Community Infrastructure Levy (CIL) is a levy that is charged on new developments, to be used to support the funding of infrastructure that the community needs. The adoption of CIL, therefore, is a means of delivering the LDP.</p>

	<p>needs, protecting people from health risk and providing opportunities for healthy lifestyles, supporting all members of the community and promoting community cohesion. The adoption of CIL is a means of supporting and delivering the LDP. There are a number of exemptions to the CIL charge, including, for example, that it does not apply to affordable housing, development used for charitable purposes, self-build dwellings and residential annexes/extensions, so national legislation itself includes provision for measures that avoid a number of potential adverse impacts on groups with protected characteristics.</p> <p>Negative: Decisions on how to prioritise the spending of CIL receipts could potentially have implications for groups with protected characteristics. The present stage of the process, however, does not seek to establish such priorities but is the first step in establishing a CIL charging schedule. Spending decisions will need to be subject to separate EQIAs.</p>	

2. How has your proposal embedded and prioritised the sustainable governance principles in its development?

5. What evidence and data has informed the development of your proposal?

- Monmouthshire Local Development Plan 2011-2021**
This is the adopted development plan for Monmouthshire (excluding that part of the County within the Brecon Beacons National Park) which sets out the development framework for the County until 2021.
- Monmouthshire County Council CIL Viability Assessment – Viability Evidence for Development of a Community Infrastructure Levy Charging Schedule (Three Dragons with Peter Brett Associates, July 2014)**
This is a comprehensive viability assessment which has provided the Council with evidence to inform the Preliminary Draft Charging Schedule.
- Monmouthshire County Council CIL Viability Assessment - Updated Viability Evidence for Development of a Community Infrastructure Levy Charging Schedule (Three Dragons, September 2015, Draft Report).**
- Monmouthshire County Council CIL Viability Assessment - Addendum – Update of Non-Residential Viability Assessment (Peter Brett, September 2015).**
- Monmouthshire Draft Infrastructure Plan (March 2013)**
This sets out the requirements, phasing and costs and funding of infrastructure necessary to support the delivery of the LDP. It lists the infrastructure necessary for delivering the LDP strategic sites (annex 1) together with potential 'place-making' and other infrastructure projects by settlement (annex 2).
- Monmouthshire Infrastructure Plan – Addendum November 2015**
This provides an updated indicative list of infrastructure schemes that fall within the Regulation 123 List categories, that are necessary to support

development proposed in the Monmouthshire LDP and which could be funded, wholly or partly, through CIL.

6. SUMMARY: As a result of completing this form, what are the main positive and negative impacts of your proposal, how have they informed/changed the development of the proposal so far and what will you be doing in future?

The positive impact of this proposal is that it raises finance to provide infrastructure to support the implementation of the Monmouthshire LDP and meet the social, economic and environmental objectives of the plan.

Potential negative impacts would only occur if viability of development was adversely affected by CIL and extensive viability testing, monitoring and review is undertaken to ensure that this does not happen.

Future stages of the implementation of CIL will be subject to appropriate consultation and decisions taken on how CIL is spent in particular will be subject to engagement with the local community.

7. Actions. As a result of completing this form are there any further actions you will be undertaking? Please detail them below, if applicable. N/A

What are you going to do	When are you going to do it?	Who is responsible	Progress

8. Monitoring: The impacts of this proposal will need to be monitored and reviewed. Please specify the date at which you will evaluate the impact, and where you will report the results of the review.

The impacts of this proposal will be evaluated on:

An annual basis following adoption of CIL. Reports will be made to Council, Welsh Government and be publicly available.
