That this Council join with me, in congratulating Magor Action Group on Rail on the confirmation that Magor & Undy Walkway Station will be built first, with construction currently planned for 2029; for their unwavering commitment, passion and persistence over 14 years in their campaign for a Walkway station to serve Magor with Undy. This is their Victory.

Additionally, that this council formally lobby Transport for Wales and Network Rail for Magor & Undy Walkway station to be known as such, and for construction to commence now in line with the original Magor Action Group on Rail proposals in respect of design/layout and connection to the Hub.

Furthermore, that this council commits to the urgent work required to develop appropriate traffic management plans to support the station's success and ensure Magor with Undy retains its unique sense of place.

Seconded by County Councillor Simon Howarth.

MONMOUTHSHIRE COUNTY COUNCIL

Minutes of the meeting of County Council held on Thursday, 5th March, 2026 at 2.00 pm

This Council:

Notes the growing frustration of residents across Monmouthshire at the deteriorating state of our roads and the persistence of potholes.

Recognises the financial strain placed on families and businesses through vehicle damage and unsafe road conditions.

Recognises the ongoing decline in the condition of the county's roads and the authority's continued failure to effectively address hazardous and recurring potholes.

Considers that the administration's short-term practice of repeatedly patching and re-patching potholes delivers poor value for money and does not provide a sustainable solution

Calls for a revised proactive, preventative and more sustainable approach to road repairs

Resolves to commission an urgent and transparent review of alternative methods of road repairs including a full cost analysis.

Requests that the administration brings forward a clear action plan within six months with proposals to repair the county's highways in a more sustainable and cost-effective way.

Calls for the publication of clear and transparent performance data on highways maintenance spending and outcomes.

Seconded by County Councillor Lisa Dymock.

Upon being put to a vote the motion was carried.

12. Member Questions:

13. From County Councillor Rachel Buckler to County Councillor Ben Callard, Cabinet Member for Resources

Following three consecutive years of substantial council tax increases, will the Cabinet Member state the total annual cost of operating County Hall, its current directorate-level utilisation and occupancy levels, and identify which departments have the lowest occupancy of County Hall?

The Cabinet Member responded that the annual operating cost of County Hall is approximately £200,000, made up of around £86,000 for electricity, gas, and water, and £124,000 in business rates. He explained that it is difficult to determine precise utilisation levels by directorate due to the flexible working environment. Most workspaces are shared by staff across a range of council services. However, there has been a significant increase in average attendance at County Hall over the last six months, reflecting the success of the flexible operating model and the prioritisation of drop-in and co-working spaces.

Recent additions to the site include SRS (Shared Resource Service) and EAS, which occupy space in J Block and generate income that helps offset running costs. He also noted that MCC has approximately 4,500 employees, many of whom work in frontline roles such as teaching or social care and would not be expected to work from County Hall. In addition to being a

MONMOUTHSHIRE COUNTY COUNCIL

Minutes of the meeting of County Council held on Thursday, 5th March, 2026 at 2.00 pm

workspace, County Hall also serves as a civic venue, hosting events such as weddings and citizenship ceremonies.

As a supplementary Councillor Buckler stated that residents have raised concerns about occupancy, and that it would be useful for them to see clearer occupancy data so they can understand whether this major asset is being used effectively. Could more detailed information, including an annual cost breakdown, be provided?

The Cabinet Member responded value for money is important and that County Hall generates over £100,000 in income through lettings. They agreed to seek the additional data requested. The point was reiterated that occupancy levels do not necessarily reflect productivity across directorates, as many staff—such as teachers and social workers—are not expected to be based in County Hall.

14. From County Councillor Louise Brown to County Councillor Catrin Maby, Cabinet Member for Climate Change and the Environment

A few years ago, the Council resurfaced the A48 from Parkwall roundabout to the Mathern junction and repainted the double white central hazard lines. When does the Council expect to resurface the rest of the A48 road from Mathern junction to the High Beech roundabout?

The Cabinet Member explained that the condition of this section of the A48 has been reviewed as part of the Highways Carriageway Maintenance Programme, following the countywide highway condition survey. The stretch of road between the junction for Mathern and the High Beech Roundabout has not been identified as a priority for resurfacing in the coming year. It is likely to be included in the programme in subsequent years, but no precise date can be given at this time. Even with additional budget allocations, the council must prioritise maintenance across the 1,600 km road network. As context, Powys maintains a 5,000 km network and recently reported a £180 million backlog.

