

**SUBJECT: MONMOUTHSHIRE CC
ANNUAL GOVERNANCE STATEMENT, 2019/20**

**DIRECTORATE: Resources
MEETING: Audit Committee
DATE: June 2020
DIVISION/WARDS AFFECTED: All**

1. PURPOSE

To receive a **draft** version of the Council's Annual Governance Statement (AGS) prior to inclusion into the Statement of Accounts 2019/20.

2. RECOMMENDATION(S)

That the Audit Committee contribute to the appropriateness and content of the draft AGS 2019/20 and subsequently endorse it.

3. KEY ISSUES

- 3.1 Corporate Governance is about doing the right thing at the right time for the right people in an open and transparent way. The AGS sets out how Monmouthshire demonstrates it has appropriate governance arrangements in place and how they are continually reviewed to strengthen them moving forward.
- 3.2 This Statement has been prepared in accordance with guidance produced by the Chartered Institute of Public Finance and Accountancy (C.I.P.F.A.) and the Society of Local Authority Chief Executives and Senior Managers (S.O.L.A.C.E.), the 'Delivering Good Governance in Local Government Framework 2016' and Delivering Good Governance in Local Government Guidance Notes for Welsh Authorities 2016'. It embraces the elements of internal financial control required by the 'Code of Practice on Local Authority Accounting in the United Kingdom'.
- 3.3 Monmouthshire County Council (the Council) is responsible for ensuring that its business is conducted in accordance with the law and to proper standards, and that public money is safeguarded and properly accounted for, and used economically, efficiently and effectively. The Council also has a duty under the Local Government Act 1999 to make arrangements to secure continuous improvement in the way in which its functions are exercised, having regard to a combination of economy, efficiency and effectiveness.
- 3.4 In discharging this overall responsibility, the Council is responsible for putting in place proper arrangements for the governance of its affairs, facilitating the effective exercise of its functions and which includes arrangements for the management of risk.
- 3.5 The Code of Corporate Governance, which is consistent with the principles of the C.I.P.F.A./S.O.L.A.C.E. Framework 'Delivering Good Governance in Local Government', was approved by Council in July 2011; the Code was revised and updated in May 2014 and more

recently in 2020. A copy of the Code is available from the Chief Internal Auditor. This annual governance statement explains how the Council has complied with the code, the updated 2016 guidance and also meets the requirements of the Accounts and Audit (Wales) Regulations 2014.

4 The Purpose of the Governance Framework

- 4.1 The governance framework comprises the systems and processes, and culture and values, by which the Authority is directed and controlled and its activities through which it accounts to, engages with and leads the community. It enables the Authority to monitor the achievement of its strategic objectives and to consider whether those objectives have led to the delivery of appropriate, cost effective services.
- 4.2 The system of internal control is a significant part of that framework and is designed to manage risk to a reasonable level. It cannot eliminate all risk of failure to achieve policies, aims and objectives and can therefore only provide reasonable and not absolute assurance of effectiveness. The system of internal control is based on an ongoing process designed to identify and prioritise the risks to the achievement of the Council's policies, aims and objectives, to evaluate the likelihood of those risks being realised and the impact should they be realised, and to manage them efficiently, effectively and economically.
- 4.3 The governance framework has been in place at the Council for the year ended 31 March 2020 and up to the date of approval of the statement of accounts.
- 4.4 The Statement itself [Appendix 1] demonstrates that Monmouthshire has governance arrangements in place to meet the challenges of the governance principles and that a review has been undertaken to assess the effectiveness of those arrangements. We have demonstrated that in most areas we have effective governance arrangements in place which are continually improving, but also recognise that there is further work to do.

5 The Governance Framework

- 5.1 The Council's AGS has been developed in line with the following principles:

Overarching requirements for acting in the public interest:

- Behaving with integrity, demonstrating strong commitment to ethical values, and respecting the rule of law
- Ensuring openness and comprehensive stakeholder engagement

In addition achieving good governance in the Council requires effective arrangements for:

- Defining outcomes in terms of sustainable economic, social, environmental and cultural benefits
- Determining the interventions necessary to optimise the achievement of the intended outcomes
- Developing the entity's capacity, including the capability of its leadership and the individuals within it
- Managing risks and performance through robust internal control and strong public financial management

- Implementing good practices in transparency, reporting, and audit to deliver effective accountability

6 REASONS

- 6.1 In accordance with the requirements of the Accounts and Audit (Wales) Regulations 2014 an annual governance statement must be prepared and included within the Council's year end financial statements.

7 RESOURCE IMPLICATIONS

Monmouthshire CC

Annual Governance Statement 2019-20

May 2020

Executive Summary

The Statement itself demonstrates that Monmouthshire has governance arrangements in place to meet the challenges of the governance principles and that a review has been undertaken to assess the effectiveness of those arrangements. We have demonstrated that in most areas we have effective governance arrangements in place which are continually improving.

WAO's review of Good Governance concluded that the Council has a clear strategic approach for significant changes, although, better information would help Members when deciding the future shape of the Council.

Progress against the 2018/19 action plan is shown at Appendix 1.

- 1 This Statement has been prepared in accordance with guidance produced by the Chartered Institute of Public Finance and Accountancy (C.I.P.F.A.) and the Society of Local Authority Chief Executives and Senior Managers (S.O.L.A.C.E.), the 'Delivering Good Governance in Local Government Framework 2016' and Delivering Good Governance in Local Government Guidance Notes for Welsh Authorities 2016'. It embraces the elements of internal financial control required by the 'Code of Practice on Local Authority Accounting in the United Kingdom'.
- 2 The Statement itself demonstrates that Monmouthshire has governance arrangements in place to meet the challenges of the governance principles and that a review has been undertaken to assess the effectiveness of those arrangements. We have demonstrated that in most areas we have effective governance arrangements in place which are continually improving, but also recognise that there is further work to do. Progress against the 2018/19 action plan is shown at Appendix 1. The main areas for improvement in 2019/20 identified by the Council are shown in the action plan shown at Appendix 2.

