

**SUBJECT: INTERNAL AUDIT SECTION
PROGRESS REPORT ON UNFAVOURABLE
AUDIT OPINONS**

DIRECTORATE: Resources
MEETING: Governance & Audit Committee
DATE: 20th June 2022
DIVISION/WARDS AFFECTED: All

1. PURPOSE

To update Members on the progress of unfavourable (**Limited Assurance**) audit opinions issued since 2017/18 by the Internal Audit team, and identify in particular, where sufficient progress has not been made. This report is for the period ending 30 September 2021. The previous update was presented to the Governance & Audit Committee in November 2021 and related to the period ending 31 March 2021.

2. RECOMMENDATION(S)

- 2.1 That the Governance & Audit Committee note the improvements made by service areas following the original **Limited** assurance audit opinions issued.
- 2.2 That if the Members of the Governance & Audit Committee are concerned about any of the audit opinions issued or lack of improvement made after the follow up audit review, consideration be given to calling in the operational manager and the Head of Service to provide justification for lack of progress and hold them to account for future improvements.

3. KEY ISSUES

- 3.1 The number of unfavourable audit opinions issued by Internal Audit is not that significant compared to the total number of audit opinions

issued in any one year, but nonetheless, they are issued where significant weaknesses in internal control have been identified.

- 3.2 The majority of the systems / establishments issued with an unfavourable audit opinion originally and which have since been followed up, have improved to some extent prior to the audit team undertaking a follow up review. The majority of reviews were given a more favourable opinion, which recognises that issues identified originally were subsequently addressed by management.
- 3.3 The audit opinions reflect the level of assurance that could be gained from the review of internal controls in operation. The audit opinions in use from April 2016 are Substantial, Considerable, Reasonable and Limited Assurance; the definitions of which are shown at Appendix 1.

4. REASONS

- 4.1 The opinion gives an indication of the adequacy of the internal control environment of the system or establishment under review. During the audit planning process the reviews are risk assessed as High, Medium or Low.
- 4.2 The previous report was presented to Audit Committee in November 2021; this information should be updated and presented to Audit Committee on a six monthly basis.
- 4.3 The following unfavourable audit opinions have been issued since 2017/18:

	Limited (Assurance)
2017/18	8
2018/19	6
2019/20	9
2020/21	0
2021/22 (up to 30 September 2021)	0

- 4.4 Ideally, these audit reviews will be followed up by the audit team within 9 to 12 months of the final report being issued to ensure that action has been taken to address the weaknesses identified. All audit reports resulting in a consecutive **Limited** assurance opinion will be reported back to Governance and Audit Committee. Some delays may have arisen as a result of the operational manager deferring the follow up audit.

4.5 During 2017/18, 8 reports were issued with a **Limited** opinion. 6 out of 8 reports have been followed up and have been given an improved opinion. 1 review related to the Events audit *. Food Procurement was the other report; relevant managers have previously attended the former Audit Committee and given assurances that improvements will be made. This report is due to be followed up by the Audit team in Q4 of 2020/21.

	Audit	Risk H/M/L	Opinion	Revised Opinion / Status	Date Issued
2017/18	Events Follow-Up	High	Limited	*	Final November 2019
	Food Procurement	High	Limited	Limited Deferred follow up due to Covid To be followed up in Q4 2021/22	Final issued November 2020

* - previous report was based on large scale events held; to date no further large scale events held therefore unable to test majority of recommendations.

4.6 During 2018/19, 6 reports were issued with a **Limited** opinion. 2 have been followed up and received more favourable opinions which have been previously reported into Committee. The remaining 4 are as follows:

	Audit	Risk H/M/L	Opinion	Revised Opinion / Status	Date Issued
2018/19	Caldicot Castle	Medium	Limited	Limited Deferred follow up due to Covid	Final March 2020
	Agency Workers	Medium	Limited	To be followed up in Q4 of	

				2021/22 (Deferred due to new contract)	
	Attendance Management	Medium	Limited	Reasonable	Draft Issued March 2021
	Health & Safety of Authority's existing buildings	Medium	Limited	Deferred follow up due to Covid To be followed up in Q4 of 2021/22	

4.7 During 2019/20, 9 reports were issued with a **Limited** opinion. These were as follows:

	Assignment	Risk H/M/L	Opinion	Revised Opinion/ Status	Date Issued
2019/20	Llandogo Primary School	Low	Limited	*	
	Castle Park Primary School	Low	Limited	*	
	Shire Hall	Medium	Limited	*	
	Tintern Old Station	Medium	Limited	*	
	Caldicot Castle follow up	Medium	Limited	*	
	PTU Vehicle Maintenance	High	Limited	*	
	Procurement (Food) follow up	High	Limited	*	
	Direct Payments	Medium	Limited	*	

- * To be followed up in 2022/23

4.8 It should be noted that due to the impact of the Covid pandemic, Shire Hall, Tintern Old Station and Caldicot Castle have been closed for much of 2020 and 2021; they have therefore not had a follow up audit. School audits, PTU Vehicle Maintenance, Procurement (Food) and Direct Payments have also not been followed up due to Covid.

- 4.9 Of the 9 opinions issued in 2020/21, no **Limited** opinions were issued.
- 4.10 Of the 6 opinions issued in 2021/22 up to 30 September, no **Limited** opinions were issued.
- 4.11 As part of all audit reviews, the issues identified at the previous audit are followed up to ensure that they have been adequately addressed, which should provide assurance on the effectiveness of the internal control environment for that particular service, system or establishment.

5. SERVICE MANAGEMENT RESPONSIBILITIES

- 5.1 Heads of Service and service managers are responsible for addressing any weaknesses identified in internal systems and demonstrate this by including their management responses within the audit reports. When management agree the audit action plans they are accepting responsibility for addressing the issues identified within the agreed timescales.
- 5.2 Ultimately, managers within MCC are responsible for maintaining adequate internal controls within the systems they operate and for ensuring compliance with Council policies and procedures. All reports, once finalised, are sent to the respective Heads of Service for information and appropriate action where necessary. All Internal Audit opinions are also reported into the Senior Leadership Team (SLT) every six months. SLT's focus is, along with Chief Officers and DMTs, ensuring that satisfactory progress is being made to address control weaknesses highlighted in the audit reports, in particular Limited assurance reports.