As a supplementary Councillor Brown referred to the adjacent section resurfaced six years ago and asked if the Cabinet Member agreed that installing a new crossing (subject to consultation results) over a deteriorating surface is not sensible? When exactly will the resurfacing take place, given recurring cracks and potholes on this busy A-road?

The Cabinet member responded that a precise resurfacing date could not be provided at present. The Member agreed that installing a crossing on a surface imminently due for resurfacing would not be sensible, but further information is required about the specific location. The Cabinet Member suggested arranging a three-way email discussion with Operations Management to review the details.

15. From County Councillor Lisa Dymock to County Councillor Catrin Maby, Cabinet Member for Climate Change and the Environment

Could the Cabinet Member for Highways please provide an update on the timetable for resurfacing the remaining section of Crick Road to the B4245?

The Cabinet Member explained that the condition of this section of Crick Road is currently being re-inspected. It had been agreed for inclusion in the Small Schemes Programme, and most of this year's programme has been delivered. However, winter storms required resources to be diverted to urgent works, and locations affected by flooding across the north of the county from Abergavenny to Monmouth town centre.

MONMOUTHSHIRE COUNTY COUNCIL

Minutes of the meeting of County Council held on Thursday, 5th March, 2026 at 2.00 pm

As a result, the resurfacing of Crick Road has been delayed. A precise timescale cannot currently be given, but the intention had been to complete it this year before the disruptions occurred. Updates will continue to be shared.

As a supplementary Councillor Dymock asked if the Cabinet Member believed it to be acceptable for residents to continue using a road in such poor condition?

The Cabinet Member declined to add further comment.

16. From County Councillor Christopher Edwards to County Councillor Laura Wright, Cabinet Member for Education

Can the Cabinet Member for Education inform council of progress made to the future plans for Chepstow School and the Chepstow cluster of schools since holding a meeting with Chepstow councillors in July last year?

The Cabinet Member for Education explained that the first academic term had been exceptionally busy due to preparations for the Estyn inspection, but reassured members that Chepstow remains a key priority within the Welsh Government's school investment programme.

Officers are working closely with Welsh Government colleagues to determine timelines and expectations for business cases beyond the strategic outline stage.

She also intends to meet with the headteachers in the Chepstow cluster and representatives from Chepstow Town Council to gather local views, as had recently been done in Monmouth. However, she noted that ambitions for Chepstow must be balanced against financial pressures and increasing construction costs.

As a supplementary Councillor Edwards asked "*What progress do you hope to achieve before July? And what do you hope to achieve for the Chepstow cluster by May 2027?*"

The Cabinet Member stated that, now the Abergavenny project is concluding, the Council can turn its attention to Chepstow as a priority. She committed to writing with detailed progress plans covering the remainder of the academic year and through to May 2027 and said she would be happy to share this information with all councillors.

17. From County Councillor Christopher Edwards to County Councillor Angela Sandles, Cabinet Member Equalities and Engagement

Can the cabinet member explain why Monmouthshire residents and swimming clubs in the South of the county (Chepstow & Caldicot) are being treated unfairly with regard to pool hire rates being the same for all Monmouthshire swimming pools when their pools are 5m shorter in length.

The Cabinet Member explained that the Council uses a corporate framework for fees and charges across all leisure centres, reviewed annually as part of the budget process. Although pools vary in size and facilities differ slightly between sites, the Council heavily subsidises leisure services to ensure affordability for all residents and clubs. She noted that while fees increase annually, these rises remain significantly lower than the increasing costs of running the centres and delivering their programmes. The Council continues to work closely with local clubs to support their long-term sustainability.

MONMOUTHSHIRE COUNTY COUNCIL

Minutes of the meeting of County Council held on Thursday, 5th March, 2026 at 2.00 pm

As a supplementary Councillor Edwards asked “Do you agree this is unfair, since residents pay the same but get smaller pools? Should charges be reviewed so all residents are treated equally?”

She responded that these issues had already been explored in detail through extensive correspondence and engagement. The Council has worked closely with Chepstow Swimming Club to identify suitable packages that keep costs manageable, and she offered to provide additional detail if required.

