

SUBJECT:	ABERGAVENNY BOROUGH THEATRE
MEETING:	CABINET
DATE:	25TH JULY 2018
DIVISION/WARDS AFFECTED:	ALL

NON-PUBLICATION

1. PURPOSE:

- 1.0 To present an update and forward plan for Abergavenny Borough Theatre following the Cabinet decision to accept the surrender of the lease, bringing the Management Agreement to an end, and returning ownership and control to the Authority.

2. RECOMMENDATIONS:

- 2.1 That Cabinet considers the situation analysis and options appraisal and approves the proposal to recruit a fixed term, full time Theatre Manager, with supporting Front of House Supervisors, be resourced from within the approved Medium Term Financial Plan, in order to put the Theatre on a on a more stable footing and determine the medium/longer term future for the Theatre.
- 2.2 That Cabinet approves the development of a formal Charter or Concordat with Acting for the Borough (A4B), the former Borough Theatre Management Committee.

3. KEY ISSUES:

- 3.1 In February 2018, [Cabinet](#) approved and accepted the surrender of the lease between the Council and the Borough Theatre Trust. In so doing, the Management Agreement entered into by both parties ceased and Abergavenny Borough Theatre returned to the ownership and control of the Council. The Borough Theatre Trust were in full agreement with the actions taken and agreed to cease to operate and to de-register themselves on conclusion of the hand-over. The Council also agreed to undertake a TUPE transfer of the six existing Theatre employees, and to meet any severance costs of the individuals if a viable, ongoing model for the Theatre could not be found.
- 3.2 In making the decision, the Authority agreed to review all operations of Abergavenny Borough Theatre over a six month period and to bring forward an options appraisal as a subsequent report to Cabinet for the medium term future of the Theatre.

4. SITUATION ANALYSIS AND OPTIONS APPRAISAL

- 4.1 Since returning to the Authority, the Head of Enterprise and Community Development has provided leadership support to the Theatre and the Authority's Event's team have provided management and administrative support whilst considering the future viability of the operation. The Events team have already had a positive impact and are continuing to build trust with the Theatre team whilst also bringing in income generating opportunities, having recently secured a notable comedic act.

- 4.2 The Theatre has also been moved onto the Authority's systems, aligning them with the Authority's policies and procedures, thus addressing concerns raised regarding processes and policy during an Authority Internal Audit carried out in January 2017.
- 4.3 A full review of operations at the Theatre is still underway however the SWOT analysis in Table One below offers a situation analysis of findings to date:

Table One: SWOT Analysis of Abergavenny Borough Theatre

Strengths	Weaknesses
<ul style="list-style-type: none"> • Long established and high profile Theatre venue; • Located in an Iconic Grade I Listed building; • Well established and loyal audience; • Committed and knowledgeable staff team; • Strong, skilled and committed volunteer base; • Patronised by an energetic local amateur dramatic arts sector; • Long established support and fundraising group, A4B; • A varied and established programme of events. 	<ul style="list-style-type: none"> • Overall state of the building. The current offer is tired i.e. building and physical layout with limited accessibility, leading to reduced income generation opportunities; • Poor state of customer facilities (toilets/bar/seating/carpets/etc.); • Lack of a full time manager and team leader to take the Theatre forward; • Staff team are disjointed due to differing work locations leading to communication failures and are also frustrated due to management changes over the last few years; • Limited digital marketing activity leading to increased traditional marketing costs i.e. direct mailing of hard copy brochures; • Due to the nature of the industry, grant support funding will always be required.
Opportunities	Threats
<ul style="list-style-type: none"> • MCC's capital improvement plans for the Town Hall/Market "The HUB" to include improved visitor accessibility; • Staff restructure to include appointment of new Theatre Manager; • Revitalised Patrons Scheme; • Corporate sponsorship and public sector funding opportunities e.g. Arts Council for Wales (ACW), CADW; • Income generation via hire agreements; • Annual funding from ACW for delivery of Professional Arts Programme; • Grant funding via ACW for replacement sound and lighting equipment and theatre refurbishment to improve customer comfort and access; • Potential ACW funding for business planning and audience development work; • ACW's Creative Schools educational funding. 	<ul style="list-style-type: none"> • Reducing public sector funding budgets; • Anticipated period of closure during 19/20 whilst capital improvement works are being undertaken resulting in lost income; • Growing competition from theatre and arts venues in the town and wider environs e.g. Monmouth, Newport, Cardiff • Inability to recruit a credible, vibrant, enthusiastic and energetic Theatre Manager.

