1. Does your proposal deliver any of the well-being goals below? Please explain the impact (positive and negative) you expect, together with suggestions of how to mitigate negative impacts or better contribute to the goal.

Well Being Goal	Does the proposal contribute to this goal? Describe the positive and negative impacts.	What actions have been/will be taken to mitigate any negative impacts or better contribute to positive impacts?
<p>A prosperous Wales Efficient use of resources, skilled, educated people, generates wealth, provides jobs</p>	<p>Positive: the new build maintains a large staff team and continues the investment in team development and skills training. There is also the potential for the new build as a model for best practice to become a training site for other providers and apprentices.</p>	

Well Being Goal	Does the proposal contribute to this goal? Describe the positive and negative impacts.	What actions have been/will be taken to mitigate any negative impacts or better contribute to positive impacts?
<p>A resilient Wales Maintain and enhance biodiversity and ecosystems that support resilience and can adapt to change (e.g. climate change)</p>	<p>Positive: The proposals incorporate a strategy to maintain and enhance biodiversity – see overarching site development plan for details.</p>	<p>The residential home incorporates multiple outside spaces.</p>
<p>A healthier Wales People’s physical and mental wellbeing is maximized and health impacts are understood</p>	<p>Positive: the development seeks to preserve and enhance the excellent reputation for person centered care to people living with dementia. The model of care is based on enablement and involvement to promote independence and well-being.</p>	<p>The outside spaces have been specifically designed to ensure safe and spontaneous access to outside spaces. Indoor spaces encourage people to move around and interact with their environment.</p>
<p>A Wales of cohesive communities Communities are attractive, viable, safe and well connected</p>	<p>The project specifically targets the integration of the home with the wider community to ensure problems of isolation are overcome, improve people’s understanding and awareness of dementia and to create the foundation for mutually supportive communities.</p>	
<p>A globally responsible Wales Taking account of impact on global well-being when considering local social, economic and environmental wellbeing</p>		
<p>A Wales of vibrant culture and thriving Welsh language Culture, heritage and Welsh language are promoted and protected. People are encouraged to do sport, art and recreation</p>	<p>This projects has a focus on the social and emotional well-being of the people we support. Outdoor spaces will be created that enable safe and spontaneous access.</p>	
<p>A more equal Wales</p>	<p>The focus of direct care is supporting people to live well; maximizing their strengths and supporting contribution.</p>

Safeguarding	Safeguarding training is part of all our teams' core competencies. Combined with direct relationships and permission to act allows for a more proactive and preventative approach to safeguarding.	<i>Safeguarding is about ensuring that everything is in place to promote the well-being of children and vulnerable adults, preventing them from being harmed and protecting those who are at risk of abuse and neglect.</i>	
Corporate Parenting	Neutral		

5. What evidence and data has informed the development of your proposal?

The design brief for the home is based on an extensive literature review, visits to other homes nationally and on direct consultation with people using our services and their families in addition to members of the team at Severn View. The project has also engaged a specialist architect firm to provide advice and inform the design process in an iterative way.

6. SUMMARY: As a result of completing this form, what are the main positive and negative impacts of your proposal, how have they informed/changed the development of the proposal so far and what will you be doing in future?

Overall, the project seeks to build on the current high quality services being provided to support older people living with dementia. The new build provides an opportunity to develop practice further within an environment that is specifically focused on supporting the health and well-being of the people we support and to ensure that they can still be a part of and contribute to their local community.

7. ACTIONS: As a result of completing this form are there any further actions you will be undertaking? Please detail them below, if applicable.

What are you going to do	When are you going to do it?	Who is responsible	Progress

8. MONITORING: The impacts of this proposal will need to be monitored and reviewed. Please specify the date at which you will evaluate the impact, and where you will report the results of the review.

The impacts of this proposal will be evaluated on:	1 st October 2018
