## CONSTITUENCY MATTERS

I have responded to residents request for information about council services and contacted council departments to initiate repairs to roads, street lighting and grounds maintenance.

There is a proposed housing development in the ward off Church Rd – I have attended a number of meetings with council officers, the developers and residents and raised many queries about the proposed development.

There is a significant road safety issue outside Castle Park Primary School and I have met with school, council officers and the police to try and address this situation.

Caldicot Castle and Country Park is a highlight of the ward. I have worked with the new management to ensure good access for residents and that the Castle suits the needs of the community.

I have organised a volunteering group working on the Castle grounds – so far we have engaged in litter picking and maintaining and improving the Rose Garden.

## **ACHIEVEMENTS / INITIATIVES**

I have chaired the cross party working group investigating Period Poverty in Monmouthshire.

I have been involved in the Caldicot Town Centre Regeneration Project.

I have worked on the Green Infrastructure Plan for Caldicot.
