PART 1 – INTRODUCTION (A)

PURPOSE AND CONTENT OF THE CONSTITUTION

The Constitution is at the heart of the Council’s business and describes the various bodies that make up the Council, their functions, Membership and procedural rules. It is divided between articles and rules of procedure and associated material. Articles are intended to set the overall framework and in general will not be subject to frequent change. They are about what is to be done and by whom. Procedure rules, codes of conduct and the other material located after the articles are broadly about how the articles will be put into effect. They may be subject to more frequent change,

Article 3 (Citizens and the Council) provides information for members of the public on how you can get information about the Council, and how you can get involved. We hope that this will help people who have an interest in the Council’s work, or a particular matter it is dealing with, understand where they can get more information, and how they can contribute to Council activities.

You can get a better understanding of what each of the Council’s bodies do in Articles 4 to 12 of this Constitution, including Full Council, Cabinet, Select Committees, Standards Committee and Regulatory Committees. Article 12 provides information on the management and Officer structures of the Council. Some Officers have a specific duty to ensure that the Council operates within the law and uses resources wisely. Responsibility for functions at Part 3 says which Council bodies, and which Officers, have authority to make which decisions.

The procedural rules that apply to the different Council bodies are contained in Part 4 in the sections relating to those bodies, e.g. Full Council (Standing Orders), the Cabinet (Executive Procedure Rules) and Overview and Scrutiny (Select Committee Procedure Rules). You may find these useful if you want to attend a meeting, particularly if you want to be able to ask questions, have a matter discussed, or put your point of view.

Part 5 has the Codes of Conduct and Protocols which Officers and Members have agreed to comply with. They set the standards of behaviour.

The Contents page at the beginning of this Constitution provides a guide on what is in the Constitution and where you can find it.

HOW THE COUNCIL OPERATES

The Council is comprised of 43 Councillors elected every five years except as otherwise directed by the Welsh Government. Each Councillor is democratically accountable to the residents of their electoral division as well as all of those who live in Monmouthshire. The overriding duty of Councillors is to the whole community, but they have a special duty to their constituents, including those that did not vote for them.

All Councillors have agreed to follow a Code of Conduct, to ensure high standards in the way they undertake their duties. The Standards Committee is responsible for training and advising on the Code of Conduct.

All Councillors meet together regularly as the Council. Meetings of the Council are normally open to the public. Here Councillors decide the Council's overall Policy Framework and set the budget each year. The Council appoints the Leader of the Council annually. The Leader then decides the size and Membership of the Cabinet i.e. the role of individual Members of the Cabinet and arrangements for the exercise and delegation of Executive Functions. The Cabinet is appointed to carry out all of the Council's functions which are not the responsibility of any other part of the Council, whether by Law or under this Constitution, together with making decisions within the Budget and Policy Framework set by the Council.

Whilst the Constitution is very long we hope that you will find it easy to use. We have spent a lot of time trying to make it as easy to follow as is possible with such a long and complex legal document.

Scheme of Delegation to Officers – Planning Service

A Guide to the Officer Delegation Scheme

The scheme aims to achieve an effective balance between:

- efficiency of determination on the majority of non-contentious applications that have limited community impact,
- being reasonably simple and easy to understand, and
- the member/community aspect by ensuring member involvement on contentious applications through committee or the Delegation Panel and local ward member request for applications to be presented to committee;

The Delegation Panel consists of the Chair, Vice Chair and Opposition Spokesperson of Planning Committee. The Panel does not determine applications or enforcement matters. Its role is to assess whether officers should determine those applications presented to it or to refer them to Planning Committee for determination.

26. Application to Committees and Sub-Committees

All of the Council Rules of Procedure apply to meetings of Full Council. None of the rules apply to meetings of the Cabinet, save as set out in the Executive Procedure Rules. Only Rules 5 to 8, 11 to 14, 16 to 25 (but not Rule 22.1) apply to meetings of committees and sub-committees.

10.1 Public and private meetings of the executive

The executive may only make decisions in relation to its functions and conduct formal business in a properly constituted meeting that complies with Article 13 and these procedure rules. 10.3 Exempt information – discretion to exclude public

The public may be excluded from meetings whenever it is likely in view of the nature of the business to be transacted or the nature of the proceedings that exempt information would be disclosed.

Where the meeting will determine any person's civil rights or obligations, or adversely affect their possessions, Article 6 of the Human Rights Act 1998 establishes a presumption that the meeting will be held in public unless a private hearing is necessary for one of the reasons specified in Article 6.

10.4 Meaning of confidential information

Confidential information means information given to the Council by a Government Department on terms which forbid its public disclosure or information which cannot be publicly disclosed by Court Order.

10.5 Meaning of exempt information

(b) is not prevented from being exempt by virtue of the ‘qualifications’ above, is exempt information if and so long, as in all the circumstances of the case, the public interest in maintaining the exemption outweighs the public interest in disclosing the information.

Information falling within any of paragraphs 1-10 is not exempt by virtue of that paragraph if it relates to proposed development for which the local planning authority can grant itself planning permission under Regulation 3 of the Town and Country Planning General Regulations 1992.

10.6 DISCLOSURE BY MEMBERS

Members will not make public Confidential or Exempt Information without the consent of the Authority or divulge information given in confidence to anyone other than a member or officer entitled to know it unless otherwise authorised.

10.7 PUBLIC INTEREST

Information within Categories 1 to 4, 6 and 7 set out in Rule 10.4 may only be treated as exempt if an assessment of the public interest has been made.

The public interest should be assessed on a case by case basis having regard to all relevant factors, to ensure a proper balance is achieved between the right to know, the right to personal privacy and the delivery of effective government.

In making such an assessment the proper officer should have regard to any relevant prejudice which may be caused to the Authority or any other party if the information were disclosed, having regard to the full context of any disclosure. Account may be taken of whether disclosure would breach any obligation of confidence or the rights of any individual under the Data Protection Act 1998 or the Human Rights Act 1998.

Account will be taken of the fact that the public interest may be served by allowing access to information which would:-

- (a) further the understanding of and participation in debating issues of the day;
- (b) facilitate transparency and accountability in and enhance scrutiny of decisions taken by the Authority;
- (c) facilitate transparency and accountability in the spending of public money;

(d) help individuals understand the decisions made by the Authority affecting their lives;

(e) bring to light information affecting public safety or danger to the environment;

(f) contribute to the administration of justice and enforcement of the law or the prevention or detection of crime or the apprehension or prosecution of offenders;

(g) protect the public from unsafe products or rogue traders or practices;

In making such an assessment the following factors should be regarded as irrelevant:

(a) possible embarrassment to the Authority or its Officers;

(b) possible loss of confidence in the Authority or other public body;

(c) the seniority of persons involved in the subject matter;

(d) the risk of the public misinterpreting the information.

11. EXCLUSION OF ACCESS BY THE PUBLIC TO REPORTS

If the proper officer thinks fit, the Council may exclude access by the public to reports which in his or her opinion relate to items during which, in accordance with Rule 10, the meeting is likely not to be open to the public. Such reports will be marked "Not for publication" together with the category of information likely to be disclosed.

12. THE FORWARD WORK PROGRAMME

12.1 Period of forward work programme

The forward work programme will be prepared by the Chief Executive to cover a period of four months. It will be updated quarterly on a rolling basis.

12.2 Contents of forward work programme

(c) any individual matters on which the executive intends to consult in advance of taking a decision, and the timetable for consultation and decision;

(d) the work programme of the select committees, to the extent that it is known.

13. CONSULTATION ON PROPOSALS TO BE CONSIDERED BY THE EXECUTIVE

At least two weeks should be permitted in the forward plan timetable for consultation with relevant select committees and ward members where a matter is to be considered by the executive and is not urgent (as defined below) or confidential or exempt (as defined in para 10).

A matter may be considered urgent where the events to which it is addressed were unforeseen at the time that the last forward work programme was produced and a decision is required within (the minimum time provided for consultation as specified above).

A decision can only be treated as urgent if the decision taker (if an individual) or the chair of the body making the decision obtains the agreement of the chair of a relevant select committee that the taking of the decision cannot be reasonably deferred. If there is no chair of a relevant select committee, or if the chair of each relevant select committee is unable to act, then the agreement of the Head of Paid Service of the Council, will suffice. Any decisions taken under this urgency procedure will be recorded as having been taken in the absence of consultation in the decision record.

14. RECORD OF DECISIONS OF THE EXECUTIVE

14.1 The decision record

- (a) A written record will be made of every executive decision made by the executive and its committees (if any) and individual members, and to joint committees and joint sub-committees whose members are all members of a local authority executive.
- (b) This decision record will include a statement, for each decision, of:
 1. the decision made
 2. the date the decision was made
 3. the reasons for that decision;
 4. any personal interest declared;
 5. any dispensation to speak granted by the authority's standards committee;
 6. the consultation undertaken prior to the decision and, if such consultation has not taken place, the reason why.

14.2 Preparing the decision record

- (a) The proper officer or his or her representative shall attend any meeting of the executive, a committee of the executive or a joint committee or joint sub-committee where all its members are members of a local authority executive, and shall as soon as reasonably practicable after the meeting produce a decision record.
- (b) Where an individual member has made any executive decision,

- i. that member shall as soon as reasonably practicable instruct the proper officer to produce a decision record; and
 - ii. the decision shall not be implemented until that decision record has been produced, subject to (c) below.
- (c) Where the date by which an executive decision made by an individual member must be implemented makes compliance with (b) ii above impracticable, the decision may be implemented if the decision maker has the agreement of the Chairman (or in his/her absence, the vice-chairman) of the relevant select committee, that the making of the decision is urgent and cannot reasonably be deferred.

15. DECISIONS BY AN INDIVIDUAL MEMBER OF THE EXECUTIVE

15.1 Reports intended to be taken into account

Where an individual member of the executive receives a report which he/she intends to take into account in making any decision, then he/she will not make the decision until at least 5 clear days after receipt of that report.

15.2 Provision of copies of reports to select committees

On giving of such a report to an individual decision maker, the person who prepared the report will give a copy of it to the chair of every relevant select committee as soon as reasonably practicable, and make it publicly available at the same time.

15.3 Record of individual decision

The decision recording rules in paragraph 14 will apply.

16. SELECT COMMITTEE MEMBERS' ACCESS TO DOCUMENTS

16.1 Rights of access

Subject to Rule 16.2 below, a select committee (including its sub-committees) will be entitled to access to any document which is in the possession or control of the executive or its committees and which contains material relating to

- (a) any business transacted at a meeting of the executive or its committees; or
- (b) any decision taken by an individual member of the executive.

16.2 Limit on rights

A select committee or sub-committee will not be entitled to any part of a document that contains:

- (a) confidential or exempt information, or
- (b) advice provided by a political advisor or assistant

unless that information is relevant to an action or decision that is being reviewed or scrutinised or any review contained in a programme of work of that committee or sub-committee.

16.3 Disclosure

Exempt or confidential information supplied to a member in accordance with Rule 15.1 remains exempt or confidential.

17. ADDITIONAL RIGHTS OF ACCESS FOR MEMBERS

17.1 Rights of access

All members will be entitled to inspect any document which is in the possession or under the control of the executive or its committees and contains material relating to any business transacted at a meeting of a decision making body of that authority or by an individual member of the executive.

17.2 Limitation on rights

A member will not be entitled to any part of a document where

- (a) it would disclose exempt information falling within paragraphs 12 to 18, 21, 23, 24 and 26 of Schedule 12A of the Local Government Act 1972, or
- (b) it would disclose advice of a political advisor or assistant.

17.3 Nature of rights

These rights of a member are additional to any other right he/she may have.

17.4 Other Rights of Members

Notwithstanding any restriction in the foregoing provisions, all reports (including those that are “exempt” or “confidential” by virtue of Schedule 12A Local Government Act 1972 as amended) to all decision making bodies are available to all members.

A Member will not make public information which is confidential or exempt (as defined in Section 14) without the consent of the Council or divulge information given in confidence to anyone other than a Councillor or person(s) or organisation(s) entitled to know it.

BUDGET AND POLICY FRAMEWORK PROCEDURE RULES

1. The framework for executive decisions

The Council will be responsible for the adoption of its policy framework and budget as set out in Article 4. The policy framework and budget adopted by the Council will be based on that proposed by the executive. Once a budget or a policy framework is in place, it will be the responsibility of the executive to implement it

2. Process for developing the framework

The process by which the policy framework and budget shall be developed is:

(a) The executive will publicise by including in the forward plan and at the Council's offices a timetable for making proposals to the Council for the adoption of any plan, strategy or budget that forms part of the budget and policy framework, and its arrangements for consultation after publication of those initial proposals. The chairmen of select committees will also be notified. The consultation period shall in each instance be not less than six weeks.

(b) At the end of that period, the executive will then draw up firm proposals having regard to the responses to that consultation. If a relevant select committee wishes to respond to the executive in that consultation process then it may do so. As the select committees have responsibility for fixing their own work programme, it is open to the select committee to investigate, research or report in detail with policy recommendations before the end of the consultation period. The executive will take any response from a select committee into account in drawing up firm proposals for submission to the Council, and its report to Council will reflect the comments made by consultees and the executive's response.

(c) Once the executive has approved the firm proposals, the Chief Executive will refer them at the earliest opportunity to the Council for decision.

(d) In reaching a decision, the Council may adopt the executive's proposals, amend them, refer them back to the executive for further consideration, or in principle, substitute its own proposals in their place.

(e) If it accepts the recommendation of the executive without amendment, the Council may make a decision which has immediate effect. Otherwise, it may only make an in-principle decision. In either case, the decision will be made on the basis of a simple majority of votes cast at the meeting.

(f) The decision will be publicised in accordance with Article 4 and a copy shall be given to the Leader.

(g) An in-principle decision will automatically become effective five days from the date of the Council's decision, unless the Leader informs the proper officer in writing within five days that he/she objects to the decision becoming effective and provides reasons why.

(h) In that case, the proper officer will call a Council meeting within a further ten days. The Council will be required to re-consider its decision and the Leader's written submission at that meeting. The Council may

- i) approve the executive's recommendation by a simple majority of votes cast at the meeting; or
- ii) approve a different decision which does not accord with the recommendation of the executive by a simple majority

(i) The decision shall then be made public in accordance with Article 4, and shall be implemented immediately;

(j) In approving the budget and policy framework, the Council will also specify the extent of virement within the budget and degree of in-year changes to the policy framework which may be undertaken by the executive, in accordance with paragraphs 5 and 6 of these Rules (virement and in-year adjustments). Any other changes to the policy and budgetary framework are reserved to the Council.

3. Decisions outside the budget or policy framework

(a) Subject to the provisions of paragraph 5 (virement) the executive, a committee of the executive, an individual member of the executive and any officers, area committees or joint arrangements discharging executive functions may only take decisions which are in line with the budget and policy framework. If any of these bodies or persons wishes to make a decision which is contrary to the policy framework, or contrary to or not wholly in accordance with the budget approved by full council, then that decision may only be taken by the Council, subject to 4 below.

(b) If the executive, a committee of the executive, an individual member of the executive and any officers, area committees or joint arrangements discharging executive functions want to make such a decision, they shall take advice from the monitoring officer and/or the chief financial officer as to whether the decision they want to make would be contrary to the policy framework, or contrary to or not wholly in accordance with the budget. If the advice of either of those officers is that the decision would not be in line with the existing budget and/or policy framework, then the decision must be referred by that body or person to the Council for decision, unless the decision is a matter of urgency, in which case the provisions in paragraph 4 (urgent decisions outside the budget and policy framework) shall apply.

4. Urgent decisions outside the budget or policy framework

(a) The executive, a committee of the executive, an individual member of the executive or officers, area committees or joint arrangements discharging executive functions may take a decision which is contrary to the Council's policy framework or contrary to or not wholly in accordance with the budget approved by full Council if the decision is a matter of urgency. However, the decision may only be taken:

- i) if it is not practical to convene a quorate meeting of the full Council; and

- ii) if the chairman (or if he/she is unavailable the vice chairman) of a relevant select committee agrees that the decision is a matter of urgency.

The reasons why it is not practical to convene a quorate meeting of full Council and the chairman of the relevant select committees' consent to the decision being taken as a matter of urgency must be noted on the record of the decision. In the absence of the chairman of a relevant select committee the consent of the Chairman of the Select Board will be sufficient.

- (b) Following the decision, the decision taker will provide a full report to the next available Council meeting explaining the decision, the reasons for it and why the decision was treated as a matter of urgency.

5. Virement

The Council operates a scheme enabling controlled virement of revenue and capital expenditure as detailed within its Financial Procedure Rules.

6. In-year changes to policy framework

The responsibility for agreeing the budget and policy framework lies with the Council, and decisions by the executive, a committee of the executive an individual member of the executive or officers, area committees or joint arrangements discharging executive functions must be in line with it. No changes to any policy and strategy which makes up the policy framework may be made by those bodies or individuals except those changes:

- (a) which will result in the closure or discontinuance of a service or part of service to meet a budgetary constraint;
- (b) necessary to ensure compliance with the law, ministerial direction or government guidance;
- (c) in relation to the policy framework in respect of a policy which would normally be agreed annually by the Council following consultation, but where the existing policy document is silent on the matter under consideration.

7. Call-in of decisions outside the budget or policy framework

- (a) Where a select committee is of the opinion that an executive decision is, or if made would be, contrary to the policy framework, or contrary to or not wholly in accordance with the Council's budget, then it shall seek advice from the monitoring officer and/or chief financial officer.

- (b) In respect of functions which are the responsibility of the executive, the monitoring officer's report and/or chief financial officer's report shall be to the executive with a copy to every member of the Council. Regardless of whether the decision is delegated or not, the executive must meet to decide what action to take in respect of the monitoring officer's report and to prepare a report to Council in the event that the monitoring officer or the chief finance officer conclude that the decision was a departure, and to the select committee if the monitoring officer or the chief finance officer conclude that the decision was not a departure.

(c) If the decision has yet to be made, or has been made but not yet implemented, and the advice from the monitoring officer and/or the chief financial officer is that the decision is or would be contrary to the policy framework or contrary to or not wholly in accordance with the budget, the select committee may refer the matter to Council. In such cases, no further action will be taken in respect of the decision or its implementation until the Council has met and considered the matter. The Council shall meet twenty-one days of the request by the select committee. At the meeting it will receive a report of the decision or proposals and the advice of the monitoring officer and/or the chief financial officer. The Council may either:

i) endorse a decision or proposal of the executive decision taker as falling within the existing budget and policy framework. In this case no further action is required, save that the decision of the Council be minuted and circulated to all councillors in the normal way;

Or

ii) amend the council's budget or policy concerned to encompass the decision or proposal of the body or individual responsible for that executive function and agree to the decision with immediate effect. In this case, no further action is required save that the decision of the Council be minuted and circulated to all councillors in the normal way;

Or

iii) where the Council accepts that the decision or proposal is contrary to the policy framework or contrary to or not wholly in accordance with the budget, and does not amend the existing framework to accommodate it, require the executive to reconsider the matter in accordance with the advice of either the monitoring officer/chief financial officer.

- ii) a committee of the executive;
- iii) an individual member of the executive;
- iv) an officer;
- v) an area committee;
- vi) joint arrangements; or

1.2 Delegation by the Leader

Following the annual meeting of the Council, the Monitoring Officer, at the direction of the Leader, will draw up a written record of executive delegations made by the Leader for inclusion in the Council's scheme of delegation at Part 3 to this Constitution. This will contain the following information about Executive Functions in relation to the coming year:

1.4 The Council's Scheme of Delegation and Executive Functions

- (a) Subject to (b) below the Council's scheme of delegation will be subject to adoption by the Council and may only be amended by the Council. It will contain the details required in Article 7 and set out in Part 3 of this Constitution.

- (b) The failure of any technological provision whether that leads to a partial or complete loss of contact between the remote attendees and those members in actual attendance during the meeting shall not invalidate any part of the deliberations or any vote taken. The Chair may postpone the meeting if they deem that appropriate.

1.10 How are Decisions to be taken by the Cabinet?

Where they do so, the particular Select Committees shall report their findings and any recommendations back to the Cabinet and/or Council. The Council and/or the Cabinet shall consider the report of the Select Committees within one month of receiving it.

8. Policy Review and Development

The role of the Select Committees in relation to the development of the Council's Budget and Policy Framework is set out in detail in the Budget and Policy Framework Procedure Rules above.

In relation to the development of the Council's approach to other matters not forming part of its Budget and Policy Framework, Select Committees may make proposals to the Cabinet for developments in so far as they relate to matters within their terms of reference.

Select Committees may hold enquiries and investigate the available options for future direction in policy development and may appoint advisers and assessors to assist them in this process. They may go on site visits, conduct public surveys, hold public meetings, commission research and do all other things that they reasonably consider necessary to inform their deliberations. They may ask witnesses to attend to address them on any matter under consideration and may pay to any advisers, assessors and witnesses a reasonable fee and expenses for doing so.

9. Reports from the Select Committees

All formal reports from the Select Committees will be submitted to the Proper Officer for consideration by the Cabinet (if the proposals are consistent with the existing Budget and Policy Framework), or to the Council as appropriate (e.g. if the recommendation would require a departure from or a change to the agreed Budget and Policy Framework).

A copy of his written response to it shall be sent to the Proper Officer and the Leader. The Member will also attend a future meeting of that Select Committee to present their response.

11. Rights of Members of the Select Committees to Documents

In addition to their rights as Councillors, Members of the Select Committees have the additional right to documents, and to notice of meetings as set out in the Access to Information Procedure Rules.

Nothing in this paragraph prevents more detailed liaison between the Cabinet and the Select Committee as appropriate depending on the particular matter under consideration.

12. Members and Officers Giving Account

The Select Committees may scrutinise and review decisions made or actions taken in connection with the discharge of any Council functions. As well as reviewing documentation, in fulfilling the Scrutiny role, it may require any Member of the Cabinet, the Chief Executive and/or any senior Officer to attend before it to explain in relation to matters within their remit:

- (a) any particular decision or series of decisions;
- (b) the extent to which the actions taken implement Council policy; and/or
- (c) their performance and it is the duty of those persons to attend if so required.

For this purpose, senior Officer includes any chief Officer, Deputy Chief Officer and other appropriate senior Officer. Where there are concerns about the appropriateness of the Officer who should attend, the relevant chief Officer shall

The Proper Officer shall inform the Member or Officer, if necessary in writing, giving at least 10 working days' notice of the meeting at which he or she is required to attend (unless agreed otherwise). Any notice will state the nature of the item on which he or she is required to attend to give account and whether any papers are required to be produced for the Committee.

