The Monmouthshire County Council Welsh Church Act Fund Annual Report for year ended 31 March 2018

Report of the Trustee for the year ended 31 March 2018

The Trustee presents its annual report and the audited financial statements for the year ended 31 March 2018 of The Monmouthshire County Council Welsh Church Act Fund ('the Charity').

The information with respect to the Trustee, officers and advisors set out on page 1 forms part of this report.

The financial statements have been prepared in accordance with the Statement of Recommended Practice: Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) issued on the 16th July 2014 and the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102) and the Charities Act 2011 and the UK Generally Accepted Practice as it applies from the 1st January 2015.

The financial statements have been prepared to give a 'true and fair' view and have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a 'true and fair view'. This departure has involved following Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) issued on 16 July 2014 rather than the Accounting and Reporting by Charities: Statement of Recommended Practice effective from 1 April 2005 which has since been withdrawn.

Structure, Governance and Management

The Charity is governed by the Welsh Church Act 1914 and the Welsh Church Act (Designation and Specification) Order 1996 and is registered with the Charity Commissioners under charity number 507094. A model scheme for the administration of the fund has been prepared and has been submitted to the Welsh Government for approval.

The Trust covers the Council administrative areas of Blaenau Gwent, Caerphilly, Monmouthshire, Torfaen and the City of Newport, with Monmouthshire County Council being designated as the host Authority. The Monmouthshire Welsh Church Act Fund was established on 1 April 1996, from the former Gwent Welsh Church Act Fund and part of the former Mid Glamorgan Welsh Church Act Fund.

Monmouthshire County Council as the Corporate Body is the Trustee for the Welsh Church Fund and therefore there are no policies and procedures adopted for the induction and training of trustees. The trustees also have regard to the Charity Commission's guidance on public benefit.

The management of the Fund is undertaken by officers of the Council and a calculated proportion of their time is charged to the Fund.

Objectives

The primary object of the Charity for each year, as stated in its governing document, is to assist public groups and individuals for educational, social, recreational and other charitable benefit purposes. Grants are available from the Fund for capital or revenue purposes. Capital grants may be awarded to assist organisations in the furnishing and upkeep of buildings. Revenue grants are designed to further the aims of societies and to assist individuals in their various pursuits.

Grants allocation policy

An annual budget set by the Trustee for grant payments is split between the administrative areas of Blaenau Gwent, Caerphilly, Monmouthshire, Torfaen and Newport on a population basis.

A Committee set up by the Trustee approves grant applications on a basis in line with full Council meetings or as deemed required by the participating authorities. Grants are made in pursuance of the Charity's objectives.

The grant allocation of each financial year is considered in line with the long term financial viability of the trust and to maintain the ability to generate funds in future years for distribution by maintaining sufficient capital assets.

The Monmouthshire County Council Welsh Church Act Fund Annual Report for year ended 31 March 2018

Review of activities and future developments

The statement of financial activities for the year is set out on page 7 of the financial statements. A summary of the financial results and the work of the Charity are set out below.

The Fund has increased in value by £16,293 (£254,089 increase in 2016/17); this slight increase in value is due to a balancing of Investment income and distributed charitable grant payments.

Income is principally comprised of investment income of £207,685 (£205,979 in 2016/17), The Trust has utilised the Trustee's own investment managers to manage the fund, thus, controlling management fees and therefore maximising returns whilst at the same time maintaining a balanced capital risk strategy.

Charitable resources expended during the year amounted to £165,399 (£174,127 in 2016/17) and principally comprised grant payments of £159,481 (£169,742 in 2016/17). This decrease in expenditure was primarily due to delays in Caerphilly Borough Council modifying their grant allocation policy to support a greater diversity of applicants and the conditions that are required for grant disbursement.

Net losses on investments held amounted to £21,068 (£232,417 net gain in 2016/17). These non-realised investment losses have been as a result of the Trusts' current investment strategy, diversifying the portfolio across several investment categories in the last couple of financial years and current volatility in the financial markets. The long term projections on these charity based investments as indicated by the Trustees' Treasury consultants continue to outperform the trust's old pooled investment strategy as reflected by the continuing increased investment returns received during the financial year.

Income generation

The Charity's income was £207,685, compared to £208,821 in 2016/17. The diverse market investment strategy that mainly replaced the pooled investment strategy with Monmouthshire County Council has continued to produce consistent returns in the financial markets due to investment in more specific charitable investment funds. This income generation forms the main basis of the following years grant allocations to ensure continuity and non-degradation of the funds capital assets and to perpetuate the charity as a 'going concern'.

Bad debt provision

There are no bad debts arising in the year of account.

Investment powers, policy and performance

Under the terms of the Trust Deed, the Trustee has general powers of investment, subject to the provisions of the Trustee Act 2000. The investment policy of the Trust is to maximise the rate of investment return, whilst employing a risk strategy that minimises any potential reduction in the capital value of the Fund.

The Trustee has reviewed its investment strategy and produced an investment and fund strategy for 2017/18, which was approved by Monmouthshire County Council in its capacity as sole and corporate trustee, on March 1st 2017.

Changes in fixed assets

The fixed asset investments were re-valued in the 2017-18 financial year in line with the Investment Asset policy of revaluation every year.

