Audit of accounts report

Introduction

- 1 We summarise the main findings from our audit of your 2020-21 annual report and financial statements in this report.
- 2 We have already discussed these issues with management.
- 3 Auditors can never give complete assurance that accounts are correctly stated. Instead, we work to a level of 'materiality'. This level of materiality is set to try to identify and correct misstatements that might otherwise cause a user of the accounts into being misled.
- 4 We set this level at £55,416 for this year's audit.
- 5 In addition, we consider that related party transactions may be of more importance to the reader and we have set a lower materiality level for these.
- 6 We have now substantially completed this year's audit.
- 7 In our professional view, we have complied with the ethical standards that apply to our work; remain independent of yourselves; and our objectivity has not been compromised in any way. There are no relationships between ourselves and yourselves that we believe could undermine our objectivity and independence.

Impact of COVID-19 on this year's audit

- 8 The COVID-19 pandemic has continued to have a significant impact on all aspects of our society. You are required by law to prepare accounts and it is of considerable testament to the commitment of your accounts team that you have succeeded in doing so this year in the face of the challenges posed by this pandemic. We are extremely grateful to the professionalism of the team in supporting us to complete our audit in such difficult circumstances.
- 9 The pandemic has unsurprisingly affected our audit. The entirety of our financial audit was undertaken remotely. Despite the challenging circumstances, officers effectively supported us in this by providing us with appropriate and timely information to inform our audit. Specifically, officers:
 - provided electronic working papers;
 - provided audit evidence to the audit team via e-mail or a shared folder accessible to both officers and Audit Wales staff; and
 - were available by video conferencing for discussions, and for the sharing of on-screen information/evidence.
- 10 We continue to review our learning for our audit process from the COVID-19 pandemic and what we might adopt in the future to enhance that process.

Proposed audit opinion

- 11 We intend to issue an unqualified audit opinion on this year's accounts once you have provided us with a Letter of Representation based on that set out in **Appendix 1**.
- 12 We issue a 'qualified' audit opinion where we have material concerns about some aspects of your accounts; otherwise we issue an unqualified opinion.
- 13 The Letter of Representation contains certain confirmations we are required to obtain from you under auditing standards.
- 14 Our proposed audit report is set out in **Appendix 2**.

Issues arising from the audit

Uncorrected misstatements

- 15 There are no misstatements identified in the accounts which remain uncorrected.

Corrected misstatements

- 16 There were initially misstatements in the accounts that have now been corrected by management. However, we believe that these should be drawn to your attention and they are set out with explanations in **Appendix 3**.

Other Significant Issues arising from the Audit

- 17 In the course of the audit, we consider a number of matters relating to the accounts and report any significant issues arising to you:
 - Concerns about the qualitative aspects of accounting practices and financial reporting.
 - Any significant difficulties during the audit.
 - Significant matters discussed and corresponded upon with management which we need to report to those charged with governance.
 - Any other matters significant to the oversight of the financial reporting process that we need to report.
 - Any identified material weaknesses in internal controls.
 - Any other matters specifically required by auditing standards to be communicated to those charged with governance.
- 18 There were no issues arising in these areas this year that we need to report to you.

Proposed audit report

The independent auditor's report of the Auditor General for Wales to the Trustee of the Monmouthshire County Council Welsh Church Act Fund

Opinion on financial statements

I have audited the financial statements of the Monmouthshire County Council Welsh Church Act Fund for the year ended 31 March 2021 under the Charities Act 2011. These comprise the Statement of Financial Activities, the Balance Sheet, Cash Flow Statement and related notes, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 The Financial Reporting Standard applicable in the UK and Republic of Ireland (United Kingdom Generally Accepted Accounting Practice).

In my opinion the financial statements:

- give a true and fair view of the state of affairs of the charity as at 31 March 2021 and of its incoming resources and application of resources for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the Charities Act 2011.

Basis of opinion

I conducted my audit in accordance with applicable law and International Standards on Auditing in the UK (ISAs (UK)) and Practice Note 10 'Audit of Financial Statements of Public Sector Entities in the United Kingdom'. My responsibilities under those standards are further described in the auditor's responsibilities for the audit of the financial statements section of my report. I am independent of the charity in accordance with the ethical requirements that are relevant to my audit of the financial statements in the UK including the Financial Reporting Council's Ethical Standard, and I have fulfilled my other ethical responsibilities in accordance with these requirements. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

Conclusions relating to going concern

In auditing the financial statements, I have concluded that the use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work I have performed, I have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the body's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from when the financial statements are authorised for issue.

My responsibilities and the responsibilities of the Trustee with respect to going concern are described in the relevant sections of this report.

