- A thriving and connected county

## Our Values

**Openness.** We are open and honest. People have the chance to get involved in decisions that affect them, tell us what matters and do things for themselves/their communities. If we cannot do something to help, we'll say so; if it will take a while to get the answer we'll explain why; if we can't answer immediately we'll try to connect you to the people who can help – building trust and engagement is a key foundation.

**Fairness.** We provide fair chances, to help people and communities thrive. If something does not seem fair, we will listen and help explain why. We will always try to treat everyone fairly and consistently. We cannot always make everyone happy, but will commit to listening and explaining why we did what we did.

**Flexibility.** We will continue to change and be flexible to enable delivery of the most effective and efficient services. This means a genuine commitment to working with everyone to embrace new ways of working.

**Teamwork.** We will work with you and our partners to support and inspire everyone to get involved so we can achieve great things together. We don't see ourselves as the 'fixers' or problem-solvers, but we will make the best of the ideas, assets and resources available to make sure we do the things that most positively impact our people and places.

## SEVERN SIDE AREA FORUM QUESTIONS FOR POLICE

1. It is widely recognised that Operation Lumley was successful in significantly reducing the level of serious anti-social behaviour in Caldicot town centre. There are fears, however, that now resources have been switched to other areas, the problems may re-emerge. What strategy does Gwent Police have for preventing this?
2. What is the policy of Gwent Police in relation to School Liaison Officers?
3. What strategy does Gwent Police have for reducing the level of drug related crime (possession, dealing etc) in Severnside?
4. It is recognised that incidents that are regarded as requiring urgent action will receive a rapid high alert/blue light response. Some other incidents do not necessarily need to be dealt with on the same day. What strategy, however, does Gwent Police have from ensuring that 'intermediate' incidents are dealt with promptly?
5. Councillors have found that work they do building good relations with local police officers is lost because of the frequent movement of officers to new posts and locations. What can be done to improve continuity?
6. There has been some controversy lately about supposed 'hate crimes' on social media leading to the recording of 'non-crime hate incidents' or event crimes being recorded by police, sometimes without the alleged perpetrator being informed. It is argued that this has led to vexatious complaints and unnecessary restrictions on freedom of speech. What is the policy (and practice) of Gwent Police in dealing with such issues?
7. Councillors often hear from residents who feel frustrated at the lack of police enforcement of traffic offences, (e.g. speeding, parking) and the outsourcing of these matters. (e.g. re MCC GoSAfe Cymru).

These lead to a lack of confidence in the police. Does Gwent Police have a policy on when it should /shouldn't intervene in these sorts of offences?
