A prosperous Wales Efficient use of resources, skilled, educated people, generates wealth, provides jobs	Positive - the project will be funded from a Welsh Government grant and from S106 balances provided through the Asda development, so there is no call on the Council's core capital budget. A skilled and experienced workforce will undertake the installation works

Encourage the use of the Welsh language in on-site signage – a bilingual noticeboard would promote the Welsh language.
A more equal Wales People can fulfil their potential no matter what their background or circumstances	The improvements will encourage improved access for and participation by disabled people and people with other support needs – also by all sections of the community regardless of background or ability	Consultation with the local members, town council and local residents will ensure that the new provision meets the needs of people living in the local area.