Where the account to be given to a Select Committee will require the production of a report, then the Member or Officer concerned will be given sufficient notice to allow for preparation of that documentation.

Where, in exceptional circumstances, the Member or Officer is unable to attend on the required date, then the Select Committee shall in consultation with the Member or Officer arrange an alternative date for attendance.

13. Attendance by Others

Select Committees may invite people other than those people referred to in paragraph 12 above to address it, discuss issues of local concern and/or answer questions. It may for example wish to hear from residents, stakeholders and Members and Officers in other parts of the public sector and shall invite such people to attend.

14. Call-In

- (a) Where a decision is made by the Cabinet an individual Member of the Cabinet or a Committee of the Cabinet or under joint arrangements, the decision shall be published by the Proper Officer, including where possible by electronic means, and shall be available at the main offices of the Council normally within two clear working days of it being made. All Members of the Select Committees will be sent copies of the records of all such decisions within the same time scale, by the person responsible for publishing the decision.
- (b) That notice will bear the date on which it is published and will specify that the decision will come into force and may then be implemented, on the expiry of five clear working days after the publication of the decision, unless a Select Committee objects to it and calls it in for review.
- (c) During that period the Proper Officer shall call-in a decision for scrutiny by a Select Committee if so requested in the specified format by three Members of the Council and, shall then notify the decision taker of the call-in. He/she shall call a meeting of that Select Committees on such a date as he/she may determine, where possible after consultation with the Chair or Vice Chair of that Select Committees, and in any case within 15 clear working days of the decision to call-in (only in exceptional circumstances will the Chair of the Select Committee consider extending this time limit)

- (d) If, having considered the decision, the Select Committee is still concerned about it, then it may refer it back to the decision making body for reconsideration, setting out in writing the nature of its concerns or refer the matter to Full Council. If referred to the decision maker they shall then reconsider within a further 10 clear working days, amending the decision or not, before adopting a final decision. If referred to full Council, the Proper Officer will convene a meeting of the Council within 15 clear working days.
- (e) If following an objection to the decision, a Select Committee does not meet within the period set out above, or does meet but does not refer the matter back to the decision making person or body, the decision shall take effect on the date of the Select Committee' meeting, or the expiry of that further 15 clear working day period, whichever is the earlier.
- (f) If the matter was referred to Full Council and the Council does not object to a decision which has been made, then no further action is necessary and the decision will be effective in accordance with the provision below. However, if the Council does object, the Council will refer any decisions to which it objects back to the decision making person or body, together with the Council's views on the decision. That decision making body or person shall choose whether to amend the decision or not before reaching a final decision and implementing it. Where the decision was taken by the Cabinet as a whole or a Committee of it, a meeting will be convened to reconsider within ten working days of the Council's request. Where the decision was made by an individual, the individual will reconsider within ten working days of the Council's request.
- (g) If the Council does not meet, or if it does but does not refer the decision back to the decision making body or person, the decision will become effective on the date of the Council meeting or expiry of the period in which the Council meeting should have been held, whichever is earlier.
- (h) No Education Co-opted Members may call-in a decision.
- (i) The Monitoring Officer may veto any request for call-in if it falls outside the remit of this scheme.
- (j) Save in exceptional circumstances (as adjudicated by the Head of Paid Service) all Members requesting a matter be called in must attend the meeting at which the matter is being considered. The relevant cabinet member or, in their absence, the Leader or a deputy leader should also attend.

Call-In and Urgency

The call-in procedure set out above shall not apply where the decision being taken by the Cabinet is urgent. A decision will be urgent if any delay likely to be caused by the call-in process would, for example, seriously prejudice the Council's or other public interests. The record of the decision, and notice by which it is made public, shall state whether in the opinion of the decision making person or body, the

decision is an urgent one, and therefore not subject to call-in. A decision can only be treated as urgent if the decision taker (if an individual) or the chair of the body making the decision obtains the agreement of the chair of a relevant select committee that the taking of the decision cannot be reasonably deferred. If there is no chair of a relevant select committee, or if the chair is unable to act, then the agreement of the Head of Paid Service of the Council, will suffice. The Head of Paid Service must agree both that the decision proposed is reasonable in all the circumstances and to it being treated as a matter of urgency. Decisions taken as a matter of urgency must be reported at the next available meeting of the Council, together with the reasons for urgency.

The operation of the provisions relating to call-in and urgency shall be monitored annually and a report submitted to Council with proposals for review if necessary.

15. The Party Whip

If a Member of a Select Committee is subject to a party whip in respect of an issue to be considered by it, that Member must declare the existence of the whip and the nature of it before the commencement of deliberations on the matter. The declaration, and the detail of the whipping arrangements, shall be recorded in the minutes of the meeting.

16. Procedure at Select Committee Meetings

Select Committees shall consider the following business:

- (a) minutes of the last meeting;
- (b) declarations of interest;
- (c) consideration of any matter referred to that Select Committee for a decision in relation to call in of a decision;
- (d) responses of the Cabinet to reports of that Select Committee;
- (e) the business otherwise set out on the agenda for the meeting.

The Rules of Procedure at a Select Committee will be the same as the Council procedure Rules except that the Chair of the meeting may allow the rules of debate to be relaxed to enable a full contribution by those attending the meeting whether as Members of a Select Committee or in any other capacity which allows them to contribute to the worth of the meeting.

Select Committees may ask people to attend to give evidence or answer questions about any items on their agenda. Meetings should be conducted in accordance with the following principles:

- (a) that the business be conducted fairly and all Members of the Select Committees be given the opportunity to ask questions of attendees, and to contribute and speak;
- (b) that those assisting by giving evidence be treated with respect and courtesy;
- (c) that the business be conducted as efficiently as possible.

Following any investigation or review, a Select Committee shall prepare a report, for submission to the Cabinet and/or Council as appropriate and shall make its report and findings public.

17. Matters within the Remit of more than one Select Committees

Where a matter for consideration by a Select Committee also falls within the remit of one or more other Select Committee, the decision as to which Select Committees will consider it will be resolved by the respective Chairs or, if they fail to agree, the decision will be made by the Co-ordinating Board.

18. Councillor Call for Action

The Councillor Call for Action is a mechanism for enabling elected Members to bring matters of local concern to the attention of the Council via the Scrutiny process. It should be an option of “last resort”.

Any Member may request that an item is placed on the agenda of an Select Committees for consideration.

The procedure for dealing with a Call for Action is set out in the Councillor Call for Action - Guidance for Councillors attached to these Rules at Appendix 1.

Appendix 1 to Select Procedure Rules
Councillor Call for Action - Guidance for Councillors

INTRODUCTION

The Local Government Wales Measure 2011 introduced a number of new provisions aimed at strengthening local democracy. Section 63 of the Measure introduced a provision for “Councillor Calls for Action” (CCfA) which enables Councillors to refer issues of local importance to Select Committees .

CCfAs are intended to enable local Councillors and their electors to obtain a response from their Council Leadership on issues of local importance. CCfAs should be regarded as one of a series of tools which elected Members have at their disposal to resolve local issues and make a positive difference in their community. Previously in Wales, only local Crime and Disorder issues could be referred by the local Member to the designated Crime and Disorder Select Committee for action and it should be noted that these local crime and disorder referrals will remain in place under separate legislation.

As part of their community leadership role, councillors have always attempted to resolve issues on behalf of their local residents and CCfAs provide an additional avenue for councillors to follow if the normal ways of resolving an issue have not been successful and the issue meets the criteria for a referral. It should be noted that a referral under this process should be seen as a last resort after all other avenues have been exhausted.

CCfAs have been introduced alongside other powers for scrutiny, including powers to scrutinise a wide range of bodies not previously subject to local authority scrutiny. CCfAs are intended to enable any Member for the Council to refer to a Select Committee, “a local government matter” which falls within the Select Committees remit.

HOW SHOULD I NORMALLY ATTEMPT TO RESOLVE A LOCAL ISSUE IN MY AREA?

Local issues can be resolved in a number of ways by councillors on behalf of their residents as listed in the Welsh Government’s Statutory Guidance from the Local Government Measure 2011:

- 1)informal discussions with Officers or other councillors;
- 2)informal discussions with partner representatives;
- 3)referral to other “scrutiny” bodies such as Community Health Councils or internal audit committee;
- 4)formal discussions with Officers and councillors;
- 5)formal letters to the Cabinet Members;
- 6)asking questions at Full Council;
- 7)submitting a motion to Full Council;
- 8)organising public meetings;
- 9)use of petitions;
- 10) making a complaint;
- 11) questions at Full Council
- 12) freedom of information requests;

- 13) communication with local AMs or MPs;
- 14) use of social media or email based campaigns.

This is not an exhaustive list and councillors may choose different routes for specific issues. If an issue has not been resolved after exhausting all possible alternative routes, then a local councillor can refer it to the appropriate Select Committees .

WHAT IS A COUNCILLOR CALL FOR ACTION

In order for the Select Committees to accept a CCfA as an agenda item for discussion at one of their meetings, the issue must affect either all or part of a councillor's electoral area or it must affect someone who lives or works in that area.

A Councillor does not however need a referral from a constituent in order to start the process. It is important to recognise that a CCfA is not guaranteed to solve a given problem, though it can provide a method for discussing such problems and, through discussion, attempt to overcome them.

HOW AND WHEN SHOULD I MAKE A CCFA

A flowchart showing the process is provided at Annex A. A councillor may initiate the process by completing the form at Annex B. Further copies are available from the Head of Democratic Services. It is important that the local councillor specifies what outcome is expected from the referral. After completion the form should be returned to the Head of Democratic Services who will log and acknowledge the referral within five working days, to track its progress and forward a copy of the form to the Proper Officer.

The Proper Officer will confirm whether or not the referral satisfies the requirements outlined above to enable it to be placed on the agenda for discussion at a meeting of the Select Committee. The Proper Officer reserves the right to exclude from the agenda any matter which is vexatious, discriminatory or otherwise potentially unlawful; and the Councillor will be informed of this outcome as soon as practicable.

CRITERIA TO BE FOLLOWED BY A SELECT COMMITTEE

It is up to the Members of a Select Committee to decide whether, and in what form, to take the matter further. The Select Committee will use the following criteria to decide whether or not the referral is appropriate to be considered by that Select Committee:

- i) Is that Select Committee satisfied that all reasonable attempts have been made to resolve the issue by the local councillor? Do the responses received by the referring councillor demonstrate that the matter is not being progressed?
- ii) Has that Select Committee considered a similar issue recently? If so, have the circumstances or evidence changed?

- iii) Is there a similar or related issue which is the subject of a review on the current work programme? It may be more appropriate to link the new issue to an existing review, rather than hold a separate CCfA hearing. Relevant time pressures on resolving the CCfA should be taken into account.
- iv) Have all relevant service areas or partner organisations been informed and been given enough time to resolve the issue? What response has the councillor received?
- v) Is this a case that is being or should be pursued via the Council's corporate complaints procedure?
- vi) Is it relating to a "quasi-judicial" matter or decision such as planning or licensing?
- vii) Is the matter an issue of genuine local concern which impacts on the local community rather than a personal matter?
- viii) Is this an issue currently being looked at by another form of local scrutiny?
- ix) And, as with all scrutiny, does the matter have the potential for scrutiny to produce recommendations which could realistically be implemented and lead to improvements for anyone living or working in the Member's electoral division?

NB: Crime and Disorder referrals should be directed to the designated Crime and Disorder Select Committee.

If a Select Committee decides not to accept the CCfA it must inform the councillor of the decision and the reasons for it.

If a Select Committee decides to accept the CCfA the Councillor will be informed and advised of the agreed Protocol, e.g. the Councillor will be given adequate notice (a minimum of 10 clear days) of the date of the Select Committee's meeting. The Councillor will be requested to attend to the Select Committee and informed that he/she will have five minutes in which to address the Select Committee. The Select Committee may then wish to question the Councillor further before deciding how it intends to take the matter forward. This could include:

- (i) asking the relevant responsible authorities to respond to the CCfA;
- (ii) setting up a research or task and finish group to undertake a more in-depth review;
- (iii) asking for further evidence and/or witnesses to be brought to a future meeting. The Select Committee has the power to request "designated persons" such as representatives from other public bodies/agencies to attend, where relevant, and to request information.

POTENTIAL OUTCOMES FROM A CCFA

A Select Committee could:

- (i) determine that it is a complex issue that requires further investigation and commission a scrutiny review of the issue;
- (ii) write a response and make recommendations on the CCfA to a relevant responsible authority;
- (iii) decide that further action is not appropriate giving its reasons.

Once a Select Committee has completed its work, the Councillor who made the referral will receive a copy of any response or recommendations made.

TIMESCALES FOR DEALING WITH A CCFA

In exceptional circumstances, for example where there are unavoidable time constraints, a special Select Committee meeting may be convened.

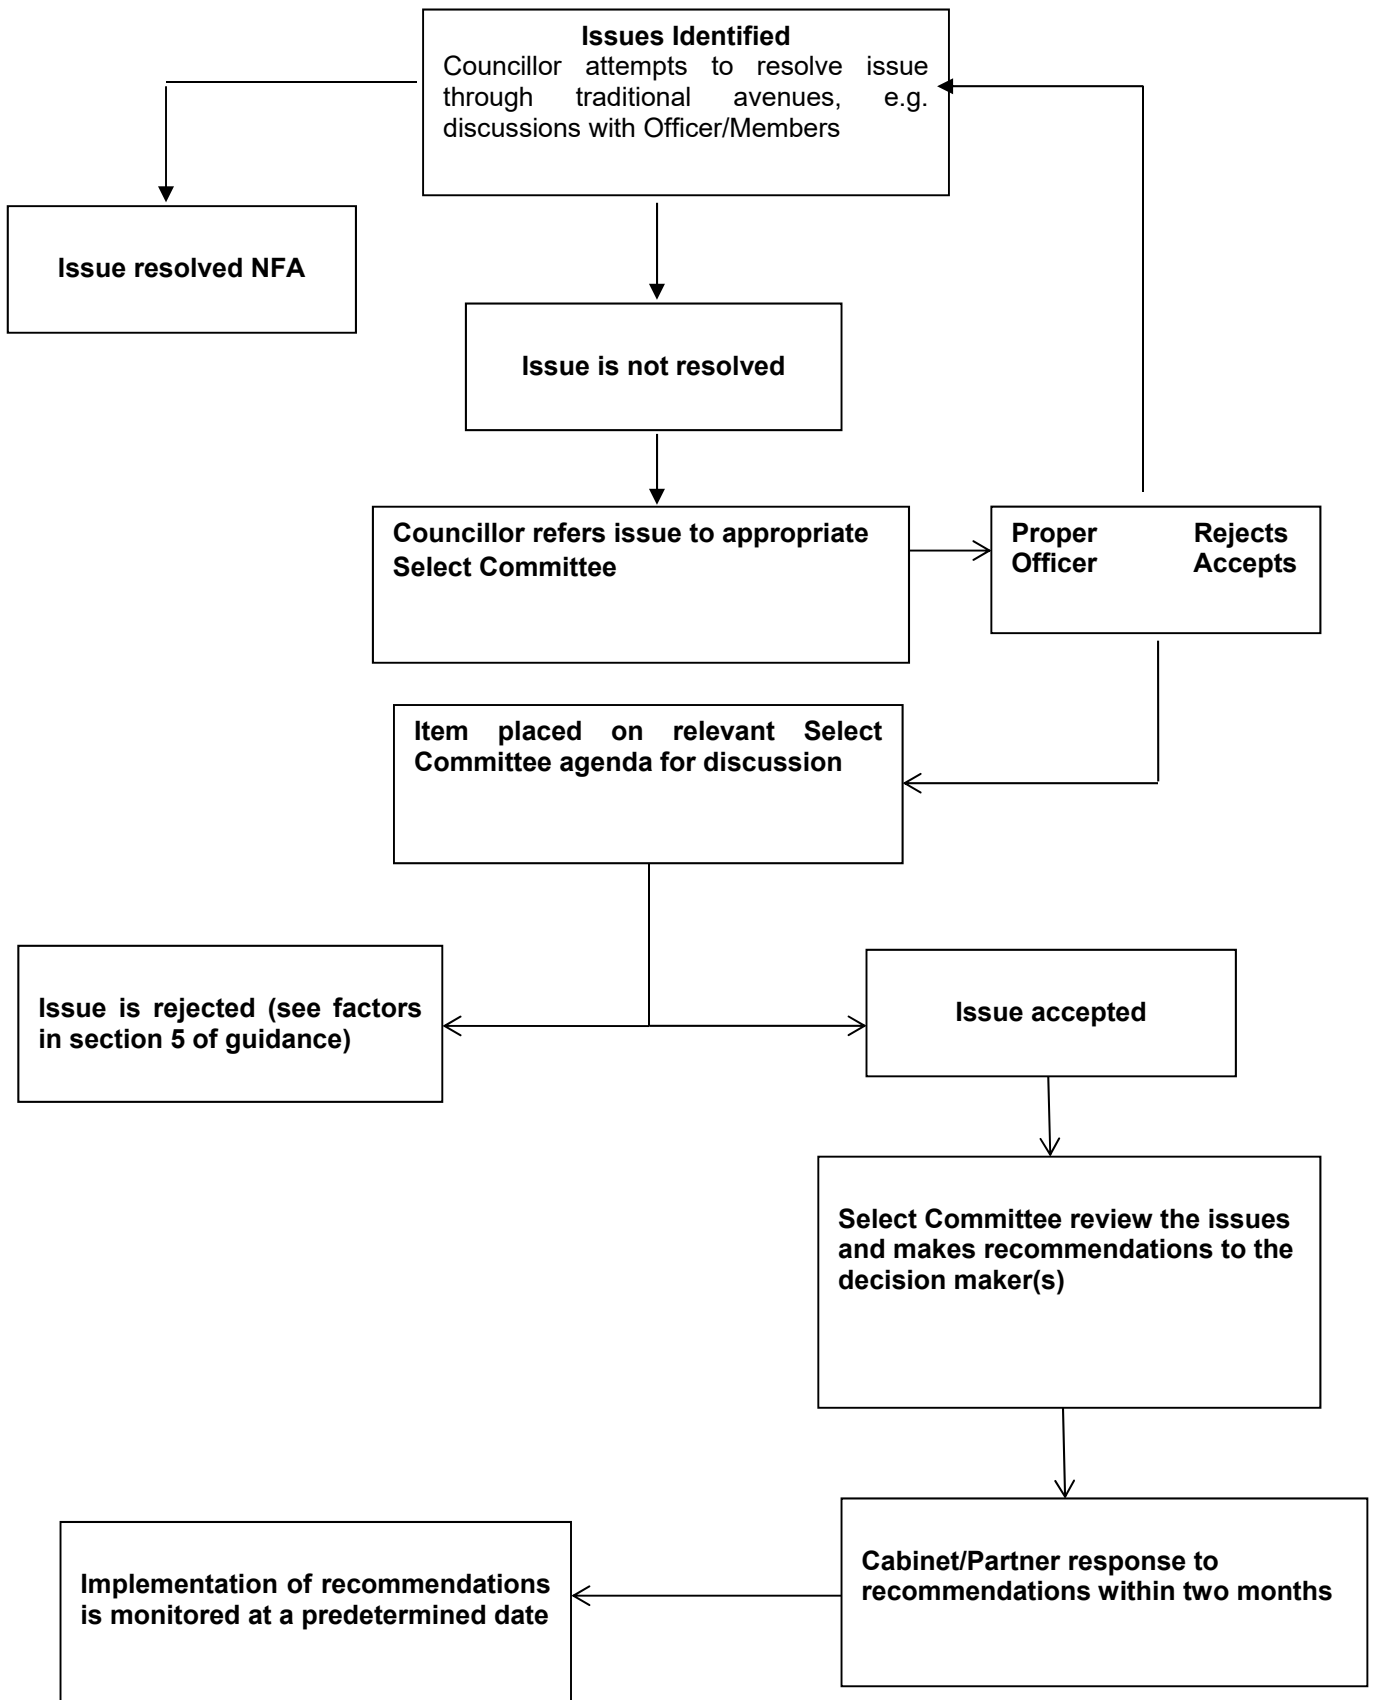

Should a CCfA result in recommendations to the Cabinet responsible authorities, they will be requested to make a response to the recommendations within 28 days and two months respectively.

Select Committees will monitor implementation of any recommendations as part of their Forward Work Programme.

REVIEW OF THIS GUIDANCE

This guidance is based on a model prepared and approved by the Association of Council Secretaries and Solicitors (ACSeS) in October 2009. ACSeS will review their model guidance in light of experience of the use of these procedures by local authorities in Wales, and this guidance may therefore be modified accordingly.

the issue, the steps taken and any responses received.

1. The following criteria will be taken into consideration when a Select Committee decide whether to progress with your CCfA:

- 1.1 Have all reasonable attempts been made to resolve the issue? Do the responses received by you demonstrate that the matter is not being progressed?
- 1.2 Has the committee considered a similar issue recently – if yes have the circumstances or evidence changed?
- 1.3 Is there a similar or related issue which is the subject of a review on the current work programme? It may be more appropriate to link the new issue to an existing review, rather than hold a separate LCDR hearing. Relevant time pressures on resolving the CCfA should be taken into account.
- 1.4 Have all relevant service areas or partner organisations been informed and been given enough time to resolve the issue? What response have you received?
- 1.5 Is this a case that is being or should be pursued via the Council’s corporate complaints procedure?
- 1.6 Is it relating to a “quasi-judicial” matter or decision such as planning or licensing?
- 1.7 Is the matter an issue of genuine local concern, which impacts on the local community rather than a personal matter?
- 1.8 Is this an issue currently being looked at by another form of local scrutiny?
- 1.9 And, as with all scrutiny, does the matter referred have the potential for scrutiny to produce recommendations, which could realistically be implemented and lead to improvements for anyone living or working in your electoral division.

2. Please consider whether your referral might be considered premature by the Select Committee. Consider whether other potential remedies have been exhausted, before a referral is made. Members should be aware that if a premature referral is made, the Committee is likely to refuse to deal with the issue, based on the criteria outlined above. If the Proper Officer believes that the referral is premature, he/she will advise you accordingly.

MANAGING EXPENDITURE

Virement and in-year changes to the budget

Why is this Important?