- 4.4 Although the Theatre has only been back under the Authority's control for a short number of months some major steps forward have been undertaken with regard to the future direction of the operation.
- 4.5 To date conversations with the Arts Council for Wales (ACW) have been positive and a funding bid for £14k has been approved to replace antiquated lighting and sound equipment which is being supported by 20% match funding from the Theatre's Support Group Acting for the Borough (A4B). This is a really positive step forward as the new equipment will not only put the Theatre on par with the industry minimum standards. I.e. moving from an analogue system to a digital desk, but it will also reduce the need to procure this equipment for shows consequently reducing costs and improving income generation opportunities.
- 4.6 Further ACW support is also being investigated with regard to business planning, audience development and capital refurbishment to include replacement of the Theatre's seating which is well past its sell by date.
- 4.7 Therefore at this stage, the conclusions that are being drawn are not those which state that the job is done and the Theatre is home and dry. However, having taken advice from finance colleagues, their analysis indicates that the transfer has been positive with staff retrained in Authority policies and procedures. They will be undertaking significant work in the coming months to ensure the function remains financially viable and they are currently predicting break-even for Month 2 performance against a budget of £114,000 (the Authority's current subsidy) and will have a better understanding in Month 7. It is therefore clear that to review all operations of the Theatre within a six month period is not possible and further time is required in order to bring a more detailed options appraisal forward to Cabinet detailing the medium/longer term future of the Theatre.
- 4.8 Finance colleagues are however fairly confident that, if income is similar to previous years, there will be enough in the budget to bring it in on budget, their reasons being:
- The tighter procurement controls being put in place which will drive efficiencies;
 - The change in staffing structure and rotas should improve productivity and reduce overtime costs;
 - The direct link with the events team will be instrumental in increasing footfall and therefore increasing turnover;
 - The direct link with the Communications and Engagement team will improve publicity and marketing thus increasing turnover;
 - The work being done on creating a "financial viability" template should ensure that the Theatre is not taking on shows that will make a loss;
 - The fact that Support services fall below the line means that the direct Borough Theatre budget will no longer pay for support services such as finance, legal support, HR, etc.
- 4.9 The immediate financial future of the Theatre has therefore been secured which leads the team to determine that the Theatre is out of immediate danger and steps are required to put the Theatre on a more sustainable footing in order to determine the medium term future for the Theatre. The analysis has also determined that in order for the Theatre to have any form of stability, a core staffing base can be resourced to enable recruitment to the key post of a fixed term, full time Theatre Manager at Grade I 37-41 with supporting Front of House Supervisors at Grade F SCP 25-29. A comparison of the two team

structures is detailed in table one below, any increase in base staff cost will be offset by a reduction in overtime and sessional/freelance support:

4.10 The attraction of future funding is largely dependent upon an energetic Theatre Manager being in place to lead the existing team, develop a vibrant programme and produce a sustainable business plan that will equip the theatre for future growth. Although there is an existing business plan in place it was produced by the Borough Theatre Trust and clearly much has changed. It is therefore recommended that in order to move the Theatre forward, the post of the full time Theatre Manager is reinstated and recruitment is commenced to enable the Authority to maximise every opportunity to put this much loved community asset on a more sustainable footing. It is also recommended that the post is fixed for two years in order to establish a time threshold to determine viability.