18. County Councillor Martin Newell to County Councillor Catrin Maby, Cabinet Member for Climate Change and the Environment

Please could you provide an update my residents in Monmouth regarding the progress being made and when they can expect to see the Section 19 report in relation to the floods in November 2025.

Cllr Newell withdrew the question as it had been answered and instead asked: “When we receive the Section 19 report, do you agree we should have a public meeting to discuss it and next steps?”

The Cabinet Member welcomed the update that Cllr Newell had already received information from officers regarding the Section 19 report. She agreed that the way the report is communicated will be important, given its technical nature, and noted that a public-facing summary is standard practice. She explained that this year’s report will cover the Monnow catchment as a whole—rather than individual communities—because the flooding affected several areas simultaneously and the threshold of 20 properties triggers a combined report. She also outlined recent improvements in communication through the “Let’s Talk” platform and shared positive news about funding successes: a substantial Welsh Government grant for natural flood management in the Monnow and Trothy catchments, which will help the small flood team expand capacity for important resilience work.

19. From County Councillor Richard John to County Councillor Ben Callard, Cabinet Member for Resources

Could the cabinet member provide an update on the council's investment portfolio?

The Cabinet Member reported that the Council’s investment properties are currently predicting a £93,000 overspend due to unbudgeted holding and operating costs associated with vacant units, including electricity, service charges, and business rates. Some of this overspend is being offset by staff vacancies and improved performance at Newport Leisure Park. The Council remains confident that performance across the commercial portfolio will improve, supported by active efforts to reduce voids and negotiate favourable lease terms. A fuller update is scheduled for consideration at the Performance and Overview Scrutiny Committee meeting on 21 April.

As a supplementary Councillor John asked “Businesses at Castle Gate Business Park received an 89% rent rise. Will you rescind these letters and stop forcing businesses out?”

In response the Cabinet Member explained that the figure was not directly comparable because the increased amount includes items not included in the original rate. He added that the affected tenant had been benefiting from an introductory incentive rate intended to support start-up businesses—an approach the Council uses strategically to boost local enterprise and fill commercial spaces.

MONMOUTHSHIRE COUNTY COUNCIL

Minutes of the meeting of County Council held on Thursday, 5th March, 2026 at 2.00 pm

20. From County Councillor Richard John to County Councillor Laura Wright, Cabinet Member for Education

Would the Cabinet Member explain what steps the council is taking to deescalate the dispute with the National Education Union to bring strike action at King Henry VIII 3-19 School to an end?

The Cabinet Member emphasised that everyone shares the priority of ensuring pupils at King Henry VIII School have a stable learning environment and deeply regretted that NEU members felt industrial action was necessary. She highlighted the important role of teachers and trade unions, and the value of dialogue in resolving workplace issues. The school is facing a significant budget deficit, a matter previously discussed in Council. The Council has been working with the school leadership and governing body to develop a sustainable deficit recovery plan, supported by an independent external review of staffing and curriculum structures. An eight-year recovery period has been agreed to give the school flexibility to implement necessary changes. While staffing changes are part of this process, she stressed that the formal consultation with staff must be allowed to run its course. Officers remain in close contact with both the school and the NEU with the aim of de-escalating the situation and reaching a resolution as soon as possible.

As a supplementary Councillor John asked how vulnerable pupils were being supported and whether other schools may face similar industrial action.

The Cabinet Member agreed that vulnerable pupils, particularly those with difficult home lives, require consistent support and that the disruption is especially challenging for them. She stated that she has no indication at present that similar industrial action is being considered at other schools, though she cannot know what unions may be planning internally. Negotiations are active but must remain confidential. She thanked the councillor for raising the concerns.

The meeting ended at 18:25pm

Subject: Local Resolution Protocol

Meeting: Council

Date: 14th May 2026

Divisions/Wards Affected: All

1. PURPOSE:

- 1.1 For Council to receive and approve the Local Resolution Protocol (“the LRP”) attached at Appendix 1, and for it to be incorporated into the Council’s Constitution.

2. RECOMMENDATIONS:

- 2.1 It is recommended that Council:

- i) Approves the LRP attached at Appendix 1;
- ii) Instructs the Monitoring Officer to update the constitution to incorporate this new LRP.

