<p>Name of the Officer completing the evaluation Mark Hand</p> <p>Phone no: 07773478579 E-mail: markhand@monmouthshire.gov.uk</p>	<p>Please give a brief description of the aims of the proposal</p> <p>The Council is in the process of preparing a Replacement Local Development Plan (RLDP) for the County (excluding the area within the Brecon Beacons National Park). The RLDP will cover the period 2018-2033 and will be the statutory land use plan to support delivery of the Council's vision for the future of the County and its communities. The RLDP will set out land use development proposals for the County and will identify where and how much new development will take place over the Replacement Plan period. It will also identify areas to be protected from development and contain policies against which future planning applications will be assessed.</p> <p>The RLDP must be underpinned by robust evidence to ensure that the Plan is effective and deliverable and contributes to placemaking, as defined in national policy set out in Planning Policy Wales (PPW). Such evidence should be relevant, proportionate and focussed. The Purpose of the Sustainable Settlement Appraisal, as set out in the Development Plans Manual (Edition 3 March 2020), is to inform decisions regarding where development should be spatially located to achieve a sustainable pattern of growth, minimise unsustainable patterns regarding the movement of people and support local services and facilities.</p>
