## Future Generations Evaluation (includes Equalities and Sustainability Impact Assessments)

<p><b>Name of the Officer</b> completing the evaluation Mark Hand</p> <p><b>Phone no:</b> 01633 644803 <b>E-mail:</b> markhand@monmouthshire.gov.uk</p>	<p><b>Please give a brief description of the aims of the proposal</b></p> <p>The Local Development Plan (LDP), adopted on 27 February 2014, sets out the Council's vision and objectives for the development and use of land in Monmouthshire, together with the policies and proposals to implement them over the ten year period to 2021. Supplementary Planning Guidance (SPG) sets out detailed guidance on the way in which the policies of the LDP will be interpreted and implemented. The Draft Infill Development SPG is intended to provide certainty and clarity for applicants, officers and Members in the interpretation and implementation of the LDP policy framework in relation to small scale infill development proposals within the settlements identified in Policies S1, H1, H2 and H3 of the Monmouthshire LDP. The Draft SPG sets out the detailed considerations that need to be taken into account when considering proposals for small scale infill development in the County's settlements. Such considerations include site context, design, privacy/amenity, access/parking, green infrastructure and drainage. Once adopted, the SPG will have a key role in shaping proposals for small scale infill development.</p>

**1. Does your proposal deliver any of the well-being goals below?** Please explain the impact (positive and negative) you expect, together with suggestions of how to mitigate negative impacts or better contribute to the goal.

<b>Well Being Goal</b>	<b>How does the proposal contribute to this goal? (positive and negative)</b>	<b>What actions have been/will be taken to mitigate any negative impacts or better contribute to positive impacts?</b>
<p><b>A prosperous Wales</b> Efficient use of resources, skilled, educated people, generates wealth, provides jobs</p>	<p><b>Positive:</b> The Draft SPG seeks to support proposals for appropriate small scale infill development for new housing where they accord with the LDP policy framework, specifically policies H1, H2 and H3. This will enable housing provision in settlements in Monmouthshire where it is often otherwise restricted such as main and minor villages, small scale infill developments will increase the local housing stock for communities and residents.</p> <p><b>Negative:</b> None.</p>	<p><b>Better contribute to positive impacts:</b> Ensure that guidance, as set out in the SPG, is accurately interpreted and implemented.</p>
<p><b>A resilient Wales</b> Maintain and enhance biodiversity and ecosystems that support resilience and can adapt to change (e.g. climate change)</p>	<p><b>Positive:</b> Potential for proposals to conserve and enhance existing ecological networks within Monmouthshire. Potential for proposals to protect /enhance landscape etc. in accordance with LDP policy framework.</p> <p><b>Negative:</b> Infill development may be located in main and minor villages where there is limited public transport and likely reliance on the use of the private car. The car usage likely to result from small scale infill development is considered to be justified because it is likely to be minimal and the addition of new housing makes a contribution to meeting housing needs.</p>	<p><b>Mitigate Negative Impacts:</b> Ensure that biodiversity, landscape interests etc. are appropriately considered in assessing any planning application and that good standards of design, landscaping etc. are achieved.</p>
<p><b>A healthier Wales</b> People's physical and mental wellbeing is maximized and health impacts are understood</p>	<p><b>Positive:</b> The provision of appropriate small scale infill development can assist in promoting good health, independence and well-being by opening up opportunities for housing where there are often limited sites for new residential development.</p>	<p><b>Better contribute to positive impacts:</b> Ensure that the relevant guidance, as set out in the SPG, is accurately interpreted and implemented.</p>

Well Being Goal	How does the proposal contribute to this goal? (positive and negative)	What actions have been/will be taken to mitigate any negative impacts or better contribute to positive impacts?
	<b>Negative:</b> None.	
<p><b>A Wales of cohesive communities</b> Communities are attractive, viable, safe and well connected</p>	<p><b>Positive:</b> The provision of appropriate small scale infill development contributes to the sustainability and cohesiveness of settlements in Monmouthshire by opening up opportunities for housing in areas where it is otherwise restricted, particularly in main and minor villages, providing opportunities to support the local economy and build sustainable resilient communities.</p> <p><b>Negative:</b> None.</p>	<p><b>Better contribute to positive impacts:</b> Ensure that the relevant guidance, as set out in the SPG, is accurately interpreted and implemented.</p>
<p><b>A globally responsible Wales</b> Taking account of impact on global well-being when considering local social, economic and environmental wellbeing</p>	<p><b>Positive:</b> The Draft SPG supports the implementation of housing related policies of the LDP, which has been subject to a Sustainability Appraisal and Strategic Environmental Assessment (SA/SEA) to ensure that social, economic and environmental objectives are met, thereby contributing to sustainable development and global well-being.</p> <p><b>Negative:</b> None.</p>	<p><b>Better contribute to positive impacts:</b> Ensure that the relevant guidance, as set out in the SPG, is accurately interpreted and implemented which will include consideration of social, economic and environmental wellbeing.</p>
<p><b>A Wales of vibrant culture and thriving Welsh language</b> Culture, heritage and Welsh language are promoted and protected. People are encouraged to do sport, art and recreation</p>	<p><b>Positive:</b> The Draft SPG has a positive general impact on culture, heritage and language, there is potential for proposals for small scale infill development to conserve the character and quality of Monmouthshire's countryside and natural heritage value.</p> <p><b>Negative:</b> None.</p>	<p><b>Better contribute to positive impacts:</b> Ensure that the relevant guidance, as set out in the SPG, is accurately interpreted and implemented.</p>
<p><b>A more equal Wales</b> People can fulfil their potential no matter what their background or circumstances</p>	<p><b>Positive:</b> The Draft SPG should bring positive benefits to Monmouthshire's residents by opening up opportunities for appropriate small scale infill</p>	<p><b>Better contribute to positive impacts:</b> Ensure that the relevant guidance, as set out in the SPG, is accurately interpreted and implemented.</p>

