (Local)
  - Police & Crime Commissioners Office (OPCC)
  - County Councillors, Park, Grofield and Pen-Y-Fal, Abergavenny and Town, Monmouth
  - Cabinet Member for Equalities and Engagement
  - Gwent Police, Abergavenny and Monmouth local policing teams
  - MCC – Chief Officer for Communities and Place
  - MCC – Head of Policy and Performance
  - MCC Head of Neighbourhood Services
  - MCC Head of Legal
  - MCC Head of Public Protection
  - Abergavenny and Monmouth Town Councils and Clerks
- 7.6 The local police support the continuation of the restrictions imposed by the PSPO's in their current format.
- 7.7 From the Street Survey it was noted that overall 93% were in favour of the Orders remaining in place. 70% had not actually experienced any ASB at the locations and 80% were even aware of their existence. So that is evidence that the majority of the community are not adversely affected by the orders being there, but the majority wish them to remain, believing that they are having the desired affect.
- 7.8 The draft PSPO's are attached.

**MONMOUTHSHIRE COUNTY COUNCIL**  
**ANTI-SOCIAL BEHAVIOUR, CRIME AND POLICING ACT 2014**  
**Public Space Protection Order (PSPO) covering Bailey Park, Abergavenny**

Monmouthshire County Council (“the Council”) in exercise of its powers under Sections 59, 60, 62, 63, 66, 67, 68 and 72 of the Anti-social Behaviour, Crime and Policing Act 2014 (“the Act”) and all other enabling powers hereby makes the following order.

1. The Order shall come into operation on 20<sup>th</sup> October 2023 and shall have effect for a period of 3 years thereafter unless varied or discharged by further orders of the Council.
2. The Order relates to the areas defined edged red on the attached map(s) known as Bailey Park (referred to in this Order as “the Restricted Area”).
3. The Order is made because the Council is satisfied on reasonable grounds that activities at the Restricted Area are having a detrimental effect on the quality of life of those in the locality, or it is likely that activities will have such an effect, and that the effect is, or will be, of a persistent or continuing nature and is, or will be, unreasonable and justifies the restrictions imposed by the Order.
4. In making this Order consultation has taken place with the Chief Constable, the Office of the Police and Crime Commissioner, relevant community representatives, the Town and Community Councils, and owners/occupiers of the Restricted Area (where relevant) and of neighbouring properties.
5. The effect of the Order is to impose the following prohibitions and requirements within any part of the Restricted Area.
  - 5.1. **No person shall within the restricted area refuse to stop drinking alcohol or hand over containers (sealed or unsealed) which are believed to contain alcohol, when required to do so by an authorised officer to prevent public nuisance and disorder.**
  - 5.2. **This Order does not prevent the taking place of community events organised by the Council**

6. Section 67 of the Act applies to the prohibitions and requirements set out in paragraphs 5.1 to 5.2 of this Order, namely:
- 6.1. It is an offence for a person without reasonable excuse
    - a) To do anything that the person is prohibited from doing by paragraphs 5.1 to 5.2 of this Order
    - b) To fail to comply with a requirement to which a person is subject under paragraph 5.1 to 5.2 of this Order
  - 6.2. A person guilty of an offence under this section is liable under summary conviction to a fine not exceeding level 3 on the standard scale (or to a Fixed Penalty Notice of a maximum of £100 as an alternative to the prosecution).
  - 6.3. A person does not commit an offence under this section by failure to comply with a prohibition or requirement that the Council does not have power to include in the Public Spaces Protection Order

## 7. Appeals

- 7.1. Any challenge to this Order must be made in the High Court by an interested person within six weeks of it being made. An interested person is someone who lives in, regularly works in, or visits any of the Restricted Area. This means that only those who are directly affected by the restrictions have the power to challenge.
- 7.2. The right to challenge also exists where an Order is varied by the Council. Interested persons can challenge the validity of this Order on two grounds: that the Council did not have power to make the Order, or to include particular prohibitions or requirements; or that a requirement of the legislation was not complied with in relation to the Order.

