### **County Level:**

As Chair of the Economy & Development Select Committee, I have initiated many new member workshops, which are assisting officers shape new policy in areas of procurement, commercialisation, cross-border working and creating a long-term vision for the economic future of the county.

Also, the Committee is leading on the scrutiny work for the Council's new model (ADM) for tourism, leisure, culture and youth services and for the review of the Council's Local Delivery Plan (LDP), which maps out the authorities planning needs and requirements for the next decade.

I represented residents interests publically regarding the future services for Chepstow Hospital, both in the Council Chamber and in other public meetings.

I also fought for Chepstow School to be in the second round of 21<sup>st</sup> Century School capital funding, alongside King Henry VIII School in Abergavenny.

I have become Chair of Governors at St. Mary's Catholic Primary School, after being Vice Chair for two years.
