<p><b>Name of Service – Velothon 2016</b></p>	<p><b>Date Future Generations Evaluation</b> 14<sup>th</sup> Nov 2016</p>

1. **Does your proposal deliver any of the well-being goals below?** Please explain the impact (positive and negative) you expect, together with suggestions of how to mitigate negative impacts or better contribute to the goal.

Well Being Goal	How does the proposal contribute to this goal? (positive and negative)	What actions have been/will be taken to mitigate any negative impacts or better contribute to positive impacts?
<p><b>A prosperous Wales</b> Efficient use of resources, skilled, educated people, generates wealth, provides jobs</p>	<p>Yes</p>	<p>Positive regarding bringing new people into Monmouthshire, help local tourism and health and well-being through 20,000 mass participations.</p>
<p><b>A resilient Wales</b> Maintain and enhance biodiversity and ecosystems that support resilience and can adapt to change (e.g. climate change)</p>	<p>Neutral</p>	<p>The event will require a number of roads to be closed on the day. Positively encouraging and supporting cycling can lead to reduced car journeys and thereby reduced emissions</p>

<b>Well Being Goal</b>	<b>How does the proposal contribute to this goal? (positive and negative)</b>	<b>What actions have been/will be taken to mitigate any negative impacts or better contribute to positive impacts?</b>
<b>A healthier Wales</b> People's physical and mental wellbeing is maximized and health impacts are understood	Positive	Encouraging people to take up a healthier lifestyle and promoting active travel
<b>A Wales of cohesive communities</b> Communities are attractive, viable, safe and well connected	Positive & Negative	Positive that community can celebrate and come together through events. Negative that closed roads can cause disruption especially in rural communities
<b>A globally responsible Wales</b> Taking account of impact on global well-being when considering local social, economic and environmental wellbeing	Positive	This is the third largest bike participation activity in the UK. It attracts a national and international field. Globally more people who are encouraged to used active travel will help with local environmental issues. Work with organizers and schools.
<b>A Wales of vibrant culture and thriving Welsh language</b> Culture, heritage and Welsh language are promoted and protected. People are encouraged to do sport, art and recreation	Positive	To promote Wales as a sports tourism destination  This year's events saw 13 thousands participants and 50% lived outside of Wales.
<b>A more equal Wales</b> People can fulfil their potential no matter what their background or circumstances	Positive	Sports Development, cycling proficiency and clubs all have opportunities to ensure access is equal.  Encourage participation by all

## 2. How has your proposal embedded and prioritised the sustainable governance principles in its development?

Sustainable Development Principle	How does your proposal demonstrate you have met this principle?	What has been done to better to meet this principle?
 <p>Balancing short term need with long term and planning for the future</p>	<p>This is the second year of potential four years of staging the event. With an increased participation the idea is to increase year on year.</p>	<p>There is a new delivery agent Run4wales who has an excellent reputation on hosting long term plans</p>
 <p>Working together with other partners to deliver objectives</p>	<p>Working with Welsh Government who are in contract with Lagedare/Run 4 Wales and local authorities to deliver</p>	<p>There is a new governance structure that has been created to oversee the delivery of the 2016 event</p>
 <p>Involving those with an interest and seeking their views</p>	<p>Local community groups and communities will be involved via consultation as the plans move forwards</p>	<p>Member seminar and a debrief of last year's events which included 24 recommendations to improve on last year's delivery</p>
 <p>Putting resources into preventing problems occurring or getting worse</p>	<p>Delivery team organized, planning groups and coordination through WG</p>	<p>Steering group and three sub groups – Run4 Wales will also ensure that their communication and delivery plans are in place</p>
 <p>Positively impacting on people, economy and environment and trying to benefit all three</p>	<p><i>Positive trying to ensure that all benefits are recognized and acted on</i></p>	<p>Ensuring local business communication happens early to ensure any positive opportunities are acted on. People that come to Monmouthshire return to Monmouthshire as per the County's STEAM figures so promoting our County to its maximum is essential</p>

5. What evidence and data has informed the development of your proposal?

The Velothon 2016 has been scrutinised and debrief recommendation have set the context for MCC to be a partner in the event next year. Following the debrief and discussion in council, members asked that considerations around route planning, consultations with communities and business, improved communications and cost were all factored into the plans for 2016. Data around last year's events, reports on participation and debrief paper have all contributed to the plans.  
The new local deliver agent Run4Wales have been working to ensure these plans are now in place.

**6. SUMMARY: As a result of completing this form, what are the main positive and negative impacts of your proposal, how have they informed/changed the development of the proposal so far and what will you be doing in future?**

The decision to commit to 2016 Velothon is still outstanding. Once that decision is in place, colleagues will support the various working groups and plans with Run4Wales as the lead organization. The most important factor is to have early and detailed discussions with impacted communities and business.