Scope of Responsibility

- 3 Monmouthshire County Council (the Council) (MCC) is responsible for ensuring that its business is conducted in accordance with the law and proper standards, and that public money is safeguarded and properly accounted for, and used economically, efficiently and effectively. The Council also has a duty under the Local Government (Wales) Measure 2009 to make arrangements to secure continuous improvement in the way in which its functions are exercised, having regard to strategic effectiveness, service quality, service availability, fairness, sustainability, efficiency and innovation.
- 4 In discharging this overall responsibility, the Council is responsible for putting in place proper arrangements for the governance of its affairs, facilitating the effective exercise of its functions and which includes arrangements for the management of risk.
- 5 The Council's financial management arrangements conform to the governance requirements of the 'CIPFA Statement on the Role of the Chief Financial Officer in Local Government (2010)'.
- 6 The Code of Corporate Governance, which is consistent with the principles of the C.I.P.F.A. / S.O.L.A.C.E. Framework 'Delivering Good Governance in Local Government', was approved by Council in July 2011; the Code was revised and updated in May 2014; a further revision was undertaken in 2020. A copy of the Code is available from the Chief Internal Auditor. This statement explains how the Council has complied with the revised Framework and Guidance (2016) and also meets the requirements of the Accounts and Audit (Wales) Regulations 2014.

The Purpose of the Governance Framework

- 7 The governance framework comprises the systems and processes, and culture and values, by which the Council is directed and controlled and its activities through which it accounts to, engages with and leads the community. It enables the Council to monitor the achievement of its population outcomes, priorities and objectives and to consider whether those objectives have met the outcomes and led to the delivery of appropriate, cost effective services.
- 8 The system of internal control is a significant part of that framework and is designed to manage risk to a reasonable level. It cannot eliminate all risk of failure to achieve policies, aims and objectives and can therefore only provide reasonable and not absolute assurance of effectiveness. The system of internal control is based on an ongoing process designed to identify and prioritise the risks to the achievement of the Council's policies, outcomes and objectives, to evaluate the likelihood of those risks being realised and the impact should they be realised, and to manage them efficiently, effectively and economically.
- 9 The governance framework has been in place at the Council for the year ended 31 March 2020 and up to the date of approval of the statement of accounts.

The Governance Framework

10 The Council's Corporate Governance is in line with the following principles:

Overarching requirements for acting in the public interest:

- A. Behaving with integrity, demonstrating strong commitment to ethical values, and respecting the rule of law
- B. Ensuring openness and comprehensive stakeholder engagement

In addition achieving good governance in the Council requires effective arrangements for:

- C. Defining outcomes in terms of sustainable economic, social, environmental and cultural benefits
- D. Determining the interventions necessary to optimise the achievement of the intended outcomes
- E. Developing the entity's capacity, including the capability of its leadership and the individuals within it
- F. Managing risks and performance through robust internal control and strong public financial management
- G. Implementing good practices in transparency, reporting, and audit to deliver effective accountability

Wellbeing of Future Generations (Wales) Act 2015

11 The diagram below brings together the above principles of good governance with the requirements of the Well-being of Future Generations (WFG)(Wales) Act 2015. It shows sustainable development as all-encompassing, with the core behaviours of:

- behaving with integrity, demonstrating strong commitment to ethical values and respecting the rule of law; and
- ensuring openness and comprehensive stakeholder engagement

This needs to be applied to the five ways of working outlined in the 2015 Act. These five ways of working have to permeate all segments of delivering outcomes which, in turn, should ensure effective use of resources as the Council maximises its contribution to the economic, social, environmental and cultural well-being of Monmouthshire and Wales.

- 12 The key elements of the Council's governance arrangements are set out in its Corporate Plan 2017-2022, "A Monmouthshire that works for everyone" which was approved by Council in February 2018. A mid term refresh was presented to Cabinet (February 2020) to provide an overview of progress being made in 2018/19 to deliver the commitments set out in the Corporate Plan. In February 2019 Council adopted the goals contained in the Corporate Plan 2017-22, as the Council's Improvement Objectives for 2019-20 in order to comply with the requirements of the Local Government (Wales) Measure 2009. The Council's five priorities are:

**The best possible start in life,
Thriving and well connected county,
Maximise the potential of the natural and built environment,
Lifelong well-being,
Future-focused Council**

- 13 As part of the requirements of the Well-being of Future Generations (Wales) Act 2015 the Public Service Board (PSB) is focused on improving social, economic, environmental and cultural wellbeing, in

accordance with the sustainable development principle. Public Service Boards have a planning responsibility to prepare and publish an assessment of local well-being, produce a local well-being plan and report annually on its progress.

- 14** The Public Service Board has approved four well-being objectives that underpin a clear purpose of “building sustainable and resilient communities”; its objectives are:
- Provide children and young people with the best possible start in life
 - Respond to the challenges associated with demographic change
 - Protect and enhance the resilience of our natural environment whilst mitigating and adapting to the impact of climate change
 - Develop opportunities for communities and businesses to be part of an economically thriving and well-connected county.
- 15** An update on the emerging actions being developed to deliver the objectives contained in Monmouthshire’s Well-being Plan was signed off by the PSB in April 2018. The PSB published its first annual report reviewing progress in 2018/19, in July 2019.

Coronavirus (Covid-19) Pandemic

- 16** The Coronavirus pandemic (WEF March 2020) has caused significant organisational disruption including new emergency responsibilities, increased staff absence and a requirement for staff to work from home (where possible) while continuing to ensure statutory services are maintained as expected. This statement assesses the governance in place during 2019/20 with the majority of the year being unaffected by Coronavirus, however, during March 2020 some key operations were affected and will continue to be during 2020/21.
- 17** In accordance with the Council’s Corporate Emergency Management Plan (revised March 2019) an Emergency Response Team (ERT) was established along with a regional multi-agency Strategic Co-ordination Group (SCG) to deal with this pandemic. These groups met on a daily basis during March 2020 and meetings continued into April 2020 and beyond.
- 18** Once enacted, the Corporate Emergency Management Plan allowed for an emergency management structure and delegation of emergency powers to the ERT Gold Duty Officer in consultation with the Leader of the Council.
- 19** The pandemic has impacted on the Council’s delivery of services as some staff have been diverted to front line duties to ensure that critical services are prioritised. There have also been new areas of activity as part of the national response to Coronavirus for example providing emergency assistance to businesses in Monmouthshire.
- 20** There has been funding and logistical consequences of delivering the local government response. To ensure appropriate governance and accountability, these costs have been identified by staff and appropriately coded on the Council’s Main Accounting System.
- 21** In line with public health measures to mitigate the spread of Coronavirus and to enable the Council to focus on the delivery of critical services, all public meetings were suspended. This included Council meetings, meetings of full Cabinet and all committee and sub-committee meetings, including Select, Planning and Licensing.
- 22** Urgent decisions have continued to be made in accordance with the officer and Members’ schemes of delegation as detailed in the Council’s Constitution and urgent decision-making procedures.
- 23** At this stage of the pandemic, the longer term disruption and consequences arising from Coronavirus is currently unclear however, existing projects and programmes may have to be put on hold, new priorities and objectives will need to be introduced and new risks will have to be identified.

