**The Monmouthshire County Council Welsh Church Act Fund  
Annual Report for year ended 31 March 2023**

**Report of the Trustee for the year ended 31 March 2023**

The Trustee presents its annual report and the audited financial statements for the year ended 31 March 2023 of The Monmouthshire County Council Welsh Church Act Fund ('the Charity').

The information with respect to the Trustee, officers and advisors set out on page 1 forms part of this report.

The financial statements have been prepared in accordance with the Statement of Recommended Practice: Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) issued on the 16<sup>th</sup> July 2014 and the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102) and the Charities Act 2011 and the UK Generally Accepted Practice as it applies from the 1<sup>st</sup> January 2015.

The financial statements have been prepared to give a 'true and fair' view and have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a 'true and fair view'. This departure has involved following Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) issued on 16 July 2014 rather than the Accounting and Reporting by Charities: Statement of Recommended Practice effective from 1 April 2005 which has since been withdrawn.

**Structure, Governance and Management**

The Charity is governed by the Welsh Church Act 1914 and the Welsh Church Act (Designation and Specification) Order 1996 and is registered with the Charity Commissioners under charity number 507094.

The Trust covers the Council administrative areas of Blaenau Gwent, Caerphilly, Monmouthshire, Torfaen, and the City of Newport, with Monmouthshire County Council being designated as the host Authority. The Monmouthshire Welsh Church Act Fund was established on 1 April 1996, from the former Gwent Welsh Church Act Fund and part of the former Mid Glamorgan Welsh Church Act Fund.

Monmouthshire County Council as the Corporate Body is the Trustee for the Welsh Church Fund and therefore there are no policies and procedures adopted for the induction and training of trustees. The trustees also have regard to the Charity Commission's guidance on public benefit.

The management of the Trust Fund is undertaken by officers of the Council and a calculated proportion of their time is charged to the Fund.

**Objectives**

The primary object of the Charity for each year, as stated in its governing document, is to assist public groups and individuals for educational, social, recreational, and

## **The Monmouthshire County Council Welsh Church Act Fund Annual Report for year ended 31 March 2023**

other charitable benefit purposes. Grants are available from the Fund for capital or revenue purposes. Capital grants may be awarded to assist organisations in the furnishing and upkeep of buildings. Revenue grants are designed to further the aims of societies and to assist individuals in their various pursuits.

### **Grants allocation policy**

An annual budget set by the Trustee for grant payments is split between the administrative areas of Blaenau Gwent, Caerphilly, Monmouthshire, Torfaen, and Newport on a population basis.

A Committee set up by the Trustee approves grant applications on a basis in line with full Council meetings or as deemed required by the participating authorities. Grants are made in pursuance of the Charity's objectives.

The grant allocation of each financial year is considered in line with the long-term financial viability of the trust and to maintain the ability to generate funds in future years for distribution by maintaining sufficient capital assets.

### **Review of activities and future developments**

The statement of financial activities for the year is set out on page 8 of the financial statements. A summary of the financial results and the work of the Charity are set out below.

The Fund has decreased in value by £479,749 during the year (£348,489 gain in 2021/22, this decrease is primarily due to large unrealised losses (£472,972) at the 31<sup>st</sup> March 2023 valuation date due to volatile economic conditions following recovery from the pandemic and the ongoing conflict in Ukraine.

Income is principally comprised of investment income of £212,453 (£192,896 in 2021/22), this has increased slightly in regard to distributions from the pooled investments funds held on the financial markets. The Trust has utilised the Trustee's own investment managers to manage the other individual market investments, thus, controlling management fees and therefore maximising returns whilst at the same time maintaining a balanced capital risk strategy.

Charitable resources expended during the year amounted to £219,230 (£177,112 in 2021/22) and principally comprised grant payments of £204,850 (£163,310 in 2021/22).

Net losses on investments held amounted to £472,972 (£349,668 net gain in 2021/22). These non-realised investment losses have been due to the continued impact of the volatility in financial markets after the fiscal policies implemented during the autumn budget rounds. The 'Trusts' current investment strategy of diversifying the portfolio across several investment categories has enabled a certain degree of stability amid the current volatility in the financial markets. The long-term projections on these charity fund investments as indicated by the Trustees' Treasury consultants continue to offer a balanced risk portfolio between income generation and asset growth.

**The Monmouthshire County Council Welsh Church Act Fund  
Annual Report for year ended 31 March 2023**

**Assumptions made about the future and other major sources of estimation uncertainty**

The Statement of Accounts contains estimated figures that are based on assumptions made by the Trust about the future or that are otherwise uncertain. Estimates have been made considering historical experience, current trends, and other relevant factors. However, because balances cannot be determined with certainty, actual results could be materially different from the assumptions and estimates.