**Public Space Protection Order (PSPO) covering Abergavenny Lower, Abergavenny**

Monmouthshire County Council (“the Council”) in exercise of its powers under Sections 59, 60, 62, 63, 66, 67, 68 and 72 of the Anti-social Behaviour, Crime and Policing Act 2014 (“the Act”) and all other enabling powers hereby makes the following order.

4. The Order is made because the Act allows for the transition of existing designated public place orders to convert to Public Space Protection Orders where three years has elapsed since the commencement date of the Act.
5. In making this Order consultation has taken place with the Chief Constable, the Office of the Police and Crime Commissioner, relevant community representatives, the Town and Community Councils, and owners/occupiers of the Restricted Area (where relevant) and of neighbouring properties.

4. In making this Order consultation has taken place with the Chief Constable, the Office of the Police and Crime Commissioner, relevant community representatives, the Town and Community Councils, and owners/occupiers of the Restricted Area (where relevant) and of neighbouring properties.
5. The effect of the Order is to impose the following prohibitions and requirements within any part of the Restricted Area.

## Appendix E – Consultation Results

### Monmouth Town Council

Good morning Andrew

This was discussed at Monmouth Town Council's Full Council meeting on 19<sup>th</sup> June 2023 (see minutes attached).

Minute number 39/FC/23 PSPO Renewal:

*'It was **resolved** to approve the renewal of the PSPO regarding the control of alcohol when it has caused ASB (Anti-social Behaviour), is causing ASB or likely to cause ASB.'*

I hope this clarifies.

Kind regards

**Catherine Morgan**  
**Town Clerk and RFO Support Officer**  
Monmouth Town Council

**Gwent Police – Monmouthshire Inspector**

Good Afternoon Andrew,

I am aware of the PSPO's thank you for discussing them with me yesterday.

For a police perspective it is fair to say that historically the places covered by the PSPO's have has issues with anti-social behaviour and criminality, some of the areas Baily Park for example the ASB is on going and the area is on our patrol plan from a neighbourhood policing perspective.

I am supportive of a continuation of the PSPO's in these areas for the purpose of reducing crime and disorder and ASB.

Kind Regards

Emma

**Emma Sowrey**

The PSPO provides the police with an additional power to prevent ASB and punish those who repeat offend following numerous warnings. Following one member of the group being issued with a ticket for breach of PSPO, others do not return as has been seen in the neighbouring Fairfield car park where there is currently a PSPO. Recently there were concerns from local residents regarding vehicle ASB, as a result, those repeat offenders have been issued with FPNs and they have not returned. Therefore, the PSPO is crucial in preventing a detrimental impact on the local and wider communities that we serve.

**Comments:**

Haven't got a view either way, but don't think many people know about it.  
 If it's free, I'll have it – I think it should be kept but better advertised.  
 Only if police respond, Feel despondent and that there's no point.  
 Haven't got a view either way because I didn't know about it. In Ross there are big signs you can see saying 'No Alcohol'  
 Don't know enough about it to say.  
 Keep it in place to protect my 12 & 14yo children. I am anti drink, it brings out the worst in people.  
 The good thing about a 3yr order is that it can be reviewed and evaluated and adjusted accordingly.  
 The people of Monmouth need to be protected or the situation gets worse.  
 Don't mind either way.  
 Don't mind either way – we don't see the police any more in Monmouth.  
 If it helps people keep safe and feel safe.  
 Haven't seen enough of an issue to be able to say either way.  
 Yes, even though I haven't witnessed ASB, it is needed.  
 Should be extended to stop ASB drinking and drugs.  
 Yes, because it's working.

I have no view on this – I don't have enough knowledge of the situation.  
Yes its obviously effective because I'm not aware of any issues.  
I guess it makes the place feel safer & the people feel safer.