- 24** As much as possible, the systems of internal control have continued to operate during the pandemic. The Council's recent implementation of Office365 has allowed the majority of employees to successfully work from home without major disruption.
- 25** In the Chief Internal Auditor's opinion, adequate assurance was obtained over the course of 2019/20 to result in an overall 'Reasonable' audit opinion to be issued for the Council's activities. Internal Audit coverage was adversely affected during the latter part of 2019/20 and 76% of the approved audit plan was completed against the target of 82%. At the start of March 2020, indications were that the audit team would have completed 82% of the audit plan. Further detail regarding the Internal Audit team's performance is included within the Internal Audit Annual Report 2019/20.
- 26** In conclusion, during 2019/20 the Coronavirus pandemic did not lead to significant internal control or governance issues which impacted on the overall review of effectiveness. This will be monitored during 2020/21 and reviewed as part of future Annual Governance Statements.

Review of Effectiveness

- 27** The Council has responsibility for conducting, at least annually, a review of the effectiveness of its governance framework including the system of internal control. The review of effectiveness is informed by the work of the Senior Leadership Team within the Authority which has responsibility for the development and maintenance of the governance environment, the Chief Internal Auditor's annual report, and also by comments made by the external auditors and other review agencies and inspectorates.
- 28** The governance arrangements continue to be regarded as fit for purpose in accordance with the governance framework.
- 29** The processes that have been applied to maintain, review and improve the effectiveness of the governance framework include:
- i) The Monitoring Officer is in the process of thoroughly reviewing the Council's Constitution and ethical governance arrangements; revised Constitution last approved by Council in December 2017;
 - ii) Periodic reviews of the financial controls including the financial procedure rules by the Chief Finance Officer (Head of Finance); financial procedure rules were approved by Council in September 2014; Contract Procedure Rules are currently being reviewed and updated;
 - iii) Whole Authority Strategic Risk Management Assessment and amendments to the Policy were approved by Cabinet in March 2020;
 - iv) Formal risk management and regular ongoing review of the processes involved reported through Audit Committee
 - v) The Audit Committee undertook a self evaluation exercise towards the end of 2019/20;
 - vi) the Internal Audit function, whose work takes account of identified risks through regular audits of the major systems, establishments and major projects in accordance with the annual internal audit plan, and which includes 'follow-up' work to ensure that agreed recommendations are implemented;
 - vii) the work of the Council's Select and other Committees, including its Audit and Standards committees;
 - viii) the opinions and recommendations of the Council's external auditors, following both financial audit work and per the Local Government Measure in regard to matters, including governance issues, which are considered for action and implementation and reported to Council, Cabinet and Audit Committee, as appropriate;
 - ix) The opinions and recommendations of other inspection, regulation and review agencies which are reported to Council, Cabinet and Audit Committee as appropriate. Audit Committee receives a regular report on the progress made with recommendations and proposals issued by Wales Audit Office
 - x) regular monitoring of performance against the Corporate Plan and service plans and of key targets, and reporting of this to senior management and members;
 - xi) Audit Committee annual report (Council July 2020);

ANNUAL GOVERNANCE STATEMENT FOR THE YEAR ENDED 31 MARCH 2020

- xii) Corporate Safeguarding Policy taken through Council May 2018;
- xiii) Annual appraisal of the effectiveness of the authority's performance management arrangements reported annually to Audit Committee.
- xiv) Chief Officer for Children and Young People's Annual Report presented to Council May 2019; Chief Officer for Social Care, Safeguarding & Health's Annual Report presented to Council September 2019; Corporate Parenting Annual Report to Council October 2019.
- xv) Updated policies and strategies reported through Cabinet and Council

30 The following paragraphs review the effectiveness of the governance arrangements in Monmouthshire under the 7 principles.

Principle A: Behaving with integrity, demonstrating strong commitment to ethical values, and respecting the rule of law

31 The Code of Conduct for Members and a protocol on Member / Officer relations are set out in the Constitution. A new version of the code of conduct for members was adopted by Council in May 2016. The Council also has a local protocol for the self-regulation of member conduct.

32 The Standards Committee, which includes a majority of independent representatives, advises on and monitors the Members' Code of Conduct, the Protocol for Member/Officer Relations, and any other Codes relating to the conduct of Members.

33 Public Service Ombudsman Wales Annual Report (2018/19) was presented to the Standards Committee in September 2019'

Conduct Complaints about MCC Members received by the Public Services Ombudsman:

	2016-17	2017-18	2018/19
Not upheld	8	3	20
Referred to Standards Committee	0	0	0
Referred to Adjudication Panel	0	1	0
TOTAL COMPLAINTS CLOSED	8	4	20

34 Agreed arrangements enable the Council to comply with statutory requirements in respect of child protection and the protection of vulnerable adults. Recruitment procedures help ensure that Council employees and Members working with children or vulnerable adults are checked for their suitability to do so through independent DBS checks.

35 In accordance with its statutory responsibilities, the Council has in place a Health and Safety Policy and related procedures.

36 There were no successful "call-in" challenges to decisions on procedural grounds and no judicial review challenges on grounds of legality during the year.

37 Policy and decision-making is facilitated through (i) the Cabinet, the meetings of which are open to the public and live streamed online except where exempt or confidential matters are being discussed, and (ii) a scheme of delegation to committees and officers as set out in the Constitution: Five select committees (including the statutory PSB Select Committee) and a separate Audit Committee review, scrutinise and hold to account the performance of the Cabinet, decision-making committees and officers.

A Scrutiny “Call-In” process for decisions which have been made but not yet implemented is incorporated in the Constitution in order to consider their appropriateness.