4.11 As partnerships and relationships at the Theatre have also been tested during the period of instability, it is also recommended that a formal charter or concordat is developed with A4B

the former Borough Theatre Management Committee. The aims of A4B, made up of representatives of each of the five theatre ‘user societies’, are to: support the continuing development of the Theatre; provide a forum for discussion; act as a link between the community sector and the Theatre’s management; raise funds to support the continuing development of the Theatre and support and encourage performing arts in Abergavenny. The purpose of the charter therefore will be to clarify how the future relationship will operate, identifying and agreeing rights and responsibilities on both sides to best advantage for the Borough Theatre. An Options Analysis of these proposals is detailed in Table Two below:

5. EVALUATION CRITERIA

- 5.1 An evaluation assessment has been included in Appendix A for future evaluation of whether the decision has been successfully implemented. A progress report will come back to this committee in six months' time following the Month 7 review of finances.

6. REASONS:

- 6.1 This report sets out the Authority's interim findings and options appraisal in relation to the review of the Theatre's operations following the return of the Theatre back into its ownership. Given the evolving nature of the return to the Authority's wider operational structure, the report's recommendations will give the Theatre the best chance of success whilst the assessments are on-going, subsequently a further report will be presented in six months' time following the Month 7 financial appraisal.
- 6.2 Whilst the initial decision from Cabinet agreed to review all operations of Abergavenny Borough Theatre over a six month period and to bring forward an options appraisal for the medium term future of the Theatre, it is now clear that six months is not long enough. It is therefore requested that the financial analysis remains on-going basis with six monthly reports being presented to Committee for analysis.
- 6.3 The location of the Theatre within the Town Hall also provides the Authority with the opportunity to maximise its future success in a wider context and capitalise on any benefits that the proposed refurbishment of the Town Hall might be able to create in terms of improved accessibility, increased footfall and improved energy efficiencies.

7. RESOURCE IMPLICATIONS:

- 7.1 Internal financial analysis indicates the transfer has been positive and the immediate financial future of the Theatre has been secured, leading the team to determine that a core staffing base can be resourced from within the approved Medium Term Financial Plan to enable recruitment to the key post of a fixed term, full time Theatre Manager with supporting Front of House Supervisors, any increase in base staff cost will be offset by a reduction in overtime and sessional/freelance support. Significant financial analysis will however be on-going to ensure the function remains financially viable.
- 7.2 In the event that a viable model for the future of the theatre cannot be determined, the council is accepting a severance cost liability attaching to all of the current theatre employees.

7.3 A further report and financial summary on the viability of the Theatre will be produced and presented to Committee in six months' time.

8. WELLBEING OF FUTURE GENERATIONS IMPLICATIONS (INCORPORATING EQUALITIES, SUSTAINABILITY, SAFEGUARDING AND CORPORATE PARENTING):

8.1 The significant equality impacts identified in the assessment (Appendix B) are summarised below for members' consideration:

The return of the Borough Theatre back the Authority's management has provided "breathing space" for the venue, enabling the continuation of service delivery whilst it is in review. It is anticipated that solutions will be identified which will develop and sustain a higher rate of performances, ticket sales and an improved environment for theatre users. There is a risk that the theatre is unsustainable in the longer term, but if the Authority does nothing the theatre may close, resulting in the loss of staff, volunteers, performers and reputation. The Borough Theatre is a much loved and valued local service. It is important, if viable, that it is maintained and by its nature, continues to provide employment and growth opportunities for its skilled workforce of both paid staff and volunteers. Continuing to incorporate the Theatre into the Enterprise Services, contributes greatly to our local culture, heritage and art, the promotion of health and wellbeing forming part of its key aims.

6. SUMMARY: As a result of completing this form, what are the main positive and negative impacts of your proposal, how have they informed/changed the development of the proposal so far and what will you be doing in future?

There is a risk that the Theatre is unsustainable in the longer term, but if the Authority does nothing the theatre may close, resulting in the loss of staff, volunteers, performers and reputation.