- 2.26 The scheme of virement is intended to enable the Cabinet, Chief Officers and their staff to manage budgets with a degree of flexibility within the overall budget and policy framework determined by the full Council, and therefore to optimise the use of resources.
- 2.27 Virement Guidelines are approved by Cabinet. There are different levels and types of budget virement that can occur, each requiring different levels of Member/Officer approval; this is outlined in the document.

Key Controls

- 2.28 Key controls for the scheme of virement are:
 - the overall revenue budget is drawn up by the Cabinet and approved by the full Council. Chief Officers and budget holders are, therefore, authorised to incur expenditure in accordance with the estimates that make up the budget as set out in the budget book. The rules below cover virement; that is, switching resources between approved cost centres:
 - virement does not create additional overall budget liability. Chief Officers and budget holders are expected to exercise their discretion in managing their budgets responsibly and prudently. For example, they should not support recurring revenue expenditure from one-off sources of savings or additional income, or creating future

commitments, including full-year effects of decisions made part way through a year, for which they have not identified future resources. Chief Officers must plan to fund such commitments from within their own budgets;

- the capital programme is drawn up by the Cabinet and approved by the full Council and contains details of approved expenditure on capital schemes.

Responsibility of the Cabinet

2.29 To approve revenue and capital budget virements outside of the delegations identified below:

External audit is required to report on whether the Authority has complied with statutory requirements in respect of the preparation and Corporate Improvement Plan.

Key Controls

3.2 The Key Controls for performance plans are:

- to ensure that all relevant plans are produced and that they are consistent
- to produce plans in accordance with statutory requirements
- to meet the timetables set
- to ensure that all performance information is accurate, complete and up to date
- to provide improvement targets which are meaningful, realistic and challenging.

3.3 To advise and supply, as appropriate and in conjunction with Chief Officers, the financial information that needs to be included in performance plans in accordance with statutory requirements and agreed timetables.

3.4 To contribute to the development of corporate and service targets and objectives and performance information.

3.5 To ensure that systems are in place to measure activity and collect the accurate financial information required and to provide said financial information to Service Areas to calculate their respective performance indicators.

Responsibilities of Chief Officers and Heads of Service

3.6 To contribute to the development of performance plans in line with statutory requirements.

3.7 To contribute to the development of corporate and service targets and objectives and performance information.

- 3.8 To indicate to the Section 151 Officer (Head of Finance) the Financial Information required and to agree the methodology for calculation.
- 3.9 To ensure that adequate systems are in place to measure activity and collect accurate and timely non-financial information for use as performance indicators.
- 3.10 To advise and supply, as appropriate and in conjunction with the Section 151 Officer (Head of Finance), the financial information that needs to be included in performance plans in accordance with statutory requirements and agreed timetables.

REVENUE BUDGETING AND MONITORING

Budget Format

Why is this Important?

- 3.11 The format of the budget determines the level of detail to which financial control and management will be exercised. The format shapes how the rules around virement operate, the operation of cash limits, and sets the level at which funds may be reallocated within budgets.

Key Controls

- 3.12 The Key Controls are that the format:
- complies with all legal requirements;
 - complies with proper accounting and professional standards;
 - reflects the accountabilities of service delivery.

Responsibilities of the Section 151 Officer (Head of Finance)

- 3.13 To advise the Cabinet on the format of the budget that is approved by the full Council.
- 3.14 To ensure that there is a budget setting timetable in place that is approved by the Cabinet.

Responsibilities of Chief Officers and Heads off Service

- 3.15 To comply with accounting guidance provided by the Section 151 Officer (Head of Finance).

Revenue Budget Preparation and Medium-Term Financial Planning

Why is this Important?

- 3.16 The Council is a large and complex organisation responsible for delivering a wide variety of services. It needs to plan effectively and to develop systems to enable scarce resources to be allocated in accordance with

carefully weighed priorities. The budget is the financial expression of the Authority's plans and policies.

- 3.17 The revenue budget must be constructed so as to ensure that resource allocation properly reflects the service plans and priorities of the full Council. Budgets (spending plans) are needed so that the Authority can plan, authorise, monitor and control the way money is allocated and spent. It is unlawful for a local authority to budget for a deficit.
- 3.18 In considering the affordability of its capital plans the Council is required to consider all the resource currently available, and for the future together with an estimate of its requirements for the following year and each of the following three years. The Council is also required to consider known significant changes beyond this timeframe. This requires the development of rolling 4-year forecasts.

Key Controls

- 3.19 The Key Controls for budgets and medium-term financial planning are:
- budget holders are responsible for the preparation of the budgets for which they will be held responsible and accept accountability within delegations set by the Cabinet for their budgets and the level of service to be delivered;
 - a monitoring process is in place to review the effectiveness and operation of budget preparation and to ensure that any corrective action is taken.

Responsibilities of the Section 151 Officer (Head of Finance)

- 3.20 To prepare a report annually on a budget strategy for the following financial year for consideration by the Cabinet. This will take account of the commitments, resource constraints and shall include medium term prospects. It will cover all the services of the Authority. The Cabinet having considered the report of the Section 151 Officer (Head of Finance) will then agree a medium term financial plan.
- 3.21 To prepare, after the budget strategy has been agreed by the Cabinet, in conjunction with the Chief Officers and Heads of Service, estimates of the income and expenditure of the various service areas and submit them to the Cabinet. The Cabinet shall consider the aggregate effect of these estimates upon the Authority's financial resources and, subject to any other considerations of policy and to any amendments which it proposes to make, shall draw up proposals for the Budget and the amount of Council Tax to be levied for the ensuing financial year to be referred to the Council. The inclusion of items in approved revenue estimates shall constitute authority to incur such expenditure save to the extent of which the Council shall have placed a reservation on any such items. Expenditure on any such reserved items may be incurred only when and to the extent that such reservations have been removed.

- 3.22 To prescribe the Budget format required and to ensure that there is a budget setting timetable in place.
- 3.23 To advise on the medium term implications of spending decisions and prepare medium term plans.
- 3.24 To encourage the best use of resources and value for money by working with Chief Officers and Heads of Service to identify opportunities to improve economy, efficiency and effectiveness, and by encouraging good practice in conducting financial appraisals of development or savings options, and in developing financial aspects of service planning.
- 3.25 To advise the full Council on Cabinet proposals in accordance with his or her responsibilities under section 151 of the Local Government Act 1972.
- 3.26 To ensure all matters required to be taken into account are reported to the Cabinet and Council when setting and reviewing prudential indicators.

Responsibilities of Chief Officers and Heads of Service

- 3.27 To provide the Section 151 Officer (Head of Finance) with information to complete the medium term financial plan.
- 3.28 To prepare, in conjunction with the Section 151 Officer (Head of Finance), estimates of income and expenditure.
- 3.29 To prepare budgets consistent with any relevant cash limits, with the Authority's annual budget cycle and with guidelines issued by the Cabinet. The budget format will be prescribed by the Section 151 Officer (Head of Finance).
- 3.30 To integrate financial and budget plans into service planning and for them to link in with the Corporate Plan.
- 3.31 To ensure that all savings proposals and budget pressures put forward during the budget setting process are evidence based and are constructed using best estimates.
- 3.32 When drawing up draft budget requirements, to have regard to:
 - spending / income patterns and pressures revealed through the budget monitoring process;
 - legal requirements;
 - policy requirements as defined by the full Council in the approved policy framework;
 - initiatives already under way;
 - Areas where savings/efficiencies can be made.

Resource Allocation

Why is this Important?

3.33 A mismatch often exists between available resources and required resources. A common scenario is that available resources are not adequate to fulfil need/desire. It is therefore imperative that needs/desires are carefully prioritised and that resources are fairly allocated, in order to fulfil all legal responsibilities. Resources may include staff, money, equipment, goods, property and materials.

Key Controls

- 3.34 The key controls for resource allocation are:
- resources are acquired in accordance with the law and using an approved authorisation process;
 - resources are used only for the purpose intended, to achieve the approved policies and objectives, and are properly accounted for;
 - resources are used with the minimum level of waste, inefficiency or loss for other reasons.

Responsibilities of the Section 151 Officer (Head of Finance)

- 3.35 To advise on Resources such as grants or the affordability of borrowing.
- 3.36 To advise on the suitability of proposals to introduce/modify financial procedures to control resources (e.g. stock control systems).
- 3.37 To assist in the allocation of resources to budget holders.

Responsibilities of Chief Officers and Heads of Service

- 3.38 To work within cash limits and to utilise resources allocated, and furthermore to allocate resources, in the most efficient, effective and economic way.
- 3.39 To identify opportunities to minimise or eliminate resource requirements or consumption without having a detrimental effect on service delivery.

Revenue Budget Monitoring and Control

Why is this Important?

- 3.40 Proper budget management ensures that, once the budget has been approved by the full Council, resources are used for their intended purposes and are properly accounted for. Budgetary control is a continuous process, enabling the Authority to review and adjust its budget targets during the financial year. It also provides the mechanism that calls to account managers responsible for defined elements of the budget.
- 3.41 By continuously identifying and explaining variances against budgetary targets, the Authority can identify changes in trends and resource

requirements at the earliest opportunity. The Authority itself operates within an annual cash limit, approved when setting the overall budget. To ensure that the Authority, in total, does not overspend, each service area is required to manage its own expenditure within the cash limited budget allocated to it.

- 3.42 Chief Officers and Heads of Service are expected to exercise their discretion in managing their budgets responsibly and prudently. For example, they should not support recurring revenue expenditure from one-off sources of savings or additional income, or creating future commitments, including full-year effects of decisions made part way through a year, for which they have not identified future resources. They must plan to fund such commitments from within their own budgets.
- 3.43 For the purposes of budgetary control by managers, a budget will normally be the planned income and expenditure for a service area or cost centre. However, budgetary control may take place at a more detailed level if this is required.

Key Controls

- 3.44 The minimum key controls for managing and controlling the revenue budget are:
- there is a nominated budget manager for each cost centre;
 - budget holders accept accountability for their budgets and the level of service to be delivered and understand their financial responsibilities;
 - budget holders follow an approved certification process for all expenditure;
 - income and expenditure are properly recorded and accounted for;
 - performance levels/levels of service are monitored in conjunction with the budget and necessary action is taken to align service outputs and budget; and
 - specific budget approval is given for all expenditure.

Responsibilities of the Section 151 Officer (Head of Finance)

- 3.45 To establish an appropriate framework of budgetary management and control that ensures that:
- budget management is exercised within annual cash limits unless the full Council agrees otherwise;
 - all Chief Officers and Heads of Service are furnished with periodical statements of receipts and payments and such other relevant information as he/she has which is sufficiently detailed to enable managers to fulfil their budgetary responsibilities;
 - in consultation with Chief Officers and Heads of Service, reports are submitted, as determined by the Section 151 Officer (Head of Finance), to the Cabinet, Select Committees, monitoring expenditure and comparing anticipated outturn with estimates;

- each cost centre has a single named manager, determined by the relevant Head of Service. As a general principle, budget responsibility should be aligned as closely as possible to the decision making processes that commits expenditure; and
 - significant variances from approved budgets are investigated and reported by budget holders regularly.
- 3.46 To ensure that Members and Strategic Leadership Team are appropriately briefed to allow them to understand the reports that are presented to them where a Head of Service is unable to balance expenditure and resources within existing approved budgets under his or her control.

Responsibilities of Chief Officers and Heads of Service

- 3.47 To be responsible for keeping strict supervision of the expenditure of their respective service areas and for drawing the attention of the Section 151 Officer (Head of Finance) and the Cabinet and the Council to any contemplated expenditure not provided for in the estimates or which, if incurred, would exceed the amount allocated for the purpose in the estimates.
- 3.48 To maintain budgetary control within their service areas, in adherence to the principles above, and to ensure that all income and expenditure is properly recorded and accounted for.
- 3.49 To ensure that budgetary provision is identified for all expenditure incurred.
- 3.50 To ensure that officers responsible for committing expenditure comply with relevant guidance and financial regulations.
- 3.51 To ensure, after consultation with the Section 151 Officer (Head of Finance) that there is subsequent approval by the full Council or Cabinet (as appropriate) for new proposals, of whatever amount, that:
- create financial commitments in future years;
 - change existing policies, initiate new policies or cease existing policies;
 - materially extend or reduce the Authority's services.
- 3.52 To ensure compliance with procedures regarding virement.

CAPITAL BUDGETING AND MONITORING

Why is this Important?

- 3.53 Capital expenditure (including use of capital grants and PFI/PPP projects or similar type arrangements) involves acquiring or enhancing fixed assets with a long term value to the Authority, such as land, buildings, infrastructure and major items of plant, equipment or vehicles. Capital assets shape the way services are delivered in the long term and create

financial commitments for the future in the form of financing costs and revenue running costs.

- 3.54 The financing capacity of the Authority is restricted by the affordability prudence and sustainability of the Capital Programme and the underlying borrowing that supports it. This means that capital expenditure should form part of an investment strategy and should be carefully prioritised in order to maximise the benefit of scarce resources.

Key Controls

- 3.55 The key controls for capital programmes are:
- specific approval by the full Council for the programme of capital expenditure;
 - a scheme and estimate, including a robust business plan, options, progress targets and associated revenue expenditure is prepared for each capital project, for appraising by the Section 151 Officer (Head of Finance);
 - proposals for improvements and alterations to buildings must be approved by the appropriate Head of Service in accordance with the Asset Management Plan;
 - schedules for individual projects within the overall budget approved by the Council must be approved by the appropriate Head of Service;
 - accountability for each proposal is accepted by a named project manager;
 - progress and expenditure should be monitored and compared to the approved budget; and
 - VAT is recorded and reported accurately and that payments are made in accordance with the requirements of VAT legislation and the HMRC's Construction Industry Scheme.

Responsibilities of the Section 151 Officer (Head of Finance)

- 3.56 To issue guidance relating to the strategy and controls for capital schemes. The definition of 'capital' will be determined by the Section 151 Officer (Head of Finance), having regard to Government regulations and accounting requirements.
- 3.57 To advise the Cabinet and Council on the affordability, prudence and sustainability of the Capital Programme by the preparation of prudential indicators as required by the Prudential Code for Capital Finance in Local Authorities.
- 3.58 To ensure all matters required to be taken into account are reported to the Cabinet and Council when setting and revising prudential indicators.
- 3.59 To establish procedures for the monitoring of prudential indicators.
- 3.60 To prepare a report on the Capital Programme for the service area proposals, taking into account the Prudential Code Borrowing, Policy Framework, commitments, resource constraints and Capital Receipts. This

report shall compare the estimates with the finance available and propose the level of annual expenditure of each service area. The report will identify those schemes where expenditure may only be incurred after further work has been undertaken.

- 3.61 To furnish all Chief Officers and Heads of Service with periodical statements of expenditure and progress on individual schemes. It shall be the responsibility of the Section 151 Officer (Head of Finance) in consultations with each Chief Officer and Head of Service to submit reports, as determined by the Section 151 Officer (Head of Finance), to the Cabinet, Select Committees and the Council, monitoring expenditure and comparing with approved programme. The inclusion of items in the approved Capital Programme shall constitute authority to incur such expenditure save to the extent of which the Council shall have placed a reservation on any such items. Expenditure on any such reserved items may be incurred only when and to the extent that such reservations have been removed.

Responsibilities of Heads of Services and Capital Budget Holders

- 3.62 To comply with guidance concerning capital projects and controls issued by the Section 151 Officer (Head of Finance).
- 3.63 To carry out an option appraisal before bidding / incurring capital expenditure to determine alternative methods of meeting need.
- 3.64 To consider the revenue implications of Capital Projects over the whole life of projects and notify the Section 151 Officer (Head of Finance) when planning to undertake such schemes which do commit the Authority to additional Revenue expenditure.
- 3.65 To submit a prioritised list of bids as part of the Medium Term capital budgeting process representing the schemes required to deliver service and corporate strategy.
- 3.66 To ensure that all capital expenditure proposals are processed through the capital working group in advance of the Section 151 Officer (Head of Finance) making recommendations to Cabinet or Council as necessary.
- 3.67 To ensure that adequate records are maintained for all capital contracts and the preparation of grant claims.
- 3.68 To ensure compliance with the Authority's scheme of virement.
- 3.69 To report to the Section 151 Officer (Head of Finance) as soon as it becomes apparent that the total cost of a scheme including variations will or is likely to exceed £50,000 or 5% [whichever is the higher] above the capital budget available. This report should cover the reasons for increased cost, an analysis of options considered to reduce cost to budget and the funding options considered to meet any budget shortfall.
- 3.70 To ensure that credit arrangements, such as leasing agreements, are not entered into without the prior approval of the Section 151 Officer (Head of

Finance) and, if applicable, approval of the scheme through the capital programme.

- 3.71 To consult with the Section 151 Officer (Head of Finance) where the Head of Service proposes to bid for Capital Funding to be issued by Government departments or others to support expenditure that has not been included in the current year's capital programme.
- 3.72 To ensure all expenditure charged against capital budgets meets the definition of capital expenditure in accordance with the Local Government Act 2003 and recommended accounting practice.

MAINTENANCE OF RESERVES

Why is this Important?

- 3.73 Reserves can be provided as a working balance, a contingency for unexpected events or emergencies or to meet known or predicted liabilities.

Key Controls

- 3.74 To maintain reserves in accordance with the relevant codes of practice on local authority accounting in the United Kingdom and agreed accounting policies.
- 3.75 For each reserve established, the purpose, usage and basis of transactions should be clearly identified.
- 3.76 The establishment of reserves and incurring of expenditure from reserves should be authorised by Cabinet.

Responsibilities of the Section 151 Officer (Head of Finance)

- 3.77 To advise the Cabinet and/or the full Council on prudent levels of Reserves for the Authority.
- 3.78 To report to Council on the adequacy of reserves when setting the budget for the year and at outturn.

Responsibilities of Chief Officers and Heads of Service

- 3.79 To ensure that resources are used only for the purposes for which they were intended.

RISK MANAGEMENT

Why is this Important?

- 4.1 All organisations, whether private or public sector, face risks to people, property and continued operations. Risk is the chance or possibility of loss, damage, injury or failure to achieve objectives caused by an unwanted or uncertain action or event. Risk management is concerned with evaluating the measures an organisation already has in place to manage identified risks, and then recommending the action the organisation needs to take to control these risks effectively.

Key Controls

- 4.2 The key controls for risk management are:
- procedures are in place to identify, assess, prevent or contain material known risks, and these procedures are operating effectively throughout the Authority;
 - a monitoring process is in place to review regularly the effectiveness of risk reduction strategies and the operation of these controls. The risk management process should be conducted on a continuing basis;
 - managers know that they are responsible for managing relevant risks and are provided with relevant information on risk management initiatives;
 - managers apply a standard approach to risk identification and recording, using the risk management strategy;

- provision is made for losses that might result from the risks that remain;
- procedures are in place to investigate claims within required timescales;
- acceptable levels of risk are determined and insured against where appropriate;
- the Authority has identified business continuity plans for implementation in the event of disaster that results in significant loss or damage to its resources.

Responsibilities of Senior Leadership Team

- 4.3 To develop risk management controls in conjunction with Chief Officers and Heads of Service.

- 4.5 To affect insurance cover, and to arrange for the negotiation of claims in consultation with other Chief Officers, where necessary.
- 4.6 To hold in safe custody all insurance policies of the Authority, arrange for payment of premiums by the due date, and manage the Authority's own Insurance Fund.
- 4.7 To make arrangements to ensure that insurance records relating to liability policies and related correspondence must be retained indefinitely. Documents relating to other policies and internal funding arrangements must be retained for six years. All employees will adhere to the requirements of the Section 151 Officer (Head of Finance) as to the retention of any documents of the nature referred to in this rule.

Responsibilities of Chief Officers and Heads of Service

- 4.8 To take responsibility for risk management, having regard to advice from the Section 151 Officer (Head of Finance), and other specialist officers (e.g. emergency planning, health and safety).

- 4.12 To submit claims in such a form as prescribed from time to time by the Section 151 Officer (Head of Finance).

- 4.16 On a regular basis, the Section 151 Officer (Head of Finance) will forward to Chief Officers, schedules of assets covered by insurance. Chief Officers must examine the schedules and ensure that the details of those assets are correctly recorded and that the scope and level of insurance cover are adequate, and consistent with the Authority's corporate insurance arrangements.
- 4.17 To provide the Section 151 Officer (Head of Finance) with any information that he/she needs and in the timescale that he or she sets, to enable him or her to manage the Authority's insurances effectively.
- 4.18 To consult with the Section 151 Officer (Head of Finance) and the Head of Legal on the terms of any indemnity that the Authority is requested to give.
- 4.19 To ensure that officers, or anyone covered by the Authority's insurances, do not admit liability or make any offer to pay compensation that may prejudice cover under the council's insurance policy and the assessment of liability in respect of any insurance claim.

INTERNAL CONTROLS

Why is this Important?

- 4.20 The Authority is a large, complex organisation which requires internal controls to manage and monitor progress towards strategic objectives.
- 4.21 The Authority has statutory obligations and, therefore, requires internal controls to identify, meet and monitor compliance with these obligations.
- 4.22 The Authority faces a wide range of financial, administrative and commercial risks, both from internal and external factors, which threaten the achievement of its objectives. Internal controls are necessary to manage these risks.
- 4.23 The system of internal controls is established in order to provide measurable achievement of:
- efficient and effective operations;

- reliable financial information and reporting;
- compliance with laws and regulations;
- risk management.

Key Controls

4.24 The key controls are:

- key controls should be reviewed on a regular basis and the Authority should make a formal statement annually to the Audit Committee to the effect that it is satisfied that the systems of internal control are operating effectively [Chief Internal Auditor's Annual Report];
- managerial control systems, including defining policies, setting objectives and plans, monitoring financial and other performance and taking appropriate anticipatory and remedial action. The key objective of these systems is to promote ownership of the control environment by defining roles and responsibilities;
- financial and operational control systems and procedures, which include physical safeguards for assets, segregation of duties, authorisation and approval procedures and information systems;
- an effective internal audit function that is properly resourced. It should operate in accordance with the principles contained in the Auditing Practices Board's auditing guideline Guidance for Internal Auditors, the Public Sector Internal Auditing Standards and with any other statutory obligations and regulations; and
- an effective Audit Committee which meets on a regular basis to consider internal control and auditing matters.

Responsibilities of the Section 151 Officer (Head of Finance)

4.25 To assist the Authority to put in place an appropriate control environment and effective internal controls which provide reasonable assurance of effective and efficient operations, financial stewardship, probity and compliance with laws and regulations.