- 38 A Scrutiny and Executive Protocol is in place which is aligned to the updated constitution of December 2017 and provides parameters for effective executive and scrutiny relationships.
- 39 The Constitution is updated periodically by the Monitoring Officer; the latest update approved by Council in December 2017; The Constitution is currently going through a more thorough review process. It can be found on the Council’s website and sets out:
- how the Council operates and makes decisions,
 - the procedures to ensure that decision-making is transparent and accountable to local people and other stakeholders,
 - the key roles of all members and chief officers, including the lead responsibilities for corporate governance of the Leader, the Chief Executive and other designated chief officers,
 - a scheme of delegated powers for decision-taking
 - responsibilities for reviewing and agreeing the Council’s corporate governance arrangements,
 - arrangements for ensuring it is regularly reviewed and updated
 - its related codes and protocols.
- 40 To ensure agreed procedures and all applicable statutes are complied with the Monitoring Officer attends all Council meetings; to ensure sound financial management is a key factor in decisions, the Chief Officer Resources (Interim Head of Finance) attends SLT, Cabinet and Council meetings.
- 41 The ethical governance framework includes:
- codes of conduct for officers and members
 - a protocol governing Member/Officer relations
 - a whistle-blowing policy widely communicated within the Council
 - registers of personal and business interests for Members
 - an agreed policy and associated corporate procedures for ensuring that complaints about services can be properly made and investigated, and for ensuring that any lessons can be applied
 - equalities awareness training.
- 42 In accordance with the Local Government and Housing Act, 1989, the Monitoring Officer ensures compliance with established policies, procedures, laws and regulations. After appropriate consultation, this officer will report to the full Council in respect of any proposals, decisions or omissions which could be unlawful or which have been subject of an Ombudsman Investigation resulting in a finding of maladministration
- 43 All exemptions of the Contract Procedure Rules are reported through Audit Committee six monthly. The Internal Audit team continues to deliver awareness raising sessions on the importance of compliance with these Contract Procedure Rules and Financial Procedure Rules.
- 44 The Audit Committee has the opportunity to call in senior managers during the year and challenge them on why a procurement process went outside the Council’s normal tendering processes. Following 2 consecutive **Limited** Assurance audit opinions, the Head of Strategic Projects was called into Audit Committee (March 2020) to justify the lack of improvement in internal controls re Fuel Cards. The Chief Officer Resources reported on progress following 2 consecutive **Limited** Assurance opinions regarding Anti Bribery, Fraud and Corruption.
- 45 29 Internal Audit opinions were issued in 2019/20; 9 audit jobs resulted in **Limited** assurance.
- 46 The overall opinion on the adequacy of the internal control environment for 2019/20 was **REASONABLE**. Management agreed to implement the recommendations made in audit reports in order to address the weaknesses identified. The Internal Audit opinions issued in 2019/20 were as follows:

ANNUAL GOVERNANCE STATEMENT FOR THE YEAR ENDED 31 MARCH 2020

	2017-18	2018-19	2019-20
Substantial Assurance (Very Good)	2	2	2
Considerable Assurance (Good)	11	11	11
Reasonable Assurance	16	13	7
Limited Assurance (Unsatisfactory)	8	6	9
Total	37	32	29

- 47** Reasons why the outcome of the audit reviews which were deemed to provide Limited assurance have been, or will be, presented in a separate report to Audit Committee; assurances have been sought from respective operational managers that action will be taken to make the necessary improvements in control.
- 48** The Internal Audit team did not have a full complement of staff for the full year due to a maternity leave. 77% of the 2019/20 plan was achieved, which was slightly lower than the previous year (84%). The team was also impacted by the Covid-19 pandemic. The Chief Internal Auditor's overall audit opinion is based on the number of audits undertaken and their individual opinions; he was able to give an overall opinion on the adequacy of the control environment.
- 49** The Internal Audit team continued to ensure its compliance with the Public Sector Internal Audit Standards (PSIAS). This was validated through a peer review process at the end of 2017/18 undertaken by the Chief Internal Auditor for Neath Port Talbot Council; the outcome of which was that the team are generally compliant, the highest level of compliance.
- 50** An Improvement Framework is in place to ensure the economic, effective and efficient use of resources and for securing continuous improvement. This is supported by a range of mechanisms including collaborative working initiatives and reviews undertaken both internally and by the external auditors and inspectors. This framework works in conjunction with the Local Government Wales Measure 2009. Performance is reported through Select Committees and Cabinet.
- 51** The strategies which support this Framework include the Asset Management Plan, People Strategy, Local Development Plan, Financial Plan, Digital Strategy, Economy & Enterprise Strategy which are delivered through service business plans and employee aims & objectives, evaluated and risk assessed.
- 52** Chief Officers and Heads of Service are accountable for ensuring that the Council Priorities are delivered and performance against key targets is regularly monitored via the performance management framework and is regularly reported to members via Select Committees.

Principle B: Ensuring openness and comprehensive stakeholder engagement

- 53** The agendas are published in advance of all meetings on the Council's website.
- 54** The scrutiny /select reports on recommendations/outcomes from scrutiny activity are presented to Cabinet quarterly. The scrutiny function has a 'Scrutiny Service Business Plan'. The plan is built into the Council's improvement framework. . At Monmouthshire, scrutiny is undertaken by 5 select committees:
- Children and Young People's Select Committee
 - Adults Select Committee
 - Economy and Development Select Committee
 - Strong Communities Select Committee
 - Public Service Board Select Committee

