

Application Number: DM/2018/00817

Proposal: Agricultural Farm building housing farm animals.

Address: Kemeys House Farm, Church Lane, Kemeys Commander, Usk

Applicant: Mr Beverly Baker

Plans: Design and Access Statement - , All Drawings/Plans 020421 - ,

RECOMMENDATION: APPROVE

Case Officer: Ms Kate Bingham
Date Valid: 14.05.2018

1.0 APPLICATION DETAILS

1.1 This is an application for a new agricultural building to house cattle at an established farm in Kemeys Commander. The farm has some 80 hectares of pasture land and has several existing farm buildings. Two other similar free-standing buildings are also proposed. These have been submitted under separate concurrent planning applications.

1.2 The application is presented to Planning Committee because the applicant's agent is related to a member of the Development Management Team.

2.0 RELEVANT PLANNING HISTORY (if any)

5.0 EVALUATION

5.1 Principle of the proposed development

5.1.1 Policy S10 of the Local Development Plan supports the rural economy and the principle of a new building adjacent to the main farm yard is acceptable.

5.2 Design

5.2.1 The building will be a free standing dual pitched steel framed building with a floor area of 297.18m². It will have steel walls and a fibre cement roof. It is considered that the building will be in keeping with those adjacent to it and the rest of the buildings on the farm and has been sited so as to minimise its impact on the wider landscape. The development therefore complies with Policies RET4 and DES1 of the Local Development Plan.

5.3 Residential Amenity

5.3.1 The building will be located on an established dairy farm and on its own would have little impact on residential amenity in the locality. A near neighbour has stated that the farm is now of such a size as to be creating noise and odour. However, the building proposed in this application is relatively small and on its own unlikely to lead to a noticeable increase in noise or odour. The building will be over 100m away from the nearest neighbouring property and on this basis it is considered that it has been sited so as not to cause unacceptable nuisance to these properties which complies with Policy RE5 of the LDP.

5.4 Well-Being of Future Generations (Wales) Act 2015

5.4.1 The duty to improve the economic, social, environmental and cultural well-being of Wales has been considered, in accordance with the sustainable development principle, under section 3 of the Well-Being of Future Generations (Wales) Act 2015 (the WBFG Act). In reaching this recommendation, the ways of working set out at section 5 of the WBFG Act have been taken into account and it is considered that this recommendation is in accordance with the sustainable development principle through its contribution towards one or more of the Welsh Ministers' well-being objectives set out in section 8 of the WBFG Act.

5.5 Other Issues

5.5.1 There is no prescribed limit to what size a dairy farm can be under planning legislation. Any future expansion of the farm would be considered under Policy RE5 of the LDP which relates specifically to intensive livestock.

6.0 RECOMMENDATION: APPROVE

Conditions:

1 This development shall be begun within 5 years from the date of this permission.
REASON: To comply with Section 91 of the Town and Country Planning Act 1990.

2 The development shall be carried out in accordance with the list of approved plans set out in the table below.
REASON: To ensure the development is carried out in accordance with the approved drawings, for the avoidance of doubt.