Reserves

The Trustee's policy is to maintain the level of investments at a level that provides sufficient annual income to fund the Charity's charitable expenditure. The level of funds held at 31st March 2018 is £5,486,971 (5,470,678 in 2016/17). The Trustee has reviewed its Fund strategy and produced an investment and fund strategy for 2017/18 which states that the purpose of reserves is to maintain investments such that they realise sufficient income to provide grants to organisations at a consistent level. Whilst, the strategy is to ensure that there is no long-term detrimental effect on overall reserve balances, recommendations made by the Charity Commission has resulted in grants allocations being made in line with investment returns.

Governance of the Charity

The Monmouthshire County Council Welsh Church Act Fund Annual Report for year ended 31 March 2018

Three representative councillors from each of the five administrative areas of Blaenau Gwent, Caerphilly, Monmouthshire, Torfaen and Newport are appointed by their respective councils annually to form a committee to oversee fund management. Members are appointed to the committee for the term of the Council.

Risk management

The Trustee has undertaken a review of the major risks to which the Charity is exposed and its risk management and internal control procedures should be updated to ensure that systems are in place to mitigate the risks identified. The risk assessment was considered by Monmouthshire County Council on 1st March 2017 and no risks were identified.

Auditors

The Wales Audit Office was appointed as auditors to the Welsh Church Act Fund in 2007/08.

Statement of Trustee's responsibilities

The Trustee is responsible for preparing financial statements for each financial year which give a true and fair view, in accordance with United Kingdom Generally Accepted Accounting Practice, of the state of affairs of the charity and its financial activities for that period.

In preparing those financial statements, the Trustee is required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards and statements of recommended practice have been followed, subject to any departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operational existence.

The Trustee confirms that it has complied with the above requirements in preparing the financial statements.

The Trustee is responsible for keeping accounting records which disclose with reasonable accuracy at any time the financial position of the charity and to enable it to ensure that the financial statements comply with the Charities Act 1993 It is also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The Trustee certifies that:

- as far as it is aware, there is no relevant information of which the Charity's auditors are unaware; and
- as Trustee of the Charity, it has taken all the steps that it ought to have taken in order to make itself aware of any relevant audit information and to establish that the Charity's auditors are aware of that information.

Annual Report for year ended 31 March 2018**

**Report of the Auditor General for Wales to the Trustee of the
Monmouthshire County Council Welsh Church Act Fund**

I have audited the financial statements of Monmouthshire County Council Welsh Church Act Fund for the year ended 31 March 2018, which comprise the Statement of Financial Activities, the Balance Sheet, Cash Flow Statement and the related notes. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Respective responsibilities of trustee and independent auditor

As explained more fully in the Trustee Responsibilities Statement set out on page 2, the trustee is responsible for the preparation of financial statements which give a true and fair view.

I have been appointed as auditor under section 144 of the Charities Act 2011 and report in accordance with regulations made under section 154 of that Act.

My responsibility is to audit the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require me to comply with the Financial Reporting Council's Ethical Standards for Auditors.

Scope of the audit of the financial statements

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of: whether the accounting policies are appropriate to the charity's circumstances and have been consistently applied and adequately disclosed; the reasonableness of significant accounting estimates made by the trustee; and the overall presentation of the financial statements.

In addition, I read all the financial and non-financial information in the Trustee Annual Report, to identify material inconsistencies with the audited financial statements and to identify any information that is apparently materially incorrect based on, or materially inconsistent with, the knowledge acquired by me in the course of performing the audit. If I become aware of any apparent material misstatements or inconsistencies, I consider the implications for my report.

Opinion on financial statements

In my opinion the financial statements:

- give a true and fair view of the state of affairs of the charity as at 31 March 2018 and of its incoming resources and application of resources for the year then ended; and
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice and the Charities Act 2011.

Opinion on other matters

In my opinion the information in the Trustee Annual Report is consistent with the financial statements.

Matters on which I am required to report by exception

I have nothing to report in respect of the following matters where the Charities Act 2011 requires me to report to you if, in my opinion:

- sufficient accounting records have not been kept; or
- the financial statements are not in agreement with the accounting records and returns; or
- I have not received all the information and explanations I require for my audit.

Annual Report for year ended 31 March 2018**

Emphasis of Matter

Your attention is drawn to the fact that the Charity has prepared its financial statements in accordance with the Charities SORP 2015 in preference to the Charities SORP 2005 which is referred to in the extant regulations but has been withdrawn. We understand this has been done in order for the accounts to provide a true and fair view in accordance with United Kingdom Generally Accepted Accounting Practice effective for reporting periods beginning on or after 1 January 2015.

Members of the Authority have direct control over the Welsh Church Fund's financial and operating policies. Where work or services have been commissioned, or where grants were made during the financial year in which members had an interest, members have a duty to declare such an interest. The Welsh Church Fund must ensure that grants allocated were in full compliance with the Authority's standing orders and that grants were made with proper consideration of declarations of such interests.

During the financial year, members who declared an interest did not take part in any discussion or decision relating to grants made or works or services commissioned. Details of all interests declared are recorded in minutes or relevant meetings and recorded in the Register of Members' Interest, open to public inspection at County Hall, Usk.
