Pupil outcomes

A high-level analysis of pupil outcomes for the Local Authority indicates that the following aspects require improvement over the next phase of the Business Plan:

- Continue to improve the performance of eFSM learners in all Key Stages.
- Continue to improve performance in L2+ at KS4.
- Continue to improve performance in CSI at KS4
- Improve performance at the higher levels across all key stages
- Improve performance A*-A at KS4.
- Improve performance in capped point score

Schools requiring Improvement 2016-2017 (Amber and Red Overall Categories of support)

The information below indicates the additional support that will be given to schools in the overall category of Amber or Red in the Local Authority in the academic year 2016-2017. The support is in line with the guidance within the National Categorisation System and within the SEWC Intervention Framework 2016-2017. Each of these schools will have a detailed Intervention or Support Plan, the progress each school makes over the next academic year will be captured through regular Education Improvement Boards (EIBs) or Intervention Meetings.

Local Authority specific activity financial year 2017-2018

The section below indicates additional school improvement activity that will be undertaken in the Local Authority through this financial year (2017-2018). The additional activity is linked to specific need arising from pupil outcomes. The LA contribution to support this aspect of the Annex will be £8,755 for Monmouthshire.

A detailed programme delivery plan is available. Progress towards each of the additional interventions will be measured at the end of each term.

Nature of Additional Activity	Expected Outcomes	Update
<p>Brokering and supporting school to school working to improve outcomes at the higher levels and raise the % of learners achieving 5 A-A*</p> <p>EAS to support MCC secondary schools to work together as a cluster to share practice and strategies.</p> <p>EAS to support MCC secondary schools to broker support from beyond the LA.</p> <p>EAS to support cross phase cluster working with Secondary and the cluster primary schools with a focus on transition and ensuring that pupils achieving expected Level +1 at primary school continue to make good progress at KS3 and KS4.</p>	<p>The % of pupils achieving higher levels at each key stage is in line with targets set for 2017.</p> <p>The % of pupils achieving 5A-A* is in line with the target set for 2017.</p> <p>The 4 secondary schools work successfully in a cluster to share practice for pupils achieving the higher levels.</p> <p>There are effective cluster transition arrangements between primary schools and their linked secondary schools with a focus on sustaining the achievement of pupils at the higher levels</p>	<ul style="list-style-type: none"> • The % of pupils achieving higher levels at each key stage-summer 2017- is in line with or above targets set for 2017, apart from MD at 06 in foundation phase (47.3% against target of 47.8%) • Performance at 5A*/As has improved from 19.5% in 2016 to 24.2% in 2017. English A*/A performance has improved from 17.4% to 21.4% and maths A*/A performance has improved from 21.7% to 29.8%. • The 4 secondary schools work effectively with the primaries in their clusters to share practice for pupils achieving higher levels. This is done through activities such as joint Y6/7 book scrutinies • Effective transition arrangements exist to sustain focus on achievement at higher levels, Arrangements include comprehensive meetings between Y6 and Y7 staff prior to transfer, events held in the cluster secondary school such as Dragon's Den for Y6 MAT pupils