- 55 The Scheme of Delegation sets out responsibilities for decision making. The Council's website includes the Cabinet and Cabinet Member decisions / Member profiles. The Scrutiny Handbook and a Scrutiny and Executive Protocol have been developed to support Members to carry out their responsibilities effectively provides a guide for Members, officers and the public on the role and value of scrutiny and the website displays the Scrutiny Forward Work Programme and invites public submissions. Development of Customer Insight to better understand our communities. Dissemination of ward meeting minutes.
- 56 Social media, Twitter, Facebook and You Tube for example, is increasingly being used to engage local people and communicate the corporate message. Scrutiny has a Twitter account to help engage more effectively with the public on democracy. Chief Officers, Members and the Communications team are very proactive in engaging with the public.
- 57 Public engagement events and You Tube continued in 2019/20 for the budget proposals. The Council has encouraged the community within Monmouthshire to actively contribute to making stepped changes to improve the way in which services are provided and is a key workstream of the Future Monmouthshire programme established by the Council in May 2016; the intention is to transform public service delivery. This links back to the principles of the Well-being of Future Generations Act which sets out five ways of working including involvement.
- 58 In May 2018, Monmouthshire Public Services Board, adopted their Well-being Plan in line with the requirements of the Well-being of Future Generations (Wales) Act. The plan was informed by the Monmouthshire Well-being Assessment which sought the views of Monmouthshire residents and draws together findings from data, academic research and policy papers and the views of local people. This Plan is challenged publicly through Public Service Board Select Committee.
- 59 In October 2019, Council agreed to change the title of the Public Service Board Select Committee to Public Services Select Committee to enable scrutiny of wider public service provision in collaboration or by external partners.
- 60 The "Our Monmouthshire" approach, which was essential to the Well-being Assessment is about all of us addressing the needs of the future as well as current generations. People in Monmouthshire were asked "*what's good about your community and what would make it better, now and in the future*". The well-being assessment was also used as evidence to inform the Council's Corporate Plan, making sure it addresses some of the really big challenges that Monmouthshire faces in coming years.
- 61 Transparency and openness is important to Monmouthshire; the Annual Statement of Accounts was taken through the Audit Committee process before being endorsed by Council. All Council decisions, reports and questions asked by Members are available on the website. Financial information, Corporate Plan progress, Council activities, achievements, developments, updates and events were included on the Council's intranet and website, with all Council, Cabinet, Audit Committee and Select Committees now live streamed on You Tube. All public meetings of the Council are live streamed on YouTube and are available to view on the Council's YouTube channel at any time after the meeting, which provides greater transparency of the Council's business.
- 62 Individual Cabinet Members can make decisions under the scheme of delegation; agendas and decisions for all Cabinet Members are published on the Council's website.
- 63 The Council's website contains links to the following areas of open data in the interests of openness.

Data published by Monmouthshire County Council:

- [List of expenditure over £500](#)
- [Our spend data as a useful dashboard](#)
- [Food hygiene ratings](#)
- [Business Property Data Set](#)

- [List of Primary Schools in Monmouthshire](#)
- [List of Secondary Schools in Monmouthshire](#)

- 64 The Medium Term Financial Plan (MTFP) supports the vision for Monmouthshire and extensive public engagement continued in 2019/20 for the 2020/21 budget and Medium Term Financial Plan which engaged with the public in their own community; this included website, social media, drop in sessions YouTube and open meetings. These were key to providing people with the opportunity to become informed.
- 65 Public engagement and consultation is key to the WFG Act. One of the five ways of working is Involvement - *the importance of involving people with an interest in achieving the well-being goals, and ensuring that those people reflect the diversity of the area which the body serves*. This along with the other ways of working is now considered in all relevant decision making reports for Cabinet and Council through a Future Generations Evaluation which includes Equalities and Sustainability Impact Assessments. The progress of implementing the WFG Act was reported through the PSB and Cabinet in 2019/20.
- 66 Implementing Open Government standards which enable us to effectively engage with our citizens and open up our data for anyone who needs to use it. Making the most of digitisation and digital inclusion to enable us to engage with people across our County.

Principle C: Defining outcomes in terms of sustainable economic, social, environmental and cultural benefits

- 67 The Council's previous Improvement Plan and its improvement objectives were incorporated into the Corporate Plan for 2018/19. Building sustainable and resilient communities is the unifying purpose of the diverse range of services the Council delivers. This is shared with our partners on the PSBd, which is responsible for setting well-being objectives for the County.
- 68 Monmouthshire County Council is a member of the Monmouthshire PSB, where we work with other public services and the voluntary sector on the delivery of the local well-being plan. This includes countywide well-being objectives that are a focus for public services that are part of the PSB. Combining the ingenuity and initiative of all partners is key to finding new solutions to pressing, social, economic and environmental problems. This sense of 'power of the collective' is central to its core purpose, reflected in its values and embodied in its culture.
- 69 The Well-being Plan sets out the vision of the PSB. The four identified objectives are to:
- Provide children and young people with the best possible start in life
 - Respond to the challenges associated with demographic change
 - Protect and enhance the resilience of our natural environment whilst mitigating and adapting to the impact of climate change
 - Develop opportunities for communities and business to be part of an economically thriving and well connected county.
- 70 Under the Well-being of Future Generations (Wales) Act 2015 The Council has a responsibility to:
- Set and publish well-being objectives
 - Take all reasonable steps to meet those objectives
 - Publish a statement about well-being objectives
 - Detail arrangements to publish an annual report of progress
- 71 In March 2018 Council approved the Council's Corporate Plan 2017-2022, which incorporated the Council's well-being objectives, and endorsed the Area Plan. The well-being objectives bring together the latest evidence from the well-being assessment, policy and legislation and show how the Council will strive to deliver a public service that meets the needs of the present without compromising the ability

of future generations to meet their own needs. The Well-being Objectives and Statement Annual Report (2017/18) was approved by Council in September 2018.