3. KEY ISSUES:

- 3.1 The Ombudsman expects Councils to establish an LRP to reduce the number of complaints referred to the Ombudsman relating to ‘low-level’ behavioural issues between members, which in acknowledges typically arise in the “cut and thrust” of normal Council debates and local politics.
- 3.2 In the Ombudsman’s guidance on the Members’ Code of Conduct (paragraphs 1.17 and 1.18), the Ombudsman states that *“In my view such complaints are more appropriately resolved informally and locally in order to speed up the complaints process and to ensure that my resources are devoted to the investigation of serious complaints. The aim of local resolution is to resolve matters at an early stage so as to avoid the unnecessary escalation of the situation which may damage personal relationships within the authority and the authority’s reputation.”*
- 3.3 Each Council in Wales has adopted its own processes to comply with the guidance. Monmouthshire currently has provision for informal resolution of disputes within the constitution (the Protocol for Self-Regulation of Member Conduct).
- 3.4 The all Wales Monitoring Officers group set up a working group to consider the operation of local resolution protocols and to advise on best practice. The working group considered all available LRPs in Wales and instructed Counsel to advise on the operation and extent of LRPs. Following this review, the working group recommended that all Councils review their local resolution protocols against the following criteria:

- 1) The LRP should only apply to low level, member on member complaints;
- 2) The LRP may but does not need to include complaints by officers within its scope;
- 3) The LRP should specify the standards of behaviour expected of members (and a list of such behaviour was provided and suggested for inclusion);
- 4) Although examples of matters which are not 'low level' may be included, the protocol should state that advice should be sought from the Monitoring Officer on the remit of the LRP;
- 5) In the event that a member wishes to refer the matter to the PSOW following the application of the LRP, then they must do this themselves to ensure that the Monitoring Officer's role remains impartial;
- 6) The LRP should state that the complainant and the member must agree to use the LRP;
- 7) The LRP should not apply to:
 - a. complaints from members of the public; or
 - b. complaints by members about an officer.
- 8) Use of the LRP cannot exclude the statutory right of the complainant to complain to the PSOW at any time they choose;
- 9) The number of stages within the LRP is up to each Council but the Group noted that two stages were the most common across Councils in Wales;
- 10) Whether the LRP includes group leaders is up to each council but it should be borne in mind that they have a duty to assist the Standards Committee in its duties. The Group noted that it is more common for them to be called in at the second stage if initial attempts at resolution by the Monitoring Officer have not been successful;
- 11) The inclusion of a hearing stage is not advisable because of perceived predetermination and a lack of statutory basis.

3.6 A draft LRP has been prepared in accordance with the guiding principles set out above. A copy is attached to this report as Appendix 1.

3.7 The LRP provides for a two-stage process for the local resolution of low level disputes. Stage One will involve the Monitoring Officer (or his/her representative) attempting to resolve the matter informally with the agreement of all parties concerned. If it is not possible to resolve the matter at Stage 1, the matter may proceed to Stage 2, which involves mediation between all parties, including Group Leaders. The Chair of the Standards Committee may also attend if they wish.

3.9 Whilst members are not obliged to use the Local Resolution Protocol, and can elect at any time to refer the matter to the Ombudsman instead, the Ombudsman has made

clear that members are in the first instance expected to exhaust local processes in relation to low level issues before referring a matter to the Ombudsman.

4. REASONS

- 4.1 To update the Council's Local Resolution Protocol in order to comply with the guidance referred to above.

6. WELLBEING OF FUTURE GENERATIONS IMPLICATIONS (INCORPORATING EQUALITIES, SUSTAINABILITY, SAFEGUARDING AND CORPORATE PARENTING)

- 6.1 No implications.