Other information

The other information comprises the information included in the annual report other than the financial statements and my auditor's report thereon. The Trustee is responsible for the other information in the annual report. My opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in my report, I do not express any form of assurance conclusion thereon. My responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or knowledge obtained in the course of the audit, or otherwise appears to be materially misstated. If I identify such material inconsistencies or apparent material misstatements, I am required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work I have performed, I conclude that there is a material misstatement of this other information, I am required to report that fact.

I have nothing to report in this regard.

Report on other requirements

Matters on which I report by exception

I have nothing to report in respect of the following matters in relation to which the Charities (Accounts and Reports) Regulations 2008 require me to report to you if, in my opinion:

- the information given in the financial statements is inconsistent in any material respect with the Trustee report;
- sufficient accounting records have not been kept, or returns adequate for my audit have not been received from branches not visited by my team;
- the financial statements are not in agreement with the accounting records and returns; or
- I have not received all of the information and explanations I require for my audit.

Responsibilities

Responsibilities of the Trustee for the financial statements

As explained more fully in the Statement of Trustee's Responsibilities, the Trustee is responsible for preparing the financial statements in accordance with the Charities Act 2011, for being satisfied that they give a true and fair view, and for such internal control as the Trustee determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Trustee is responsible for assessing the charity's ability to continue as a going concern, disclosing as applicable, matters related to going concern and using the going concern basis of accounting unless deemed inappropriate.

Auditor's responsibilities for the audit of the financial statements

I have been appointed as auditor under section 144 of the Charities Act 2011 and report in accordance with regulations made under section 154 of that Act.

My objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. I design procedures in line with my responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud.

My procedures included the following:

- Enquiring of management, and those charged with governance, including obtaining and reviewing supporting documentation relating to the Monmouthshire County Council Welsh Church Act Fund's policies and procedures concerned with:
 - identifying, evaluating and complying with laws and regulations and whether they were aware of any instances of non-compliance;
 - detecting and responding to the risks of fraud and whether they have knowledge of any actual, suspected or alleged fraud; and
 - the internal controls established to mitigate risks related to fraud or non-compliance with laws and regulations.
- Considering as an audit team how and where fraud might occur in the financial statements and any potential indicators of fraud.

- Obtaining an understanding of Monmouthshire County Council Welsh Church Act Fund's framework of authority as well as other legal and regulatory frameworks that the charity operates in, focusing on those laws and regulations that had a direct effect on the financial statements or that had a fundamental effect on the operations of the charity.

In addition to the above, my procedures to respond to identified risks included the following:

- reviewing financial statement disclosures and testing to supporting documentation to assess compliance with relevant laws and regulations discussed above;
- reading minutes of meetings of those charged with governance; and
- in addressing the risk of fraud through management override of controls, testing the appropriateness of journal entries and other adjustments; assessing whether the judgements made in making accounting estimates are indicative of a potential bias; and evaluating the business rationale of any significant transactions that are unusual or outside the normal course of business.

I also communicated relevant identified laws and regulations and potential fraud risks to all audit team members and remained alert to any indications of fraud or non-compliance with laws and regulations throughout the audit.

The extent to which my procedures are capable of detecting irregularities, including fraud, is affected by the inherent difficulty in detecting irregularities, the effectiveness of the charity's controls, and the nature, timing and extent of the audit procedures performed.

A further description of the auditor's responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website www.frc.org.uk/auditorsresponsibilities. This description forms part of my auditor's report.

Summary of corrections made

During our audit we identified the following misstatements that have been corrected by management within the final accounts, but which we consider should be drawn to your attention due to their relevance to your responsibilities over the financial reporting process.

Exhibit 1: summary of corrections made

Area of correction	Nature of correction	Reason for correction
Trustee Report and Investments (Note 10)	To remove references to 'material valuation uncertainties' in the year.	<p>The draft accounts included references to 'material valuation uncertainties' with regard to the valuation of property funds and investment properties held by the Fund, which had been previously reported in the audited 2019-20 accounts.</p> <p>Our audit identified that the Fund's valuers no longer identified such uncertainties in its valuations, and as such these references in the accounts were no longer required.</p> <p>These references have been removed from the final accounts.</p>
Statement of Financial Activity (SoFA)	To ensure that sub-totals in the SoFA are accurate.	<p>Our audit identified that the sub-total for 'total resources expended' in the SoFA did not include £2,900 of resources expended for raising funds (although the final 'net income' total did correctly include this expenditure).</p> <p>The sub-total in the SoFA within the final accounts has been corrected to include this expenditure.</p>
Various	To correct minor presentational or narrative errors in the Trustee Report and accounts.	Other minor corrections have been made to the Trustee Report and financial statements to amend errors in narrative or presentation.