Responsibilities of Chief Officers and Heads of Service

4.26 To establish sound arrangements, consistent with guidance given by the Section 151 Officer (Head of Finance), or the Chief Internal Auditor, for planning, appraising, authorising, and controlling their operations, in order to achieve:

- economy;
- efficiency;
- effectiveness;
- the proper use of resources;
- the achievement of objectives; and
- the management of risks.

- 4.27 To review existing controls in the light of changes affecting the Authority and to establish and implement new ones in line with guidance from the Chief Internal Auditor. Chief Officers should also be responsible for removing controls that are unnecessary or not cost or risk effective, for example, because of duplication.
- 4.28 To ensure staff have a clear understanding of the consequences of lack of control.

INTERNAL AND EXTERNAL AUDIT

Internal Audit

Why is this Important?

- 4.29 The requirement for an internal audit function for local authorities is implied by Section 151 of the Local Government Act 1972, which requires that authorities 'make arrangements for the proper administration of their financial affairs'. The Accounts and Audit Regulations (Wales) 2005, more specifically, require that a 'local government body shall maintain an adequate and effective system of internal audit of its accounting records and of its systems of internal control in accordance with the proper internal audit practices'.
- 4.30 Internal audit is an independent and objective assurance and consulting activity designed to add value and improve an organisation's operations. It helps an organisation accomplish its objectives by bringing a systematic, disciplined approach to evaluate and improve the effectiveness of risk management, control and governance processes. It examines, evaluates and reports on the adequacy of internal control as a contribution to the proper, economic, efficient and effective use of resources.

Key Controls

- 4.31 The key controls for internal audit are:
- that it is independent in its planning and operation;
 - the Chief Internal Auditor has direct access to the Chief Executive and the Leader of the Council, all levels of management and directly to elected members;
 - internal auditors comply with the Public Sector Internal Auditing Standards;
 - that it reports to the Audit Committee.

Responsibilities of the Section 151 Officer (Head of Finance)

- 4.32 To maintain a continuous and independent internal audit of the Authority's accounting, financial and other operations of the Authority.
- 4.33 To ensure that all employees carrying out auditing duties comply with the current Public Sector Internal Auditing Standards and that they are competent to perform the responsibilities that they are assigned.
- 4.34 To make arrangements for there to be undertaken a cyclical review of all financial systems throughout the Authority and to determine the appropriate level of audit coverage.
- 4.35 To ensure that internal auditors have the authority to:
- access authority premises at reasonable times, subject to the Chief Internal Auditor being satisfied as to any risk to health and safety;
 - access all assets, records, documents, correspondence and control systems;
 - receive any information and explanation considered necessary concerning any matter under consideration;
 - require any employee of the Authority to account for cash, stores or any other authority asset under his or her control;
 - access records belonging to third parties, such as contractors, when required;
 - review, appraise and report on the adequacy and application of financial and other controls, and on the protection of the Authority's property and assets against loss due to fraud or wasteful practices.
- 4.36 To consider the strategic and annual audit plans prepared by the Chief Internal Auditor, which take account of the characteristics and relative risks of the activities involved, before the plan is endorsed by the Audit Committee.
- 4.37 To ensure that the Chief Internal Auditor has the right to report independently to the Council, the Audit Committee or an appropriate committee, in his/her own name.
- 4.38 To ensure that the Chief Internal Auditor provides an annual opinion on the Council's internal control environment as part of his / her annual report.
- 4.39 To ensure the Chief Internal Auditor reports regularly to the Audit Committee on the adequacy of the internal control environment operated by the Authority.

Responsibilities of Chief Officers and Heads of Service

- 4.40 To ensure that internal auditors are given access at all reasonable times to premises, personnel, documents and assets that the auditors consider necessary for the purposes of their work.

- 4.41 To ensure that auditors are provided with any information and explanations that they seek in the course of their work.
- 4.42 To consider and respond promptly to recommendations contained in audit reports.
- 4.43 To ensure that any agreed actions arising from audit recommendations are carried out in a timely and efficient fashion.
- 4.44 To ensure that new systems for maintaining financial records, or records of assets, or changes to such systems, are discussed with and agreed by the Chief Internal Auditor prior to implementation.

External Audit

Why is this Important?

- 4.45 Under section 13 of the Public Audit (Wales) Act 2004, the Auditor General for Wales is the external auditor of each local authority in Wales. (Under transitional provisions of the Public Audit (Wales) Act 2013, an auditor appointed by the Auditor General continues to be the auditor of a local authority until the termination of his/her appointment.) The external auditor has rights of access to all documents and information, which he or she considers necessary to carry out his/her statutory functions.
- 4.46 The duties of the external auditor are set out in the Public Audit (Wales) Act 2004. The auditor must be satisfied that the authority's accounts give a true and fair view, are prepared in accordance with statute and proper practice. The auditor must also be satisfied that the authority has made proper arrangements for securing economy, efficiency and effectiveness in its use of resources.
- 4.47 In addition to the audit of the accounts, the Auditor General has duties under the 2004 Act to undertake improvement studies of local authorities and powers to undertake other studies regarding the provision of services. The Auditor General also has duties to undertake improvement assessments, improvement planning audits and special inspections under the Local Government (Wales) Measure 2009.
- 4.48 The External Auditors attend all the meetings of the Authority's Audit Committee.

Responsibilities of the Section 151 Officer (Head of Finance)

- 4.49 To ensure there is effective liaison between external and internal audit.
- 4.50 To ensure good quality audit working papers are provided in readiness for external audit to undertake any planned work.

- 4.51 To work with the external auditor and advise the full Council, Cabinet and Chief Officers on their responsibilities in relation to external audit.

Responsibilities of Chief Officers and Heads of Service

- 4.52 To ensure that external auditors are given access at all reasonable times to premises, personnel, documents and assets, which the external auditors consider necessary for the purposes of their work.
- 4.53 To ensure that all records and systems are up to date and available for inspection.
- 4.54 To ensure that all employees have proper regard to the guidance issued by the Section 151 Officer (Head of Finance) in connection with any external audits, and any reports of the external auditor.
- 4.55 To consider and respond promptly to recommendations contained in audit reports.
- 4.56 To ensure that any agreed actions arising from audit recommendations are carried out in a timely and efficient fashion.

PREVENTING FRAUD AND CORRUPTION

Why is it this Important?

- 4.57 The Authority will not tolerate fraud and corruption in the administration of its responsibilities, whether from inside or outside the Authority.
- 4.58 The Authority's expectation of propriety and accountability is that members and staff at all levels will lead by example in ensuring adherence to legal requirements, rules, procedures and practices.
- 4.59 The Authority also expects that individuals and organisations (e.g. suppliers, contractors, service providers) with whom it comes into contact will act towards the Authority with integrity and without thought or actions involving fraud and corruption.

Key Controls

- 4.60 The key controls regarding the prevention of financial irregularities are that:
- the Authority has an effective Anti-Fraud and Anti-Corruption Strategy and maintains a culture that will not tolerate fraud or corruption;
 - all members and staff act with integrity and lead by example;

Why is this Important?

- 5.79 Public money should be spent with demonstrable probity and in accordance with the Authority's policies. Local authorities have a statutory duty to achieve best value in part through economy and efficiency. These procedures should be read in conjunction with the Authority's Contract Procedure Rules.

All Councillors involved in contractual or purchasing decisions on behalf of the Authority will declare any interests and act in accordance with the Members' Code of Conduct.
- 5.90 To ensure that officers within their service areas will not make any personal or private use of the benefits of any Authority contracts. - 5.193 To ensure that claims for travel, subsistence and other allowances are paid through the payroll system wherever possible to ensure the correct treatment for Tax and National Insurance purposes. Imprest accounts should only be used to process minor payments, where there are no tax implications.
- 5.194 To ensure that the Head of Commercial and People Development is notified of the details of any employee benefits in kind, to enable full and complete reporting within the income tax self-assessment system.
- 5.195 To ensure that all appropriate payroll documents are retained and stored for the defined period in accordance with guidance issued by the Head of Commercial and People Development.

Responsibilities of Elected Members and Co-opted Members of Council Committees

- 5.196 To submit claims for travel or subsistence allowances on the prescribed form duly completed. All claims shall be submitted promptly, The accuracy of the information contained in a claim shall be the responsibility of the Member or co-opted Member concerned.

INTERNAL CHARGES

Why is this Important?

- 5.197 Service Areas often undertake work for other service areas. The charge for such work should be recovered by way of a journal; only in exceptional circumstances should an internal debtor invoice be raised.
- 5.198 It is important that the basis of charge is agreed between the client and provider, and the financial transaction is accurately recorded in the Council's accounts.
- 5.199 The use of journals will cover Service Level Agreements, reallocation of costs and charges that are considered inappropriate for the Internal Trading Solution. The Internal Trading Solution will be used for those services where it is considered to be cost effective.

Key Controls

- 5.200 The key controls for internal charges are:
- all income and expenditure arising from an internal recharging relationship is correctly recorded and accounted for in a robust manner;
 - each charging activity will have a clear basis on which it will be recharged;

- each charging activity will include the cost of the provision of the service plus an appropriate level of overhead;
- no significant surplus should be made by the provider at the expense of the internal customer unless there are contrary policies in place as approved by the Section 151 Officer (Head of Finance).
- all providers ensure that all internal customers are provided with the information reasonably required to accompany the journal charge;
- all charges must be challenged within an appropriate timescale (two months from being informed of charge). The provider must ensure all challenges are considered and where appropriate resolution is made by clarifying query or amending the charge made by journal.
- there will be an arbitration process to clear disputes promptly.

Responsibilities of the Section 151 Officer (Head of Finance)

- 5.201 To issue guidelines and procedures on the administration of the Authority's internal charging systems.
- 5.202 To ensure internal charging processes are efficient and effective and represent the best interests of the Authority as a whole.
- 5.203 To arbitrate on outstanding disputed charges where the client and supplier service area fail to reach agreement.

Responsibilities of Chief Officers and Heads of Service

- 5.204 To comply with guidelines and procedures issued by the Section 151 Officer (Head of Finance) on the administration of the internal charging systems.

TAXATION

Why is this Important?

- 5.205 Like all organisations, the Authority is responsible for ensuring its tax affairs are in order. Tax issues are often very complex and the penalties for incorrectly accounting for tax can be severe. It is, therefore, very important for all officers to be aware of their role.

Key Controls

- 5.206 The key controls for taxation are:
- budget holders are provided with relevant information and kept up to date on tax issues;
 - budget holders are instructed on required record keeping;
 - all taxable transactions are identified, properly carried out and accounted for within stipulated timescales;

- records are maintained in accordance with instructions;
- returns are made to the appropriate authorities within the stipulated timescale.

Responsibilities of the Section 151 Officer (Head of Finance)

- 5.207 To complete all HM Revenue and Customs returns regarding Pay As You Earn (PAYE).
- 5.208 To complete VAT returns and to supply other information as specified by HM Revenue and Customs.
- 5.209 To provide details to the HM Revenue and Customs of deductions made under the Construction Industry Tax Deduction Scheme.
- 5.210 To advise Chief Officers, in the light of guidance issued by appropriate bodies and relevant legislation as it applies, on all taxation issues that affect the Authority.

Responsibilities of Chief Officers and Heads of Service

- 5.211 To ensure that where VAT is accounted for in respect of a payment, in accordance with HM Revenue and Customs regulations, the following conditions are satisfied:-
- the payment relates to a supply of goods or services to Monmouthshire Council or to some other body covered by the Council's VAT registration;
 - unless otherwise authorised, a VAT invoice (or receipt) is held in respect of the payment;
 - where a payment is made to a contractor in the construction industry on the authority of an architect's certificate, an authenticated receipt is obtained as soon as possible;
 - the VAT identified on the VAT invoice is identified and coded correctly;
 - that VAT invoices are processed expeditiously and are not unduly delayed.
- 5.212 To ensure that VAT is accounted for, in the correct tax period, on all supplies of goods and services made by the Council that are subject to VAT.
- 5.213 To ensure that a VAT invoice (or receipt) is issued upon request by any person to whom taxable supplies of goods or services have been made by the Council, showing the VAT charged.
- 5.214 To ensure that all VAT invoices are raised and processed expeditiously.
- 5.215 To ensure that documents identifying VAT transactions, including proof of payment and banking records, are retained for the period specified by HM Revenue and Customs.
- 5.216 To ensure that, where construction and maintenance works are undertaken, the contractor fulfils the necessary construction industry tax deduction requirements.

- 5.217 To ensure that all persons employed by the Authority are added to the Authority's payroll and that tax is deducted from any payments, except where the individuals are bona fide self-employed or are employed by a recognised staff agency.
- 5.218 To follow any guidance on taxation issued by the Section 151 Officer (Head of Finance).
- 5.219 To ensure that arrangements are in place for all relevant staff to be informed about the correct VAT treatment of all transactions and of changes to this as notified by the Section 151 Officer (Head of Finance).

SECTION 6 - EXTERNAL ARRANGEMENTS

Covers Partnerships, External Funding, Work for third parties, Local Authority Companies, Trust Funds

- Partnerships
- External Funding
- Work for Third Parties

PARTNERSHIPS

Why is this Important?

- 6.1 Partnerships play a key role in delivering community strategies and in helping to promote and improve the well-being of the area. Local authorities are working in partnership with others – Aneurin Bevan LHB, Heddlu Gwent Police, public agencies, private companies, community groups and voluntary organisations. Local authorities still deliver some services, but their distinctive leadership role is to bring together the contributions of the various stakeholders. They therefore need to deliver a shared vision of services based on user wishes.
- 6.2 Local authorities will mobilise investment, bid for funds, champion the needs of their areas and harness the energies of local people and community organisations. Local authorities will be measured by what they achieve in partnership with others.
- 6.3 Individual Cabinet Members are responsible for approving the contractual arrangements for any work for third parties or external bodies where the contract value exceeds £250,000.
- 6.4 The default position is that any external arrangements will be subject to the Council's financial regulations, unless specific approval has been granted by Cabinet to do otherwise.

General

- 6.5 The main reasons for entering into a partnership are to share risk, to access new resources, to provide new and better ways of delivering services and to forge new relationships.
- 6.6 A partner is defined as either:
- an organisation (private or public) undertaking, part funding or participating as a beneficiary in a project, or
 - a body whose nature or status give it a right or obligation to support the project.
- 6.7 Partners have common responsibilities:

- to be willing to take on a role in the broader programme appropriate to the skills and resources of the partner organisation;
- to acknowledge that the best interest of the partnership is more important than the best interest of each participating group;
- to acknowledge that the partnerships require a level of flexibility which may require non-compliance with the Authority's Financial and Contract Procedure Rules. Where this arises it should be formally approved by Cabinet;
- to act in good faith at all times and in the best interests of the partnership's aims and objectives;
- to be open about any conflict of interests that might arise;
- to encourage joint working and promote the sharing of information, resources and skills between public, private and community sectors;
- to hold confidentially any information received as a result of partnership activities or duties that is of a confidential or commercially sensitive nature;
- to act wherever possible as ambassadors for the project.

Key Controls

6.8 The key controls for the Authority's partners are:

- to be aware of their responsibilities under the Authority's Financial and Contract Procedure Rules and to consider the appropriateness of each control to the partnership and any external funding guidance received;
- to ensure that processes are put in place which ensure that the partnership is effective in carrying out its duties in the required timely manner.
- to ensure that risk management processes are in place to identify and assess and mitigate all known risks without affecting the ability of the partnership to effectively function;
- to ensure that project appraisal processes and a strategic business case is in place to assess the viability of the project in terms of resources, staffing and expertise;
- to ensure that there is a sound legal vehicle in place prior to any project commencing;
- to ensure that there are robust arrangements for decision making and that budgets agreed by partners are lawful;
- to ensure clear accountability where the partnership uses grant income as a source of funding;
- to agree and accept formally the roles and responsibilities of each of the partners involved in the project before the project commences; and

- to communicate regularly with other partners throughout the project so that problems can be identified and shared to achieve their successful resolution.

Responsibilities of the Section 151 Officer (Head of Finance)

- 6.9 To advise on the use of effective and waiving of ineffective controls within the partnership in order to ensure that resources are not wasted.
- 6.10 To advise, as appropriate, on the key elements of funding a project, including:
- a scheme appraisal for financial viability in both the current and future years;
 - risk appraisal and management;
 - resourcing, including taxation issues;
 - audit, security and control requirements; and
 - carry-forward arrangements.
- 6.11 To ensure that the accounting arrangements are satisfactory.

Responsibilities of Chief Officers and Heads of Service

- 6.12 To consult with the Section 151 Officer (Head of Finance), as necessary, on a scheme's appraisal for financial viability in both the current and future years.
- 6.13 To ensure that risk management processes are in place to identify, assess and mitigate all known risks without affecting the ability of the partnership to effectively function.
- 6.14 To ensure that such agreements and arrangements do not impact adversely upon the services provided either by the Authority or the partnership.
- 6.15 To ensure that all agreements and arrangements are properly documented.
- 6.16 To provide appropriate information to the Section 151 Officer (Head of Finance) to enable a note to be entered into the Authority's statement of accounts concerning material items.

EXTERNAL FUNDING

Why is this Important?

- 6.17 External funding is potentially a very important source of income, but funding conditions need to be carefully considered to ensure that they are compatible with the aims and objectives of authorities. Local authorities are increasingly encouraged to provide seamless service delivery through working closely with other agencies and private service providers. Funds from external agencies provide additional resources to enable the Authority to

deliver services to the local community. However, in some instances, although the scope for external funding has increased, such funding is linked to tight specifications and may not be flexible enough to link to the Authority's overall plan.

Key Controls

- 6.18 The key controls for external funding are:
- to ensure that key conditions of funding and any statutory requirements are complied with and that the responsibilities of the accountable body are clearly understood;
 - to ensure that funds are acquired only to meet the priorities approved in the policy framework by the full Council;
 - to ensure that any match-funding requirements are given due consideration prior to entering into long-term agreements and that future capital and revenue budgets reflect these requirements.

Responsibilities of the Section 151 Officer (Head of Finance)

- 6.19 To ensure that all funding notified by external bodies is received and properly recorded in the Authority's accounts and budgets
- 6.20 To ensure that the match-funding requirements are considered prior to entering into the agreements and that future capital and revenue budgets reflect these requirements.
- 6.21 To ensure that audit requirements are met.
- 6.22 Where he or she is specifically responsible for submitting grant claims, to ensure that all claims for funds are made by the due date.

Responsibilities of Chief Officers and Heads of Service

- 6.23 To ensure that all checks are carried out to make certain that funding instructions associated in a bid for external funding are taken into account.
- 6.24 To maintain adequate supporting documentation to enable claims for funding to be maximised.
- 6.25 To ensure that all claims for funds are made by the due date.
- 6.26 To ensure that the project progresses in accordance with the agreed project plan and that all expenditure is properly incurred and recorded.

WORK FOR THIRD PARTIES

Why is this Important?

6.27 Current legislation enables the Authority to provide a range of services to other bodies. Such work may enable a unit to maintain economies of scale and existing expertise. Arrangements should be in place to ensure that any risks associated with this work is minimised and that such work is within the Authority's legal powers.

Key Controls

6.28 The key controls for working with third parties are:

- to ensure that proposals are costed properly in accordance with guidance provided by the Section 151 Officer (Head of Finance); and
- to ensure that contracts are drawn up using guidance provided by the Section 151 Officer (Head of Finance) and that the formal approvals process is adhered to.

Responsibilities of Section 151 Officer (Head of Finance)

6.29 To issue guidance with regard to the financial aspects of third party contracts.

Responsibilities of Chief Officers and Heads of Service

6.30 To ensure that appropriate insurance arrangements are made.

6.31 To ensure that the Authority is not put at risk from any bad debts.

6.32 To ensure that, wherever practicable, payment is received in advance of the delivery of the service.

6.33 To ensure that the department/unit has the appropriate expertise to undertake the contract.

6.34 To ensure that such contracts do not impact adversely upon the services provided for the Authority.

6.35 To ensure that all contracts are properly documented.

6.36 To provide appropriate information to the Section 151 Officer (Head of Finance) to enable a note to be entered into the statement of accounts.

CONTRACT PROCEDURE RULES

PREFACE

A corporate view of procurement issues should be considered in that whole-life costs and establishment of longer-term objectives to secure overall best value should be considered rather than short-term savings.

These Contract Procedure Rules therefore link with the Council's Procurement Strategy and the Council's Buyers' Guide.

The best authorities recognise the critical contribution that procurement makes to the quality of the services delivered to their communities and that it must be seen in the context of the Council's overall objectives.

Contract Procedure Rules are the link between the documented Procurement Strategy, detailed codes of practice, and operational procedures. Therefore, it is envisaged that authorities will ensure that their rules are supported by a detailed Buyers' Guide and standard documents, preferably on their intranets, to steer the systems and procedures that are established at departmental level.

A BRIEF GUIDE TO CONTRACT PROCEDURE RULES (CPR's)

These contract procedure rules (issued in accordance with section 135 of the 1972 Local Government Act) are intended to promote good purchasing practice and public accountability.

Whilst ensuring a safeguard for those officers who have responsibility for spending the public purse, following the rules is the best defence against allegations that a purchase has been made incorrectly or fraudulently.

Officers responsible for purchasing or disposal **must** comply with these contract procedure rules. They lay down minimum requirements and a more thorough procedure may be appropriate for a particular contract. (For example, if CPR's would normally require that quotes be obtained, it might be appropriate in particular circumstances to seek additional quotations in writing or tender submissions. Equally, it may not always be appropriate to make use of an exemption under Rule 3 (even if one might apply or be granted).

These rules are mandatory. Failure to comply with these contract procedure rules could lead to disciplinary action.

For the purposes of these rules, where there is a requirement for communication to be in writing, this shall be deemed to include e-mail and fax transmissions as well as hard copy.

- Follow the rules if you purchase goods or services or order works.
- Take all necessary legal, financial, procurement and professional advice.
- Declare any personal financial interest in a contract and then withdraw. Corruption is a criminal offence.
- Appraise the purchasing need.
- Check with Strategic Procurement Unit whether there is an existing Corporate or Collaborative Contract which you can make use of before undergoing a competitive process.
- For contracts greater than £25K allow at least four weeks for submission of bids, excluding EU tendering exercises which have specific timescales (not to be submitted by fax or e-mail). Please refer to the Buyers' Guide.
- Keep bids confidential.

