2. The Socio-economic Duty and Social Justice

The Socio-economic Duty requires public bodies to have due regard to the need to reduce inequalities of outcome which result from socio-economic disadvantage when taking key decisions This duty aligns with our commitment as an authority to Social Justice.

| | Describe any positive impacts your proposal has in respect of people suffering socio economic disadvantage | Describe any negative impacts your proposal has in respect of people suffering socio economic disadvantage. | What has been/will be done to mitigate any negative impacts or better contribute to positive impacts? |
|---|---|--|--|
| Socio-economic Duty and Social Justice | Play is important in children's lives, for both its recreational value and for the important part that it plays in children's physical and emotional health and well-being and in their personal development. Play is a common denominator that should be capable of being enjoyed by all children irrespective of their social or cultural background or the ability of their parents to pay for the opportunity to participate. | None | <p>Accessible play opportunities contribute to children's lives and to the well-being of their families and communities, and helps address inequalities by contributing to developing child friendly communities, including prioritising investment in more income-deprived LSOAs.</p> <p>The provision of access and, for example, accessible bikes at the velo park will help to mitigate inequalities of provision.</p> |

3. Policy making and the Welsh language.

| How does your proposal impact on the following aspects of the Council's Welsh Language Standards: | Describe the positive impacts of this proposal | Describe the negative impacts of this proposal | What has been/will be done to mitigate any negative impacts or better contribute to positive impacts |
|--|---|--|---|
| <p>Policy Making</p> <p>Effects on the use of the Welsh language,</p> <p>Promoting Welsh language</p> <p>Treating the Welsh language no less favourably</p> | <p>All signage for the sites concerned will be bilingual, with the Welsh language taking precedence on the signs in accordance with legislation</p> | | <p>Will continue to explore the demand for Welsh language provision.</p> <p>Will also continue to promote bilingual signage on fixed play and recreational sites throughout the county.</p> |
| <p>Operational</p> <p>Recruitment & Training of workforce</p> | | | <p>Will seek when recruiting to increase the level of Welsh speaking staff</p> |
| <p>Service delivery</p> <p>Use of Welsh language in service delivery</p> <p>Promoting use of the language</p> | <p>All play publicity is produced bilingually and we will continue to do this</p> | | |

4. Does your proposal deliver any of the well-being goals below? Please explain the impact (positive and negative) you expect, together with suggestions of how to mitigate negative impacts or better contribute to the goal. There's no need to put something in every box if it is not relevant!

| Well Being Goal | Does the proposal contribute to this goal? Describe the positive and negative impacts. | What actions have been/will be taken to mitigate any negative impacts or better contribute to positive impacts? |
|---|---|--|
| A prosperous Wales Efficient use of resources, skilled, educated people, generates wealth, provides jobs | Positive – Access to good quality play opportunities contributes to education, particularly in the younger age groups (foundation and primary phases) | The actions proposed in this report are intended to support the delivery of good quality play and recreational opportunities |
| A resilient Wales Maintain and enhance biodiversity and ecosystems that support resilience and can adapt to change (e.g. climate change) | Positive – play opportunities extend across all open spaces and include those for environmentally focused play. Positive – the velo park proposal includes proposals to enhance the ecology and biodiversity of the site | The actions proposed to deliver the proposals in this report will help to deliver ecology and biodiversity enhancements. |
| A healthier Wales People’s physical and mental wellbeing is maximized and health impacts are understood | Positive – Play and recreation participation are essential for the growth of children’s cognitive, physical, social and emotional development | The actions proposed in this report are intended to support the delivery of good quality play and recreational opportunities |
| A Wales of cohesive communities Communities are attractive, viable, safe and well connected | Positive – Play and recreation contribute not only to people’s lives but to the well-being of their families and communities. | The actions proposed are intended to support the delivery of good quality play and recreation opportunities . |
| A globally responsible Wales Taking account of impact on global well-being when considering local social, economic and environmental wellbeing | Positive - Children’s right of play is enshrined in the United Nations Convention on the Rights of the Child, which Welsh Government has formally adopted. | |
| A Wales of vibrant culture and thriving Welsh language Culture, heritage and Welsh language are promoted and protected. People are encouraged to do sport, art and recreation | Positive – recreational activities form part of play opportunities. | |
| A more equal Wales | Play is established as one of children’s rights internationally and through Welsh Government policy. Access to good quality play and recreation | The Play Action Plan helps ensure a more integrated approach across the authority to provide |

| Well Being Goal | Does the proposal contribute to this goal? Describe the positive and negative impacts. | What actions have been/will be taken to mitigate any negative impacts or better contribute to positive impacts? |
|--|---|---|
| People can fulfil their potential no matter what their background or circumstances | provision can be a way of reducing inequalities between children and families | for diverse needs and to seek to better understand demand, existing provision and opportunities |

5. How has your proposal embedded and prioritised the sustainable governance principles in its development?

| Sustainable Development Principle | Does your proposal demonstrate you have met this principle? If yes, describe how. If not explain why. | Are there any additional actions to be taken to mitigate any negative impacts or better contribute to positive impacts? |
|---|---|--|
|  <p>Long Term</p> <p>Balancing short term need with long term and planning for the future</p> | <p>Access to good quality play and recreation opportunities is a long term investment in children, families and communities. However short term pressures e.g. changes in the operating environment requiring changes in the delivery model require different approaches.</p> | <p>The delivery of the PSA actions are intended to provide a clearer and longer term focus and an attempt has been made to make these actions more strategic and integrated to support this.</p> <p>Progress against these long term ambitions will be reviewed as part of the review of the PSA during 21/22.</p> |
|  <p>Collaboration</p> <p>Working together with other partners to deliver objectives</p> | <p>Partnership working is central to the delivery of play and recreation opportunities.</p> | <p>The proposed actions include partnership delivery such as with town and community councils and local community clubs and groups</p> |
|  <p>Involvement</p> <p>Involving those with an interest and seeking their views</p> | <p>Many of the investments to be undertaken via the funding uploads proposed have involve meetings with and taking on board the views of, local interest groups.</p> | <p>Continue to involve local interest groups where these exist so that they are able to contribute to future investment decisions.</p> |

| Sustainable Development Principle | Does your proposal demonstrate you have met this principle? If yes, describe how. If not explain why. | Are there any additional actions to be taken to mitigate any negative impacts or better contribute to positive impacts? |
|---|--|---|
|  <p>Prevention</p> <p>Putting resources into preventing problems occurring or getting worse</p> | <p>Actions are intended to support the longer term focus set out in the PSA/play action plan and contributing to the delivery of the well-being objective to give children and young people the best possible start in life.</p> | |
|  <p>Integration</p> <p>Considering impact on all wellbeing goals together and on other bodies</p> | <p>As securing play and recreation opportunities contributes positively to children, families and communities it is inherently impacting on people, the economy and the environment.</p> | |