- 72** The Corporate Plan Objectives for 2017 to 2022 are supported by service business plans to operationally deliver these objectives. The Corporate Plan Annual Report (18/19) was taken to Council in September 2019. Service plans were updated for 2019/20 in all service areas and made available on the Council's Hub intranet site. These were quality assessed as part of the service planning process. All service plans were developed to align the delivery of the Council's Corporate Plan.
- 73** In February 2019 Council received the report to approve the continuation of the five objectives set in the Corporate Plan 2017-2022 as the Council's objectives for 2019-20 to comply with the Local Government (Wales) Measure 2009. In March 202 Council supported a mid term refresh of the Plan.
- 74** Wales Audit Office presented its Annual Improvement Report to Audit Committee in July 2019. WAO has carried out work with all councils on improvement assessment, the Wellbeing of Future Generations Act, the service user perspective and scrutiny as well as some local work. Wales Audit Office reported to Audit Committee on work completed from previous years at Monmouthshire. It concluded that the Council meets its statutory requirements for continuous improvement and there are no formal recommendations.
- 75** Reports were taken through the scrutiny process during the year which included links to the Council's policies, priorities and objectives. The agendas and minutes of which became public documents are available through the Council's website.
- 76** Well-being and Future Generations continued to be a key theme and foundation through the reporting processes in 2019/20.
- 77** The Council is embracing the benefits of digital communications including social media use, for example "My Monmouthshire", which enables people to interact and transact with the Council using mobile devices. The Council's website includes more transactional functions. In 2018-19 the Council also launched a chatbot to further broaden the channels people can use to interact with their local authority. During 19/20 there was extensive use of Twitter, Facebook and You Tube to raise awareness of forthcoming events, to provide live streaming of Cabinet, Council and other political meetings, to promote the activities and services provided and to show support and encouragement for community groups.
- 78** Enhancing the digital services with economic (effective and efficient processes aiding business interaction), environmental (less travel and print consumables) and social (digital customer centric services) continued to be a key aspect of improving services throughout 2019/20. Outcomes are measured via the Digital Programme Office Service plan and performance planning process.
- 79** To ensure the best use is made of resources and that taxpayers and service users receive excellent value for money, there are a number of mechanisms within the Council to support this. The option appraisals for the 21st Century Schools considered cost and quality to determine the best outcome for the service; budget mandates were in place to monitor and capture the savings assessments; the IT Board reviewed business cases for future IT investment.
- 80** Regular budget / outturn reports for revenue and capital were presented to and approved by Cabinet during the year, and the budget management actions of Cabinet and senior officers are scrutinized by 4 of the Select Committees quarterly. The budget monitoring reporting cycle periodically contains some output measures and unit cost data, so that economic comparison of costs with other Councils can be made. Previously the Council has compared very favourably to others.
- 81** The MTFP process for 2020/21 to 2023/24 was reviewed and approved by Cabinet in Septemebr 2019. The Draft Capital Budget Proposals 2020/21 to 2023/24 were taken to Cabinet in December 2019. Draft Revenue Budget Proposals 2020/21 also went to Cabinet in December 2019. Final Proposals went to Cabinet in February 2020. Ongoing scrutiny of the Council's budget position in line with the MTFP has provided members with a greater understanding of the budget setting process and the pressures within individual directorates.

- 82 An authority-wide performance measurement system for the Council, the “data hub”, hosted on the Council’s intranet site continues to be updated. This enables members and officers to track and monitor data in key strategic plans through “dashboards”. This also allows performance to be compared against other council areas, where applicable. The “data hub” has been reviewed and streamlined to ensure information is up to date and focussed on the most pertinent performance data.

- 83 An Overview of Performance Management Arrangements was reported to Audit Committee in November 2019. This was an update on the current effectiveness of the Authority’s performance management arrangements. It provides an appraisal of the arrangements that make up the performance framework to ensure that Audit Committee are able to take an overview of their effectiveness. Each arrangement has been scored based on the council’s self-evaluation framework; the key elements were all scored *adequate* or *good*, no measure was scored *weak* or *unsatisfactory*.

- 84 The Equality Impact Assessment and Sustainable Development checklists were revised and combined to align with the Future Generations Act. The “Future Generations Evaluation “ ensures the decisions the Council makes are carefully considered to take equality and sustainable development into account, this includes legislation that Monmouthshire County Council is subject to the Equality Act 2010, Wellbeing of Future Generations Act and Welsh Language (Wales) Measure 2011. A range of these were undertaken during 2019/20 which have been published on the website accompanying decision making reports.

- 85 The Council has a long-standing commitment to equality and diversity and under the Equality Act 2010, has to produce a Strategic Equality Plan. The Council’s second Strategic Equality Plan 2016-2020 sets the council’s objectives to ensure we deliver better outcomes for people with protected characteristics. An annual monitoring report for 2018/19 has been produced and scrutinised by Strong Communities Select Committee in February 2020.

- 86 The Council has a Welsh Language Strategy for 2017 – 2022, which sets out a vision of how Welsh language will look in Monmouthshire in 5 years, and is accompanied by targets to help achieve that vision. Also the Welsh Language Monitoring Report 2018/19 was presented to Strong Communities Select in June 2019 to note compliance and progress made with the Welsh Language Standards allocated to Monmouthshire County Council.

Principle D: Determining the interventions necessary to optimise the achievement of the intended outcomes

- 87 The Local Authority is a partner in the South East Wales Consortium Schools Causing Concern protocol. This Policy forms a part of, and is aligned with, the National Model for School Improvement in relation to the informal support and challenge provided by the Local Authority (LA) to a school prior to any issuing of a warning notice or invocation of formal powers of intervention based on the six grounds for intervention. It also aligns with the Welsh Government (WG) Guidance on Schools Causing Concern (March 2016).

- 88 Contract Procedure Rules exemptions are reported to the Audit Committee (July 2019); managers have been challenged in year to justify their procurement outside the Council agreed procedures.

- 89 Regular reporting into Cabinet, Scrutiny and Audit Committee enables the achievement of the Council’s objectives to be challenged and appropriate actions put in place to address any identified issues so that the intended outcomes can be achieved. The Strategic Risk Assessment 2019/20 was also reported to Audit Committee (February 2020) and signed off by Cabinet during the year.

- 90 Dealing with customer complaints helps Monmouthshire to identify and deal with failures in service delivery. The Council’s complaint / compliment procedure is available on the web site. Out of 143 complaints received in 2018/19, 132 were resolved informally although 2 complaint was referred to the Ombudsman, who decided not to investigate. 14 formal complaints were received, 5 of which were escalated. 187 comments were received along with 180 compliments. (Standards Committee September 2019)

Principle E: Developing the entity’s capacity, including the capability of its leadership and the individuals within it

- 91 The Council’s recruitment procedures provide equality of employment opportunities. The equality-assessed pay structure meets the requirements of the Single Status Agreement of 1997. The Single Status Collective Agreement was approved by Cabinet in September 2010. This is complemented by the People Strategy.
- 92 Developing the digital capabilities of people and systems to enable effectiveness, efficiency and enhanced customer services (measured via the Digital Programme Service Business Plan)
- 93 There is continued support for Members’ development through briefing sessions and other learning opportunities. A comprehensive training programme was developed for the intake of new members following Council elections in May 2017 including:

Council Induction	Licensing	Audit
Planning	Scrutiny	Children & Young People
Finance	Governance	Safeguarding
Security at Events	Equalities	

- 94 There is also ongoing training and development which meets the needs of officers and Members through the corporate programme. Coaching and leadership skills training will be rolled out to all managers in due course. Check in, Check Out provides a value-based performance assessment approach between staff and line managers and aims to ensure employees have clear and effective understanding of their contribution to the objectives of their teams and subsequently the Council.
- 95 A Scrutiny Member Development Training Programme is in place which provides ongoing specific skills based training for Members and includes scrutiny induction; this is agreed by the Scrutiny Chairs’ Group. The training programme forms part of the Scrutiny Service Plan.
- 96 Appropriate and relevant job descriptions were in place for the Chief Executive, Senior Leadership Team (SLT), Monitoring Officer and Head of Finance.