Housing policies, as with all LDP policies, have been subject to a Sustainability Appraisal that measures their performance against sustainability objectives, including equality measures.</p> <p><b>Negative:</b> None.</p>	

2. How has your proposal embedded and prioritised the sustainable governance principles in its development?

Sustainable Development Principle	How does your proposal demonstrate you have met this principle?	What has been done to better to meet this principle?
 <p>Balancing short term need with long term and planning for the future</p>	<p><i>We are required to look beyond the usual short term timescales for financial planning and political cycles and instead plan with the longer term in mind (i.e. 20+ years)</i></p> <p>The LDP covers the period 2011-21. The Draft SPG supports the implementation of the LDP. By its nature, therefore, it cannot look beyond this period but the SA/SEA of the LDP would have ensured consideration of the impact on future generations.</p> <p>The LDP housing policy framework seeks to balance the short term need for housing development and viability issues with the longer term need to create balanced and sustainable communities. The provision of appropriate small scale infill development, in areas where new residential development is generally strictly controlled such as main and minor villages, increases opportunities within the local housing stock for local communities and residents.</p>	<p>Ensure that the relevant guidance, as set out in the SPG, is accurately interpreted and implemented.</p> <p>The LDP and its policies have been subject to SA/SEA. The replacement LDP will be subject to SA/SEA.</p> <p>LDP AMRs will provide both an annual evaluation of plan performance including housing policies, and year by year comparison from which emerging long term trends may be identified and reported on. This will help inform the evidence base for the replacement LDP.</p>
 <p>Working together with other partners to deliver objectives</p>	<p>The Draft SPG has been produced in liaison with the Council's Development Management Officers following discussions regarding planning applications for small scale infill development. It will be subject to further internal consultation and external consultation. Public consultation will be targeted to those who are considered to have a specific interest in the topic but also including all town and community councils. The consultation will also be publicised via our Twitter account @MCCPlanning, as well as the corporate Monmouthshire Twitter account.</p>	<p>The Draft SPG supports LDP housing and other detailed policies. The LDP was subject to extensive community and stakeholder engagement and consultation throughout the plan preparation process. This provided those interested parties with the opportunity to make representations on the policy framework to the Council and to an independent inspector who examined the LDP.</p> <p>LDP AMRs will provide both an annual evaluation of plan performance, including housing and design policies, and year by year comparison from which emerging long term trends may be identified and reported on. This will inform the evidence base for the replacement LDP. The replacement LDP will be taken forward through extensive community and stakeholder engagement, expanding on the methods used previously.</p>

Sustainable Development Principle	How does your proposal demonstrate you have met this principle?	What has been done to better to meet this principle?
 <p>Involving those with an interest and seeking their views</p>	<p><i>Who are the stakeholders who will be affected by your proposal? Have they been involved?</i></p> <p>The Draft SPG has been produced in liaison with the Council's Development Management Officers following discussions regarding planning applications for small scale infill development.  <p>Putting resources into preventing problems occurring or getting worse</p>	<p>The requirement for this Draft SPG has arisen from some Members of Planning Committee who requested guidance on small scale infill development to help shape such proposals. The Council seeks to support and adopt a positive approach to appropriate small scale infill development where it accords with the LDP policy framework, specifically H1, H2 and H3, and is accordance with the guidance set out in in the Draft SPG.</p> <p>The Draft SPG therefore provides certainty and clarity for applicants, officers and Members in the interpretation and implementation of the existing LDP policy framework, specifically Policies H1, H2 and H3, in relation to infill development.</p>	<p>The future adoption and implementation of this Draft SPG will support appropriate small scale infill development where it accords with the LDP policy framework, specifically Policies H1, H2 and H3. **6. SUMMARY: As a result of completing this form, what are the main positive and negative impacts of your proposal, how have they informed/changed the development of the proposal so far and what will you be doing in future?**

*This section should give the key issues arising from the evaluation which will be included in the Committee report template.*

**Positive:** The Draft SPG seeks to support small scale infill development in Main Towns, Severnside Settlements, Rural Secondary Settlements, Main and Minor Villages, subject to compliance with the LDP policy framework, specifically policies H1, H2 and H3, providing this is not at the expense of the County's natural and built environment. This will assist in supporting the local housing stock in Monmouthshire providing positive impacts on the local economy. The positive impacts on the local economy is essential to the well-being of local communities and residents throughout Monmouthshire.

**Future:** Ensure that LDP housing and other relevant policies are accurately interpreted and implemented fully through use of this Draft SPG, measuring the effectiveness of the relevant policies on an annual basis in the LDP AMR.

**Negative:** Potential for some negative sustainability impacts where infill development is located in main and minor villages where there is limited public transport and subsequent reliance on the private car, resulting in increased car use in these areas, albeit that this is likely to be minimal given the nature of small scale infill development. Therefore, the scope for such negative impacts is limited and will be carefully considered against the LDP policy framework.

**Future:** LDP AMRs will provide both an annual evaluation of plan performance, including housing and design policy, and year by year comparison from which emerging long term trends may be identified and reported on. This will inform the evidence base for the replacement LDP.

**7. Actions. As a result of completing this form are there any further actions you will be undertaking? Please detail them below, if applicable.**