- Complete a written contract.
- An official order should always be raised using the purchase order process (POP) unless an exemption has been approved by the Chief Finance Officer.
- Identify a contract manager with responsibility for ensuring the contract delivers as intended.
- Keep records of dealings with suppliers.
- For contracts greater than £25K assess each contract afterwards to see how well it met the purchasing need and Value for Money requirements.

SECTION 1:

SCOPE OF CONTRACT PROCEDURE RULES

1.1 BASIC PRINCIPLES

1.11 All purchasing and disposal procedures **must**:

- demonstrate Value for Money for public money spent
- be consistent with the highest standards of integrity
- ensure fairness in allocating public contracts
- comply with all legal requirements
- ensure that non-commercial considerations do not influence any contracting decision
- support the Council's corporate and departmental aims and policies
- comply with the principles of the Council's Corporate Procurement Strategy
- be planned with adequate timescales (e.g. officers need to be aware of extended timescales where EU procurement rules apply).
- be advertised through Buy for Wales and/or recognised advertising portals e.g. Constructionline

[Please refer to the Strategic Procurement Unit for advice]

1.12 Consideration must be given to applying the most economically advantageous tender (MEAT) criteria when awarding contracts. The lowest price may not always be the only criteria for awarding the contract; other criteria could be quality, ability to undertake the work in a given timescale, references, [for further examples refer to the Strategic Procurement Unit] **and this must be predetermined prior to advertising the tender or inviting quotes.**

1.13 Where contract values are likely to be just below these contract procedure rules thresholds [CPR 8] officers should apply the conditions of the higher threshold. [Often an officer's estimate determines which threshold applies and quotes may come in well above that figure.] The **total value** of the contract must be considered.

1.14 Officers need to consider the procurement of goods, services and works well in advance and be aware of specific timescales to meet

deadlines, in particular where EU procurement rules apply.

1.15 The volume, frequency and standardisation of the goods or services required should also be considered; better value may be obtained if a longer term contract is applied rather than a number of individual purchases of the same item.

1.2 In-house Providers

1.2.1 In accordance with these Contract Procedure Rules, in house service providers must be used. Where an in-house service provider has declined the opportunity to provide goods, works, or services, any subsequent procurement from an external supplier/provider must comply with these Contract Procedure Rules.

1.2.2 Subject to the requirements of the Local Government Planning and Land Act 1980, the Local Government Acts 1988 and 1999 and all subsequent amendments, all official tenders (where an in-house service provider is tendering) with the exception of those items tendered on the basis of a schedule of rates, should be returned to, and opened by, the Monitoring Officer or an officer nominated by him. Where such tenders exceed EU thresholds they should be returned to, and opened by, the Monitoring Officer or an officer nominated by him in consultation with the appropriate Cabinet Member.

1.2.3 Where the in-house service provider has declined the provision of the goods, works or services, Officers must comply with the principles of these Contract Procedure Rules and demonstrate value for money.

1.2.4. For the avoidance of doubt, the following in-house service providers are included

- Building Hygiene and Cleaning Services
- Energy Management Services
- ICT Support
- Landscape and Grounds Maintenance Services
- Property Services including New Build, Refurbishments, and Maintenance
- Refuse Collection and Waste Management Services
- Legal Services
- Procurement Services
- Health & Safety Support
- School Meals and Catering
- Photocopying
- Corporate Training

Nothing in these Contract Procedure Rules shall prevent in-house service providers from employing sub-contractors to undertake relevant contracts awarded to them provided that this shall only apply when permanent or temporary staff are not available or it is otherwise more economically effective to do so.

2. OFFICER RESPONSIBILITIES

2.1 Officers

2.1.1 Officers responsible for purchasing or disposal must comply with these Contract Procedure Rules, Financial Regulations, the Employee Code of Conduct and with all UK and European Union legal requirements. Officers must ensure that any agents, consultants and contractual partners acting on their behalf also comply.

2.1.2 Officers must:

- have regard to the guidance in the Buyers' Guide
- check whether a suitable *contract* (corporate or collaborative) exists before seeking to let another contract; where a suitable *contract* (corporate or collaborative) exists, this must be used unless there is a valid reason not to [Please refer to the Strategic Procurement Unit for advice]
- keep the records required by Rule 6
- take all necessary legal, financial and procurement advice

2.1.3 When any employee either of the Council or of a service provider may be affected by any transfer arrangement, Officers must ensure that the Transfer of Undertaking (Protection of Employment) (TUPE) issues are considered and obtain legal & Strategic Procurement Unit advice before proceeding with inviting Tenders or quotations.

2.2 Chief Officers

2.2.1 Chief Officers must:

- ensure that their staff comply with Rule 2.1
- keep registers of:
 - contracts completed by signature, rather than by the Council's seal (see Rule 16.3) and arrange their safekeeping on Council premises for the duration of the contract plus six years.

- exemptions recorded under Rule 3.2.

3. EXEMPTIONS, COLLABORATIVE AND E-PROCUREMENT ARRANGEMENTS

3.1 In exceptional circumstances, a Chief Officer may waive any requirements within these Contract Procedure Rules, provided that, the contract is not likely to exceed £25K. Where the value is likely to exceed £25K the Chief Finance Officer and the relevant Cabinet member will need to approve the waiver. A waiver is different from an exemption, please refer to the buyers' guide for this distinction.

3.2 Subject to 3.3 and 3.4 below where EU thresholds apply no exemption can be granted.

3.3 Where an exemption is necessary because of an unforeseeable emergency involving immediate risk to persons, property or serious disruption to Council services, the Officer and the Chief Officer may jointly approve the exemption but they must prepare a report for the relevant Cabinet Member [Portfolio Holder] to support the action taken.

3.4 Other exemptions include:

- Specialist provider
- Auctions / works of art / artists
- In house service providers see CPR 1.2
 - 1st extension of existing contract, providing that there is a provision to extend in the existing contract
- Collaboration / Partnership e.g. an existing contract

3.5 All exemptions, and the reasons for them, must be recorded by requesting a proforma from internal audit. Exemptions can be approved as follows:

- >£5k, < £25k Head of Service (e.g. only one supplier)
- >£25k, < £75k Chief Officer
- >£75k.< EU thresholds Chief Finance Officer and relevant Cabinet Member

3.6 All exemptions must be reported to the Chief Internal Auditor. The Audit and Accounts Select Committee will monitor the use of all exemptions; exemptions will be reported 6 monthly to the Audit and Accounts Select Committee.

3.7 In order to secure Value for Money, the Council may enter into

collaborative procurement arrangements. The Officer must consult the Chief Finance Officer and the Strategic Procurement Unit where the purchase is to be made using collaborative procurement arrangements with another local authority, government department, statutory undertaker or public service purchasing consortium. [The Strategic Procurement Unit holds an updated register of all available collaborative contracts]

3.8 All purchases made via a local authority purchasing and distribution consortium are deemed to comply with these contract procedure rules and no exemption is required. However, purchases above the relevant EU Threshold must be let under the EU Procedure, unless the consortium has satisfied this requirement already by letting their contract in accordance with the EU Procedures on behalf of the Council and other consortium members.

3.9 Any contracts entered into through collaboration with other local authorities or other public bodies, where a competitive process has been followed that complies with the contract procedure rules of the lead organisation, will be deemed to comply with these contract procedure rules and no exemption is required (e.g. Welsh Purchasing Consortium, Value Wales). However, advice must be sought from the Strategic Procurement Unit before such contracts are let. Where Monmouthshire County Council is the lead authority then these contract procedure rules will apply.

3.10 The use of e-procurement technology does not negate the requirement to comply with all elements of these contract procurement rules, particularly those relating to competition and Value for Money.

4. RELEVANT CONTRACTS

4.1 All relevant contracts must comply with these contract procedure rules. A relevant contract is any arrangement made by, or on behalf of, the Council (including schools) for the carrying out of works or the supply of goods, materials or services. These include arrangement for:

- The supply or disposal of goods
- The hire, rental or lease of goods or equipment
- The delivery of services, including (but not limited to) those related to:
 - the recruitment of agency staff
 - property transactions

- financial and consultancy services
- the commissioning of building/engineering works
- EU categories Part A, and Part B Goods and Services please refer to the buyers' guide for information

4.2 Relevant Contracts do not include:

- Contracts of employment which make an individual a direct employee of the Council, or
- Agreements regarding the acquisition, disposal, or transfer of land (for which Financial Regulations shall apply).

SECTION 2:

COMMON REQUIREMENTS

5. STEPS PRIOR TO PURCHASE

5.1 The Officer must appraise the purchase, in a manner commensurate with its complexity and value, and taking into account any guidance in the Buyers' Guide by:

- Taking into account the requirements from any relevant service review.
- Appraising the need for the expenditure, its priority and availability of budget.
- Ensure that officers are aware of the additional costs of over specifying their needs.
- Defining the objectives of the purchase assessing the risks associated with the purchase and how to manage them.
- Consider whether the procurement is ethical (Refer to the Buyers' Guide)
- Considering what procurement method is most likely to achieve the purchasing objectives, including internal or external sourcing, partnering, and collaborate procurement arrangements with another local authority, government department, statutory undertaker or public service purchasing consortium.
- Consider whether the procurement is socially, economically and environmentally sustainable for all purchases over £25K. Please

refer to the Buyers' Guide.

- Consulting users as appropriate about the proposed procurement method, contract standards and performance and user satisfaction monitoring
- Drafting the terms and conditions that are to apply to the proposed contracts which must accompany all purchases that exceed £25K.

and by confirming that:

There is an approved budget for the proposed expenditure and the purchase accords with the approved policy framework and scheme of delegation as set out in the Constitution

6. RECORDS

6.1 Where the Total Value exceeds £5K but is less than £25K the following records must be kept:

- invitations to quote and quotations (proforma available within the Buyers' Guide)
- a record:
 - of any exemptions and the reasons for them
 - of the reason if the lowest price is not accepted
- written records of communications with the successful contractor or an electronic record if a written record of the transaction would normally not be produced.

6.2 Where the Total Value exceeds £25K the Officer must record:

- The method for obtaining bids (see rule 8.1)
- Any contracting decision and the reasons for it
- Any exemption under Rule 3 together with the reasons for it
- The award criteria in descending order of importance
- Tender documents sent to and received from suppliers/providers
- Pre-tender market research
- Post-tender clarification (where permitted) (to include minutes of meetings and outcomes)

- The contract documents
- Post-contract evaluation and monitoring
- Communications with suppliers/providers and with the successful contractor throughout the period of the contract.

6.3 Records required by this rule must be kept for six years after the end of the contract. However, written documents which relate to unsuccessful tenderers may be microfilmed or electronically scanned or stored by some other suitable method after 12 months from award of contract, provided there is no dispute about the award.

6.4 For EU grants the relevant terms and conditions must be adhered to.

7. ADVERTISING, APPROVED LISTS AND FRAMEWORK AGREEMENTS

7.1 Identifying and Assessing Potential Suppliers / providers

7.1.1 Officers shall ensure that, where proposed contracts, irrespective of their Total Value, might be of interest to potential suppliers/providers located in other member states of the EU, a sufficiently accessible advertisement is published. Generally, the greater the interest of the contract to potential bidders from other member states, the wider the coverage of the advertisement should be. Examples of where such advertisements may be placed include:

- Buy4Wales (www.buy4wales.co.uk), and;
- The Council's website
- Portal websites specifically created for contract advertisements (e.g. Construction Line /Construction Health And Safety)
- National official journals
- The Official Journal of the European Union (OJEU)/Tenders Electronic Daily (TED) (even if there is no requirement with the EU Procedure) and

(please refer to the Strategic Procurement Unit for advice)

7.1.2 Officers are responsible for ensuring that all suppliers / providers for a relevant contract are suitably assessed. The assessment process shall establish that the potential suppliers / providers have sound:

- Economic and financial standing

- Technical ability and capacity to fulfil the requirements of the Council

7.1.3 This shall be achieved in respect of proposed contracts that are expected to exceed £25k by selecting firms from:

- Approved lists of providers, maintained by the Council or on its behalf, and compiled following responses to a public advertisement, (e.g. Constructionline) or
- Shortlists assessed from expressions of interest in a particular contract submitted in response to a public advertisement.
- Public advertisements issued in respect of Rule 7.1.1 above shall reflect the potential degree of interest from suppliers / providers located within other member states of the EU

7.2 Approved Lists (contact the Strategic Procurement Unit)

7.2.1 Approved Lists should be used where recurrent transactions of a similar type are likely but where such transactions need to be priced individually and cannot easily be aggregated and priced in a single tendering exercise. Approved Lists cannot be used where the EU Procedure applies.

7.2.2 Officers may only compile approved lists in consultation with Strategic Procurement Unit.

7.2.3 No person may be entered on an Approved List until there has been an adequate investigation into both their financial and their technical ability to perform the contract, unless such matters will be investigated each time bids are invited from that list.

7.2.4 Approved Lists must be drawn up after an advertisement inviting applications for inclusion on the list. The advertisement must be placed to secure the widest publicity among relevant suppliers throughout all member states of the EU. Persons may be entered on a list between the initial advertisement and re-advertisement provided the requirements of Rule 7.2.3 are met.

7.2.5 The list and Shortlisting criteria must be reviewed at least annually and re-advertised at least every three years. On re-advertisement, a copy of the advertisement must be sent to each person on the list, inviting them to reapply. Review means:

- The reassessment of the financial and technical ability and performance of those suppliers/providers on the list.
- The deletion of those suppliers/providers no longer qualified,

- Where the terms laid down in the Framework Agreement are not precise enough or complete for the particular call-off, by holding a mini competition in accordance with the following procedure:
 - inviting the organisations within with the Framework Agreement that are capable of executing the subject of the contract to submit written offers.
 - Fixing a time limit which is sufficiently long enough to allow offers for each specific contract to be submitted by nominated providers within the framework agreement, taking into account factors such as the complexity of the subject of the contract.
 - Awarding each contract to the provider who has submitted the best offer on the basis of the Award Criteria set out in the specifications of the original Framework Agreement, and tailored criteria set out in the mini competition.

9.1 The Officer responsible for the purchase:

- May consult potential suppliers prior to the issue of the Invitation to Tender in general terms about the nature, level and standard of the supply, contract packaging and other relevant matters, provided this does not prejudice any potential candidate, but
- Must not seek or accept technical advice on the preparation of an Invitation to Tender or Quotation from anyone who may have a commercial interest in them (except during an EU competitive dialogue process) and must not prejudice the equal treatment of all potential suppliers / providers or distort competition, and should seek advice from the Strategic Procurement Unit.

10. STANDARDS AND AWARD CRITERIA

10.1 The Officer must ascertain what are the relevant British, European or international standards which apply to the subject matter of the contract. The Officer must include those standards (or their European equivalent) which are necessary to properly describe the required quality. The Strategic Procurement Unit must be consulted if it is proposed to use standards other than European standards.

10.2 The Officer must pre-define Award Criteria that are appropriate to the purchase and designed to secure an outcome giving Value for Money for the Council. Consideration [in the first instance] must be given to applying the Most Economically Advantageous Tender (MEAT) when setting award criteria

The basic criteria shall be:

- Highest price if payment is to be received, or
- >£5k 'most economically advantageous tender' (MEAT) where considerations other than price also apply (>£5k represents total aggregated contract value)
- If the last criterion is adopted, it must be further defined by reference to sub-criteria which may refer only to relevant considerations. These may include price, service, quality of goods, running costs, technical merit, previous experience, delivery date, cost effectiveness, quality, relevant environmental considerations, aesthetic and functional characteristics (including security and control features), safety, after-sales services, technical assistance and any other relevant matters. Sustainability and equality must be one of the selected criteria when adopting (MEAT) to award contracts.

(Refer to Strategic Procurement Unit for advice).

11. INVITATIONS TO TENDER/QUOTATIONS

11.1 The invitation to tender shall state that no tender will be considered unless it is received by the date and time stipulated in the invitation to tender. No tender delivered in contravention of this clause shall be considered.

- (a) A specification that describes the Council's fit for purpose requirements.

(f) Notification that no tender will be considered unless it is enclosed in a sealed envelope or container which bears the word 'Tender' followed by the subject to which it relates, but no other name or mark indicating the sender. (tender label template within Buyers' Guide).

(g) A stipulation that any tenders submitted by fax or other electronic means shall not be considered, unless an approved electronic tendering process has been agreed up front by the Strategic Procurement Unit, and communicated in the tender advertisement.

(h) The method by which any arithmetical errors discovered in the submitted tenders is to be dealt with. In particular, whether the overall price prevails over the rates in the tender or vice versa.

11.3 All invitations to tender or quotations must specify the goods, service or works that are required, together with the terms and conditions of contract that will apply (see rule 16).

11.4 The Invitation to Tender or Quotation must state that the Council is not bound to accept any Quotation or Tender.

11.5 All suppliers / providers invited to tender or quote must be issued with the same information at the same time and subject to the same conditions. Any supplementary information must be given on the same basis.

11.6 All awarded tenders need to be followed by a purchase order to confirm

commitment to the contract.

12. SHORTLISTING

12.1 Any shortlisting must have regard to the financial, technical and sustainability standards relevant to the contract and the Award Criteria. Special rules apply in respect of the EU Procedure. Contact Strategic Procurement Unit for advice.

12.2 The officers responsible for shortlisting are specified in rule 8.1.1.

13. SUBMISSION, RECEIPT AND OPENING OF TENDERS/QUOTATIONS

13.1 Suppliers / providers must be given an adequate period in which to prepare and submit a proper quotation or tender consistent with the complexity of the contract requirement. Normally at least four weeks should be allowed for submission of tenders. The EU Procedure lays down specific time periods (see guidance in the Buyers' Guide or contact the Strategic Procurement Unit).

13.2 All tenders must be returned to the Monitoring Officer.

13.3 Tenders received by fax or other electronic means (e.g. e-mail) must be rejected, unless they have been sought in accordance with an electronic tendering system approved by the Chief Finance Officer and Strategic Procurement Unit.

13.4 The Monitoring Officer shall be responsible for the safekeeping of tenders until the appointed time of opening. Each tender must be:

- Suitably recorded so as to subsequently verify the date and precise time it was received
- Adequately protected immediately on receipt to guard against amendment of its contents.
- Recorded immediately on receipt in the tender record log.

13.5 The Monitoring Officer must ensure that all tenders are opened at the same time when the period for their submission has ended. Tenders must be opened in the presence of two officers representing the Monitoring Officer or an officer nominated by him/her. Should the process of accepting tenders be compromised please contact Head of Legal Services. The relevant Cabinet Member should be present for all tenders opened above EU thresholds.

13.6 Upon opening, a summary of the main terms of each tender (i.e. significant issues that are unique to each tender submission and were not stated in the tender invitation documents such as tender sum,

construction period etc.) must be recorded in the tender record log. The summary must be initialled by or on behalf of the Monitoring Officer.

14. POST TENDER CLARIFICATION PROCEDURES

(With the exception of the EU competitive dialogue)

- 14.1 Providing clarification of an invitation to tender to potential or actual suppliers / providers or seeking clarification of a tender, whether in writing or by way of a meeting, is permitted. However, discussions with tenderers after submission of a tender and before the award of a contract with a view to obtaining adjustments in price, delivery or content (i.e. post-tender clarifications) must be the exception rather than the rule. In particular, they must not be conducted in an EU Procedure where this might distort competition, especially with regard to price.
- 14.2 If post-tender clarifications are necessary after a single-stage tender or after the second stage of a two stage tender, then such clarifications shall only be undertaken with the tenderer who is identified as having submitted the best tender and after all unsuccessful suppliers / providers have been informed. During clarifications tendered rates and prices shall only be adjusted in respect of a corresponding adjustment in the scope of quantity included in the tender documents. Officers appointed by the Chief Officer to carry out post-tender clarifications should ensure that there are recorded minutes of all clarification meetings and that both parties agree actions in writing.
- 14.3 Post tender clarification must only be conducted in association with the Strategic Procurement Unit. Clarifications must be conducted by a team of at least two officers, one of whom must be from the Strategic Procurement Unit.
- 14.4 Where post tender clarification results in a fundamental change to the specification (or contract terms) the contract must not be awarded but re-tendered.

15. EVALUATION, AWARD OF CONTRACT, AND DEBRIEFING SUPPLIERS / PROVIDERS

- 15.1 Apart from the debriefing required or permitted by these contract procedure rules, the confidentiality of quotations, tenders and the identity of suppliers / providers must be preserved at all times and information about one candidate's response must not be given to another candidate.
- 15.2 Contracts must be evaluated and awarded in accordance with the

award criteria as set out in the initial tender documentation. During this process, officers shall ensure that submitted tender prices are compared with any pre-tender estimates and that any discrepancies are examined and resolved satisfactorily.

- 15.3 The arithmetic in compliant tenders must be checked. If arithmetical errors are found they should be notified to the tenderer, who should be requested to confirm or withdraw their tender. Alternatively, if the rates in the tender, rather than the overall price, were stated within the tender invitation as being dominant, an amended tender price may be requested to accord with the rates given by the tenderer.
- 15.4 Officers may accept quotations and tenders received in respect of proposed contracts, provided they have been sought and evaluated fully in accordance with these contract procedure rules.
- 15.5 For all above EU threshold contracts, officers must ensure that a period of at least 10 days is given for unsuccessful suppliers/providers to potentially challenge the decision, before the contract can be awarded. If the decision is challenged, officers shall not award the contract and shall immediately seek advice from the Head of Legal Services and the Strategic Procurement Unit.
- 15.6 For all contracts over £25K, all unsuccessful suppliers/providers may request and be given the opportunity of a debriefing. Such practice should include the name of the successful supplier/provider, but not the contract price. Where three or more bids have been received the range of evaluated scores should be disclosed.
- 15.7 A Contract Award Notice must be sent to OJEU for all contracts that are subject to the provisions of the Public Procurement Directives, as well as those contracts for the provision of Part B services where the value exceeds the OJEU threshold. The Contract Award Notice shall be sent to OJEU no later than 48 days after the award or conclusion of the contract.
- 15.8 No information, other than the following, should be given without taking the advice of the Head of Legal Services, and the Strategic Procurement Unit.
 - How the award criteria were applied
 - The result of the criteria application
 - The names of suppliers / providers where there were three or more suppliers / providers
- 15.9 If a candidate requests in writing the reasons for a contracting decision, the officer must give the reasons in writing within 15 days of the request.

If requested, the officer may also give the debriefing information at rule 15.6 above to suppliers / providers who were deselected in a pre-tender shortlisting process.