7. CONSULTEES

Monmouthshire County Council

Local Resolution Protocol

1. Introduction

- 1.1 This Local Resolution Protocol (“the Protocol”) has been established in accordance with the Ombudsman's guidance on the Code of Conduct for Members (“the Code”) which states that *‘low-level, member-on member’* complaints relating to breaches of the Code should be dealt with at a local level. The aim of the Protocol is to avoid the unnecessary escalation of situations which may damage personal relationships within the Council and the Council’s reputation.
- 1.2 This Protocol does not prevent members from referring any complaint to the Ombudsman if they wish. However, members should be aware that the Ombudsman has made it clear that, in normal circumstances, it is expected that in the first instance members should exhaust the procedures set out in this Local Resolution Protocol before referring low-level complaints to the Ombudsman.
- 1.3 Whether or not a complaint is ‘low level’ in nature will depend upon the individual circumstances of each case. However, the Ombudsman’s guidance states: *‘typically these complaints will be about alleged failures to show respect and consideration for others as required by paragraph 4(b) of the Code or the duty not to make vexatious, malicious or frivolous complaints against other members under paragraph 6(1)(d) of the Code.’*
- 1.4 If you are unsure whether a matter you wish to complain about is within the remit of this protocol, then you should seek advice from the Monitoring Officer.

2. Scope

- 2.1 In order to fall within the scope of this Protocol complaints must meet all three of the following criteria:
 - be made by an **elected** member of the Council and relate to a breach of the Member Code of Conduct **by another elected member**;
 - be low-level in nature; and
 - not relate to repeated occurrences of similar conduct that has already been dealt with under this Protocol or by the Ombudsman.

3. Procedure

- 3.1 Complaints will be dealt with in accordance with the procedures set out below.
- 3.2 It is important that any allegations made under the Protocol are dealt with quickly and effectively with the co-operation of all parties involved. Each party must make themselves available to attend any meetings arranged under the Protocol as a matter of priority.

- 3.3 Both parties must agree to use the Protocol at the outset. If any member elects at any time to refer the matter to the Ombudsman for investigation, the Protocol process will be discontinued and cannot subsequently be resumed.
- 3.4 References within this protocol to the Monitoring Officer shall also include any other appropriate officer appointed in their place.

Stage One - Making The Complaint And Informal Resolution

- 3.5 Any member who wishes to submit an allegation under the Protocol should send the complaint to the Monitoring Officer. The complaint must be submitted to the Monitoring Officer within 30 days of the event that has given rise to the complaint occurring, or within 30 days of the substance of the complaint coming to the attention of the member submitting the allegation.
- 3.6 The complaint must set out the relevant details of the behaviour or conduct complained of and which paragraphs of the Code the member believes has been breached.
- 3.7 Following receipt of the complaint the Monitoring Officer will advise whether the allegation falls within the Protocol or whether the complainant(s) should instead consider referring the matter to the Ombudsman.
- 3.8 If the Monitoring Officer determines that the allegation falls within the remit of the Protocol he/she will seek to try and resolve the matter informally with the agreement of all parties concerned.
- 3.9 All parties involved at Stage one will take into account any advice and guidance of the Monitoring Officer.
- 3.10 If the matter is not capable of resolution at Stage one the complainant may ask that the matter proceed to Stage two.

Stage Two – Mediation

- 3.11 Where informal attempts to resolve the complaint have been unsuccessful, and where the complainant wishes to continue to stage two of the Protocol, the Monitoring Officer shall convene a meeting of all relevant parties, including the complainant, the member who is the subject of the complaint and the relevant Group Leader(s). The Chair of the Standards Committee may also attend this meeting at their discretion.
- 3.12 **This meeting shall be arranged as soon as reasonably practicable after the conclusion of stage one.**
- 3.13 The purpose of the meeting shall be for the parties to attempt to agree a resolution of the complaint to the satisfaction of both parties.
- 3.14 All members shall engage constructively with mediation and make every reasonable effort to resolve the complaint.

- 3.15 Group Leaders shall have regard to their statutory obligation pursuant to s.52A Local Government Act 2000 to take reasonable steps to promote and maintain high standards of conduct by the members of their group.
- 3.16 Where a complaint remains unresolved following stage two, either member may refer the complaint to the Ombudsman.

(e) APPOINTMENT OF LOCAL AUTHORITY GOVERNORS COMMITTEE

With plenary powers to act in accordance with the Code of Practice set out below:

1. LA Governors are appointed representatives of the LA on a school's governing body. They are not delegates, but can be removed at the discretion of the LA. Appointments are made on merit, irrespective of political persuasion and in the best interests of the children and school. Nominations of elected members will be viewed in exactly the same way as any other nominations.

2. They may represent the LA view, but in all cases the interests of the school are paramount and all governors shall abide by the governing body's rules and code of conduct.