The items in the Trust's Balance Sheet at 31st March 2023 for which there is a significant risk of material adjustment in the forthcoming financial year are as follows:

**The revaluation of investment property and property funds**

Valuation techniques are used to determine the carrying amount of pooled property funds and investment property. Investment assets have been revalued as at the 31<sup>st</sup> March 2023 reporting date.

Changes in the valuation assumptions used, together with significant changes in rental growth could affect (increase or decrease) the fair value of property-based investments. As the investments are held on a long-term strategy basis, the fund does not foresee any long-term negative effect in the generation of future income streams.

**Income generation**

The Charity's investment income was £212,453 compared to £192,896 in 2021/22. The diverse external pooled fund investment strategy that mainly replaced the pooled investment strategy with Monmouthshire County Council has continued to produce consistent returns in the financial markets due to investment in more specific charitable investment funds. This income generation forms the main basis of the following years grant allocations to ensure continuity and non-degradation of the funds capital assets and to perpetuate the charity as a 'going concern'.

**Bad debt provision**

There are no bad debts arising in the year of account.

**Investment powers, policy, and performance**

Under the terms of the Trust Deed, the Trustee has general powers of investment, subject to the provisions of The Trustee Act 2000. The investment policy of the Trust is to maximise the rate of investment return, whilst employing a risk strategy that minimises any potential reduction in the capital value of the Fund.

The Trustee reviewed its investment strategy and produced an investment and fund strategy for 2022/23, which was approved by Monmouthshire County Council in its capacity as sole and corporate trustee, on 3<sup>rd</sup> March 2022.

Financial market investments have been restated at the financial year-end to reflect their current open market value.

## **The Monmouthshire County Council Welsh Church Act Fund Annual Report for year ended 31 March 2023**

### **Changes in fixed assets**

The fixed asset investments were re-valued in the 2022/23 financial year in line with the Investment Asset policy of revaluation every year.

### **Reserves**

The Trustee's policy is to maintain the level of investments at a level that provides sufficient annual income to fund the Charity's charitable expenditure. The level of funds held at 31<sup>st</sup> March 2023 is £5,201,291 (£5,681,040 in 2021/22). The Trustee reviewed its Fund strategy and produced an investment and fund strategy for 2022/23, which stated that the purpose of reserves is to maintain investments such that they realise sufficient income to provide grants to organisations at a consistent level. Whilst the strategy is to ensure that there is no long-term detrimental effect on overall reserve balances, recommendations made by the Charity Commission has resulted in grants allocations being made in line with investment returns.

### **Governance of the Charity**

Representative Councillors from each of the five administrative areas of Blaenau Gwent, Caerphilly, Monmouthshire, Torfaen, and Newport are appointed by their respective councils annually to form a committee to oversee fund management. Members are appointed to the committee for the term of the Council.

### **Risk management**

The Trustee has undertaken a review of the major risks to which the Charity is exposed, and its risk management and internal control procedures should be updated to ensure that systems are in place to mitigate the risks identified. The risk assessment was considered by Monmouthshire County Council on 3rd March 2022 and no risks were identified.

### **Auditors**

Audit Wales were appointed as auditors to the Welsh Church Act Fund in 2007/08.

### **Statement of Trustee's responsibilities**

The Trustee is responsible for preparing financial statements for each financial year, which give a true and fair view, in accordance with United Kingdom Generally Accepted Accounting Practice, of the state of affairs of the charity and its financial activities for that period.

In preparing those financial statements, the Trustee is required to:

- select suitable accounting policies and then apply them consistently.
- make judgements and estimates that are reasonable and prudent.
- state whether applicable accounting standards and statements of recommended practice have been followed, subject to any departures disclosed and explained in the financial statements; and

**The Monmouthshire County Council Welsh Church Act Fund  
Annual Report for year ended 31 March 2023**

- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operational existence.

The Trustee confirms that it has complied with the above requirements in preparing the financial statements.

The Trustee is responsible for keeping accounting records which disclose with reasonable accuracy at any time the financial position of the charity and to enable it to ensure that the financial statements comply with the Charities Act 1993. It is also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The Trustee certifies that:

- as far as it is aware, there is no relevant information of which the Charity's auditors are unaware; and
- as Trustee of the Charity, it has taken all the steps that it ought to have taken in order to make itself aware of any relevant audit information and to establish that the Charity's auditors are aware of that information.

Members of the Authority have direct control over the Welsh Church Fund's financial and operating policies. Where work or services have been commissioned, or where grants were made during the financial year in which members had an interest, members have a duty to declare such an interest. The Welsh Church Fund must ensure that grants allocated were in full compliance with the Authority's standing orders and that grants were made with proper consideration of declarations of such interests.

During the financial year, members who declared an interest did not take part in any discussion or decision relating to grants made or works or services commissioned. Details of all interests declared are recorded in minutes or relevant meetings and recorded in the Register of Members' Interest, open to public inspection at County Hall, Usk.