- 15.10 The officer with responsibility for awarding the contract above the EU threshold should then inform Strategic Procurement Unit of the a) contract title b) duration c) total contract value d) nationality of successful tender and e) identify which tendering procedure was used i.e. open, restricted, competitive dialogue or negotiated.

SECTION 4:

CONTRACT AND OTHER FORMALITIES

16.1 Contracts

16.1.1 All contracts that exceed £25K shall be in writing. (Contact Strategic Procurement Unit for notification of the contract).

- What is to be supplied (i.e. the works, materials, services)
- Quality and quantity of works, materials, services to be supplied
- The provisions for payment (i.e. the price to be paid and when)
- The time, or times, within which the contract is to be performed
- The provisions for the Council to terminate the contract.

The Council's Terms and Conditions issued must be used wherever possible (or made reference to on the Council's official order form).

In addition, every relevant contract of purchase over £25K must also state clearly as a minimum:

- That the contractor may not assign or sub-contract without prior written consent
- Any insurance requirements
- Health and safety requirements
- Dispute Resolution / Ombudsman requirements
- Data protection requirements, if relevant
- That charter standards are to be met if relevant
- Race relations requirements
- Environmental and Ethical Policy
- Disability Discrimination Act requirements

- Freedom of Information Act requirements

£25,001 to £75K	Signature/authorisation	Supervising officer (see rule 16.2.3)
Above £75K	Sealing	See rule 16.3

16.2.2 All contracts must be concluded formally in writing, and sealed where appropriate. A completed official purchase order must be provided before the supply, service or construction begins, indicating a reference to the awarded contract, except in exceptional circumstances, and then only with the written consent of the Monitoring Officer or Head of Legal Services. An award letter is insufficient.

16.2.3 The officer responsible for securing signature of the contract must ensure that the person signing for the other contracting party has authority to bind it.

16.3 Sealing

16.3.1 A contract must be sealed where:

- The Council may wish to enforce the contract more than six years after its end
- The price paid or received under the contract is a nominal price and does not reflect the value of the goods or services.
- There is any doubt about the authority of the person signing for the other contracting party, or
- The total value exceeds £75K

16.3.2 Where contracts are completed by each side adding their formal seal, the Council's seal will be witnessed by a Member and the Head of Legal

Services or some other person authorised by him or her.

16.3.3 Every Council sealing will be consecutively numbered, recorded and signed by the person witnessing the seal. The seal must not be affixed without the authority of the Cabinet, a Committee, a Portfolio Holder or the Monitoring Officer acting under delegated powers.

16.3.4 It is recognised that the sealing of a contract may prolong commencement and execution of supply, service, or works and therefore recommend that this procedure is planned in the procurement timetable. If however sealing prior to supply, service and works proves impractical, the official purchase order [making reference to the contract] will suffice until the procedure has been completed.

17. BONDS AND PARENT COMPANY GUARANTEES

17.1 The officer must consult the Chief Finance Officer about whether a parent company guarantee is necessary when a candidate is a subsidiary of a parent company and:

- The total contract value exceeds £250,000 or
- Award is based on evaluation of the parent company or
- There is some concern about the stability of the candidate

17.2 The officer must consult the Chief Finance Officer about whether a bond is needed:

- Where the total contract value exceeds £1,000,000 or
- Where it is proposed to make stage or other payments in advance of receiving the whole of the subject matter of the contract and there is concern about the stability of the candidate.

18. PREVENTION OF CORRUPTION

18.1 The officer must comply with the Council's code of conduct for employees and must not invite or accept any gift or reward in respect of the award or performance of any contract. It will be for the officer to prove that anything received was not received corruptly. High standards of conduct are obligatory. Corrupt behaviour will lead to investigation under the council's disciplinary procedures and possible dismissal and is a crime under the statutes referred to in Rule 18.2 below.

18.2 The following clause must be included in every written Council contract:

The Council may terminate this contract and recover all its loss if the contractor, its employees or anyone acting on the contractor's behalf do any of the following things:

- (a) offer, give or agree to give to anyone any inducement or reward in respect of this or any other Council contract or
- (b) commit an offence under the Prevention of Corruption Acts 1889 or 1916 or section 117 (2) of the Local Government Act 1972 or
- (c) commit any fraud in connection with this or any other Council contract whether alone or in conjunction with Council members, contractors or employees.

Any clause limiting the contractor's liability shall not apply to this clause.

19. DECLARATION OF INTERESTS

19.1 If it comes to the knowledge of a member or an employee of the Council that a contract in which he or she has a pecuniary interest has been or is proposed to be entered into by the Council, he or she shall immediately give written notice to the Chief Executive and immediately withdraw from any involvement with that contract process. The Chief Executive shall report such declarations to the appropriate committee.

19.2 Such written notice is required irrespective of whether the pecuniary interest is direct or indirect. An indirect pecuniary interest is distinct from a direct pecuniary interest in as much as it is not a contract to which the member or employee is directly a party.

19.3 A shareholding in a body not exceeding a total nominal value of £1K or 1% of the nominal value of the issued share capital (whichever is the less) is not a pecuniary interest for the purposes of these Contract Procedure Rules.

19.4 The Chief Executive shall maintain a record of all declarations of interest notified by members and officers.

SECTION 5:

22. CONTRACT MONITORING, EVALUATION AND REVIEW

22.1 All contracts which have a value higher than the EU Threshold limits, or which are high risk, are to be subject to monthly formal review with the contractor. The review may be conducted quarterly if permitted by the Head of Service.

22.2 For all contracts with a value higher than the EU Threshold limits, or which are high risk, an annual report must be submitted to the Head of Service.

22.3 During the life of the contract, the officer must monitor in respect of

- Performance and relevant key performance indicators
- Compliance with specification and contract
- Cost
- Any value for money requirements
- User satisfaction and risk management

22.4 A summary report should be submitted to the relevant Cabinet Member for contracts awarded over £1m on an annual basis based on the assessment that the purchasing need and the contract objectives (as determined in accordance with Rule 5.2) were met by the contract. This should be done normally when the contract is completed. Where the contract is to be re-let, a provisional report should also be available early

enough to inform the approach to re-letting of the subsequent contract.

(3) In this code, "sensitive information" means (i) information whose availability for inspection by the public creates, or is likely to create, a serious risk that you or a person who lives with you may be subjected to violence or intimidation or (ii) information, the disclosure of which would or could place you in breach of a legally or professionally enforceable duty of confidence.

Monmouthshire County Council adopted this revised version of the Code of Conduct at its Annual Meeting on 12th May 2016.

CODE OF CONDUCT FOR EMPLOYEES

The Code of Conduct (Qualifying Local Government Employees) (Wales) Order 2001 incorporates the following code into every contract of employment for qualifying employees.

General Principles

1. The public is entitled to expect the highest standards of conduct from all qualifying employees of relevant authorities. The role of such employees is to serve their employing authority in providing advice, implementing its policies, and delivering services to the local community. In performing their duties, they must act with integrity, honesty, impartiality and objectivity.

Accountability

2. Qualifying employees of relevant authorities work for their employing authority and serve the whole of that authority. They are accountable to, and owe a duty to that authority. They must act in accordance with the principles set out in this Code, recognising the duty of all public sector employees to discharge public functions reasonably and according to the law.

Political Neutrality

3. Qualifying employees of relevant authorities, whether or not politically restricted, must follow every lawfully expressed policy of the authority and must not allow their own personal or political opinions to interfere with their work. Where qualifying employees are politically restricted (by reason of the post they hold, the nature of the work they do, or the salary they are paid), they must comply with any statutory restrictions on their political activities.

Relations with members, the public and other employees

4. Mutual respect between qualifying employees and members is essential to good local government, and working relationships should be kept on a professional basis.

5. Qualifying employees of relevant authorities should deal with the public, members and other employees sympathetically, efficiently, and without bias.

Equality

6. Qualifying employees of relevant authorities must comply with policies relating to equality issues, as agreed by the authority, in addition to the requirements of the law.

Stewardship

7. Qualifying employees of relevant authorities must ensure that they use public funds entrusted to them in a responsible and lawful manner, and must not utilise property, vehicles or other facilities of the authority for personal use unless authorised to do so.

Personal Interests

8. Whilst qualifying employees' private lives are their own concern, they must not allow their private interests to conflict with their public duty. They must not misuse their official position or information acquired in the course of their employment to further their private interests, or the interests of others. In particular, they must comply with:

(1) any rules of their relevant authority on the registration and declaration by employees of financial and non - financial interests,

(2) any rules of their relevant authority on the declaration by employees of hospitality or gifts offered to or received by them, from any person or organisation doing or seeking to do business, or otherwise benefiting or seeking to benefit from a relationship with the authority. Qualifying employees must not accept benefits from a third party unless authorised to do so by their relevant authority.

Whistleblowing

9. In the event that a qualifying employee becomes aware of activities which that employee believes to be illegal, improper, unethical or otherwise inconsistent with this Code, the employee should report the matter, acting in accordance with the employee's rights under the Public Interest Disclosure Act 1998, and with the relevant authority's confidential reporting procedure, or any other procedure designed for this purpose.

Treatment of Information

10. Openness in the dissemination of information and decision making should be the norm in relevant authorities. However, certain information may be confidential or sensitive and therefore not appropriate for a wide audience. Where confidentiality is necessary to protect the privacy or other rights of individuals or bodies, information should not be released to anyone other than a member, relevant authority employee or other person who is entitled to receive it, or needs to have access to it for the proper discharge of their functions. Nothing in this Code can be taken as overriding existing statutory or common law obligations to keep certain information confidential, or to divulge certain information.

Appointment of Staff

11. Qualifying employees of relevant authorities involved in the recruitment and appointment of staff must ensure that appointments are made on the basis of merit. In order to avoid any possible accusation of bias, such employees must not be involved in any appointment, or any other decisions relating to discipline, promotion or pay and conditions for any other employee, or prospective employee, to whom they are related, or with whom they have a close personal relationship outside work.

Investigations by Monitoring Officers

12. Where a monitoring officer is undertaking an investigation in accordance with regulations made under section 73(1) of the Local Government Act 2000 a qualifying employee must comply with any requirement made by that monitoring officer in connection with such an investigation.

To the extent that its provisions do not conflict with the foregoing statutory code, the Council has adopted (after appropriate consultation) the following Code of Conduct for Employees.

Introduction

The public is entitled to expect the highest standards of conduct from all employees who work for local government. This Code of Conduct is based on the recommendations of the Committee on the Standards of Conduct in Public Life. It applies to employees' conduct both within the council and when dealing with other organisations as a representative of the council. The principles detailed below are the basic ones governing all council employees.

The Code does not affect an employee's rights and responsibilities under the law; its purpose is to provide clear and helpful advice but all employees must comply with the Code.

This Policy should be read in conjunction with the council's Whistle Blowing procedure, the Dignity at Work policy and the Social Media Policy. This allows employees to disclose any wrong doing on the part of any employee or Councillor under The Public Interest Disclosure Act 1998. A breach of this Code may give rise to disciplinary action, which will be taken in accordance with the Council's Disciplinary Procedure.

The Code incorporates “The Seven Principles of Public Life”

Selflessness

Employees shouldn't take decisions which will result in any financial or other benefit to themselves, their family, or their friends. Decisions should be based solely on the Council's best interests.

Integrity

Employees shouldn't place themselves under any financial or other obligation to an individual or an organisation which might influence them in their work with the Council.

Objectivity

Any decisions that employees take in the course of their work, including making appointments, awarding contracts, or recommending individuals for rewards or benefits must be based solely on merit.

Accountability

Employees are accountable to the council as their employer. The council, in turn, is accountable to the public.

Openness

Employees should be as open as possible in all the decisions and actions that they take. They should give reasons for their decisions and shouldn't restrict information unless this is clearly required by council policy or by the law.

Honesty

Employees have a duty to declare any private interests, which might affect their work with the council.

Leadership

Employees in a leadership or managerial position should promote and support these principles by their leadership and example.

Standards

The aim of this code is to apply standards for all Monmouthshire County Council employees on the understanding that the citizens of Monmouthshire are entitled to expect the highest standards of conduct and where it is part of their duties, to provide appropriate advice to Councillors and fellow employees with impartiality.

Employees will be expected to bring any deficiency in the provision of service or any impropriety or breach of procedure which would have a

detrimental impact on the Council to the attention of the appropriate level of management.

The standards laid down in this Code are considered to be fundamental to the reputation of the Council. Any uncertainty about the meaning of this code is not accepted as a reason for failing to comply with it. If employees are in doubt they should seek advice from a Chief Officer.

Social Media

It's your own personal choice whether or not you participate in any kind of social media activity in your own time – the views and opinions that you express are your own. However, as a council employee you should be aware that any information which you post about Monmouthshire County Council cannot be kept entirely separate from your working life.

What you say openly online can be accessed around the world within seconds, it might be shared or re-published elsewhere (online or in print) and it will continue to be available for all to see in the future. You must be willing to take personal responsibility for anything that you say online.

The council would expect staff to make a distinction between their own views and those where they represent their employer. It may be appropriate to add a disclaimer to your personal blog or social media profile to make it clear that your personal accounts are your own – for example: "These views are my own not my employers".

Think about what capacity you're speaking in, particularly if you are commenting about Monmouthshire County Council. Make sure you avoid misunderstandings about whether you're speaking as part of your work or not. Seek further advice if you're unsure.

Check your online privacy settings so that you understand who can see the information you publish and who can view your personal information.

Respect privacy and confidentiality – make sure you don't publish any information that should be kept private.

Stay safe – don't give out personal details such as your address or phone number.

Make sure that you're familiar with the council's policy about personal use of electronic communications in the workplace.

Relationships

The Local Community and Service Users

Employees should always remember the responsibilities to the citizens they serve and ensure courteous, efficient and impartial service delivery to all groups and individuals within that community.

Councillors

Employees are responsible to the Council through its senior managers and leaders. For some, their role is to give advice to councillors and senior managers and all are there to carry out the Council's work. Mutual respect between employees and councillors is essential to good local government. Close personal familiarity between employees and individual councillors can damage the relationship and prove embarrassing to other employees and councillors and should therefore be treated with caution.

Contractors

All relationships of a business or private nature with external contractors, or potential contractors, should be made known to the appropriate manager. Orders and contracts must be awarded on merit, by competition against other tenders, and no favour should be shown to businesses run by, for example, friends, partners or relatives in the tendering process. No part of the local community should be discriminated against. At all times the requirements of the Councils Contract Standing Orders must be applied.

Employees should let their Chief Officer know if they appoint or supervise contractors with whom they have a current or previous relationship in a private or domestic capacity.

All members of the public, citizens, customers, colleagues and Elected Members should be dealt with fairly, equitably, with dignity and respect in line with the principles of the Equality Act 2010 and the policies of the Council.

Appointment and Employment

All appointments will be made on merit. It is unlawful for an employee to make an appointment which was based on anything other than the ability of the candidate to undertake the duties of the post.

In order to avoid any possible accusation of bias, employees should not be involved in an appointment where they are related to an applicant, or have a close personal relationship outside work with him or her.

Similarly, employees should not be involved in decisions relating to discipline promotion or pay for any employee who is a relative, partner, etc.

Canvassing of members or Employees of the Council

Candidates will be disqualified if they canvass members or employees of the council directly or indirectly in connection with any appointment within the Council. Employees can give a written reference of a candidate's suitability for appointment, but they can't solicit for them or recommend them for appointment or promotion.

Politically Restricted Posts (PoRPs)

The effect of including a local authority employee on the list of 'politically restricted posts' is to prevent that individual from having any active political role either in or outside the workplace. Politically restricted post holders will automatically be disqualified from

- Standing for or holding elected office
- Acting as an election agent or sub agent
- Being an officer of a political party or of any branch of such a party or a member of any committee or sub-committee of such a party
- Canvassing on behalf of a political party or on behalf of a person who is, or proposes to be, a candidate for election
- Speaking to the public at large or to a section of the public with the apparent intention of affecting public support for a political party.

These restrictions are incorporated as terms in the employee's contract of employment.

Politically restricted posts fall into two broad categories: specified posts and sensitive posts.

Specified posts:

- Head of the Paid Service (Chief Executive)
- Statutory Chief Officers, Chief Finance officer (section 151 officer)
- Non-statutory Chief Officers (officers reporting to the Chief Executive)
- Deputy Chief Officers (officers reporting to a Chief Officer)
- The Monitoring Officer

- Officers exercising delegated powers, i.e. persons whose posts are for the time being specified by the authority.

Sensitive posts:

A sensitive post is one which meets one or both of the following duties-related criteria:

- Giving advice on a regular basis to the Council, to any committee or sub-committee of the Council or to any joint committee on which the Council is represented; or where the Council operates executive arrangements, to the executive of the authority; to any committee of that executive; or to any member of that executive who is also a member of the authority
- Speaking on behalf of the authority on a regular basis to journalists or broadcasters.

Teachers and Head Teachers are exempt from political restrictions and are not regarded as holding 'PoRPs' whatever their role.

Political Neutrality

Employees work for the Council as a whole, including Elected Members and must ensure that the individual rights of all members are respected.

If employees are required to advise political groups, they must do so in a way which does not compromise their political neutrality.

Employees, whether or not politically restricted, must follow every lawful expressed policy of the authority and must not allow their own personal or political opinions to interfere with their work.

Outside Commitments

Employees on Band G and above will need to obtain written consent from their Chief Officer prior to taking on any outside employment. All employees should be clear about their contractual obligations and should not take outside employment which could conflict with the authority's interests or use Council premises or equipment for other than Council business.

Personal interests

Employees must declare in writing to their Chief Officer any financial or non-financial interests which could conflict with the Council's interests. A copy of this declaration should be sent to the Chief Executive.

Employees should tell their Chief Officer if they are a member of any organisation that isn't open to the public without formal membership and

commitment or allegiance and which has secrecy about rules or membership or conduct.

Disclosure of Information

The Council's decision making process must be transparent and open. The Council must provide the public with clear and accessible information about how it operates. It must also ensure that there is an effective complaints procedure in place for the public to use when things go wrong.

The Council is committed to ensuring that all data collected, held or obtained under its control is dealt with in an ethical and legally responsible manner. Failure to do so would jeopardise the credibility of the council and may cause the council to breach disclosure legislation.

The Council's policy is that information will be made open and available. There are exceptions to this principle of openness where confidentiality is involved. Information may be withheld if, for example, it would compromise a right of personal or commercial confidentiality. This doesn't apply where there is a legal duty to provide information. Employees must not break the law in this area.

In particular, information mustn't be supplied about employees to any person outside the Council unless the consent of the employee is obtained first. This won't apply where there is a statutory duty to provide information, e.g. HMRC, DWP etc. or in the process of prevention or detection of fraud, as detailed below. If there is any doubt employees should raise the matter with their line manager.

Breaches of confidentiality will constitute a breach of this code which could result in disciplinary action, including dismissal. Under the Data Protection Act 1998, breaches of confidentiality can lead in certain circumstances, to legal proceedings against employees as individuals.

In order to ensure a co-ordinated approach to the Council's external relations, requests for information from the media should be dealt with by the Communications Manager or an employee authorised by a Chief Officer.

If in any doubt as to whether to divulge information to anyone the relevant line manager should be consulted.

Separation of roles during Tendering

Employees involved in the tendering process and dealing with contractors should be clear on the separation of client and contractor roles within the Council. Senior employees who have both a client and contractor responsibility must be aware of the need for accountability and openness

and must exercise fairness and impartiality when dealing with all customers, suppliers, other contractors and sub-contractors.

Employees who are privy to confidential information on tenders or costs for either internal or external contractors should not disclose that information to any unauthorised party or organisation.

Employees contemplating a management buyout or similar arrangement should, as soon as they have formed a definite intent, inform their Chief Officer and withdraw from the contract awarding processes.

Employees should ensure that no favour is shown to current or recent former employees or their partners, close relatives or associates in awarding contracts to businesses run by them or employing them in a senior or relevant managerial capacity.

Bribery and Corruption

Under the Bribery Act 2010 employees must be aware that it is a serious criminal offence to;

- Bribe a person to induce or reward them to perform a relevant function improperly
- Request, accept or receive a bribe as a reward for performing a relevant function improperly
- Use a bribe to influence a foreign official to gain a business advantage.

Surveillance

There may be circumstances that warrant the authority to carry out covert surveillance. This will only be in situations where all other investigative options have been exhausted.

Use of Financial Resources

Employees must ensure that they use public funds entrusted to them in a responsible and lawful manner. They should strive to ensure value for money to the local community and to avoid legal challenge to the authority.

Hospitality

Employees should only accept offers of hospitality if there is a genuine need to impart information or represent the local authority in the community. Offers to attend purely social or sporting functions should be accepted only when these are part of the life of the community or

where the authority should be seen to be represented. They should be properly authorised by Chief Officers and recorded.

People making the offer of hospitality should be courteously but firmly declined and they should be informed of the procedures and standards operating within the authority.

Employees should not accept significant personal gifts from contractors and outside suppliers, although insignificant items of token value such as pens, diaries, etc. are acceptable.

When receiving authorised hospitality, employees should be particularly sensitive as to its timing in relation to decisions which the authority may be taking affecting those providing the hospitality.

Sponsorship - Giving and Receiving

Where an outside organisation wishes to sponsor or is seeking to sponsor a Council activity, whether by invitation, tender, negotiation or voluntarily, the basic conventions concerning acceptance of gifts or hospitality apply. Particular care must be taken when dealing with contractors or potential contractors.

Where the authority wishes to sponsor an event or service an employee nor any partner, spouse or relative must benefit from the sponsorship in a direct way without there being full disclosure to their Chief Officer of their interest. Similarly, where the authority through sponsorship, grant aid, financial or other means, gives support in the community, employees should ensure that impartial advice is given and that there is no conflict of interest involved.

The Council and the citizens of Monmouthshire expect the highest standards of conduct from all employees, therefore we encourage employees and others with serious concerns about any aspect of the Council's work to come forward and voice those concerns. You can do this through the Whistle Blowing policy if you want. Remember that if you fail to inform us it may result in disciplinary action being taken against you for failing to tell us.

WHISTLEBLOWING POLICY

INTRODUCTION - What is Whistleblowing?

In this policy 'Whistleblowing' means the reporting by employees of suspected misconduct, illegal acts or failure to act within the Council or School.