Partnerships/collaboration working

- 97 There is Council policy on information sharing along with numerous information sharing protocols with our partners; this is included within the Data Protection Policy. Information sharing is key to joined-up service delivery. The Wales Accord on the Sharing of Personal Information (WASPI) was developed as a practical approach to multi agency sharing for the public sector in Wales, and Monmouthshire signed up to this in January 2011. The Authority is required to meet statutory obligations regarding the handling and sharing of data, in accordance with the General Data Protection Regulation 2018. The Information Sharing protocol has been developed to ensure information is only shared appropriately, safely and compliantly.
- 98 The Council ensures that it has appropriate governance arrangements around its collaborations with other public agencies and other third parties. These can take a range of forms, from informal arrangements to those where governance arrangements are determined through legislation. The governance arrangements form a key part of the decision making processes that the Cabinet or Council follow when deciding to enter a collaborative arrangement, transparent local accountability is a key area of focus.
- 99 As a key example of our commitment to effective governance, arrangements have been developed for the PSB Select Committee.

100 The Community & Partnership Development Team was developed in order to help build sustainable and resilient communities that support the wellbeing of current and future generations in Monmouthshire which is a shared purpose with the public service board partners. The Team work with communities and partners to help bring about social change and improve the quality of life in the county. The team act as enablers, unlocking potential and supporting sustainability through collective impact; providing a resource and tangible link between local communities and a wide range of partners; enabling the delivery of measurable and sustainable programme of activities that will constantly look to the future. The team will ensure MCCs statutory duties are fulfilled across the partnerships landscape in relation to:

- Crime & Disorder Act & Community Safety
- VAWDASV & DHR's
- UNCRC & Youth Support Services
- Older Peoples Phase 3 Strategy
- Armed forces Community Covenant
- Delivery of PSB wellbeing objectives
- Working closely with partners and communities to deliver a joined up approach against our Social Justice Strategy

Principle F: Managing risks and performance through robust internal control and strong public financial management

101 There are robust arrangements for effective internal financial control through the Council's accounting procedures and financial regulations. These include established budget planning procedures, which are subject to risk assessment, and regular reports to members comparing actual revenue and capital expenditure to annual budgets. The Chief Finance Officer is responsible for the proper administration of the Council's financial affairs, as required by Section 151 of the Local Government Act 1972. Procedures for tendering and contract letting are included in the Contract Procedure Rules and Financial Procedure Rules. The Council's Treasury Management arrangements follow professional practice, are subject to regular review and are contained in the Treasury Management Strategy approved by Council each year.

102 In July 2017 Wales Audit Office reported to Audit Committee that the "Council has a clear strategic approach for significant service changes, although better information would help Members when deciding the future shape of the Council".

103 In its Annual Improvement Report 2018/19, reported to Audit Committee July 2019, WAO concluded that the Council is meeting its statutory requirements in relation to continuous improvement and is likely to comply with the requirements of the Local Government Measure (2009) during 2019/20. No formal recommendations were made although there were a number of proposals for improvement.

104 The anti-fraud, bribery and corruption strategy was revised and updated during 2017/18. It was approved by Cabinet July 2017 and provides a deterrent, promotes detection, identifies a clear pathway for investigation and encourages prevention. The Council's Council Tax Reduction Anti-Fraud Policy was approved by Cabinet in June 2015. A training package has been developed and presented to Audit Committee (January 2020). This will be rolled out to all managers in order to raise awareness of anti-fraud, bribery and corruption issues.

105 The Audit Committee considers the effectiveness of the Council's arrangements for securing continuous improvement including risk management arrangements. The Audit Committee also considers corporate governance, monitors the work of auditors and inspectors, and monitors the relationships between auditors and staff and the responses to audit and inspection recommendations. It also has responsibility for reviewing the Annual Statement of Accounts and its associated reports (which include this statement) before approval by Council. The Audit Committee has an independent, non-political, Chairman who prepares an annual report of the work of the Audit Committee.

106 Internal Audit operate to the standards set out in the 'Public Sector Internal Auditing Standards' which have been developed from the Institute of Internal Auditors (IIA) International Internal Auditing

Standards which came into effect in April 2013. The team's role and status is set out in the Council's Internal Audit Charter. The Chief Internal Auditor reports to the Audit Committee a summary of audit findings for each quarter, and also reports annually an opinion on the overall adequacy and effectiveness of the Council's internal control environment.

107 The Chief Internal Auditor continues to ensure Internal Audit complies with the Public Sector Internal Audit Standards. A self assessment was undertaken during 2017/18 to assess compliance with the Standards which was validated in March 2018 by an external assessor, the Chief Internal Auditor of Neath Port Talbot Council.

108 The Council has an objective and professional relationship with its external auditors and statutory inspectors. It manages its information resource through strategies and policies to enable effective decision making which is managed via the Information Strategy and action plan.

Risk management

109 The Council's Strategic Risk Management Policy was updated and approved by Cabinet in March 2019; progress was reported into Audit Committee in February 2020. The policy requires the proactive participation of all those responsible for planning and delivering services in identifying, evaluating and managing high level strategic risks to the Council's priorities, services and major projects. The risk controls necessary to manage them are identified and monitored to ensure risk mitigation.

110 Within the Council the purpose of risk management is to:

- preserve and protect the Council's assets, reputation and staff
- aid good management of risk and support whole authority governance
- aid delivery of its population outcomes internally and when working with partners
- improve business performance and anticipated risks in delivering improvements
- avoid unnecessary liabilities, costs and failures
- shape procedures and responsibilities for implementation.

The strategic risk assessment ensures that:

- Strategic risks are identified and monitored by the Authority
- Risk controls are appropriate and proportionate
- Senior managers and elected members systematically review the strategic risks facing the Authority.

