Pregnancy or maternity	Not relevant		
Race	Not relevant		
Religion or Belief	Not relevant		
Sex	Not relevant		
Sexual Orientation	Not relevant		
Welsh Language	Any signage to be bilingual	None	
Poverty	Enhanced accessibility might help reduce the reliance of cars and public transport and their associated cost. Housing development permitted by the proposed order includes a proportion of affordable housing.	None	

2. Does your proposal deliver any of the well-being goals below? Please explain the impact (positive and negative) you expect, together with suggestions of how to mitigate negative impacts or better contribute to the goal. There's no need to put something in every box if it is not relevant!

Well Being Goal	Does the proposal contribute to this goal? Describe the positive and negative impacts.	What actions have been/will be taken to mitigate any negative impacts or better contribute to positive impacts?
A prosperous Wales Efficient use of resources, skilled, educated people, generates wealth, provides jobs	Proposal will permit approved planning application to take place which in turn will provide employment, housing and a community park.	
A resilient Wales Maintain and enhance biodiversity and ecosystems that support resilience and can adapt to change (e.g. climate change)	Enhanced accessibility might help reduce the reliance of cars and public transport and their associated CO2 emissions. The new community park will be under MCC's control and therefore managed with its biodiversity values.	
A healthier Wales People's physical and mental wellbeing is maximized and health impacts are understood	Enhanced path accessibility and new community park should encourage physical exercise with its health and wellbeing benefits.	
A Wales of cohesive communities Communities are attractive, viable, safe and well connected	Enhanced accessibility encourage more people to spend time outdoors helping to cement community bonds	
A globally responsible Wales Taking account of impact on global well-being when considering local social, economic and environmental wellbeing	Enhanced accessibility could help reduce reliance on cars and public transport and therefore their associated CO2 emissions.	
A Wales of vibrant culture and thriving Welsh language Culture, heritage and Welsh language are promoted and protected. People are encouraged to do sport, art and recreation	Community park will provide open space to allow exercise and sport. Signage under MCC's control would be bilingual	
A more equal Wales People can fulfil their potential no matter what their background or circumstances	Community park will provide open space for all. Additionally, the path might help reduce the reliance on cars and public transport with their associated costs.	

3. How has your proposal embedded and prioritised the sustainable governance principles in its development?

Sustainable Development Principle	Does your proposal demonstrate you have met this principle? If yes, describe how. If not explain why.	Are there any additional actions to be taken to mitigate any negative impacts or better contribute to positive impacts?
 <p>Long Term</p> <p>Balancing short term need with long term and planning for the future</p>	<p>The proposal by its nature is long term</p>	
 <p>Collaboration</p> <p>Working together with other partners to deliver objectives</p>	<p>Proposed path alignment, materials and construction details determined by working with the developer.</p>	
 <p>Involvement</p> <p>Involving those with an interest and seeking their views</p>	<p>Usual, ecologists, user groups, community groups and statutory undertakers were consulted also a number of residents who live adjacent to the site as well as those that commented at planning stage on the path.</p>	

Sustainable Development Principle	Does your proposal demonstrate you have met this principle? If yes, describe how. If not explain why.	Are there any additional actions to be taken to mitigate any negative impacts or better contribute to positive impacts?
 <p>Prevention</p> <p>Putting resources into preventing problems occurring or getting worse</p>	<p>Much of the new path alignment to be made up to a durable, high quality standard. This should ensure that the path remains in good condition and suitable for its purpose for a long time before any problems occur.</p>	
 <p>Integration</p> <p>Considering impact on all wellbeing goals together and on other bodies</p>	<p><i>.There is space to describe impacts on people, economy and environment under the Wellbeing Goals above, so instead focus here on how you will better integrate them and balance any competing impacts. Also think about impacts the proposal may have on other organisations</i></p>	<p>The proposal will indirectly allow the building of houses on green fields adjacent to existing dwellings. This will no doubt of an impact on the views from and character of the existing settlement.</p>

4. Council has agreed the need to consider the impact its decisions has on the following important responsibilities: Social Justice, Corporate Parenting and Safeguarding. Are your proposals going to affect any of these responsibilities?

 - Monmouthshire’s Countryside Access Improvement Plan
 - Monmouthshire’s Countryside Access Policy, Protocol and operational management guide

6. SUMMARY: As a result of completing this form, what are the main positive and negative impacts of your proposal, how have they informed/changed the development of the proposal so far and what will you be doing in future?

The proposal will allow approved development (DM/2019/01761) which some local residents see as having a negative impact on their character of the area, such as loss of views and immediate access to open countryside. The development will however provide employment, 130 dwellings including a proportion of affordable houses and a community park. The community park will provide a large area of public open space. Access to open countryside will still be available.

7. ACTIONS: As a result of completing this form are there any further actions you will be undertaking? Please detail them below, if applicable.