Monmouthshire County Council and School Governing Bodies expect the highest standards of conduct from all employees, and encourage employees and others with serious concerns about any aspect of the Council / School's work to come forward and voice those concerns in a safe environment. This policy enables employees to raise concerns at an early stage and in the correct way.

If you are considering raising a concern you should read this policy first. It explains:

- The types of issues/disclosures that can be raised
- How the person raising a concern will be protected from victimisation and harassment
- How to raise a concern
- What the Council/School will do

Whistleblowing is defined as:

'The disclosure by an employee or professional of confidential information which relates to some danger, fraud or other illegal or unethical conduct connected with the work place, be it of the employer or his/her fellow employees' (Public Concern at Work Guidelines 1997).

Statutory protection for employees who whistle blow is provided by the Public Interest Disclosure Act 1998 ("PIDA"). The PIDA protects employees against victimisation if they make a protected disclosure within the meaning of the PIDA and speak out about concerns around conduct or practice within the Council/ school which is potentially illegal, corrupt, improper, unsafe and unethical or which amounts to malpractice.

AIM AND SCOPE OF POLICY

The Council / School Governing Body is committed to achieving the highest possible standards of service and the highest possible ethical standards in public life and in all of its practices and will treat whistleblowing as a serious matter. In line with the Councils/ Governing Body's commitment to openness, probity and accountability, employees are encouraged to raise concerns which will be taken seriously, investigated and appropriate action taken in response.

In its application, this policy seeks to ensure that there is no discrimination against employees either directly or indirectly on grounds prohibited by the Equality Act 2010 which covers age, disability, gender reassignment, marriage and civil partnership, pregnancy and

maternity, race, religion or belief, sex or sexual orientation This policy is inclusive of partners of the opposite or same sex.

The policy is designed to ensure that you raise your concerns about wrongdoing or malpractice within the Council/ School without fear of victimisation, subsequent discrimination, disadvantage or dismissal.

The policy aims to:

- Encourage you to feel confident in raising serious concerns at the earliest opportunity and to question and act upon concerns about practice
- Provide avenues for you to raise those concerns and receive feedback on any action taken
- Ensure that you receive a response to your concerns and that you are aware of how to pursue them if you are not satisfied
- Provide reassurance that you will be protected from possible reprisals or victimisation if you have made disclosure in good faith and within the meaning of the PIDA.

TYPES OF ISSUES/DISCLOSURES THAT CAN BE RAISED

In legislation, the types of disclosure include the following:

- a) That a crime has been committed, is being committed, or is likely to be committed
- b) That a person has failed, is failing, or is likely to fail to comply with any legal obligation to which they are subject,
- c) That a miscarriage of justice has occurred, is occurring, or is likely to occur
- d) That the health & safety of an individual has been, is being, or is likely to be endangered
- e) That the environment has been, is being, or is likely to be damaged
- f) That information tending to show any of (a) to (e) above has been concealed or is likely to be deliberately concealed

In addition to the above, and as further examples, this policy also covers whistleblowing relating to alleged:

- unlawful conduct
- miscarriages of justice in the conduct of statutory or other processes
- failure to comply with a statutory or legal obligation
- potential maladministration, misconduct or malpractice
- health and safety issues including risks to the public as well as risks to pupils and members of staff
- action that has caused or is likely to cause danger to the environment
- abuse of authority

- unauthorised use of public or other funds, fraud, bribery or corruption
- breaches of financial regulations or policies
- mistreatment of any person
- action that has caused or is likely to cause physical danger to any person or risk serious damage to Council or School property
- sexual, physical or emotional abuse of members of staff, service users, or pupils
- unfair discrimination or favouritism
- behaviour which is discriminatory towards someone with a protected characteristic under the Equality Act 2010.
- racist incidents or acts, or racial harassment or intimidation
- attempt to prevent disclosure of any of the issues listed

RELEVANT LEGISLATION

The Council recognises its responsibilities under the following legislation:

- The Public Interest Disclosure Act 1998
- The Enterprise and Regulatory Reform Act 2013
- Employment Rights Act 1999
- The Equality Act 2010
- The Bribery Act 2010
- The Trade Union and Labour Relations (Consolidation) Act 1992

The policy should be read in conjunction with the Councils:

- Codes of Conduct for both employees and County Councillors
- Disciplinary Policy
- Equality Policy
- Grievance Policy
- Guide to Volunteering

If an employee is the subject of disciplinary or redundancy procedures they will not be halted as result of whistleblowing.

POLICY SCOPE

This policy is intended to enable those who become aware of wrongdoing in the Council/School affecting some other person or service, to report their concerns at the earliest opportunity so that they can be properly investigated. The Whistleblowing Policy is not intended to replace existing procedures:

- If your concern relates to your own treatment as an employee, you should raise it under the existing grievance or harassment procedures.

- If a client has a concern about services provided to him/her, it should be raised as a complaint to the Council (Tel: 01633 644 644).
- Complaints of misconduct by County Councillors are dealt with under a separate procedure. For further information please contact the Council's Monitoring Officer. Tel: 01633 644 644.

WHO CAN RAISE A CONCERN UNDER THIS POLICY?

The policy applies to all:

- Employees of Monmouthshire County Council
- Employees of contractors working for the Council/School.
- Those providing services under a contract or other agreement with the Council/School
- Voluntary workers working with the Council/School

SAFEGUARDING WHISTLEBLOWERS – OUR ASSURANCES TO YOU

The Chief Executive is committed to this policy. If you raise a genuine concern under this policy you will not be at risk of losing your job, or suffer any form of retribution, victimisation or detriment as a result. It won't matter if you are mistaken provided you genuinely believe that you are acting in the public interest. Of course we cannot extend this assurance to an individual who maliciously raises a matter they know to be untrue.

YOUR LEGAL RIGHTS

This policy has been written to take account of the Public Interest Disclosure Act 1998 (PIDA) which protects workers making disclosures about certain matters of concern, when those disclosures are made in accordance with the Act's provisions and in the public interest. The Act makes it unlawful for the Council/School Governing Body to dismiss anyone or allow them to be victimised on the basis that they have made an appropriate lawful disclosure in accordance with the Act.

HARASSMENT AND VICTIMISATION

The Council / School Governing Body is committed to good practice and high standards and to being supportive of you as an employee/worker.

The Council/School Governing Body recognises that the decision to report a concern can be a difficult one to make. If you honestly and reasonably believe what you are saying is true, you should have nothing to fear because you will be doing your duty to your employer, your colleagues and those for whom you are providing a service.

The Council/School Governing Body will not tolerate any harassment or victimisation of a whistle-blower (including informal pressures) and will take appropriate action to protect you

when you raise a concern in accordance with the PIDA provisions, and will treat such harassment and victimisation as a serious disciplinary offence or in the case of contractors, a breach of contract.

CONFIDENTIALITY

Whilst a qualifying disclosure is expected to have substance, it is not expected that the employee raising the disclosure will need to prove it is true. It is the responsibility of the Designated Officer.

All disclosures will be treated in confidence and every effort will be made not to reveal your identity if that is your wish, unless disclosure is required by law.

In some circumstances, for example in disciplinary processes, it may not be possible to take action as a result of your disclosure without your help, so you may be asked to come forward as a witness. If you agree to this, you will be offered advice and support.

The Council / School Governing Body will not place employees under pressure to give their name and will give due consideration to proceeding with investigating the concern on the basis of an anonymous allegation.

ANONYMOUS ALLEGATIONS

This policy encourages you to put your name to your allegation whenever possible - anonymous concerns are much less powerful and it will be much more difficult to provide feedback to you. Nonetheless anonymous concerns will be considered under this whistleblowing policy especially concerns raised relating to the welfare of children or vulnerable adults. In relation to determining whether an anonymous allegation will be taken forward the Council / School Governing Body will take the following factors into account:

- the seriousness of the issue raised
- the credibility of the concern
- the likelihood of confirming the allegation from attributable sources, and obtaining information provided.

The provisions of the Data Protection Act 1998 must be observed during the process, particularly in disclosure, use and processing of personal information.

UNTRUE ALLEGATIONS

If an allegation is made which it is believed to be in the public interest but it is not confirmed by further enquiry or by an investigation, no action will be taken against the person who raised the initial concern. If, however, the enquiry/investigation shows that untrue concerns were malicious and/or vexatious or made frivolously or made for personal gain, then the Council / School Governing Body will consider taking appropriate action which could include disciplinary action.

SUPPORT FOR YOU

The Council/School Governing Body have a duty of care to their employees. Support for the individuals involved in this process is key to fulfilling this duty. Any concern that is raised will be taken seriously.

For those individuals who raise concerns and for those individuals who may have concerns raised about them, the Council/ School Governing Body will do all it can to help you throughout the process. Support for employees will include the offer of access to welfare counselling and medical advice and support. Individuals will be advised to contact their Trade Union representative, or a work place colleague (not involved in the area of work to which the concern relates) for additional support. Individuals will also be offered an additional point of contact for support during the process.

Any meetings that may be required as part of the process can be arranged away from the workplace if necessary and individuals have the right to be accompanied by their trade union representative or work based colleague.

Unless there are legal reasons why this cannot be done, you and the person against whom allegations are made will be kept informed of the progress and outcome of any investigation by the Designated Officer.

Malpractice about an adult(s) at risk*	Chief Officer, Social Care & Health (Tel: 01633 644 644)

*If you feel that your concern has not been adequately addressed or if you think it will not be adequately addressed you should raise your concern with the Chief Officer, Social Care & Health as a whistleblowing concern.

If your concern is a safeguarding concern about a child or adult at risk (rather than about potential malpractice), this should be reported to Monmouthshire Children's Services or Adult Services respectively via normal Child Protection /Protection of Vulnerable Adults (POVA) processes. Tel: 01633 644 644.

PROCEDURE FOR MAKING A WHISTLEBLOWING ALLEGATION

If possible the concern should be put in writing for the avoidance of doubt. It should set out:

- the background and history of the concern;
- give names, dates and places where possible,
- an explanation of the reason for the concerns.

If you feel unable to put the matter in writing you can still raise your concern verbally. Also if you feel that you cannot express your concerns with the Council / School Governing Body, you can also ask your Trade Union representative or work based colleague to raise the matter on your behalf and/or to support you in raising the concern. The above table provides a guide to whom a concern can be raised with - advice and support on this can be sought from People Services HR (01633 644644), the Monmouthshire Legal department (01633 644 064) or your Trade Union representative.

If the concern needs to have Police or other statutory authority involvement, the whistleblowing process will be halted until the statutory authorities have completed their investigations and confirmed that it is appropriate to continue with the whistleblowing process. This must take place even if the statutory authorities take the decision not to pursue a criminal investigation.

Normally, the person who the concern is raised with, or reported to, becomes the Designated Officer. The Designated Officer is responsible for making initial enquiries about the matter and for keeping all parties informed of progress and advising of the outcome. It may be necessary for the Council/ School Governing Body to appoint a person other than the person to whom the allegation or concern was raised with/reported to.

WHAT THE COUNCIL/SCHOOL GOVERNING BODY WILL DO

A key principle for the Council/School Governing Body will be the public interest. In order to be fair to all employees, initial enquiries will be made by the Designated Officer / person appointed to decide whether an investigation is appropriate and if so what form it should take.

The concern raised may require the following:

- enquiry internally in the Council / School
- need to be passed to the Police if it relates to alleged criminal activity
- need to be passed to Internal Audit, if the complaint is about financial management or financial propriety
- need to be referred through established child protection/POVA procedures

At this stage concerns / allegations are neither considered founded or unfounded pending the investigation if deemed necessary.

TIMESCALES

The Designated Officer or person appointed by the Council / School Governing Body to look into whistleblowing allegation will normally provide a written acknowledgement to you **within 5 working days** (except in the case of anonymous allegations):

- acknowledging the concern has been received
- indicating how it is proposed to deal with the matter
- giving an estimate of how long it will take to provide a final response
- advising of the support available whilst matters are looked into
- telling you whether further investigations will take place and if not, why not

The Designated Officer or person appointed will write to you and the individual against whom the concern has been raised to acknowledge receipt and to indicate that the procedures have been commenced.

Depending on the nature of the allegation / concern, provision of a final response may take longer than 5 working days. If this is the case, the Designated Officer or person appointed will notify all individuals in writing providing an indication when the enquiry will be completed.

Where possible, enquiries will be completed within **10-15 working days** from the date of receipt of the initial written response from the Designated Officer/person appointed

If the enquiry extends beyond the timescales above all individuals concerned will be notified in writing by the Designated Officer or person appointed, providing an indication when the enquiry will be completed.

The Designated Officer /person appointed might investigate the concerns raised themselves or the Designated Officer might appoint an independent investigator to do so. As part of this process, the person who investigates the concerns raised will:

- Look into the concern - seeking evidence and interviewing witnesses as necessary.
- Maintain confidentiality wherever possible (but there is not a 100% guarantee that the whistle-blower can remain anonymous).
- If appropriate, refer the matter to Audit, if the complaint is about financial management or financial propriety in schools
- If appropriate, for concerns of criminal behaviour refer the matter to the Police.
- If appropriate, for concerns of child protection or vulnerable adults, refer the matter through the established child protection/POVA procedures.

The amount of contact time between you and the Designated Officer or person appointed to consider and/or investigate the issues will depend on the nature of the matters raised, the potential difficulties involved and the clarity of your information. It is likely that you will be interviewed to ensure that your disclosure is fully understood.

Any meeting with you can be arranged away from the workplace, if needs be, and a trade union representative or work based colleague may accompany you for support. You need to be assured that your disclosure has been properly addressed. Unless there are legal reasons why this cannot be done, you will be kept informed of the progress and outcome of any investigation.

Following completion of the enquiry/investigation process, the Designated Officer or independent investigator will make a written report normally within **5 working days**. This report will contain findings and make recommendations for the Designated Officer (if an independent investigator has been appointed) or the appropriate committee of the School Governing Body to consider

The report will not contain your name as the whistle-blower, unless you have expressly stated that you wish to be named.

On conclusion of any investigation, you and the person against whom the allegation is made, will be told the outcome of the investigation and what action has been done/proposed. If no action is to be taken, the reason for this will be explained. In addition, matters raised as part of the investigation may:

1. Be referred to the Police
2. Be referred to the External Auditor
3. Form the subject of an independent inquiry

4. Be referred to an alternative policy (e.g., Disciplinary Policy or Grievance Policy)
5. Some concerns may be resolved as an agreed action without the need for investigation

HOW THE MATTER CAN BE TAKEN FURTHER

This policy is intended to provide you with a route within the Council/School to raise concerns. However, if you do not wish to raise concerns internally or if the concern has not been dealt with satisfactorily, the following are possible contact points. If you take the matter outside the Council/ School, you should ensure that you do not disclose confidential information unless that disclosure is privileged and relevant to the concern raised. Anyone proposing external disclosure should seek independent legal advice or contact the Public Concern at Work organisation.

 - Record of the number and types of concerns and the outcome of investigations

- Feedback from individuals who have used the arrangements including staff awareness, trust and confidence in the arrangements

SCRUTINY AND EXECUTIVE PROTOCOL

The Scrutiny and Executive protocol is a guide for elected Members and other parties outlining the interface between Scrutiny and the Executive and the procedural elements that underpin the relationship. Further information on Scrutiny will be provided in the Scrutiny handbook (under development). The protocol draws on the relevant sections of the Constitution of Monmouthshire County Council, which can be found on the Council's website at www.monmouthshire.gov.uk

Monmouthshire's Scrutiny Arrangements

Scrutiny will act as a 'critical friend' to the Cabinet and other decision makers in order to promote better services, policies and decisions. Through their work, Scrutiny and Cabinet will agree to operate within the values of the Council: Openness, Teamwork, Flexibility and Fairness. In compliance with S21 Local Government Act 2000 and Paragraphs 8 and 9 of Schedule 1 to the Act, Select Committees will;

- Consider reports and make recommendations to inform and advise the Cabinet or Council or other decision-making bodies on improvements to policies and service delivery.
- Hold the Cabinet to account for decisions, performance, risk management and budget management.
- Enable the public to engage in the work of the Council by holding public meetings to inquire into matters of local concern.

Monmouthshire has four Select Committees, each with distinct terms of reference, which are detailed in Article 6 of the Constitution:

- Children and Young People's Select Committee
- Adults Select Committee
- Economy and Development Select Committee
- Strong Communities Select Committee

General Roles

Within their terms of reference Select Committees will:

1. Review and / or scrutinise
 - (a) decisions or actions taken,
 - (b) policies or processes in connection with the discharge of any of the Council's functions;

2. Make reports and / or recommendations to the Council meeting and /or the Cabinet on the discharge of any of the Council's functions;
3. Consider any matter affecting the area or its inhabitants and make recommendations to any decision making body as appropriate.

Specific Functions

Select Committees may:

1. Assist the Council in reviewing service delivery and performance through in-depth analysis;
2. Review and scrutinise the decisions made by and the performance of the Cabinet and / or Committees and / or other Constitutional Bodies and the Council and / or any Chief Officers both in relation to individual decisions and over time;
3. Review and scrutinise the performance of the Council in relation to its policy objectives, performance targets and / or particular service areas
4. Conduct research, community and other consultation in the analysis of service or policy issues and possible options;
5. Consider and implement mechanisms to encourage and enhance community participation in the development of policy or the improvement of services;
6. Question Members of the Cabinet and / or Committees and / or other Constitutional bodies and appropriate Officers about their proposed policies, decisions and performance
7. Make recommendations to the Cabinet and / or appropriate Committee and / or other constitutional bodies and / or Council arising from the outcome of the Scrutiny process;
8. Review and scrutinise the performance of other public bodies in the area and invite reports from them by requesting them to address the Scrutiny Board and local people about their activities and performance;
9. Question and gather evidence from any person outside of the Authority (with their consent).
10. Assist the Council and the Cabinet in the review of its budget and policies by in-depth analysis of policy issues;
11. Liaise with other external organisations operating in the area, whether national, regional or local, to ensure that collaborative working enhances the interests of local people;

Setting the Work Programme

At the beginning of the Scrutiny year (September), each Select Committee will agree an outline work programme for the year in consultation with the relevant senior Officers and take into account the views of the public and of partner agencies. Topics suggested for Scrutiny should be

considered in line with the Scrutiny work programme topic selection criteria, the aim being to identify significant topics that will address a significant concern, will deliver a specific outcome and will add value to the work of the Council.

The most recent version of the Select Committee work programme will be reported to each Select Committee meeting to enable the Committee to review its content and include new items and to define the arrangements required for the next meeting. The updated Scrutiny Forward Work Programme will be presented by the Select Committee Chairs to meetings of the Council's Co-ordinating Board for the purpose of ensuring the clarity of topics being scrutinised and to avoid potential duplication in efforts. All Scrutiny work programmes will be made publicly available.

Setting the Agenda

Individual agenda items, other than standing items, are to be determined in the first instance by the work programme that is agreed by the relevant Select Committee. The Select Committees agree their work programmes and the decisions to consider additional items or defer planned are made at the discretion of the chair in consultation with the Scrutiny Manager.

The purpose of Scrutiny is to add value to the work of the Council. For this reason any items 'to note' i.e. that do not require a specific response from the Select Committee will be emailed to the Select Committee Members 'For Information', instead of being included on the agenda.

Evidence Gathering

Select Committees are entitled to gather evidence in connection with any review or inquiry they undertake as part of their agreed work plan. The Select Committee shall adopt methods of gathering evidence to inform their deliberations. These include, but are not limited to, task and finish groups, holding enquiries, going on site visits, conducting public surveys, holding public meetings, commissioning research, hearing from witnesses and appointing advisors and assessors. The knowledge of Councillors is also a valuable source of evidence and should be considered as part of each review / inquiry.

Select Committees shall be entitled to pay the reasonable fees and/or expenses of any individual or organisation assisting it, with the exception of Officers or Members of the Authority. Evidence gathering activity should not duplicate any other similar activity being undertaken by the authority or by other local agencies.

Attendance at Select Committees

A large part of evidence gathering will be through witnesses invited to give account directly to the Select Committee. Cabinet Members and Officers will not be expected to attend all Select Committee meetings, however, Select Committees are entitled under s21 of the Local Government Act 2000 to require any Member of the Executive or any Senior Officer to attend before it to give account for any matter within their responsibility or remit, particularly relating to:

- any particular decision
- the extent to which the actions have been taken to implement Council policy
- their performance

and it is the duty of those persons to attend if so required. Where in exceptional circumstances, the Member or Officer is unable to attend on the required date; the Select Committee shall in consultation with the Member or Officer arrange an alternative date for attendance.

When a Select Committee wishes to invite a Cabinet Member, Officer or another individual to a meeting, it will:

- Offer a minimum notice of 2 weeks
- Clearly outline the reason that the individual has been requested to attend and the likely areas upon which they are be expected to answer questions
- Identify whether any papers are required to be produced

Where individuals are required to attend before the Select Committee, as in the case of Officers or Members, the Chair shall ensure that those assisting the Select Committee by giving evidence are treated with courtesy and respect. A witness guide is currently being developed which will outline what to expect when attending a Select Committee.

Witnesses contributing evidence to Select Committees will be provided with feedback and whether further information is required as part of the Scrutiny.

Select Committee Meeting Procedure

Robust Scrutiny depends on effective questioning which relies on effective preparation. The meetings of Select Committees will operate as follows:

1. Main agenda items will be identified at the previous meeting in line with the agreed work programme. At this point potential witnesses and broad themes should be considered.
2. Prior to the meeting all Select Committee Members should be engaged in raising and discussing possible questions by email. The chair and vice chair of the Committee will facilitate this process.
3. A pre-meeting for all Select Committee Members will be held for 15 minutes immediately before the Select Committee meeting. The purpose is to ensure that Members are fully prepared for the Select Committee meeting and that the questioning strategy is clear.
4. During the Select Committee meeting, the chair will be responsible for ensuring that questioning is effective and that the Select Committee achieves its objective.
5. Officers are invited to attend for their item and shall not be expected to remain at the meeting unless agreed with the Chair.
6. At the close of the meeting, witnesses will be asked to leave to enable Select Committee Members to discuss their conclusions any recommendations arising from the meeting. These conclusions and recommendations will be reported to the relevant Cabinet Member(s) in the form of a Chairs' Letter. The session should also be used to review the effectiveness of the meeting and identify ways that future meetings could be improved.

