<b>Sustainable Development Principle</b>	<b>Does your proposal demonstrate you have met this principle? If yes, describe how. If not explain why.</b>	<b>Are there any additional actions to be taken to mitigate any negative impacts or better contribute to positive impacts?</b>
 <p>Balancing short term need with long term and planning for the future</p>	<p>The evidence we have identified highlights issues that have been prevalent in society over many generations. The plan covers the period 2024-28 and we recognise that we need to be working on thins now that we may not see the benefit of for many years</p>	<p>A public consultation was conducted to identity how other may have had ideas on how we could further strengthen these.</p>

Sustainable Development Principle	Does your proposal demonstrate you have met this principle? If yes, describe how. If not explain why.	Are there any additional actions to be taken to mitigate any negative impacts or better contribute to positive impacts?
 <p><b>Collaboration</b></p> <p>Working together with other partners to deliver objectives</p>	<p>The plan sets out a range of areas where we are working in collaboration with others, from embedding national action plans locally, through to working with partners across Gwent to become a Marmot Region focused on tackling health inequalities.</p>	<p>Continue to work in collaboration with local group such as Monmouthshire Muslim Community Association and Abergavenny Town of Sanctuary. In addition, close work with Newport City Council through our shared community cohesion team</p>
 <p><b>Involvement</b></p> <p>Involving those with an interest and seeking their views</p>	<p>The plan has been subject to public consultation. We recognise that involvement in this area in recent years has not been as strong as we would like, as a result of capacity constraints. This has now been addressed and we are committed to improving how we involve all groups in future.</p>	<p>A public consultation was conducted to identify how other may have had ideas on how we could further strengthen these.</p>
 <p><b>Prevention</b></p> <p>Putting resources into preventing problems occurring or getting worse</p>	<p>By identifying evidence of inequality, we are recognising where problems currently exist. The plan is focused on tackling those issues and preventing problems occurring in the first place. This includes things like our work on tackling health inequalities and work on the early years which are intended to address the root cause of problems in the early years of a child's life.</p>	<p>A public consultation was conducted to identify how other may have had ideas on how we could further strengthen these. We will continue to work closely with the Institute of Health Equity to identify preventative actions.</p>
 <p><b>Integration</b></p> <p>Considering impact on all wellbeing goals together and on other bodies</p>	<p>.The way in which this plan has been produced, is aimed at ensuring we consider how each of the objectives interact with each other and trying to ensure we look across multiple protected characteristics when identifying the actions we will take.</p>	<p>We need to recognise the importance of intersectionality in all actions we take.</p>
