

RVE Agreed Syllabus Pupil Voice

Q&A

What have you been learning about in Religious Education?

How the world was created. We did this through drawing pictures of what creation means to us as well as other people. We didn't all draw the same thing, or all agree on how the world was created.

What do you like about Religious Education?

I like learning about how everyone is similar and different. I think it is important to learn about the different things people believe because to stop bullying and prejudice. It also helps people to think and understand things in a better way - like why people do things that are different to what we might do.

I love learning about different religions and beliefs that people have. I think this is important because it helps you understand people and when you encounter different religions you know a little bit about them.

What is not so great about RE in school?

We can get a little bit bored of doing just Easter and Christmas all the time - we could learn about what other religions do as well at these times.

We do a lot of Bible stories - it would be nice to look at other types of stories as well.

We only ever do Christianity – nothing else!

If you were in charge, what do you think all children in Wales should learn about in RE lessons?

I would make sure we learn about lots of different religions, not just one or two.

I would make sure that people are aware of others and their religions, so we are not offensive.

I think it is important to know about people who don't have a religion. I think this is important because people ask, 'what religion are you?' and you don't always have an answer. If people knew more about this, then they will be more respectful.

I think I would make everyone learn about the important bits of many religions, so we know a bit about every religion. Then we can learn a little bit more each year we are in school.