3. A governor appointed by the LA must, like all governors be in a position to:

- Offer time, commitment and energy to the role.
- Become well informed about current educational thinking.
- Know about the needs of the school, its staff and pupils.
- Visit the school with purpose, sensitivity and understanding.
- Undertake training as necessary.
- Attend meetings regularly.
- Conform to agreed procedures at meetings, including the need for confidentiality concerning certain matters discussed in Governing Body meetings especially in relation to individual staff, pupils and parents.
- Undertake appropriate preparation and reading.
- Work co-operatively as a member of a team, accepting collective responsibility for decisions made.
- Share responsibilities including service on committees
- Find out as much as possible about the community served by the school.
- Understand that the position does not offer a personal or political platform.
- Offer commitment to raising education standards to enable every child and young person to reach their full potential

4. When an LA governor vacancy occurs, the school may advise the LA of its needs in terms of balance of skills, gender or other considerations for the good of the school. It shall have the right to submit names for consideration.

5. When an LA Governor vacancy occurs, the County Councillor in whose electoral area the school is situated, will be informed. (All other County Councillors will be advised by e mail of the vacancy for information.) They should consult the school's headteacher and chairman of governors as well as fellow Councillors in cases where pupils are drawn from beyond his/her electoral division. They may recommend names for consideration.

6. The LA will appoint the persons most suitable to be governors according to the criteria set out above. The appointment will be made as soon as possible after the vacancy arises, recognising the serious operational difficulties which may occur when governing bodies are incomplete.

7. The LA is able to remove governors which it has appointed by giving written notice to the clerk to the Governing Body and to the governor who is to be removed. The governor will be given the opportunity to make written

representation before removal. The LA will only remove a governor for a good reason.

8. Whilst it is anticipated that such procedures will be used infrequently, it is important for there to be a mechanism in place, if required, for the removal of local authority governors in order to ensure that difficulties, if they arise, can be dealt with in a consistent way. It is expected that these procedures would be used, for example, where there is evidence that the governor concerned has seriously or persistently breached their Governing Body's Code of Conduct, or there are significant other issues such as those detailed below. Removal of a local authority governor from office will only be used as a last resort after seeking to resolve any difficulties or disputes in a constructive way. Before the LA begins a formal process of removal, LA Officers will offer some form of conciliation, if appropriate, to seek to resolve the situation. Where there is no effective remedy, then the governor may be considered for removal from office.

9. All requests to remove a local authority governor from office would in the first instance be referred to the Chief Officer, Education who will consider the grounds for removal. The Chief Officer will then make a recommendation to the Chair of the LA Governor Appointments Committee on whether there are grounds for removal and they will take a decision. If the Chair of the Committee decides that there are no grounds for removal, they will write to the proposer and if appropriate, the governor concerned, setting out the reasons for the decision and advising, where appropriate, on a way forward to resolve any remaining difficulties. If the Chair of the LA Governor Appointments Committee decides that there may be grounds for removal, they will write to the governor concerned setting out the reasons why the matter has been referred for decision by the Committee and invite the governor to make written representation.

10. Reasons for the removal from office include, but may not be limited to, any of the following:

- Conduct that is inconsistent with the ethos or religious character and has or is likely to bring the school, the governing body or their office as a governor, or the LA into disrepute.
- Serious failure to co-operate with the LA, governors or the governing body as a whole.
- Irretrievable breakdown in relationship between the governor and the governing body and/or local authority.

11. The LA Governor Appointments Committee will meet and make a decision on the matter following receipt of the written representations from both parties. If necessary, both parties may be called to a meeting to give an account of their representation.

12. If a decision to remove is made, the Chair of the LA Governor Appointments Committee will write to the governor dismissing them from the Governing Body of the School, setting out the reasons for the decision. A copy of the letter will be copied to the clerk to the Governing

Body. If the proposal is not agreed, the Chair of the LA Governor Appointments Committee will write to the proposer and governor concerned, setting out the reasons for the decision and advising, where appropriate, on a way forward to resolve any remaining difficulties. Any governor who is removed from office may not be appointed to a governing body as a LA governor for a period of twelve months from removal. Should the governor concerned hold office on another governing body, that position would not necessarily be affected by his/her removal from the governing body the removal relates to; however, consideration would be given to this at the same time.

