**PETITION TO  
MONMOUTHSHIRE COUNTY COUNCIL  
DAVID DAVIES M.P.**

The grass section of the Community play area at Tudor Road, Underhill, Wyesham was intended for football and other games but is frequently unuseable (for at least half of the year) because of inadequate drainage. Mon. CC have confirmed that they are aware of this but as the water is draining from the Kymin major works need to be undertaken to remedy it.

The play equipment, in particular the roundabout, has seized-up and is inoperable and therefore non-functioning.

**We, the undersigned, petition for the repair and maintenance of the equipment and remedial drainage of the whole site within an agreed time-frame**