The risk assessment is prepared by drawing on a wide range of evidence including service plans, performance measures, regulatory reports, progress on the previous risk assessment and the views of select committees. In order to mitigate the risks, proposed actions are recorded and also aligned back into the respective service business plan. The risk assessment is a living document and is updated over the course of the year as new information comes to light.

111 The Council's Strategic Risk Assessment for 2019/20 contains 16 risks. These were reviewed throughout the year with the latest version was presented to Audit Committee in February 2020. The majority were rated initially as medium risks; 13 medium risks, 1 medium / high risk and 2 high risks pre mitigation. Following mitigation there were 3 low risks, 6 medium to low risks, 4 remained as medium, 1 risk moved from medium to high to low and 2 remained as high risks.

Principle G: Implementing good practices in transparency, reporting, and audit to deliver effective accountability

112 The South East Wales Education Achievement Service (EAS) Business Plan 2019/20 was presented to Cabinet in April 2019. The plan sets out the priorities, programmes and outcomes to be achieved by the EAS on behalf of the South East Wales Consortium.

113 Other reports were taken through Cabinet during 2019/20 demonstrating transparency and accountability, for example:

- Schools Admissions Policy 2020/21
- Agency & Self Employed Workers Policy
- Sudbrook S.106 Papermill off site recreation funding
- Social Justice Strategy
- Monmouthshire Replacement LDP Issues, Vision and Objectives
- Investment Proposal for Caldicot Castle
- Establish Monmouthshire MedTech
- The Resources restructure
- Council Tax base 2019/20
- Code of Practice – Ethical employment in supply chains

114 The updated People Strategy was endorsed by Cabinet in July 2018; this is the overarching framework for People and Organisational Development which supports its role in ensuring the organisation is equipped with the collective capacity, capability and mindset to meet financial and improvement challenges and respond to opportunities that present

115 The Council's first Commercial Strategy was endorsed by Cabinet in July 2018; The purpose of this report was to present for approval the Council's first Commercial Strategy and accompanying action plan. The strategy builds upon aspects of the Procurement, Digital and Asset Management Strategies and is a key means through which the Council can play a role in the self-determination of its future viability and sustainability.

116 In September 2019, the updated Digital Infrastructure Action Plan was approved by Cabinet. It recommended:

- a) encouraging broadband providers to install full fibre infrastructure in the County
- b) establishing a strategic broadband working group
- c) addressing digital deprivation issues
- d) to consider opportunities for funding install of 5G

117 There have been significant developments in technology in the last 4 years, and the experience, data and evidence we have collected from our customers about the way they wish to engage and transact with us has informed this new strategy. Our workforce needs to have the digital knowledge and skills to build in end to-end automated customer services and business processes. We need to reduce demand through self-service facilities and provision of accurate, relevant data and information that people can use with confidence to make decisions.

118 In July 2018, the Council's latest iteration of its Procurement Strategy was approved by Cabinet. The Strategy builds upon workshop sessions undertaken with the Economy and Development Select Committee and the aims, aspirations and priorities for procurement, identified throughout the participative process.

119 Transparency and openness is important to Monmouthshire; the Annual Statement of Accounts was taken through the Audit Committee process before being endorsed by Council. All public meetings of the Council, including Council, Cabinet, Select, Audit Committee, Planning Committee are live streamed on YouTube and are available to view on the Council's YouTube channel at any time after the meeting, which provides greater transparency of the Council's business.

120 The Council's enabling strategies have been revised to align to the delivery of the corporate plan, these include the Digital Strategy, People Strategy and Asset Management Strategy as well as linking in with MCC's Service Business Plans.

121 The Audit Committee continues to support the Internal Audit team and endorses its annual report and plan. The plan details the work and service areas the team will cover based on a risk assessment in order to provide assurance on the adequacy of the internal controls, governance arrangements and risk management process. The Audit Committee presents its Annual report to Council.

122 The Whole Authority Report complaints, comments and compliments 2018/19 was presented to Standards Committee in September 2019 which identified the number and types of feedback received and dealt with from 1 April 2018 until 31 March 2019.

Information Governance

123 Monmouthshire County Council (MCC) worked through a “Dripping tap campaign” to raise awareness of and comply with the General Data Protection Regulation 25th May 2018- specifically following the “12 Steps to Compliance” as recommended by the Information Commissioner’s Office (ICO). The Information Governance Group chaired by Senior Information Risk Officer (SIRO), meet regularly to ensure that MCC is on track. GDPR Operational Leads have been established, along with Digital Champions linking in with teams, individuals and volunteers to ensure compliance and messages are communicated.

124 To provide tools to do the job, MCC have a dedicated GDPR website with templates (e.g. for privacy notices), charts (e.g. for establishing individual rights) and general advice/ updates on the regulation.

125 To keep the public informed, MCC has now published its online privacy notices for relevant service areas. Services also where appropriate, pro-actively promote notices by way of email, newsletter, app notification, letter, printed display or web link. Privacy notices are to be reviewed by Services on a regular basis for accuracy along with other GDPR related documents (Such as Information Audit- “Systems List” and Data Protection Impact Assessments).

126 The Corporate GDPR Policy is on the public website for clarity. Related policies will be updated accordingly by relevant lead officers, so that they satisfy GDPR requirement. Links are in place to work with the South East Wales Information Forum (SWIF) on a regular basis to share best practice. Good housekeeping is encouraged as is continuous improvement to mitigating against the risk of harm to individuals, although it is recognised further work is required to back date data cleansing tasks which require considerable capacity.

Main areas for Improvement

127 The Council will continue to monitor and review its governance arrangements and identify any gaps. These will be addressed during the year to further strengthen governance in Monmouthshire County Council:

- continue to deliver awareness raising sessions on the importance of compliance with Contract Procedure Rules and Financial Procedure Rules;
- Revise and update the Code of Corporate Governance and get it formally approved by Cabinet

Action Plan 2018/19

128 Appendix 1 shows how the 2018/19 Action plan areas for improvement have been addressed during 2019/20.

Monitoring & Evaluation

129 We propose over the coming year to take steps to address the above matters to further enhance our governance arrangements. We are satisfied that these steps will address the need for improvements that were identified in our review of effectiveness and will monitor their implementation and operation as part of our next annual review.