(h) DISCIPLINARY COMMITTEE

(I) REMUNERATION COMMITTEE

TERMS OF REFERENCE

1. Scope

To determine the remuneration for the Council's Senior Leadership Team which consists of the Chief Executive and 7 Chief Officers.

The purpose of the review is that there is a risk that the authority will not be able to attract qualified and competent chief officers due to uncompetitive pay arrangements.

The issue is about balancing the need for senior pay to be set in a fair, transparent way and be deemed an appropriate use of public funds, with the equal need to attract and reward leaders of sufficient calibre to drive a constant process of change and improvement.

We have a track record of creativity and innovation. We will need to build on this so that we are:

- A Fair place to live where the effects of inequality and poverty have been reduced;
- A Green place to live and work, with reduced carbon emissions, and making a positive contribution to addressing the climate and nature emergency;
- A Thriving and ambitious place, where there are vibrant town centres, where businesses can grow and develop;
- A Safe place to live where people have a home and community where they feel secure;
- A Connected place where people feel part of a community and are valued;
- A Learning place where everybody has the opportunity to reach their potential

2. Background

Local Authorities are required to be transparent as to how they use public monies. They have to publish each financial year a pay policy setting out its remuneration for its chief officers.

The **Localism Act 2011 (section 38 (4))** states that a pay statement must include the authority's policies relating to:

- (a) the level and elements of remuneration for each chief officer,
- (b) remuneration of chief officers on recruitment,
- (c) increases and additions to remuneration for each chief officer,
- (d) the use of performance-related pay for chief officers,
- (e) the use of bonuses for chief officers,
- (f) the approach to the payment of chief officers on their ceasing to hold office under or to be employed by the authority, and
- (g) the publication of and access to information relating to remuneration of chief officers.

A Chief Officer is defined in **s.43(2)** of the **Localism Act 2011** as:

(aa) its chief executive appointed under—

(i) section 54 of the Local Government and Elections (Wales) Act 2021 (chief executive of council in Wales), or

(ii) regulations made under Part 5 of that Act (chief executive of a corporate joint committee).

(b) its monitoring officer designated under section 5(1) of the Local Government and Housing Act 1989;

(c) a statutory chief officer mentioned in section 2(6) of that Act;

(d) a non-statutory chief officer mentioned in section 2(7) of that Act;

(e) a deputy chief officer mentioned in section 2(8) of that Act;

(f) its head of democratic services designated under section 8(1) of the Local Government (Wales) Measure 2011 (designation by council of a county or county borough in Wales).

s.54(3) of The Local Government and Election (Wales) Act 2021 requires the Chief Executive to keep under review such matters as:

(a) the manner in which the exercise by the council of its different functions is co-ordinated;

(b) the council's arrangements in relation to—

(i) financial planning,

(ii) asset management, and

(iii) risk management;

(c) the number and grades of staff required by the council for the exercise of its functions;

(d) the organisation of the council's staff;

(e) the appointment of the council's staff;

(f) the arrangements for the management of the council's staff (including arrangements for training and development).

3. Decision

All decisions will be made in accordance with the following principles: (a) proportionately (i.e. the action must be proportionate to the desired outcome); (b) due consideration and the taking of professional advice from Officers; (c) respect for human rights; (d) a presumption in favour of openness; (e) clarity of aims and desired outcomes; (f) consideration of any alternative options; and (g) the giving and recording of reasons for the decision and the proper recording of these reasons.

The committee has to:-

- Make recommendations on senior pay and reward issues to Council
- Make recommendations on structure of senior pay and reward, and grounds for pay progression.

- To comply with the requirements set out in the Local Government (Wales) Act 2015, and any subsequent legislation, which relate to senior pay decisions. The committee and the Council must have regard to any Independent Remuneration Committee's recommendations when reaching decisions on relevant pay. Appendix 1 provides the process to refer any pay recommendations to the Independent Remuneration Committee (IRP).

The terms of reference will be subject to approval by Council.