Attending Call-in Meetings

The following arrangements apply to Call-in meetings:

- The Committee will invite the relevant Cabinet Member and/or Officer i.e. (the decision-taker) and any other Senior Officers the Committee considers appropriate to the meeting.
- In line with the Call-in Mechanism outlined in the constitution, the Committee is required to meet within 15 working days of the publication of the decision.
- The Committee will endeavour to offer appropriate notice to witnesses required to attend and will as far as possible ensure the scheduling of the Call-in meeting facilitates their attendance.
- In inviting Officers to attend, the relevant Chief Officer responsible will be consulted as a matter of courtesy.
- Scrutiny Committees welcome the views of additional Officers, however, to ensure consistency, transparency and openness, such Officers should indicate in advance of the agenda despatch (i.e. 3 working days prior to the meeting) that they wish to attend, with reasons for their attendance.
- Additional Officers should advise the Scrutiny Manager that they wish to attend, which will be discussed and agreed with the Chair

of the Select Committee. It is the discretion of the Committee to allow such Officers to take part in the meeting.

Responding to Scrutiny's Recommendations

Chairs Letters

Select Committees will agree outcomes of their meetings and detail the conclusions and any recommendations arising from any Select Committee meeting. The Select Committee may recommend amendments to a strategy or policy at their meeting and the Cabinet Member or Officer may accept the amendments at the meeting, which will be formally minuted.

The Chair may also formally raise concerns via a Chairs Letter directed to the relevant Cabinet Member(s) in person after the meeting has closed. In this instance, the Cabinet Member should respond in writing to the Select Committee within one month indicating whether the recommendation needs to be referred and what action (if any) they intend to take.

Task and Finish Group Inquiries

Select Committees may undertake an in-depth review, which will normally take a number of months and be conducted according to an agreed scoping report, the findings being shared publicly in a findings report.

Select Committees will abide by the following principles when conducting in-depth reviews or Task and Finish Group inquiries:

- Involve the Cabinet Member at the commencement / early stages of a review to inform them of the terms of reference of the Task and Finish Group and the lines of inquiry that will be pursued.
- Additional opportunities to involve the Cabinet Member throughout the review if felt appropriate.
- Recommendations will follow logically from conclusions which will be clearly evidenced by reference to the findings of the review. Recommendations should not reflect unsupported personal opinion or political views. At this stage advice will be sought from the relevant Officers about the legal and financial implications of draft recommendations.
- When a review is nearing completion, invite the Cabinet Member

to a meeting to discuss preliminary findings and if the Select Committee feels appropriate, test the viability of recommendations they wish to make.

- When a Scrutiny report has been agreed by Members of the Task and Finish Group, convene meeting with Cabinet Member to discuss the report's key findings and recommendations prior to the report being discussed at a public meeting (i.e. Select Committee).

If a Select Committee cannot agree on one single final report to the Executive then up to one minority report may be prepared and submitted for consideration with the majority report.

Once a Select Committee report has been agreed by the appropriate Select Committee, it will be submitted to the relevant Cabinet Member and published on the Council's website.

The report will then be scheduled in the Cabinet Forward Planner to be presented to a meeting of Cabinet within six weeks of it being agreed by the Select Committee.

The Chair of the relevant Select Committee will present the Report and accompanying recommendations to Cabinet. The relevant Cabinet Member will receive the Report on behalf of Cabinet but will not be required to respond to each of the recommendations individually at Cabinet.

Cabinet will be requested to ***“receive the report and consider the key findings and recommendations, responding to the relevant Select Committee within a 3 month period as to whether they accept (in part) or reject (in part) the Committee’s recommendations together with rationale and actions that will be taken”***.

The Cabinet Member is responsible for:

- Meeting with Officers once they have received the Scrutiny report to draft a response to the Select Committee based upon the Cabinet Response Template (detailed in Appendix A).
- After agreeing a draft response with Officers, reporting the draft response to the Cabinet for adoption.
- Forwarding the Cabinet response to the Select Committee (following adoption by the Cabinet) and attending a Select Committee to discuss their response.

Select Committees will be responsible for monitoring progress against the recommendations and ensuring the return of the Cabinet Member to the Select Committee within a defined timescale.

PROTOCOL ON MEMBER AND OFFICER RELATIONS

1. Introduction

The purpose of this Protocol is to guide Members and Employees of the Council in their relations with one another.

Mutual respect between Members and Employees is essential to good local government. However, close personal familiarity between individual Members and Employees can damage this relationship and prove embarrassing to other Members and Employees.

The relationship has to function without compromising the ultimate responsibilities of Employees to the Council as a whole, and with due regard to such technical, financial, professional and legal advice that Employees can legitimately provide to Members. The Protocol seeks to set a framework that assists the working relationships between Members and Employees.

2. Roles of Members

- a) Members undertake many different roles. Broadly these are:
- b) Members express political values and support the policies of the party or group to which they belong (if any).
- c) Members represent their electoral division and are advocates for the citizens who live in the area.
- d) Members are involved in active partnerships with other organisations as community leaders.
- e) Members contribute to the decisions taken in Full Council and in its various bodies on which they serve, as well as joint committees, outside bodies and partnership organisations.
- f) Members help develop and review policy and strategy.
- g) Members monitor and review policy implementation and service quality.
- h) Members are involved in quasi-judicial work through their Membership of regulatory committees.

3. Roles of Employees

Briefly, Employees have the following main roles:

- a) Managing and providing the services for which the Council has given them responsibility and being accountable for the efficiency and effectiveness of those services.
- b) Providing advice to the Council and its various bodies and to individual Members in respect of the services provided.
- c) Initiating policy proposals.

- d) Implementing agreed policy.
- e) Ensuring that the Council always acts in a lawful manner.

4. **Respect and Courtesy**

For the effective conduct of Council business there must be mutual respect, trust and courtesy in all meetings and contacts, both formal and informal, between Members and Employees. This plays a very important part in the Council's reputation and how it is seen in public. It is very important that both Members and Employees remember their respective obligations to enhance the Council's reputation and to do what they can to avoid criticism of other Members, or other Employees, in public places.

Undue Pressure

It is important in any dealings between Members and Employees that neither should seek to take unfair advantage of their position.

In their dealings with Employees (especially junior Employees), Members need to be aware that it is easy for them to be overawed and feel at a disadvantage. Such feelings can be intensified where Members hold senior official and/or political office.

A Member should not apply undue pressure on an Employee either to do anything that he is not empowered to do or to undertake work outside normal duties or outside normal hours. Particular care needs to be taken in connection with the use of Council property and services.

Similarly, an Employee must neither seek to use undue influence on an individual Member to make a decision in his favour, nor raise personal matters to do with their job, nor make claims or allegations about other Employees. *(The Council has formal procedures for consultation, grievance and discipline, and Employees have the right to report possible wrongdoing under the Council's Confidential Reporting Code.)*

Familiarity

Close personal familiarity between individual Members and Employees can damage the principle of mutual respect. It could also, intentionally or accidentally, lead to the passing of confidential information or information which should not properly be passed between them, such as personal details.

Such familiarity could also cause embarrassment to other Members and/or other Employees and even give rise to suspicions of favouritism.

For these reasons close personal familiarity must be avoided.

Breach of Protocol

If a Member considers that he has not been treated with proper respect or courtesy he may raise the issue with the Employee's line manager. If direct discussion with the manager does not resolve the complaint it should be referred to the Head of Service or Chief Officer responsible for the employee concerned. Breach of the Protocol may give rise to disciplinary proceedings against an Employee if the circumstances warrant it.

If an employee considers that a Member has contravened the protocol he should consult his line manager who will if necessary involve the Head of Service or Chief Officer. In certain circumstances breach of the Protocol may also constitute a breach of the Members' Code of Conduct. If the breach is sufficiently serious this may warrant a formal reference to the Monitoring Officer as a complaint to be considered for potential investigation by the Standards Committee. Many complaints will be capable of informal resolution. The Monitoring Officer or the Chief Executive will assist in this process if necessary.

5, Provision of Advice and Information to Members

Members are free to approach Employees of the Council to provide them with such information and advice as they may reasonably need in order to assist them in discharging their role as a Member of the Council. This can range from a request for general information about some aspect of the Council's activities to a request for specific information on behalf of a constituent.

Employees should always endeavour to respond to requests for information promptly and should in any event inform the Member if there is likely to be any appreciable delay in dealing with an enquiry. As a minimum the timescale for responding to correspondence should be observed i.e. either a full response or, if this is not possible, an acknowledgement that fully explains what is happening within [five] working days of the receipt of the enquiry.

The legal rights of Members to inspect Council documents are covered partly by statute and partly by common law.

The Access to Information Procedure Rules of this Constitution explain the position with regard to access to papers relating to the business of a Council body.

The exercise of the common law right depends upon a Member's ability to demonstrate a "need to know". In this respect a Member has no right

to “a roving commission” to examine any documents of the Council. Mere curiosity is not sufficient.

The information sought by a Member should only be provided by the respective Service as long as it is within the limits of the Service’s resources. For their part, Members should seek to act reasonably in the number and content of the requests they make.

It is important for Services and their staff to keep Members informed both about the major issues concerning the Council and, more specifically, about issues and events affecting the area that he represents. Local Members should be informed about proposals that affect their electoral division and should also be invited to attend Council initiated events within their electoral division. (Further details are contained in the Local Member Consultative Charter, which is annexed to this Protocol).

If a Member asks for specific information relating to the work of a particular Service, and it appears possible or likely that at a subsequent meeting an issue could be raised or question asked on the basis of the information provided, then the appropriate Cabinet Member or Committee Chair concerned should be advised about the information provided.

Officers have to advise Members from time to time that a certain course of action cannot be carried out. Members sometimes assume that this is a case of Officers deliberately obstructing the wishes of politicians. In fact this is hardly ever the case. Officers are employed to give unbiased professional advice even if it is not what Members want to hear. They do this as much for the protection of Members as for any other reason. However, the mark of an effective Officer is that if they do have to give negative advice, this will be accompanied by suggestions as to how Members might achieve some or all of their objectives in other ways. Such Officers are invaluable to any Council.

Members may be entitled under the Freedom of Information Act 2000 to receive information which falls outside their common law rights based on the “need to know”. Employees are encouraged to supply documents to Members without the need for a formal FOI request if it is apparent from the Member’s enquiry that any individual would be entitled to receive such documentation. The Council’s Information Officer will be able to advise in consultation if necessary with the Monitoring Officer on whether any request would fall within the Freedom of Information Act.

6. Confidentiality

In accordance with the Code of Conduct for Members, a Member must not disclose information given to him/her in confidence by anyone, or

information acquired which he/she believes, or ought reasonably to be aware, is of a confidential nature, except where:

- a) he/she has the consent of a person authorised to give it;
- b) he/she is required by law to do so;
- c) the disclosure is made to a third party for the purpose of obtaining professional advice provided that the third party agrees not to disclose the information to any other person; or
- d) the disclosure is:
 - (i) reasonable and in the public interest; and
 - (ii) made in good faith and in compliance with the reasonable requirements of the authority.

Confidential Committee papers (pink papers) are to be treated as confidential information unless the relevant Committee resolves not to exclude press and public. Members are reminded that the author of the report makes the initial decision as to whether or not the papers are to be treated as confidential. The decision as to whether they remain confidential is for the Committee. Other information may be confidential because to disclose it would be against the Council's or the public interest. Information may also be confidential because of the circumstances in which it was obtained.

Information and correspondence about an individual's private or business affairs will normally be confidential.

Officers should make it clear to Members if they are giving them confidential information. If a Member is not sure whether information is confidential, he or she should ask the relevant Officer, but treat the information as confidential in the meantime.

Any Council information provided to a Member must only be used by the Member in connection with the proper performance of the Member's duties as a Member of the Council.

If a Member receives confidential information and considers it should be disclosed to another person because it is reasonable and in the public interest to do so then he or she must first consult with the Monitoring Officer and shall not disclose the information without having regard to any advice given by that Officer.

7. Provision of Support Services to Members

The only basis on which the Council can lawfully provide support services (e.g. stationery, word processing, printing, photocopying, transport, etc.) to Members is to assist them in discharging their role as Members of the Council. Such support services must therefore only be used on Council business. They should never be used in connection with party political or campaigning activity or for private purposes.

Correspondence

Official letters on behalf of the Council should be sent in the name of the appropriate Employee, rather than over the name of a Member. There are circumstances where a letter sent in the name of a Member is perfectly appropriate, for example, in response to a letter of enquiry or complaint sent direct to that Member. Letters which, for example, create obligations or give instructions on behalf of the Council should never be sent out in the name of a Member.

Media

Communication with the media can be an important part of a Member's workload. In general, Members provide comment and views while Employees provide factual information. If a Member is unsure about the circumstances of a particular issue he should contact the appropriate Chief Officer or Head of Service concerned or ask the Press Office to do so.

8. The Council's Role as Employer

In their dealings with Officers, Members should recognise and have regard to the Council's role as employer. Members should be aware that Officers could rely on inappropriate behaviour of a Member in an employment case against the Council.

9. Political Activity

There are a number of constraints that apply to an employee who occupies a post that is designated as "politically restricted" under the terms of the Local Government and Housing Act 1989.

In summary, such employees are prevented from:

- (a) being a Member of Parliament, European Parliament or local authority;
- (b) acting as an election agent or sub-agent for a candidate for election as a Member of any the bodies referred to in (a);

(c) being an Officer of a political party or any branch of a political party or a Member of any committee or sub-committee of such a party or branch, if his duties would be likely to require him to:

- (i) participate in the general management of the party or branch;
or
- (ii) act on behalf of the party or branch in dealings with persons other than Members of the party;

(d) canvassing on behalf of a political party or a candidate for election to any the bodies referred to in (a);

(e) speaking to the public with the apparent intent of affecting public support for a political party; and

(f) publishing any written or artistic work of which he is the author (or one of the authors) or acting in an editorial capacity in relation to such works, or to cause, authorise or permit any other person to publish such work or collection - if the work appears to be intended to affect public support for a political party.

It is common for party groups to give preliminary consideration to matters of Council business in advance of such matters being considered by the relevant decision making body. Employees may properly be called upon to support and contribute to such deliberations by party groups provided they maintain a stance which is politically impartial. Support may include a range of activities including briefings for Members relating to their roles, e.g. chairperson or spokesperson. Employees should be required to give information and advice to political groups on Council business only and not on matters which are purely of a party political nature. Such advice should be available to all party groups and not solely to the majority group. It is important that the political neutrality of Employees is preserved and that group confidentiality is maintained by Employees.

Usually the only Employees involved in attending group meetings will be the Chief Executive, Chief Officers and Heads of Service and they will generally leave the meeting after making their presentation and answering questions.

Employees are employed by the Council as a whole. They serve the Council and are responsible to the Chief Executive and their respective Chief Officers/Heads of Service, and not to individual Members of the Council whatever office they might hold.

Both Members and Employees are subject to their own Codes of Conduct which can be found in the Constitution. This Protocol provides guidance

on working relationships between Members and Employees. It is essential that both are familiar with the detailed obligations in their respective Codes of Conduct which will prevail in the event of any conflict between the Codes and this Protocol.

10. Sanctions

Complaints about any breach of this Protocol by a Member may be referred to the Monitoring Officer. It should be noted that certain breaches may also amount to breaches of the Code of Conduct for Members.

Complaints about any breach of this protocol by an Officer may be referred to the relevant Chief Officer, the Chief Executive or the Head of Legal Services.

11. Conclusion

It is hoped that, by following good practice and securing sensible and practical working relationships between Members and Employees, we can provide one of the cornerstones of a successful local authority and thereby enhance the delivery of high value quality services to the people of the area. Mutual understanding, openness and respect are the greatest safeguard of the integrity of the Council, its Members and Employees.

Local Member Consultative Charter

1. The Council is committed to providing its Elected Members with accurate, helpful and timely consultation, advice and information in relation to any matters of any significance or sensitivity which relate to their particular Electoral Division and where circumstances render it appropriate to involve a Local Member.
2. Chief Officers and staff will be continually vigilant to identify such matters and ensure that Local Members are informed accordingly. This will also include any matter which could impact upon the neighbouring areas of other Members.
3. Chief Officers will ensure that all correspondence/enquiries from Local Members are dealt with promptly and if necessary Members will be kept advised of progress.
4. Appropriate Chief Officers will ensure that, where the Council's Constitution allows, Local Members will be invited to meetings and receive the necessary documentation.
5. Any matter of significance or sensitivity which relates to a particular Electoral Division or Divisions will be discussed with the Local Member(s) concerned before being submitted for consideration by the Cabinet or other Council Body. This will provide the opportunity for early awareness and allow a local perspective to be obtained.
6. Chief Officers and staff will regularly brief appropriate Cabinet Members on service and partnership issues and developments and will use such occasions to help identify any potential local issues.
7. Details of any petitions received which relate to matters in a particular Electoral Division will be sent to the Local Member concerned. In addition, copies will also be provided to the Leader. Local Members will be kept informed on the progress/outcomes of such petitions.
8. Subject to any restrictions caused by commercial, legal or personal confidentiality, copies of all correspondence with Community/Town Councils and the Public Services Ombudsman which relate to matters of any significance or sensitivity in a particular Electoral Division will be sent to the Local Member concerned.
9. Copies of all correspondence with AMs, MPs and MEPs which relate to matters in a particular Electoral Division will be sent to the Local Member concerned. Copies will also be provided to the Leader.
10. Chief Officers and staff will ensure that as much local service information as possible is provided to local Members.

11. Services will provide every Member with an Officer Contact guide for the services they provide, including where appropriate local contacts.
12. Wherever appropriate, Services will make Local Members aware of and invite them to service events and activities in their area. This will include strict adherence to the arrangements that have been agreed for the official opening/launch of Council projects, schemes, exhibitions etc.
13. In certain instances, both Members and Officers will receive an enquiry which relates to a matter in a particular area. In order to ensure consistency of approach in these circumstances, Officers will agree with the Member(s) concerned a single response to such enquiries.
14. As part of a continual review of the Charter's effectiveness, the co-operation of Members is sought in the responsible use at all times of advice and information that is provided to them and Members are encouraged to advise Officers of the information requirements and of any local circumstances or sensitivities which might have a bearing on the Council's work.

PROTOCOL FOR SELF REGULATION OF MEMBER CONDUCT

General Principles

1. To promote high standards of conduct and behaviour as a means of strengthening respect and trust amongst members.
2. The protocol does not replace the Member-Officer Relations Protocol set out in the Council's Constitution.
3. It is NOT intended to replace the Code of Conduct rather it is intended to sit alongside it, enabling behaviour which may not reach the Ombudsman's threshold to be dealt with.
4. Members will make all reasonable attempts to resolve disputes through agreed internal processes subject to their obligations under the Members' Code of Conduct.
5. Members will avoid personal confrontation in any public forum, especially full Council and through the media.
6. These commitments will not stifle legitimate political debate or scrutiny.
7. Group discipline will become the cornerstone of self-regulation with Group Leaders taking responsibility for their own members.
8. Group Leaders individually and collectively will work to ensure compliance with this protocol.
9. Members will commit to training and development in support of this protocol

Working to avoid problems

To minimise the number of instances of alleged breaches all Group Leaders are asked to commit to:-

1. A Member Learning and Development Strategy – to which they will seek to secure the commitment of their group members. All reasonable endeavours will be made to ensure that the Learning and Development Strategy identifies and responds to the needs of members.
2. Attending relevant Member training events - in particular those relating to the Code of Conduct or probity courses within the scope of their role.
3. Support the provision made by the County Council for complying with sections 5 and 7 of the Local Government Measure 2011 (Annual reports & Training and development)

4. Role of Group Leaders

A complaint by a member relating to a member of the same group will be referred to the Group Leader. A complaint by a member concerning the activities of a member of a different political group will be discussed with the complainant's own Group Leader, who will then refer the issue to the Group Leader with responsibility for the member against whom the complaint is made.

Upon receiving a complaint, it is the role of Group Leaders to take responsibility for discipline within their groups. Group discipline should seek to be informal, resolved through face to face meetings. Group Leaders will need to retain some records but the process will not be "document heavy". The emphasis should be on training, education, mediation and conciliation.

When appropriate, a sanction such as removal from a committee or an outside body, may be used in extreme cases or after persistent breaches and the matter will be referred to the Public Services Ombudsman for Wales.

Prior to considering any sanction, or training, the relevant Group Leader may consult with a member of the Standards Committee in conjunction with the Monitoring Officer or Deputy Monitoring Officer. The Standards Committee will seek to ensure fairness and consistency in the discipline imposed within each Group.

At the next available Group Leaders' meeting any issue of discipline which has been referred to a Group Leader will be discussed with the group and with the objective of seeking to ensure that fair and consistent sanctions are applied.

Unaffiliated Members

As far as unaffiliated members are concerned, the Chair of the Council will fulfil the role of Group Leader. Concerns regarding the conduct of an unaffiliated member should be referred to the Chair who will apply the same principles and standards as those of the Group Leaders in terms of training/mediation/conciliation.

In the event that an unaffiliated member refuses to provide reasonable co-operation to the Chair of the Council, or if the breach is significant, or in the event of repeated breaches, then the Council may remove the unaffiliated member from any committee seats allocated by the full

Council. Such a proposal should be put to the Council jointly by the Group Leaders. In the case of persistent breaches the matter shall be referred to the Ombudsman by the Monitoring Officer or in his/her absence the Deputy Monitoring Officer.

Persistent Breaches

In the case of persistent breaches, or areas where the Group Leaders have concerns that the conduct of an individual member or members is damaging to relations between political groups or to the reputation of the Council, then the Group Leaders will meet with the Chief Executive and Monitoring Officer to agree a way forward. Consideration will be given to joint references to the Ombudsman, by the Group Leaders, for persistent low level breaches. The collective Group Leaders will also assume this responsibility in relation to unaffiliated members.

Standards Committee

- The Standards Committee Members will play a supporting/advisory role to the Group Leaders. This process will be initiated at the request of the Group Leader, in a particular case.
- Such meetings will be private and informal.
- Any documentation, attendance notes, file notes or advisory notes passing between a Group Leader (or as appropriate the Chair of the Council) and the members of the Standards Committee shall remain private and confidential.
- When acting in an advisory role to the Group Leaders/Chair of the Council, the Standards Committee has no right of sanction. However, it shall be open to the Group Leader to request that the Standards Committee, as a last resort, issue a public censure against a group member. Where this is to be considered, the member who may be subject to censure will be provided with a reasonable opportunity to make submissions to the Standards Committee members, either in person or in writing.
- The recommendations available to the Standards Committee will include a recommendation that a Group Leader takes action against one of their members, including removal from committee or outside body.
