6.	<b>Motions to Council:</b>	
6.1.	<b>Submitted by County Councillor Paul Pavia</b>  <b>Motion: Chepstow Infrastructure Debate</b> <b>Council notes that:</b> <ul style="list-style-type: none"><li>• Traffic congestion in and around Chepstow continues to have a significant impact on residents, businesses and the strategic road network.</li><li>• In March 2022, Monmouthshire County Council and Gloucestershire County Council agreed to jointly fund and progress the Chepstow Bypass through the next phase of Transport Appraisal Guidance</li></ul>	

(TAG/WeITAG).

- Progress towards developing a full business case for a relief road has since stalled.
- The prolonged delay in completing the Highbeech roundabout WeITAG work or progressing the Burn's Commission recommendations, demonstrates the lack of momentum in addressing wider infrastructure matters.
- In early 2024, Gloucestershire County Council indicated a willingness to commit £500,000 towards further scheme development but no matching funding has been identified by Monmouthshire County Council.
- Although the majority of any relief road would be located in England and led by the UK Government, Monmouthshire County Council and the Welsh Government have important roles in cross-border partnership working and scheme development.
- 

**Council resolves to:**

1. Reaffirm that addressing the traffic congestion in and around Chepstow remains a strategic transport priority for Monmouthshire County Council.
2. Request that the Cabinet bring a report to Full Council setting out:
  - the current status of previous commitments made by the Council in relation to a bypass/relief road for Chepstow
  - available options for funding and progressing the next phase of Transport Appraisal Guidance (TAG/WeITAG) for a bypass/relief road for Chepstow
  - a clear timetable for engagement and decision-making with Gloucestershire County Council, Welsh Government and UK Government partners, including elected parliamentary members.
3. Confirm that Full Council should have the opportunity to debate and make recommendations to Cabinet on the Council's future role in progressing infrastructure projects, rather than the matter being deferred or allowed to stall further.

**6.2.**

**Submitted by County Councillor Richard John**

**This Council:**

Believes the Cabinet's draft budget for 2026-27 fails to equip the Council to meet the expectations of Monmouthshire taxpayers and calls on the Cabinet to revise the budget and explain how the £1million budget shortfall will be bridged.

# Aims and Values of Monmouthshire County Council

## Our purpose

- to become a zero-carbon county, supporting well-being, health and dignity for everyone at every stage of life.

## Objectives we are working towards

- Fair place to live where the effects of inequality and poverty have been reduced;
- Green place to live and work with reduced carbon emissions and making a positive contribution to addressing the climate and nature emergency;
- Thriving and ambitious place, where there are vibrant town centres and where businesses can grow and develop
- Safe place to live where people have a home where they feel secure in;
- Connected place where people feel part of a community and are valued;
- Learning place where everybody has the opportunity to reach their potential

## Our Values

**Openness.** We are open and honest. People have the chance to get involved in decisions that affect them, tell us what matters and do things for themselves/their communities. If we cannot do something to help, we'll say so; if it will take a while to get the answer we'll explain why; if we can't answer immediately, we'll try to connect you to the people who can help – building trust and engagement is a key foundation.

**Fairness.** We provide fair chances, to help people and communities thrive. If something does not seem fair, we will listen and help explain why. We will always try to treat everyone fairly and consistently. We cannot always make everyone happy but will commit to listening and explaining why we did what we did.

**Flexibility.** We will continue to change and be flexible to enable delivery of the most effective and efficient services. This means a genuine commitment to working with everyone to embrace new ways of working.

**Teamwork.** We will work with you and our partners to support and inspire everyone to get involved so we can achieve great things together. We don't see ourselves as the 'fixers' or problem-solvers, but we will make the best of the ideas, assets and resources available to make sure we do the things that most positively impact our people and places.

**Kindness:** We will show kindness to all those we work with putting the importance of relationships and the connections we have with one another at the heart of all interactions.