4. General Principles

- No permanent change to pay and reward of the Senior Leadership Team can be actioned until it is ratified by Full Council
- The basic pay of the Senior Leadership Team (including the Chief Executive) will be determined using an Independent HR Consultant and advice sought from any other external experts as deemed appropriate.
- The Committee will provide a structured governance body through which recommendations affecting Chief Officers pay can be taken in the best interests of Monmouthshire County Council and its stakeholders. It enables remuneration issues to be reviewed and considered with an impartial and balanced mind-set.

5. Role

The Remuneration Committee will make recommendations to Council on the permanent pay and reward of Senior Managers. It will:-

- a) Contribute to the Council's positive reputation with regard to having appropriate and effective corporate governance arrangements for senior pay by operating an independent, transparent and informed approach to managing senior pay through the Remuneration Committee.
- b) Develop broad policy decision for senior pay, having regard to the Council's Pay Policy 2024
- c) Propose levels of remuneration considered to be sufficient to attract, retain and motivate senior managers of the quality required to run the organisation successfully.
- d) Consider the affordability of its proposals
- e) Be sensitive to the context of senior pay, including pay and employment conditions elsewhere in the organisation
- f) Ensure the relationship between reward and senior management tiers and for employees below this level remain reasonable
- g) Ensure individuals are fairly and responsibly rewarded for their individual contribution
- h) Understand what other relevant organisations are paying for similar roles as well as their general approach to reward, and consider whether Monmouthshire County Council should position itself in relation to 'the market' – for example, whether the Council's approach may be to pay at around the lower quartile, median or upper quartile of the market etc.
- i) Ensure that proper and professional advice is obtained to assist in its deliberations

The committee's recommendations will be based on data, advice, evidence and views collected from a number of possible sources – for example:

- External pay data, advice and facilitation (e.g. from external consultants or other sources)
- The Council's Chief Executive, key documents and reports

The Council's policies such as People Strategy

- Performance data where relevant

The committee would not normally expect to present all of the background data and advice it had received

6. Membership & Support

The committee will comprise of 6 Members to give a balanced political background. One member of the committee will act as Chair. The Chair will be appointed at the first meeting.

The membership should include the Lead Member for Resources and one member from Cabinet.

The Lead HR Business Partner will provide a 'secretariat' function to the Committee because she is not part of SLT or a Head of Service. She will be responsible for arranging meetings, coordinating and preparing documentation and arranging support, training, advice and information for the Committee.

The Committee may commission external independent expertise to train and support them in fulfilling their role and/or to provide external data or advice (including relevant market and regional data). The Lead HR Business Partner will provide details of external experts considered suitable for the purposes in terms of experience, cost and best value for the Committee to select from.

7. Confidentiality

Members will be expected to maintain confidentiality whilst discussions are taking place and until the decisions have been published.

8. Conflicts of Interest

Should any committee member feel there is a conflict of interest with regards to any agenda item or discussion in the committee:-

- They should declare any personal and/or prejudicial interest in the matter
- It is prejudicial then they should leave the meeting during any discussion on the matter

(J) Appointments Committee

5 Members are to be appointed to the Committee. At least one member, but not more than half the total membership must be a Cabinet member (The Local Authorities (Standing Orders) (Wales) Regulations 2006).

These committees are vehicles through which the public can voice their opinion on major decisions, assisting the committees in drawing conclusions and making recommendations to the Cabinet. Members may engage with their communities by holding informal face-to-face meetings in the community or conducting surveys in their local area. The public is also able to submit audio, video and written submissions to these Scrutiny Committees and attend their meetings. • The ‘Performance and Overview’ Scrutiny Committee provides constructive challenge to the Cabinet, holding them to account for the performance of service delivery and risk management. It also conducts robust financial monitoring and scrutinises the Council’s performance in delivering the corporate objectives outline in its Corporate Plan. • The ‘Public Services’ Scrutiny Committee scrutinises the effectiveness of strategic partnerships (including the Public Service Board) and other public service providers to ensure that services delivered in partnership with other bodies are accountable and deliver improved outcomes for residents. • Topics suggested for scrutiny are assessed against the ‘scrutiny topic criteria’ to determine the committee best placed to undertake the scrutiny. The Scrutiny Committees are role-based, so policy or service changes are scrutinised by the two thematic policy development committees, and performance reports or reports on risks or financial matters are scrutinised by the Performance and Overview Scrutiny Committee. Work programmes are planned and agreed by the Scrutiny Committees.
